Tae : Uh-uh and I will try (then looking to the kids and thinking hard from what he remember) Ren, Ken, Ellyn and Lynel

Rei : (suddenly laugh because he got it wrong)

Tae : I got it wrong, right?

Rei : Both wrong and right

Tae : So I only guess right between Ellyn and Lynel then I got wrong between Ren and Ken

All : Uh-uh

Tae : I see, but if both Ken and Ren wear there favorites color then I can tell

Rur : Ev wmp crmj mpz dfsmzaou hmimz Urhiu?

Ellyn : Did Auntie Rei teach Uncle Tae our dialect?

Tae : Uh-uh

Ken : That's good to hear Uncle Tae and we can converse to you very well.

Tae : Thank you Ken

Lynel : By the way Uncle Tae, Auntie Rei is really beautiful right?

Tae : Uh-uh

Lynel : He, he, he

Mei : Why are laughing for Lynel?

Lynel : Nothing Auntie Mei but what are we doing tomorrow?

Lyn : It's gathering of the guest, we're already here but we just wait what time the guests will gather.

Mei : Yeah but I think Lynel and you guys will be have a rehearsal tomorrow since all of you are entourage

Lynel : Ah, that's right

Ellyn : Speaking about entourage, is Jiro and Kaede also in the entourage?

Rei : Mmm... from what I remember from the invitation only Kaede, Ellyn since Jiro is still young to walk the aisle.

Lynel : Did you meet them Auntie?

Rei : Personally not yet Lynel but in the photos yeah since Fengfeng almost everyday sending me her kids photo.

Ren : Right, right and Auntie, Kaede is my crush.

Lynel : Me too, Jiro is my crush Auntie.

Both : (Ken and Ellyn) both of you you're unbelievable, Jiro and Kaede are both kids and young.

Both : (Ren and Ellyn) so do we.

## Chapter 212 - Three ladies who's ? Pregnant

The kids are all arguing but only changing of words since violence is not allowed to there family while the a.d.u.l.ts are just looking with the kids arguing each other.

Lynel : Geez Bro Ken and Sis, Jiro is 2 years old and me just got 4 years old.

Ren : Same here Bro and Ellyn, Kaede is 3 years old and me 5 years old, so only 2 years of gap.

Ken : But still all of you are still young.

Ren : Eh, really? Then how about Conan? He have a crush on Ran who's a high schooler, you know

Ken : Conan is not a kid but also a high schooler like Ran.

Lynel : Then how about Ayumi who have a crush to Conan?

Ellyn : It's a just a crush Lynel and Ayumi admire Conan being a smart and genius boy without knowing that he is a high schooler.

Both : Then it the same with us, we have a crush on them as being cute and adorable.

Both : speechless

Mei : Alright, alright enough with that but how about you Ken and Ellyn?

Both : We're still young

Lynel : Indeed a young but both of you are more m.a.t.u.r.e compared to your age and maybe both of you are Conan and Haibara in disguise.

Ken : I and Ellyn both young in age and body.

Rei : Mmmm.....I guess 5 Senians Kids and 5 Ceno Kids

Ken : By the way Auntie Rei, how about you?

Rei : Just a guest Ken but tomorrow all of you need to be intact with one another and wait for us to pick you up. We will drop you first and wait us at the same place alright?

Ken : Yes Auntie Rei

Rei : Good, good and if something happens especially with Ren and Lynel around then wait for us and we will be the one searching for them in case they got lost.

Ken : Yes Auntie Rei.

Lynel : Neh, Auntie Rei we're not that easily to get lost

Ren : Me too.

Aii : (Ekhuno Tfu) zufiiw?

Both : Slight

All : Are you sure?

Both : Alright, alright we admit.

Mei : Just don't separate with your Brother Ken and Sister Ellyn guys and also Kaede is in your hands Ken and Ellyn.

Both : Yes Mom/Aunt Mei

Aya : Alright let's sleep now and you must also rest early Rei since you're pregnant.

Rei : Yes Ma.

Mei : Wait, are we forgetting something?

All : Forgot about what? (then all of them except Tae and Rei suddenly their stomach growling)

Mua : Guux ju loaii tatr'o ufo frt jvuzu'l ovu zmmq luzsahu l hfii? (ovur Mua hfiiut f zmmq luzsahu) wul emmt usurare, l fizuftw hfiiut f zmmq luzsahul dmz tarruz dzmq VIP zmmq 7.

HR : Yes Ma'am, we thought no one's around since nobody answered from your room and then our staff already there for 5 times already.

Mei : Ah, sorry we didn't heard anything

HR : It's alright Ma'am and we will serve it 15 minutes by now.

Mei : Thank you and sorry for the inconvenience. (hung up the phone then glaring at Rei)

Rei : Oh, sorry if both of us arrives before the meal service.

After 15 minutes the meal service arrives and the family start dining together. Both Tae and Rei seat at the dining table and only a small portion since they already eat and suddenly the two wife start feeling nausea.

Mei : (nausea)

En : Are you alright My Mei?

Lyn : (nausea)

Ei : Azu wmp fizaevo Lwr?

All : (kids) what happen Mom? (asking their Mom who seated beside them)

Both : Nothing

Aya : (have a guess but she test the pregnant one) Rei, try this one.

Rei : Yes Ma (get one piece of what they eat) it's sweet and sour Ma and from what I know this is one you like Mei and Lyn, so..... (Rei paused because the two stand up from there seat and go to each lavatory before they start throwing up) are these two both pregnant?

Aya : That's also my guess Rei and kids.

Kids : Again (then cover there ears)

Aya : El and En did you do it without protection?

Mei : (just got back from the lavatory) geez Ma, what kind of question is that? I'm not a mistress and legally married to En so we always did it without protection but I never taught that there would be a day that I become pregnant again since I taught En can't produce anymore since his old.

En : I'm only 34 My Mei

Lwr ; Sfqu jaov qu Mf ju'zu tmare ao jaovmpo nzmouhoamr frt ofpevo ovfo I jmr'o dfii nzuerfro frwqmzu gpo I epull I emo nzuerfro fefar .

Rei : Geez Mei and Lyn, we're eating now and don't talk about that one. You're explaining it without feeling embarrassed (then continue eating and all of them laugh including Tae and except the kids since they didn't heard what they're saying) why are you laughing?

Mei : (still laughing) ha, ha, ha y—you. Ahem, Sis you're saying that one and yet you eat the hotdog, so it's kind of weird.

Rei : (looking what she eat and realized something while blushing)

Mei : See and you too Bro Tae why are you suddenly blushing when Sis blush?

Tae : Nothing

Aya : Enough with this topic and let's continue eating (then signaling the kids that's it's alright now)

After eating the family seated again at the living room and wait for the foods to digest well before sleeping. After an hour the kids and Aya got to sleep first and now the married couple are talking and chatting with each other.

Rei : So Mei and Lyn, do you have any idea how long you're pregnant?

