

L. Wyatt 361

Chapter 361: Wyatt Barnes's Conditions

Aya Willow, who had been watching coldly for a while, spoke again, as if in coordination with Jaz Martinez. "Wyatt Barnes, even if you refuse to ascend the Life and Death Stage, even if I cannot kill you... I, Aya Willow, will not let you get away with it! I will torture you slowly until..." she threatened.

Although Aya Willow didn't finish her sentence,

the chill in her gaze as it fell upon Wyatt Barnes' dantian undoubtedly conveyed to everyone what she intended to say but did not.

She plans to ruin Wyatt Barnes's dantian!

At this moment, several Inner Sect disciples looked at Wyatt Barnes with a hint of pity in their eyes.

Although, the Seven Stars Sword Clan forbids disciples from killing each other or ruining each other's dantian...

Accidents can nonetheless happen when martial artists clash.

Even if Aya Willow truly destroys Wyatt Barnes's dantian, she can simply claim it was an accident.

By then, the Seven Stars Sword Clan may only give Aya Willow a minor punishment at most.

But Wyatt Barnes would be ruined.

Just then, a cold and stern voice abruptly echoed.

"Aya Willow, if you dare to harm Wyatt Barnes's dantian, I'll cripple you!"

Along with this voice, everyone, including Wyatt Barnes, looked towards the source of the sound.

A young man with a stern face was lazily stepping onto the peak of Heavenly Pivot Peak, staring at Aya Willow with cold eyes.

"It's Brother Sonny Clark!"

"Last time it was Brother Sonny Clark who took Wyatt Barnes away when he was unconscious. It seems they have a good relationship."

"Nonsense! If they didn't have a good relationship, would Brother Sonny Clark stand up for Wyatt Barnes?"

"I heard that last month, Brother Sonny Clark's cultivation had already broken through to the third level of the Original Infant Realm... Truly worthy of being the son of Peak Master Colin Clark, inheriting his exceptional martial Dao talent."

...

One by one, the Seven Stars Sword Clan Inner Sect disciples looked at Sonny Clark with awe-filled eyes.

Respect for the strong!

"Brother Sonny Clark."

Seeing Sonny Clark's arrival, Wyatt Barnes revealed a bright smile and greeted him with a smile.

"Junior Brother Wyatt Barnes."

Sonny Clark responded with a smile, where was the stern air he had before?

"Sonny Clark!"

Aya Willow looked at Sonny Clark, her face as ugly as it could be.

Sonny Clark had repeatedly foiled her plans, causing her to loathe him deeply.

Unfortunately, in terms of background or personal strength, she was no match for Sonny Clark and could only bury this hate deep in her heart.

"Junior Brother Wyatt Barnes, in the future, if Aya Willow ever bothers you, just let me know. I'll make sure she can't afford to mess with you!"

When Sonny Clark looked at Wyatt Barnes, he wore a smile.

But when his gaze fell on Aya Willow, it became as cold as ice, as if he was a completely different person.

His words were filled with domineering authority!

Around them, people began to whisper.

All the Inner Sect disciples present understood that since Brother Sonny Clark had said this, it meant that from now on, within the sect, he would likely act as Wyatt Barnes's protector!

For a moment, many Inner Sect disciples looked at Wyatt Barnes with envy.

After all, within the Inner Sect of the Seven Stars Sword Clan, only those under thirty were allowed to stay in the sect.

Those over thirty were almost all sent off to manage the Seven Stars Sword Clan's various businesses throughout the Green Forest Royal Country.

Now, Sonny Clark's cultivation had reached the 'Third level of the Original Infant Realm'.

In terms of strength,

among the remaining Inner Sect disciples of the Seven Stars Sword Clan, he was easily in the top five!

Most importantly, Sonny Clark also had a distinguished status.

The son of the Sun Peak's Peak Master!

It's easy to imagine that with Sonny Clark looking after him now, in the future, few Inner Sect disciples would dare to mess with Wyatt Barnes.

"Sonny Clark, this is a personal vendetta between us and Wyatt Barnes, I hope you won't interfere,"

Aya Willow took a deep breath, unwilling to let Wyatt Barnes go easily.

"Aya Willow, did you not hear what I just said, or what?"

Sonny Clark's face turned solemn, his gaze sharp as his voice hardened, "If you are hard of hearing, I don't mind cutting off your ears to give them a thorough check... If not, shut your mouth!"

Sonny Clark's threat made Aya Willow's face turn red with anger, her gaze filled with venom, but she didn't dare to lash out. She could only clench her fists and tremble with suppressed rage, expressing her intense dissatisfaction.

Eventually, Aya Willow looked at Wyatt Barnes and said in a low voice, "Wyatt Barnes, if you're a man, face me on the 'Life and Death Stage' in a fair duel...Otherwise, you're nothing but a coward and trash!"

Upon hearing Aya Willow's words, Wyatt Barnes's expression remained calm, and he replied indifferently, "Aya Willow, do you think your goading will work on me?"

Seeing her scheme so easily seen through, Aya Willow's face turned ugly but she couldn't help taunting Wyatt Barnes, "Coward, trash! Didn't you say you weren't afraid of me? Now, you don't even have the courage to face me on the Life and Death Stage?"

"Do you truly want to face me on the Life and Death Stage?"

Wyatt Barnes looked deeply at Aya Willow, as if seeking further confirmation.

"Of course! It just depends on whether you have the guts to accept,"

Aya Willow revealed a look of disdain and contempt and sneered.

"I can agree to face you on the Life and Death Stage..."

Just when everyone thought Wyatt Barnes wouldn't agree, Wyatt Barnes spoke, catching everyone by surprise.

"Junior Brother Wyatt Barnes!"

Sonny Clark's face changed, "There's no need for you to deal with this Aya Willow. No matter how old you are or how old she is, even if you don't dare to accept her challenge of the Life and Death duel, it's not embarrassing!"

"Sonny Clark, Wyatt Barnes has accepted my challenge of the Life and Death duel, what does it have to do with you?"

Aya Willow was fuming after Sonny Clark stepped in once again.

"Oh? Do you have a problem with that?"

Sonny Clark coldly eyed Aya Willow, speaking with an eerie calmness, "If you have an issue, here's an idea...I offer you a chance to fight on the Life and Death Stage. If I can't kill you in a single confrontation, I'll perform seppuku. How does that sound?"

It was a gutsy statement from Sonny Clark that sent the Inner Sect disciples gathered there into a fervor of excitement.

Aya Willow's face darkened.

Aya was merely at the first level of the Original Infant Realm, while Sonny Clark was at the third...

When it came to power.

Sonny Clark was twice as powerful as him.

Killing him with one strike was a simple matter.

Of course, he could not agree to Sonny Clark's challenge of a duel on the Life and Death Stage.

"If you dare not accept the challenge, then shut your mouth!"

Seeing Aya Willow's face turn red, but still silent, Sonny Clark clearly understood his intentions and said with a look of disdain.

He glanced back at Wyatt Barnes and shook his head.

In his opinion.

Although Wyatt Barnes possesses a strong martial talent, superior to even his own.

The fact remained that Wyatt Barnes is still in his growing phase and might not be a match for Aya Willow.....

Therefore, he intended to restrain Wyatt Barnes' impulsiveness.

Impulsiveness can be the devil, sometimes even leading to one's own detriment.

All he wanted was to bring Wyatt back to his senses.

However, he was soon taken aback.

"Don't worry Brother Sonny Clark, I have confidence," said Wyatt Barnes, his words resonating through Sonny Clark.

"Were you able to reach the 'Original Infant Realm'?"

Sonny Clark's words permeated back, his tone mixed with surprise.

"No, I am at the ninth level of the Original Pill Realm."

Wyatt Barnes responded and without waiting for Sonny Clark to reply, he turned towards Aya Willow, and calmly said, "Aya Willow, I can accept your challenge of a duel on the Life and Death Stage...but you must agree to one condition of mine. If you're willing to accept, I can engage you on the Life and Death Stage immediately. If you're unwilling, then consider my acceptance of the duel null and void."

"What condition?"

Aya Willow, who previously didn't have the opportunity to kill Wyatt Barnes, brightened up upon hearing his words, the excitement making him feel invigorated.

At present, including Sonny Clark and Jaz Martinez among the crowd, all the Inner Sect Disciples had their eyes on Wyatt Barnes.

They were curious.

What condition does Wyatt Barnes want Aya Willow to agree to?

Under scrutiny from all the others, Wyatt Barnes's gaze fell on Jaz Martinez.

The color drained from Jaz' face, a sense of unease rising within him.

"If you want me to agree to fight you on the Life and Death Stage, that's not impossible. However, you will have to involve Jaz Martinez as well and face me together. I alone will fight both of you!"

At last, Wyatt Barnes has spoken.

His words slightly skewing the atmosphere at the scene...

Was Wyatt Barnes asking Jaz Martinez to join the fight on the Life and Death Stage as well?

Was he planning to battle against two opponents?

"Has Wyatt Barnes lost his mind? Does he really think he can kill Senior Brother Aya Willow and Jaz Martinez?"

"Crazy! He's crazy!"

....

Almost no Inner Sect Disciples had faith in Wyatt Barnes.

Although Wyatt Barnes had previously won against stronger opponents, creating miracles.

However, today, Wyatt Barnes is up against an Inner Sect Disciple at the first level of the Original Infant Realm.

Even though the difference between the ninth level of the 'Original Pill Realm' and the first level of the 'Original Infant Realm' is just one level, it is like comparing heaven and earth...

The disparity in power between the two is nearly twofold!

Sonny Clark was dumbfounded.

Aya Willow was startled too.

Hearing Wyatt Barnes proposing such a condition, Aya Willow secretly exhaled in relief. He quickly deciphered Wyatt Barnes's intention which was nothing more than having a fight to the death, and trying to kill Jaz Martinez under his watch.

"Maybe I could use Jaz Martinez as bait to lure him onto the Life and Death Stage... At that time, with my intervention, he will stand no chance to hurt Jaz Martinez!"

With this thought, Aya Willow came up with a great idea in his mind.

He simply did not believe Wyatt Barnes had the strength to defeat him!

He was simply a martial artist at the ninth level of the Original Pill Realm.

A moment ago, he was only testing Wyatt Barnes to see if he had progressed to the 'Original Infant Realm'. If Wyatt Barnes had reached the Original Infant Realm, although reluctant, he would have to give up the idea of opposing Wyatt Barnes.

Even to the point of deciding to leave the Seven Stars Sword Sect to avoid Wyatt Barnes's revenge...

It's imaginable that with his track record of defeating stronger adversaries, Wyatt Barnes would be able to kill him handily even if he has just broken through to the first level of Original Infant Realm.

Once he confirmed that Wyatt Barnes was a martial artist at the ninth level of the Original Pill Realm, he knew this was his chance to kill Wyatt Barnes.

This was indeed his last opportunity!

As long as he could stimulate Wyatt Barnes to fight him on the 'Life and Death Stage', he would have no worries after killing Wyatt Barnes.

Aya Willow's gaze shifted to Jaz Martinez.

Jaz Martinez's face changed drastically.

Chapter 362: The Number One Person Below the Original Infant Realm

"Brother Willow, don't listen to Wyatt Barnes, you should..."

Jaz Martinez's face underwent a drastic change, somewhat panic-stricken, as he realized that Aya Willow appeared to be firm in her decision to have him join her on the 'Life and Death Stage' to duel with Wyatt Barnes.

He knew his own limits.

He was no match for Wyatt Barnes!

If Wyatt Barnes wanted to kill him, one sword strike would suffice.

However, before Jaz Martinez could finish speaking, Aya Willow interrupted, "Jaz, rest assured, as long as Aya Willow is here, I guarantee that not a single hair on your head will be harmed!"

Aya Willow's words brimmed with immense confidence, the confidence of a martial artist of the Original Infant Realm.

"What, don't you trust me?"

Seeing that Jaz Martinez's face was still pale and he gave no response for a long time, Aya Willow seemed humiliated and her face involuntarily darkened.

"Brother Willow, I..."

Jaz Martinez looked bitter. He wanted to tell Aya Willow that since Wyatt Barnes was asking him to fight on the 'Life and Death Stage', he must be confident in his victory.

However, in the end, he didn't utter the words, because he saw the determination in Aya Willow's eyes.

He had known Aya Willow for a long time and was familiar with her character.

He knew that once Aya Willow made a decision, nobody could deter her, and there was no point in saying more.

"Rest assured. When I attacked Wyatt Barnes earlier, it was just to test his abilities, to see how far he'd advanced in the past year... Since he hasn't reached the Original Infant Realm, naturally, I have nothing to fear."

At that moment, Aya Willow's voice imbued with Origin Force entered Jaz Martinez's ears, settling his heart.

As it turned out, Brother Willow's earlier move was to probe Wyatt Barnes' skills...

Seeing Aya Willow so confident, Jaz Martinez was a little less worried.

Suddenly,

Jaz Martinez looked at Wyatt Barnes and said in a frosty voice, "Wyatt Barnes, I can accept your conditions! I will join Brother Willow and climb the 'Life and Death Stage' to fight you!"

Upon hearing Jaz Martinez's words, Wyatt Barnes seemed taken aback, and a hint of surprise showed on his face.

As if he couldn't believe that Jaz Martinez would agree to this condition.

However, his reaction, as seen by Aya Willow and Jaz Martinez, seemed to indicate his guilt, thus boosting their confidence.

"Jaz Martinez, who is as timid as... you dare to join me on the 'Life and Death Stage', that's quite unexpected."

Wyatt Barnes drew a deep breath and said solemnly.

"I hope you keep your word. Otherwise, Wyatt Barnes, you are destined to be known as a man without honor and will struggle to find a foothold within the Seven Stars Sword Clan."

Jaz Martinez sneered with a smug expression.

