After Leaving The CEO, She Stunned The World

Chapter 241 - Car Accident

Chapter 241: Car Accident

Director Wang didn't say anything. He didn't want to either. Although he wanted his show to be popular, Jiang Yue's actions were too embarrassing.

What was the difference between her and Lin Xing?

Perhaps the difference was that Jiang Yue was smarter and didn't bring these conflicts to the Internet. Otherwise, she would be the next person to leave the industry.

Next, Jiang Yue was much more obedient because she realized that Mo Rao wasn't easy to deal with and didn't play by the rules at all. She could only focus on acting first and find a chance to deal with her in the future.

After a day of filming, Mo Rao was also very tired. She removed her makeup and changed her clothes before immediately going home. Hu Ya drove here today and she happened to be sitting in Hu Ya's car.

"I'll continue sleeping for a while." Mo Rao was really sleepy. She had been busy at the Fu family's old residence until midnight last night.

"Okay, go to sleep." Hu Ya nodded.

Mo Rao quickly fell asleep, unaware of the approaching danger. When the brakes screeched, she suddenly woke up, but she had already flown out of her seat.

A small van in front of them collided with Hu Ya's car. Hu Ya was already held back by the airbag. Her head was bleeding and she was unconscious.

Mo Rao was also injured, but she was still conscious. The road here was remote and there was no one around. The person in the small van seemed to be unconscious. She could only try to find her phone. Fortunately, she was able to make a call.

After calling the police and emergency number, Mo Rao fainted.

“Mo Rao was in a car accident and is currently being rescued#

The news quickly appeared on the trending searches. Zhang Zhe, who had the habit of working at night, was looking up some information. When he saw the headline that popped up, he was shocked.

He quickly clicked on the news to check. After confirming that Mo Rao had been in a car accident, he suddenly stood up in anxiety.

How could this be? He immediately called Fu Ying.

However, Fu Ying didn't take the call.

Fu Ying was taking a shower. He had worked overtime until midnight before returning home today. Looking at the empty bed, he was in a bad mood. When he thought of Mo Rao holding Shen Feng's hand during the day, his mood worsened!

After taking a shower and returning to bed, Fu Ying realized that his phone had lit up, but he didn't want to answer it.

His phone kept ringing. He finally looked at it impatiently. It was Zhang Zhe, whom he hadn't contacted for a long time.

“Hello.” Fu Ying picked up the phone, his voice low and cold.

“President Fu, have you seen the news? Rao Rao was in a car accident! She's in Guotai Hospital and is still in a coma!” Zhang Zhe told Fu Ying anxiously.

“What?!” Fu Ying suddenly stood up, and a trace of shock and panic quickly appeared on his face. How did Mo Rao suddenly get into a car accident?

He hung up, took his coat and car keys, and went out.

Mo Wan was getting up to drink some water when she saw Fu Ying leave in a hurry. She stopped him. “What are you going to do?”

However, Fu Ying didn't answer her and only drove away anxiously.

Mo Wan felt that it was very strange. Where could he go so late at night? Could he be fooling around with his friends? Impossible. Fu Ying was focused on winning Mo Rao back now. It was impossible for him to be in the mood to fool around.

Mo Wan felt uneasy. Could something have happened?

When Fu Ying received the news, Shen Feng and Mo Yuan also saw the news, but they were a step slower than him.

Mo Rao was still in the emergency room. Hu Ya, who was with her, was even more seriously injured. Yang Yue immediately rushed over. After all, he was the one who recommended his cousin to Mo Rao as a makeup artist.

“The patient’s condition has stabilized. It’s mainly superficial wounds and a concussion. Her fingers are slightly fractured. She’s now been transferred to the ordinary ward and will be hospitalized for a week for her recovery to be observed.” The doctor walked out and told Fu Ying.

“Alright, arrange the best ward for her and use the best medicine!” Fu Ying instructed.

When Mo Rao was pushed out, Fu Ying saw her pale face. There were a few small wounds that didn’t affect her appearance, but it was a heartbreaking sight. Fu Ying pursed his lips and followed Mo Rao to the ward without a word.

When Mo Yuan and Shen Feng rushed over, Fu Ying had already accompanied Mo Rao in the ward for a while.

When they saw him here, Mo Yuan and Shen Feng’s expressions were unpleasant, but the most important thing now was Mo Rao’s condition.

“Rao Rao!” Mo Yuan tensed up. When he saw his sister lying on the bed weakly, his heart ached and he felt guilty. He hadn’t taken care of her well enough.

Shen Feng sat by the bed and reached out to hold Mo Rao’s weak hand with worry and anguish in his eyes.

