

King of kings

2435

After everything was done, Omi said, "Alright, everyone, let's hurry up and get out of here, it's time to go back to the Immortal Realm."

The Ten Thousand Violet Great Sage shouted, "Kill me back to the Immortal Realm."

Nian Tides, however, was trembling inside at the moment.

"Omi, do you really want to kill my father?"

Omi said, "Nianxie, your father is not worthy of your protection at all."

"But he is my father after all."

"He even killed you before, why did he ever think that you were his daughter, besides, the Immortal Emperor exterminated the Dragon Clan, the Ten Thousand Purple Mountains, the Thunder Valley, the Dark God Palace, and so on and so forth, killing almost all of their clansmen, do you think that if I don't kill the Immortal Emperor, they will agree?" Omi asked.

The Ten Thousand Violet Sage was the first to growl, "I disagree, if I don't kill the Immortal Emperor, then I will no longer follow you."

The Destroyer Patriarch said, "Me too, the Immortal Emperor will be killed."

The Dragon King said, "Princess Nianzhi, everything develops in a regular manner, and now, the time has come for the Immortal Emperor to perish, in short, no one will be able to stop me."

Omi said, "Nianxie, hear me, I can't do anything about it, I can't spare him just because he's your father, besides, he and I already have a grudge. Of course, you can always seek revenge on me in the future, and if I die by your hand, I have no complaints." First URL m.kanshu8.net

Nianxie's eyes were wet.

Gao Xiaolian said, "Princess Nianxie, I think, you shouldn't go back to the Immortal Realm yet, so as not to make it hard to see."

"No, I want to go back, I will stand with my father, I will fight to the last drop of blood for my father." Nian Shi said with a bite.

Omi sighed, "Nianxie, do you have to go against me?"

"I'm sorry, but if you want to kill my father, you have to step over my corpse."

After saying that, Nian Shi flew away.

Omi looked at her figure and said, "Nianxie, you chose this yourself, so don't blame me."

The Dragon King said, "Omi, what can we do?"

"What is to be, or what is not to be, if we really want to step over her corpse, then let's do it." Omi said with an intolerant heart, but Omi would never delay everyone's business because of a woman.

After Nian Shi left Omi, he immediately took out an object.

Nian Tze immediately worked, and it was radiant.

At this time, in the Immortal Court.

The Immortal Emperor was sad.

At that moment, the space in front of the Immortal Emperor suddenly lit up and a picture appeared in the air, and in the picture was precisely Nianxie.

"Ah, Nian Tides." The Immortal Emperor was shocked.

"Father." Nianxie was about to say something, but the Immortal Emperor interrupted her and said loudly, "Nianxie, you're really good at hiding all these years, but it's useless for you to hide, I will find you."

Nianxie was a little disappointed to see that her father still wanted to kill her, but Nianxie still said, "Father, my daughter said long ago that she would never take your throne, but it's a pity that you don't believe me."

"Only a dead person would make me believe." The Immortal Emperor said mercilessly.

Nian Shi saw her heartless father and felt sadness inside.

"Father, you're making me unable to love like this." Nianxie said over her heart.

"Nianxie, if you truly love your father, die for him."

"Phew." Nian Shi sighed, he had wanted to tell the Immortal Emperor that Omi's strength had increased greatly and was incomparably strong, so that he must use the Hong Meng Heart to increase the strength of all the more than thirty war gods under his hands by a thousand times in the shortest possible time, so that he could resist Omi.

; However, seeing such a desperate father, Nian Shi hesitated whether it was worth it or not.

At this moment, a person beside the Immortal Emperor rushed out, it was the Immortal Mother.

"Nianxie, sobbing." The Fairy Mother whimpered and cried.

"Mother."

Nianxie shouted when she saw the Fairy Mother, although the Immortal Emperor was ruthless, the Fairy Mother had always been very protective of her.

"Nianxie ah, where the hell have you been all these years, Mother Mother really misses you." The Fairy Mother cried out.

"Nianxie also misses her mother, Mother Mother don't miss me, I'm in no man's land, and I'm doing fine."

"Shio-er, my Shio-er."

"Mother Mother."

The Fairy Mother cried, "Shi'er, you must be well, you must be well, Mother Empress, I'm afraid I will never see you again."

"Mother Empress why do you say that, I will definitely come back to see you."

"It's no use, Mother Empress already, doesn't want to live."

"Ah, Mother Empress, why?"

"Your father and I, our relationship has been completely shattered, and now, your father feels insulted to even stand a foot away from me, woohoo."

"How so?"

"Nianxie, before Mother died, I didn't want to hide it from you, Mother was defiled by that son of a bitch Dragon King fifty million years ago, everyone in the entire Immortal Court knows about it, I've already lost my face, sob."

"What." Nian Shi was dumbfounded.

Completely dumbfounded.

Tainted by the Dragon King?

This Dragon King, an hour ago, she had been talking to him.

"Mother, that's impossible." Nian Shi dumbfoundedly said.

"Oooh, Tides, why would I lie to you when it's already this time."

"Mother, how could this happen, how could this happen, I don't believe it, I don't believe it, sooooo." Nian Shi cried out.

The Fairy Mother said, "Shi'er, after my mother dies, you must avenge me ah, kill that bastard Dragon King, I know his Primordial Spirit escaped, one day, you must slaughter him yourself."

"This, how can this be, how can this be." Nian Shi's entire body was silly.

"Shi'er, Mother didn't lie to you, nowadays, no matter if I return your father, in the Immortal Realm has already lost its face, everyone knows that I was defiled by the Dragon King, and your father, also wants me to die to preserve his last bit of face. Shi'er, Mother's words, that's all, you have to avenge me, of course, you yourself have to live well, don't be found by your father."

"Mother, don't do anything stupid." Nian Tides yelled.

"Nianxie, maybe it's really the will of the heavens that allows me to see you one more time before I die." The Immortal Mother said in tears, the Immortal Emperor had been urging the Immortal Mother

to die, and it just so happened that Nianxie had sent a message to see her one last time, perhaps it was truly the will of the gods.

Nian Tze was in a hurry and immediately took control of the mid-air image and transferred it to the Immortal Emperor, who didn't seem to want to talk to Nian Tze and dodged several times, but in the end was helpless.

"Father, I'm begging you, stop mother quickly." Nianxie cried and pleaded.

The Immortal Emperor ruthlessly snorted, "She should have died a long time ago."

After saying that, the Immortal Emperor looked at the Immortal Mother and roared, "What are you waiting for, go die you, do you want me to do it?"

With tears streaming down her face, the Fairy Mother said, "Shi'er, Mother is gone, you must take care of yourself, goodbye forever."

"Don't, don't, Mother." Nianxie hissed, watching the Fairy Mother under her nose, as the smoke dissipated.

"No." Nianxie yelled in pain.
