

Chapter 11 Spies

Erick breathes hard as Tron, who has always opposed Erick's love affairs, is determined to finish what he started.

He feels Eduarda equally trembling, and he wonders if he moved her the same way she touched him.

Releasing her, he runs his hands through his hair in a sign of frustration and says:

"For your own safety, it's better not to say any of this to anyone", and sharpens his senses to see if there is anyone else outside, when he realizes that Joshua is already gone, he turns and leaves before he does something of no return.

Left there alone, Eduarda tries to calm her breathing and organize her thoughts, because everything that had just happened could only be a dream, Eduarda couldn't believe that she had just given her first kiss, and that she did it with the monster prince, with surely she must be tired of living, because she almost marked him, with fangs she didn't even know she had, and if she had done that, Erick's Lycan would surely tear her to pieces like it did with the other girl who tried.

Eduarda is startled realizing that she has been there for a long time and that she needs to go back.

Already at the bonfire Erick fights a battle of will against Kairon and Tron, who insist on returning to see why Eduarda has not returned, when she is about to give up, she appears, blushing and scared.

Joshua is immediately relieved to see his sister, and pretending not to be very interested in the answer he asks:

"It's okay newbie, nobody found you?"

Eduarda seems to blush even more, which makes Joshua worried again.

"And who would want to kiss her," says Trevan, eliciting giggles from his groupmates, especially Betany.

But a veteran guy from group four says:

"I don't know, that guy came from the same direction as her, and he was also very strange when he arrived" he says, pointing to Gaby

Erick follows the direction Paul was pointing and faces Gaby.

"I don't like this guy" says Tron

"He's driving us crazy" agrees Kairon

And Erick wonders if Gaby saw what happened in the cave. But what really makes him angry is the fact that he went after Eduarda.

"And then without a wolf you kissed or didn't kiss" says Jessica meanly. Eduarda would like for something to happen so that she would stop being the center of attention.

"I'm talking to you weirdo" says Jessica now irritated

"I don't remember there being a rule in the game that obliges us to tell what we did" says Gaby to Jessica and, casting a slightly saddened look at Eduarda, says, "and I wasn't the only one to come from that direction Erick also came from there"

"What the fuck", thinks Erick that made it clear that his suspicions were right and Gaby had really seen him and Eduarda in the cave.

Jessica now looks interested from Erick to Eduarda, and her mood is getting worse.

"I didn't kiss anyone", says Eduarda almost in a whisper, it was so low that if the people there weren't wolves they wouldn't hear.

Joshua lets out a breath he didn't even know he was holding.

"I didn't say, who would want to kiss her," says Trevan

And Erick looks at the fragile and thin girl and for him she was beautiful.

Erick feels like slapping himself, when he realizes what he was thinking. Standing up he says:

"That's enough for me"

"Can I go with you?" asks one of the girls he sometimes sleeps with.

Erick reflects for a moment, in reality he wanted to be alone, to put his

head in place, but maybe that was exactly what he needed, to get that kiss out of his head.

"Of course" he replies and walks away without looking back even once.

This completely takes the focus off Eduarda, who takes the opportunity to approach Joshua and discreetly asks:

"You didn't tell me where I'm going to sleep now"

"Yes, of course your stuff should already be there, but do you want to go now? It can get a little noisy."

"It's just that classes start tomorrow and I don't have the same disposition as you"

"Of course little sister, just give me ten minutes, I need to send a message to Uncle Pedro, wait for me here", says Joshua and walks away feeling guilty for having changed her dorm because now she would have to put up with Erick's visits

As soon as Eduarda is alone, Gaby approaches.

"Are you okay", he asks Eduarda, who feels ashamed just imagining that Gaby could have seen what happened between her and Erick.

"Yes," she says, avoiding looking at him.

Gaby sighs and says:

"Look at me Eduarda, I did nothing to deserve this ice"

"Did you see it?", asks Eduarda

"Yes" says Gaby looking at her with a certain sadness in her eyes, and asks:

"Do you like him or something?"

This time Eduarda does not hesitate and says sincerely looking at Gaby:

"Of course not, after all we are talking about Prince Monster, he just appeared and then I don't know what happened to me I just responded"

"I see" says Gaby looking more excited.

In a dark corner not far from there Erick observes the scene.

Right after he left, he dismissed the girl who was with him and remembered that Eduarda didn't know where her new dorm was, but when she came back she was talking to Gaby and he decided to listen to the conversation from the shadows.

Now his eyes glowed red and he was gripped by a fury he had never felt before. He calls the link to the girl he just dumped and tells her to meet him in her room as it would be a long night.

And turning around, she thinks it was great because he didn't want anything to do with that weakling either, and that she didn't expect more help from him, because he would only do what was necessary to keep her alive for Joshua's sake.

After all, he was the Monster Prince and he didn't need anyone.
