

L. Wyatt 331

Chapter 331: Every Word Pierces the Heart

Looking at Chloe Taylor's current attitude toward Eastern Ho, Wyatt Barnes just shook his head and smiled.

It seemed that his sister apprentice, Chloe Taylor, could still not let go of the fact that she was defeated by Eastern Ho in the outer-door martial arts competition last time.

Back then, it was only due to a slight hesitation on Chloe's part that she was defeated by Eastern Ho...

Otherwise, it wouldn't have been easy for either of them to win.

Eastern Ho gave a wry smile and looked toward Wyatt Barnes for help.

Wyatt Barnes looked at Chloe Taylor and smiled, saying, "Sister Chloe, there's something you may not know... A few days ago, Eastern Ho has already broken through to the 'Original Pill Realm - Level Eight'."

Heard Wyatt Barnes's words, Chloe Taylor looks stunned. Evidently, she didn't expect Eastern Ho to break through before her.

After a moment, Chloe Taylor looked at Eastern Ho and snorted.

Even though she was unwilling, she had to admit it.

Even if Eastern Ho's victory over her in the last outer-door martial art competition was purely luck.

Now, Eastern Ho breaking through to the Original Pill Realm - Level Eight, made him a level above her, easily overpowering her.

"Hmph!"

Just as this was happening, a cold snort sounded in Wyatt Barnes's ear, followed by a familiar and piercing voice, "Eastern Ho, I didn't expect you to break through... Shall we spar when there is a chance?"

Wyatt Barnes frowned.

Without seeing the person, just by hearing his voice, he recognized who it was.

Kade Cruz!

The personal disciple of the Tianxuan Peak Master.

From Kade Cruz's current words, one could tell that he too had broken through to the 'Original Pill Realm - Level Eight'.

Kade Cruz had just stepped onto the 'Examination Platform', clearly having heard the conversation between Wyatt Barnes and Chloe Taylor. He walked over, looking at Chloe Taylor with squinting eyes, "Chloe, among us now, it seems like you're the only one who hasn't broken through... Don't forget to work hard. Haha..."

Kade Cruz's words were filled with sarcasm.

"Kade Cruz!"

Chloe Taylor's beautiful face turned icy and anger started to rise in her eyes.

"What? Ashamed and pissed off?"

Kade Cruz laughed, "Chloe, it's not that I look down on you... even if I hadn't broken through to the Original Pill Realm - Level Eight, you wouldn't be my match. As for now, with you at the Seventh-Order, I, Kade Cruz, only need one sword to defeat you!"

Chloe Taylor was so angry that her body trembled and her pretty face turned pale. She said coldly, "You can give it a try!"

"I'd be happy to oblige."

Kade Cruz wore a brilliant smile, his brows brimming with arrogance and didn't pay any attention to Chloe Taylor.

At this time, the other outer-door disciples who were preparing for the inner-sect disciple exam on the Examination Platform noticed the commotion and gathered to watch...

Just when everyone thought Kade Cruz and Chloe Taylor were about to battle.

"Humph!"

A cold snort, like that from a cave of ice, carried intense frostiness which made those present shiver uncontrollably.

For a moment, everyone's gaze fell on Wyatt Barnes standing next to Chloe Taylor.

This cold snort came from Wyatt Barnes.

Chloe Taylor was Jovie Lee's sister apprentice.

Jovie Lee was Wyatt Barnes's woman.

Under the principle of loving those close to one's beloved, Wyatt naturally considered Chloe Taylor his sister apprentice. Now, his sister apprentice was being provoked and humiliated in front of him...

Given his temperament, could he bear it?

The answer was no.

"Kade Cruz!"

Wyatt Barnes's eyes were slightly cold, looking at Kade Cruz, the corners of his mouth revealing a cold smile, "Even if you've broken through to the Original Pill Realm - Level Eight, so what? Do you believe me if I tell you that I just need one sword to kill you!"

I only need one sword to kill you!

Wyatt Barnes's sharp words made Kade Cruz's face stiffen on the spot, his eyes flashing fiercely.

Kade Cruz's body also began shivering uncontrollably; he was extremely outraged.

"Wyatt Barnes, what are you proud of! You only got your current cultivation level because you took the 'Mystic Origin Fruit'. Without it, I, Kade Cruz, wouldn't need to fear you - a mere Sixth-Order-of-the-Original-Pill-Realm outer-door disciple!"

Kade Cruz's face turned cold, his icy eyes fixated on Wyatt Barnes.

A month ago, Wyatt Barnes had advanced to the 'Original Pill Realm - Level Eight', which was something he had heard about...

He was infuriated at that time!

From his perspective, that Mystic Origin Fruit, should have belonged to him, and it was only taken away by Wyatt Barnes who appeared halfway through.

Otherwise, if he had taken the Mystic Origin Fruit, his cultivation level may have already broken through to the 'Original Pill Realm - Ninth-Order'!

"Haha..."

When Wyatt Barnes heard Kade Cruz's words, he couldn't help but laugh. After laughing, his gaze became focused on Kade Cruz, "Kade Cruz, during the outer-door martial arts competition, I was just a Sixth-Order-of-the-Original-Pill-Realm outer-door disciple, and you,

a lofty Seventh-Order-of-the-Original-Pill-Realm outer-door disciple, how come you didn't dare to fight me then?"

"Now, do you think because you've broken through to the Original Pill Realm - Level Eight, you feel more confident and think the old me at the Sixth Order couldn't beat you?"

By the end of his words, the coldness of Wyatt Barnes's smile had intensified.

"That's natural!"

Kade Cruz sneered, showing a glint of cold light in his eyes, "If you were still a Sixth-Order martial artist, I, at this moment, would only need one sword to kill you!"

"Shameless!"

On hearing Kade Cruz's words, Chloe Taylor couldn't help but spit out in disgust.

The crowd of Outer Sect disciples watching were now all looking at Kade Cruz with strange expressions.

This Kade Cruz, when he was strength level 'Original Pill Realm Seventh-Order', didn't have the courage to fight with Wyatt Barnes, who was Original Pill Realm Level Six.

Now, after he broke through to the Original Pill Realm Level Eight, he's here boasting that he can kill Wyatt Barnes, who used to be in Original Pill Realm Level Six, with just one stroke...

Absurd!

You, Kade Cruz, levelled up and still want others to stay where they were so you can bully them?

What a dreamer!

"Ha Ha..."

Wyatt Barnes laughed again. His eyes, radiating brilliance, stared fixedly at Kade Cruz, "Kade Cruz, according to your point, now that you've levelled up, if you were to face the me who has not yet taken the 'Mystic Origin Fruit', you wouldn't be afraid to fight me, wouldn't you? Even...you could kill me with one strike?"

"Absolutely!"

Kade Cruz, who had broken through to the Original Pill Realm Level Eight, was filled with confidence.

If Wyatt Barnes was still in Original Pill Realm Level Six, he was confident he could easily kill Wyatt Barnes.

"Good."

Wyatt Barnes smiled, a brilliant grin forming on his face. "Seeing as you've said so...then I'll give you a chance!"

Wyatt's words left many in the crowd stunned.

They didn't understand what Wyatt meant.'

Chloe Taylor and Eastern Ho thoughtfully gazed at Wyatt Barnes...

As for Kade Cruz, his face slightly darkened, and an ominous feeling arose in his heart.

"Kade Cruz!"

Wyatt Barnes stared at Kade Cruz, and suddenly took a step forward. He emanated the mighty intent of combat and fixed his sharp gaze on Kade Cruz.

"I, Wyatt Barnes, will limit my power to the 'Original Pill Realm Level Six' and I'll fight with you on the Life and Death Stage! If ever I exert a power exceeding the 'Original Pill Realm Level Six', I'll slay myself on the spot! Do you dare?!"

Do you dare?!

As Wyatt's words trailed off, in the eyes of the surrounding Outer Sect disciples, Wyatt seemed towering.

It's as though he became an invincible 'God of War'!

Domineering, Fearless!

"What a great Wyatt Barnes!"

Eastern Ho admired Wyatt from the bottom of his heart.

He discovered that at this moment, he completely admired Wyatt Barnes and he could no longer bring himself to compete.

"Junior sister, why didn't you come with me today... This is your man!"

Chloe stared intently with a hint of envy in her eyes.

In a woman's life, if she could receive the 'love' of such a man, it would be worth it whatever the cost!

"Brother Wyatt is a real man!"

"From today onward, Brother Wyatt will be my idol."

...

The watching Outer Sect disciples, their faces flushed with excitement, felt as though it wasn't Wyatt who was challenging Kade Cruz to the Life and Death duel, but themselves.

Soon, all eyes unanimously fell on Kade Cruz.

Kade Cruz had just repeatedly said that he, in his current state, could kill Original Pill Realm Level Six Wyatt Barnes with just one stroke...

Now, Wyatt Barnes, at Original Pill Realm Level Six, is challenging Kade Cruz to a fight on the Life and Death Stage!

Will Kade Cruz, take the challenge?

Kade Cruz's face was terribly grim.

He had boldly made those claims earlier, blindly confident in his strength, thinking that if Wyatt were still a Level Six Original Pill Realm warrior, he could easily kill him.

But now, Wyatt Barnes wants to limit his strength to 'Original Pill Realm Level Six' and challenge him on the Life or Death stage!

Gazing at Wyatt standing there, filled with fighting spirit, full of confidence, his heart wavered.

Can he really kill a Level Six Original Pill Realm Wyatt Barnes?

Even now, he still firmly believes it.

But he didn't dare to accept Wyatt Barnes' Life-and-Death duel invitation...He was hesitant.

Wyatt's current confidence made him feel a bit cautious.

Would Wyatt issue such a challenge if he wasn't sure?

If he were in Kade Cruz's shoes, he would gradually realize the mystery and danger of Wyatt Barnes, perhaps Wyatt Barnes could indeed beat him with 'Original Pill Level Six' strength...

After all, Wyatt Barnes had indeed killed Ronin Stone of Original Pill Realm Level Seven when he was merely an Original Pill Realm Level Six martial artist!

Wyatt's tactics were too cunning.

"Tsk..."

Seeing Kade Cruz's face changing from pale to blue, Wyatt Barnes seemed to see through Kade's internal conflict, mockingly said, "Kade Cruz, favorite disciple of the Peak Master of Sky Wheel Peak? Nothing more than that! Just a coward."

Coward?

Wyatt's words ignited a raging fury in Kade Cruz, he glared fiercely at Wyatt.

"How come, are you still unwilling to admit it now? Didn't you say that with your current strength, you could kill me, at Original Pill Realm Level Six, with a single strike? Now, I've limited my strength to 'Original Pill Realm Level Six' and wish to fight you on the 'Life-and-Death Stage', yet you hesitate and don't dare accept the challenge... Isn't this cowardice?"

Wyatt Barnes allowed a sneer to creep onto his face, the words seemed to strip away Kade's heart.

This made Kade Cruz's face turn ashen and severely unnerving.

Chapter 332: Terrifying Assessment

Coward!

As the direct disciple of the Heavenly Pivot Peak's headmaster, the always arrogant Kade Cruz, how could he admit he is a 'coward'...

However, now, realizing the strong confidence radiating from Wyatt Barnes, he is afraid to respond.

He can only remain silent.

The dagger-like gazes around him, containing a trace of sarcasm, he naturally perceived, his heart, was filled with humiliating fury.

Wyatt Barnes!

At this moment, Kade Cruz's fury towards Wyatt Barnes, is almost to the point of culmination.

If given the chance, he would kill Wyatt Barnes without hesitation, even pulverize his bones!

"Coward!"

Seeing Kade Cruz's frowning face, hesitant to respond, a contemptuous smile appears from the corner of Wyatt Barnes' mouth as he snorts.

He and Kade Cruz, originally had no intersection.

However, Kade Cruz, the outer disciple Wu Bi, wanted to take his life...

Today, more so, Kade Cruz has publicly humiliated Chloe Taylor in front of him, his woman's senior sister!

This angered Wyatt Barnes and brought out his true fury.

Kade Cruz's breathing became rushed, his eyes turned bright red, but he did not dare to act out.

He doesn't dare to gamble.

The confidence exhibited by Wyatt Barnes instills deep wariness in him.

The surrounding group of outer sect disciples, looked at Kade Cruz, their eyes becoming increasingly bizarre.

However, when their eyes fell upon Wyatt Barnes, they were filled with awe.

"Senior sister, if this coward dares to disrespect you again in the future, feel free to tell me."

Wyatt Barnes looked at Chloe Taylor and smiled slightly.

Chloe Taylor is his woman's mentor and also his mentor, it is his duty to protect her from humiliation by others.

Chloe Taylor nodded gently, her face shining with a radiant smile.

"Wyatt Barnes, you truly are formidable."

Eastern Ho shook his head and smiled, completely yielding to Wyatt Barnes in his heart.

"The examination elder is here."

Suddenly, a sharp-eyed outer sect disciple spotted a figure in the distance, letting out a low exclamation.

