

## Chapter 70

Linda hurried forward when she saw what was happening.

"Linda, Mari and Kendrick will be engaged soon. You'd better leave our family alone!" Matthew immediately blocked Linda's path.

Linda was anxious but powerless. As Matthew said, it was a private matter.

In the private room, Robert glanced at the time.

It was already six o'clock in the evening, and he became more and more nervous. He got up and opened the door of the room to have a look, but found himself coincidentally meeting the gaze of Marilyn.

Robert had specially dressed up and styled his hair today.

He went out of the room excitedly, only to see Kendrick holding Marilyn's arm and walking towards him.

Kendrick smiled proudly, causing Robert's mind to go blank immediately.

"Hahaha, this fool is really here," Kendrick deliberately laughed loudly so that Robert could hear clearly.

Robert's excitement disappeared, and all that was left was pure anger!

Robert looked at Marilyn with questions in his eyes.

Marilyn only lowered her head to avert Robert's gaze when she sensed Robert looking at her.

"Marilyn, where do you think we should hold our engagement party? I think the Grand Triumphant Hotel of Zabinski Group is good. I'll book the entire hotel and put up our engagement photos everywhere, okay?" Kendrick grabbed Marilyn's arm and continued to walk upstairs, all the while not forgetting to throw Robert a provocative look as they passed by.

Marilyn kept her head down and didn't dare to look up as her face was entirely drenched with her tears.

Robert clenched his fists and walked down the stairs.

"Robert, listen to me!" Linda stretched out her hand to pull Robert, but Robert shrugged her off.

Linda didn't know how to explain what was happening to Robert.

It was she who asked Robert out.

Linda could clearly feel Robert's excitement and happiness last night. She also understood how important Marilyn was to Robert.

And yet, something like this happened...

Matthew smiled when he noticed how angry Robert was. "Tut-tut, is this all there is to the Zabinski Group? Do remember to come for Mari and Kendrick's engagement party."

Robert kept walking until he was out of Fairsaint Restaurant.

Marilyn shook off Kendrick's hand as soon as Robert was out of the restaurant.

"That's enough, Kendrick! What the hell are you doing?"

"Nothing," Kendrick sneered. "Marilyn, you're my future wife. How can you talk to me like that?"

"You know I don't like you, and you don't like me either, so why do you have to be like this?" Marilyn felt she was about to have a nervous breakdown. How could she hurt Robert again and again?

Kendrick narrowed his eyes and looked at Marilyn. "It's true I don't like you, but so what? We'll still be husband and wife in name. After we're married, I'll sleep with you if I feel like it, and if I don't, I'll go out. Your sole reason for existing is for me to make Robert jealous. I'll do anything as long as it'll make Robert unhappy, and there's nothing you can do about it, Marilyn!"

After that, Kendrick laughed and walked into the private room.

"Come, Matthew. I'll arrange for the girls to have fun with us tonight!"

"Thanks, Kendrick!" Matthew hurriedly showed a flattering smile. When he passed by Marilyn, he warned her fiercely, "Marilyn, I'm telling you, don't offend Kendrick. Our family's survival depends on the Zabel family now. I won't show you any mercy if you dare to make Kendrick unhappy!"

In the corridor of the restaurant, the sound of Marilyn's whimpers could be heard.

At 9 p.m., in the office of the Grand Triumphant Hotel, Robert looked at the documents on the table and frowned slightly.

"Mr. Zabinski, eat something first." Carlos walked in with a tray of food.

"Put it there," said Robert without raising his head.

Carlos felt a little sad when he looked at Robert since he had heard what happened at Fairsaint Restaurant this afternoon.

"Mr. Zabinski, there's something..."

Chapter 70

"That will be all, Carlos." Robert knew what Carlos was going to say and immediately interrupted him. "I have a clear boundary between work and personal affairs. Please go over the details on the parcel of land that the Zabel Group is going to buy tomorrow."