Seeing Wyatt Barnes behaving like this, he naturally thought that Wyatt Barnes had deliberately proposed the condition of allowing him to join the 'Life and Death Stage' battle, expecting him to back down out of fear.

At that moment, Wyatt Barnes could reject Brother Willow's challenge honorably.

At this moment, Jaz Martinez considered himself to be immensely clever.

"Hmph!"

Wyatt Barnes coldly scanned Jaz Martinez and muttered with his Origin Force resonating in Jaz Martinez's ears, "Jaz Martinez, even if I lose to Aya Willow, I will kill you before she can attack me! Then, I'll jump off the 'Life and Death Stage'. At that time, with Brother Sonny's protection, Aya Willow won't be able to kill me."

Upon hearing Wyatt Barnes's words, Jaz Martinez's expression flickered slightly, but he replied without missing a beat, "We'll see if you can kill me first or if Brother Willow can kill you first."

Then, Jaz Martinez relayed Wyatt Barnes's words to Aya Willow, causing her gaze to intensify.

"Jaz, rest assured. As long as I'm here, he won't be able to kill you."

Aya Willow's voice filled with Origin Force replied to Jaz Martinez, her tone brimming with confidence.

"I trust Brother Willow."

Jaz Martinez quickly responded.

Now, both Aya Willow and Jaz Martinez had no doubt about Wyatt Barnes's acceptance of their challenge on the 'Life and Death Stage'.

Wyatt Barnes, was not actually confident.

He just wanted to exploit the situation.

Feigning to battle them on the 'Life and Death Stage' was a bluff.

His true intention was to kill Jaz Martinez and then escape.

"Brother Wyatt Barnes, would you like to reconsider?"

Sonny Clark frowned, attempting to inhibit Wyatt Barnes further.

Sonny Clark's act caused Aya Willow's and Jaz Martinez's expressions to falter somewhat. At this moment, they genuinely worried that Sonny Clark would thwart their plan.

"Brother Sonny, in one's life, there are things one must do and things one mustn't. Since I, Wyatt Barnes, have made this promise, I will honor my words."

Wyatt Barnes shook his head, refusing Sonny Clark's kindness.

A gasp could be heard all around.

"Is Wyatt Barnes really going to fight Aya Willow and Jaz Martinez on the 'Life and Death Stage'?"

"He's gone mad!"

"A Ninth level Original Pill Realm wants to contend with a First level Original Infant Realm? He's dreaming!"

...

All the observing disciples from the Inner Sect of the Seven Stars Sword Clan were not in favor of Wyatt Barnes.

"Let's go, to the 'Life and Death Stage'!"

Aya Willow coldly glanced at Wyatt Barnes, called out to Jaz Martinez, and headed towards the other side of the peak.

The 'Life and Death Stage' of the Seven Stars Sword Clan's Primary Peak, Heavenly Pivot Peak, was located at the edge of this peak cliff, stood upright, and was filled with bloodstained bricks.

Whoosh! Whoosh!

Upon reaching the 'Life and Death Stage', both Aya Willow and Jaz Martinez moved swiftly, first to mount the stage.

At this time, Wyatt Barnes and Sonny Clark walked side by side, followed by a group of disciples from the Inner Sect, striding leisurely towards the 'Life and Death Stage' in a majestic procession.

"Brother Wyatt Barnes, are you really sure?"

Although Wyatt Barnes's Origin Force exuded a strong sense of confidence, Sonny Clark couldn't help but worry.

He had always been grateful for Wyatt Barnes.

It was Wyatt Barnes who helped his father break through to the 'Enter Void Realm'!

Such a favor was monumental!

Difficult to repay.

"Brother Sonny, it's not my first time on the Life and Death Stage of the Seven Stars Sword Clan. But those who have died on this stage have always been my opponents... Don't worry, I'll be fine."

Wyatt Barnes was as calm as a cloud, his composure unshaken even facing great adversity.

Sonny Clark nodded, refraining from saying anything more.

He chose to believe in Wyatt Barnes.

Looking at Wyatt Barnes's past deeds, Wyatt Barnes was not an impulsive man.

No one had favored his chances every time he ascended the Life and Death Stage. Yet to everyone's surprise, he had always managed to kill his opponents.

Wyatt Barnes had created too many miracles.

Regrettably, he had never been present to witness them...

But this time he finally had the opportunity.

He was really looking forward to it.

Soon, Wyatt Barnes arrived in front of the Life and Death Stage.

The area surrounding the stage was already packed with spectators.

Everyone on Heavenly Pivot Peak, whether they were inner sect disciples or elders, had gathered to watch the spectacle...

"What's happening?"

Some of the recently arrived inner sect disciples couldn't help but ask curiously.

Soon, with the explanations from the other disciples, they understood...

It turned out that Wyatt Barnes was going to fight both Aya Willow and Jaz Martinez on the Life and Death Stage.

He was taking on two opponents alone!

"Did Wyatt Barnes break through to the Original Infant Realm?"

This was their first thought after hearing the news, they couldn't help but exclaim in shock.

"No."

Some knowledgeable inner sect disciples shook their heads, "Wyatt Barnes hasn't broken through to the Original Infant Realm, he's just reached the ninth level of the Original Pill Realm... The reason he's willing to go to the Life and Death Stage is probably because of Jaz Martinez."

"That's right, his conflict with Brother Willow Aya essentially stems from Jaz Martinez, the main culprit. Perhaps, he's looking to seize this opportunity to kill Jaz Martinez!"

...

"Kill Jaz Martinez?"

"With Brother Willow Aya there, it would be very difficult for him to kill Jaz Martinez."

"Indeed, it would be very difficult."

...

No matter how the group of inner sect disciples debated, the agreement for the duel on the Life Stage and Death Stage was already set in stone and couldn't be changed.

On the Life and Death Stage, Aya Willow stood there, her disciple's robe billowing in the wind, her deportment elegant and dashing.

Jaz Martinez, however, stood behind Aya Willow, as if he could only feel safe hiding behind her.

"Wyatt Barnes!"

With a ruthless, blood-lusting gaze, Aya Willow focused on Wyatt Barnes.

Wyatt Barnes nodded at Sonny Clark, moved his shape into what seemed like a nimble serpent, and lightly landed on the Life and Death Stage to face off with Aya Willow.

"Jaz Martinez, do you intend to hide behind Aya Willow all the time?"

After stepping onto the Life and Death Stage, Wyatt Barnes did not look at Aya Willow; instead, he directed his gaze towards Jaz Martinez standing behind her, and asked gently.

Upon hearing Wyatt Barnes's words, Jaz Martinez's face fluctuated between white and green.

"Haha... This Jaz Martinez is truly a coward!"

"It's not strange. Although Jaz Martinez had recently broken through to the ninth level of the Original Pill Realm, he is still not a match for Wyatt Barnes, who a year ago had the strength to disable Nolan Williams, a fellow disciple's arm."

"That's right, a year ago, Wyatt Barnes was only at level eight of the Original Pill Realm, yet he was able to disable the arm of a disciple at the ninth level... Now that he has advanced to the ninth level of the Original Pill Realm, he can sweep across all the warriors in the realm without any hindrance. He could be considered the 'First person below the Original Infant Realm'!"

...

At the edge of Life and Death Stage, a group of inner disciples teased Jaz Martinez while lavishing high praise on Wyatt Barnes.

"It's a pity, though, that Wyatt Barnes is still too impulsive."

"Yes, indeed. If he had waited another two years, he might have surpassed Brother Willow Aya."

"He's too impatient."

...

Soon, some of the inner disciples couldn't help sighing in pity for Wyatt Barnes.

To their minds, even if Wyatt Barnes managed to kill Jaz Martinez today, his chances of survival were slim.

After all, besides Jaz Martinez, Wyatt Barnes had to face 'Aya Willow,' an inner sect disciple who was in the Original Infant Realm.

Seeing Wyatt Barnes ascending the Life and Death Stage, a cold smile crept across Aya Willow's face, "Wyatt Barnes, you've got guts. I didn't expect you to have the courage to climb the Life and Death Stage... Today, I, Aya Willow, will send you on your way!"

Wyatt Barnes casually glanced at Aya Willow, not paying him any further mind, instead focusing on Jaz Martinez standing behind Aya Willow.

To the onlookers, it seemed that Wyatt Barnes's target was not Aya Willow, but Jaz Martinez!

Feeling Wyatt Barnes's intense gaze, Jaz Martinez's face changed, and he felt a wave of pressure surge.

In front of Wyatt Barnes, also at the ninth level of the Original Pill Realm, he felt like all his cultivation was inconsequential.

"Jaz Martinez, on that day, out of respect for Elder Cain Wright, I was willing to bury the hatchet... It's a pity you didn't appreciate it. Today, I won't show any mercy."

Wyatt Barnes's eyes radiated an icy coldness, and his words were laced with bone-chilling frost.

Chapter 363: Aya Willow, Dead!

Everyone present could deeply feel the anger laced in Wyatt Barnes's words.

Jaz Martinez's face changed color as he quickly hid behind Aya Willow, fearing that Wyatt might strike him down.

"Hmph!"

With a cold snort, Wyatt moved, his body soaring into the air.

Dust filled the air where he passed.

Spirit Snake Technique!

Wyatt seemed to transform into a spirit snake, advancing towards Jaz's location, completely disregarding Aya in front of Jaz.

Whoosh!

In an instant, a slender sword materialized in Wyatt's hand.

As soon as the sword appeared, above Wyatt's head, the illusionary figures of 120 ancient giant elephants fluctuated, and an additional 45 illusions appeared...

The power of 165 ancient giant elephants!

"A Rank 6 spirit sword!"

Shocked exclamations echoed around the Life and Death Stage.

All were startled by the slender sword in Wyatt's hand...

This slender sword, the power it amplified was nearly 'forty percent'.

It was clearly a 'Rank 6 spirit sword'!

This Wyatt Barnes, he has a Rank 6 spirit sword?

"Where did Apprentice Brother Wyatt get a Rank 6 spirit sword?"

Sonny Clark was utterly stupefied.

This Rank 6 spirit sword was left behind by the decrepit old man who was killed by Brian Graham in the 'Eternity Tavern' of the Ancient Deserted City back then.

Brian Graham gave this sword, which he had taken as a trophy, to Wyatt, making it the most powerful weapon Wyatt currently possessed.

"Brother Willow, save me!"

Despite hiding behind Aya, Jaz did not feel safe at all. Now that he saw Wyatt draw his Rank 6 spirit sword and unleash the power of 165 ancient giant elephants, terror consumed him.

He could not muster the will to resist.

Sword Drawing Technique!

Wyatt had a cold look in his eyes. His body moved like a spirit snake, bypassing Aya. His sword struck out like lightning, aiming straight for Jaz's throat.

He intended to kill Jaz with a single stroke!

"Seeking for death!"

At first, Aya was drawn by the Rank 6 spirit sword in Wyatt's hand. Now she reacted, and her Rank 7 spirit sword appeared, transformed into a painful sword radiance, heading towards Wyatt's slender sword.

She wanted to knock Wyatt's sword away and save Jaz.

Peaky Cloud Sword Technique!

The sword light in Aya's hand was extremely fast, and as it swooped out, it seemed to carry the force of splitting mountains and rocks.

At the same time, above Aya's head in the void, the illusionary figures of more than 250 ancient giant elephants solidified and came to life.

The force of Aya's sword was more powerful than Wyatt's by the force of nearly ninety ancient giant elephants!

Shh!

With a single stroke, it was like a towering mountain piercing through the clouds and crashing down, reflecting the mystery of the 'Peaky Cloud Sword Technique'.

Even though Wyatt seemed to ignore Aya when pursuing Jaz, he was entirely focused on Aya.

Thus, when Aya moved, he was the first to notice.

When he noticed her Rank 7 spirit sword aiming at his sword, a cold smirk surfaced on Wyatt's lips, filled with the hint of a successful plot.

Just as everyone's gaze around the Life and Death Stage slightly solidified and landed on Wyatt, wanting to see if he could resolve Aya's sword attack.

"Bring it on!"

Wyatt suddenly let out a shout.

The next moment, everyone saw Wyatt's figure advancing towards Jaz, tremble suddenly, like a nimble spirit snake, twisting into a curve, meeting Aya's onslaught.

Coldness rose at the corners of Wyatt's lips.

Sword Drawing Technique!

The Rank 6 spirit sword abruptly turned, transforming into even faster lightning, seemingly waiting for this moment all along.

"Not good!"

Aya was brimming with confidence initially. However, when seeing Wyatt abruptly turn around with his sword heading straight towards her, an ominous premonition filled her heart.

Wyatt dared to do this because of two possibilities.

The first, Wyatt was confident.

Or second, Wyatt was courting death.

Obviously, Wyatt didn't seem like someone courting death...

However, in the current urgent situation, even if Aya felt uneasy and realized that things had taken a turn, she had no choice but to go ahead.

Peaky Cloud Sword Technique!

A sword as heavy as a mountain met Wyatt's sword, which was like a specter...

The power of over 250 ancient giant elephants burst forth!

"Die!"

Aya's eyes were filled with cruelty as she slashed her sword down harshly. She did not believe that Wyatt's method of using the weaker to defeat the stronger could bridge the gap between more than ninety ancient giant elephants' force.

Wyatt's face remained calm, his mind stirring.

Trembling Power!

In a split second, the Origin Force on Wyatt's Rank 6 spirit sword ran wild, and started to tremble. The frequency of the trembling got faster and faster!

He met Aya's sword, as heavy as a towering mountain.

Clang!

In an instant, Wyatt's sword and Aya's sword collided.

At this moment, time seemed to freeze completely.

Around the Life and Death Stage, a bunch of Inner Sect disciples and elders widened their eyes, holding their breaths, staring at the scene.

The power of Wyatt Barnes's sword was equivalent to the strength of a hundred and sixty-five ancient elephants.