Upon hearing this, Wyatt Barnes turned around, following the gaze of the outer sect disciple.

The 'examination elder' he had encountered seven months ago, once again, appeared within his sight.

Now, the examination elder came from below the primary peak, the Heavenly Pivot Peak.

Following behind him, were eight inner sect disciples, divided into two groups, carrying two huge figures covered in red cloth, they slowly walked onto the examination platform.

"Examination elder."

The group of outer sect disciples on the examination platform greeted the Examination elder respectfully.

The examination elder nodded faintly, standing at the center of the examination platform, directed the eight inner sect disciples: "Bring the cages over here."

"Yes."

The eight inner sect disciples responded and carried the two immense figures covered in the red cloth and made their way over.

Cages?

Hearing the elder's words, the outer sect disciples present were all perplexed.

"Are they Fierce Beasts?"

Wyatt Barnes was the first to pick up a clue with his spiritual power and found out that under the red cloth covering the massive figures, there are two powerful Fierce Beasts lurking.

Could this be the inner sect disciples' test?

Wyatt Barnes guessed inwardly.

Boom! Boom!

Two resounding sounds were heard as two immense figures covered in red cloth were placed at the center of the examination platform.

Now.

Among those present, everyone except the examination elder, the eight inner sect disciples, and Wyatt Barnes, were visibly startled.

Including Eastern Ho and Chloe Taylor, all the outer sect disciples were curiously staring at the two massive figures covered in red cloth.

Eager to know what was inside.

"Lift the red cloths."

At this moment, the examination elder, looking towards the inner sect disciple standing by the side of the cloth-covered entities, softly instructed.

Whoosh! Whoosh!

As the red cloths were lifted by the two inner sect disciples, the 'massive figures' hidden underneath the red cloths were completely exposed to the view of Wyatt Barnes and the others.

"This..."

Some of the outer sect disciples couldn't help but widen their eyes in shock.

"Ape Fury! It's an Ape Fury!"

An outer sect disciple, unable to contain his astonishment, exclaimed with a pale face.

What appeared before their eyes now were two enormous cages, clearly made from some special material, and within the two enormous cages, there were two sleeping entities.

These two entities were Giant Apes with black fur all over their bodies.

Standing three meters tall, their bodies rippling with dense muscular frames, at first glance, one would know that these were not ordinary Fierce Beasts.

"Ape Fury, A ninth order original pill realm Fierce Beast!"

Wyatt Barnes's gaze hardened, identifying the origins of these two Fierce Beasts.

Ape Fury, a ninth-order original pill realm Fierce Beast, a creature possessing extreme strength and speed. It can shatter tigers and leopards with one punch, one charge can knock down several massive trees that can be hugged by a group of adults...

They are highly dangerous and hard to deal with Fierce Beasts.

"Wake them up."

As Wyatt Barnes and the others were engrossed in their observations of the two Ape Furies, the examination elder added further instructions.

Immediately, two inner sect disciples took out two Pill Medicines and stuffed them into the mouths of the two Ape Furies.

It didn't take long, the two sleeping Ape Furies stirred awake, opening their wide, blood-red eyes...

As they opened their eyes, they saw a group of people before them, instantly becoming agitated.

"Roar!"

"Roar!"

...

Two Ape Furies pounded their robust chests while crashing forcefully against the cages holding them captive.

Alas, despite their incredible strength, they couldn't break the cages.

"The cages seem to be made from 'Millennial Mysterious Iron'."

Wyatt Barnes looked on at the massive, black cages, marveling.

No wonder, it's the Seven Stars Sword Clan, this is quite a big expenditure.

This Millennial Mysterious Iron is a primary material used for refining Level Seven spirit artifacts, and now, it's being employed to make cages.

Luxurious!

So luxurious!

Eventually, the two Ape Furies seemed to realize brute force was not going to solve their problem. They halted their movements and their almost human-like eyes fell onto the examination elder.

Witnessing this scene, Wyatt couldn't help but secretly admire them, "These are the fiercest ape-like Beasts who are closest to human beings. Although they are only at the Level Nine of the Original Pill Realm, they already possess some human-like traits."

Before Wyatt's eyes.

"Roar~~"

"Roar~~"

The two Ape Furies gazed at the examination elder, growling lowly with a hint of pleading in their large, bronze bell-like eyes.

"As long as you cooperate, once everything is over, I will have you sent back to the primitive forest."

The examination elder directed a calm gaze at the two Ape Furies, calmly stating.

"Roar~~"

Seemingly understanding the examination elder's words, the two Ape Furies nodded human-like in agreement, staying obediently within their cages.

"Could these two Ape Furies possibly be the content of this Inner Sect Disciple Examination?"

An Outer Sect Disciple couldn't help guessing.

"Shouldn't be...even though these Ape Furies are powerful, they are, after all, only Level Nine fierce Beasts in the Original Pill Realm. Their strength is comparable to that of 120 ancient Giant Elephants. Not only Wyatt Barnes, but even I, with the Seventh-Order cultivation of the Original Pill Realm and wielding a Grade Seven spirit sword, could kill it!"

Another Outer Sect Disciple shook his head.

His words earned the agreement of most people.

Wyatt agreed as well.

Seventh-Order warriors in Original Pill Realm possess power equivalent to 100 ancient Giant Elephants. If they use spirit weapons, their combat power would definitely explode far more than an Ape Fury.

In such a cramped cage, the Ape Furies wouldn't even be able to utilize their speed. All they could do is wait helplessly to be slaughtered.

"What, do you all look down on the Ape Fury that much?"

Upon hearing the whisperings of the Outer Sect Disciples, the Examination Elder had a teasing smile at the corner of his mouth.

Witnessing the Elder's fox-like smile, Wyatt's heart skipped a beat.

The other Outer Sect Disciples also had an ominous feeling creeping up their hearts.

"Examination Elder, are these two Ape Furies really part of our Inner Sect Disciple Examination?"

An Outer Sect Disciple looked at the examination elder and couldn't help but ask.

"Exactly."

The examination elder nodded.

Just as a group of Outer Sect Disciples were gleefully triumphant, assuming that the Inner Sect Examination would be extremely simple,

The examination elder continued, "Oh, I almost forgot to tell you...The content of this Inner Sect Disciple Examination is indeed what you guessed – combat with the Ape Furies. However, you are not allowed to use any external forces, including spirit weapons, inscriptions, etc., during the combat."

At the start of the elder's explanation, the hearts of the group of Outer Sect disciples hung in suspense.

Once the examination elder finished, every other Outer Sect disciple couldn't help but change their complexion.

Without using external forces?

At this moment, everyone couldn't help but change color, including Eastern Ho, Chloe Taylor, and Kade Cruz – except Wyatt whose face was calm and eyes were gleaming.

Everyone else's faces looked particularly unpleasant.

Even though Eastern Ho and Kade Cruz had progressed to the Eighth Level of the Original Pill Realm, neither had any confidence in handling these Level Nine Ape Furies with their brute strength alone, without any external assistance.

"Examination Elder.... How are we supposed to contend with the Ape Furies without using external forces?"

One Outer Sect disciple quivered with fright, hesitating to ask his question given the Elder's revelation.

His comment received the approval of all other Outer Sect Disciples present—except for Wyatt.

Among the Outer Sect disciples in attendance, the strongest was still at the Eighth Level of the Original Pill Realm, including Wyatt, Eastern Ho and Kade Cruz. None had reached the Ninth Level of the Original Pill Realm.

"Hmm!"

The examination elder snorted, his keen gaze sweeping past every Outer Sect disciple.

Seeing the somber faces of the Outer Sect Disciples, his brow couldn't help but furrow. It was not until his eyes landed on a young man in his early twenties – Wyatt Barnes - that his brow relaxed.

"Are you Wyatt Barnes?"

Shortly after, Wyatt found the examination elder looking at him.

"Examination Elder."

Wyatt greeted the examination elder with a nod and a smile.

"Indeed, so young... I heard that after consuming the 'Mystic Origin Fruit', you've made a breakthrough to the Eighth Level of the Original Pill Realm?"

The elder's face was filled with warm smiles when he faced Wyatt. Wyatt's talent was already deserving of his respectful and friendly demeanor.

At this moment, the eight Inner Sect Disciples standing not too far from them had their gaze fixed on Wyatt, "Is that the Wyatt Barnes?"

"He really is as young as the rumors say."

"My God! Such a youngster is an Eighth Level disciple of the Original Pill Realm?"

...

Chapter 333: Ten Breaths

In the outer sect martial competition, he killed the number one outer sect disciple, 'Ronin Stone', with the cultivation of the sixth-order of the Original Pill Realm...

A month ago, he consumed 'Mystic Origin Fruit', promoting his cultivation directly from the 'Sixth-Order of Original Pill Realm' to the 'Eighth-Order of Original Pill Realm'!

All this happened to a young man who was just over twenty years old.

This young man is 'Wyatt Barnes'!

Now, even within the inner sect of the Seven Stars Sword Clan, the name 'Wyatt Barnes', is well-known.

Unless the inner sect disciple is particularly isolated, almost all of them had heard of Wyatt Barnes.

However, although the eight inner sect disciples had heard of Wyatt Barnes, they were still somewhat shocked when they saw Wyatt Barnes in person.

Simply because...

Wyatt Barnes is far too young!

Shockingly young.

For a time...

Wyatt Barnes, unsurprisingly, became the absolute focus on the Examination Platform.

Even the examination elder was smiling warmly at Wyatt Barnes.

No one noticed that in the corner of the crowd, Kade Cruz stood there, his cold eyes revealing a gleam of jealousy...

"Wyatt Barnes, you and I are irreconcilable!"

Kade Cruz made a fierce vow in his heart.

"Just luck."

Wyatt Barnes gave the examination elder a slight smile, answering the elder.

The examination elder shook his head, "This is not just luck. After taking the Mystic Origin Fruit, you were able to break through from the sixth-order to the eighth-order of the Original Pill Realm directly, this shows your incredible talent... Work hard, your talent is unrivaled throughout the entire Green Forest Royal Country. People could even say you are unparalleled."

"I will."

Wyatt Barnes smiled modestly, acting courteously.

"It's rare to see someone who isn't arrogant or impatient, I'm looking forward to your future."

The examination elder smiled at Wyatt Barnes and then asked, "Did you join the sect just seven months ago?"

"Yes."

Wyatt nodded, "The day I entered Sect, it was you, examination elder hosting the examination for the outer sect disciples."

"I didn't notice you then."

The examination elder shook his head with a smile, "There are five examination elders in the Seven Stars Sword Clan, each one takes turns in charge of one year of the outer sect disciple or inner sect examination. This year, I have been in charge of your examination twice in a row, proving that we are destined."

Wyatt Barnes nodded with a smile, "Indeed, we are destined."

"Whenever you have time, you can come visit me. Ah, my name is 'Spencer River'."

The examination elder said to Wyatt Barnes.

The people nearby were surprised.

The examination elder unexpectedly told Wyatt Barnes his name, showing him high regard.

"Don't worry Elder River, I will surely visit you whenever I have the time."

Wyatt Barnes nodded with a smile.

"Hmm."

The examination elder Spencer River nodded his head, glancing over the outer sect disciples present, he declared firmly: "Just now, I mentioned the examination content for the inner sect disciples... Each of you will take turns to enter the cage and fight with Ape Fury!"

As Spencer River finished speaking, the outer sect disciples present shivered involuntarily.

"Isn't this sending us to our death?"

"Exactly! Without any external help, how can we handle these two Ape Furies... Once we go into the cage, it's certain death!"

...

Some outer sect disciples chattered among themselves.

"Hmph!"

The discussions of the outer sect disciples, while quiet, still reached Spencer River's ears. He retorted coldly: "If you are afraid of dying, you can withdraw from this inner sect disciple's examination! No one is forcing you to participate."

Hearing Spencer River's words, the group of outer sect disciples quickly quieted down.

At this time, Spencer River continued, "Today's Inner Sect Disciple Exam asks you to fight with the 'Ape Fury' in the cage without borrowing any external forces, but it doesn't ask you to kill the Ape Fury... Any of you who can withstand the Ape Fury for more than ten breaths can pass the examination to become an inner sect disciple!"

With this, Wyatt Barnes suddenly understood.

It was just like that.

For a time, Eastern Ho and Kade Cruz breathed a sigh of relief.

It was nearly impossible for them to kill Ape Fury without using any external support, but if they just had to withstand Ape Fury's attack for ten breaths, it would not be difficult for them.

Even Chloe Taylor was now looking determined, her eyes filled with a burning desire.

A desire to pass the examination and become an inner sect disciple!

At this moment, although the other outer sect disciples were still under great pressure, they breathed a sigh of relief.

Withstanding for ten breaths was much simpler than killing Ape Fury.

"Now, those who need to take the inner sect examination, stand next to me."

Spencer River instructed.

For a moment, including Wyatt Barnes, Eastern Ho, and Chloe Taylor, the crowd of outer sect disciples all congregated next to Spencer River. No one gave up.

They came today for the Inner Sect Disciple Examination. If they don't give it a try, they would regret it.

