

King of kings

2414

"Get the hell away from me."

"Hey, hey, Choo Choo, you're really beautiful."

"If you don't f*ck off, I'll die for you to see."

"Die? There's no chance you'll die with my restraints here, hehehe!" A series of wicked laughs from the Chapter Li turtle.

"Ooooooh." Zhou Zhou cried loudly.

At this moment, Omi had arrived at Zhang Li Turtle's house.

With a sweep of Omi's Immortal Sense, he saw Zhou Zhou in a house in the distance.

Omi rushed up without even thinking about it.

"Bang." Omi kicked the door open.

Zhang Li turtle who was about to pounce on him was busy turning back and said angrily, "That bastard dared to ruin my good fortune."

"Pah." Omi slapped down Zhang Li turtle. The first website m.kanshu8.net

"Ooooh." The helpless Zhou Zhou curled up in a corner and looked at Omi gratefully.

Zhou Zhou didn't know who Omi was, because Omi was now the real face, and millions of years ago, when Omi had first met Zhou Zhou, Omi had appeared with that ugly man's face.

"You." Zhang Li turtle was furious and touched the blood at the corner of his mouth.

Omi's eyes looked at Zhou Zhou.

"Zhou Zhou, it's okay." Omi walked up and said.

Zhang Li Turtle felt Omi's strength and panicked and slipped away.

Omi knew he slipped away, but didn't try to stop him because he couldn't escape.

"Thank you, thank you Senior for saving me, Senior's great kindness, Little Lady has no teeth to forget." Zhou Zhou even kowtowed and said.

"Er." Omi was stunned, then remembered that Zhou Zhou hadn't seen his true face yet.

"Zhou Zhou, there's no need for that."

"Senior you are?How do you know my name?"

Omi said gently, "I was your brother in a previous life, Zhou Mi."

"What, this."

"No need to doubt, when I met you before, that was my disguise, extra ugly right, you also asked to see my real face, I refused, I said, no matter what face, it was Zhou Mi in my previous life."

"It's really you, brother."

"Yes, it's me, all right."

"Ooooh, brother."Zhou Zhou threw herself into Omi's arms and cried.

"It's okay."Omi touched her hair to comfort her.

"Brother, you came just in time, if you had come a little later, I would have."

"I'm sorry, I should have come to find you, in fact, I returned to the Yunluo Immortal Kingdom a year ago, I didn't expect that you had such a big accident."

"Brother, this Zhang Li turtle, he has a lot of power, will I get you into trouble ah?"Zhou Zhou said in fear.

Omi sneered and said, "Yeah, the forces are huge, brother I'm scared."

"Ah, brother, I'm sorry, I'm the one who got you into this."

"It's fine, hehe."Omi was just saying the opposite, I didn't think that the naive Zhou Zhou couldn't hear it.

Only then did Omi let Zhou Zhou go.

Zhou Zhou was busy looking up at Omi for a few seconds.

"Zhou Zhou, why are you looking at brother like that."

Zhou Zhou smiled happily, "Brother, I can finally see your real face now, you're so handsome."

"Oh, it's okay, just the number one in the three realms."

"Brother."Zhou Zhou pursed his lips and smiled, brother was too rude.

Omi also took a few more glances at Zhou Zhou, although her face was quite straight, a very beautiful baby face, and her skin was as tender as that of a baby.

But

Yes, Omi didn't quite like this kind of beauty inside, didn't grow as mature, so he didn't feel pretty.

"Zhou Zhou, the people of Immortal Academy said that you are the most beautiful girl in the history of Immortal Academy?"

Zhou Zhou lowered his head shyly and said, "Brother, you've heard about it too, they're all just talking nonsense."

"I think so."

"Ah, brother." Zhou Zhouton was petulant, she was just being polite, but she didn't expect Omi to say it too.

"Haha, all right, all right, brother is joking with you, you're the most beautiful in the whole world."

"Thank you brother."

"Let's go, it's time to go take care of the rest."

Zhou Zhouton came back to his senses.

"Brother, even if I have to die, I'm willing to die with you."

"Death, how is that possible."

As soon as Omi walked out the door, he saw Zhang Li Turtle coming with a group of people, including a Primordial Immortal.

That First Order Immortal was Zhang Li Turtle's grandfather, Zhang Bing, who was also a Sixth Grade Immortal Officer.

"Just in time."

"Grandpa, that's him." Zhang Li Turtle said as he pointed at Omi.

The group of people stopped a few dozen meters ahead.

When Zhang Bing saw Omi, he immediately recognized him.

"It's you, Omi."

"Yoho, recognize me. That's fine, I'll give you 2 choices, first, you personally peel off Zhang Li Turtle's skin and shoot him to death; second, I'll exterminate your entire family. You choose." Omi said without any long-windedness.

Zhang Li Turtle didn't know who Omi was, he was busy saying, "Grandpa, this person is riding on your head, so why don't you make your move, if word gets out, how can you still hang around in the Immortal Court."

"You shut up."

Zhang Bing said to Omi, "Omi, you are an enemy of the Immortal Emperor, so you shouldn't run yet."

"Hmph, you haven't made a choice after my tens and tens of blows, so let me give you the choice, one."

"Omi, all I have to do now is shout at the Immortal Emperor, and the Immortal Emperor will absolutely immediately arrive with a large number of war gods, do you really want to die? How about I make a

deal with you now, I don't shout, let you go, and any grudge between us people is removed?" Zhang Bing said.

Omi directly said, "Ten. Alright, I've already counted to ten, you've missed the best opportunity, now, come help you choose. My choice is to exterminate your whole family."

After saying that, Omi went out with a sword.

Everyone didn't react, that Zhang Li turtle, his body split into more than ten pieces, as if he was cutting potato shreds.

"Ah." Many of the servants screamed at once.

Omi waved his hand and set up a ban, saying, "Other than the servants, any Zhang family member, regardless of gender or age, will be killed."

Zhang Bing shouted, "Omi, don't go too far, this is the Immortal World, how can you condone this."

Omi sneered, "Until now, you still haven't figured out the reality, fine, then I'll kill you last, I'll let you see your family die before your eyes."

"Immortal Emperor, Immortal Emperor, Omi is here, Immortal Emperor, Immortal Emperor." That Zhang Bing hissed, as if he wanted to inform the Immortal Emperor, shrieking like that, the Immortal Emperor was sure to find out.

Omi, however, didn't bother with him in the slightest and went to kill.

At this moment in the Nine Heavens Xuan Hall, the Immortal Emperor sensed someone calling out to him, a primordial immortal named Zhang Bing.

Omi didn't stay close to Zhang Bing, so it was impossible for Omi to conceal Zhang Bing's scent, the Immortal Emperor could sense it right away.

"Ah, Omi is in the Immortal Realm." The Immortal Emperor roared, he had already lost face last time, but he actually dared to come to the Immortal Realm, really he had a feeling of completely ignoring him ah.