The power of Aya Willow's sword was equivalent to the strength of over two hundred and fifty ancient elephants.

Such an unquestionable gap in power, if it were on any ordinary day, they would believe that Aya Willow could easily win...

But today, the person Aya Willow faced was Wyatt Barnes, the legendary disciple of the Seven Stars Sword Clan.

A legendary disciple who had once defeated the strong while being the weak, killing many who were even stronger than himself.

They were curious in their hearts.

Today, would Aya Willow suppress Wyatt Barnes with her powerful strength, or even kill him... Or would Wyatt Barnes create a miracle again, turning the tables and killing Aya Willow with his comparative weakness!

Everyone watched this scene without blinking.

They knew that the result will be out soon.

Of course, more than ninety percent of them did not believe that Wyatt Barnes could create another miracle...

After all, the gap was enormous.

A difference of more than ninety ancient elephant strength, this was almost an impossible gap to bridge.

Clang!

No matter what the crowd around the Life and Death Stage was thinking, the sixth-grade spirit sword in Wyatt Barnes' hand eventually collided with the seventh-grade spirit sword in Aya Willow's hand.

Two dreadful powers clashed fiercely almost instantly.

The Origin Force vibrated, a strong aura spread out, turning into a gust of wind, sweeping across the Life and Death Stage, filling the stage with dust.

Hum! Hum! Hum! Hum! Hum!

...

The Origin Force on Wyatt Barnes's sixth-grade spirit sword trembled, reaching its peak.

The Trembling Power reached its limit!

Breaking out fiercely.

Suddenly.

"Ah!"

A piercing scream echoed through the sky, followed by the sound of metal falling.

Before the crowd around the Life and Death Stage could react, everyone clearly saw Wyatt Barnes shake and instantly rush towards the retreating Aya Willow.

Whoosh!

The sword, trembling with Origin Force, tore through Aya Willow's chest, blood gushing out like a cluster of dazzling red roses.

Wyatt Barnes drew back his sword, and Aya Willow wobbled for a moment. She fell to the ground, her eyes wide open in death.

Aya Willow was dead!

Standing next to Aya Willow's body, Wyatt Barnes stood as firm as a mountain, seemingly turned into an invincible God of War.

Rustle!

After a silence outside the Life and Death Stage, the entire place erupted.

"Senior Sister Willow is dead?"

"My God! Her sword power was equivalent to over two hundred and fifty ancient elephant strength, but she was crushed by Wyatt Barnes?"

"Wyatt Barnes's sword only had the power of a hundred and sixty-five ancient elephants, right? Despite the gap of over ninety ancient elephant strength, he still managed to win with his weakness!"

"Freak! This is insane!"

...

A group of Inner Sect disciples was shocked.

Even the Inner Sect elders, their gaze towards Wyatt Barnes, was filled with more shock.

Although, they had heard of Wyatt Barnes's deeds in the past, but hearing about them and witnessing them are two different things.

"A gap of ninety ancient elephant strength?"

Hearing the shocked voices of the Inner Sect disciples, a faint smile appeared on the corner of Wyatt Barnes's mouth.

Ever since he had perfected the third transformation of the 'Nine Dragons War Sovereign' technique, the 'Flood Python Transformation', his 'Trembling Power' had reached its limit.

The range of the impact was within the force of a hundred ancient elephants.

In other words, as long as the strength of Wyatt Barnes's opponents did not exceed his by over a hundred ancient elephants, his 'Trembling Power' could take effect.

Aya Willow's full power was indeed very strong, equivalent to the strength of over two hundred and fifty ancient elephants.

However, she still failed to widen the strength gap with Wyatt Barnes by over a hundred ancient elephants...

So when Wyatt Barnes's 'Trembling Power' activated, she was still killed!

Moreover, even if Wyatt Barnes only used a hundred and sixty-five ancient elephant strength using his sixth-grade spirit sword, that was him holding back.

You must know, the basic power Wyatt Barnes could currently exert was not the typical strength of a hundred and twenty ancient elephants possessed by a martial artist in the Ninth Stage of the Original Pill Realm.

But the strength of a hundred and thirty-one ancient elephants!

From the beginning to the end, when he attacked Aya Willow, he still had the strength of eleven ancient elephants held back.

This eleven ancient elephant strength, if amplified by the sixth-grade spirit sword, would be equivalent to the strength of fifteen ancient elephants...

Wyatt Barnes had held back the power of a full fifteen ancient elephants!

But even so, Aya Willow was still killed by him.

A clean and neat sword strike, directly killing Aya Willow!

By killing Aya Willow, Wyatt Barnes's inner conflict was completely resolved.

He used his own strength to make Aya Willow pay for what she had done in the past, with her life...

Whoosh!

Suddenly, Wyatt Barnes heard a gust of wind in his ear.

When he looked, he found that Jaz Martinez, who had been stunned earlier, had regained his senses and was attempting to escape down off the Life and Death Stage.

"Trying to escape?"

A cold smile appeared at the corner of Wyatt Barnes's mouth. He moved swiftly, like the wind.

The Origin Force trembled slightly beneath his feet, and the frequency of trembling became quicker and quicker!

With his foot on the 'Trembling Power', Wyatt Barnes was much faster than usual. In the blink of an eye, he caught up with Jaz Martinez and blocked his way.

Seeing Wyatt Barnes appear in front of him, Jaz Martinez stopped instantly. His face turned pale, "Wyatt Barnes, please let me go! I swear I won't oppose you again... I won't dare to do it again!"

Chapter 364: Woody Dunn's Background

Facing Jaz Martinez's plea for mercy, Wyatt Barnes's gaze was incredibly calm, "Jaz Martinez, I've told you before, I gave you a chance, but you didn't cherish it... If that's the case, then you can go join Aya Willow."

"No!"

Realizing that Wyatt Barnes would not let him go, Jaz Martinez showed a hideous expression, roared, and the Origin Force beneath his feet surged. He rushed to the other side, intending to flee.

"Stubborn fool!"

Wyatt's face remained calm as he once again stepped on the 'Trembling Power'. His speed was extremely fast, even faster than the average first level Original Infant Realm martial artist.

In the blink of an eye, he caught up with Jaz Martinez.

Wyatt's gaze turned slightly cold, his hand holding the narrow sword trembled slightly.

Sword Drawing Technique!

A swift stroke of the sword as fast as lightning, easily slit Martinez's throat, spurting blood all over the sky.

Whoosh!

Jaz Martinez's body, which was rushing forward, paused in mid-air, and then was carried forward by inertia, thrown out heavily, and after falling to the ground, he skidded a long bloodstain.

Dead!

Silence.

The scene was eerily quiet.

All eyes, involuntarily, landed on the young man on the Life and Death Stage.

This young man had once again created a miracle.

With a cultivation at the peak of the Original Pill Realm, he had managed to kill a first-level Original Infant Realm martial artist and a ninth-level Original Pill Realm martial artist in face-to-face combat...

This was simply unbelievable!

Wyatt spent some time searching the bodies of Aya Willow and Jaz Martinez, took their Storage Rings and spirit weapons, and then finally, with a satisfied face, came down from the Life and Death Stage, landing next to Sonny Clark.

At this moment, Sonny Clark came to his senses. Looking at Wyatt in front of him, his face was full of wry smiles, "Junior Brother Wyatt, you really are a dark horse!"

Wyatt laughed, "Senior Brother Sonny, is the Peak Master in Sunrise Hall? I'd like to go there for a cup of tea."

"Let's go."

Sonny Clark nodded and smiled, calling out to Wyatt, and left the Life and Death Stage.

Wherever they passed, a group of Inner Sect disciples respectfully gave way...

Until Wyatt's figure disappeared from sight, the quiet surrounding of the Life and Death Stage gradually became lively again, with most people's eyes falling on the two corpses on the stage.

"Aya Willow and Jaz Martinez are really unlucky, stirring up that killing star... As far as I know, there aren't many sect disciples who have provoked that killing star and survived."

"I can't believe that after Wyatt entered the ninth level of the Original Pill Realm, he can even kill a martial artist of the first level of the Original Infant Realm!"

"Yeah, it's hard to believe indeed! What's more surprising is that he actually possesses a rank six spirit sword. You know, even our Seven Stars Sword Clan doesn't have many rank six spirit weapons and those few are all held by the various Peak Masters and Elders."

"In the past, Wyatt was just making a name for himself in the Outer Sect ... After today, he is destined to become famous in the Inner Sect!"

...

All Inner Sect disciples were full of admiration for Wyatt's strength.

On the way to Sunrise Hall.

Sonny Clark asked Wyatt, "Junior Brother Wyatt, when did you return?"

Wyatt smiled, "I just got back."

"Just got back?"

Sonny Clark couldn't help but be surprised at his words, "So, you went to find Aya Willow the moment you got back?"

Wyatt nodded.

"It seems that you really couldn't wait... However, your progress was quite shocking! A year ago, you had no power to counter Aya Willow... but a year later, you killed him with one move on the Life and Death Stage!"

Towards the latter part, Sonny Clark, a third-level Original Infant Realm martial artist, couldn't help but feel a bit of trepidation.

Wyatt's methods were indeed too strange!

They were difficult to fathom.

Wyatt laughed, "It's okay, I barely made a little progress."

Barely? A little progress?

Hearing his words, Sonny Clark's mouth twitched. This Junior Brother Wyatt really never ceases to astound.

Not long after, Wyatt and Sonny Clark arrived together at Sunrise Hall.

Above the Sunrise Hall.

"Peak Master."

Wyatt greeted Colin Clark, the Sunrise Peak's Peak Master, with a smile. Among the high-ranking members of the Seven Stars Sword Clan, only Colin Clark had the closest relationship with Wyatt.

"Kid, when did you return?"

Colin Clark was heartily smiling.

"I just returned today and wanted to ask you for a cup of tea."

Wyatt flashed a grin.

Colin Clark raised his eyebrows, began to fuss over the tea set, while curiously asking: "Where have you been for the past year?"

"The Ancient City of Sky Wilderness!"

Wyatt didn't hide it and answered directly.

"The Ancient City of Sky Wilderness?"

Colin Clark was surprised, "You actually went to such a far and chaotic place... Kid, you are really brave, to even dare to go there."

Colin Clark didn't know that during Wyatt's trip, he was under the protection of a Peep Naught Realm seventh-level martial artist and was protected by an Enter Void Realm power on his way back.

If he knew, he would not have been so surprised.

"In more than a year, your cultivation has improved again, hasn't it?"

Colin Clark pours a cup of tea for Wyatt Barnes, giving him a deep look before asking a question.

Wyatt Barnes has yet to speak.

"Father, Brother Wyatt is now a martial artist at the ninth level of the Original Pill Realm...What's more, as soon as he came back today, he got on the 'Life and Death Stage' and killed Aya Willow!"

At this time, Sonny Clark also entered the room, sat next to Wyatt Barnes, and said with a smile.

Colin Clark was slightly surprised at hearing Sonny's words.

Colin Clark looked at Wyatt Barnes with astonishment, "You, with your attainment at the ninth level of the Original Pill Realm, can kill a martial artist at the first level of the Original Infant Realm?"

Wyatt Barnes smiled, "Just got lucky."

Lucky?

Colin Clark, as the Peak Master of Sunrise Peak of Seven Stars Sword Clan, naturally knew this couldn't just be due to luck, "Wyatt Barnes, you're too modest...Even though I knew about your ability to win despite being weaker, I never expected that you could even kill a martial artist at the first level of the Original Infant Realm!"

A martial artist at the ninth level of the Original Pill Realm, killing a martial artist at the first level of the Original Infant Realm.

If it were in the past, he would never have believed it.

But now, all of this has happened to Wyatt Barnes; he's not surprised at all. He had already experienced Wyatt's mystique.

Wyatt Barnes smiled slightly, picked up his teacup, and sipped the fragrant tea.

After a while, Colin Clark looked at Wyatt Barnes and slowly said: "Wyatt Barnes, what exactly is the conflict between you and Woody Dunn?"

Woody Dunn!

Wyatt Barnes raised his eyebrow, asked in a deep voice: "Peak Master, when I left a year ago, did Woody Dunn really follow me?"

Colin Clark nodded, "He did. However, at the critical moment, I stopped him, in the end, he had to return to the Seven Stars Sword Clan obediently...Judging by his attitude at the time, it seemed like he wouldn't stop until he killed you."

Cold light flickered in Wyatt Barnes' eyes.

Woody Dunn!

Still as obstinate as ever!

Colin Clark continued: "Wyatt Barnes, if there are some unspeakable difficulties between you and Woody Dunn, you don't have to say. However, I still want to remind you, that Woody Dunn is not easy to provoke."

At this point, there was clearly a sense of dread in Colin's words.

"Isn't he just an Outer Sect Elder of Heavenly Authority Peak?"

Wyatt Barnes frowned, a little puzzled.

"It is not that simple."

Colin Clark shook his head, "Do you think an Outer Sect Elder of Heavenly Authority Peak has the ability to turn the martial competition that I hosted into a 'Life and Death Struggle'?"

Wyatt Barnes was taken aback, "The last minute change of the Outer Sect martial match to a 'Life and Death Struggle' is related to Woody Dunn?"

Colin Clark nodded.

"Does he have such a great ability?"

Wyatt Barnes's brows furrowed. He thought back to the Outer Sect martial match and remembered that Woody Dunn was indeed there at the time.

Woody Dunn came with Ronin Stone.

He only left when Ronin Stone was killed...

"It seems that at that time, Woody Dunn should have colluded with Ronin Stone to reach some sort of agreement against me."

Soon, Wyatt Barnes guessed many things.

Some of the past doubts were completely untied.

Colin Clark shook his head, "If Woody Dunn was just an Outer Sect Elder, naturally, he wouldn't have this much capability...But the existence behind him is not simple."

Wyatt Barnes noticed that when Colin Clark mentioned this, his expression turned grave.

