Chapter 14

Chapter 14

Carlos' voice was not loud, but it was clearly heard by everyone.

Just after Carlos finished speaking, the drivers standing beside each car and the 100 women in gowns holding trays lowered their heads at the same angle!

"Congratulations on your graduation, Mr. Zabinski!"

Their voices sounded unified, with an indescribable level of intensity.

Everyone was stunned.

Even Jeremy, Samuel, and others who had seen Robert's wealth before were stunned. They knew that Robert was rich, but they did not expect that Robert was that rich! What kind of lineup was that?

Those who had mocked Robert earlier were all dumbfounded.

Someone laughed, stood before Robert, and said, "The three-year deadline has come. This battle is much more luxurious than you anticipated when you agreed to the three-year deadline!"

"Robert... This loser, Robert, who works part-time every vacation, has such a luxurious background!"

Barry was completely dumbfounded. He was stunned, and his mind went blank.

Those who reacted faster were presently standing farther

away from Barry. They had just stood on Barry's side and mocked Robert. Now, they were very regretful.

Kendrick clenched his fists. While everyone's mind went blank because of Robert's identity, Kendrick was angry. "How is that possible? How can this brat have such a wealthy family? How could he? Why?" he fumed.

Marilyn's eyes were full of complicated emotions.

Robert looked at Carlos in front of him, the luxurious squad, and the helicopter in the sky, and smiled helplessly. "Carlos, do you need to have such a big display?"

Carlos shook his head slightly. "Mr. Zabinski, Mr. Zachary Zabinski ordered me to prepare this the day before yesterday. I had no time to prepare. In fairness, this display is not big. If you give me two more days..."

Robert hastily interrupted Carlos' words, "Nevermind, I can't handle it." The sudden shift in his circumstances left Robert feeling overwhelmed and struggling to adjust to his newfound wealth and temperament.

"Mr. Zabinski, according to Mr. Zachary Zabinski, these are graduation gifts for you." Carlos snapped his fingers. The ten beauties in gowns at the front of the team stepped forward with trays in their hands. They looked delicate and had stunning figures, causing many to salivate secretly at the sight of them.

Ten gorgeous women strode to the front and removed the golden covers from their trays. With a clear voice, each of them read aloud the contents of the tray in their hands.

"A Bluespring Residence property with an area of 27,000

square feet!"

The voice of the first beautiful woman alone caused a commotion.

Bluespring Residence was the exclusive area for the wealthy in Yrinas!

What was the concept of a house with 27,000 square feet?

"Seventy-three percent of the shares of Opulent Art Media Group."

"Eighty-six percent of the shares of Ardent Properties."

"Regal Trading Co. Ltd."

"One East Tower located at Yarwood central business district."

"Ninety-two percent of the shares of Colstrax Group."

"Hillscester Construction."

"Garrison Media Group."

After the ten beautiful women finished speaking, the crowd was completely dumbfounded.

Carlos lowered his head once more. "The first set of gifts has been prepared by Mr. Zachary Zabinski to celebrate your graduation. You may choose to manage any of these companies as you wish. The entire building in the central business district is owned by you and may be used, rented, sold, or demolished at their discretion. If the residence is not to your liking, there are nine different styles for you to choose from later."

Chapter 14

Carlos' words once again made the students at the job fair take a deep breath.

There were so many companies, and Robert could choose which one he would like to run.

Furthermore, the whole building located in the central business district of Yarwood belonged to Robert.
