

King of kings

2393

omi and Fa Lan stood by the roadside, keeping their heads down, and soon after, that prince and two maids came over.

So that prince and the maids, at once, saw omi and Fa Lan

At this moment, Fashiro tried to raise her head as much as possible to show her charm .

The prince and the maid watched them for a moment, then they didn't ask any questions and went forward.

It seemed that Fa Lan's beauty was not enough to make the prince stay and ask more questions.

After the prince left, Fa Lan sighed, "I have failed, I have failed to attract Prince Qing Miao, I am no longer worthy."

omi smiled, "Fa Lan, do you know why you couldn't attract that prince's attention?"

"I'm not pretty enough."

"Wrong, when that prince came over just now, the first person he looked at wasn't you, but me, and after that, most of his eyes were on me, so what does that tell you?"

"Is it because you're ugly that you got his attention?"

"Wrong again, it's called the opposite s*x. That green prince just now is clearly a woman dressed as a man." First URL m . kanshu8.net

"What,"

"So, when she runs into us, her eyes will be more on the opposite s*x, and with that prince being a bit of a woman and having pale skin, I can conclude that Prince Aomori, is a woman."

"How is that, why is she pretending to be a man?"

"I don't know about that. Besides, they were just talking about a man, a man who was sh*tting stink in the Immortal Emperor's bed, and the Green Prince looked like he was worshipping him."

"Who is that person?"

"Haha, truth be told, the one who pooped on the Immortal Emperor's bed was me. Now, it's time for me to exert my energy."

After saying that, omi regained his true appearance.

“Fa Lan, let’s go, let’s take a detour to the front and pretend to have a chance encounter with the Green Seedling Prince again.”

“Oh.”

omi detoured to the front of Prince Qingmiao.

Soon after, Prince Green Miao and two maids came up again.

omi was deliberately under a tree, looking like he had his eyes closed.

Prince Qingmiao came up and saw omi at once.

“Er.”The Green Seedling Prince was startled and stopped.

“Wow, so handsome.”The two maids were busy shouting.

Prince Qingmiao walked up to omi and asked, “Hello, who are you?How come I haven’t seen you before.”

omi opened his eyes and said, “Just passing by, sorry to bother you.”

After saying that, omi looked like he was pretending to leave.

“Ah.”That green prince gave an ah, seeing that omi was so close to leaving, he seemed to want to say something, but was too shy to open his mouth.

After taking a few steps, omi suddenly turned back and asked, “Right, girl, may I ask where this place is?”

“Uh, you don’t know where this is?”

“I just escaped from the fairy world and landed randomly, I don’t know where I landed.”

“This is the Green Man family.”

“Oh, never heard of it, thanks girl, goodbye.”

“Wait.”Prince Aomori shouted.

“Is there anything else?”

“You, you called me girl?”

“Yeah, it’s not like I’m blind, I can’t even tell if you’re a man or a woman.”

“Oh, yeah, I’m not a man, I’m a woman.Do you want to know why I’m pretending to be a man?”

“Sorry, not interested oh, goodbye.”

“Hey, still don’t know your name?”Prince Qingmiao shouted.

omi turned back with a dazzling smile and said, “My name is omi.”

"What, omi? You can't be."

&n

bsp; "Uh, you know me?"

"I heard that there is a man named omi who pulls on the Xian Emperor's bed."

"Hey, hey, hey, don't say the word pull, it's ugly, I'm the one who rewarded the Immortal Emperor with that."

"You're really omi?"

"Nonsense, I'm leaving."

"Don omi, I adore you, can you stay as a guest? My father, my grandfather, all loved you and they heard about what you did to the Immortal Emperor and they all wanted to meet you."

"Oh come on."

"omi, since you've landed here so coincidentally, it's fate."

omi threw a wink, and for a moment, Qing Miao's aromatic heart rippled.

"I said, do you like me now." omi asked.

"Ah, I, I don't."

"You really don't? Then I'll go."

"Don't, well, I, I seem to be a bit tempted." Qingmiao said shyly.

omi said, "Unfortunately, you're average looking."

"How do you know I'm average, I'm dressed as a man now, I dare you to give me a little time, I promise I'll make you feel extraordinary." Qingmiao was busy.

"Yeah, go ahead, I'll wait for you."

"Ummm, you must wait for me."

"Good."

That Qing Miao was busy saying to the two maids, "Go back quickly, dress me up, make sure to dress up the most beautiful."

"Yes."

After Qing Miao left, Fa Lan came out and sourly said, "Wind Lightning, what are you doing."

"Don't call me Wind Lightning, call me omi. See, Prince Qingmiao, is a woman, and has just been conquered by my handsome appearance."

Fa Lan sighed as if she didn't like this kind of omi, such a brilliant omi.

"What are you sighing about?"

"It's nothing, Windy, are you going to seduce that greenhorn now?"

"Yeah, the law is trying to kill me and take my stuff, I have to think of a way, and even though it's a cheap one right now, there's nothing better."

"But."

Just at this moment, Fa Wu Tian appeared.

Fa Wu Tian said furiously, "Wind Lightning, I didn't expect that you were disguised, and you're the same omi who cuckolded even the Immortal Emperor."

"Hey, hey, speak cleanly, who did I put a hat on."

"I don't have time for such things as you, now come back with me immediately."

"Go back? Back where?"

"Nonsense, of course it's back to the legacy of the French dynasty."

"Lawless, what do you want?"

"Wind Lightning, you better tell me how to use it, otherwise, I'm really rude, don't force me."

omi sneered, "I'm a omi, I've even pulled the Immortal Emperor's bed, what's a lost dog to you Fa Wu Tian, and you're still rude to me, are you worthy?"

"Looking for death." Fa Wu Tian immediately went to grab omi and tried to lift him and leave. Now he had to take omi with him, or else I'm afraid it wouldn't be so easy.

However, in the next second, omi disappeared.

Of course, there was an additional small stone on the ground, a detail that Fa Wu Tian did not pay attention to.

"En? Where are the people?" Fa Wutian was startled.

When Fa Wu Tian looked to the side, even Fa Lan was gone.

"Ah."

Fa Wu Tian was foolish, two large living beings were gone in an instant right under his nose.

"Oh my god, how the hell did this kid do that? Why did it suddenly disappear." Fa Wu Tian stood there at a loss.

Fa Wu Tian thought that this kid had pulled all over the Immortal Emperor's bed, could it be that he really didn't have the ability to catch omi?
