

Lawyer 271

Wife is a Lawyer

Chapter 271 I'll take care of it myself

Peter was on the plane, and Hank was on the plane, and the two did not watch the news first.

After Alvin learned about this, he called Peter, but there was no answer. After he went to Alston Group, he found out that Peter had already left.

He immediately asked people to suppress the news, but the news was widely published by the media, countless netizens reprinted, even after clearing a lot of news, but also can not all remove a variety of chat software space and circle of friends reprinted.

Things keep brewing and fermenting.

Immediately after, someone else broke out the photos of Theresa and Peter both going in and out of hotels and restaurants, the date is still the last two days of photos, the two are talking and laughing, talking and laughing.

And originally Udrealand Company because of the loss caused by the loss of the bid, a direct result of the stock fell, who knew that after the news broke, the stock opened in the afternoon, Huaxia Hengshui stock actually rose to the stop board.

Meanwhile, Peter, who was on the plane, saw the news.

"Should I call Miss Lindsay?" Hank already expected it to be Theresa who made the call.

If he can think of it, his own boss must be able to think of it.

And Peter shook his head, "No need. Immediately give me a news blackout, do not want to see any negative news out."

"Yes."

Hank immediately called and ordered someone to take care of the matter.

Huzzah-

The phone kept vibrating.

Peter picked up the phone, looking at the phone screen display Theresa's phone number, his face sank a few points, hesitating for a moment finally answered the phone.

"Say."

The cold and inexhaustible voice, across the phone can make people over there feel his powerful and imposing aura, people shiver.

"Peter, I'm sorry, I don't know what's going on, I've told my dad several times not to leak the company's affairs. But who knows that the other company actually leaked this matter out. Whoops now what? The news media is full of Adri's negative news, what should I do?"

On the other end of the phone, she cried and cried, looking helpless to the core.