Moreover, the Inner Sect Disciple Exam was just asking them to withstand Ape Fury for a certain amount of time. If they didn't have confidence, they could choose to flee...

"Very good."

Observing the crowd of outer sect disciples, Spencer River nodded, "During the examination later, an inner sect disciple will enter the cage with you. If you can't hold on, they will save you."

Much to the relief of most outer sect disciples after hearing Spencer River's words.

With an inner sect disciple's intervention, they felt much safer.

"Now, those who have been chosen by me, enter the cage and fight the Ape Fury."

As Spencer River spoke, he looked towards an outer sect disciple, "You, enter the cage on the left."

"You, go to the cage on the right."

Next, Spencer River pointed to another Outer Sect disciple.

The two Outer Sect disciples took a deep breath and walked to the two cages in the distance, entering the cages with two Inner Sect disciples.

At present, the two Ape Furies seemed to sense something. They raised their arms, beating their chests fiercely, their large bronze-red eyes gleaming with a bloodthirsty glow.

"Roar!"

"Awooo!"

...

The roars of the two Ape Furies turned the faces of the two Outer Sect disciples deathly pale, causing their legs to tremble.

"Overcome by fear before even fighting, they likely won't last three breaths."

Eastern Ho shook his head and said to Wyatt Barnes standing beside him.

Wyatt Barnes nodded and smiled, he had the same thought.

Soon, the two Outer Sect disciples made a move against the two Ape Furies...

Whoosh!

One of the Outer Sect disciples, with his entire form soaring outward like a gust of wind, rushed towards the Ape Fury.

A hundred phantom images of ancient giant elephants coalesced above his head.

Seventh-Order Original Pill Realm!

"Roar!"

The Ape Fury, seeing this human daring to attack it, instantly flew into a rage. Its robust arms reached out and it leaped.

The power of a hundred and twenty ancient giant elephants, indicating the Level Nine Original Pill Realm of the Fierce Beast, burst forth!

Whoosh!

The Outer Sect disciple threw a punch, which landed heavily on the forearm of the Ape Fury, but it inflicted no substantial damage on the Ape Fury.

"Awooo!"

The Ape Fury roared, swinging its arms and slamming them down cruelly toward the Outer Sect disciple's head.

If it made contact, the Outer Sect disciple would be undoubtedly killed!

Facing the furious Ape Fury, the Outer Sect disciple's face drastically changed, his legs seemed to be weighed down with lead and he couldn't move at all.

"No!"

He cried out in despair as he faced the Ape Fury's attack.

Boom!

Just then, the Inner Sect disciple stepped forward, halting the Ape Fury's attack with one palm.

This Inner Sect disciple was also at the Ninth-Order Original Pill Realm.

"Roar!"

The Ape Fury roared, its colossal body shuddered as it tried to strike again.

Whoosh!

The Inner Sect disciple raised his hand, a three-foot Qingfeng sword apparated out of nowhere.

More than a hundred and fifty phantom images of ancient giant elephants coalesced above his head.

In an instant, the Ape Fury came to a stop. It looked at the hundred and fifty-plus phantom images in fear and retreated, standing obediently on the spot.

"You, who couldn't even hold out for a single breath of time, are eliminated!"

The Inner Sect disciple coldly spoke to the terrified Outer Sect disciple.

The Outer Sect disciple could only give a bitter smile and obediently left the cage.

Just now, in front of the Ape Fury, he only felt his heart about to leap out and even forgot to dodge...

In the other cage, the Outer Sect disciple who displayed stronger psychological fortitude managed to avoid two of the Ape Fury's attacks.

But even so, he failed to dodge the third attack.

Fortunately, the Inner Sect disciple stepped in, stopping the Ape Fury. Otherwise, he undoubtedly would have been killed.

"You held out for two breaths of time, not bad."

The Inner Sect disciple nodded at the Outer Sect disciple," However, it does not meet the qualifications for an Inner Sect disciple's assessment. Eliminated!"

The Outer Sect disciple smiled bitterly, nodded his head, and left the cage.

Even though the Outer Sect disciple didn't pass the assessment, he still received a look of admiration from a group of Outer Sect disciples.

Being able to last two breaths of time against the 'Ape Fury' while in the Seventh-Order Original Pill Realm was already very impressive.

Subsequently, the Outer Sect disciples were called upon one by one for assessment by Elder 'Spencer River.'

All the Outer Sect disciples were eliminated one by one.

"Facing this 'Ape Fury,' Seventh-Order martial artists would find it difficult to last ten breaths of time without superior martial arts techniques..."

Eastern Ho sighed, shaking his head.

"Even with advanced martial arts, it wouldn't help. The power disparity is too great...Ten breaths of time, it's not easy to hold on."

Wyatt Barnes's eyes flickered, he glanced at Chloe Taylor, a trace of insight flashing through his eyes.

"Chloe Taylor."

Soon, Spencer River's gaze fell on Chloe Taylor as he called the name of the Outer Sect disciple for the first time.

Obviously, he knew who Chloe Taylor was.

Chloe Taylor took a deep breath and stepped towards a cage.

"Chloe Taylor is not skilled in advanced martial arts. It's unlikely for her to pass the assessment."

Eastern Ho shook his head, without any expectations for Chloe Taylor, "However, Chloe Taylor should be on the verge of advancing to the 'Eighth-Order Original Pill Realm.' If she doesn't make it this time, she will certainly pass the assessment next time and become an Inner Sect disciple."

"Eastern Ho, isn't it a bit early to say that now?"

Hearing Eastern Ho's words, Wyatt Barnes chuckled, appearing slightly unconvinced.

"What? Do you believe that Chloe Taylor can hold on for ten breaths of time under the Ape Fury's attack?"

Eastern Ho looked at Wyatt Barnes with disbelief.

He couldn't see through Wyatt, this little marvel, but he was very familiar with Chloe Taylor as she was an old adversary of his.

He couldn't have been clearer about Chloe Taylor's bottom line...

Chapter 334: Foreknowledge

"Just watch."

Wyatt Barnes still had a smile on his face, as if he had great confidence in Chloe Taylor.

"Huh?"

Eastern Ho furrowed his brows.

Admittedly, he was quite baffled by the current stance Wyatt Barnes was taking.

Although he did not have many interactions with Wyatt, Eastern Ho could tell that Wyatt was not the type to shoot blindly...

Nowadays, Wyatt seemed confident in Chloe Taylor. Was it possible that he knew something?

However, he was absolutely unwilling to believe that Chloe, who was at the seventh level of the Original Pill Realm, could withstand for ten breaths under Ape Fury who was at the ninth level of the same realm.

Even when he had not broken through to the eighth level, he did not have even the slightest bit of certainty.

"Hmph! Some people are just too boastful.. they don't even believe in those around them... How ridiculous!"

An ironic voice suddenly came, piercing to the ears.

Hearing the voice, Wyatt Barnes' face dropped. He turned his head and looked at the source of the voice indifferently.

It was none other than "Kade Cruz" who stood on the other side of the Examination Platform elder.

"What's the matter, am I wrong?"

Kade Cruz flashed a mocking smile upon seeing Wyatt's attention, "Are you angry out of shame?"

Wyatt Barnes glanced at Kade Cruz as though he were an idiot and sneered: "Kade Cruz, you say I'm boasting... how about we make a bet then? If Sister Chloe is able to survive ten breaths under Ape Fury and become an Inner Sect disciple through the examination,"

"Then you, Kade Cruz will fight me in the Life and Death Stage, until one of us perishes!
DARE YOU?!"

Wyatt Barnes once again taunted, challenging Kade Cruz to face him in the Life and Death Stage.

DARE YOU?!

Just like before, his powerful inquiry landed in Kade Cruz's ears, making his complexion fluctuate frantically between white and green.

Seeing Wyatt's confidence gave him hesitation again.

He did not dare to answer.

Including Spencer River, the Examination Platform elder, the other eight Inner Sect disciples all surprisedly turned their eyes towards Wyatt, and then glanced at Kade Cruz.

Before they arrived, they didn't know about the confrontation between Wyatt Barnes and Kade Cruz on the Examination Platform.

"If you dare to fight me in the Life and Death Stage, I will still do as I said before, suppressing my strength to the Original Pill Realm's sixth level to fight you... Kade Cruz, dare you fight me?"

Wyatt Barnes' gaze gradually became colder, like an icicle piercing at Kade Cruz.

Kade Cruz's face turned ashen.

He dared not to fight back!

Wyatt's confidence made him uncertain once again.

Suppress his powers to the sixth level of the Original Pill Realm?

Spencer River and the eight Inner Sect disciples were taken aback upon hearing Wyatt's words.

In their view, Wyatt was just asking for death.

They had heard that Kade Cruz, the personal apprentice of Peak Master of Tianxuan, had broken through to the eighth level of the Original Pill Realm a half month ago.

In their opinion, no matter how extraordinary Wyatt's methods were, it was impossible for him with the sixth level of the Original Pill Realm to kill a bona fide eighth-level martial artist of the Original Pill Realm...

Just when they thought Kade Cruz was going to accept the challenge, they found Kade Cruz looking awfully tense, not uttering a word for a long time.

Kade Cruz didn't dare to fight?

They all froze for a moment, their gaze shifted towards Kade Cruz, filled with astonishment.

A martial artist at the Original Pill Realm's eighth level, can't even take a challenge from someone at the sixth level?

That's too shameful!

Discerning the contemptuous gazes from Spencer River and the eight Inner Sect disciples, Kade Cruz naturally noticed it, and his face turned even more dreadful, even more sickly...

"Tsk!"

Seeing Kade Cruz like this, Wyatt certainly knew that he had chickened out again, and he snickered, "I really wonder how the Peak Master of Tianxuan Peak would take on someone as spineless as you as a personal apprentice... It's truly humiliating for the Peak Master, and the Tianxuan Peak itself!"

At this point, many people thought Kade Cruz would explode because of Wyatt's words...

But soon, they were disappointed.

Kade Cruz stood there, lowered his head, trembling all over, his anger reaching the peak, yet he forced himself to hold it back.

"Kade Cruz, the personal apprentice of the Tianxuan Peak Master, is nothing more than that."

"I've heard that the Tianxuan Peak Master took him as his personal apprentice because of his family's relations... the Cruz Clan is one of the large clans in the Imperial City of our Green Forest Royal Kingdom."

"So he's from the 'Cruz Clan' in the Imperial City! It seems like he's just someone who made it thanks to his connections."

"That's so laughable! Brother Wyatt wants to fight him while suppressing his own cultivation to the 'sixth level of the Original Pill Realm', and he, a martial artist at the eighth level, is actually scared."

...

One by one, the Outer Sect disciples were whispering among themselves.

Although their voices were not loud, almost everyone on the Examination Platform was at the seventh level of the Original Pill Realm or above, and all of them had astonishingly sharp hearing.

They all heard it.

"Wyatt Barnes!"

Kade Cruz lowered his head, his eyes were bloodshot, red veins covered his eyeballs, as if they might explode at any moment.

Wyatt Barnes gave Kade Cruz a disdainful look, before his gaze finally rested on Chloe Taylor who was in the distance.

Because of the brief interruption just now, the Inner Sect disciple examination was temporarily halted....

Now, let's continue.

"Wyatt, you're quite ruthless. But this Kade Cruz is from an influential family. You need to be more cautious in the future."

Eastern Ho's 'Origin Force Sound Transmission' entered Wyatt's ears.

Wyatt shrugged his shoulders, gave a light laugh, looking unconcerned. His gaze fell on Chloe Taylor, who was standing off in the distance, confronting Ape Fury.

Suddenly.

Whoosh!

Chloe Taylor moved, transforming into a bolt of lightning, directly swooping towards Ape Fury.

"Roar!"

Seeing Chloe's move, Ape Fury roared in anger. As a vicious beast, it had no concept of mercy or leniency. Its robust arms spread wide, transforming into a powerful bow, and pounced on Chloe.

Chloe's figure shot out!

Just when everyone thought she would evade Ape Fury's attack, her body suddenly plummeted.

"What is Chloe doing?"

That was the puzzle in most of the spectators' minds.

"Roar~~"

The roar of Ape Fury erupted once more, this time laced with traces of pain.

In a blink, everyone saw Chloe landed and leaped back up using force, evading Ape Fury's charging arms, and landed firmly on Ape Fury's shoulders.

One breath's time had passed.

"Good heavens! Did Chloe just use Ape Fury's foot as leverage?"

An outer sect disciple watched the scene in awe.

"It seems like it."

"Chloe is on a suicide mission. This will only infuriate Ape Fury!"

...

Most of the outer sect disciples were pessimistic about Chloe's chances.

"Wyatt Barnes, what is Chloe doing?"

Upon seeing Chloe's graceful body firmly landing on Ape Fury's broad shoulders, Eastern Ho frowned in puzzlement.

"Watch, and you'll know."

Wyatt Barnes responded with a faint smile, unaffected.

Whoosh!