Mei : No idea Sis because My En arrive last week and we're doing it everynight.

Lwr : Sfqu vuzu Sal Rua guhfplu ju'zu tmare ao usuzwraevo dmz fiqmlo 3 wufzl jvahv al mru qmrov fdouz ovu ojarl gmzr.

Rei : I didn't ask about that one, idiot.

Mei : Common Sis you're already married and you're also did it everynight right?

Rei : .....(Speechless)

Lyn : Nah, for sure they didn't do it everynight because it's twins and it's risky to do it everynight so only once a week Mei

Mei : Ah, that's right, that's right. Just once a week and also both Sis Rei and Bro Tae are busy with their careers as an Artist and Manager, then they also got married secretly so maybe they only did it when they are both free.

Both : (Rei and Tae) 'How come she so precise and can guess it right away?

Mei : (She notice their expression and guess what they're thinking so she said to them) That's also applied to me and My En since My En will come home twice a year and within one month of stay so we did it every night.

Lyn : Ahh I see

En : My Mei and Lyn both of you are talking and chatting as if we're not here.

EI : Uh-uh and even all of us are married but that kind of thing is a very private matter and only the couple both husband and wife can tackle that one, so Mei and Lyn you must be reserved, take Rei for example.

Both : Okay Bro EI / EI

Mei : Wait My En and Bro, this is only for one last time so Sis what position do you like the most and how's your first time?

Both En and El glared at her while Lyn laughing out loud then Rei blushing hard and Tae just looking to his wife and feel amused.

En : Let's go to our room and Rei forgot what my wife and your sister ask you that one.

Mei : Tsk

El : The three of you are pregnant so you must sleep early especially you Mei and Lyn.

All : (the three ladies who's pregnant) okay Bro El / El.

They entered to their own room, yes Fengfeng really prepared everything for the convenience of their guests take for example Rei's family they have 4 bedrooms in VIP Suit for her mother, the Din's family, Jang Family and Rei without knowing that she's married but well after hearing that Rei will bring one so without hesitation Fengfeng advise the organized this type of room.

Well only exception for them because Rei and her family really help the family to reunite again and solve their family matters.

Rei and Tae already lying on the bed then Tae suddenly remembered what Mei ask awhile ago.

"So Hon, which position do you like the most and don't worry about how's your first time because I already know about it and I will never forget your expressions that time, so which one?"

"Pervert"

"Yes and only you Hon"

“Do you really want to hear it?”

“Uh-uh I want to hear it”

“Then tell me which one you like first?”

“I like all our position but the one I love I most is when you’re on top of me while riding on me then kissing me passionately. Let’s do that one when you’re not pregnant since we only did it once, so let’s try it again”

“P—pervert”

“Uh-uh, so how about you Hon?”

“Only this time and I would never repeat it”

“Okay, so?”

“When you’re on top of me because I can feel that I’m really belong to you”

“I see so both position we love is both on top”

“Shh quiet and I don’t want our kids to inherit your pervertness”

“Inherit or not, as long as they’ve become a man and reach at the right age then they would be always a pervert and shameless to their wife”

“.....”

“By the way Rei?”

“Mmmm”

“As what you said you’re family is really kind and nice and most of all, all of you are all stunning and a real beauty”

“Eh, really?”

“Uh-uh. For sure tomorrow and the wedding, all of the guest will surely looks where we seated and you might steal the couple’s attention.”

Chapter 213 - Runs from the family

The family are now sleeping safe and sound with their love of their life at their each other side except Aya, their mother because their father and her husband died when the siblings still on their high school year. Even the wall of the family died for almost decades, the family are still united and strong because of Aya.

Around 8am, after eating their breakfast Rei, Tae, Lyn and Mei go to the hospital for confirming if they’re really pregnant and their chauffeur is En because he doesn’t want these pregnant ladies to drive especially Rei who own the car because she’s already 4 months pregnant.

Rei : You’re so strict Bro En

En : Of course it’s yours and Tae first baby so how are you so careless, huh?

Rei : I’m not careless alright, geez

Mei : Ha, ha, ha My En is like that Sis but well unknown to him I also drive when I’m 7 months pregnant with the boys.

En : I see so you really didn't follow my orders huh?

Mei : Oops, I said it loud.

Lyn : Don't worry Bro En because pregnant women can drive as long as we didn't put any pressure on our tummy.

En : Alright alright but I'm still the one will drive and tell me the way Rei.

Rei : Alright Bro En

En : Tae as what I remembered these 3 ladies youngsters are all stubborn since they're almost at the same age but the most stubborn one is your wife so don't let her do what she wants. You're the husband so you must control her.

Rei : Geez Bro En I can't believe you, you ruin my nice reputation to my own husband and I'm here you know.

Mei : Ha, ha, ha and that's a prove that My En is really an old man (and she received a glare from her husband) I said the truth and I'm not lying.

Tae : I understand your worries Bro En but I trust Rei and I know that she know her limits. 'and except that time'

Rua : (film zuhuasut f eifzu dzmq vuz vplgfrt) 'I fizuftw iufzr ovfo qalofcu Dufz frt I fizuftw jmr'o nplv qw iaqaol'

.

Tae : 'Good, good and that's my wife'

Lyn : (who can't eat more dogs from this couple since her husband left in the hotel together with Aya and the kids) alright, alright stop with you're sweetness and let's go now.

Around 40 minutes, they arrived in the hospital and follow Rei's lead which they never realized that all the hospitals staff are looking to them because all of them are all stunning.

"Knock, knock, knock"

"Who is it?"

"Doctor Annie it's Rei"

"Come in"

Then all of them entered and Rei said it straight and direct to the point "Doctor Annie this is my Sister and my sister in law, we're here to know if they're really pregnant"

"I luu ovur ju jmpit euo f lfqniu gimmt oulo md ovuq"

Doctor Annie get a sample blood of Mei and Lyn "I will bring this to the lab and I will be back 15 minutes from now. You can seat there and have a chat. And by the way Rei"

"Mmm"

"You have a stunning family members "

"....."

"See I told you Hon"

“Sis, Sis is that your doctor?”

“Uh-uh”

“I see”

After 15 minutes, Doctor Annie come back with the result and ask them.

“Azu gmov md wmp fzu f dazlo oaquz ar euooare nzuerfro?”

“It’s our Second time Doc same with my sister in law”

“Ah I see so that’s why you already know that you’re pregnant after noticing the early symptoms of being pregnant except Rei who’s been so naive and doesn’t know that she’s pregnant and push her limits that she almost meet a miscarriage”

Tae, Rei and Mei : ‘Thankfully Bro En / My En doesn’t understand Senians or else another mouthful of scold from him’

“You there lady (Lyn) you’re 2 weeks pregnant while you (Mei) is 1 week pregnant”

Mei : Alright thank you Doc and please take care of my sister.