"Could it be the Sect Leader behind him?"

Wyatt Barnes took a deep breath and asked.

In the Seven Stars Sword Clan, there are not many people that could make Colin Clark dread.

"It's not the Sect Leader."

Colin Clark shook his head, while Wyatt Barnes exhaled in relief, only to have Colin continue: "But that existence isn't greatly different from the Sect Leader."

Wyatt Barnes's emotions that had previously settled down started stirring again, he smiled wryly: "Peak Master, you don't have to keep me in suspense, just say it."

"I'm not keeping you in suspense, I just want you to understand the existence behind Woody Dunn."

As Colin Clark spoke, he looked deeply at Wyatt Barnes, "I wonder if you have ever heard of the two 'Protector Elders' of our Seven Stars Sword Clan?"

Protector Elder?

In an instant, Wyatt Barnes's eyes narrowed, his face tensed up, "Peak Master, are you telling me that Woody Dunn is related to the Protector Elder?"

The Seven Stars Sword Clan's two Protector Elders, Wyatt Barnes had heard of them from Cain Wright.

Although he didn't know much about the Protector Elders, he did know that each of them occupied one of the nine Spiritual Caves of the Seven Stars Sword Clan.

That's not all, the position of Protector Elders in the Seven Stars Sword Clan is special. To some extent, they are at the same level as the Sect Leader.

Moreover, due to their seniority, even the Sect Leader of Seven Stars Sword Clan has to call them 'Teacher Uncle' when he sees them.

"Exactly."

Colin Clark nodded, "Woody Dunn is the grandson of Elder Mattias, one of the two Protector Elders of our Seven Stars Sword Clan! Elder Mattias lost his son early, so he spoils his only grandson."

"Just like the sudden rule change in the previous Outer Sect martial match, it was Woody Dunn who went to find Elder Mattias...Of course, he didn't tell Elder Mattias that he wanted to target you, but said he hoped the Outer Sect martial match could encourage the Outer Sect disciples to tap into their potential and will to survive."

Encourage the Outer Sect disciples to tap into their potential and will to survive?

Hearing Woody Dunn's excuse, a cold smile appeared at the corner of Wyatt Barnes's mouth.

That Woody Dunn sure knows how to put on a good act.

"I didn't think that Woody Dunn had such a background... I thought he was just an ordinary Outer Sect Elder."

Wyatt Barnes's heart became heavy slightly.

Chapter 365: The Fourth Variation 'Wind Flood Dragon Variation

After bidding adieu to Colin Clark and his son, Sonny Clark, Wyatt Barnes left the Sunrise Hall.

His mood was somewhat heavy.

Woody Dunn's background filled him with apprehension.

But quickly, as if he thought of something, he heaved a sigh of relief, "Why am I overthinking? As long as that Woody Dunn doesn't seek trouble with me, it's fine. But if he dares to stir up a mess, I, Wyatt Barnes, am not one to be trifled with!"

A trace of coldness flashed in Wyatt Barnes's eyes.

Presently, his spiritual power had been raised to the threshold between the Original Infant Realm and the Peep Naught Realm. He was but one step away from ascending to the Peep Naught Realm level!

Once his spiritual power broke through to the Peep Naught Realm, he could inscribe even more powerful inscriptions.

Inscriptions powerful enough to deal with the martial artists of the Peep Naught Realm!

Having come to terms with this, Wyatt Barnes felt a wave of relief and started heading towards the 'Heavenly Authority Peak'.

Today, he had killed Aya Willow and Jaz Martinez, putting one of his concerns to rest.

Today, when Aya Willow had tried to ambush him, he had guessed her intention and realized that Aya Willow was testing him.

After Aya Willow had tested him, he noticed the murderous intent in her eyes.

He knew clearly that Aya Willow had developed the intention to kill him!

In this way, Wyatt Barnes took advantage of the situation and not only trapped Aya Willow on the Life and Death Stage, but also dragged the instigator Jaz Martinez onto the Life and Death Stage with her.

When Aya Willow and Jaz Martinez stepped onto the Life and Death Stage, their fate was sealed.

For two people who intended to kill him, Wyatt Barnes naturally showed no mercy. He killed them both, thoroughly uprooting them.

"Heavenly Authority Peak, I, Wyatt Barnes, am back."

Wyatt Barnes set foot on the suspension bridge leading to the Heavenly Authority Peak, shifting his gaze to the Heavenly Authority Peak which was shooting right up to the sky and hiding in the clouds.

Through the suspension bridge, Wyatt Barnes stepped onto the high platform of the Heavenly Authority Peak.

"Brother Wyatt Barnes!"

"Brother Wyatt Barnes!"

...

Wherever he passed, the disciples of the Heavenly Authority Peak respectfully saluted Wyatt Barnes.

Wyatt Barnes returned each salute with a smile and walked into the Heavenly Authority Peak.

Looking at Wyatt Barnes' back, a group of Heavenly Authority Peak disciples couldn't help but sigh, "We haven't seen Brother Wyatt Barnes for more than a year, and it seems his cultivation has improved even further."

"You could tell?"

"Heh heh, I'm just guessing."

"Actually, it's not difficult to guess. Given Brother Wyatt Barnes's talent in martial arts, a year later, even if he hasn't broken through to the 'Original Infant Realm', he must have already broken through to the 'Ninth Level of Original Pill Realm'."

"You're right."

...

Just as the group of Heavenly Authority Peak disciples were engrossed in their discussion.

"Big news, big news!"

A thunderous voice, imbued with Origin Force, spread around the entire area surrounding the Heavenly Authority Peak's trading hall.

Suddenly, everyone turned their gazes towards the source of the sound.

A disciple of Heavenly Authority Peak, with an excited look on his face, was stepping off the suspension bridge and onto the Heavenly Authority Peak.

"Just today, not long ago, Brother Wyatt Barnes, at the Life and Death stage of Heavenly Pivot Peak, killed the Inner Sect disciple 'Jaz Martinez' of the Ninth Level of Original Pill Realm and the Inner Sect disciple 'Aya Willow' of the First Level of Original Infant Realm, with his Ninth Level Original Infant Realm Cultivation!"

The Heavenly Authority Peak disciple successfully attracted everyone's attention and then dropped the bombshell.

In an instant, the area around the trading hall fell silent.

Wyatt Barnes killing Jaz Martinez of the Ninth Level of the Original Pill Realm was not a surprise to them.

But Aya Willow...

"What?! Brother Wyatt Barnes killed Aya Willow?"

"I had heard earlier that a year ago, Aya Willow had ambushed Brother Wyatt Barnes twice, severely injuring and knocking him unconscious ... But who would have thought, a year later, Brother Wyatt Barnes took his revenge with formidable power, and directly killed her!"

"Brother Wyatt Barnes is too strong."

"Even if a year has passed, Brother Wyatt Barnes should be at most 21 years old, right? At 21, killing a cultivator of the Original Infant Realm... Not to mention the Green Forest Royal Country, but even the Black Stone Emperor Nation hasn't seen such a monster, right?"

...

For a while, Wyatt Barnes' fame in the Heavenly Authority Peak was like the sun at noon.

Now, some disciples of the Heavenly Authority Peak might not know the name of their Peak Master 'Wade Williams'.

But everyone knew the name of Wyatt Barnes!

Now, with his spiritual power about to breakthrough to the rim of the Peep Naught Realm, Wyatt Barnes could easily detect the aura of martial artists from the Peep Naught Realm.

Even if there are martial artists from the Peep Naught Realm tracking him, he can discover them.

Therefore, he does not need to be as cautious as he had been in the past when returning to the 'Giovanni Dripping Cave' at the top of the Heavenly Authority Peak.

Extending his spiritual power and finding no one tracking him, Wyatt Barnes returned to the Giovanni Dripping Cave.

Inside the Giovanni Dripping Cave, two more droplets of Thousand-Year Giovanni Lactation were in the pool...

"Two droplets a year... Acquiring another bottle is far from easy."

Wyatt Barnes shook the pill medicine bottle in his hand, and smiled with a shake of his head.

Before long, Wyatt Barnes sat on the stone platform and slowly closed his eyes.

He did not cultivate.

Now, the third transformation of the 'Nine Dragons War Sovereign' technique, the 'Flood Python Transformation' had already been perfected by his cultivation.

If he wanted to continue his cultivation, he had to first familiarize himself with the records regarding the fourth transformation of the 'Nine Dragons War Sovereign' in the memories of the previous life Emperor of Martial Arts.

The fourth transformation of the Nine Dragons War Sovereign is the 'Wind Flood Dragon Variation'!

Now, Wyatt Barnes is seriously comprehending the Heart Method of the 'Wind Flood Dragon Variation'...

Wind Flood Dragon Variation comes with a high-level-earth technique.

'Wind Rolls the Remaining Clouds'.

"This..."

When Wyatt Barnes fully understood the fourth transformation of the Nine Dragons War Sovereign, the 'Wind Flood Dragon Variation', he couldn't help but freeze.

According to the memory of the Reincarnated Martial Emperor, once he starts practicing the 'Wind Flood Dragon Variation', he can begin to cultivate the high-level-earth technique 'Wind Rolls the Remaining Clouds'.

Even more so, he can comprehend the 'Momentum' through 'Wind Rolls the Remaining Clouds'!

"The 'momentum', generally speaking, can only be initially touched upon by those who have survived more than six Thunder Tribulations and have reached the Peep Naught Realm. Only by understanding the 'momentum', can one bring out its power with a high-grade martial technique, just like moving one's own arm! Generally speaking, only warriors in the Peep Naught Realm can cultivate high-grade martial techniques."

These are the memories of the Reincarnated Martial Emperor, flashing through Wyatt Barnes' mind.

However...

According to the memory of the Reincarnated Martial Emperor, if one practices according to the fourth transformation he created of the Nine Dragons War Sovereign, the 'Wind Flood Dragon Variation'.

One can practice its accompanying high-level-earth technique 'Wind Rolls the Remaining Clouds' in advance, and understand the 'Momentum Wind' through it.

Momentum Wind belongs to the 'Power of Nature'.

It also falls into the categories of 'Initial Understanding of the Momentum', 'Half-step into the Subtle Momentum', and 'Entering the Subtle Momentum'!

Once the Subtle Wind Momentum is understood, the next step is to comprehend the 'Natural Intent of Wind'!

Just like the 'Natural Intent of Earth' that Brian Graham comprehended, the Natural Intent of Wind is also part of Natural Intent.

"I didn't expect, really didn't expect..."

After being stunned for a moment, a smile emerged on Wyatt Barnes' face, "The Nine Dragons War Sovereign, worthy of being the top-ranking method invented by the Reincarnated Martial Emperor, who has experienced two lifetimes! It allows people to comprehend the 'momentum' at the Original Infant Realm, and it's simply unbelievable."

Comprehending the 'momentum' at the Original Infant Realm – Wyatt Barnes knew very well what it meant.

For example, if he could comprehend the 'Momentum Wind' at the first level of the Original Infant Realm, once he exhibited the 'Initial Understanding of the Momentum Wind', it would be comparable to the strength of two hundred ancient giant elephants!

If he could comprehend half-step into the Subtle Momentum Wind, his strength would be comparable to that of five hundred ancient giant elephants!

If he could comprehend entering the Subtle Momentum Wind, his strength would be comparable to that of two thousand ancient giant elephants...

The strength of two thousand ancient giant elephants.

What kind of concept is that?

You must understand, even warriors at the ninth level of the Original Infant Realm, could only muster the strength equivalent to twelve hundred ancient giant elephants if they are not boosted by magical artifacts.

"If I can comprehend 'Entering the Subtle Momentum Wind' at the first level of the Original Infant Realm... under the Void Realm, no one would be my match!"

A shudder ran through Wyatt Barnes' heart, silently.

Of course, he knew that all of this was just his fantasy.

The comprehension of the 'momentum' is a very long process.

Aside from needing a high level of comprehension ability, one must also possess great perseverance, as well as unwavering effort.

"Initially, the greatest characteristic of the 'Spirit Snake Transformation', the first transformation of the Nine Dragons War Sovereign, was that it trained my body's flexibility."

"The second transformation, 'Flood Python Transformation', its greatest characteristic was refining my physical body, giving me the power of a mad python!"

"The third transformation, 'Flood Python Variation', its greatest characteristic, was endowing me with 'Trembling Power', blending it into the Origin Force, allowing the weak to overcome the strong!"

Wyatt Barnes reminisced his cultivation journey, pondering slightly.

"Now, the greatest characteristic of the fourth transformation of the Nine Dragons War Sovereign, the 'Wind Flood Dragon Variation', is letting me cultivate 'Wind Rolls the Remaining Clouds', comprehend the 'Momentum Wind', and possess a speed like that of a 'Wind Flood Dragon'."

Wyatt Barnes's mind surged with emotions, unable to calm for a long time.

Wind Flood Dragon Variation, had shocked him greatly.

"An Original Infant Realm warrior comprehending the 'Momentum Wind'... how exciting."

Wyatt Barnes slowly calmed his agitated emotions, and after quieting his heart, began to cultivate.

Nine Dragons War Sovereign, the Wind Flood Dragon Variation!

While Wyatt Barnes was quietly cultivating, he was unaware that his action of killing an Inner Sect disciple, Aya Willow, who was at the first level of the Original Infant Realm, had almost spread throughout the entire Seven Stars Sword Clan.

Heavenly Pivot Peak, Heavenly Rotary Palace.

"That Wyatt Barnes, indeed has remarkable talent, within a year, he has avenged his grudge from a year ago by killing Aya Willow."

A middle-aged man in a blue outfit turned to look at a young man dressed in white and said, "Kade Cruz, I know you and he don't get along... however, in the future, don't provoke this Wyatt Barnes anymore."

"Master, are you saying he killed Aya Willow?"