In the cage, Chloe leveraged the shoulders of Ape Fury, thrusting one leg out, aiming directly at Ape Fury's neck.

Ape Fury, despite its strength and speed, needed a period of reflex. At this point, it was unable to avoid Chloe's kick and took it head-on.

"Roar!"

Ape Fury roared in pain. Its red eyes ignited with rage. Lifting its arms to grab Chloe.

It seemed Chloe had predicted this move. She bounced off Ape Fury's shoulders just in time to narrowly evade its swinging arms...

"This..."

To the spectators, it looked like Ape Fury coordinated with Chloe's leap and swung its arms, hitting nothing.

Two breaths' time had passed.

"Roar!"

Ape Fury realized it needed to take initiative, and with a shake of its massive body, it tried to run to the other side of the cage, aiming to distance itself from Chloe.

All the spectators were once more astounded.

It turned out the direction of Ape Fury's rush was exactly where Chloe had just leaped and landed.

Chloe once again firmly landed on Ape Fury.

Whoosh!

An Origin Force-infused kick aimed at Ape Fury's neck, causing its head to tremble and emit a sorrowful roar.

Three breaths of time had passed.

Seeing Chloe predict with uncanny accuracy, and dodging the frenzied attack of Ape Fury time and time again...

All present, save Wyatt Barnes, were dumbstruck.

This included the inner sect disciple in the cage.

"Ten breaths of time have passed."

Only when Wyatt Barnes' sonorous voice echoed did the inner-sect disciple regain his senses and block Ape Fury. "Chloe Taylor has stood her ground for more than ten breaths, she has passed the inner sect disciple examination!"

"Hooray!"

Chloe landed gracefully. Her cheeks flushed as she danced her way out of the cage.

"Chloe Taylor successfully passed the inner-sect disciple trial and is now an inner-sect disciple!"

Just then, the voice of the examination elder sounded in good timing.

Startling the stunned crowd back to reality.

"My God! Incredible!"

"It's utterly unbelievable... Elder Sister Chloe actually passed the trial."

"Why do I feel as if Ape Fury was intentionally letting her?"

"I had that feeling too."

"Humph! Didn't you see, Ape Fury is staring at Elder Sister Chloe fuming? Clearly, it's also deeply upset."

...

The outer sect disciples speculated.

Soon, everyone noticed the subdued Ape Fury in the cage. It was staring at Chloe's retreating figure, howling in frenzy, its arms flailing like wind, ruthlessly pounding its chest.

It was as if venting its inner rage.

Emotions erupted uncontrollably!

"Damn! Ape Fury has gone mad! I wonder which 'unfortunate soul' will have to fight this crazed beast next."

An outer-sect disciple's gaze fell on some of the disciples who had not yet participated in the examination.

"That depends on who the examination elder picks."

All outer sect disciples' eyes fell on Spencer River.

Some disciples who had not yet participated in the examination turned pale then flushed again, their legs shaking, and their hearts fervently praying that the examination elder would not call on them.

Chapter 335: It's Wyatt Barnes' Turn

Finally, Elder Spencer River, who was in charge of the test, swept his gaze over the disciples who hadn't participated in the Inner Sect disciples test yet.

Where Elder River's gaze rested, each disciple's face turned pale.

Spencer River furrowed his brows, at last, his gaze landed on Wyatt Barnes, Eastern Ho, and Kade Cruz. "Wyatt Barnes, Eastern Ho, Kade Cruz..., who among you three will go first?"

Wyatt Barnes just shrugged, his face nonchalant.

Eastern Ho seemed eager to try.

"I will!"

Yet, none of them were as quick as Kade Cruz.

Kade Cruz stood up, as if trying to regain his lost dignity through this demonstration.

While Kade Cruz's initiative surprised all the outer sect disciples, it also garnered quite a bit of admiration from many.

"Kade Cruz, although not as good as Brother Wyatt Barnes, still has some ability."

"Yes indeed, he dares to face the Ape Fury that has gone mad... As expected of the personal disciple of the Peak Master."

...

The opinions of some outer sect disciples towards Kade Cruz had changed.

Hearing such discussions, Kade Cruz's lips curled up in an almost imperceptible smirk.

At this moment, the other cage was occupied by several more outer sect disciples one after another.

Not a single one passed the test!

Now, apart from Wyatt Barnes, Eastern Ho, and Chloe Taylor, everyone's eyes were on Kade Cruz, who was walking towards the enraged Ape Fury.

Kade Cruz was about to engage in a battle with the Ape Fury that had gone mad.

They were all very eager to see it.

At this point, Chloe Taylor returned to Wyatt Barnes's side, and said through concentrated origin force, "Thank you, Wyatt."

Wyatt just shrugged; with concentrated origin force he replied, "You are Jovie's elder, so you are also my elder... We are family, there's no need for thanks."

Family?

Hearing Wyatt's words, Chloe's face broke into a brilliant smile, and she nodded.

"Chloe, how did you manage to do it?"

Eastern Ho stared at Chloe with disbelief and incredulity written all over his face. What Chloe had just done had shocked him.

The ten breaths that Chloe confronted the Ape Fury in the cage, it seemed as if they had rehearsed countless times, it was more like a 'performance'.

However, this 'play' was extremely realistic and thrilling.

"You should ask Wyatt about this."

Left with only this one sentence from Chloe, Eastern Ho's gaze fell onto Kade Cruz who had walked into the cage to confront the crazy Ape Fury. The smile faded from his face, replaced by a sombre look.

Wyatt?

Hearing Chloe's words, Eastern Ho turned his gaze to Wyatt Barnes, his heart couldn't help but tremble.

No wonder Wyatt Barnes was so confident about Chloe earlier.

It turns out, he had everything under control.

Even, if Chloe passed the Inner Sect disciple test, he seemed to have made a significant contribution...

"Wyatt, how did you manage to do that?"

Eastern Ho turned to Wyatt, and asked him in a low voice, with shock evident in his tone.

To him, this was simply incredible.

Wyatt lifted his brow and said slowly, "It's quite simple, once you understand the habits of the Ape Fury..."

Then Wyatt gave a brief explanation to Ho.

All of this was based on the lifetime experience of a Martial Emperor.

Ho listened, utterly absorbed.

"However, this Ape Fury has been tricked once. It won't be fooled a second time... If you want to try the same trick, you'll have to find another Ape Fury."

After Wyatt finished speaking, he showed a faint smile.

"Wyatt, you know so many things that I've never even heard of before. Now, I am truly curious about the secrets hidden in your mind..."

Ho was now completely impressed by Wyatt, all his previous temper vanished.

His gaze fell on another Ape Fury, " ...I hope an elder will choose me to deal with this Ape Fury... I can test out your theory."

"ROAR!"

At this moment, Kade Cruz had begun clashing with the raging Ape Fury.

Rather than a battle, it was more like Cruz avoiding the Ape Fury's assault while counterattacking...

As a Level-Eight Warrior, Kade Cruz may not have been able to utilize his seventh-grade Spirit Sword, but he was nonetheless formidable. Time and again, he narrowly dodged the Ape Fury's attacks.

Of course, things were not going well for Cruz; he was in a truly pitiful state.

"Eastern Ho!"

Elder Spencer River named Ho, instructing him to enter the other cage and fight another Ape Fury.

"Looks like my luck is good." Eastern Ho smiled, then strode into the cage.

Soon, everyone saw that Eastern Ho faced the Ape Fury with similar tactics to Chloe...

"Did Brother Eastern Ho also break through?"

Seeing the representation of one hundred and ten ancient elephants forming above Eastern Ho's head, a group of outer sect disciples were stunned.

Even Elder Spencer River had a touch of surprise on his face.

With the cultivation of level eight of Original Pill Realm, Eastern Ho, playing with Ape Fury, appeared even more relaxed than Chloe did.

In the eyes of others, it seemed like Eastern Ho was 'playing' with the Ape Fury.

He easily lasted for five breaths.

Meanwhile, in the other cage.

The ten breaths had finished.

Kade Cruz has passed the Inner-Disciple Assessment!

However, the present appearance of Kade Cruz was significantly worse for wear, lacking his previous elegant demeanor.

Just as Kade Cruz began to smile smugly, expecting the praise of others, he found that not a single person was paying him any attention. All eyes were focused on another cage.

As if something more exciting was happening over there.

Kade Cruz furrowed his eyebrows and looked over.

But a single glance made his pupils contract, and his face fell.

Within the cage, the figure of Eastern Ho was elegant. He easily dodged the Ape Fury's attack until ten breaths later, He passed the Inner-Disciple Assessment, and the Ape Fury didn't even graze his clothes.

"Aargh!"

"Awooo!"

...

As Eastern Ho passed the assessment, a group of Outer-Disciples cheered. Meanwhile, the Ape Fury in both cages began to go berserk, completely infuriated.

"Eastern Ho, Kade Cruz, Assessment Passed."

The Assessor Elder, Spencer River, slowly spoke.

"As expected, two Level Eight Original Pill Outer-Disciples have passed the Inner-Disciple Assessment."

An Outer-Disciple couldn't help but sigh.

"Level Eight, Original Pill Realm, their power is astounding, it's no surprise they passed...However, although they both passed, it's easy to see who is stronger."

"True. Brother Kade Cruz may have passed, but he ended up in a rather miserable state. On the other hand, Brother Eastern Ho doesn't even seem to have fought with the Ape Fury."

...

Eastern Ho and Kade Cruz stood there, a clear contrast to each other.

Kade Cruz's expression darkened as he glared fiercely at Eastern Ho, he was now filled with resentment towards him.

In his view.

If Eastern Ho hadn't completely stolen his thunder, he would definitely be the center of attention now...

He was deeply resentful!

In the two cages, two Ape Fury were shifting restlessly, continuously beating on their chests, their red eyes were startling.

A few Outer-Disciples who hadn't participated in the Inner-Disciple Assessment immediately went pale when Assessor Elder Spencer River glanced their way.

"I give up!"

"I give up too!"

...

In the end, they chose to give up.

They had seen the irrational Ape Fury just now. Even the 'Level Eight Original Pill Realm' Kade Cruz was shambolic in its grasp. If they were to replace Cruz, they wouldn't last even a breath.

They knew their limits.

For that moment, there was only one person left on the field who hadn't participated in the Inner-Disciple Assessment: Wyatt Barnes.

All eyes shifted to Wyatt, waiting for his performance.

Wyatt Barnes.

The young man who joined the Seven Stars Sword Clan just seven months ago.

In just seven short months, his name had spread far and wide in the 'Seven Stars Sword Clan' — recognized as the top genius of the Seven Stars Sword Clan...

The first genius since the clan's inception!

The halo over Wyatt Barnes at the moment was bright and dazzling.

Just over twenty years old, he had already reached the 'Level Eight Original Pill Realm'!

With such talent, even in Green Forest Royal Country, let alone Black Stone Emperor Country...even in the Great Turdo Dynasty, he was one of the top existences.

"Wyatt Barnes."

The assessor elder, Spencer River, smiled down at Wyatt, "Which of the two Ape Fury will you choose?"

The two Ape Fury caged were behaving as if they had lost their minds, completely insane.

Of course, there were degrees to their madness.

The Ape Fury that Eastern Ho had previously faced was still okay. It got furious only momentarily and had now calmed down quite a bit after some time.

However, the Ape Fury faced by Kade Cruz was now even more manic than after its fight with Chloe Taylor... It was enraged to its limits.

It was being 'toyed' with by two individuals whose powers were inferior to it, one after the other.

The Ape Fury at this moment seemed to have turned into a 'Mad Ape'!

Now, even a Level Nine Fierce Beast from the Original Pill Realm wouldn't be spared from it — It would be torn to pieces immediately.

"I wonder which 'Ape Fury' Wyatt will choose."

An Outer-Disciple curiously voiced a question.

His curiosity echoed among the group of Outer-Disciples:

"I think he will choose the Ape Fury that Eastern Ho just fought. After all, that ape's anger seems to have quelled quite a bit."

"I think so too."

"The Ape Fury that Kade Cruz just fought with was already enraged by Chloe Taylor. Before the anger could die down, Kade Cruz further aggravated it... Now, that Ape Fury's strength in its fury is unimaginable!"

"Its power has now certainly reached the limit of a Level Nine Fierce Beast from the Original Pill Realm!"

....

Just as everyone's eyes fell on Wyatt, wondering which Ape Fury he would choose, Kade Cruz's icy gaze also fell on Wyatt. He chuckled coldly, "Wyatt Barnes, you might want to choose the Ape Fury Eastern Ho just fought... Otherwise, I'm afraid you might not pass this Inner-Disciple Assessment."

Kade Cruz's cold laughter was laced with a heavy dose of sarcasm.

"Tsk!"

Wyatt never thought that at this moment, Kade Cruz would still dare to provoke him. He scoffed, "Kade Cruz, why don't you come onto the 'Life and Death Stage' and fight once you muster the courage to combat with me suppressing my power down to the 'Level Six Original Pill Realm'." he retorted.

Chapter 336: The Power of Wyatt Barnes

"As you are now, it seems like you have no qualification to speak about me..."