“As always Dear and I already treated Rei as my daughter”

“I see and we’re going now Doc”

“Bye Doctor Annie”

“Bye Rei and don’t forget to always inform and report to me through message every week about your pregnancy”

“Yul Dmhomz Arrau”

Then the family leave and once again En is the one driving going back to the hotel. En is the one driving leaving Mei seating at the other side while at the back Rei is the middle between Lyn and her husband and now chatting using the Ceno Language again.

“Sis I forgot to ask but is this the car you mention that you owned after 6 months as a secretary?”

“Uh-uh, why?”

“Woah as expected from the CA International Company”

“Uh-uh, I’m quiet surprise that this is the one they give me”

“I see but Sis how come you’re plate number is Bro Tae initials and his birthday and not yours?”

“...” forget about this one and suddenly blush.

“Eh, what do you mean Mei?”

“So you didn’t notice it Bro Tae?”

“Uv-pv”

“JTW1110, that’s the plate number of your wife’s car”

“Now that you mention it Mei, yeah you’re right it’s my initial and my Birthday”

“Did you also know that you’re the Main Bias of Sis?”

“Uh-uh”

“So how did it feel to marry a fan?”

“I’m lucky indeed because Rei knows me as an artist and as my own self”

“I see but Bro Tae I never expect that you’re this talkative type since what we know about you is an aloof and cold type”

“I’m indeed like that but I will be talkative to the person I love and to my family”

“Ahh, I see so you and Sis have the same characteristics”

“Ev zufiiw Mua, oval al qw luhmrt oaqu vufzt ao frt dazlo ao hmqu dzmq qw qmovuz ar ifj, Tfu’l Mmq”

“Oohh, so both of you didn’t realize it yet” both of them are nodding their heads “I see but well Bro Tae and Sis, both of you are aloof and cold type but the truth is you’re soft and kind of in terms with the one you converse and mostly it will be this type towards your family and friends”

“I see”

“My Mei you’re saying as if you’re not like that but you’re also quiet aloof and cold but Rei is more since Rei never converse with who she doesn’t know and never friendly”

“Uh-uh and same with El, he’s also like that being cold and aloof type but on the other hand he’s friendly and nice to everyone.”

Both : (Mei and Rei) Ohh, so it's run from the family

Lyn : Ahh that's right Mei and Sis Rei, how long I'm pregnant?

Mei : 2 weeks pregnant and My En I'm one week pregnant and that's the day you arrive that we did it right away.

All : (speechless)

#### Chapter 214 - Jinyu and Ellyn

They arrived around 11 am and Tae right away taking a picture of his wife plate number the moment he hop on from the car and indeed his wife plate number is really has his initials and birthday. He never taught that he just realized it now the moment he he heard from Mei about that and that's the reason why he got out from the car hurriedly. Mei notice this action and asking her brother in law

Mei : Why didn't you not notice that one Bro Tae?

Tae : I don't know but well it's another proof that Rei is really one of my fans.

Rei : Unofficial Dear

Tae : Uh-uh, well you're an Unofficial Fan but my official and legally wife.

Lyn : Geez, I'm going first because I'm already feed with your dog foods and I'm going to where my husband is (then left right away since both of the sisters are being taken care by Tae and En, their loving husband)

All : (speechless and then followed her)

Mei : Sis what did we do to Lyn?

Rei : Who knows.

Both : (Rei and Mei) Did we do something to Lyn?

Both : (En and Tae) 'They are really sisters indeed'

The couples arrives at their room and found out that Lyn seated beside her husband and do nothing instead just laying her head on her husband shoulder while wrapping her arms to his waist..

Aya : So how is it Rei?

Rua : Mua al 1 juuc nzuerfro jvaiu Lwr al 2 juucl nzuerfro.

Aya : I see

Mei : So Lyn why are you hugging Bro El like a koala?

Lyn : ...

Rei : By the way Ma, where are the kids?

Aya : They've been got called first by the designer .

Rei : I see but they already receive their dress and suit last night.

Aya : Uh-uh and I don't know why they got called

Rei : So who's with them, and wait first? So there's still someone calling them?

Aya : The Designer and other 4 kids including Kaede. Yeah, since the event organizer also called them

Rua : I luu.

EI : Don't worry about it Rei, Ken have my phone so he will call us if something wrong with the two naughty kids.

All : That's good.

——Back to the kids——

They are 10 kids that includes for the entourage and the two designers and the event organizer that are both fluent in Senian and Ceno. The in charge are now talking with the kids for the briefing of the ceremony tomorrow and during the afternoon rehearsal so that they will know what they're going to wear for each segment. Yes, the entourages, the groom and the bride will wear two sets of clothes for the ceremony and for the reception. The designers are talking to the kids and the others that part of the entourages.

As a serious Jinyu, he listen to the designer attentively but his stealing a glance of Ellyn without letting them know or taking a notice of him, as only he taught since someone notice it.

'Woah, she's really beautiful indeed' then continue listening to the designer while stealing a glance to Ellyn but got interrupted with his brother.

"Bro Yu, who's Ellyn? I can't tell it because they look alike"

"They're twins Xi"

"I see but can you tell who is who?"

"Uh-uh, stop talking and listen to them"

"Geez, stingy" then looking to them and commented 'they're more beautiful compared to the picture Auntie Rei showed us but still I want Aunt Rei daughter. He, he, he'

---- Both twins side ----

Ren : Neh, Ellyn.

Both : (Ellyn and Ken) quiet

Ren : Tsk, what a strict kids you are? But Ellyn I thing there's someone looking at you.

Ellyn : It just your imagination Ren

Kaede : Yeah it's just your imagination Bro Ren

Ren : Nah, it's not. Did you notice it Bro Ken?

Ken : Notice about what?

Ren : That there's someone looking to Ellyn

Ken : Just your imagination Ren

Ren : It's not and how about you Lynel?

Lynel : Yeah I think so but quiet Bro Ren, I'm searching my prince charming.

All : (speechless)

Kaede : Ehem, ehem so do you find one Sis Lynel?

Lynel : Uh-uh they're two but they're too handsome for me so I still prefer with your brother Kaede.

Kaede : Uh-uh and no body can defeat my brother's cuteness.

Lynel : Speaking about your brother, where is he?

Kaede : Mmmm, Mom and Dad are busy with the wedding, same with Aunt Meng, Grandpa and Grandma, so who knows where is my brother now?.

Ren : Eh, you don't know where he is?

Kaede : Uh-uh but well before the designer picking me up in the room, Jiru is still sleeping at that time but now I don't know if he get out from the room.

Both : (Ken and Ellyn) Jiru must still be in the room since he's too young to open the door.

Kaede : Uh-uh

Ken : Alright enough with this talk and let's listen to them first.

All : (they nodded)

Several minutes pass by before the designers dismissed them, both Ren and Lynel see a little glimpse of a young boy and react together

Both : (said it loud in Ceno) eh, that's Jiru right?

