

## Chapter 67

Soft music was played in the dimly lit Grand Triumphant Hotel's lounge.

Naomi and Marilyn sat looking at each other, and Naomi could clearly see the joy on Marilyn's face.

Looking at the wine glass in front of her, Naomi did not know why she told Marilyn about this. Maybe she wanted a fair competition.

After walking out of the hotel, Marilyn immediately thought of her best friend Linda.

She dialed Linda's number and wanted to share the good news with her. Linda answered it immediately after Marilyn called her number.

"Linda, listen to me."

"Marilyn, listen to me first."

In a luxurious mansion in Yrinas, Kendrick's face darkened.

"Robert! I want you dead! I want you dead! You're going to die!"

In the room, the expensive vase was smashed to the ground by Kendrick. The room was a mess. Kendrick was venting his anger.

Kendrick felt unprecedented humiliation in front of so many people today!

He was from the Zabel family. He had never suffered such a great grievance! No one in Acocester dared to do this to him, let alone in the small Yrinas!

Kendrick cursed inwardly, "Robert, you're arrogant! You're crazy!"

"When the Zabinski Group is bankrupt, I want you to kneel in front of me and confess your wrongdoings!"

Kendrick's eyes were ferocious. There was murderous intent in his expression!

In the guest room of a hotel, Matthew cried and held his phone, calling Spencer. "Dad, you have to help me. Mari's ex-boyfriend beat me and said that the Quesnell family is a piece of trash. He really disrespects our family. He just hates us. In fact, I could bear it when he beat me, but he also beat Kendrick! Mari's ex-boyfriend beat Kendrick in front of so many people. Kendrick is a generous man, so he wasn't angry at him, but Kendrick will definitely be dissatisfied with Mari. What should we do?"

Hearing the crying on the phone, Spencer's face turned ugly.

Now, the Quesnell family had to rely on the Zabel Group to survive!

But Marilyn made Kendrick unhappy because of her ex-boyfriend!

Spencer thought this was unreasonable!

"Matthew, is that Robert? Who supported him?"

"It's his family. Some group called Zabinski Group!" Matthew kept sobbing, looking particularly aggrieved.

"Zabinski Group? The leading enterprise in Yrinas? No wonder he was so bold! But what could Zabinski Group do to compare with Zabel Group? They don't even deserve to lift Zabel Group's shoes! Okay, I get it now. I'll deal with it."

"Dad, you have to help me! Fortunately, you were wise. You didn't let Mari be with that person. He didn't care about the Quesnell family at all. When he beat me, he also said that he was beating

the Quesnell family. He said if Marilyn's parents were there, he... He..."

"What did he say?" Spencer, on the other end of the phone, frowned.

"He said that if Marilyn's parents were here, they would all be disabled today!"

"Scum!" Spencer was furious. "It's just a small Zabinski Group, how dare he!"

On this night, some people were happy, some people were sad, and some people were angry.

At twelve o'clock, midnight, Robert and Marilyn lay on different beds and looked up at the starry sky. For some reason, the night sky tonight was particularly beautiful.

Naomi tossed and turned around and kept looking at her phone. She did not know why it was like this tonight. She always felt empty in her heart and was thinking nonsense.

The sun shone in the early morning. Robert got up and deliberately set his hair and used a facial cleanser today. He was expecting something and feeling nervous.

At ten o'clock in the morning, Carlos knocked on the door and walked into the office.

"Mr. Zabinski, Gabriel has been convicted of embezzling public funds. The funds were found. He did it through his brother-in-law's company, but there was no evidence of him using the rebate."
