Chapter 40

Chapter 40

Marlondo and the two young men immediately stood upright, and the expressions on their faces became respectful. Even Stephen was respectful to Carlos, who was from the Zabinski family!

It was Carlos who pushed the door open and came in. Carlos looked at Stephen and laughed, "Ha-ha! Stephen, it's been a long time. You still look so strong!"

"Mr. Camidge, thank you very much. Please take your seat!" Stephen's hands trembled. Then, he ordered his eldest son, Marlondo, "What are you waiting for? Go and pour a cup of coffee!"

Marlondo nodded right away.

Carlos smiled and waved his hand. "It's okay. Stephen, you don't need to serve coffee. I'm here to pick up Mr. Zabinski."

Carlos' words stunned all four people in the room. "Mr. Zabinski?"

He turned out to be the son of the Zabinski family?

They wondered why they didn't hear that the son of the Zabinski family was coming.

While the four of them were in a daze, Carlos walked to Robert and lowered his head slightly. "Mr. Zabinski, the driver has some family affair to deal with, so I told him to go back first. Sorry to keep you waiting for a long time."

Looking at the scene in front of them, all the Hoffmans widened their eyes in shock.

Carlos addressed Robert as Mr. Zabinski!

That meant that he was the son of the Zabinski family!

Robert was the son of the Zabinski family!

Such a scene made the Hoffman family and the others' minds blank. But Stephen had been in the business world for many years, and he soon came back to his senses and looked at Robert.

At the same time, Robert also looked at Stephen and said with a smile, "Mr. Hoffman, I said I was just here to celebrate your birthday today. Since the birthday party is over, I'll leave now and come back again when I have the chance."

After saying that, Robert walked straight outside.

"Stephen, let's catch up next time when we have a chance. Mr. Zabinski has just taken over the family business and has a lot of work to do. We won't disturb you here." Carlos waved at Stephen and left with Robert.

Looking at Robert's back, Stephen slumped on the chair behind him.

He couldn't believe that Robert was the son of the Zabinski family!

And according to Carlos, the business of the Zabinski family had been entrusted to Robert!

That meant he was the future helm of the Zabinski family! In other words, offending him was like offending the whole Zabinski family!

What were the consequences of offending the Zabinski

family?

Although many people said that the Hoffman family was one of the top three families in Navarre, Stephen knew very well how far their second and third families were from the Zabinski family.

As long as the Zabinski family was unhappy, the other two heads of the family could be completely kicked out at any time!

Now that he had offended the future helm of the Zabinski family, he thought that it was already over!

The more Stephen thought about it, the more scared he felt.

What was ridiculous was that he thought Robert was greedy for something from his family!

And he had even believed the words of the three young men and regarded Robert as a liar!

Thinking of the three young men's attitude toward Robert just now, Stephen was even more terrified. Once Robert couldn't take that and told Carlos what had happened just now, the Hoffman family would be dead!

Stephen slammed the table abruptly.

The three of them all trembled with the sound of a bang.

They lowered their heads and only dared to look up slightly. They could imagine how angry Stephen was at that time without looking at him.

"An insignificant Internet celebrity? An actor? Awesome! You can make up anything!" Stephen gasped for breath and said,

"When the family encounters difficulties, why don't you come up with suggestions? Now you become so active when you see an excellent young man!"