Lynel : Uh-uh it's must be (then hold her Bro Ren and the two run off)

Both : (Ellyn and Ken) hey where are you running off?

Bmov : ..,... (rm frljuzut dzmq ovuq larhu ovuw fizuftw mpo md laevo frt zpr dflo)

D1 : Alright Kids, just stay here and let's us find t.... (didn't finish her statement since the three kids also running off and following them) what the heck? For sure I'm getting fired because Kaede is also with them.

D2 : Everyone you can go back to your room first and the other kids please stay here before we will drop you off to your room

All : (who understands Senian) yes Sir

D2 : Alright you can dismiss now and Amanda, let's find them before they got lost.

D1 : Yes Derrick.

The two follow where the kids run off and then out of nowhere there's also a young boy who follow them.

"Xu just stay here and don't run"

"Okay but how can you help her?"

“Just stay here”

“Uh-uh” then his brother running off to the opposite side because he knows that the building have an adjacent that connect to both ways.

Kaede : Bro Ken and Sis Ellyn, is that really Jiru they saw?

Ken : It must be Kaede since Ren and Lynel are not the type to act rush if they're not sure who they saw.

Ellyn : Yeah but these two forgot that we're not at home and we're in other place.

The designers, the brother and sisters are still looking for them including Jinyu

Jiru ; B---Bro Ren and Sis Lynel, are we lost?

Ren : Yeah we really got lost after running after you Jiru.

Jiru : Ohh ohh, sorry

Lynel : It's alright they will find us but before that how did you get out?

Jiru : I'm following my sister when she got out from the room then I got lost sight of her so I was wondering and walking around before you find me.

Both : (Ren and Lynel) so the designer forgot to lock the door?

Jiru : Mmmm? (didn't get what they meant)

Ren : Alright let's not walk and just stay here so that they will find us.

Lynel : That's right.

After 5 minutes, the three of them are just standing and waiting for them to find them.

Jiru : (got worried and ask them) Bro Ren and Sis Lynel, am I not going to see my parents and sister anymore?

Lynel : Don't think about that Jiru. Just trust my sister, Bro Ken and your sister and for sure they will find us.

Jiru : But.....

Ren : Just trust what your sister Lynel said Jiru.

Jiru : Uh-uh

Lynel : (whispering to Ren) are they really going to find us?

Ren : (whispering to her back) who knows but Bro Ken have a phone of Uncle El so he must call them if they're not going to find us.

Then again, the three kids who got lost still waiting for their siblings to find them meanwhile their siblings are still searching where they are until the three of them found a young boy standing at the corner with a graceful surroundings around him that they can't help but thinking at the same time.

'Is he a young boy and around the same age with us?'

Chapter 215 - My Mom is a spoiled brat

The three kids are hesitating if they're going to approach and ask the young boy because they feel his presence that's very different from them.

Kaede : Are we going to approach him?

Ellyn : Don't know, how about you Bro Ken?

Ken : Let's give it a try

Kaede : And what if he doesn't understand us?

Ellyn : As what Bro Ken said, let's give a try (then the three of them approach him and she's the one asking in universal language one) uhm, excuse me (then the boy looking to them)

Kaede : (speaking in Ceno) eh, did he understands us?

Ken : Maybe since he's turning his head to us.

Ellyn : Yeah you got a point Bro Ken (then continue asking him) Have you meet a young girl who have the same face of me, a young boy who have the same face of him and a little young boy who's very cute?

Jinyu : (just standing in a daze because his crush is talking to him)

Eiiwr : Uvq, vuiim?

Kaede : Sis Ellyn maybe he doesn't understand us

Ken : I don't think so his looking to you Ellyn while in a daze.

Ellyn : Are you sure?

Ken : Uh-uh

Ellyn : Why? Did I have dirt on my face?

Kaede : Nah you don't have Sis Ellyn and you're beautiful

Ellyn : Then why his looking at me?

Both : Who knows?

Ellyn : Uhhh, hello? Are you alright? (then tapping him to be sure his a human) his a human guys and not a robot.

Jarwp : (guhflu md ovfo vu ifpev lm vfzt)

Ellyn : Ehh, you understand us?

Jinyu : Uh-uh and sorry for my late reply but I can help you guys.

Ken : Thank you but you're not a Ceno right?

Jinyu : Uh-uh and that's why I can help and let's ask around here if they meet them

Ellyn : Thank you and you're a great help aside from Universal Language we don't know anything and lucky that we meet you and understand us

Jinyu : It's alright and let's find them first.

All : Uh-uh

The four of them are searching and looking around for the other lost kids and Jinyu is the one asking the hotel staffs and personnels if they meet them but they just only receive the same reply that they didn't and they continue searching for them. The kids aside from Jinyu are amaze by his maturity and then Ellyn can't help but ask him

"Are you sure you're still a Kid?"

"Uh-uh, why?"

"It's because you're talking with them like you're the same age with them."

"T.....that"

"It's alright and I think it's your personality. Ha, ha, ha you look like Conan that way"

"Conan?"

Kaede : Eh, you don't know who's Conan?

Jinyu : Uh-uh, so is he a friend of yours?

Ken : You don't know him?

Jinyu : Uh-uh

Ellyn : Woah, I can't believe you, how come you don't know him when mostly of the grown up and us, kids know him.

Jarwp : Tvfo...

Ellyn : I see so you don't really know about Conan

Jinyu : (shyly nodded) but I know Conan from.....

Ellyn : (both of them got interrupted by the Designers and Meng)

Meng : Ahh, you're here kids.

All : (Except Jinyu) ah, Auntie Meng

Meng : Thank goodness that we find you and did you find them?

Ken : Not yet Auntie Meng

Meng : We also didn't find them but for now we will drop you off first to your room before we continue looking for them.

Ken : Yeah that's a good idea but well...

Kfutu : (hmroarpu jvfo Kur emare om lfw) Aproau Mure, qw Mmq mz wmpz lalouz al f Inmaut gzfo wmp crmj frt ad lvu crmjl ovfo Jazp al imlo ovur (imicare om ovu ojm tulaeruzl)

D2 : Yup, yup we continue searching them

Ellyn : Auntie Meng someone helping us searching them since we don't know how to speak Senians but still we didn't found them.

Jinyu : (Understand what they're talking about even though they speak in Ceno but it's not yet the time to know her that he knows Ceno and gladly he already learning the Universal Language 3 weeks ago when he request to Rei that he must study both because he doesn't want Ellyn to know that he already know how to speak Ceno and maybe it's obvious why, so to avoid being caught he suggest Rei that he will learn the two language at the same time) By the way, we didn't try another floor so why not try at another floor?

D1 : Yeah that's right.

D2 : You got a point little boy, so why not try searching them at the other floors?

Both : (Ken and Ellyn) No, we can't

Meng : Eh, what do you mean Uhm.....(confuse who is who)

Ken : Ken, Aunt Meng and what we mean is knowing Ren and Lynel although they're both noisy and hyper sometimes the two of them are not the type to get far and for sure they're just at the same floor waiting for us to find them.

