Omi was about to set off with Gao Xiaolian and Jie when Zhou Tie hurriedly arrived.

"Just in time, dad, I'm leaving." Omi said.

However, Zhou Tie cried, "Mi'er, please save Zhou Zhou."

"Er, what do you mean? Didn't you say before that she was expelled from the Immortal Academy, and I haven't heard you mention her since." Omi's eyebrows furrowed deeply.

"Before you came back, Zhou Zhou sent someone back with a letter, she said she was expelled, she was in a bad mood and wanted to go for a walk, but it's been so long and she hasn't come back yet, I thought she would come back sooner or later. However, just now a friend of Zhou Zhou's from Sanshenshu came with a letter saying that Zhou Zhou wasn't expelled at all, but that something had happened."

"What has happened? There's no need to rush, speak slowly."

"Zhou Zhou was pursued by a person she didn't like at the Immortal Academy, that person was so powerful that we couldn't afford to offend her, and Zhou Zhou didn't want to harm her family, so she ran away on her own. I heard that Zhou Zhou is now cornered."

Omi sneered, "Which son of a bitch would dare to bully my sister like this."

"Mi'er, please save her."

"Don't worry, it's just a show of hands, after I bring the two of them back to the Ten Thousand Purple Mountains first, I'll go save her."

"Mi'er, can you go save her first ah, I'm afraid that the longer we delay, the cauliflower will be cold, that person dares to be so blatant, he must be capable of doing anything, in case Zhou Zhou is defiled." Zhou Tie said in tears. Remember the website .kanshu8.net

"Alright." Omi to Gao: "How about you two, go back to the Ten Thousand Purple Mountains by yourselves?"

"Which part of the Ten Thousand Purple Mountains is your home in this life?" Gao Xiaolian asked.

"Didn't Jie go there last time and pay her respects to me there?"

Shenny nodded.

After that, Omi went north and the two of them went east.

On the way, Divine Nun Ah Jie to Gao: "I was in the Immortal Realm before, and I heard that Omi had split up with his former wife, named Ding What Lan, right?"

"Seems like, never heard him mention the Ding family before."

"So then, Omi should currently have no other wives besides the two of us."

Gao Xiaolian said, "Definitely not."

"Then why doesn't he dare to take us straight back to Ten Thousand Purple Mountains? What is he so afraid of?" Godni said.

"I don't know about that, I'll know when I go to the Ten Thousand Purple Mountains."

Omi soon arrived at the Academy of Immortality.

Omi stood at the entrance of the Academy of Immortality, the place still hadn't changed at all, even the fairy gatekeepers were still the same.

"Stand still." The two janitors shouted.

However, in the next second, they rolled their eyes because, just now, a person had walked in at the entrance, but in the next second, where was someone.

"Strange? Blurred eyes?" The two gatekeeper Immortals couldn't fathom it.

And Omi had already entered the Academy of Immortals.

Omi heard from Zhou Tie that Zhou Zhou had chosen the Air Tearing Department and was still learning the Sword Technique, so Omi went straight to the Air Tearing Department's Sun and Moon Divine Sword class.

"Hello, I want to ask you about someone." Omi said to a student.

"Senior, who do you want to inquire about?"

"Do you recognize, a girl named Choo Choo?"

"Ah, Choo Choo?"

"You know?"

"Of course I know her, but she's a very famous swordsman in our Sun Moon Excalibur class

Genius, and also, the most beautiful girl in our entire Air Tearing Department, and the most renowned beauty in the entire Immortal Academy, and even more so, voted her as the most beautiful student in the history of the Immortal Academy. This is something that I heard has alarmed the Immortal Realm, and I've heard that some people in the Immortal Realm heard about her beauty and wanted to come down and take a look at her." That student said.

Omi's eyebrows furrowed, when Omi saw her last time, he didn't go to pay too much attention to her looks, he only thought that at first glance she was cute, with big eyes, and a little baby fat cheeks, as well as two very cute dimples when she smiled, she was a very friendly, sort of a child face giant what type of girl.

Omi did not feel so counted beauty, look at the face always feel not grown up like a girl.

"Alright, don't pull these useless things with me, where is she now?"

"Haha, how was I supposed to know that, there are so many people who want to pick her up, even the immortal world has people coming down to see her. Last I heard, I don't know who came down from the fairy world and wanted to chase her too. After that, I'm not sure, if you want to know better, you can go to her best friend, she has a very good friend in the Academy of Immortals."

"Take me there."

"Yes." That classmate didn't dare to resist when he saw how strong Omi was, and took Omi to a place.

"This is her best friend's cave."

Omi walked into the cave and saw a girl squatting in the corner not knowing what she was doing, the girl's face was red, her breath was deep panting, and her attention didn't seem to be at the door at all.

"Hello." Don Omi fed.

"Ah." The girl was startled and scrambled to lift her pants.

Omi thought she was peeing, so he walked out of the cave and said, "Come out and meet me."

That female classmate was shy and angry, walked out of the cave and was about to lose her temper when she saw that it was such a powerful person.

"Senior, who are you and why are you looking for me?" The girl said with some grumbling.

"I just didn't notice what you were doing and came straight in, sorry."

"I clearly set up a restraining system."

"Oh, I'm sorry, your restraint is so weak that I can't feel the presence." Omi said.

That female student looked at Omi in shock, so weak that she couldn't feel existence, so how strong should he be.

"You're not an immortal, are you?"

"Right."

"Wow." The girl was shocked and seemed to have no complaints, it was an honor to be bumped into by such a handsome immortal.

"Let me ask you, do you know Zhou Zhou?"

"Of course, why Choo Choo is the best friend of millions of years of deep friendship, just a pity."

"Pity about what?"

"Unfortunately, she's too beautiful, so we can't be together like we used to be."

"Where did she go?"

“She was captured by a strong man who came down from the Immortal Realm, and that man chased Zhou Zhou for a long time, and originally wanted Zhou Zhou to go with him of her own accord, but Zhou Zhou just didn’t see it that way, even if it was from the Immortal Realm. So, Zhou Zhou ran away and left the Academy of Immortals. It’s been a few years since we left, but, some time ago, I heard that the man came down again, and he seemed angry when he found out that Zhou Zhou had run away, so he went to arrest him.”

“Who is that person?”

“I don’t know, maybe, you should ask the tutor of the Immortal Academy, or the dean, it will be more clear with you, because I heard that person doesn’t even dare to offend the dean.”

“Thank you, you continue.” Omi turned around and flew away.

That female student blushed, pursed her lips and said, “Rascal Immortal.”
