Chapter 62

Chapter 62

"Robert!" Matthew gritted his teeth and asked, "Do you have a death wish?"

"You have a filthy mouth, so you deserve to be slapped." Robert took a towel from the coffee table and wiped his hands.

"I deserve to be slapped? You said I deserve the slap? I'm from the Quesnell family in Acocester!" Matthew barked.

The crowd was in an uproar.

Although the Quesnell family in Acocester was not as powerful as the Zabel family, the Quesnell family was still not a target that people from Yrinas could mess with.

With a homicidal gaze, Matthew stared at the man beside him and yelled, "You! Tell me who deserves to be beaten!"

The person Matthew was gazing at was the one who had just seen Matthew and Kendrick appear together. That person then took the initiative to be on good terms with the two.

That man looked at Robert and the furious Matthew. Then, he lowered his head, walked over to Robert's hind, and uttered in a faint voice, "You... You deserve to be beaten."

The man had seen Robert in the auction before. Though his voice was faint, his words still reached Matthew's ears.

Matthew was stunned. "What the hell did you just say? Say it again."

The man who stood behind Robert remained his head low

and didn't dare to speak.

"Speak up and tell him," Robert ordered.

Hearing Robert's words, the man instantly lifted his head and shouted, "I said you're mouthy! You deserve to be beaten!"

Upon hearing the man's words, Matthew was so enraged that he breathed heavily. He initially thought he had a lackey but ended up with the man betraying Matthew at this moment.

Kendrick looked at the man with a puzzled look, as he didn't understand why the latter would support Robert.

Kendrick glared at the man fiercely. Afterward, he told Robert, "Robert, I don't care what's his relationship with you. But since you hit my people today, I can't let you go this time!"

"You won't let me go? What are you going to do?" Robert suddenly grinned. "Do you still want to keep me here? You can ask who dares to stop me if I want to leave now!"

After saying that, Robert looked around.

Those who knew Robert's identity didn't dare to meet his eyes. After all, he was the heir of the Zabinski family. No one dared to do anything to him!

However, those who didn't know anything were told by their friends in a low voice. After learning Robert's identity, they quickly cowered even when they wanted to express goodwill to Kendrick from the start.

In every direction that Robert looked at, people all lowered their heads.

Kendrick didn't expect to witness such a scene. He had no idea why these people acted like this.

"Kendrick, I know something interesting." Robert moved forward and spoke in a voice that only Kendrick could hear. "I have the evidence that you gave kickbacks to the person in charge of Everlasting Trade. Do you know this kind of matter will send you to prison?"

After hearing that, Kendrick was astonished and wondered, "How did Robert know about this?"

Robert took a step backward while Kendrick was in a daze.

"Kendrick," Robert called out.

"Hmm?" Kendrick subconsciously raised his head to look at Robert.

"Sometimes, you have to know your strength before supporting someone."

After Robert warned him, he raised his arm and slapped Kendrick hard on the face.

Slap!

The sharp slapping sound resounded throughout the banquet hall.

With that slap, Kendrick was dumbfounded, as was everyone in the venue.

The battle between Zabinski Group and Zabel Group was like a diamond-cutting diamond. But how could the heir of Zabinski Group suddenly begin to beat the rival?

Chapter 62

Both Zabinski Group and Zabel Group were as powerful as each other! After that slap, it showed that the heir of Zabinski Group didn't take Zabel Group seriously and would beat the latter as he said! Hence, Zabel Group wouldn't let this matter slide easily.

Kendrick lifted his head and looked at Robert with anger in his eyes.

At the same time, Robert also looked at Kendrick.

"What? You seem to be very unhappy?" Robert smirked and then looked at Marilyn.

"Robert, you're crazy!" Marilyn screamed. After being shocked, she became scared as Zabel Group wouldn't let Robert go after he hit Kendrick!

"Am I? Hahaha." Robert asked carelessly, "Kendrick, do you think I'm crazy?"