Kfutu : Hmj fgmpo Jazp?

Ellyn : Don't worry Kaede, the two of them are fast runner so they already have Jiru with them since we didn't meet them when we searching them so for sure they just stay at one place and waiting for us.

Meng : Alright we trust you guys but we already searching for almost half an hour and you can tell them first except for my sister's, how's that?

Ken : That's right. I will call them first and letting them know that....

The lost kids are already tired of waiting so they take a nap until they heard a familiar voice talking and interrupting him.

Ren : You're slow Bro Ken

All : Eh?

Lynel : Yeah very slow but at least you find us.

Ken : Wait a minute, how long did you hide there? (a corner with a plants that covered them so that's why they didn't see them)

Ren : From the moment we found Jiru

Jiru : (directly hugging Ken) Ahh, you found us Bro Ken

Ken : We've been searching for half an hour and been pass by here for 5 times so how come all of you didn't heard or saw us unless all of you are taking a nap.

Both : (Lynel and Ren) Bingo, ha, ha you're really like Conan, Bro Ken

Jinyu : 'Conan again, who is he? An anime character or a friend of them?

D1 : Alright now you're here we will drop you off first.

All : (Except Jinyu) Okay

Meng : Mr Dirrick and Ms Amanda I will be the one dropping my niece and nephew.

D2 : Yes thank you Ms Meng

Meng : Your welcome and make sure this kids will be return safe alright.

Both : (Designer) we will

Meng and the kids left when they bid goodbye and then the designers dropping of the kids and forgot about the young boy existence except for the other one.

Chapter 216 - Rehearsal

Before all of them left and dropping of the kids first to there room, one of them excuse herself.

“Ah, wait for a minute”

“What’s wrong?”

“...” no reply since she go where the young boy standing is and said to him using the universal language “thank you for helping us and can you go back on your own?”

Surprise that she’s concern with him but he answered it right away “your welcome and yes I can go back on my own”

“That’s good and by the way I’m Ellyn, how about you?” then offering her hand.

“Jinyu” and accepting her hand.

“Jinyu? I see and nice to meet you” then she run off where everyone is.

Jinyu standing in a daze and blush then enough to heard them and understand since they’re talking in Ceno.

Lynel : Who’s that Sis you’re boyfriend?

Eiiwr : Wvuzu tat wmp iufzr ovfo jmzt?

Lynel : I’m smart you know so is that you’re boyfriend?

Ken : Not a boyfriend Lynel and he help us about searching you guys

Ren : I see, so a friend?

Ellyn : His also one of the entourage

Lynel : Okay, then what did you talk about Sis?

Ellyn : Nothing

Lynel : Really then why did I smell something fishy?

Ren : Same here

Ken : Ren and Lynel enough with that and you must thankful of him that he help us.

Both : ..... 'what a killjoy?'

D1 : I don't know if you're a kids or not

All : We are, why?

D2 : Ha, ha, ha it's because you're talking like you're an a.d.u.l.t.

All : Ha, ha maybe it's because we like Conan.

Jinyu : 'Conan again but wait why the four of them like Conan? I need to search first who is Conan before my mind running wild' (then left and go where he left his brother). Xi, let's go now.

Jinxi : Ohh, you found them? (got up from his seat and approach his brother)

Jinyu : Not me and they just appeared out of nowhere.

Jinxi : I see but why you're face is red Bro Yu?

Jinyu : Nothing

Jarka : (Inuuhviull)

Jinyu : By the way Xi

Jinxi : Mmmm?

Jinyu : Is there's another kid have a name Conan aside from the anime?

Jinxi : Seriously Bro, you don't know how famous Conan is?

Jinyu : (shaking his head)

Jinxi : That's the result of being too serious and I've been watching that anime everyday so how come you didn't know and for sure it's famous name for the kids since it's popular anime?

Jinyu : I see, so it's possible to have a name like that?

Jinxi : (nodded)

Jinyu : I see then let's watch it together again

Jarka : Ev, zuffiw?

Jinyu : Uh-uh

Jinxi : Alright we will from the start. Woah, my brother becomes a kid now. Wait, I just realized it now that Bro Yu you look like Conan a seven year old boy who's too serious at his age but well his an high schooler inside and you is the real kid.

Jinxi is being excited that his brother got interested to watch his favorite anime but unknown to him, his brother is just interested because of Ellyn since they mention Conan several times but he was not sure if it's the anime or another kid who's going to be his rival.

Meanwhile the other kids, already got drop off by the designers and apologized that they lost sight of the kids awhile ago and instead of getting scold the family they just thanking them and nothing else since nothing happened to them. Both Ren and Lynel are telling why they got lost and then Lynel telling that Ellyn found a friend but don't know who it is since Ellyn didn't tell who is he.

At lunch, the family together with Tae eat and chatting again then waiting for the gathering of guests. At exactly 1pm, they get out from the room and drop the kids first for the rehearsal and Aya, as a worrywart grandma remind the kids.

“Listen kids, don’t wander around and just stay here”

“Yes GrandMa / Mama Grand”

“Good and don’t do that again”

“Uh-uh, we promise”

“Promise is a promise” then they left the kids for the rehearsal.

—The rehearsal—

EO : Alright Ladies, Gentlemen’s and Kids please line according to what I say (based from invitation and called them one by one using the Universal Language then translate to Ceno and Senians) alright and good, good (but then as an event organizer for almost decades this is the first time his going to change the line up because after seeing the beauty and appearance of the kids she change her minds) alright they’re a changes for the line up of the kids.

All : Eh?

EO : Just trust me guys and I’m a professional. So kids listen alright and this is your final line up (then looking to them again and then re arrange it accordingly to their beauties and height), first for the young boys, you will be the first (Jo Rui), you’re second (Li Jinxi), you’re the middle (Jang Ren), then you (Jang Ken) and then you’re the last (Li Jinyu). Good, good, remember this is your final line up.

All : (young boys all nodded at the same time)

EO : Good, good now for the young girls. (Looking to them again and then re arrange it again accordingly to their beauties and height), you will be the first (Du Ara, daughter of the groom sister), next you (Meng Shi, daughter of the bride cousin), you're the middle young Miss Kaede, follow by you (Lynel) and you will be the last (Ellyn). So kids remember this line up and it is the final one and we will ask your name so that we can't be wrong calling you since I re arrange it.

Then her assistant get the name of the kids, make a name tag then put on their upper right c.h.e.s.t before proceeding the rehearsal. The entourage practice is about when to walk the aisle and then walk together with their partner who line up with them. After the organizer got satisfied with their walk, they got a short break.

Ren : Woah, I'm happy that they arrange the line up and I got partnered with you Kaede.

Kaede : Yeah, I'm so happy Bro Ren.

Lwru : Nuv Bzm Kur, immc mpo jaov Sal Eiiwr.

