Chapter 2498

Many people were still whispering.

"I didn't expect that the divine deer was actually obtained by that brat, we ran into him that day and he actually lied to us."

Many people looked angrily at Omi.

Mr. Gojun gritted his teeth and said, "Kid, on that day, you tricked my divine deer into running in that direction, didn't you?"

Omi snorted, "Isn't this nonsense, how am I supposed to get this divine deer without lying to you, silly."

"You're looking for death, how dare you lie to me."

"What kind of bird are you."

"Very well, one day, you'll regret it, don't think that you dare to be arrogant in front of me by relying on a whatever trash master, you wait." Mr. Gojun exhaled and walked off the stage, the champion who had arrived was gone.

Omi also walked off the stage after receiving the trophy of the food competition champion.

Old Sang smiled hehehe, "I didn't expect the feeling of getting the championship to be like this, hahaha, Wind Lightning, thank you, if it wasn't for you, I wouldn't have been able to get this in my life, although I don't care about reputation, but if I can get it, why not, hahaha."

Omi said, "Master, the Divine Brain Competition is coming up next, isn't it." The first website m.kanshu8.net

"Yes, let someone else spell it out in the Divine Brain Competition, we'll go back first."

Omi smiled, "Master, why are you in such a hurry to leave, I can also participate in the Divine Brain Competition."

"Er, you're also participating?"

"Yeah, not just the God's Brain Competition, but all the competitions I'm going to participate in."

At that moment, the host shouted, "Everyone, the next one will be, the Divine Brain Competition. In the last Divine Brain Competition, our champion was, Zhu Youcai, and this time, who is our champion? Or do you have a cake? Zhu Youcai has won the Divine Brain Competition for three consecutive years, and is the record holder so far, as the most popular winner of this year's Divine Brain Competition, we need to invite him to come up and say a few words, and everyone applaud to welcome Zhu Youcai to the stage to make a speech."

"Pah-pah." The crowd was applauding.

Omi asked, "Master, who is Zhu Youcai?"

"He's a brain genius, at a young age, he's already at the God King realm, and he's deeply liked by many women, by the way, Miss Ah Luo, she seems to admire Zhu Youcai as well."

"Ah, Miss Ah Luo likes this Zhu Youcai?" Omi asked in shock.

"I've just heard, whether I like it or not I don't know, but quite appreciate it is true."

Omi immediately looked to the back, Omi's eyes found Miss Arlo, and sure enough, right now Miss Arlo was staring at someone, and that someone, was Zhu Youcai.

Zhu Youcai smiled as he walked towards the stage, then said to the crowd, "Thank you all for your support, I am determined to win this year's Divine Brain Competition championship, I hope, all my opponents, cheer up, don't make it too easy for me to win."

"Zhu has a cake, Zhu has a cake, Zhu has a cake." Several women shouted.

Omi looked at Miss Arrow, and although she didn't shout like that, she never took her eyes off of Zhu Youcai.

In his heart, Omi said, "As expected, Ah Luo is quite appreciative of Zhu Youcai inside."

Omi vowed, "I'll definitely play well in the Divine Brain Competition and show everyone how good I am. Winning a championship in the food competition just now is nothing at all, because that's not my skill, it's just my luck. But the Divine Brain Competition is different, it's completely dependent on my own strength."

Zhu Youcai gave a speech on stage, and then the host said, "Below, please invite all the participants to the stage."

In total, more than a hundred people walked up to the stage, and among them, there were more than a dozen God Emperor level powerhouses.

This round was regardless of realm.

"In front of you, there is a stone stele, three hundred meters high, inside this stone stele, it is covered with complex to the extreme spiritual stripes, what you need to do is, press one hand on the stone stele, carefully feel the spiritual information inside the stone stele, then use your brains to organize and rearrange those information, of course, it doesn't mean that, if you organize it, it is necessarily correct, only correct! Up, it will start from your hands and spread a white line upwards a little bit, to the limit of one hour, whoever has the highest amount of white spread in their hands is the smartest brain, i.e. the winner of this time."

Omi and the others, stood beneath that stone stele.

Unexpectedly, an ordinary stone tablet had such a complicated inner workings.

The host added, "Once upon a time, our record was thirty-four meters in height, but last year, our brain genius, Zhu Youcai, set the record to thirty-nine meters in one hour. It's an unbelievable record, and I hope, this time, Zhu Youcai will be able to set another record and surpass the forty-meter height mark."

“Good.”

“Go Zhu Youcai.”

“Zhu Youcai, it’s up to you.”

Zhu Youcai arched his hands to the crowd and said, “Thank you all, I won’t let you down.”

The host shouted, “Alright, everyone, please get ready, when I shout start, one hand is immediately attached to the tablet.”

“One, two, three, start.”

All the participants, immediately put their hands on the stone tablet.

Omi closed his eyes, this felt a bit like the canyon’s restriction when he tested Omi in Old Sang’s house before, but it was many times stronger than that restriction, was it also many times bigger.

Omi’s brain was racing.

And right now, that Zhu Youcai, his hand, a white emerged, and the white line went straight up against the stone wall.

“Look, Zhu Youcai is the first one to emerge with a white line.”The crowd shouted.

“Haha, our family has cakes, it’s really amazing, it’s the first one with a white line coming out of his hand.”

“I don’t know, who is the second one to emerge with a white line in his hand, it’s that kid from the Zhan family, it’s not the Yangfu kid yet, last year, they were Zhu Youcai’s biggest rivals.”

At this moment, a person suddenly shouted, “Look, the second person with a white line coming out has appeared.”

“Who is it?Where is it?”

“In the very corner.”

Everyone suddenly looked into the corner, and sure enough, the silent man in that corner, his tip, emerged with a white line, about thirty centimeters out.

This person was none other than Omi.

“It’s him.”Everyone was taken aback when they saw that it was Omi.

Omi was actually the second person to emerge with a white line, just a little bit slower than Zhu Youcai.

In the crowd, Miss Ah Luo was also surprised when she saw Omi’s second person to emerge with a white line.

Old Sang haha laughed, “Apprentice, come on, come on, hahaha.”Old Sang laughed inwardly, “This kid, really damn to me for face ah.”