Kade Cruz's face changed, disbelief clear on his face.

He, of course, knew who Aya Willow was.

She was a very famous disciple among the Inner Sect of the Seven Stars Sword Clan, her cultivation level had stepped into the Original Infant Realm...

She could be considered one of the leading figures among the disciples under thirty in the Inner Sect of the Seven Stars Sword Clan.

But now, she was killed by Wyatt Barnes who he hated to the bone?

He didn't want to believe it.

"Yes."

The man in blue, who was also the Peak Master of the Heavenly Rotary Peak, nodded, "This Wyatt Barnes possesses a unique talent. I'm afraid it won't take long before the Sect Leader will accept him as his personal disciple... remember, don't provoke him again."

"Sect Leader?"

Kade Cruz's face changed, his eyes filled with unwillingness.

But he knew that he had no other choice at this point.

He simply could not afford to provoke Wyatt Barnes.

Perhaps Wyatt Barnes did not have much backing now, but in the future, his backer might even be the Sect Leader of the Seven Stars Sword Clan.

Chapter 366: One Hundred and Twenty Million Gold!

"Did you hear what I said?"

Seeing that Kade Cruz had no reaction for a while, the tone of the Peak Master of Heavenly Authority Peak became more solemn.

"Yes, Master."

Although Kade Cruz was unwilling, he had no choice but to agree, secretly vowing in his heart, "Wyatt Barnes, since my Master forbids me to lay a hand on you, I will spare your dog life!"

The current Kade Cruz seemed to have completely forgotten...

He has never been a match for Wyatt Barnes.

He wasn't in the past, and he isn't now.

Shimmering Light Palace.

Destination for cultivation of the Master of Shimmering Light Peak.

"Keer."

A graceful and elegant figure rose into the sky, landing in the pavilion. He looked at a young girl leaning against the side of the pavilion, gazing blankly at the horizon, and gently called out.

His voice was filled with indulgence.

"Master."

The girl came back to her senses, looked at the beautiful woman suddenly appearing in the pavilion, and respectfully bowed.

"Keer, Wyatt Barnes, the one you can't forget, has returned."

The beautiful woman said with a smile.

"Master, are you saying that Young Master Wyatt has returned?"

Upon hearing the beautiful woman's words, the girl's body slightly trembled, her beautiful autumn eyes brightened, and an extremely surprised joy emerged on her faces that could topple nations and cities.

This girl is 'Keer'.

Ever since she came back three months ago and found out that Wyatt Barnes and Jovie Lee had left Seven Stars Sword Clan, she had been waiting for Wyatt Barnes to return.

She hadn't seen the man she was constantly thinking about for almost two years, and she missed him very much.

As for the beautiful woman standing in front of Keer, her identity is obvious.

The Master of Shimmering Light Peak!

She is also one of the several Vice Sect Leaders of the Seven Stars Sword Clan.

"That Wyatt Barnes is really incredible. He just returned today and climbed up to the Life and Death Stage, killing an Inner Sect disciple of the First Level of the Original Infant Realm."

The Master of the Shimmering Light Peak sighed, her eyes showing a touch of astonishment. "It's hard to believe that he is the same age as you."

The martial arts talent of her direct disciple had already shocked her.

Only twenty-one years old, yet already at the Level Eight of the Original Pill Realm.

In the history of the Seven Stars Sword Clan, there had hardly been such a demon.

But now, that Wyatt Barnes, the man in the heart of her direct disciple, is also just twenty-one years old and already a martial artist of the ninth level of the Original Pill Realm.

What's even more shocking is that he has the ability to kill an inner disciple of the First Level of the Original Infant Realm!

Such a record is simply astonishing.

"Master, Wyatt is unharmed, right?"

Keer doesn't care about who Wyatt Barnes killed, what she cares most about is whether anything has happened to Wyatt Barnes.

Realizing Keer's worries and eagerness, the Master of Shimmering Light Peak shook her head, "Don't worry, he is unscathed. It's said that the disciple at the First Level of the Original Infant Realm was killed by him in a single confrontation! It's simply incredible."

Towards the end, the Master of Shimmering Light Peak looked at Keer, asking, "Keer, do you know how he managed to win against the odds?"

Keer shook her head, a look of admiration appeared on her stunning face, "Young Master Wyatt has always been amazing. No matter how hard I try, I can't catch up with him."

Keer's words were not filled with a trace of jealousy but instead happiness for Wyatt Barnes.

The Shimmering Light Peak Master couldn't help sighing.

Her disciple really gave her heart completely to that Wyatt Barnes.

"Now, I am quite interested in meeting him."

The Shimmering Light Peak Master smiled at Keer, her words full of interest in Wyatt Barnes.

"Master, I want to go find Young Master Wyatt."

Keer bit her lower lip, appearing adorably pitiful, and said softly.

"Go."

The Master of Shimmering Light Peak nodded with a smile, "You naughty girl, these past three months you have been anxiously waiting for him, even your cultivation level has fallen...so anxious that I wanted to personally bring him over."

"Master, you are joking again."

Keer, blushing, ran away.

After leaving Shimmering Light Palace, Keer remembered that she didn't know where Wyatt was cultivating, "Hmm, I have to find Sister Jovie first. Since Young Master Wyatt has returned, she must have come back too."

With this thought, Keer headed in the direction of Shimmering Light Peak.

Along the way, Keer's beautiful figure and stunning face attracted many envious glances.

"So beautiful!"

"She seems to be the direct disciple the Shimmering Light Peak Master took in more than a year ago."

"It seems that this woman not only has a face that could topple nations and cities, but also extremely high martial arts talent, otherwise, the Shimmering Light Peak Master wouldn't have taken her in as a direct disciple."

"Yes, the Shimmering Light Peak Master is one of the strongest in our Seven Stars Sword Clan. Among the six Outer Sect Sword Peak Masters, she is the strongest."

...

A group of inner door disciples couldn't help sigh. Only when that beautiful figure disappeared from their sight did they reluctantly withdraw their gazes.

On the top of Heavenly Authority Peak, inside the Stalactite Cave.

"Phew!"

Wyatt Barnes had no idea how long he had been cultivating. Only when he felt that his cultivation had stopped progressing at the ninth level of the Original Pill Realm did he open his eyes and let out a stale breath.

"The path from the ninth level of Original Pill Realm to the first level of Original Infant Realm is a huge leap! Even with my current talents, it would be hard to break through without months of hard work."

Wyatt Barnes had a thought in his heart, silently saying to himself.

"No matter what, I must break through to the Original Infant Realm as soon as possible!"

Taking a deep breath, Wyatt Barnes's eyes lit up with added determination.

Of course, while Wyatt Barnes hoped to breakthrough to the 'Original Infant Realm' as soon as possible, he also knew that if there was a stagnation in the process of cultivation, he must pause his training to calm his mind and spirit.

Otherwise, it would only backfire, causing harm and no benefit.

"I'm so hungry."

Rubbing his flat stomach, Wyatt Barnes took out some fresh meat from his Storage Ring and grilled it.

After eating his fill, he then left the stalactite cave of Giovanni Stone.

Whoosh!

With a movement, Wyatt Barnes left the cave tunnel, standing on a crooked-necked tree.

The sunlight filtered through the clouds above, speckling onto Wyatt Barnes, giving him a sense of warmth.

"I wonder if Keer has returned... well, first I'll find Jovie."

The mental energy stretched out, and after confirming that no one was on the Heavenly Authority Peak, Wyatt Barnes jumped to the peak from the crooked-neck tree, heading down the mountain.

Soon, he reached the vicinity of the trading hall.

"Brother Wyatt Barnes."

Wyatt Barnes only heard a familiar voice coming over, looked up and smiled at the disciple of Heavenly Authority Peak who came to him.

This disciple of Heavenly Authority Peak was none other than 'Max Wood'!

"Brother Wyatt Barnes, may I have a word with you?"

Max Wood looked at Wyatt Barnes, a zealous gleam in his eyes.

Wyatt Barnes nodded his head and walked with Max Wood to an open area near the trading hall, directly asked: "What's the matter?"

Max Wood looked at Wyatt Barnes and slowly said, "Brother Wyatt Barnes, I am the grandson of the president of the 'Magnolia Business Association' in the Imperial City of Green Forest Royal Country. I want to invite you to join our 'Magnolia Business Association'... Of course, the Magnolia Business Association will not restrict your freedom. You just need to be registered in our Magnolia Business Association, as our 'Honorary Elder'."

"As long as you are willing, every year, the Magnolia Business Association will give you a salary of ten million taels of gold!"

By the end, Max Wood looked eagerly at Wyatt Barnes, waiting for his response.

One year, ten million taels of gold!

He believed that Wyatt Barnes would not refuse such a huge temptation.

The invitation from Max Wood was beyond what Wyatt Barnes had expected.

Just being an honorary elder in name, I can get a salary of ten million taels of gold a year?

It sounded pretty good.

"Magnolia Business Association?"

Suddenly, Wyatt Barnes couldn't hold back his thoughts.

Magnolia Business Association, wasn't that the business association where Darius Summer and his son belonged?

Darius Summer, the vice-president of the Magnolia Business Association.

A few days ago, he wanted to kill me for revenge for his son 'Gideon Summer'... but he was killed by Brian Graham.

"This Max Wood, is the grandson of the president of the Magnolia Business Association?"

Wyatt Barnes furrowed his brow in surprise at Max Wood for a second. No wonder he could casually take out a check for ten million taels and slap one of his peers at Heavenly Authority Peak earlier; and from the way he spoke, it seemed that he had more than ten million taels in checks on him all the time.

Back then, he had a feeling that Max Wood was not just an ordinary person.

Now it seems like he was right.

Even Darius Summer was just the vice president of the Magnolia Business Association.

Yet Max Wood's grandfather was the president of the Magnolia Business Association, the real controller of the business association.

"A yearly salary of ten million taels of gold... Your Magnolia Business Association is really generous, willing to spend so much money supporting a jobless person like me."

Wyatt Barnes looked deeply at Max Wood and slowly said.

"Brother Wyatt Barnes, I'll be straightforward... Our Magnolia Business Association has recognized your potential. Maybe you're not worth the price now, but in the future, you'll be worth much more!"

Max Wood was open and candid.

He spoke very plainly.

The object of the Magnolia Business Association was not the current Wyatt Barnes, but the future, developed Wyatt Barnes.

Now, the Magnolia Business Association might seem at a loss.

But once Wyatt Barnes develops, the Magnolia Business Association will not only recover the costs but make a huge profit.

Moreover, they could seize the opportunity to build a good relationship with Wyatt Barnes.

This was all wins and no losses for the Magnolia Business Association.

"You are pretty straightforward."

Max Wood's straightforwardness made Wyatt Barnes quite pleased, but he still shook his head, "However, I'm afraid you may be disappointed, I'm not interested in becoming the honorary elder of your Magnolia Business Association."

Max Wood was stunned. He didn't expect Wyatt Barnes to reject him so cleanly, "Brother Wyatt Barnes, won't you reconsider? As long as you're willing, our Magnolia Business Association can even advance ten years of salary to you."

Advance ten years of salary!

Ten million taels of gold a year...

Ten years, that would be a hundred million taels of gold!

It has to be said, this offer was tempting, at least to Wyatt Barnes.

The total wealth he had on him was less than half of one hundred million taels of gold.

"Sorry."

Wyatt Barnes shook his head again, refusing Max Wood.

Although he had had conflicts with the vice president of the Magnolia Business Association, Darius Summer and his son, he didn't feel any resentment towards the Magnolia Business Association.

His refusal of Max Wood was simply because he didn't want to join the Magnolia Business Association.

Chapter 367: Soul-breaking Fruit

True, Max Wood said that Wyatt Barnes didn't need to do anything for the Magnolia Commerce Guild.

But as the saying goes.

Take other people's money, owe other people favours...

Once he accepted money from the Magnolia Commerce Guild, becoming the 'Honorary Elder' of the Guild, given his character, he would never stand idly by should the Guild encounter any trouble.

Therefore, Wyatt Barnes chose to reject.

He knew clearly within his heart.

Once he agreed to Max Wood, he would undoubtedly bear a responsibility.

He didn't want to shoulder this responsibility for money sake.

Not to mention he currently wasn't short of money.

Even if he was, he had many ways to earn it.

"It seems we at the Magnolia Commerce Guild are not so fortunate."

Realising Wyatt's firm decision, Max Wood sighed and had a thought.

He was able to stay calm in the face of a billion taels of gold and blatantly reject his invitation.

This Brother Wyatt Barnes was truly no ordinary person!

Max Wood soon regained his smile, "Brother Wyatt Barnes, as the saying goes, business might not be established but goodwill is still there... In the future, if you need help with anything, I'll certainly not refuse as long as it's within my capability."

"Thank you."

Wyatt Barnes responded with a smile, took his leave and crossed the suspension bridge towards Shimmering Light Peak.

"It seems Grandfather will be disappointed."

Watching Wyatt Barnes' back disappearing from his sight, Max Wood chuckled bitterly to himself, sighing.

Once Wyatt Barnes arrived at Shimmering Light Peak, he went to Jade Elder's residence.

Just as he entered the valley, he spotted two beautiful women engrossed in conversation, not noticing him yet.

"Keer!"

Recognising one of the women, Wyatt's eyes lit up and his breath hitched slightly.

The subdued breathing caught the attention of the two women.

Together, they directed their gaze towards him.

"You jerk."

One woman rose to her feet, an angelic face complimented by a devilish figure, her face alive with jubilation.

It was 'Jovie Lee'.

"Young Master!"

The other girl, surprised, hurried towards him.

"Keer."

Wyatt Barnes opened his arms to welcome her into his embrace, holding her tightly as if afraid she might leave.

"Young Master, I missed you so much."

Keer's voice trembled with emotion, her spectacular face marred by tears.

"Silly girl, I missed you too... Why are you crying? You should be happy."

