

## Chapter 64

The banquet hall was silent.

The people in charge of the companies who came to the banquet looked at Carlos, shrinking their necks.

They knew very well what kind of means Carlos used to have. He had made great contributions to make Zabinski Group have such a position in Yrinas now.

Carlos glanced at everyone present and snorted, "Are you still waiting for me to drive you home?"

As soon as Carlos finished his words, the people started to speak anxiously.

"Well, Mr. Zabel, I have something to do at home today, so I'm leaving now."

"Mr. Zabel, let's meet up another day."

"Mr. Zabel..."

Suddenly, the people who were invited to the banquet found various excuses to leave quickly. Everyone who passed by Carlos would bow their heads respectfully and greet him as Mr. Camidge.

Their postures showed their fear of Carlos.

All the guests were gone in the banquet hall.

Carlos fixed his eyes on Matthew.

Matthew could not help but shiver. Matthew felt that Carlos, who was looking at him, was not a human at all. He was a

dormant beast that would give him a fatal blow at any time.

"Zabinski Group was established in Yrinas 31 years ago! From a garment factory to this scale now! In the past 31 years, there have been countless opponents, including the maniacs who buried people in the sand and gravel factory and the people with powerful backgrounds. Zabinski Group still trampled everything and made it through! But now, you're saying you're going to end the heir of Zabinski Group in Zabinski Group's territory! Who do you think you are?"

Carlos took a step forward!

Matthew stepped back.

"Who do you think can make a scene here?" Carlos stepped forward again, and Matthew could not bear Carlos's strong pressure at all. Matthew was unstable when he retreated.

"Do you think your so-called family can protect you?" Carlos took the last step, and his aura directly crushed Matthew.

Matthew leaned his back against the wall. He had no way to retreat. His legs kept trembling, and his fingers and lips were numb. Matthew was so anxious that his heart was about to pop out of his throat!

Just as Matthew was about to pee, Carlos's aura suddenly diminished.

Carlos glanced at Marilyn and said calmly, "Ms. Quesnell, you are a friend of Mr. Zabinski. I'll let your younger brother go. As an elder sister, you have to learn how to educate him."

After saying that, Carlos turned around and left with the others.

In the blink of an eye, only Kendrick and others were left in the banquet hall.

Matthew could not hold it anymore. He collapsed at the corner of the wall, and his pants were wet. The back of his clothes was completely wet from cold sweat.

In such a short time, this explosive news flooded their minds.

They thought, "Robert is the heir of the Zabinski Group!"

Kendrick clenched his fists. He had always thought that Robert was just a loser who depended on the Labelle family.

He thought, "What? Why did he suddenly become the heir of the Zabinski Group? How could it be like this?"

Kendrick was getting more and more furious. A person who Kendrick had always looked down on and could step on at any time suddenly had everything, which made Kendrick almost crazy!

It was a depressing feeling for Kendrick.

Unlike Kendrick, Marilyn was overjoyed when she knew the news!

Marilyn thought, "Robert isn't a poor boy! He's from the Zabinski family! Mom, Dad, don't you want me to marry someone who has a similar family background? He is the one now, right? I'm going to find Robert. I'm going to talk to him!"

Marilyn subconsciously took two steps to the door of the banquet hall, but she quickly asked herself after ecstasy, "Can Robert accept me? He was already with Naomi! He already had a new lover. Why should I disturb him?"

Chapter 64

Thinking of this, Marilyn suddenly stopped her steps.
