"No."

"I don't suppose the tides will kill you?"

"Will." The Immortal Emperor said.

"Why? There's no reason, to be honest, if it wasn't for Nianxie's face before, I might have tried to have someone like Dragon King or Leng Tian Ling come and kill you. It was because you were Nianxie's father and various other reasons that I didn't kill you."

The Immortal Emperor's face trembled and said, "Nian Tze believes that I killed her mother."

"Huh, it seems like you haven't seen your wife."

"Back to the High Heaven Sage, the Immortal Mother is dead."

"Why?"

"There are many reasons, but in the end, it's tainted by the Dragon King."

Omi sighed, "Understand, I'm also responsible for this, and when I see Nian Tides in the future, let her come to me, and I'll return her a living, breathing mother as a way to redeem the harm I've done to her."

"How is that possible." Remember the URL . kanshu8 . net

Omi said, "Do you know the Lotus Pillow Body Refining Method?"

"What? How do you know this?" The Immortal Emperor was shocked, as he was also practicing this, but unfortunately, he had no success at all.

"I'm only one small step away from cultivating the Lotus Body Refining Method to great success, after that, I can officially start resurrecting all of my loved ones."

"Really?"

"Of course."

The Immortal Emperor was busy saying, "Then, can you help me revive a few people?"

Omi laughed, "Why should I help you? I've damn well let you continue to be an Immortal Emperor, and to be honest, I don't even know why I'm being so nice to you."

"High Heaven Sage, if you're willing to help me resurrect a few people, I'm willing to provide you with the Hongmeng Divine Stone."

“What is the Hongmeng divine Stone?”

“Great Sage, you don’t know that, do you, what materials are you going to use to resurrect your loved ones?”

“Lotus root.”

The Immortal Emperor shook his head, “Lotus root is only the lowest grade material, very brittle, and even if you strengthen it afterwards, it won’t be able to compare to a real flesh body. If you use the Hong Meng divine Stone, then the strength of the refined flesh will be at least as strong as a Great Luo Jin Immortal’s flesh, and the Hong Meng divine Stone, which can be completely transformed into flesh, is even, better and more valuable than our real flesh.”

“Oh, yeah?”

“Of course, if I lie to you, I shall not die a good death.”

Omi laughed, “How many Hongshen Stones do you have?”

“Approximately, you can refine a hundred thousand people.

“En, that’s enough, well, if you provide it to me, I’ll help you resurrect it.”

“Thank you, High Heaven Sage for the gift.”

After that, Omi flew away, and Omi directly dominated a huge levitating island, which was about 100,000 square kilometers in size.

Such a huge area, all belonging to Omi, it was too extravagant, in the past, this hover island could have housed at least five million people.

Omi said, “From now on, this levitation island, renamed Gao Tian Island, belongs to the Gao Tian Great Sage’s personal territory.”

“Yes yes yes.” The Immortal Emperor nodded his head in succession.

Omi immediately ordered the tens of thousands of high ranking immortals under his hands to start deploying the construction of houses, which were too fast with the immortals’ abilities.

In less than a month, a luxurious house comparable to the Immortal Court was constructed.

Those ten thousand high ranking immortals were Omi’s personal guards, protecting the safety of the High Heaven Island.

Omi’s family was like an emperor.

Generally, residing in the very center of Takata Island.

Omi, a mortal, mixed up to this point, could be considered to be fine.

After everything was settled and stabilized in the Immortal Realm, Omi began to cultivate the Lotus Pellet Body Tempering Method, he had to practice the last bit, after that, he could start resurrecting his loved ones who had died of old age.

About three months later, Omi ended his retreat.

"Finally, I've completely practiced it." Omi smiled heedlessly and said inwardly, "My wives and children of the mortal realm, I've kept you waiting, it's time for our family to be reunited, and then, to be together forever."

Omi was on his way to the Immortal Emperor precisely to get him to hand over the Hongshi Stone.

Just then, Omi suddenly heard the Immortal Emperor's cry for help, "High Heaven Sage, save me."

Omi's eyebrows moved, could it be that Nianxi had come to kill him.

Sure enough, before Omi even walked out of the gate, the Immortal Emperor instantly flew over.

"High Heaven Sage, you have to save me, Nian Tides wants to kill me." The Immortal Emperor knelt down and pleaded with Omi.

Omi said, "I was just about to look for you, I've already trained, so you can give me the Hong Meng divine Stone."

"But, Nianxi wants to kill me."

"Don't worry, I'm there, she can't kill you." Omi's greatest need right now was the Hongmeng divine Stone.

At that moment, Nianxie came.

Nianxie said, "Omi, either you kill him, or, let me kill him." Nian Tze's eyes were filled with anger and said.

Omi smiled, "Nian Tze, long time no see."

"Omi, I advise you not to be so cordial with me, because, I'm going to kill the Dragon King later, don't make it difficult for you to choose then."

"What? Kill the Dragon King."

"Yes, the Dragon King has defiled my mother, he must die."

Omi was busy saying, "Your mother, I will help you resurrect."

"Even if you resurrect my mother, I'll still have to kill the Dragon King." Nian Shi was merciless.

Omi said, "Nianxie, why are you so stubborn."

Nianxie was furious, "She is my mother, a person who defiled my mother, what reason do I have not to kill her."

Omi said, "Yes, she is your mother, but your mother, do you think she is some kind of white lotus flower, incomparably holy? No, I'm not afraid to upset you either, your mother, to put it bluntly, is a bitch."

"Omi, you."

"Nian Shi, I'm sorry, I'm not talking nonsense, and I'm telling the truth, your mother is cruel and vicious, can you deny that?When your mother was young, she did everything she could to deceive the Dragon King for her own ends, can you deny that?You only know what the Dragon King has done to your mother, but you don't care what your mother has done to anyone else.Everything has a cause and an effect, your mother will be defiled by the Dragon King, it's a cause and effect, it's just a form of resolving the enmity between the Dragon King and her."

"Omi, I really didn't think that you were such a person."

"The truth is this, you killed the Dragon King, and one day in the future, the Dragon King's son will come back to seek revenge on you, because, you are his enemy who killed his father, he also has a reason why he must kill you, this is also a form of cause and effect.Nenshi, let's stop this matter, it's pointless to continue.Besides, I've already promised to help you resurrect the Fairy Mother."

Nianxie shook her head and said, "No way, the Dragon King must die."

Omi said, "In that case, go ahead and kill the Dragon King, I won't stop you from killing the Dragon King."

"You really won't stop it?"

"Don't stop me, I have a kinship with the Dragon King, I have it with you, too, and it's not good for me to help anyone.However, to show respect to the Dragon King, I won't help you resurrect the Fairy Mother, otherwise, you'll take advantage of any good thing."