Ken : Mmm...(then looking to their direction), they seem close now

Lynel : Right, right

Ellyn : I taught my partner is Bro Ken

Jinyu : 'So she doesn't like to be partner with me'

Ellyn : (as if she understand him) Ahh, that's not what I mean Jinyu and I'm just surprised that you're my partner that's all.

Jinyu : I see

Ellyn : 'So he doesn't want to talk me'

Jinyu : By the way nice to meet you Ellyn

Ellyn : Eh?

Jinyu : I didn't reply you this morning since you run off like a flash

Ellyn : Ahh, that's right

Jinyu : I'm not a talkative type, so I don't know what are we going to talk about

Ellyn : Same here

Jinyu : By the way how old are you? (asking her eventhough he already know)

Ellyn : 4, how about you?

Ken : I will be 8 next month

Ellyn : 8?

Jinyu : Uh-uh, why?

Ellyn : So that's why you're quiet m.a.t.u.r.e and the tallest kids among us.

Jinyu : Nah, you're two friends also tall and almost at the same height of me.

Ellyn : Friends? Nah, nah they're not my friends but my cousin but well we're also bestfriends.

Jinyu : Cousin? 'How come Auntie Rei didn't tell me about this?' (it's because you didn't ask Jinyu)

Ellyn : Yes cousin they're twins just like me and my sister. By the way how come you know it's me instead of my sister?

Jinyu : (Find an excuse but he can't find one so he didn't reply to her)

Ellyn : Brother Jinyu?

Jinyu : Mmmm?

Ellyn : Let's be friends, okay?

Jinyu : Uh-uh

Ellyn : Thanks

Jinyu : You will be coming back to your hometown after the wedding?

Ellyn : Uh-uh and now that you mention it how come we become friends when you're here and I'm in different country?

Jinyu : I have my phone on me

Ellyn : But I don't have a phone and my parents will give us phone when we we're turn 15 since that's our family rule

Jinyu : No worries and I will never change my number.

Ellyn : You sure?

Jinyu : Uh-uh

Ellyn : Promise?

Jinyu : Promise

Ellyn : Okay, promise is a promise

Jinyu : Of course and here's my number (then give her a calling card which is written in Universal Language)

Ellyn : Calling card at such a young age?

Jinyu : How did you know it's a calling card?

Ellyn : My Dad, Mom, Aunties, Uncle's and Mamagrand have this but you're still a kid, so how?

Jinyu : I see so you're a smart kid Ellyn but well you will know it at the right time.

Ellyn : Alright I will keep it and you must not forget your promise or else.

Jinyu : Or else?

Ellyn : You will know it at the right time.

The two of them are continuing their chatting and talking sometimes they will laugh leaving the other kids looking at them and wondering how they become close all of sudden.

Jinxi : Gaah, I can't believe my brother is too fast

Rui : Right

Jinxi : By the way what they're talking about?

Rui : They're not chatting in Senian so I don't know what is it

Jinxi : Gaah, why I didn't know and why we got partnered with a Ceno girls?

Rui : Silly, Auntie Rei is a Ceno and all of the young girls here are all Ceno.

Jinxi : Ahh, that's right

Lynel : Neh, neh Bro Ken let's eavesdropped them.

Ken : Are you planning to get scold by the organizer?

Lynel : Tsk, what a strict brother you are and why did they let us seat apart, now I can't eavesdropped what they're talking about. Look out with Bro Ren and Kaede they're talking and chatting same with Sis Ellyn and her partner chatting happily and yet here I am got partnered with you, so boring.

Ken : speechless

Lynel : I will be happy if I get partnered with Jiru

Ken : Are you my cousin or not?

Lynel : How about you Bro Ken, are you my cousin or not?

Mei : How about Bro Tae, did my sister tell you about it?

Na : Nah, she's too stingy for it and she doesn't want to share it.

Mei : Two years younger with my sister

Nf : I luu, I luu

Mei : How about you?

Na : 2 years older than Rei but almost the same age with Tae.

Na : For now yes but if we got busy it will be seldom but it's still enough for us since my husband are wild and beast in bed.

Mei : Ohh same with me and I don't know if Sis Rei is also like that since the two are married in secret.

Na : Yup, yup and Rei is not proud to tell how her husband bed performance at all.

"At last we now meet again Rei"

"How are you Fengfeng?"

"You're really cruel and you just left without saying anything"

"From what I remember you also leave me a farewell message during my farewell party and then you leave the hospital when you just regain your consciousness for my farewell party"

"Idiot you're still a Tsundere" then approach her and hug but not so tight since she's pregnant "I miss you Rei"

"I'm not your lover Feng"

"Why you didn't communicate me huh?"

"It's because I'm busy"

"Idiot, I know you're busy and I know that you always ask about me through Meng and I know you also visit me before you left me but you didn't leave any numbers in order to contact you, Geez, you're really a Tsundere because you're care with me but you didn't show it. I'm really thankful to you because you save me even though I'm a bad person to you"

"I already heard it and now stop crying you're pregnant"

"I'm not crying and it's just tears of joy because I meet you again after almost 3 years. (Release her hugs) by the way you already know who's going to be my husband"

"Uh-uh I know but you already married for almost 3 years"

"Ha, ha, right right, so then who is the one that you ask for another slot?" (didn't notice that Rei's pregnant)

"Him" (pointing Tae that seating beside her)

"Ohh, you're boyfriend?"

“Before”

“Eh?”

“Ha, ha, ha Sis Fengfeng it’s because they already married so that’s why before” Mei explained it thoroughly

“Eh, Married, you?”

“Uh-uh” confirming while showing her wedding ring

“Gaah, then why you didn’t invite me your wedding Rei?”

“Well we also got married in secret and we will be holding the wedding at the right time”

“Sweetie”

“Ha, ha, it’s alright Chief Lin and the two of you are really perfect to each other”

“...” Lin Wei speechless while blushing

“Shh, don’t say that one Rei or else he will be hurt since it’s come from his first love”

“You really change Fengfeng and now you become like Meng”

“Mom and Dad says that this is the way I am before I got separated with them”

“I see, so this is your true personalities so that’s why Chef Lin totally in love with you”

“...” Feng speechless and blushing hard.

“See, but well congratulations Fengfeng”

“Thank you” both of them said in sync and then blush while Mei interrupting them.

“Sis Feng and Bro Wei”

“Mmmm?”

“You’re really perfect to each other”

“...” once again both of them blush

“By the way, the two of you how did you fell in love?” Na interrupted them

“That’s right Feng, knowing you you’re kind of a spoiled brat like Na so how did your husband fall in love with you?” followed by Li Jin who received a pinch from his wife “ouch, I’m just starting the truth”

“Woah you’re here Na and Bro Li Jin”

“Of course we got invited so we’re here” replied in unison

“Ha, ha silly of me but well never expect that we have Goddess Li here, I taugt she’s not going to be here since she’s pregnant”

“How come I will miss you’re wedding Feng?”