Wyatt Barnes gently wiped the tear stains off Keer's face. His face was filled with affection and a hint of heartache.

"Young Master, I am happy."

Keer insisted while tightening her hug around Wyatt, as if she would never let him go.

"Silly girl."

A soft smile tugged at Wyatt Barnes' lips. His eyes were filled with tender love.

Jovie Lee chose to watch from a distance, her face showing a soft smile, not wanting to interrupt.

"Young Master, why did you only come now? I have been staying with Sister Jovie for two days already..."

Keer murmured while still holding onto Wyatt.

"You fool, Keer arrived the very day we returned. We didn't know where you were practicing, so she stayed at my place temporarily."

Jovie Lee explained.

Wyatt Barnes nodded and further tightened his hold on Keer. "Silly girl, didn't I just arrive?"

"Young Master, did you not go looking for me because you do not want anything to do with me anymore?"

Keer lifted her head, her tear-filled eyes covered in mist, on the verge of tears.

Wyatt Barnes shook his head gently. "Silly girl, don't overthink it."

Keer nodded obediently, burying herself into Wyatt Barnes embrace, savouring the serenity.

However, the calm didn't last for long.

Because, in the next moment, an urgent voice rang out, dispelling the quiet atmosphere.

"Junior sister, your man is in trouble!"

Accompanying the urgent voice, a hasty silhouette entered the valley.

Suddenly, Wyatt Barnes, Keer, and Jovie Lee all turned to look at the newcomer.

The sight before her eyes left Chloe Taylor stunned, standing frozen.

"Senior Sister, you said Wyatt is in trouble? Could you have made a mistake? Isn't Wyatt right here, safe and sound?"

Jovie Lee wore a perplexed and confused expression.

Wyatt Barnes also looked at Chloe Taylor curiously. How was he unaware of the accident he got into?

Keer, on the other hand, stepped away from Wyatt's embrace in embarrassment when Chloe Taylor appeared. Her exquisite cheeks flushed, looking extremely charming, stirring an irresistible urge to kiss her.

Chloe Taylor finally recollected her thoughts, looked at Wyatt Barnes, and laughed bitterly. "How come you're still here?"

"If not here, then where?"

Chloe Taylor's words left Wyatt Barnes dumbstruck. "Senior Sister, did something happen?"

He could tell that Chloe Taylor's was breathing heavily, clearly she had rushed back.

"You genuinely don't know?"

Seeing Wyatt Barnes' bewildered expression, Chloe Taylor frowned. "That's not right. Nolan Williams explicitly declared that you killed the Peak Master of the Heavenly Authority Peak, 'Wade Williams'... Could he be scapegoating you?"

Chloe Taylor's words fell upon Wyatt Barnes' ears, leaving him dumbfounded.

He killed the Heavenly Authority Peak Master 'Wade Williams'?

As stated by Nolan Williams?

"The Heavenly Authority Peak Master is dead?"

Jovie Lee could not help but exclaim.

The rosiness gradually faded from Keer's face, revealing a hint of surprise, "I heard from my master that although the Heavenly Authority Peak Master 'Wade Williams' is not as advanced as her, he is still a prominent figure among the Peep Naught Realm level nine warriors. How could he die?"

"The most absurd part is, that Nolan Williams is alleging that Wyatt Barnes killed the Heavenly Authority Peak Master!"

A chilly mask appeared on Jovie Lee's face, "That Nolan Williams is clearly trying to frame Wyatt... Wyatt could never have killed the Heavenly Authority Peak Master!"

Finally, Wyatt Barnes snapped back to reality.

The news that Chloe Taylor brought back was astonishing.

"Sister Chloe, what exactly happened?"

Wyatt Barnes looked at Chloe Taylor and asked quizzically.

Now, he desperately needed to know the ins and outs of the matter... He had a vague sense that this matter was not as straightforward as it seemed.

Chloe Taylor caught her breath and said, "Earlier, I was about to go to the trading hall at the summit of Heavenly Pivot Peak to buy some Pill Medicine. But just as I arrived near the trading hall..."

As she said this, Chloe Taylor paused, took a deep breath, and continued, "I saw Nolan Williams carrying his adoptive father, Heavenly Authority Peak Master 'Wade Williams's corpse to the summit. He laid down Wade Williams' corpse and knelt beside it..."

"Then, he loudly and repeatedly claimed that you killed his adoptive father and asked the Sect Leader to avenge him!"

Chloe Taylor finished all in one breath.

Hearing her, Wyatt Barnes' face turned pale.

Was the Heavenly Authority Peak Master 'Wade Williams', really dead?

Suddenly, an absurd thought rose from the depths of his heart.

Could it be...

To confirm this thought, Wyatt Barnes looked at Chloe Taylor and asked, "Sister, did you see Wade Williams' corpse?"

Chloe Taylor nodded, "I did. If I hadn't recognized him, I wouldn't even dare to confirm his death. After all, he was the Peak Master of our Seven Stars Sword Clan's Heavenly Authority Peak, a powerful figure at the Peep Naught Realm level nine."

"Was he murdered?"

Wyatt Barnes asked curiously.

Chloe Taylor started speaking as she was recalling, "There were no obvious wounds on Wade Williams' body... His face was almost black and blood was oozing from his seven orifices. It seems like he was poisoned to death."

Poisoned?

Wyatt Barnes' pupils contracted, but it was hardly noticeable.

Was his guess right?

"Did that Wade Williams really find the Soul-breaking Fruit in the primeval forest?"

Wyatt Barnes could feel his heart pounding, his lips twitching.

This all felt like a dream...

In the past, Heavenly Authority Peak Master 'Wade Williams' had asked him about his method of using Origin Force to defeat stronger opponents.

At that time, in order to stall Wade Williams, he made up a random excuse.

He claimed that he had consumed a spiritual fruit from the primeval forest, which caused his Origin Force to 'mutate'.

Likewise, in order to make Wade Williams believe him, he casually described the characteristics of the Soul-breaking Fruit.

Then, in his opinion, the Soul-breaking Fruit, even in the outside territory, was extremely rare.

It was unlikely to appear in the primeval forest.

But today, Wade Williams died of poisoning, and Nolan Williams repeatedly claimed that he killed Wade Williams...

All this was too coincidental!

"Could it be that the Soul-breaking Fruit actually existed in the primeval forest and was found by Wade Williams?"

Wyatt Barnes could not help but think.

If that was the case, wasn't Wade Williams extremely unlucky?

The Soul-breaking Fruit was an extremely special and highly toxic spiritual fruit.

Even the most knowledgeable alchemist in the outside territory, including the former Martial Emperor, could only identify the Soul-breaking Fruit by its appearance.

If one cannot recognize the Soul-breaking Fruit, and wants to test if it is poisonous, there's only one way.

Let a human or beast be the guinea pig!

Otherwise, no one could determine the toxicity of the Soul-breaking Fruit by any other means.

Even after the Martial Emperor became the 'Emperor Grade Alchemist', he still could not determine the toxicity of the Soul-breaking Fruit...

It proves how thoroughly the Soul-breaking Fruit conceals its poison.

"If Wade Williams really died from consuming the 'Soul-breaking Fruit', then he can only blame his own misfortune!"

Wyatt Barnes thought to himself.

The Soul-breaking Fruit is an extremely rare treasure.

Even the former Martial Emperor had only encountered it twice.

For Wade Williams to have found the Soul-breaking Fruit was fate at play...

"Younger Brother Wyatt, why would that Nolan Williams say that you killed the Heavenly Authority Peak Master?"

Chloe Taylor looked up at Wyatt Barnes, and asked curiously.

She vividly remembered the hysterical state of Nolan Williams at the time, it did not appear to be fake.

Jovie Lee and Keer also turned their gaze towards Wyatt Barnes.

In their opinion, regardless of whether Wade Williams' death had anything to do with Wyatt Barnes, it didn't matter to them... even if it was Wyatt who really killed Wade, they would still think that Wade deserved it.

Wyatt Barnes was their sky, their everything.

Just as Wyatt Barnes was about to speak.

Whoosh!

Like a gust of wind, a figure swept into the canyon and looked at Wyatt Barnes, "Wyatt Barnes, the Sect Leader summons you to the summit of 'Heavenly Pivot Peak'."

The man who appeared now was the Outer Sect Elder of Shimmering Light Peak, 'Jade Elder'.

He was the master of Jovie Lee.

Chapter 368: Zeke Foxsong

The appearance of Jade Elder was somewhat unexpected to Wyatt Barnes.

"Sect Leader?"

Upon hearing Jade Elder's words, Wyatt Barnes raised his eyebrows.

It seems that this matter has already alerted the Sect Leader of the Seven Stars Sword Clan...

Upon further thought, Wyatt Barnes came to understand.

The deceased Peak Master of the Heavenly Authority Peak was, after all, one of the prominent figures in the Seven Stars Sword Clan. As a pitch-perfect Sect Leader, he would never stand idly by, but would surely investigate the matter thoroughly.

"Master, this matter definitely has nothing to do with the scoundrel."

Jovie Lee hastily spoke up to the Jade Elder, appearing agitated, afraid that Wyatt Barnes might be implicated.

Jade Elder looked at Jovie Lee, her eyes showing affection, and smiled faintly, "Jovie, don't worry. The Sect Leader only wants Wyatt Barnes to go there, not to hurt him... The truth is not simply the decision of Nolan Williams alone."

"That's right, what Jade Elder said is correct...you all don't worry, I will be fine."

Wyatt Barnes noticed that both the young girls were anxious and couldn't help but reassure them.

"Wyatt Barnes, I heard from some disciples of Shimmering Light Peak that they saw you here. I guessed that you would be here...Since the Sect Leader has summoned you, you should go. I will accompany you."

Jade Elder's gaze landed on Wyatt Barnes, and she slowly spoke.

Wyatt Barnes nodded his head.

This matter was inevitable for him.

"We will also go."

Jovie Lee and Keer, both young girls, spoke in unison.

In the end, Wyatt Barnes set off for Heavenly Pivot Peak with the four women, on the rope bridge that led from Shimmering Light Peak to Heavenly Pivot Peak to meet the Sect Leader of the Seven Stars Sword Clan.

At present, hardly any disciples of Shimmering Light Peak could be seen near the trading hall.

"It seems that the disciples of Shimmering Light Peak have all gone to the top of Heavenly Pivot Peak."

Wyatt Barnes had a thought and roughly guessed why this was the case.

Wade Williams, the Peak Master of Heavenly Authority Peak, his death was enough to set off a major earthquake in the Seven Stars Sword Clan...

Wyatt Barnes believed.

At the moment, anyone in the Seven Stars Sword Clan who knew about this should have all gathered at the top of Heavenly Pivot Peak.

Watching the commotion was human nature.

Along the way.

Wyatt Barnes's eyes suddenly narrowed.

At this moment, a condensed sound from Origin Force reached his ears and made his eardrums tremble.

"Wyatt Barnes, regardless of whether the death of Wade Williams, the Peak Master of Heavenly Authority Peak has anything to do with you...you must remember, you must outright deny that Wade Williams's death is related to you, and clear yourself entirely!"

It was Jade Elder's Origin Force condensed sound.

Hearing Jade Elder's words, Wyatt felt a warmth in his heart and replied with his Origin Force condensed sound, "Thank you for the concern, Jade Elder. I know what to do."

Jade Elder's head nodded with satisfaction and only then was she able to relax.

In her eyes, Wyatt was the man her most beloved disciple loved, which made him her half-disciple...

Just for her disciple, she did not want anything to happen to Wyatt.

When Wyatt Barnes and the four women arrived at the summit of Heavenly Pivot Peak, he was taken aback by the scene despite being prepared.

Now, the summit was completely filled with a dense crowd, bustling with activity.

Most of these people were external disciples of the Seven Stars Sword Clan, with a healthy number of internal disciples, but they were completely drowned out by the external disciples.

"Hm?"

Being sharp, Wyatt surprisedly saw tens of figures hovering high up in the distance.

All of them were clearly Void Realm strongmen!

Among these figures, a middle-aged man dressed in a green robe with golden border stood out. The middle-aged man stood motionless, eyes closed, exuding a profound and unfathomable aura.

"Is he the Sect Leader of the Seven Stars Sword Clan?"

Instantly, Wyatt guessed the identity of this middle-aged man...

The Sect Leader of the Seven Stars Sword Clan, Zeke Foxsong!

"It's Wyatt Barnes!"

"Wyatt Barnes is here!"

...

Suddenly, the turbulent crowd began to stir as people who were on the edge of the crowd spotted Wyatt.

At this moment, their eyes cast upon Wyatt Barnes were filled with apprehension.

According to Nolan Williams, the adopted son of the Peak Master of Heavenly Authority Peak, Wade Williams...

Wade, was killed by Wyatt Barnes!

A mere inner disciple of the Seven Stars Sword Clan, claimed the life of the Peak Master of Heavenly Authority Peak.

The means of this Wyatt Barnes, made them inherently apprehensive and fearful...

Wyatt frowned, and with the four women, he continued walking forward. Wherever they went, the surging crowd automatically made way for them.

Wyatt observed.

At this moment, the group of Seven Stars Sword Clan disciples who were making way for him stared at him with fearful eyes, as if he wasn't a man but a fierce beast.

Wyatt didn't mind and walked straight to the clearing in the middle of the crowd.

In the clearing, Nolan Williams was kneeling on the ground.

Next to Nolan was a body lying still. The face of the body was pitch black, and the blood from the seven cavities wasn't completely dry, creating a horrific scene.

"Autumn Water!"

With just one glance, Wyatt recognised the man with blood flowing from his seven cavities, lying on the ground. He was Wade Williams, the Peak Master of Heavenly Authority Peak.

That same Wade who once threatened him in front of him, wishing to snatch his Origin Force utilization method, was now a cold corpse.

