Chapter 50

## Chapter 50

Stephen was the important patient!

In Lofbury, almost everyone knew the Hoffman family. They had shares in this hospital. Stephen was lying on the intensive care bed, his face pale, and he looked weak.

Marlondo, the eldest son of the Hoffman family, knelt beside Stephen's hospital bed, lowered his head, and didn't dare to say a word, so did the other two direct descendants of the Hoffman family. No one outside the ward knew what was going on.

Although Stephen had woken up, he had always been in a bad mood. From the window of the ward, it could be seen from time to time that Stephen was furious, and Marlondo was trembling with fear.

Marlondo explained with an aggrieved face, "Dad, we really didn't know that he is the son of the Zabinski family! Kendrick from Acocester stated he was a poor boy who preyed on the Labelle family, so I assumed..."

"You are stupid!" Stephen wanted to slap Marlondo in the face, but now, he couldn't lift his hand. "The Zabel family is a big shot in Acocester. Kendrick is the Zabel family's spokesperson here, so he dared to compete with the Zabinski family's heir, but we can't! Have you considered this? Let's not even bring up the consequence of offending the Zabinski family. You can't forget your origins, Marlondo. We would not be here today if it hadn't been for the Zabinski family. You made me ungrateful!"

Speaking of which, Stephen got emotional and hurriedly took

a deep breath of oxygen.

Seeing Stephen's situation, Marlondo felt a great pressure in his heart. "Dad, don't worry. It's already late today. When it's dawn, I will rush to Yrinas and apologize to Mr. Zabinski."

Stephen looked at Marlondo and sighed helplessly. It was the only way at this point.

Suddenly, the ward door was pushed open, and Stephen's butler walked in with a phone in his hand.

"Mr. Hoffman, it's a call from Yrinas. Mr. Camidge of the Zabinski family is looking for you."

"Mr. Camidge!" Stephen's face changed, and he struggled to sit up. It was Carlos, so even though it was just a phone call, Stephen couldn't answer it while lying.

Marlondo and the rest knelt straight as they silently prayed that the Zabinski family wouldn't call to blame them.

The three of Marlondo and the rest were panicking.

When Stephen held the phone, he immediately smiled and asked, "Mr. Camidge, what can I do for you?"

Marlondo knelt there. He couldn't hear the phone conversation but could see Stephen's grin fade over time and finally disappear. Then, Stephen got furious and started to hyperventilate.

One minute later, Stephen said, "Mr. Camidge, don't worry. I will definitely give you an explanation!"

Marlondo observed that after Stephen hung up the phone, his eyes were exceptionally piercing, full of unfathomable rage.

Chapter 50

Marlondo hadn't seen Stephen look like this in a long time. Stephen would only display such a face when something extremely terrible had occurred.

"Bastard! Bastard!" Stephen raised his hand tremblingly. "Hurry! Get Charles here! Now!"

Marlondo hurriedly dialed the number.

In Yrinas' Miclore Bar, Charles and Kendrick were sitting together and drinking when Charles's phone rang.

"It's from home!" Charles was overjoyed when he saw the caller. "Kendrick, wait a moment. I'll answer the phone!"

Then, Charles walked out of the private room.

A few minutes later, Charles returned to the private room and looked at Kendrick excitedly. "Kendrick, you're right. My family asked me to go back now for something. Kendrick, thank you so much!"

"We're friends. There's no need to thank me." Kendrick waved his hand indifferently. "Let's go. Since you're leaving, let's stop here today. I'll go with you, for I want to visit Mr. Hoffman tomorrow."
