Chapter 95: Big

R18- NO SMUT

.....

"I thought you hated Yellow?" Shen Qui eyed the yellow Yukata that Lyca picked.

"But you liked it." She answered.

"How did you know I like yellow?" he asked as he locked the stall that they were in.

"Simple." She uttered but didn't say anything. When Shen Qui convinced her to marry him, he talked about her hating yellow. But why only yellow? When she practically doesn't like everything that was not black and white? That was because he liked Yellow. Thus, he was more sensitive and more observant when it comes to that color. "And it's beautiful." She uttered. The Yukata that she picked would stand out even more because of her white hair.

She then held her arms and looked at him. "Undress me." She smiled. "I don't know how to wear a Yukata." Not true. In her previous life, she had worn a Yukata many times.

He gave her a sheepish smile, almost making her laugh at loud. This time, Shen Qui didn't rip her clothes. He already knew that this dress didn't have a zipper. So, he slowly eased it over her head. Before the dress left her body, his other hand already cupped her naked breast, kneading them until she moaned and arched into him. He started nibbling her neck, slowly biting her collarbone. "You actually forgot to wear a bra." Amusement flashed in his voice.

"It's called a silicon nipple tape." She whispered. "If you don't like it I can remove it for you." He stopped kissing and looked at her. Slowly, a smile slithered on his beautiful face.

"Let's hope you won't regret that." His eyes darkened as he pinched the nipple tape, making her moan in the process. "Let's change your clothes."

Lyca pouted and nodded. This man's self-control was indeed very good. And she hated it.

She held her arms and let him put the Yukata on her. He wrapped the Yukata around her left hip, making sure to touch and softly squeeze her skin. Then he wrapped the left side over the right.

He held the Yukata and wrapped the sash around her three times. Finally, he tied a bow behind her.

"Thank " before she could utter a word of thanks, she felt his hand slip inside her Yukata and touch her core. Her eyes widened from the surprise. Seeing her reaction, Shen Qui pulled her closer.

"I hope you have enough energy to stop yourself from screaming, later." His deep voice almost made her melt. His words were enough to make her wet. "Look at that." He smirked. "One sentence and you're ready." He lowered his head and tasted her slightly parted lips. His hand busily playing her clit. Then he withdrew his hand and met her eyes as he licked his finger.

Just the action almost made her erupt. She gulped, instantly regretting the fact that she had to purposely seduce him. Now she would have to wait for hours.

Fucking hours. She looked at the small stall.

"Nope." Shen Qui suddenly said. "Not here." He added as he removed his own clothes and changed into his Yukata. Then he turned towards her. "You're so red," he chuckled. He could only imagine what was inside Lyca's mind right now. "Let's go?"

His words woke her up from the surging lust that was threatening to devour her. Looking at Shen Qui, Lyca gave a wry smile and followed him out of the stall. Outside, Long Yi and Huang Xiaoxuan were already standing. Both a little irritated at the fact that they took a lot of time changing their clothes.

"What took you so long?" Long Yi couldn't help but be suspicious.

"No idea," Lyca said. It was the only words she could use to describe what just happened inside. She had no idea when did he started to become so sexy and manly and hot and She shook her head. She should stop thinking about him inside her while she was in a very public place with her enemies.

"We should go and shoot something." Shen Qui suggested, but her mind seemed to spiral out of her head. Shoot? What is he going to shoot? She gulped and stared at him. Seeing her face, Shen Qui shook his head inwardly and pointed at the nearby stall. "Games with prizes. Toys."

"Oh!" Huang Xiaoxuan was the first one to react. "Mr. Long was extremely good at shooting. Should we have some sort of a contest? Lyca what do you think?" Huang Xiaoxuan was wearing a blue yukata that matched Long Yi's. Of course, Long Yi stopped complaining a long time ago. After all, he was the one who told the crazy Xiaoxuan to buy the Yukata. He wouldn't dare blame her in front of Lyca.

"Of course. Shen Qui is extremely good at shooting too." Again, the words spiraled in her head. He is indeed good at shooting. "We should have a contest."

"How about we have two against two contest?" Huang Xiaoxuan said excitedly. "The loser will buy the winners some food."

"Smart," Lyca uttered. Her mind was still in shambles, but the mention of food somehow made her a little bit better. "Let's go."

The group immediately approached the stall, but since other people were playing ahead of them, they chose to stand nearby and looked at the prizes.

"Do you want the Bear?" Shen Qui asked her. "Or the Lion? I think the Lion would suit you." In front of them were a lot of huge stuffed toys. Some are known cartoon characters, while some were animals. "Which one do you think is the cutest?"

Lyca bit back the words that she was about to say. She couldn't really tell him that he was the one that she wanted as he was already aware of this. "The biggest one." Lyca doesn't particularly like stuffed toys, but the biggest one would have a really fluffy stomach that she can use as her pillow.

"Alright." Shen Qui nodded before he whispered. "You always like it big, don't you?"