"Hm."

Meanwhile, Wyatt Barnes recognized the signs of poison in Wade Williams.

"Indeed, it's the poison of 'Soul-breaking fruit'... Wade Williams is indeed 'lucky' to have found a Soul-breaking fruit in the primal forest!"

A thought struck Wyatt Barnes.

Wade Williams was truly unlucky to the extreme.

The Soul-breaking fruit was an extremely rare poison fruit. It was his misfortune to find it.

"Wyatt Barnes!"

Suddenly, Nolan Williams, kneeling on the ground, abruptly raised his head. His eyes, tinged with a sanguine hue, was filled with hatred, fixed on Wyatt Barnes, "It's you! You! You killed my adopted father!"

"I want to avenge my adopted father, I want to avenge my adopted father..."

Amid the roar, Nolan Williams sprung up, transformed seemingly into a blood-thirsty Fierce Beast, lunging towards Wyatt Barnes.

Accompanying Nolan Williams was the ghostly appearance of one hundred and twenty ancient giant elephant shadows in the void above...

Whoosh!

In an instant, the sixth-grade spirit sword 'Autumn Water' appeared on Nolan's left hand. The Origin Force wreaked havoc, directed towards Wyatt Barnes.

In the void above, forty more ancient giant elephant shadows appeared alongside the one hundred and twenty already present.

The power of over one hundred and sixty ancient giant elephants, fully unleashed!

"Hmph!"

Wyatt Barnes's eyes grew slightly cold, but he didn't make a move.

Because someone else acted before him.

Whoosh!

A piercing swoosh suddenly echoed around; the sound of air exploding filled the air.

All Wyatt Barnes felt was a gust of wind blowing past him, then with a 'thud', Nolan Williams flew out like an arrow, falling hard and looking utterly dejected.

"How dare you act recklessly in front of the Sect Leader!"

Jade_Elder withdrew his hand, standing beside Wyatt Barnes, glancing coldly at Nolan Williams. His voice was frosty.

After that, Jade_Elder stepped into the air and landed next to a statuesque, elegant woman in mid-air...

"Wyatt Barnes!"

Nolan Williams, lying on the ground, stared at Wyatt Barnes, his eyes shimmering with a glint of hatred.

However, Wyatt Barnes ignored him and looked up at Zeke Foxsong, the Sect Leader of the Seven Stars Sword Clan, who stood in mid-air with his eyes closed...

Zeke Foxsong looked no different from an ordinary person, but Wyatt Barnes could sense his unfathomable depth.

Wyatt Barnes believed.

That Zeke Foxsong's strength definitely wasn't weaker than Brian Graham's.

"Sect Leader."

Wyatt Barnes looked at Zeke Foxsong and greeted.

Even though he was facing the Sect Leader of the Seven Stars Sword Clan, Wyatt Barnes still stood straight, not showing any signs of bending or bowing...

"Impudent!"

All of a sudden, a cold voice sounded.

It was a middle-aged man standing behind Zeke Foxsong, looking down upon Wyatt Barnes coldly from mid-air, speaking with a deep voice, "Wyatt Barnes, why don't you pay your respects to the Sect Leader when you see him? It appears that you haven't taken our Sect Leader to heart!"

The man's words were implying that Wyatt Barnes was disrespecting the Sect Leader.

"Not taking the Sect Leader to heart?"

Wyatt Barnes scanned the middle-aged man indifferently. The latter was an old acquaintance of his, "Elder Woody Dunn, I wonder which eye of yours saw me disregarding the Sect Leader?"

The middle-aged man was Woody Dunn, the outer sect elder of the Heavenly Authority Peak.

"Hmph!"

Woody Dunn harrumphed, "You dared to not bow when you met the Sect Leader, isn't that disrespect?"

Woody Dunn looked at Wyatt Barnes, his gaze was like a blade, wishing he could strangle Wyatt Barnes on spot!

He wanted to seize Wyatt Barnes's Storage Ring so as to take possession of the 'Ching Washes the Marrow Sutra'.

At the peak of the Heavenly Pivot Peak, although there were many people around, it was quiet at the moment...

Everyone heard Woody Dunn's words.

Everyone was curious as to how Wyatt Barnes would react.

You must know.

In the Seven Stars Sword Clan, disrespecting the Sect Leader was a big crime.

Of course, many people were worried for Wyatt Barnes.

"This lad, not bowing before me is one thing, but maintaining his attitude in front of the Sect Leader."

Colin Clark, the Peak Master of Sunrise Peak, lamented with a helpless smile on his corner of the mouth.

The elegant woman standing next to Jade_Elder took interest in Wyatt Barnes. Her sultry lips curled up with a hint of teasing smile, "So he, is the man Keer daydreams about? Even now, he doesn't seem to have a hint of fear; he remains relaxed and confident."

"I wonder how he will respond to Woody Dunn's bullying."

The woman was full of curiosity.

As for Zeke Foxsong, the Sect Leader of the Seven Stars Sword Clan in question, he still stood in mid-air with his eyes closed, seemingly oblivious to his surroundings.

"Haha..."

Under the gaze of all eyes, Wyatt Barnes laughed loudly, which echoed in every corner of the peak of the Heavenly Pivot Peak.

Wyatt Barnes's laughter made the disciples of the Seven Stars Sword Clan take notice.

What is Wyatt Barnes doing?

How dare he act so unrestrained in front of the Sect Leader?

"Elder Woody Dunn."

Suddenly, Wyatt Barnes's laughter stopped, and he looked at Woody Dunn, "Indeed, I don't take the Sect Leader to heart!"

Chapter 369: Knowing it Like the Back of One's Hand

"I truly don't hold the Sect Leader in high regard!"

These words from Wyatt Barnes, like a startling thunderclap, suddenly exploded at the summit of Heavenly Pivot Peak, echoing in the ears of everyone present.

As soon as these words were said, the air at the scene seemed to be sucked away.

There was complete silence.

Despite the crowd on the summit of Heavenly Pivot Peak, everyone held their breaths, the quiet was eerily palpable. It was as if a sound could be heard even if a needle dropped on the ground.

A moment later.

In the high sky, Seven Stars Sword Clan's Sect Leader 'Zeke Foxsong' was still hovering, with his eyes closed and an expression of tranquility.

The rest of the higher echelons of the Seven Stars Sword Clan turned pale.

"This kid, he's too reckless!"

Sunrise Peak's Peak Master, 'Colin Clark' furrowed his brows and cast a glance at Wyatt Barnes, filled with concern.

The graceful mature beauty gently twitched her willow-like eyebrows, her autumn-like eyes fixated on Wyatt Barnes, as if trying to discern something from him.

Standing next to the beauty, Jade Elder looked extremely worried.

She hadn't expected Wyatt Barnes to be so audacious, bold enough to publically say he didn't hold Sect Leader in high regard.

Suddenly.

Hiss! Hiss! Hiss! Hiss! Hiss!

...

Gasps of shock echoed one after another, permeating the entire summit of Heavenly Pivot Peak.

The disciples of the Seven Stars Sword Clan on Heavenly Pivot Peak finally came to their senses.

"Wyatt Barnes has gone mad!"

"Madman! Wyatt Barnes is simply a madman! Saying he doesn't hold the Sect Leader in high regard right in front of him... isn't he seeking his own death?"

"Humph! Does he really think that just because he has exceptional martial dao talent, the Sect Leader will not hold him accountable? He's out of his mind!"

"This Wyatt Barnes, he is certainly in for a disaster today."

...

A group of disciples from the Seven Stars Sword Clan were whispering among themselves.

Some disciples of the Seven Stars Sword Clan who were standing near Wyatt Barnes and could see him were looking at him as if he were a 'dead man'.

In front of the Sect Leader and the higher echelons of the Seven Stars Sword Clan...

He says he doesn't hold the Sect Leader in high regard?

Such words, in the entire Seven Stars Sword Clan, probably only Wyatt Barnes could say, and only he dared to.

Of course, saying such words also meant that he would have to pay a heavy price.

"Scoundrel!"

"Young Master."

Jovie Lee and Keer, who were behind Wyatt Barnes, muttered softly, a trace of worry appeared on their beautiful faces.

While they were worried, they were also somewhat confused.

Normally.

The Wyatt Barnes they knew was not an impulsive person...

Chloe Taylor stood beside Jovie Lee, her face was equally dull with surprise, her eyes full of concern as she stared at Wyatt Barnes' retreating figure.

"Does Wyatt Barnes not care for his life?"

Max Wood, Eastern Ho and other Seven Stars Sword Clan disciples who were on good terms with Wyatt Barnes were all apprehensive for him.

Of course, some also found joy in his misfortune.

Such as Nolan Williams, and Kade Cruz.

"Wyatt Barnes, I am looking forward to seeing how you handle this unfortunate situation today."

Nolan Williams managed to stand up, wiped the blood from the corner of his mouth, and stared at Wyatt Barnes with a cold look.

"Who would have thought, Wyatt Barnes, to dare say he doesn't hold the Sect Leader in high regard right in front of him?"

A crazed smile crept onto Kade Cruz's face.

"Insolent!"

In the high sky, the figure looking down at Wyatt Barnes, 'Woody Dunn', suddenly shouted coldly, "Wyatt Barnes, you dare say you don't hold the Sect Leader in high regard? This is a grave disrespect to the Sect Leader. According to the rules of the Seven Stars Sword Clan, you should be stripped of all your cultivation!"

Woody Dunn's words reverberated with Origin Force fluctuations around him.

Above his head, two-thousand ancient giant elephant shadows took form, their momentum shook the sky and they appeared indomitable.

His icy eyes stared at Wyatt Barnes, his mouth twitching into a cold smile.

For him, this was a good opportunity to kill Wyatt Barnes!

Just as Woody Dunn was ready to act.

Wyatt Barnes casually spoke up, " Elder Woody Dunn, you keep insisting that I have disrespected the Sect Leader...but I don't know when I have disrespected the Sect Leader? I would ask Elder Woody Dunn to clarify."

Wyatt Barnes was keenly aware of Woody Dunn's murderous intent, and a cold smile spread across his lips.

This Woody Dunn, really does not know when to stop!

Wyatt Barnes's words left everyone present speechless.

A moment ago, Wyatt Barnes had clearly stated that he did not hold the Sect Leader in high regard...

And now, he was playing dumb?

Just as most of the people were stunned by Wyatt Barnes's words.

In the high sky, the Seven Stars Sword Clan's Sect Leader 'Zeke Foxsong', who had kept his eyes closed all along, finally opened his eyes.

At this moment, he looked with interest at Wyatt Barnes.

He had never met Wyatt Barnes, but he was no stranger to him.

This martial dao prodigy of the Seven Stars Sword Clan, who staged a feat unequalled in clan history, had long since earned his interest and he wanted to meet him in person.

"What is this kid up to?"

Looking at the scene before him, Zeke Foxsong was slightly intrigued, filled with curiosity.

"Hmph!"

Woody Dunn hovered in mid-air, surrounded by a flame-like Origin Force that shrouded him. He scoffed, "Wyatt Barnes, there is a saying that spilled water cannot be retrieved! Everyone witnessed what you just said, it is impossible for you to take it back now."

Wyatt Barnes chuckled, "Then I would like to ask Elder Dunn, what did I say that made you think I was greatly disrespectful to the Sect Leader?"

Woody Dunn stated solemnly, "Just now, you said you didn't hold the Sect Leader in high regard! Isn't this disrespect to the Sect Leader? You, don't think you can deny this."

"So, it's that statement."

Wyatt Barnes nodded his head, appearing to comprehend, then looked at Woody Dunn and chuckled, "Elder Dunn, so by your words, me saying that I didn't hold the Sect Leader in high regard is greatly disrespectful?"

"Of course!"

Woody Dunn cocked his eyebrow, the Origin Force in his hand consolidated and surged, "Wyatt Barnes, you have shown great disrespect to the Sect Leader, committing a cardinal sin against the Sect... Today, I'll be the one to eliminate you, this arrogant man!"

Woody Dunn wavered slightly as he finished his statement, intending to assault Wyatt Barnes with a downpour of attacks.

However.

In an instant, Woody Dunn's face changed.

He realized, at this moment, two overwhelming forces extended in his direction, locking onto him tightly, causing him to dare not act recklessly.

Sunrise Peak Master, Colin Clark.

Shimmering Light Peak Master, Kinsley Cooper.

He understood clearly.

Now, with these two protecting Wyatt Barnes, unless the Sect Leader personally allows it, he cannot kill Wyatt Barnes again.

He regretted it.

If he had known, he would have immediately attacked Wyatt Barnes right after he had said those greatly disrespectful words!

At that time, Colin Clark and Kinsley Cooper had not yet set their sights on him.

He had missed the optimal opportunity.

"So, she is Keer's Master? The Shimmering Light Peak Master?"

Wyatt Barnes' gaze fell on the noble and graceful woman, floating beside Jade_Elder, an idea forming in his mind.

The woman was elegant and distinguished.

"Thank you, Peak Master."

Wyatt Barnes used his condensed Origin Force to speak to the woman."

The woman — also known as Shimmering Light Peak Master 'Kinsley Cooper' — paused upon hearing Wyatt Barnes' word, and responded using condensed Origin Force, "Why are you thanking me?"

"If not for you and Peak Master Clark, that mad dog Woody Dunn would probably already have attacked me."

Wyatt Barnes continued speaking through condensed Origin Force.

"Mad dog?"

Kingsley Cooper's lips twitched slightly, she gave Wyatt Barnes a long look, "You must take today's affairs seriously... The Sect Leader may value your talent, but it doesn't mean you can act recklessly."

"Yes."

Wyatt Barnes acknowledged and then turned back to Woody Dunn, asking indifferently, "Elder Dunn, just now you claimed that my lack of regard for the Sect Leader is equated to disrespect... I wonder, do you hold the Sect Leader in high regard yourself?"

