

King of kings

2458

"Come on, let's go inside the Evil God's ruins." Omi said pulling Nian Shi.

"But, Senior Qin Zhong, he doesn't seem to like me going in."

Omi trailed off, "Qin Zhong, do you believe I'm going to slap him to death right now?"

"Er. Omi, Senior Qin Zhong, has been kind to me after all, at first, if it wasn't for him, I might have been killed by the Blue Emperor, and I don't know how they heard that I had some kind of exquisite heart, that Blue Emperor, wanted to take a shortcut to try to obtain my exquisite heart to help him cultivate. Fortunately, Senior Qin Zhong saved me."

"Oh, Nian Shi, in this Evil God's Relic, other than the Blue Emperor who is okay, there are no good people at all, Qin Zhong, is considered bad or not."

"Is that so."

"Let's go."

Omi pulled Nian Shi and entered the Evil God's Relic.

This time when he came to the Evil God Relic, Omi's feeling was completely different.

"Where's the Evil God's will?" Nian Shi asked.

"I don't understand, this Evil God's relic, well preserved, I guess it's more difficult to obtain the Evil God's will, and I'm afraid you, as an offspring, will have to go through a lot of tests to do so." A second to remember to read the book

"Uh-oh."

Just then, a voice came.

"Stop."

Omi looked towards the place where the voice came from, and it was the Bitter Sacrifice, Qin Zhong, and Blue Emperor.

"Yo-oh, it's you guys." Omi smiled.

Bitter Sacrifice coldly snorted, "Omi, I've run into you again, last time, you had a Gu Yan by your side, now, I'll see how you can still live."

The Blue Emperor looked at Omi with complicated eyes, but Qin Zhong, who was looking at Nian Shi, was busy saying, "Nian Shi, what are you doing in here."

That Bitter Sacrifice said, "Blue Emperor, Qin Zhong, this time, don't stop me from killing the two of them."

The Blue Emperor said, "Bitter Sacrifice, kill Omi, what if Caiyun Fei Fei's side?" The Blue Emperor thought that Omi was still in the Caiyun Fei Fei faction.

The Bitter Sacrifice snorted, "This time Omi is alone, I'll kill him. I'm sure the pair of dogs are out for a rendezvous. Qin Zhong, Qin Zhong, thanks to your heart, you still have some interest in this bitch."

That Qin Zhong's face changed, busy saying, "Bitter Sacrifice, don't, don't say nonsense."

"Hahaha, Qin Zhong, Qin Zhong, you have a spring in your heart, but you don't dare to say it to anyone. Who was it who said last time that you were a little interested in her, but dared not say anything because of your face?"

"Bitter Sacrifice, you, you don't say it." That Qin Zhong seemed to be very unnatural.

Omi looked at Qin Zhong and said in his heart, "This Qin Zhong, it turns out that inside he has some interest in Nian Shi."

Omi looked at Nianxie and seemed to be asking with his eyes, "Nianxie, you're not doing that with Qin Zhong, are you?"

Nian Xie had a moment of clarity, even as she looked at Omi and shook her head, "I only think of Senior Qin Zhong as a master, or an uncle, I had no idea that he was interested in me."

Omi said, "It's fine, I believe you."

On the other side, the Bitter Sacrifice said, "Qin Zhong, hear that, people's little girl, they only think of you as an uncle, hahaha."

Qin Zhong didn't look too good, in fact, Qin Zhong did have some interest in Nian Shi, but, being older than Nian Shi, he could be her father, so he didn't dare to confess to her, and thought, there would be a chance to confess to her again in the future.

But now, Nianxie actually assured Omi that she would only treat him as an uncle, Qin Zhong wasn't feeling good inside. Moreover, he was mocked by the Bitter Sacrifice.

Qin Zhong took a step forward and said, "Nianxie, Bitter Sacrifice is right, in fact

, I do have an interest in you, and since things have broken down, I'll be honest, if you're willing to follow me, I promise that the Bitter Sacrifice will never hurt you, otherwise, I'm afraid I won't be able to stop the Bitter Sacrifice today. You think about it."

Nian Shi shook her head without thinking, "I'm sorry, Senior Qin Zhong, I've always treated you as an elder, I've never thought of having a relationship with you as a man or a woman, if you don't mind, I can recognize you as an uncle."

Qin Zhong's face was suffocating red, soaking up girls to become an uncle, it was also really humiliating.

"Hahaha." Bitter Sacrifice let out a loud laugh.

But his face was expressionless, the Blue Emperor sighed inwardly, he could save Omi once, but he couldn't save him several times.

Omi also remained still, because, inside, Omi didn't take the Bitter Sacrifice seriously at all, just to see how he was bouncing around there like a clown.

"Qin Zhong, Qin Zhong, he's willing to recognize you as his uncle, what do you think?" The Bitter Sacrifice scoffed.

Qin Zhong said angrily, "Nianxi, just because you don't want to, why do you have to insult me."

"I'm sorry, Uncle Qin Zhong."

"You still call me uncle."

"Ah, I'm sorry, Senior Qin Zhong." Nian Shi was busy changing his words.

Qin Zhong was annoyed.

In fact, Qin Zhong wasn't a good person, it was just that he had feelings for Nian Tze.

Qin Zhong said, "Nianxie, you're really not afraid of death? You would rather die than accept my confession."

Nian Shi took Omi's arm and said, "I'm already Omi's person, and even though we haven't formalized our relationship, we've long been husband and wife. My heart has long since belonged."

"Then let's die together." Qin Zhong yelled.

Nian Shi did not expect Qin Zhong to change his face when he said he would.

Omi sneered, "Everyone, you're all done, next, it's my turn to speak."

"Omi, you've come to the end of things, why are you still acting cool." Qin Zhong said with a clench of his teeth.

At this moment, Qin Zhong had already treated Omi as an enemy.

Omi sighed, "Just now Nian Shi said that Qin Zhong is a good person, but unfortunately, or I was right, here, there are no good people."

Bitter Sacrifice said, "Qin Zhong, you do it."

"Okay." After saying that, Qin Zhong rushed up towards Omi.

But, weighing halfway up, Qin Zhong's body could no longer advance halfway.

"Ah, what's going on?" Qin Zhong was silly, as if a very strong resistance prevented it, and his entire body felt like it was deeply trapped in a solid pool of mud, ready to be drowned by the mud.

"This." The Bitter Sacrifice and the Blue Emperor were both dumbfounded.

The Bitter Sacrifice was a person who had reached seven horse condensation, while the Blue Emperor and Qin Zhong were both at six horse condensation.

"I'll do it." The Bitter Sacrifice instantly rushed up.

As a result, it was just as stuck in mid-air and couldn't move.

Omi said, "Don't waste your strength, I've already reached eight-horse condensation in my Three-Nothing Domain."

"This, is impossible." Bitter Sacrifice and Qin Zhong roared at the same time.

"The facts are already in front of us, what's there to say that it's impossible. Qin Zhong, Bitter Sacrifice, you want to kill me, so don't blame me for being rude." Omi's gaze was cold.

This Bitter Sacrifice was going to die no matter what, and Omi abhorred him, deeply.

The Bitter Sacrifice's face turned white and struggled hard, but to no avail, the Bitter Sacrifice shouted, "Brother Tang, Brother Tang, don't be impulsive, don't be impulsive ah, we have something to talk about, please." At the moment, the Bitter Sacrifice was like a little mouse that had been tied up.