Chapter 242: The Culprit

“It’s a superficial injury and a concussion. There’s also a slight fracture of the index and middle fingers of her right hand. She needs to be hospitalized for a week for them to observe her recovery.” Fu Ying looked at Shen Feng’s hand that was holding Mo Rao’s. It was an eyesore.

However, Mo Rao was already in a coma, so he couldn't throw a tantrum over these things.

Speaking of which, Shen Feng was indeed more qualified than him to hold Mo Rao's hand.

"Got it." Mo Yuan heaved a sigh of relief. He felt very guilty as he turned to Shen Feng and said, "It's all my fault. I should have gone to pick her up, but I talked about the negotiation for too long today and didn't have time."

This wasn't Mo Yuan's fault.

Shen Feng smiled bitterly. "My negligence is to blame."

The Shen family had been quite busy recently. As the vice president, Shen Feng couldn't be idle. He was willing to give all his spare time to Mo Rao, but Mo Rao was unwilling to.

Fu Ying was extremely unhappy when he heard that the two men were both immersed in regret and didn't take him seriously at all.

But it didn't matter. As long as he could stay here, it was fine.

"I heard that she got into a car accident in Hu Ya's car?" Mo Yuan suddenly asked.

"Yes, Hu Ya's injuries are worse. She's in the ICU." Fu Ying frowned. He had already told Yang Yue that he would be responsible for all Hu Ya's subsequent expenses.

However, Yang Yue refused because this wasn't Fu Ying's fault.

Mo Yuan and Shen Feng were silent for a long time. If Hu Ya was severely injured and had serious sequelae, not only would they have to bear a guilty conscience, but Mo Rao would also have a huge psychological trauma in the future. The media would also report it.

"Have you told Aunt and the others about this?" Shen Feng asked again.

"No," Fu Ying replied. "Grandma hasn't been in good health recently. She might not be able to take it if I tell her, but I'll tell my parents."

He had to tell Mo Wan and the others to hide it from Old Madam Fu.

Shen Feng said solemnly, "Yes, we can't tell Grandma."

Old Madam Fu thought so highly of Mo Rao. If she knew that Mo Rao had been in a car accident, she would lose it.

At this moment, Fu Ying's phone rang. It was Qu Ru.

"President Fu, the perpetrator has already died on the spot." Gu Hai was going to investigate the cause of the accident. The accident was caused by the small van going against the traffic. It had nothing to do with Mo Rao and Hu Ya.

"Are there any other clues?" Fu Ying felt that things weren't that simple.

"I checked the van driver's personal finances. His bank account received a transfer of 500,000 yuan tonight. The transaction is very suspicious." Gu Hai was very efficient.

Fu Ying instructed in a low voice, "Go and find out who the sender is."

"Yes!" Gu Hai immediately hung up and went to work.

As Mo Yuan and Shen Feng listened, the two of them exchanged glances. Mo Yuan asked, "Do you think the car accident tonight was intentional?"

Fu Ying said calmly, "I can't be sure, so I'm investigating. It better not be intentional."

If it was intentional, it meant that someone wanted to kill Mo Rao. This was very dangerous, and he couldn't stay by Mo Rao's side that often now.

Mo Yuan was instantly furious. "Damn it, who is it that dares to hurt Rao Rao? I'm going to dismember him!"

"If you really find out that someone tampered with it, you don't have to do anything. I'll deal with it." Fu Ying's voice was cold and his eyes were filled with a bloodthirsty menacing look.

Mo Yuan narrowed his eyes. "I'm her brother. I'll handle it."

"Leave this matter to me and Mo Yuan." Shen Feng also spoke. Fu Ying was indeed being kind, but he didn't need to. He would investigate this matter thoroughly.

In any case, Shen Feng didn't want to see Fu Ying and Mo Rao interact again.

Fu Ying looked at the two of them coldly. Now, the two of them were united and were targeting him, Mo Rao's ex-husband.

"You guys can investigate while I'll investigate as well. Is there a conflict?" Fu Ying sneered. "Wouldn't it be fine if whoever finds out first deals with it?"

In terms of background and methods, if Fu Ying claimed to be second, no one would dare to claim to be first.

“You’re really good at contributing!” Mo Yuan was very disdainful. Although Fu Ying seemed to be quite concerned about Mo Rao, all his concern was useless when he thought of the things he had done in the past.

Fu Ying ignored Mo Yuan. He didn’t want to get into an argument with Mo Rao’s brother at this time. He only wanted to know who dared to hurt Mo Rao with complete disregard for him.

He left the ward. He had to call Mo Wan and the others first.

Although it was already very late, he had to inform them as soon as possible. This was because Old Madam Fu might read the newspaper or look at her phone when she woke up early in the morning. She was very well-informed.