Wyatt Barnes glanced at Kade Cruz, a cold sneer appearing at the corners of his mouth as he slowly spat out two words, "Coward!"

Coward!

Wyatt Barnes, once again publicly ridiculed Kade Cruz as a 'coward'!

This time, the crowd included Spencer River, the examining elder, and eight Inner Sect disciples. They all watched Kade Cruz with odd expressions.

Kade Cruz looked extremely upset, but he had no words to retort.

Feeling the mocking gazes around him, he wished he could just hide in a hole.

Under everyone's watchful eyes, Wyatt Barnes averted his gaze from Kade Cruz, his eyes scanned the two Ape Furies in the distance, and walked over.

The crowd held their breath.

They were all curious about which Ape Fury Wyatt Barnes would choose as his opponent...

The Ape Fury that Eastern Ho had faced earlier had now calmed down. Wyatt Barnes should have no difficulty withstanding ten breaths of time under this Ape Fury.

However, the other Ape Fury, provoked by Chloe Taylor and Kade Cruz consecutively, was still angrily beating its robust chest till now.

Thud! Thud! Thud! Thud! Thud!

...

In the temporarily quiet Examination Platform, one could vaguely hear the 'Ape Fury' pounding its chest wildly.

"Roar!"

The Ape Fury gave out a roar of extreme wrath, the muscles on its body bulged hinting the strong muscles continually twitching...

Nearby the two cages, Wyatt Barnes stopped his steps.

"Wyatt Barnes is about to make his choice."

On the Examination Platform, everyone's hearts couldn't help but palpitate, including the examining elder.

Their gazes fell on Wyatt Barnes.

They were curious about what kind of choice Wyatt Barnes would make.

"Wyatt Barnes."

Eastern Ho and Chloe Taylor stared at Wyatt Barnes' retreating figure, their eyes filled with anticipation. They were also curious.

"Hmph!"

Kade Cruz stared at Wyatt Barnes from afar, his handsome face slightly twisted, looking ugly.

Finally, Wyatt Barnes moved.

He took a step out, his entire figure moved as if he had transformed into a flexible serpent, quickly entering one of the cages.

He had made his choice!

"It is the Ape Fury that Kade Cruz had just fought against!"

"Senior Brother Wyatt Barnes has indeed chosen the Ape Fury which is/is at the height of its wrath..."

"With the strength of Senior Brother Wyatt Barnes, he should have no trouble withstanding ten breaths of time in front of this raging Ape Fury. But it remains to be seen if he will end up as embarrassed as Kade Cruz."

...

The Outer Sect disciples, their eyes expectant, watched the scene play out.

Everyone's gaze fell on the cage, where Wyatt Barnes was standing face to face with the Ape Fury.

"Senior Brother, you should leave first."

After Wyatt Barnes entered the cage, he began to look the cage over. As everyone looked on in confusion, he turned to the Inner Sect disciple standing in the cage and gave a slight smile.

The Inner Sect disciple was stunned for a moment at his words, completely off-guard.

"Senior Brother Wyatt Barnes is asking that Inner Sect Brother to leave the cage?"

"Awesome! That's totally awesome! That's the enraged Original Pill Realm Ninth Layer Fierce Beast 'Ape Fury'! Is Senior Brother Wyatt Barnes really that confident?"

"Not for nothing is he regarded as the number one among the Outer Sect of our Seven Stars Sword Clan. Senior Brother Wyatt Barnes is too cool!"

"Senior Brother Wyatt Barnes, you can do it!"

...

Some of the Outer Sect disciples, stirred by Wyatt Barnes's decision, their blood boiled with excitement.

"Wyatt Barnes, are you really telling me to leave?"

The Inner Sect disciple hesitated at Wyatt Barnes's words, "If I leave the cage, even after ten breaths of time, it won't stop... Are you sure you don't need my help to subdue it?"

"No need."

Wyatt Barnes shook his head, his face full of confidence.

The Inner Sect disciple nodded, but he still looked to the exam elder 'Spencer River'. Only after Spencer River nodded his consent, did he leave the cage.

"What a character, this Wyatt Barnes! "

Looking at Wyatt Barnes, Spencer River felt a surge of satisfaction, a smile appearing on his face, "Our Seven Stars Sword Clan has truly got a treasure this time... This Wyatt Barnes, once he grows up, will definitely become the pride of the Great Turdo Dynasty!"

The Pride of Generation!

Those regarded as the 'Pride of Generation' in the Great Turdo Dynasty, were all outstanding figures.

It could be imagined how high Spencer River's expectations for Wyatt Barnes's future were.

After the Inner Sect disciple left the cage, Wyatt Barnes raised his hand, closing the cage door and locking it without a second thought.

This action gave everyone present goosebumps once again.

"What is Senior Brother Wyatt Barnes doing?"

"He is not planning to kill the Ape Fury, is he?"

...

The novice Outer Sect disciples were completely dumbfounded, incapable of understanding Wyatt Barnes's actions.

In their view, Wyatt Barnes was merely sealing off his own escape route!

"Roar!"

In the fully enclosed cage, the raging Ape Fury, with its fiery red copper-bellied eyes, stared at Wyatt Barnes. it suddenly let out a loud roar, full of threat.

Wyatt Barnes stood in place, a faint smile on his face, exuding a calm and composed demeanor as if he were as unyielding as a mountain in a storm.

To others, Wyatt Barnes stood within the cage, as immovable as a mountain.

It was as if he wasn't facing a frenzied Original Pill Realm Tier Nine Fierce Beast but a docile kitten.

"Ape Fury is about to strike!"

An Inner Sect disciple who had been closely observing the changes in Ape Fury couldn't help but exclaim softly.

Immediately, everyone's gaze fell on Ape Fury.

"Roar!"

Within the cage, Ape Fury roared and swung its arms as it lunged toward Wyatt Barnes.

The frenzied Ape Fury's attack carried the strength of one hundred and twenty ancient colossal elephants!

The Fierce Beast of the Original Pill Realm had unleashed its power to its fullest!

Just when everyone thought that Wyatt Barnes would dodge the attack, a horrifying scene unfolded before their eyes.

Wyatt Barnes took a step forward, refusing to dodge or retreat.

More than that, with a step forward, Wyatt mirrored Ape Fury's movements. He swung his arm with the might of a falling mountain, attacking head-on!

Whoosh!

With Wyatt's swinging arm, he ripped through the air, giving everyone the illusion that what he had swung was not an arm, but a powerful and colossal anaconda tail.

A strike that tore through the heavens like an anaconda's tail lashing out!

Above Wyatt's head, the shadowy forms of one hundred and ten ancient colossal elephants formed.

This attack carried the power of one hundred and ten ancient colossal elephants!

"Madman!"

Almost the moment Wyatt chose to clash directly with Ape Fury, the same thought arose in everyone's minds.

To clash head-on with the strength of one hundred and ten ancient colossal elephants against Ape Fury's one hundred and twenty...Is he sane?

Other than the Outer Sect disciples who seemed deep in thought, Spencer River, the examination elder, and the Inner Sect disciples, all wore expressions of shock.

Under everyone's gaze,

Boom!

The arm swung by Wyatt and the one smashed by Ape Fury collided.

In an instant, dust swirled around Wyatt and the Ape Fury, kicked up by the powerful forces the two unleashed.

"That's exhilarating!"

An excited smile flashed across Wyatt's face - it felt as though the hot blood coursing through his veins was on the verge of boiling.

After swinging his arm he matched Ape Fury blow for blow!

Who among warriors below the Original Infant Realm would dare to do so?

The moment Wyatt clashed arm to arm with Ape Fury, he felt a surging power transmit from the Ape Fury's powerful arm which made his blood and Qi roil.

Yet, in the blink of an eye, this source of power was neutralized by the faintly trembling 'Trembling Power' he released.

Hence, to the spectators, it appeared he was evenly matched with Ape Fury and the outcome was uncertain.

In reality, this was merely the beginning.

"Is Wyatt Barnes actually holding his own against Ape Fury?"

The crowd of spectators was startled.

"It seems that as the rumors said, Wyatt Barnes indeed has a mysterious method of defeating those stronger than himself," Spencer River silently mused in his heart.

"Roar!"

Seeing his attack blocked by the human in front of him, Ape Fury roared in rage and swung its other arm at Wyatt.

Whoosh!

Ape Fury's arm whistled through the air, creating a muffled sound of air exploding, and aimed directly at Wyatt's head.

One can imagine that if Wyatt's head were struck, it would surely be fatal!

"Enough, I'm done playing with you."

Facing Ape Fury's enraged assault, a cold smirk crossed Wyatt's face. His other hand curled into a fist, and Origin Force burst forth aggressively.

Whoosh!

He threw a punch which seemed to morph into a cannonball, colliding with the arm Ape Fury had thrown his way.

Above Wyatt's fist, the Origin Force began to tremble. The frequency of vibration grew faster and faster - Wyatt had skillfully manipulated the 'Trembling Power' that was difficult for others to detect.

Boom!

Suddenly, Wyatt's punch landed on Ape Fury's arm, causing a dull sound to echo.

Before long, Ape Fury's body trembled. Its crimson eyes contracted, seemingly terrified. The massive body shuddered and hastily retreated, looking at Wyatt in fear.

This scene once again left the crowd of spectators flabbergasted.

"What just happened?"

"Ape Fury actually retreated!"

...

The eight Inner Sect disciples were dumbfounded while the group of Outer Sect disciples, despite their preparedness, were still taken by surprise.

"Wyatt Barnes' method is terrifying."

"Indeed. At first, he killed Ronin Stone, who had the strength of over one hundred and twenty ancient colossal elephants, with only the strength of one hundred ancient colossal elephants. Today, this Ape Fury, despite being only ten ancient colossal elephants stronger, cannot beat him even in its frenzy."

...

The next moment, what unfolded before them left all the Outer Sect disciples speechless, their faces flushed. They felt as though their throats were being choked, and they were unable to utter a word for a while.

"You're smart; you know when to admit defeat."

Wyatt Barnes moved, darting towards Ape Fury. With a flick of his arms, he hooked onto Ape Fury's legs. A curve formed at the corners of his mouth.

Chapter 337: The Submission of the Ape Fury

The Ape Fury, having been struck by a punch from Wyatt Barnes embedded with terrifying Trembling Power moments ago, sensed something was amiss and decided to withdraw its enormous body immediately.

This forces Wyatt Barnes to admire it.

This Ape Fury is as smart as a human.

Indeed worthy of being a 'human-shaped Fierce Beast'!

"Awwooooo!"

Suddenly, the Ape Fury, grabbed by its legs by Wyatt Barnes, roared angrily and pulled its arms back, transforming itself into a giant bow before charging at Wyatt Barnes once again.

"Too late!"

A cold smile brushed the corners of Wyatt Barnes's mouth as the Origin Force surged in his hands.

Trembling Power!

The terrifying 'Trembling Power' instantly flowed into the legs of the Ape Fury, spreading out and disrupting the Ape Fury's Origin Force.

The next moment.

Under the gaze of those gathered, Wyatt Barnes pulled his arms, forcefully picking up the Ape Fury, and swung it hard against the side of the cage.

Boom!

The cage shivered, with the Ape Fury being forcefully slammed against it by Wyatt Barnes.

"Awooooo~~"

The Ape Fury howled painfully. No longer appearing as bloodthirsty and furious as before, it now resembled a wronged housewife.

Whoosh!

Wyatt Barnes gave a jolt to his arms, once again lifting up the Ape Fury, and aiming it at another side of the cage.

Boom!

The Ape Fury's giant body was once again blasted against the cage, causing a loud noise.

This booming sound, echoing in the ears of the surrounding crowd, sent shivers down their spine...

They could easily imagine if they were to replace the Ape Fury, they would probably be killed directly by Wyatt Barnes's impact.

Boom!

Another loud noise came. This time, the Ape Fury was just been swung around and slammed onto the ground by Wyatt Barnes.

"Awwoooo~~"

The injured Ape Fury lay on the ground, letting out a low, painful roar, hugging its head with its arms, the large copper bell-like eyes shimmering with pitiful gloss, staring at Wyatt Barnes.

It looked like it was pleading with Wyatt Barnes to spare it.

Wyatt Barnes also didn't intend to hurt the Ape Fury, directly letting go of his hand.

At the same time.

Whoosh!

With a raise of his hand, a Pill Medicine flew out, directly shooting into the mouth of the Ape Fury, "Swallow it."

After swallowing the Pill Medicine, the Ape Fury began to heal gradually. Finally, it was able to stand up.

Once it stood up, it knelt on one knee and lowered its head to Wyatt Barnes.

"This is..."

This scene shocked the onlooking crowd and brought them back to reality, incredulously watching the spectacle before them.

"This Ape Fury's ritual appears to be a code of submission... By rights, this code of submission should only appear before the 'king' of their species. Normally, even when they are killed in battle, they do not submit."

An Inner Sect disciple who was relatively knowledgeable managed to suppress his astonishment and relay these facts.

