Omi pulled Gao Xiaolian's hand and ran out of the residence.

However, Gao Xiaolian asked Omi to hide on it because, Gao Xiaolian wanted to go see the fun.

"You're crazy, Grandpa Dragon King is having a hard time creating an opportunity for you to escape." Omi said.

Gao Xiaolian laughed with a gossipy face, "Aigoo, this is the first major event in the Immortal World in the past and present, can I not go to see the fun? Besides, now that the Immortal Emperor has just been hatted, he definitely isn't in the mood to pay attention to me."

Omi thought about it, it was good, in case Grandpa Dragon King lost and was beaten badly, or was besieged by the Immortal God of War, Omi could also help out.

Now on Omi's side, including Grandpa Dragon King and Gao Xiaolian, there were already three strong people, so it was a big force.

"Let's go, let's take a look." Omi took the initiative to say.

"Okay, haha." Gao Xiaolian smiled with a thieving face.

When we arrived at the upper and lower divine Pool, it was already filled with people.

The Immortal Emperor was very, very annoyed, and so many people still knew about it now, and later, everyone in the immortal world would know that he wore the greenest hat in history.

The Immortal Emperor's eyes were blood red, completely irrational, and seemed to have forgotten his Immortal Emperor status, as if he were an avenger. The first website [m.kanshu8.net](http://m.kanshu8.net)

The Dragon King, on the other hand, had a clear mind and was in high spirits, and was simply a different person than he had been in the past.

The Immortal Emperor grabbed something like a golden ferris wheel in his hand, emitting a chilling light, not knowing what kind of divine weapon it was, and ruthlessly smashed it towards the Dragon King.

And the Dragon King, transforming into a long golden dragon, made four sounds.

"Boom." One dragon, one person, collided fiercely together.

After countless sparks, the Dragon King still stood between the heavens and the earth, and the Dragon King let out a wild whistle, a sharp sound that made everyone tremble.

The Immortal Emperor, on the other hand, didn't seem to be feeling so well, despite having a very strong divine weapon, but it seemed that he wasn't able to give off his strongest power, which might have something to do with talent.

The Immortal Emperor seemed as if he had aged a lot.

The Dragon King took on human form and said, "Immortal Emperor, you are no longer my opponent."

The Immortal Emperor's expression was extremely ugly, and he really didn't know why the Dragon King was suddenly so strong.

The Immortal Emperor shouted, "Three-Eyed War God, Sky Ling War God, Wind and Fire War God, you still won't kill me."

Suddenly, the Three Eyed War God, Sky Ling War God, and Wind and Fire War God surrounded the Dragon King.

The Immortal Emperor had an order and they had to follow it.

The Dragon King faced the siege of the three war gods, and it was true that he was under pressure, but although the Dragon King had defeated the Immortal Emperor, it didn't mean that he was strong enough to resist the siege of the three war gods.

Moreover, the Immortal Emperor could order more war gods to come out at any time.

Just then, there was a loud shout, "Grandpa, I'll help you."

Everyone didn't notice this person and looked to where the voice came from, but it was Omi.

"Ah." Everyone was stupid.

Wasn't this the Omi that the Immortal Emperor had been looking for for millions of years?

The Immortal Emperor was also startled when he saw Omi, Stepping on iron shoes, there was no place to look.

The Dragon King scolded, "Why did you come out, who let you out."

"Grandpa, they want to besiege you, I won't let them."

"You're a beginner immortal, you'll only add to my burden, what can you do to help me." The Dragon King scolded in exasperation.

"Haha, grandpa, that's not necessarily oh." Omi smiled hehehe.

Because of Omi's appearance, the War God who was about to do it immediately

We, too, have stopped for the time being, especially Leng Tian Ling, after such a long time, seeing Omi again was somewhat stunned, if Omi hadn't been killed quickly by Nian Qing in the beginning, he would have been married to Leng Guoling Yue, but even if they hadn't been married, they were still husband and wife.

Of course, the Three-Eyed War God looked at Omi quite complicated, after all, once Omi was also a member of his Skywolf Battle Team, but his eyes were firm, and if it came to a real fight, he would definitely kill.

The Immortal Emperor gritted his teeth and said, "Omi, you're finally willing to appear."

Omi snorted, "What do you mean I'm finally willing, I've never hidden myself, but you just couldn't find me yourself."

"Omi, today, I will never let you escape."

"Haha, unfortunately, you may not be able to catch me today either."

"Hmph, you don't know how to live."

Just at this moment, another petite shout came out, "I'll come too."

When everyone looked, it was Gao Xiaolian.

"Gao Xiaolian, what are you doing?" Leng Tian Ling was busy shouting as Gao Xiaolian flew to Omi's side.

The Immortal Emperor looked at Gao Xiaolian, his eyebrows furrowed, and said angrily, "Gao Xiaolian, what do you mean?"

Gao Xiaolian said, "Immortal Emperor, allow me to call you Immortal Emperor for the last time, I am now unilaterally declaring that I am no longer loyal to the Immortal Court."

"Ah." The entire audience was shocked, Gao such words.

The Three-Eyed War God burst into anger, "Gao Xiaolian, are you sure what you're saying? The Immortal Emperor has trained you at all costs, and you dare to betray the Immortal Court."

Leng Tian Ling also nervously advised, "Gao Xiaolian, don't mess around, this is no joke."

Both Leng Tian Ling and the Three Eyed War God had been chasing after Gao Xiaolian, so right now, they were a bit anxious, they didn't want to see Gao Xiaolian become an enemy of the Immortal Court.

Gao Xiaolian said, "Senior Three-Eyed, Leng Tian Ling, thank you for your concern and for taking care of me all these years, but I have to leave the Immortal Court."

"Why ah?" The Three-Eyed War God was puzzled.

Gao Xiaolian looked at the Immortal Emperor and said, "Because, the Green Hat Emperor came to me three or five times, wanting me to be his lover, I was afraid that he would force me and didn't dare to refuse directly, and kept delaying until today, I only had three days left to think about it. So, I had to make a choice."

"What." The Three-Eyed War God and Leng Tian Ling suddenly looked at the Immortal Emperor, they all liked Gao Xiaolian ah, but, they didn't expect that the Immortal Emperor wanted Gao Xiaolian to be his lover.

The Immortal Emperor was furious and immediately denied it, shouting, "Gao Xiaolian, how dare you start a rumor."

Hearing the Immortal Emperor's denial, Three Eyes and Leng Tian Ling looked at Gao Xiaolian suspiciously.

Gao Xiaolian laughed, "Whether it's rumor-making or causing trouble, in short, I'm no longer a member of the Immortal Court."

The Immortal Emperor yelled, "Leng Tianling, kill Gao Xiaolian for me."

"This." Leng Tianling was torn.

The Immortal Emperor gritted his teeth and said, "Today, none of the three of them will be able to leave alive."

At this moment, another voice came from the distance, "Who dares to kill my husband?"

The voice was extremely powerful, and everyone turned back to see a woman dressed in white flying in Xu.

Omi's heart was shocked when he saw that person, "It's Shenni, no, she's dressed now?"

That's right, the person who came was a divine nun, but at the moment, the divine nun had returned to the normal dress of a woman and was no longer wearing the ugly nun's clothes she was wearing before.

After changing back to her normal female costume, suddenly, she was radiant, charming and breathtakingly beautiful.

Omi did not expect that she would be so beautiful after changing back to her woman costume.
