"Why can't the lower-ranked Gods kill the higher-ranked Gods?"

"Heaven and earth rules it."

"You're already incomparably ungodly to be able to defeat Fa Lan, I didn't expect you to be so powerful." Fa Lan said with an adoring face.

"Alright, here we are."

Saying that, Omi arrived at the Green Man Family.

"Fa Lan, you go to the side, don't stand with me, in case I hurt you by mistake."

"Good."

Omi flew directly into the sky above the Green Man Family, Omi didn't say a word.

"Boom." Like a bolt of lightning, the sword sliced into the Qingren family.

"Wow." The ground of the Qingren Family was suddenly split open by Omi, splitting the entire Qingren Family into two land masses.

"Seeking for death, who dares to pander in my Qingren Family." At this time, a furious rage came from afar, needless to say, it was the Green Man Old King. Remember the website .kanshu8.net

The corner of Omi's mouth popped open and he snorted lightly.

In the next second, the Green Man Old King flew up.

Omi said, "Old King of Green Man, your grandfather, Omi, has come to collect the debt."

"Ah, it's you." The Green Man Old King was surprised to see that it was Omi.

"It's your grandfather, Omi."

When the old king of youth heard Omi's arrogance, his brows furrowed, as if he was wondering why this guy was so arrogant, and in the next moment, the old king of youth discovered that Omi had actually stepped into the First Stage God Immortal.

"You've actually become a First Order Immortal."

"No, I've become your grandfather."

"Omi, if you dare to insult me one more time, you're looking for death." The old green king was furious.

Omi snorted, "Grandson, do not bow to your grandfather yet."

The young man old king bit his teeth and said, "Very well, Omi, I was about to find you and hand over that divine weapon you have."

Omi said, "Grandson, today grandpa, I'll make you kneel down and beg for mercy."

"Go to hell." The Green Man Old King couldn't take it anymore, and didn't care about the divine weapon, he went to kill Omi, he would rather not have the divine weapon than kill Omi.

The Qing Man Old King clasped his hands together, and suddenly, countless blue lights emitted from the seams of his hands.

In a split second, the entire world turned blue.

Omi didn't know the strength of the Green Man Old King, everything was random.

This Green Man Old King, he was good at the Green Man Clan's Domain Law, and everywhere the green light went, everything was his domain.

Omi felt, dizzy all of a sudden.

"Damn it, this Cyan Man Old King has two skills." Omi cursed in frustration.

At that moment, the Old King of Cyanide had killed Omi with a palm.

In the domain of the Green Man Old King, he was heaven.

Omi suddenly swept his sword across.

The sword was as powerful as a rainbow.

The Green Man Old King also felt the power of Omi's sword and was in awe. Inwardly, he said, "No wonder this kid is so crazy, he has learned such a strong sword from somewhere, if I didn't possess the Cyan Light Domain, I really wouldn't be able to resist this sword of his. Unfortunately, it's in my Cyan Light Domain."

Omi's sword instantly brushed past the Green Man Old King.

The palm of the Cyan Man Old King, however, hit Omi.

"Bang." Omi instantly flew away.

In the Great Thousand Worlds, there were strong people like clouds.

This time, Omi had missed his plan.

The Green Man Old King was so powerful that Omi did not expect it.

Omi's body felt as uncontrollable as a defeated wisp, and he flew away into the distance in no time.

&

nbsp; Omi was reluctant inside, "How could my sword fail to hit the Green Man Old King? I'm a Three No-God Sword."

And at this moment, the Green Man Old King was also shocked, "I was so close to being injured by him in my Green Light Realm, gosh, how strong must his sword be."

Omi landed on the ground with a bang, but Omi wasn't hurt very strongly, as his body incorporated the material of the divine weapon and wasn't so easily injured.

After Omi landed on the ground, he flipped over and stood up.

At this time, the Green Man Old King was several thousand meters away from Omi, and the Green Man Old King's Green Light Field didn't seem to have such a large range.

Thus, Omi killed up with a sword from thousands of meters away.

"Buzz."

Despite being thousands of meters away, Omi's sword was the Three No Divine Swords, there was already no distance, no matter how far apart, thousands of meters or tens of thousands of meters, it was the same as in front of him.

This sword went up, and sure enough, the old king of the Green Man was miserable.

It struck effortlessly, Omi couldn't hit it just now in the Cyanide Field, but now, leaving his Cyanide Field was so simple.

"Ah." The Green Man Old King suddenly felt a hole appear in his body and screamed out.

"Swoosh." Omi was a thousand meters away, continuously swinging his sword to slash, each sword hitting the old green man's body at the same instant.

Within moments, the Cyan Old King was drenched in blood.

Although the Green Man Old King was stronger, his physical strength was weaker than Fa Wu Tian.

Omi didn't know how many swords he had slashed and stopped.

It had only been a short while, and the Qing Man Old King was already defeated, although he wasn't dead, he was already injured.

"You, how is this possible." The Green Man Old King looked at Omi from a distance, he couldn't understand why, Omi was so far away from him, yet he could injure him, and it was completely and utterly impossible to dodge.

Omi snorted, "Old King Qing Man, what else do you have, make it happen."

"Omi, what kind of sword have you practiced, why are you so strong."

"It's none of your business."

"You."

"What you what you, Green Man Old King, it seems you are nothing more than that."

"Omi, although I lost, you can't kill me at all."

"That's right, I can't kill you, otherwise, with all those swords just now, I would have cut you to pieces long ago. However, you're still used to drinking my urine last time, aren't you."

"You son of a bitch." The Green Man Old King was furious, remembering the last time he drank Omi's urine.

"Hahaha, Young Man Old King, one day, you will be proud of having drunk my urine."

After saying that, Omi didn't bother to talk nonsense with the Green Man Old King anymore.

Omi looked towards the ground and saw the Green Man's Green Miao, looking at Omi with burning eyes.

Omi didn't say anything and said to Fa Lan, "Fa Lan, let's go."

"Uh-huh."

Fa Lan flew to Omi's side and left in front of everyone's eyes.

Fa Lan asked, "Where are we going now?"

"Back to the Ten Thousand Violet Mountains."

"Ten Thousand Violet Mountains? The Ten Thousand Violet Sage?"

"Right. I think with my current strength, I'm qualified to be king, and I'll set about preparing to be king next, I just don't know where to go."

"Oh."

Omi took several days to return to the Ten Thousand Violet Mountains.

This time back, Omi's feeling was completely different.

This time back, Omi's strength was no longer weaker than the Ten Thousand Violet Great Sage.

In fact, Omi was looking forward to a duel with the Ten Thousand Violet Great Sage.