"It seems Wyatt Barnes really earned the sincere respect of this Ape Fury."

Another Inner Sect disciple said, a hint of shock edging his tone.

The others, however, were completely flabbergasted.

Submitting?

The Ape Fury is submitting in front of Wyatt Barnes?

"Damn it!"

An Outer Sect disciple came to his senses, unable to resist cursing, "This Inner Sect disciple examination seemed to only require us to persist for ten breaths under the Ape Fury, and then we would pass, right? Brother Wyatt Barnes turned out even better, he simply tamed the Ape Fury and have it submit at his feet."

"Damn awesome!"

The rest of the Outer Sect disciples were flush-faced and extremely excited.

"That Ape Fury, after all, is a level nine beast of the Original Pill Realm, yet in front of Brother Wyatt Barnes, it's like a pet...just now, Brother Wyatt Barnes was flinging it around and beating it up as if he was playing."

"Yeah, it's too absurd! If I hadn't witnessed it with my own eyes, I would never believe that an Original Pill Realm, Level Eight Martial Emperor could do this! That's a Level Nine Fierce Beast from the Original Pill Realm, not some pet."

"I've made up my mind. Brother Wyatt Barnes is my idol from now on! Just thinking about that scene makes my blood boil. The Ape Fury was being flung around and beaten up by Brother Wyatt Barnes, and finally simply got exhausted and gave in."

...

One by one the Outer Sect disciples were looking at Wyatt Barnes with eyes filled with fervor.

"Freak!"

Eastern Ho and Chloe Taylor exchange a glance. The two, who usually don't get along, surprisingly agree on this.

"Hmph!"

Kade Cruz's face turned even uglier upon seeing this. He had barely managed to last ten breaths against the same Ape Fury before struggling to pass the examination...

Now, Wyatt Barnes had managed to have the same Ape Fury submit to him.

Such a sharp contrast made Kade Cruz's heart tremble, and his hatred for Wyatt Barnes reached a new high.

Examination Elder Spencer River also looked on with surprise. While he had faith in Wyatt Barnes, he did not expect Wyatt Barnes to be so 'wild', simply knocking the Ape Fury down.

Just as that Outer Sect disciple said.

It seems that the Inner Sect disciple examination simply required to persist for ten breaths under the Ape Fury, right?

But Wyatt Barnes did even better, simply knocking the Ape Fury into submission.

"Awwooooo!"

The Ape Fury, kneeling in front of Wyatt Barnes, suddenly lowered its head with a sound full of respect.

Its action startled Wyatt Barnes.

With the lifelong memories of the Martial Emperor of his past life, of course, Wyatt could see that Ape Fury was performing a submission ceremony, a ritual that is usually performed to the 'Ape King'...

Now, this Ape Fury, performing such a ceremony before him, filled his heart with astonishment.

"Rise."

Following the memory of the past life Martial Emperor, Wyatt Barnes replicated the actions of the Monkey King in such situations. He stretched out his hand, stroked the head of the crouching Ape Fury, three times.

"Roar!"

Only after Wyatt Barnes finished the third stroke, Ape Fury stood up. It stood to one side, as tame as a kitten.

At this moment, Wyatt Barnes unlocked the lock on the cage and walked out.

Wyatt Barnes realized that now, the eyes of every person present were fixed on him.

In those eyes, their emotions varied.

There was shock, reverence, worship, longing.....

Of course, there was also hatred.

Wyatt Barnes raised his eyebrow, looking at the person who was staring at him with malice. A hint of coldness rose at the corner of his mouth, "This Kade Cruz, is really of an unyielding spirit!"

"Wyatt Barnes, has passed the Inner Sect disciple assessment and has become an Inner Sect disciple!"

At this moment, the assessment elder, Spencer River, made an announcement.

Wyatt Barnes showed a smile.

Starting today, he was an 'Inner Sect Disciple' of the Seven Stars Sword Clan.

Today, a total of four people passed the Inner Sect disciple assessment.

Wyatt Barnes, Eastern Ho, Chloe Taylor, and Kade Cruz.

"This is your Inner Sect badge...After going back today, I will report your names. Tomorrow, you all can register at the registration center near the 'Trading Hall' at Heavenly Pivot Peak by showing your Inner Sect badge, and receive the Inner Sect disciple attire."

Spencer River raised his hand, and four ancient badges appeared out of nowhere. He handed them, one by one, to the foursome of Wyatt Barnes.

"Humph!"

After receiving the badge, Kade Cruz glanced at Wyatt Barnes with hatred and left.

He would have left earlier if not for the 'Inner Sect badge' he was waiting for.

"Elder Spencer River, we will take our leave then."

Wyatt Barnes greeted the assessment elder, 'Spencer River'. Along with Chloe Taylor, Eastern Ho, he left the examination platform and walked towards the Heavenly Pivot Peak.

A group of Outer Sect disciples respectfully watched Wyatt Barnes leaving.

"Today's events, I'm afraid, will spread across the entire sect in no time... This Wyatt Barnes, is truly scaring people to death."

Spencer River glanced at Wyatt Barnes' retreating figure, and sighed.

"Roar!"

Just as Wyatt Barnes left the examination platform, a respectful roar was heard from behind him.

Looking back.

He saw the Ape Fury kneeling on one knee inside the cage, raising a arm, looking at Wyatt Barnes as he left.

A hint of a smile appeared on the corner of Wyatt Barnes' mouth.

Through the memory of the Martial Emperor, he knew the meaning of Ape Fury's gesture, it was the ritual of seeing the Ape King off...

Wyatt Barnes waved at Ape Fury, then left with Chloe Taylor and Eastern Ho.

"Roar!"

Seeing Wyatt Barnes disappear from his sight, Ape Fury stood up, raised his head, and roared. Swinging both of his arms, he constantly beat his broad chest.

Thump! Thump! Thump! Thump! Thump!

...

The dull sounds seemed to be singing a farewell song.

This scene, witnessed by everyone who hadn't left yet, made them involuntarily sigh, "Where is the Fierce Beast? It is simply like a human wrapped in a beast's skin!"

"It is said that apes are the Fierce Beasts closest to humans. Even if their cultivation is not high, they have already begun to understand human nature. Today, I have truly witnessed it."

"Even the Fierce Beast like Ape Fury submits before Wyatt Barnes, could it be possible that it has also sensed Wyatt Barnes' extraordinariness?"

"It's possible."

.....

After Wyatt Barnes and the other two left the examination platform, they walked all the way up the mountain.

They were ready to go back to the Outer Sect Sword Peak.

"Wyatt Barnes, you really.....I don't know what to say."

On the way, Eastern Ho finally managed to squeeze out a sentence, but he didn't know what to say next.

"If you don't know what to say, then don't say anything."

Chloe Taylor sneered, she didn't have a good impression of Eastern Ho.

Soon, the trio arrived near the suspension bridge leading to the Heavenly Authority Peak.

"Eastern Ho, you go back first."

Wyatt Barnes said goodbye to Eastern Ho, and immediately with Chloe Taylor, stepped onto the stone platform; they walked towards the bridge leading to Shimmering Light Peak.

He was ready to look for Jovie Lee...

He hadn't seen the cheeky girl in over a month, and he truly missed her.

As Wyatt Barnes and Chloe Taylor crossed the bridge, all the female disciples of the Shimmering Light Peak saw Wyatt Barnes, their eyes lit up, and they respectfully saluted, "Brother Wyatt Barnes!"

After Wyatt Barnes stepped onto the Shimmering Light Peak, he truly understood the meaning of the phrase 'women can be fiercer than tigers'.

A group of women from the Shimmering Light Peak discovered him and started a ruckus, surrounding him.

"Brother Wyatt Barnes, I've hit a wall in my cultivation of my sword skills, could you give me some guidance?"

"Brother Wyatt Barnes, I went home a few days ago and brought back a lot of snacksDo you want to try some?"

"Brother Wyatt Barnes..."

...

Being 'attacked' by a group of women from the Shimmering Light Peak, Wyatt Barnes felt quite helpless, he could only turn to Chloe Taylor who was standing to the side, laughing.

Now, only Chloe Taylor could save him.

Chapter 338: Nolan Williams

Perhaps she felt sorry for Wyatt Barnes, or maybe she was grateful for his help in passing the examination for the inner disciple.

Chloe Taylor hid her amusement.

"Dear sisters,"

She gracefully stepped forward to stand in front of Wyatt and addressed the group of female disciples from Shimmering Light Peak, "Enough is enough... Wyatt came to our Shimmering Light Peak because my master called him here. If he were to be delayed because of you, and my master decides to blame you, then you will have to shoulder the responsibility."

Chloe's words proved effective; even though the disciples hesitated, they obediently dispersed.

As many of the female disciples left, they cast flirtatious glances at Wyatt, causing him to feel helpless.

"Sister Chloe, do they seem to be afraid of Jade Elder?"

After moving away from the bridge, Wyatt looked towards Chloe and asked curiously.

"Naturally,"

Chloe nodded with a smile, "Usually, my master handles most of the matters on Shimmering Light Peak... She is considered as half a peak master."

Wyatt had an epiphany.

In the past, he relied on a strong spiritual power and the lifelong experience of the Martial Emperor to recognize Jade Elder's exceptional strength...

Much more powerful than any Outer Sect Elder of Sword Peak he had ever seen!

Understanding Jade Elder's position on Shimmering Light Peak, he felt relieved.

After all, managing the vast Shimmering Light Peak requires strength; the disciples of Shimmering Light Peak, as well as other Outer Sect Elders, wouldn't be convinced otherwise.

"The Master should not be there at this time, you should go find your disciple sister."

Chloe escorted Wyatt Barnes outside the gorge, gave him an ambiguous smile before leaving, not planning to return together.

"Thank you, Sister Chloe."

Wyatt also smiled, grateful for Chloe's understanding.

When he entered the gorge, he saw Jovie Lee tending to the flowers and plants...

Upon seeing Jovie's curvaceous shape, Wyatt felt a rush of heat in his lower abdomen.

Wyatt approached silently with a mischievous smile, reached out his arms, and embraced Jovie from behind.

"Who?!"

Jovie was startled and let out an involuntary cry of alarm.

"Sweetheart, don't scream, no one will come to save you even if you shout your throat sore."

Wyatt's mouth was near Jovie's ear, blowing gently and putting on a hoarse voice.

"Scoundrel!"

Jovie's face lit up with joy as she easily recognized Wyatt.

"You recognized me from that?"

Wyatt released Jovie and gave a rueful smile, gazing at Jovie who just turned around with eyes full of affection.

"Scoundrel, you took part in the Inner Sect Disciple Examination today, didn't you?"

Jovie blinked her autumn eyes and asked.

"Yes."

Wyatt nodded his head.

"You are in the Level Eight of Original Pill Realm, passing the Inner Sect Disciple Examination should not be a challenge... Sister also took part, did she pass?"

Jovie blinked her autumn eyes again, eagerly asking.

"Why didn't you go with her to watch the excitement if you wanted to know?"

Wyatt shook his head with a smile.

"I had just finished practicing not long ago, and it was about time for the Inner Sect Disciple Examination to end. I did not go there,"

Jovie explained.

"I'll tell you later,"

Then Wyatt embraced blushing Jovie and hurried into the wooden house.

After their intimate moments, a satisfied Jovie traced tiny circles on Wyatt's bare chest and asked, "Scoundrel, did Sister Kero manage to pass the Inner Sect Disciple Examination?"

"Do you hope that she passed?"

Wyatt tightened his hold on Jovie, playing with her smooth hair, inhaling her scalp and asked with a smile.

"Of course, I hope Sister Kero passed. But as an Outer Disciple in the Seventh-Order of the Original Pill Realm, it's said to be difficult to pass the Inner Sect Disciple Examination..."

Fear clouded her face as she spoke.

"Okay, enough teasing,"

At the sight of Jovie's worried expression, Wyatt shook his head with a smile. "With your man around, do you still worry that Kero cannot pass the examination?"

The words of Wyatt cause Jovie's eyes to light up. "Did Sister actually pass the Inner Sect Disciple Examination?"

"Of course. Why would I deceive you? However, you have to be gracious and thank your man."

A playful smirk crossed Wyatt's face.

"Humph! You scoundrel, you are too thick-skinned. Sister's passing the Examination is due to her own skills. Why are you taking all the credit?"

Jovie rebutted with a disbelieving face.

"Never mind, it's pointless to argue. You can ask your sister yourself."

Wyatt just shook his head with a bitter smile, not intending to explain.

"Scoundrel, is it true?"

Jovie asked in a soft, trembling voice, her captivating eyes blinking.

"Of course it's true, Jovie. When have I ever lied to you?"

Wyatt shook his head with a smile, took a deep breath, and was lost in the fragrance coming from Jovie's hair.

"Scoundrel, tell me more about it."

Jovie was interested to know more.

"So, do you believe it now?"

Wyatt Barnes laughed.

Seeing Jovie Lee urging him again and again, he quickly explained the entire process...