“Yup, yup but tsk, tsk if I know that you’re here I might invite the media’s and some paparazzi’s for them to discover that you’re married”

“Ohh really then it’s not only but you will also expose Rei”

“Eh, what do you mean? Don’t tell me Rei married a celebrity?”

All : (except Lin Wei and the other guests who just away and far from them but they’re all looking to them) Bingo

Feng : Eh, really? (then they nodded together) I see, so that’s why he’s familiar to me so his a celebrity (looking to Rei and Tae) is it just me or I’m just hallucinating.

Rei : Hallucinating about what Feng?

Feng : Is it M’Dol Woo or his look alike?

Rei : Ohh, so you know him.

Feng : Gaah, I'm an official fan of your team and my bias is your leader.

Rei : How? And I'm just stating the truth

All : (Except the other's Rei family members since they're chatting using Senian the moment the star couple left them) just now Rei / Hon / Sis Rei

Rei : Ohhh I see but well Na and Doctor Jo same with Sis Li and Doctor Li they're both having different and opposite personalities so that's why I'm asking them.

All : (sweatdropped) 'now you're making it more clear'

Rei : Ahh by the way Na, where's Rui? Ahh that's right maybe he also one of the entourage.

Na : Rei you're the one answering with your query.

Rei : Ahh that's right silly of me.

Na : So how about your nieces and nephews?

Feng : (Rei didn't answered her since she got interrupted by her) Rei, come here I will introduce you to my board of directors and including my in laws. Don't worry my in laws doesn't know that your Wei first love.

Rei : Do I need to?

Feng : Yes, yes you're my sworn sister and including you Mei, Bro El and Mother Aya

All : Eh?

Feng : Come, come and fellow husbands and wife, I will borrow your lovers for a moment.

All : (En, Tae and Lyn) go ahead and return them safe and sound.

Feng : Ha, ha of course I will if not then I will be get prison without attending my own wedding.

All : (speechless)

Feng : Come here now Rei, Mei, Bro El and Mother Aya.

Rei : For sake Feng you're 8 months pregnant, how come you're so reckless?

Feng : Reckless? Nah, I didn't.

All : You sure you aren't?

Lin Wei : Sweetie careful, tsk, tsk you're really reckless Sweetie (because she almost got stumble but then being as a wife of the police officer for 3 years with a high rank, she's too fast and balance her feets as if she's not a pregnant woman)

Feng : Ha, ha lucky that my husband is a police officer.

Lin Wei : How come it's related to it?

Then the family follow the couple and Feng automatically introduce them to the Meng Shipping Lines board of directors and members before to Lin Wei family. All of them doesn't know that they are the one helping the company and the Meng Family but well the Din's Family are not the one who brag and show what they're the one who did it so it's normal for them not to be aware.

After introducing to them the family got back where they seated and then chatting before returning to their own room.

After the gathering of guests, the family pick up the kids but then they still discussing so they wait for a minute and find a seats since there's 3 pregnant woman in their family and one elder leaving the husband standing beside their wife.

"What are they discussing about?" ask Mei out of nowhere.

"Who knows?" answered all of them in sync that cause of them to laugh.

Yes, the event organizer are changing again the plan and it's about the performance for the entourage plan and want the last partner to perform anything because she really like the two of them.

EO : Alright guys you can go now, for Jinyu and Ellyn stay for your performance.

Both : Uh-uh

Chapter 219 - The two little kids

All other entourage left leaving the two with the event organizer and then the others kids see their parents, Aunties, Uncle and Grandma

Lynel : Mama Grand, Mom, Dad, Aunties and Uncle, you're here?

Ren : Obviously Lynel, we see them right?

Lynel : Yeah, yeah I have eyes of course

Rei : Why Ellyn is not yet here? (notice that Ellyn is not with them)

Ken : The organizer still have another plan for Ellyn and to her partner for another entourages performance.

Rei : Eh, but from the invitation Ren is Ellyn partner right?

Ren : Yeah Auntie Rei but then the organizer change it and from what we (Ken, Ellyn and Lynel) observe she change it according to our heights.

Mei : I see and which line you are guys?

Ren : He, he, he you will know it tomorrow, Mom, Ha, ha, ha.

Mei : Ren you're quiet happy so don't tell me you got partner with Kaede?

Ren : Woah, you're too smart Mom and how did you know?

All : You're expression can tell Ren

Ren : Ohh!

El : Alright who want to go first the room and who wants to wait for Ellyn (everyone raise their hands except Rei and Tae)

Rei : You guys if I raise my and Tae hands so don't tell me no body wants to wait Ellyn, huh?

All : We know that you're not going to raise your hand so that's why we raise.

Mei : Now we will leave you here Sis and Bro Tae, take time. He, he, he (then the kids start to cover their ears but got stopped) nah, it's alright kids.

Both : (speechless)

Then they left without looking to them meanwhile Mei remembered something and so she tell it to Rei.

“Sis if I remembered correctly that event organizer is known globally and famous. I also heard she’s quiet perfectionist. I trust Ellyn since she knows how to sing and dance just like me but I don’t know if her partner is just like you, Bye” then walk fast and follow with everyone.

“Why did you say to Rei?”

“Nothing My En”

“Are you sure?”

“Uh-uh”

— Back to Rei and Tae —

After listening Mei reminder, she’s have an idea who she meant and she already see the name from the invitation so she knows who is it.

“Hon, are we going to look or just wait Ellyn here?”

“Let’s just wait here since the organizer dismissed everyone from the entourage aside from Ellyn and her partner.”

“I see, but how come I didn’t hear that Ellyn has a talent in singing and dancing?”

“It’s my first time to hear it and it’s from Mei’s own mouth so then since it comes from her, then it must be true because Mei is also talented in those aspects and I didn’t hear it because I’m away with them for almost 3 years”

“I see and how about you, are you alright?”

“Yup nothing’s wrong and I’m fine since the twins are behaving well”

“If you feel sleepy, you can take a nap on my shoulder”

“Okay” she lay her head on top of her husband shoulder and then they just chat and talk while waiting for Ellyn.

— The two little kids —

Both Jinyu and Ellyn are the tallest among the kids but well they’re almost the same height with the other twins, her sister and Jinyu brother but Ellyn is not aware of it. Both twins are already tall compared to their age as 4 and 5 years old since both of their Dads are tall even Mei and Lyn are on average height same with Rei.

The organizer give the two kids instruction using the universal language one since she already notice it awhile ago that they’re talking using this language everytime it’s their turn to walk the aisle.

EO : “Are you both familiar with Perfect by Ed Sheeran?”

Both : (shaking there heads together)

EO : I see and let’s see the video first.

Both : nodded together.

EO : So the two of you know how to sing?

Both : Nodded

Ellyn : So you know how to sing?

Jinyu : Uh-uh and I think I inherit it with my Mom

Eiwr : I luu

Jinyu : How about you?

