And at this moment, in a dark corner not far away.

Omi's heart trembled as he looked at the step-by-step Caiyun Fei Fei.

"Hey, hey, hey." Omi shouted incessantly, his brain seemingly confused.

Caiyun Fei Fei snorted, "Omi, don't be so insensitive, okay."

Omi smiled, "Boss Caiyun, why don't you go find Big Brother Guyan, okay, don't look for me."

"Omi, I want you, don't give me long-windedness." Caiyun Fei Fei was furious, Omi was so unenlightened.

"Fuck." Omi cursed in frustration, he was here to cultivate, what was this about.

Omi looked at Caiyun Fei Fei, what a half-hearted thing to do.

"Boss Caiyun, I beg you."

"Omi, are you really this insensitive?" Caiyun Fei Fei stared.

Omi said, "Boss Caiyun, a strong twisted melon is not sweet." One second to remember to read the book

"What's a melon?"

"Fuck, can't communicate, anyway, I can't do anything about you," Omi said.

"I don't care so much, just be sensible, otherwise, I'm out of patience, it's not impossible to kill you, Omi, Omi, I really can't understand you, how does this hurt you? This is something that is pleasurable for each other, why are you so uninteresting."

Omi said, "Boss Caiyun, to tell you the truth, I still have a wife at home, please be kind and let me go."

"Hmph, you're really looking for death." Caiyun Fei Fei shouted.

Omi also wanted to get angry, this old hag, not even peeing to look in the mirror, what a thing.

Omi resolutely said, "Boss Caiyun, I, Tang, would rather die than give in."

"You." Caiyun Fei Fei looked at Omi depressed for dozens of seconds, annoyed inside, but, killing him, there was some pity inside, not to kill him, he was biased and so uninteresting.

"Omi, I'll ask you one last time, do you know how to be interesting or not?"

Omi also gritted his teeth, "I'll tell you one last time too, I'd rather die than give in."

"You're really Lie, I've never seen a fool like you before."

"Unfortunately, in your eyes, I'm stupid."

"Don Omi, don't be like that, okay? I don't want to kill you, don't make me." Caiyun Fei Fei said somewhat pleadingly, this time, she didn't yell, but instead lowered her stance a little.

Omi sneered and said, "Impossible."

"Omi, are you really looking for death?" Caiyun Fifi yelled.

"Hahaha, I'm sorry, I want to die, but I don't want to be funny either." Omi was really damn depressed inside.

Before that Bitter Sacrifice wanted to kill him, he thought that, after following Gu Yan to this Three Factions, and following Caiyun Fei Fei and a few others, he could cultivate in the Evil God Relic, but who would have thought that such a doggone thing would happen to him.

Caiyun Fei Fei heavily exhaled a breath of air, using it to force down the fire on her body, but the fire couldn't be suppressed at all and immediately came out again.

"Omi, what exactly do you want before you agree to me?"

"Never."

"Looking for death." Caiyun Fei Fei was completely out of patience.

Omi suddenly felt like he couldn't move his body.

Caiyun Fei Fei's Three Nothing Domain had been cultivated to six horsepower, while Omi was still a zero horsepower person, where was his opponent.

In Caiyun Fei Fei's domain, Omi seemed like a person with no hands or feet, completely at her mercy to slaughter.

p; Cai Yunfei finally asked, "Omi, do you submit or not?"

"Disobey." Don yelled.

"Go to hell." Caiyun Fei Fei raged.

Just at this moment, a voice suddenly came from the distance of the void: "Hahahaha, hahaha."

It was a woman's laughter.

As soon as Caiyun Fei Fei heard the laughter, she knew who it was and said angrily, "Purple Bitch, you come out."

"Caiyun Fei Fei, you have a thick skin." The voice in the void said.

Caiyun Fei Fei was furious, "Purple Bitch, I don't need you to interfere with my affairs, if you speak behind my back again, don't blame me for being rude."

"Calling me a slut, I really don't know who is the slut, I heard what you said just now, what a bitch, hahaha."The voice in the void laughed.

"Yah yah."Caiyun Fei Fei was so angry that she wanted to jump up, and gritted her teeth, "Purple Bitch, this area is the place of my three factions, how dare you come to me."

"Sorry, passing by, passing by, hahaha."

"Try laughing again."Caiyun Fei Fei growled.

The voice in the void said, "I'm standing right here, come over here if you have the guts, and say that sentence again in front of me just now."

Caiyun Fei dashed up, and at this moment Caiyun Fei didn't bother with Omi.

Rushing to the front of the void, a glance at a woman wearing a yew robe, that woman looks, very noble and holy, face temperament is also first-class, Caiyun FeiFeiFei and her a comparison, that image, a sudden awareness of the sun and fireflies go the difference.

Caiyun Fei Fei said: "Purple slut, I'm coming over, how is it."

"Hmph, then you say ah, say what you just said again."That purple clothed woman said.

Caiyun Fei Fei gritted her teeth, "Try laughing at me one more time, I'll tear your mouth off."

That purple-clothed woman laughed, "Very good, very good."

"I'll kill you."Suddenly, Caiyun Fei Fei rushed up.

And at this moment, a white-clothed woman, quietly snuck up to Omi, and that white-clothed woman said, "Kid, for the sake of you being so clean, we'll save you once."

"Who are you guys?"Don was busy asking.

"Never mind who we are."

At this moment, Omi couldn't move his whole body.That white-clothed woman rushed up, and with a lot of effort, she finally rescued Omi.

That was Caiyun Fei Fei, who was fighting the woman in purple, when Caiyun Fei Fei suddenly felt something and said angrily, "Transferring the tiger away from the mountain, hmmm, don't even think about it."Saying that, Caiyun Fei Fei rushed towards Omi.

The purple-clothed woman was busy saying, "Caiyun Fifi, why aren't you fighting, aren't you going to rip my mouth off?"

Caiyun Fei Fei snorted, "Purple slut, before you laugh at me, think of yourself, I snatched him away, don't think I don't know what you want, between us, it's just a hundred paces and fifty steps."

The purple-clothed woman said, "Believe it or not, but I don't care to theorize with you, today this brat, I admire his courage, I prefer to save him."

After saying that, the purple-clothed woman blocked in front of Caiyun Fei Fei, and they started another battle.

Omi, on the other hand, was now being swiftly led away by that white-clothed woman.

Omi was inwardly depressed, and didn't know if he had left the wolf's mouth and entered the tiger's mouth again.

Soon, they arrived at another place.

The white-clothed woman put Omi down and said, "Alright, you're safe now."

"What is this place? Who are you guys?"