"You rascal, thank you," Jovie Lee said softly, rubbing herself against Wyatt Barnes.

She knew that it was because of her that her man was helping her senior sister.

"Jovie, when did you start being so formal with me?"

Wyatt Barnes shook his head with a chuckle.

After staying with Jovie Lee a little longer, Wyatt got dressed and prepared to leave. Before leaving, he said, "Jovie, I'm planning to visit 'Hidden Peak' in two months."

Upon hearing this, Jovie Lee's eyes lit up. "Are you going to deliver a message for the Junior Sect Master of the Endless Sect?"

Originally, when Wyatt Barnes met the Junior Sect Master of the Endless Sect outside Aurora City in the 'Mystic Fog Forest', Jovie Lee was also present. Hence, she knew about the Junior Sect Master's request to Wyatt.

"Yes."

Wyatt Barnes nodded. "It's to deliver a message for him and take a short trip... Do you want to come with me?"

"Of course! I will let my master know afterwards."

Jovie Lee excitedly nodded. She had been with the Seven Stars Sword Clan for over seven months and had never left. She was already feeling cooped up.

Wyatt Barnes nodded, "I will come to find you then... I hope Keer can return by then. The four of us, including Fill Bear, can go together."

Then, after saying a few more words to Jovie Lee, Wyatt Barnes left.

When leaving Shimmering Light Peak he quickened his pace, rapidly reaching the rope bridge and heading towards the Primary Peak, 'Heavenly Pivot Peak'.

It was as if he was 'running for his life'.

It left a group of female disciples from Shimmering Light Peak sighing, "Why is elder brother Wyatt Barnes running so fast?"

"I even brought some desserts from home to share with elder brother Wyatt."

"I wanted to discuss life with elder brother Wyatt..."

...

After reaching the Primary Peak, Heavenly Pivot Peak, Wyatt Barnes took a deep breath then returned to Heavenly Authority Peak.

Once he arrived at Heavenly Authority Peak, Wyatt furrowed his brows.

Because he saw a 'familiar face' approaching him.

"Wyatt Barnes!"

Seeing Wyatt Barnes again, there was a cold, hateful gloss in Nolan Williams's eyes. This disciple from the outer sect had permanently damaged his right arm, making it impossible for him to wield a sword ever again.

"What's up?"

Wyatt Barnes' tone was calm, he asked lightly.

"My adopted father wants to see you."

Nolan directly stated.

"What? The Peak Master wants to see me?!"

Wyatt Barnes was taken aback by Nolan's words, then he raised his voice, spreading it around...

For a moment, it drew the attention of many Heavenly Authority Peak disciples.

"Peak Master?"

"Isn't that the adopted son of our Heavenly Authority Peak Master, 'Nolan Williams'?"

"Seems like, our Heavenly Authority Peak Master wants to see Wyatt Barnes."

...

A group of Heavenly Authority Peak disciples were all discussing animatedly.

Upon hearing the disciples of Heavenly Authority Peak, Nolan's eyebrows furrowed, he looked at Wyatt Barnes and said in a deep voice, "Wyatt Barnes, my adopted father wants to see you. Why are you making such a fuss, intending to let everyone know about it?"

"Ha ha..."

Wyatt Barnes couldn't help but laugh, laughing unrestrainedly. "Nolan Williams, I did ruin your arm that day. You suddenly say that the Peak Master wants to see me. How would I know if the Peak Master has changed his mind about that day's incident and what he's planning to do to me? Therefore, I think it's necessary for everyone to know about this right now."

Ruin his arm?

Hearing Wyatt Barnes's words, a group of Heavenly Authority Peak disciples were shocked.

Their eyes landed on Nolan, and noticed a dead arm hanging down from him...

"No way? Elder brother Wyatt Barnes has actually crippled elder brother Nolan's right hand?"

"That's too badass, isn't it? From what elder brother Wyatt said, it seems like the Peak Master himself also knew about it."

"Awesome! Now I understand what real awesomeness is."

...

Each of the Heavenly Authority Peak disciples looked at Wyatt Barnes with admiration, practically treating him like an idol.

"Wyatt Barnes! How dare you act so brazenly in front of me as an outer sect disciple!"

Seeing Wyatt Barnes publicising his embarrassment for all to know, Nolan's face turned pale, and he shouted angrily.

"Outer sect disciple?"

Hearing Nolan's words, Wyatt Barnes smiled, raised his hand, and a rustic token appeared in his hand. "Nolan Williams, open your eyes wide and take a good look! This token, you should be familiar with it, right?"

Seeing the token in Wyatt Barnes' hand, Nolan Williams's face darkened.

Of course he recognized this token, because he had one himself.

As for the disciples of Heavenly Authority Peak not too far away, their eyes brightened. "Isn't that the Inner Sect Disciple's Token?"

"It seems... it looks like elder brother Wyatt has passed today's Inner Sect Disciple assessment."

"A month ago, there was a rumor that elder brother Wyatt had advanced to the 'Level Eight of the Original Pill Realm'. It's not surprising that he became an Inner Sect Disciple with such a level."

"The question is... elder brother Wyatt, he seems to be just over twenty years old, right?"

"Elder brother Wyatt Barnes is indeed our Seven Stars Sword Clan's publicly recognised genius! Before his appearance, if anyone told me that our Green Forest Royal Country produced a Level Eight Original Pill Realm martial artist in his early twenties, I would not believe it even if I was beaten to death!"

...

The disciples of Heavenly Authority Peak were full of admiration for Wyatt Barnes in their words.

Chapter 339: Demon

The whispers of Heavenly Authority Peak disciples fell in Nolan's ears, making his face turn ashen. His fierce eyes shimmered with brewing anger.

This Wyatt Barnes, he had crippled his right arm, dragging him down and causing his future achievements to be uncertain.

His life-long dream had always been to succeed his adopted father's position and become the 'Peak Master' of the Seven Stars Sword Clan's Heavenly Authority Peak.

But now it seems, all of these would become pipe dreams!

"Wyatt Barnes, if it wasn't for you, I would definitely be the future Peak Master of Heavenly Authority Peak... all because of you."

Nolan's heart was filled with rage, rage to the point he wished he could tear Wyatt Barnes into pieces and scatter his ashes.

In his view, it was Wyatt Barnes who had ruined his life!

Feeling Nolan's frosty and hateful gaze, Wyatt Barnes furrowed his brows and said lightly, "Nolan Williams, it seems you really hate me."

"Hmph!"

Even though Nolan didn't say anything, his cold snort was enough to express his hatred for Wyatt Barnes.

"Nolan, even though I did cripple your arm... you have to understand one thing. That day, had you not stubbornly resisted and delayed in admitting defeat, your right arm would not have been ruined!"

Wyatt Barnes looked at Nolan, his gaze calm, "So, the biggest responsibility for your ruined arm lies with you... if you had surrendered sooner, you would've only been lightly injured. It was your pride, your arrogance, that completely destroyed you!"

That day, Nolan had engaged Wyatt Barnes with the sword-wielding of his right hand, the impact of the incident on Nolan, Wyatt Barnes was very clear about.

But he never felt any guilt!

Nolan was overly arrogant at the time, refusing to admit defeat, hence he met with such a fate.

Moreover, from beginning to end, the conflict between him and Nolan was all caused by Nolan's adopted father, the Peak Master of Heavenly Authority Peak, Wade Williams.

If it were not for this, he would never have fought Nolan.

However, he now realized, judging from Nolan's hatred for him, that Nolan does not think so.

Nolan obviously pushed all the blame on him.

"Wyatt! Barnes!"

Hearing Wyatt Barnes's words, Nolan gritted his teeth, his eyes revealing a cold and venomous hatred and killing intent.

"Isn't the Peak Master waiting to meet me? Shall we go?"

Wyatt Barnes looked at Nolan calmly and said in a calm tone.

Hearing this, Nolan suddenly remembered the main point, suppressing his raging anger, turned around, preparing to lead Wyatt Barnes away from Heavenly Authority Peak.

"Brother Wyatt Barnes!"

Right at this moment, a shout came from the direction of the rope bridge, causing Wyatt Barnes to stop in his tracks.

Wyatt Barnes glanced over.

A disciple of Heavenly Authority Peak was coming from the other side of the rope bridge. Seeing him, the disciple's eyes lit up and he stepped forward.

With just one glance, Wyatt Barnes recognized this disciple of Heavenly Authority Peak.

Max Wood!

This name, Wyatt Barnes remembered very well.

That day, he arrived at the trading hall, intending to sell a pile of pill medicines from his outer disciple martial arts competition first prize...

At that time, Max Wood had had a conflict with another Heavenly Authority Peak's disciple over the items in his hands.

Finally, Max Wood had whip out a ten-million gold bill boldly, severely slapping the face of the other Heavenly Authority Peak's disciple, leaving him with a bloody face.

He remembered every bit of that scene.

That's why he had such a deep impression of Max Wood.

"Max Wood."

Wyatt Barnes nodded at Max Wood with a smile, greeting him.

"Bro... Brother Wyatt Barnes, you... you remember me?"

Hearing Wyatt Barnes' words, Max Wood was stunned for a moment, immediately his face flushed in excitement.

Wyatt Barnes shook his head and smiled, 'Could it be any more exaggerated?'

"Brother Wyatt Barnes, congratulations on passing the Inner Sect Disciple Examination and becoming an Inner Sect Disciple."

Max Wood congratulated Wyatt Barnes with a smile, then his face full of admiration, "Brother Wyatt Barnes, I heard that during the Inner Disciple Examination, you managed to lift the Fierce Beast 'Ape Fury' of the Original Pill Realm Level Nine with bare hands and smashed it wildly... in the end, reducing it so much that it was kneeling and begging for mercy in front of you!"

Max Wood was extremely excited.

Wyatt Barnes was speechless.

Why did the story get so exaggerated?

At that time, that Ape Fury wasn't begging for mercy, it was the apes' ritual of submission.

Max Wood's voice didn't even try to conceal anything, and the crowd of Heavenly Authority Peak disciples around heard it.

Lifting the Original Pill Realm Level Nine Fierce Beast, Ape Fury, with bare hands and smashing it around wildly?

Smashing until the Ape Fury knelt and begged for mercy?

For a moment, all eyes of every Heavenly Authority Peak disciple towards Wyatt Barnes became incredibly peculiar.

Gulp! Gulp! Gulp! Gulp! Gulp!

...

Startled swallowing sound echoed everywhere.

After a while, all the Heavenly Authority Peak disciples reacted and unsurprisingly, it caused an uproar:

"Is Brother Wyatt Barnes really a human?"

"I heard that legend has it that the powerful Demon Beasts can even transform into a human form, called 'Monster'. Could Brother Wyatt Barnes be a human form of such a 'Monster'?"

"No wonder Brother Wyatt Barnes has such a horrifying cultivation at such a young age. As it turns out, he was originally a 'Monster'!"

...

Every disciple of Heavenly Authority Peak began to nod seriously as they spoke.

In their eyes, the achievements that Wyatt Barnes had thus far were simply not something a normal human being could possibly attain...

At the very least, in the history of the Green Forest Royal Country, there has never been a martial artist at the 'Original Pill Realm Level Eight' who was as young as Wyatt Barnes!

Hearing the discussions of these Heavenly Authority Peak disciples, Wyatt Barnes was speechless for a moment.

How could he be considered a 'demon'?

"Hmph!"

Max Wood frowned, looking at the crowd of Heavenly Authority Peak disciples and speaking up for Wyatt Barnes, "What are you all talking about? How could Wyatt Barnes possibly be a 'demon'? If he was a 'demon', do you think any of you would still be alive? Do you think anyone from the Seven Stars Sword Clan would still be alive?"

"Demons are essentially demon beasts who transform into human form... It's said that they can reach the heavens and enter the earth, doing as they please! Do you believe that a demon beast,

for some reason, would need to sneak into our Seven Stars Sword Clan? Do you think a demon would have the leisure to listen to your nonsensical talk?"

By the end of his speech, Max Wood's voice echoed resonantly.

Wyatt Barnes was surprised.

The current Max Wood, in his eyes, undoubtedly possessed a certain added quality...

Even though it was somewhat faint, Wyatt Barnes could see it.

This was the quality of a powerful individual!

It seemed that this Max Wood was not to be underestimated.

Indeed, a person who could casually dish out ten million gold tickets would certainly not be ordinary.

After Max Wood finished speaking, the disciples from Heavenly Authority Peak in attendance fell into contemplation.

"That's right, it's said that 'demons' capable of transforming into humans have all stepped into the Fourth Void Realm, also known as the 'Transforming Void Realm'! If a Transforming Void Realm being has the intention to do so, not only our Seven Stars Sword Clan, even if all the strongmen of the Green Forest Royal Country were mobilized, they would probably not even be enough to fill the gaps between its teeth."

"I almost forgot about that. How could beings in the Transforming Void Realm possibly be wasting their time like this?"

"That's true."

...

Thanks to Max Wood's reminder, the group of Heavenly Authority Peak disciples came back to reality.

