If he stays fifty meters away, Omi won't be able to make it.

It seemed that Omi would have to continue to pretend.

"Someone, immediately go and capture all his women for me." The Immortal Emperor ordered a few of the War Gods to go.

But at that moment, the mana tied to Omi's body suddenly lifted and one of them shouted, "Run."

Omi didn't even react, only to see one of the war gods grab his shoulder and quickly fly away.

"Chase." The Immortal Emperor roared in anger.

Omi turned his head and saw Leng Tianling grabbing him and fleeing.

Leng Tian Ling said to Omi, "I'll stop it for you, you run quickly to where no one will find you."

Omi was extremely depressed and cursed, "What the hell are you doing saving me, who asked you to save me."

Omi deliberately pretended to be weak and was arrested, but who would have thought that Leng Tianling would betray the Immortal Emperor at a critical moment to save Omi.

This was good, Omi's plan was ruined. Remember the URL .kanshu8.net

Leng Tian Ling bellowed, "What's the point of long-windedness, run."

Omi was annoyed, however, Leng Tianling had good intentions, what could Omi do, after all, if this was true, then he had saved Omi at a critical moment, to a savior, did Omi want to return the favor?

"Tian Ling War God, why did you save me?" Omi asked.

At this moment, Leng Tianling was still flying rapidly with Omi.

"I don't know, a split second decision, I only hope that, when I find my granddaughter in the future, I must treat her well. All these years, she misses you all the time, I can see it in her eyes, I really can't bear to see you die, if you die, my granddaughter will be in pain." Leng Tianling said.

Omi said, "Don't worry, I already have Lone Moon with me."

"That's good, it's not in vain for me to save you."

"What about yourself?"

"I'm fine, I've increased my strength by a thousand times anyway, the Immortal Emperor can't kill me at all, he can only order the war gods under him to kill me. But the war gods under him will have difficulty killing me unless they besiege me, and even if they do, it won't be that easy. Besides, they aren't ironclad and aren't that loyal." Leng Tian Ling said.

"Ugh." Omi sighed.

"What are you sighing about? I was going to die, and now I've saved you, and why do you look so upset?" Leng Tian Ling asked.

Omi said, "If I was really caught, I would indeed be happy, but I was just pretending to be weak, pretending to be caught by you guys, I was going to wait for the Immortal Emperor to come within fifty meters of me, then I could catch him, but you're good."

"What? You did it on purpose?"

"Yes, in fact, you guys are no match for me at all, but it's just that no matter how strong I am, I couldn't capture the Immortal Emperor before I made this move."

"How are you so strong?"

"This is not the time to talk about it."

Leng Tianling asked, "Then what now?"

"You must find a way to get me recaptured and then figure out a way to help me get within fifty meters of the Immortal."

"Alright." Saying that, Leng Tian Ling slowed down.

Behind the Immortal Emperor and the other thirty or so war gods were desperately chasing after him.

"Don't let him get away, give me a chase, I must catch up to him."

Just like that, after chasing after him for a while, Leng Tian Ling was caught up and more than thirty war gods surrounded Leng Tian Ling.

The Three-Eyed War God said, "Leng Tianling, you're really crazy."

The Immortal Emperor raged, "Everyone, slaughter Leng Tianling and Omi together."

So, Leng Tian Ling pretended that he had escaped and threw Omi down.

The Immortal Emperor was busy shouting, "Forget about Leng Tianling for now, grab Omi."

After sparing a circle, Omi was once again caught.

However, after this detour, the Immortal Emperor's wariness of Omi had fallen much, much lower.

A War God reported, "Immortal Emperor, Omi has been captured, what should we do with him? Now shoot to death?"

Another War God said, "To avoid a long night's sleep, I suggest shooting him on the spot, in case Leng Tian Ling comes to save him again, as for his woman, forget it, just take care of Omi early."

Although the Immortal Emperor was unwilling, he still nodded, "Alright, kill him, die immediately."

"Yes, Immortal Emperor." More than thirty Battle Gods were busy following orders.

Omi was depressed, if he killed him now, Omi would have to expose his strength, but the Immortal Emperor, however, would always keep his distance from Omi.

"Die." Each of the thirty or so War Gods killed Omi with a single move.

Omi sighed and had to display the Three Nothing Domain.

Each of their moves, all of their power turned to zero as they entered Omi's domain.

At the same time, Omi blew his breath at the thirty or so War Gods.

"Ah." All of the thirty-odd War Gods screamed and were collapsed thousands of meters away in a single breath of air.

"What." The Immortal Emperor in the distance was dumbfounded.

Omi sighed, there was nothing he could do, the Immortal Emperor hadn't caught him, instead, he had exposed his strength, and this time, it was even harder to catch him.

Omi said, "Niantian, I am far from being a match for your people, you can't escape."

"Omi, how can you be so strong."

"What's the point of saying such words now?"

"Hahaha, Omi, you want to replace me, you're dreaming, I'd rather destroy the Three Realms than fulfill you."

"Nian Tian, you don't deserve to be an Immortal Emperor, you don't care about the lives of the world."

"Hahaha, now, it's unnecessary to say anything, Omi, I've collapsed the Three Realms, I'll see how you can still be an Immortal Emperor." Nian Tian roared.

Omi could only try, at the moment, Omi was about 800 meters away from the Immortal Emperor, it was a bit difficult to narrow it down to 50 meters.

Omi suddenly shouted, "Nian Tide, what are you doing."

The Immortal Emperor thought that Nian Tides had appeared behind him and that Nian Tides was also going to kill him, so the Immortal Emperor got nervous and turned back.

In an instant, Omi rushed him fifty meters in front of him.

"Hahaha." Omi laughed out loud, and the Immortal Emperor also instantly regained consciousness and immediately tried to divert himself.

However, the Immortal Emperor suddenly realized that he couldn't control himself.

"What's going on."

Omi said, "I tried so hard to catch you, but it didn't work, instead I used a child's trick to get you, hahaha."

"Omi, what did you do to me, why can't I control myself anymore?" The Immortal Emperor shouted anxiously.

Omi said unhurriedly, "Before I die, I can tell you that you've entered my domain, you can't escape at all."

"What domain, I'm the controller of the Three Realms, there's no way I can be trapped."

"The Three Realms of Nothing, it's not something you can understand at all."
