

# King of kings

Chapter 2421

"Let's go, go practice, when I come back, it will be time for me to rule the world."

"Go where?"

"No man's land."

"You're crazy."

"There's no place for us here anymore, the Immortal Emperor has already wiped out the Ten Thousand Purple Mountains and the Dragon Clan, will he let me go?"

Omi decided to endure the humiliation for now and not call himself a king, calling himself a king would be a death wish.

It was just that Omi was worried that by the time he became a high-ranking War God, the Immortal Emperor would have no idea how strong the War Gods under his command had been cultivated again.

Perhaps the Omi of that time might not be able to spike the War Gods of today.

It was truly a moment of this and a moment of that.

Shen Ni said, "Omi, do you really intend to go to the No Man's Land?"

"Right." Remember the URL .kanshu8.net

"Well, I have a no man's land I can recommend we go to."

"What place?"

"There is a place for us to practice."

"I thought you said it was dangerous?"

"Yes, it's dangerous, so I don't recommend it, in fact, it's a place that I've been told about. If you can't return through the adventure, you'll be dead forever."

"Go."

"Omi, are you sure?"

"What's not certain about this, I have no other path to choose from now."

Gao Xiaolian said, "Actually, we can find a place where no one can hide, the Immortal Emperor can't sense you."

"But then, I don't know how long it will take me to become a High Immortal, maybe a hundred million years, maybe a billion years."

"But if you die, there's nothing left, and besides, what about them?" Gao Xiaolian asked, she was referring to Mu Qianji and the others.

"They're weak, there's no way they'll follow us to that place I told you about, they'll die if they enter." Shen Ni Dao.

"But if we don't take them with us, they will definitely be sensed by the Immortal Emperor, and then, they will be destroyed by the Immortal Emperor." High.

Omi was in a dilemma left and right, if he didn't bring them with him, he would die as well.

As such, Omi temporarily looked for a hidden place first, as for what to follow, think about it well, there was no need to rush to the uninhabited area.

And right now, in the Immortal Realm, something big was about to happen.

"Immortal Emperor, the emissaries we sent to the Horned Goat Sacred Ground, the Dark God Palace, the Earth Demon Clan, the Yan Sect, the Green Man Family, and the Thunder Valley, these places have returned."

"Pass."

Several emissaries entered the Nine Heavens Divine Hall separately.

The Immortal Emperor asked, "They all know my will, right?"

"Yes, Immortal Emperor, they all said that they would think about it."

"Very well, you guys go down."

The Three-Eyed War God asked, "Immortal Emperor, do you really want to acknowledge the legitimacy of those kingly powers?"

"Hahaha, how is that possible, now that I have exterminated the Ten Thousand Purple Mountains and the Dragon Clan, I'm sure that the forces of the Horned Goat Sacred Ground, the Dark Divine Palace, the Earth Demon Clan, the Yan Religion, the Green Man Family, and the Thunder Valley are all aware of this matter. They are all on tenterhooks, and at this time, I'm throwing out an order that makes them legal without any other conditions attached, they will definitely be moved, besides, they saw before that I changed the ecology of the Ten Thousand Violet Mountains and the Dragon Clan, if they fight me hard, they are afraid that I will do the same to them, so they will definitely come." The Immortal Emperor said confidently, in fact, the Immortal Emperor already knew the ending, however, the ending could change at any time and the Immortal Emperor was not extremely sure, perhaps the ending sensed tomorrow would be different again.

The Immortal Emperor hesitated and said, "Three-Eyed Battle God, Leng Tian Ling, Wind and Fire, Purple Noble Battle God, Free Battle God,

Luo Tian War God, Long Hair War God, Black and White War God, Magic Taro War God, I have a plan."

"Immortal Emperor, please speak."

"I can make your strength, in one year's time, increase five hundred times, do you want it?"

"What, five hundred times?"

"Yes."

"Immortal Emperor, you really didn't lie to us?"The Three-Eyed War God asked excitedly.

"Hahaha, this is this Emperor's finale skill, I never thought of using it before, but now, I intend to use it.As long as you declare your eternal allegiance to me, I can make you each increase your strength by five hundred times.By then, not to mention the Beginning Immortal Omi, even if he becomes a Higher Immortal, he may not be a match for you."

"I'm willing."Over thirty Battle Gods expressed their eternal allegiance.

"Good."

After that, the Immortal Emperor also bit his teeth and was open to having more than thirty Battle Gods, entering a certain place.If nothing else, after a year, they would increase their strength five hundred times.

At this time, those several kingly powers of the Earth Immortal Realm, the Horned Goat Sacred Land's Horned Goat Grand Sage, the Dark God Palace's Baishi Palace Master, the Earth Demon Clan's patriarch, the Yan Sect's Destroyer Patriarch, the Cyan Family's Cyan Old King, and the Thunder Valley's Thunder Valley Master, united to the Immortal Court.

"You guys are here."The Immortal Emperor looked at these people and smiled slightly.

The Cult of Destruction asked, "Immortal Emperor, you said before that you recognized our legitimacy?Is that true?"

"Yeah, as long as you don't make trouble in the Earth Immortal Realm and don't go against the Immortal Court everywhere, I can acknowledge your legitimacy, and we'll all stay out of the well."

"Why do you want to do that?"

"Because, I don't care about you guys anymore, the Dragon and the Ten Thousand Purple Mountains, you all know about it, exterminated.But alas, the Dragon King and the Ten Thousand Purple Wraiths, their primordial spirits ran away.What is your choice?"

"If you recognize our legitimacy, we certainly don't want to make an enemy of you."

"That's fine then, you guys can go back."The Immortal Emperor waved his hand.

Those people, all of them left the Immortal Court with some suspicion.

The reason they came together was because they were afraid that there would be deception, and if they came together, the Immortal Emperor would definitely not be able to deal with it.

After they left, the Immortal Emperor sneered, "A few idiots, still legitimacy, I pooh, one year later, I'll make you all perish, hahaha."

One year later.

The Three-Eyed War God and the others came out, their strength, as expected, all of them had increased five hundred times.

“Thank you Immortal Emperor for your kindness.” More than thirty Battle Gods bowed.

“You don’t need to thank me, I now want you to each take a team of people to the Horned Goat Sacred Ground, Dark God Palace, Earth Demon Clan, Yan Sect, Green Man Family, and Thunder Valley and destroy them.”

“Yes.”

Just like that, all the powers of the Earth Immortal Realm were no longer there and were exterminated.

Unfortunately, the Horned Goat Great Sage, the Lord of the Baisi Palace, the Earth Demon Clan Leader, the Lord of Destruction, the Old King of the Green Man Clan, the Lord of the Thunder Valley, and several of their old powerhouses, although their flesh was destroyed, the Primordial Spirit escaped.

After that, the Immortal Emperor sent hundreds of thousands of troops to cleanse the entire Immortal Realm of all remaining sins.

“Hahaha, hahaha.” The Immortal Emperor let out a loud laugh.

“Finally, I have exterminated all the forces that called the Earth Immortal Realm king.” The Immortal Emperor said.

Of course, there was a price to pay for all of this, and that price was that he had taken out many resources to cultivate dozens of war gods, such as the Three-Eyed War God, to become even stronger.

Today, the overall strength of the Immortal Court had also directly increased by five hundred times, and it could be said that it was unbelievably powerful, and was not at all on the same level as the Immortal Court of the past.

In the Immortal Court’s bedchamber.