Ellyn : My Aunt discover it when I'm just humming so she teach me then until I got improve.

Jinyu : I see

EO : Alright kids enough with your talk I'm still here. 'What the heck, they're still a kids and yet I'm eating dog foods?'

Both : Eh, sorry Ma'am

EO : It's alright, it's alright so now I will play the video and the two of you will listen it first. Don't worry if the two of you can't memorize it, you can bring a copy tomorrow (then the kids just nodded but she will never expect for tomorrow performance because both Ellyn and Jinyu are perfectionist so they did their best and as a smart kid they are, they will have a wonderful performance tomorrow that everyone in gasp and wide awake for their performance including Rei and Tae since her family members already know Ellyn's Talent but then they will still be surprised since Ellyn partner is also an amazing kid)

Both : (watching seriously the video and then after the video, they said in unison) one more time

EO : I see, I see but don't worry kids my assistant already printing the lyrics for your reference and I will start playing it again and next you will try for your turn (then play again), alright it's your turn Jinyu and Ellyn, I will play the minus one and here's the lyrics.

Both : Accept the lyrics and Jinyu is the one singing the first verse followed by Ellyn and then duet in chorus. They sing until they reach the bridge.

EO : Gmmt, emmt frt mru qmzu oaqu npo wmpz vufzo arom ao fl ad ovu ojm md wmp fzu ar oval lmrel.

Both : 'Hello to earth Ma'am but we're still young' (said to their mind only and did what she instruct but they well never expect that they will more performed this song as if they're the one getting married that cause everyone to gasp and praise them)

EO : (After the second performance, she commented) good, good and do this tomorrow. Both of you are really a smart kid.

Both : (speechless and blushing a little without letting them know)

EO : Alright, both of you can dismiss and don't forget that one.

Both : Uh-uh

Then the two kids left leaving the organized and her assistant alone.

AEO : Ma'am how did you know that the two kids know to sing?

EO : I just happened to hear there voices and I can tell that they know how to sing. There also another one that I know she can sing but I'm not sure of her partner.

AEO : Eh, who?

EO : The one who have the same face of Ellyn but I prefer this two little kids I don't know why but it's just on my instinct.

--- Back to Kids ---

Jinyu : You have a pretty voice Ellyn

Ellyn : Same with you Bro Jinyu and goodluck with us for tomorrow.

Jinyu : Uh-uh and by the way can you return to your room on your own?

Ellyn : (going to answer but then notice her Aunt and Uncle) Ahh my Aunt And Uncle are waiting for me Jinyu and thank you for that

offer

Jinyu : (Also notice them) alright, I'm going ahead. (Then messaging his Aunt Rei)

Rei already notice them but just keep quiet and then heard her phone, she read it in silent and it's from the little boy who's too m.a.t.u.r.e compared to his age.

"Aunt Rei, I already meet her and we become a friend of Ellyn. We made a promise together, I promise to her that I will never change my contact details and she promise to me that she will contact me when she got her phone. I heard that you have a tradition in your family that you will give phone to the kids when she or he reach 15, so then I will wait for 11 years. I got partnered with her and I'm really happy because she's my partner. Then we will perform together tomorrow. He, he, he I'm really happy Aunt Rei and Ellyn is very beautiful, kind, smart and have a nice voice. Ahh, that's right I didn't reveal to her that I know Cenno because it's quiet obvious instead I used the Universal Language to converse her. Promise, I would never give up on her and Aunt Rei pretend that you don't know me, if it something happens then leave it to me. Don't worry it will not lead to misunderstanding and I'm sure Ellyn will understand since she's smart like you, Aunt Rei"

After reading it, Rei looking to Jinyu direction and notice his blushing cheeks meanwhile Tae also read the message since his beautiful wife Rei laying on his shoulder.

'How come Jinyu is more fast compared to me? An 8 years old boy and me turning 30 years old just defeated by this little boy. He already started his plan while me just become a stalker to my wife for a longer before gaining my courage to approach her.'

Rei notice the amuse expression of her husband but before going to console her husband, Ellyn interrupted her excitedly.

“Auntie Rei and Uncle Tae”

“Ohh, why so excited Ellyn?”

“He, he, he Auntie Rei I now realized what Bro Ren and Lynel feels when they meet Jiru and Kaede”

“And why is that so?” Rei asked while they stand up together with Tae and Ellyn want to carry up her but since her Auntie Rei is pregnant, she’s reluctant to do but then Tae, seeing her actions, Tae carry the little girl.

“He, he don’t know why but that’s just my hunch”

“So who is it?”

“I don’t who he really is but I got his name it’s Li Jinyu, a senian boy who’s too m.a.t.u.r.e compared to his age. Ahh, Auntie Rei and Uncle don’t tell everyone, okay?”

Both answered in unison “okay”

“We both made a promise”

Rei ask as if she doesn’t know “what’s promise Ellyn?”

“For now it’s a secret Auntie Rei”

Too bad Jinyu already left the moment Ellyn approach them, if not then he would be surely over the moon when he heard Ellyn talking about him.

The couple and Ellyn arrive in the room as if nothing happened and the other kids also forgot what happened since they got tired and sleep right away.

"....." both didn't react since they're busy talking to each other.

"Ha, ha, ha it seems the two kids didn't hear me since they were busy talking to each other. Yes guests, the two kids are not in the same league since our Mr. Li Jinyu here is from here while our Ms. Din Ellyn is from our star hometown. So, again may I call the attention of Ms. Din Ellyn and Mr. Li Jinyu" then he translated it using the Ceno and Senian Language that the two kids suddenly got up and approached him while both apologizing in sync using the universal language one"

Ken : You’re not hallucinating Lynel and all of us seen it, look out to our parents expression but the most suspicious is why Aunt Rei didn’t react and same with Uncle Tae?”

Rui : Ha, ha but well I and Yu is almost the same age but never expect that Yu is like this

Jinxi : What do you mean?

Rui : You will understand it later Xi and for now you're still a kid, so you didn't notice it.

Jinxi : Geeh, how about you? You're still a kid

Rui : I know but compared to me and Yu, you're still a kid.

Jinxi : ..... 'it's just 2 or 3 years apart'

Oh darling, just dive right in and follow my lead

And in your eyes, you're holding mine

Baby, I'm dancing in the dark with you between my arms

But you heard it, darling, you look perfect tonight

Well I found a woman, stronger than anyone I know

She shares my dreams, I hope that someday I'll share her home

I found a love, to carry more than just my secrets

To carry love, to carry children of our own

We are still kids, but we're so in love

Fighting against all odds

I know we'll be alright this time

Darling, just hold my hand

Be my girl, I'll be your man

I see my future in your eyes

Baby, I'm dancing in the dark, with you between my arms

Barefoot on the grass, listening to our favorite song

When I saw you in that dress, looking so beautiful

I don't deserve this, darling, you look perfect tonight
