

# King of kings

2402

"Fashi, it seems you're toast to the past."The Acting Supreme Being.

"I really don't know, I separated from him millions of years ago.I wanted him to be a Wind Lightning Cloud again, but unfortunately, he's going to continue to be a Tang Sunchen."

"What Omi Tang Sunchen, don't bullsh\*t me."The Acting Supreme and the others didn't know about Wind Lightning's relationship with Omi.

"Hmph, in a word, I don't know."Fa Lan didn't bother to say anything, she didn't want to live very much inside anyway.

Omi didn't come to her for so long, disappointing her, although she was angry before, but Omi could come to her ah, maybe say a few sweet words and so on, she agreed, but unfortunately, so long it didn't come, it seems, Omi has abandoned her, Fa Lan has no desire to live.

"Fa Lan, you're looking for death."

"Kill if you want to, I don't want to live anyway."

The Acting Supreme was at a loss for what to do with Fa Lan.

"What should we do?"Several of the men asked.

"It seems that the only way to notify the Great Supreme Being is to return."

So, the acting supreme immediately informed Fa Wu Tian. The first website [m.kanshu8.net](http://m.kanshu8.net)

Fa Wu Tian is in the Green Man's family, and when notified, he immediately rushes back to the legacy department of the Fa Dynasty.

Soon, Fa Wu Tian returned, and as soon as he saw Fa Lan, Fa Wu Tian hung her up.

"Fa Lan, say, where is Omi?"

Fa Lan snorted coldly and gave Fa Wu Tian a look full of contempt.

"You say it or not."Fa Wu Tian was furious, Fa Wu Tian had gotten that divine weapon from Omi, but he never knew how to use it, depressed to death, if he could use it, then the old king of the blue people would have to obey him, then his great plan would be just around the corner.Unfortunately, only one step was missing.

"Say, where is Omi, I must find him, you tell me."Fa Wu Tian roared hysterically.

And at this moment, Omi had already arrived at the remains of the Fa Dynasty.

Omi stood above the sky and shouted, "Put down my woman and I can spare your life."

The Fa Wu Tian who was in the cave was startled, was he talking to him?

At this moment Fa Lan's eyes flashed, was it the voice of Omi? Fa Lan was ecstatic inside, cursing: this negative man, finally knows to come to her.

The voice sounded again: "Fa Wu Tian, say you, put down my woman, you can be spared."

Fa Wu Tian heard Omi's voice this time, threw Fa Lan into the ground, and instantly rushed outside the cave, and saw Omi in the sky at once.

Omi was in the sky, standing with his sword in his hands.

"Omi, is it really you?" Fa Wu Tian doubted if he had heard correctly.

The Acting Supreme and Fa Lan, at this moment, also rushed out.

Fa Lan saw that it really was Omi and burst into tears of joy.

Fa Wu Tian laughed, "Omi, you finally dared to appear."

Omi snorted coldly, "I'm damn well here for you."

"Omi, tell me how to use the Divine Soldier, or else, both you and Fa Lan will die today."

Omi sneered, "I'm afraid you don't have the ability to do that anymore."

"Joke, my strength is one of the top ten among all the major powers in the Earth Immortal Realm, do you think you're my opponent now that you've suddenly become a Primordial Immortal?"

"Whether or not it's your opponent, we'll know when we try."

"Looking for death." Fa Wutian suddenly went to kill Omi, his hand flipped, and the dark clouds in the sky immediately formed a huge black palm, such a huge palm slapped towards Omi.

This power was definitely the power to break the firmament.

Omi also instantly felt the might of the

Pressure, worthy of being at the level of high ranking Immortals, Omi was only a Beginning Immortal, and some aspects were far inferior.

However, Omi's Three-No Divine Sword was not a vegetarian.

Omi instantly launched his sword.

His sword was as fast as lightning billions of times faster, meaning that Omi had hit his target squarely when he shot his sword.

"Swoosh." Omi's sword slashed at Fa Wu Tian's body, and suddenly, the clothes on Fa Wu Tian's body turned into nothing.

"Ah." Fa Wu Tian was shocked, he didn't even see Omi's sword, let alone see it clearly, he didn't even think that Omi's sword was faster than he thought.

It was just that Fa Wu Tian's realm was higher, and Omi tried his best to sword powerfully, but it couldn't kill his flesh.

And then, the dark cloud hand in the sky had already shot down, Omi's sword broke open and the smoke dissipated.

Fa Wu Tian retreated several steps in a row and spat out a mouthful of blood, already pale.

"You, how could you be so powerful?" Fa Wu Tian was shocked, he was at the level of a high ranking War God, and there weren't many in the entire Immortal World that were on the same level as him.

Fa Lan was also dumbfounded when she saw how powerful Omi was.

However, Omi wasn't satisfied.

It wasn't that his Three Woundless Divine Swords weren't powerful enough, but that Fa Wu Tian's realm was high and his flesh was strong, and Omi couldn't give him a single sword to kill him with, or even multiple swords to kill him with, because a lower-ranked Immortal couldn't kill a higher-ranked one.

But defeating Fa Wu Tian, it was already obvious that Fa Wu Tian was no match at all in strength, and Fa Wu Tian's spell attack was broken by Omi with one sword.

Omi said, "Fa Wu Tian, bring out my divine weapon, or else."

"Otherwise how about it, no matter how powerful your sword skills are, it's a pity you're only at the first stage of Immortal, you can't kill me."

Omi sneered, "Even if I can't kill you today, won't your grandfather me, won't I become a High Tier Immortal in the future, and when I become a High Tier Immortal, are you f\*cking an ant in front of me?"

"Ah." Fa Wu Tian's face changed, yes, he couldn't kill him now, but wouldn't he be able to in the future, but Fa Wu Tian, however, would never be able to defeat Omi.

"Hand it over, you can be spared."

Fa Wu Tian gritted his teeth, very reluctantly, but still, he took out the stone tablet.

"Hmph, give it back to you." Fa Wu Tian unwillingly threw the stone tablet to Omi.

Omi instantly collected it and hummed, "Count on you to know the time."

Fa Wu Tian held back and asked, "Omi, why are you so short?"

"It's none of your business." Omi interrupted Fa Wu Tian's question at once.

"You." Fa Wu Tian was depressed, but what could he do.

Omi said to Fa Lan, "Fa Lan, I am Omi, if you are willing, come with me, if not, you can stay here."

Fa Lan grievously said, "Can't you just tone it down a bit?"

"I can't be gentle with my tone right now, will you go? Become one of my wives."

“Okay.” Falan said with a pout.

“Then let’s go, go to the Cyan Family and settle the score with the Cyan King.” Omi said.

Fa Wu Tian’s body trembled when he heard Omi say to find the Old King of the Celestials, this kid, he is so strong, and I don’t know if the Old King of the Celestials can defeat him.

Omi flew away with Fa Lan.

Falan wanted to say something, but didn’t.

Omi said, “I know what you want to say, but now I don’t have time to talk to you in detail, I have to go clean up the Green Man Old King first. It’s just a pity that I can only clean up a bit, but I can’t kill it, I didn’t expect that the lower-ranked Immortals really can’t kill the higher-ranked Immortals.”