Wyatt Barnes gave a nod and a smile to Max Wood, and then caught up with the gloomy-looking and somewhat impatient 'Nolan Williams', stepping onto the suspension bridge and leaving Heavenly Authority Peak.

Soon, Wyatt Barnes followed behind Nolan Williams and arrived at the 'Heavenly Pivot Peak', the Primary Peak.

He once again arrived at the Heavenly Authority Palace.

The main hall of the Heavenly Authority Palace.

Peak Master 'Wade Williams' stood in the center of the great hall, with his back towards the entrance of the hall.

"Adopted father, Wyatt Barnes has arrived."

At the entrance of the great hall, Nolan Williams, who was standing next to Wyatt Barnes, respectfully announced.

"Come in."

As Wade Williams spoke, Wyatt Barnes followed Nolan Williams into the grand hall.

"Peak Master."

Wyatt Barnes nodded slightly to Wade Williams, showing respect.

"Wyatt Barnes, we meet again."

Wade Williams's eyes flickered slightly, looking at Wyatt Barnes intently and said slowly.

"May I ask why the Peak Master has summoned me?"

Wyatt Barnes got right to the point and asked, his eyes calm and clear.

"Wyatt Barnes, since you get straight to the point, I shall not beat around the bush either."

Wade Williams stated frankly: "Originally, you defeated 'Ronin Stone', the former top Outer Sect disciple with lesser skills. Then, you prevailed over my useless adopted son, even crippling one of his arms... I am very curious, how exactly did you manage to achieve the feat of defeating stronger opponents repeatedly?"

As soon as the words fell, Wade Williams's gaze fell on Wyatt Barnes, full of intense desire.

Even though Barnes had expected this on his way here, when Wade Williams actually asked, a sense of dread still rose within him.

It seems that another person within the Seven Stars Sword Clan is coveting his secret.

The first was none other than the outer elder of Heavenly Authority Peak, 'Woody Dunn'.

Now, there is one more person - 'Wade Williams'.

Woody Dunn, he could dismiss without a care.

But Wade Williams, as the master of Heavenly Authority Peak, holds great power within the Seven Stars Sword Clan and commands a plethora of resources...

He, Barnes, could not afford to dismiss him.

Wyatt Barnes could see that now, Wade Williams was gazing at him, seemingly observing any changes in his facial expressions, likely trying to gauge if he would lie.

To this, Wyatt Barnes was contemptuous.

To control his facial expressions, for him, was a piece of cake.

"Peak Master."

Wyatt Barnes fearlessly met Wade Williams's eyes and gave a light smile, "Actually, that is my most significant secret. However, since you want to know, I wouldn't mind revealing it, and even sharing it..."

Reveal it?

Share it?

On hearing Wyatt Barnes's words, a smile appeared on Wade Williams's face, "Wyatt Barnes, it seems that I misjudged you before... Good, you're quite understanding. As long as you're willing to share this technique with others, even without a master-disciple relationship, in the future within the Seven Stars Sword Clan, I will certainly look after you."

At the side, Nolan Williams's face darkened upon hearing his words. He looked at Wyatt Barnes with a frown, envy appearing on his face.

"Then I must thank the Peak Master in advance."

Wyatt Barnes nodded, a beaming smile on his face.

"Go ahead."

Wade Williams looked at Wyatt Barnes, a flicker of eagerness and desire in his eyes.

Chapter 340: Wade William's Concerns

Under Wade Williams' expectant gaze, Wyatt Barnes said slowly, "Peak Master, the reason I was able to defeat stronger opponents is that my Origin Force has mutated..."

When Wyatt barely finished his sentence, Wade Williams's breath quickened.

This was exactly what he wanted to know!

Even Nolan Williams, now wore a look of intense longing.

In his view, if he could master this method, even if he had limited martial achievements, he could still defeat the strong as the weak.

In the future, he might become the 'Peak Master' of the Seven Stars Sword Clan's Heavenly Authority Peak.

Under Wade William's unblinking gaze, Wyatt continued, "My Origin Force was originally the same as other martial artists. However, I ventured into the primitive forest after joining the Seven Stars Sword Clan and fortuitously obtained a spiritual fruit! An unknown spiritual fruit."

Upon saying this, Wyatt's breath became hurried, and his face flushed. "At that time, after swallowing the spiritual fruit, my Origin Force began to mutate, shaking uncontrollably... And I've tested it— any opponents who do not exceed my strength by more than thirty ancient elephants, I can defeat through the use of my mutated Origin Force!"

Wyatt spoke excitedly.

However, Wade and his son Nolan's faces fell in unison.

Spiritual fruit are rare and cannot be sought casually.

The probability of encountering a spiritual fruit is almost impossible to replicate.

Wade stared at Wyatt piercingly, as if he could see through everything. He eyed Wyatt, trying to detect from Wyatt's facial expressions and changes whether Wyatt was lying...

However, no matter how he observed, there was nothing unnatural about Wyatt's particular expression.

Could it be true what Wyatt said?

Was it truly because he consumed an unknown spiritual fruit, that his Origin Force mutated?

"At the time, after my Origin Force mutated, Warren Hudson and Jay Anderson had provoked me. Thus, on Heavenly Authority Peak's Life and Death Stage, I killed them both in one blow with my mutated Origin Force! Later, the Outer Disciples of the Tianshu Peak with Original Pill Realm Sixth Layer 'Clark Burton,' and the first Outer Disciple 'Ronin Stone,' were all defeated by me, killed by my mutated Origin Force!"

Wyatt seemed oblivious to Wade's intense gaze. He carried on, thrilled with his own tale, his face abuzz with excitement.

Nolan's gaze, resting on Wyatt Barnes, was full of jealousy.

Finally, Wyatt's excited expression calmed, he took a deep breath, turned to Wade, "Peak Master, now that I've told you everything, shared all my knowledge... Are you satisfied? May I leave now?"

Despite all the changes in Wyatt's facial expressions earlier, his mind remained utterly calm.

Everything he said was merely to placate Wade!

As for whether Wade believed him, that was none of his business.

Whoosh!

Almost the moment Wyatt finished speaking, a powerful aura spread from Wade's body, enveloping Wyatt.

Wyatt stood still.

It was as if he didn't notice Wade's aura at all, his face leisurely and composed, no matter what was happening around him.

"Wyatt Barnes!"

Suddenly, Wade bellowed, his voice containing terrifying Origin Force, ripping through Wyatt's eardrums, leaving Wyatt's inner energy surging, his face flushed slightly.

"My patience has its limits! I'm giving you one last chance to confess... Otherwise, I'll make sure you stay here forever! You should know that I'm capable of doing that."

Wade spoke slowly. His voice was lacing with threats.

Completely unmasked!

All for the sake of acquiring Wyatt's method of harnessing the Origin Force.

Wyatt looked at Wade and replied impassively, "Peak Master, what you wanted to know, I just told you in no uncertain terms... yet, what do you mean now? Do you think I am lying to you?"

"Humph!"

Wade's face darkened, revealing traces of coldness. His eyes, filled with murderous intent, rested on Wyatt, "Wyatt Barnes, do you think I'd believe what you just said? I'm the Peak Master of the Seven Stars Sword Clan's Heavenly Authority Peak and I have read countless ancient books, but I've never heard of any spiritual fruit that could cause mutation of the Origin Force!"

"You dare to lie to my face, thinking I can't see through your lies?"

Towards the end, Wade's aura became chillingly cold.

Faint Origin Force began to bloom around Wade's hands, becoming increasingly dense...

Above Wade's head, ancient, massive elephant phantoms slowly formed in the void, growing in number.

In just a blink of an eye, there were thousands!

"Hahaha..."

Upon hearing Wade's words, Wyatt started laughing, laughing recklessly.

"Impudent!"

Nolan's face darkened. Wyatt daring to behave so disrespectfully in front of his foster father, the Peak Master of the Heavenly Authority Peak, was simply intolerable!

However, he was self-aware. He knew he was no match for Wyatt.

Otherwise, he would certainly have stepped in to discipline him.

"What are you laughing at?"

Wade's face was grim as he asked in a low voice.

"What am I laughing at?"

Finally, Wyatt stopped laughing. He scrutinized Wade from top to bottom and said slowly: "Peak Master, it's not that I'm looking down on you... but do you dare claim to know everything in the vast Cloud Skies Continent? Having read countless ancient books, I wonder what kind of ancient books you have actually read?"

"The Cloud Skies Continent is vast and boundless. Even the legendary Martial Emperor would not dare to claim to know everything... Could it be, Peak Master, you think your knowledge surpasses that of a Martial Emperor?"

By the end, a mocking smile appeared on the corners of Wyatt's mouth.

Even the Reincarnation Martial Emperor of yesteryears, despite having lived through two lifetimes, would not dare to claim to have known everything.

The Peak Master of Heavenly Authority Peak, a high ranking member of a minor sect in a tiny royal country, dares to make such bold claims?

It's so naive, laughable!

"You!!"

Although Wyatt's words were truthful, they were undoubtedly a blatant slap to Wade Williams' face, causing Williams to erupt in anger, his Origin Force going haywire. "Wyatt, do you realize... based on your words just now, I can kill you on the spot!"

"Hehe..."

In the face of the outraged Williams, Wyatt still maintained his calm demeanor. "You, the Peak Master, are incredibly powerful. With your strength in the Void Realm, killing me could be as easy as turning your hand. But, if you were to kill me today, I wonder what would the disciples of Heavenly Authority Peak think? What would the disciples of Seven Stars Sword Clan think? What would the other Peak Masters, Sect Leaders, and even the Protectors think?"

"Humph! Even if I kill you today, who would know I did it?"

Williams sneered, with a look of disdain on his face.

"Peak Master, unfortunately, I am going to disappoint you...Before I came here, many disciples from Heavenly Authority Peak knew about the incident of me crippling your adopted son's arm, and knew that your adopted son brought me here to see you."

Wyatt spoke calmly, with indifference.

"Hmm?"

Upon hearing Wyatt's words, Williams's face darkened slightly, frowning as he looked towards Nolan Williams.

Nolan nodded with a bitter smile, confirming Wyatt's words were true.

"Useless!"

Williams gave Nolan a cold eye and showed an awfully dark expression.

If it was indeed so, he couldn't dare kill Wyatt...

As for the disciples of Heavenly Authority Peak or even the Seven Stars Sword Clan, he could disregard them.

But if word of this gets out, the Sect Leader will definitely intervene.

Given the talent Wyatt has displayed so far, virtually everyone in the Seven Stars Sword Clan considers him the hope of the Sect...

Perhaps even the Sect Leader has begun paying attention to Wyatt.

"Wyatt!"

Williams looked at Wyatt and said solemnly: "I must say, you are very clever, really clever...you even craftily set the stage in your favor, tying my hands!"

"The Peak Master flatters me."

Wyatt gave a faint smile, his heart filled with elation seeing Williams's disgruntled face.

Williams continued: "However...even if I can't kill you, giving you a lesson should be fair game!"

As he said this, a cold and vicious look surfaced on Williams's face.

"Peak Master, if you don't want to know the characteristics of the spiritual fruit I ingested, then feel free to make a move on me."

Wyatt's smile didn't change as he looked deeply into Williams's eyes, like having everything under control.

He knew very well that everything Williams had done up until now was to intimidate and test him...

Even Williams couldn't be 100% certain whether he was lying or not.

"Humph! As long as you tell me, I'll let you walk away safely...From now on, I won't trouble you anymore."

Upon hearing Wyatt's words, Williams was indeed tempted.

What Wyatt wanted was the first part of Williams's sentence. As for the latter half, he completely ignored it.

Trust William's promise?

"It was a dark purple spiritual fruit with small bonelike protrusions on the surface."

Wyatt slowly started to describe.

Of course, the spiritual fruit he was describing wasn't beneficial to martial artists, but an invisibly lethal poisonous fruit.

This fruit was extremely rare and favored by vastly toxic demon beasts.

Moreover, this fruit, if not recognized, could absolutely hide its deadly poison.

The reason was that the poison inside the fruit was very peculiar, not even a silver needle could detect it.

Many people have seen this fruit, but few have survived, and the Martial Emperor was one of them.

Now, Wyatt originally intended to bluff casually, because in his view, it was unlikely that such a fruit existed in the Royal Country of Green Forest...

He just wanted to give Williams a hope.

An impossible hope to be realized.

"You can leave!"

Once he got the information he wanted, Williams glanced indifferently at Wyatt.

"Peak Master, I'll take my leave."

Wyatt nodded and withdrew.

"Father, did you believe his words?"

After Wyatt left, Nolan looked at Williams, his brows knitted in concern. "I always feel that Wyatt shouldn't be trusted!"

"Humph!"

Williams coldly glances at Nolan, "Do you think I can't see that, and need you to teach me? Worthless! I asked you to bring him here, you made it known to everyone, letting him feel secure and always one step ahead."

Nolan dropped his head, shaking slightly, his eyes became bloodshot. "Wyatt!"

"I'm going to the primitive forest."

With a glance full of disappointment at Nolan, Williams strode away.