"Of course!"

Woody Dunn affirmed without any hesitation.

"So, Elder Dunn, does this mean you hold the Sect Leader in your sight, but not in your heart?"

Wyatt Barnes laughed.

Seeing Woody Dunn's face change, wanting to refute, he had already turned to the Sword Clan Sect Leader 'Zeke Foxsong', "Sect Leader, I believe that judging a Seven Stars Sword Clan disciple's respect for you does not rely on formalities."

"Like me, even though I don't hold you in my sight, I hold you in my heart and respect you from the bottom of my heart. Unlike some people... who say one thing but think something different."

At the end of his remarks, Wyatt Barnes glanced at Woody Dunn, his words were a clear allusion.

"Wyatt Barnes, stop wrongfully accusing me!"

Woody Dunn's complexion changed, and he almost roared.

At this moment, if not for Colin Clark and Kinsley Cooper watching him, he would have loved nothing more than to tear Wyatt Barnes into thousands of pieces and reduce him to ashes!

"Enough!"

A calm voice suddenly came through, overriding Woody Dunn's hysterical voice.

Zeke Foxsong looked at Woody Dunn distantly, "Woody Dunn, you need to cultivate your character... your impulsivity needs to change."

"Yes, Sect Leader."

Woody Dunn took a deep breath and acknowledged.

However, when he looked at Wyatt Barnes, his eyes were imbued with a frightening chill, as though nothing would satisfy him more than to kill Wyatt Barnes on the spot.

Zeke Foxsong looked at Wyatt Barnes, his eyes were calm and unwavering.

The hearts of the people present hung in suspense.

They all wanted to know.

Would the Sect Leader punish Wyatt Barnes...

After all, the statement he made was too far-fetched.

Finally.

Zeke Foxsong slowly spoke, "Wyatt Barnes, you've only been in the Seven Stars Sword Clan for less than two years, yet on the 'Life and Death Stage', you successively defeated stronger opponents and killed four Outer Sect disciples... After leaving the Sect for a year, on the day of your return, you killed the Original Infant Realm First Level Inner Sect Disciple with the cultivation of the Original Pill Realm Ninth Level."

Zeke Foxsong's tone was calm, while his voice wasn't loud, it reached the ears of everyone present.

Everyone present was familiar with Wyatt Barnes' accomplishments.

But saying it out loud came as a surprise to many.

"It seems that the Sect Leader has always been paying attention to Wyatt Barnes."

"That's not strange, after all, Wyatt Barnes is our Seven Stars Sword Clan's once-in-a-lifetime Martial Dao genius, once he grows up, his achievements wouldn't be inferior to those 'Five Great Young Masters'."

"That's right, with Wyatt Barnes' talent, he's worth the Sect Leader's attention."

...

A group of Seven Stars Sword Clan disciples whispered among themselves.

Wyatt Barnes' eyebrows raised.

He hadn't expected that every action he had taken in the Seven Stars Sword Clan was patently clear to the Sect Leader.

Chapter 370: The Reason for Everything

"Wyatt Barnes...you, you're something."

Looking at Wyatt, the Sect Leader of the Seven Stars Sword Clan, Zeke Foxsong, unexpectedly gave a rare smile. His face, usually as calm as an old well, hinted a faint amusement, "I will no longer dwell on what happened just now. Let's leave it at that!"

Leave it at that!

By saying this, Zeke Foxsong is clearly indicating that he's no longer planning on holding Wyatt accountable for the previous incident.

"Sect Leader!"

Woody Dunn's eyes were slightly cold, and there was clear resentment on his face, "This Wyatt Barnes..."

Before Woody Dunn could finish, Zeke Foxsong interrupted him, "Woody Dunn, are you questioning my decision?"

Foxsong's calm voice carried a hint of coldness that startled Woody Dunn into a panicked denial, "Woody would never dare!"

At this point, the peak of Heavenly Pivot Peak was once again filled with a hubbub.

"The Sect Leader really does value Wyatt Barnes, just to let it go?"

"It seems, having strong martial arts talent indeed grants you special privileges."

...

The disciples of the Seven Stars Sword Clan expressed their envy of Wyatt Barnes between their words.

Now, those who were concerned about Wyatt Barnes, such as Jovie Lee, Keer, and others, all breathed a sigh of relief.

As for those who would rather see Wyatt Barnes dead, like Nolan Williams and Aya Willow, their faces were filled with gloom.

"I can't believe this little beast managed to dodge a bullet!"

Kade Cruz glanced at Jovie Lee and Keer who were trailing behind Wyatt Barnes, gritting his teeth in anger.

What made Wyatt Barnes so deserving of the affection of so many beauties?

First, there was Jovie Lee.

Now, there was another woman whose beauty was no less than Jovie Lee's!

And she is even the personal disciple of the Peak Master of Heavenly Authority Peak.

For a moment, jealousy and resentment flared up in Kade Cruz, as if it could burn everything...

"Thank you, Sect Leader."

Wyatt Barnes thanked Zeke Foxsong, his demeanor neither humble nor arrogant.

As Zeke Foxsong observed Wyatt Barnes, he nodded approvingly, his heart stirred, "This Wyatt Barnes, he is quite different from the other disciples of the Seven Stars Sword Clan... When other disciples stand before me, they are overly respectful, not daring to even breathe heavily."

However, Wyatt was unaware of this.

Because of his easy-going nature, Zeke Foxsong's esteem for him increased.

"Sect Leader, you must stand up for my adoptive father!"

Suddenly, Nolan Williams' voice sounded like a spark that utterly ignited the atmosphere at the peak of the Heavenly Authority Peak.

Only then did all present recall.

The reason why they had gathered here today...

"Could the Peak Master of Heavenly Authority truly have been killed by Wyatt Barnes?"

"It's impossible... The Peak Master of the Heavenly Authority Peak, was at the 'Ninth Level of the Peep Naught Realm,' how could Wyatt Barnes possibly kill him."

"That's not necessarily the case. Don't forget the many miracles Wyatt Barnes has created in the past..."

"Yes, no matter what kind of miracle, as long as it happens to Wyatt Barnes, I wouldn't find it strange."

"If the Peak Master of Heavenly Authority Peak was really killed by Wyatt Barnes, even if the Sect Leader valued Wyatt Barnes tremendously, I'm afraid Wyatt would hardly escape death today."

...

A group of Seven Stars Sword Clan disciples began whispering among themselves.

At this moment, the gaze of Zeke Foxsong suddenly sharpened as he asked in a deep voice, "Wyatt Barnes, Nolan Williams says you killed the Peak Master of Heavenly Authority Peak... Do you plead guilty?"

Nolan Williams also looked towards Wyatt Barnes at the right time, his eyes blood red, akin to a bloodthirsty fierce beast, lurking on the side and eyeing Wyatt Barnes.

Ready to pounce at any moment!

"Sect Leader, the death of Peak Master Wade Williams has nothing to do with me, how can I be guilty?"

Wyatt shook his head, vehemently denying it.

Although, Wade Williams did die because he ate the 'soul-breaking fruit'.

But from his perspective.

The death of Wade Williams had nothing to do with him...

Had it not been for Wade prying into his way of using Origin Force, he wouldn't have casually described the features of that 'soul-breaking fruit'.

Wade found the soul-breaking fruit and took it only to die - which comes down to him being unlucky, he had brought it upon himself!

"Wyatt Barnes, you're talking nonsense!"

Upon hearing Wyatt's denial, Nolan Williams's face changed drastically, he almost roared, "If not for your misleading my adoptive father to find that poisonous fruit, he would not have taken the fruit and died from the poison... It was you, you fooled my adoptive father into mistaking it for a 'spirit fruit' that could mutate Origin Force!"

"What's the real story?"

Zeke Foxsong's eyes narrowed, his piercing gaze, seemingly forged into a sword, shot straight at Nolan Williams, causing Nolan Williams to tremble and sweat nervously.

All of this, Nolan Williams had not mentioned before.

He just said that Wyatt Barnes had killed the Peak Master of Heavenly Authority Peak...

"Let me explain."

Wyatt Barnes interrupted him and said, "Sect Leader, that day, when Peak Master Wade saw through my secret, he wanted to get a 'technique of Origin Force usage' that could help the weak overcome the strong from me..."

At this point, Wyatt paused.

"A technique of Origin Force usage?"

Zeke Foxsong raised his eyebrows in surprise.

"Sect Leader, the reason I can overcome the strong with a weaker force is because my Origin Force can display an extremely mysterious technique! It's precisely because Peak Master Wade Williams saw through my technique that he summoned me, wanting to acquire that technique from me for his own!"

Wyatt stated directly.

"Hmph!"

Nolan Williams huffed, "Wyatt Barnes, back then, my adoptive father wanted to get your technique of Origin Force usage to contribute to the sect... Don't slander him, slandering my adoptive father!"

"Slander?"

Wyatt Barnes laughed softly and gently said, "Nolan Williams, I'm curious. Do you believe what you're saying right now? If Peak Master Wade truly wanted me to contribute my Origin Force application technique to the sect, why didn't he report to the Sect Leader first to make a decision?"

"This shows that he was acting for his own selfish desires!"

When Wyatt Barnes said this, he was blunt and didn't mince his words.

"You!!"

Nolan Williams looked upset. At this moment, he could feel suspicious glances from all around him.

Obviously, no one believed his words.

Wyatt Barnes continued, "Later, I told Peak Master Wade about the secret of my application technique..."

When Wyatt Barnes said this,

Everyone present, except for Nolan Williams, had their eyes on him.

Whether it was the senior executives of the Seven Stars Sword Clan or a group of Seven Stars Sword Clan disciples.

At this moment, they were all very interested in the secret of Wyatt's Origin Force application technique.

Simply because that was the technique Wyatt used to beat the strong as the weak.

It was Wyatt's trump card!

"So, Wyatt Barnes' method of killing an Inner Sect disciple at the first level of the Original Infant Realm with the cultivation of the ninth level of the Original Pill Realm, is through that Origin Force application technique?"

"It should be."

...

Some Seven Stars Sword Clan disciples whispered secretly, their eyes gleaming as they watched Wyatt Barnes.

One can imagine,

If they could master that technique, their strength would undoubtedly greatly improve as well.

They didn't even think about it.

Even if there was such a miraculous and mysterious technique, would Wyatt Barnes share it?

Under everyone's scrutiny, Wyatt Barnes spoke again.

"I told Peak Master Wade the secret of my Origin Force application technique... My Origin Force was altered by a spirit fruit I encountered in the primitive forest. At the beginning, when I had that spirit fruit, my Origin Force mutated, hence possessing the technique to overcome the strong as the weak!"

Wyatt's words resulted in sighs of amazement.

"So, Wyatt gained that strange technique because he consumed a spirit fruit!"

"Spirit fruit, especially such miraculous spirit fruit, is a rare and lucky encounter that others can't replicate."

...

Some Seven Stars Sword Clan disciples couldn't help but exclaim.

Wyatt Barnes continued, "Later, I described the characteristics of that spirit fruit to Peak Master Wade... Since I left the Heavenly Authority Peak, I have never seen Peak Master Wade again."

At this point, Wyatt Barnes looked at Nolan Williams and lightly said, "As for why he slanders me for killing his adoptive father, I have no idea. Well, perhaps it's because I had destroyed his right arm, so he thought of using this act of slander to take revenge on me..."

Or perhaps, the death of Peak Master Wade was his own doing! He did all this just to slander me and to get Peak Master Wade's sixth grade spirit sword 'Autumn Water'."

By the time Wyatt Barnes ended, there was a trace of coldness at the corner of his mouth.

"You're talking nonsense!"

Hearing Wyatt's words, Nolan Williams's face changed dramatically, with his Origin Force fluctuating. His body transformed like a violent Fierce Beast, lunging at Wyatt Barnes

Whoosh!

In Nolan's hands, the sixth-grade spirit sword 'Autumn Water' appeared again...

The force of more than a hundred ancient giant elephants erupted at once!

Facing the aggressive Nolan Williams, Wyatt Barnes remained calm. Suddenly raising his hand, a narrow sword appeared out of thin air.

It was also a sixth-grade spirit sword!

Instantly, Wyatt Barnes made his move.

Sword Drawing Technique!

"Clang!"

The two sixth-grade spirit swords collided. Wyatt Barnes forced Nolan Williams to drop his sword by flicking his 'Trembling Power'.

The moment Nolan's sword fell to the ground,

Whoosh!

Wyatt Barnes kicked out, sending Nolan flying. He landed heavily on the ground, looking utterly disheveled...

"I'm going to kill you!"

Nolan Williams struggled to stand up and lunged at Wyatt Barnes again.

"Incorrigible!"

Wyatt Barnes narrowed his eyes, a killing intent looming.

"Humph!"

At this moment, a cold snort sounded, as if it came from an icy cave, making the air become quite frozen for a moment.

In the blink of an eye, Nolan Williams, who was rushing towards Wyatt Barnes, abruptly stopped halfway, his body rigid. He didn't move for a long time, and cold sweat ran down his forehead...

"Such strength!"

Wyatt Barnes' eyes narrowed, and his heart trembled.

The moment Zeke Foxsong's momentum converged and fell on Nolan Williams, Wyatt's keen spiritual power clearly sensed...

Zeke Foxsong, using only his aura, made Nolan Williams unable to move.

Indeed, the Sect Leader of the Seven Stars Sword Clan, a Void Realm powerhouse!

It was not until Zeke Foxsong withdrew his momentum that Nolan Williams regained his movements. He blushed and said excitedly, "Sect Leader, don't listen to Wyatt Barnes' nonsense! My adoptive father died from consuming the spirit fruit that he described..."

"He must have done it on purpose, he must have done it on purpose!"

By the end of his speech, Nolan Williams was somewhat hysterical.

At this point, everyone present finally realized.

So, this was the cause of everything.
