## **Chapter 271 - I'll Send Her**

*Chapter 271: I'll Send Her*

Mo Rao was speechless. Why was she so unlucky today? Every time Fu Ying and Shen Feng appeared beside her at the same time, it meant that she would suffer.

However, she had indeed promised Fu Ying that she would treat him as her brother in the future. If she denied it now, it would show that she wasn't sincere enough.

"Yes, I did agree with Fu Ying. After all, there's still Grandma and the others. It's impossible for me to break off my relationship with Grandma and the others. We'll just treat each other as siblings in the future," Mo Rao replied calmly.

Shen Feng frowned even more. He didn't expect Fu Ying to convince Mo Rao.

Mo Rao was innocent. For the sake of Grandma and the others, she couldn't completely cut ties with Fu Ying.

"See? I'm right." Fu Ying was very satisfied with Mo Rao's answer. In the future, he would have an excuse to get close to Mo Rao. He would win this woman back bit by bit, no matter how much time or money it took.

Since Mo Rao had said so, Shen Feng couldn't continue arguing with Fu Ying. He held Mo Rao's hand as he sat on the sofa. He sat with Mo Rao while Fu Ying sat alone on the opposite side.

This declaration of sovereignty was obvious.

Fu Ying was furious, but he quickly suppressed it. He was very sure that Mo Rao didn't like Shen Feng, so he had a chance and wasn't in a hurry.

In the past, he had been too anxious and it frightened Mo Rao.

At this moment, the door opened again. Mo Yun and Shen Ting had returned, but Mo Yuan was nowhere to be seen.

“Rao Rao, your brother has something on and left first. Let Shen Feng send—” Before she could finish speaking, Mo Yun saw Fu Ying.

Why was this child here?

Shen Ting immediately sighed. Things didn’t go as planned.

“Aunt, Uncle.” Fu Ying greeted Mo Yun and Shen Ting politely.

“Hey, why are you here at such a late hour?” Mo Yun smiled. Although Fu Ying and her son were love rivals, Fu Ying was also her nephew. She still treated Fu Ying as family and wouldn’t reject him because of this.

Fu Ying smiled and said, “It’s nothing. I just passed by your house and came to see you and Uncle. I brought you guys some fruits.”

The fruits were placed on the table and wrapped in an exquisite fruit basket.

“Why are you being so polite? You don’t have to bring anything just to visit,” Mo Yun replied.

“Coincidentally, I didn’t expect Mo Rao to be here. Just now, you said that Mo Rao’s brother had something on and left first. I’ll send her back later,” Fu Ying said first.

Shen Feng immediately rejected, “There’s no need. I’ll send her off.”

Fu Ying shrugged helplessly. “Looks like you don’t trust me. Rao Rao, what about you?”

Mo Rao bit her lip. What should she do? Why did her brother run away again?! He kept thinking of creating a chance for her and Shen Feng to be alone. Seriously...

No matter who sent her, she felt that it would be inappropriate.

Just as Mo Rao was hesitating, Shen Feng’s phone rang. It was a call from his assistant. There was a problem with the company at the last minute and he needed to preside over the situation.

That was a project that Shen Feng was personally in charge of. He had no choice but to go.

Why was God deliberately playing tricks on him?

Shen Feng was filled with unwillingness, but he had no choice but to get up. “Rao Rao, there’s an urgent matter at the company. I have to go. Let my father send you back later!”

“There’s no need to trouble Uncle. It’s already so late. I’ll send her off. Since I said that I’ll treat Mo Rao as my sister in the future, I’ll definitely do it,” Fu Ying said.

These words shocked Mo Yun and Shen Ting. Had he really thought things through?

Mo Rao didn’t want Shen Feng to waste time, so she replied, “Shen Feng, go to the company quickly. Fu Ying can send me. It’s okay. Don’t worry, I’ll send you a message when we get home.”

“Okay.” Shen Feng could only agree because the company and Mo Rao’s home were in opposite directions.

Fu Ying also stood up. “Then let’s leave now.”

Mo Rao nodded and bid farewell to Mo Yun and Shen Ting. “Uncle, Auntie, I’ll go back first. Thank you for your hospitality today. Sorry for troubling you guys.”

What an obedient and sensible child. Her soft voice put people at ease.

Mo Yun shook his head. “What trouble? Come to our house more often in the future. You’re welcome anytime.”

“Alright, goodbye, Uncle and Auntie.” Mo Rao waved her hand and left under Shen Feng and Fu Ying’s escort.

When they reached the parking lot, Shen Feng watched helplessly as Mo Rao got into Fu Ying’s car, but he couldn’t persuade her to stay. His expression was very unpleasant as his car followed Fu Ying’s car to a fork in the road, where he had to leave separately.

*Chapter 272: Brainwashing*

Shen Feng’s car turned right and disappeared.

Fu Ying sneered. Look, even God was helping him. Shen Feng and Mo Rao were destined not to be together.

“Fu Ying, did you really come to the Shen family by chance today?” Mo Rao couldn’t help but ask. She felt that it was too much of a coincidence.

Fu Ying’s expression didn’t change as he lied, “Yes.”

“Oh.” Mo Rao didn’t know what else to say. He had denied it, and she had no evidence to prove that he was lying.

After a brief silence, Fu Ying said, "Rao Rao, stay away from Shen Feng in the future."

Mo Rao's eyes widened and became a little angry as she said, "Fu Ying, didn't you say that you would treat me as your sister? Why are you saying such things now?"

He was such a liar!

**If you want to read more chapters, please visit to experience faster update speed**

Fu Ying was amused and quickly explained, "It's not what you think. It's precisely because I've already agreed to be your brother that you don't have to use Shen Feng as an excuse to reject me anymore!"

He had already thought of an excuse. Not only could he get close to Mo Rao, but he could also let Mo Rao leave Shen Feng.

Mo Rao fell silent.

"I know that you don't actually like Shen Feng. You don't have any romantic feelings for him at all, right?" Fu Ying could tell at a glance that Mo Rao was wavering. He pressed on. "You were afraid that I would pester you, so you pretended to be a couple with him. Now that I'm starting to let go, you can stop acting with him."

"Shen Feng is a miserable bachelor like me, but he's even more hapless than me. He hasn't even been in a relationship or married yet. Do you think Aunt and Uncle aren't anxious? Since you don't like him, think of a way to leave him and let him accept other women. It's for his own good. Can you bear to keep delaying him and wasting his time?"

It had to be said that Fu Ying was an expert at brainwashing. As Mo Rao listened, she actually felt that it made sense.

Her relationship with Shen Feng was fake to begin with. If she continued to give Shen Feng false hope, wouldn't that harm him?

How could Mo Rao bear to delay such a good man for her selfish desires?

"Rao Rao, I'm doing this for your own good and for Shen Feng's sake. Although I'm very unhappy with him, we've been brothers for so many years. How could I harm him?" A scheming look flashed across Fu Ying's eyes. Mo Rao was about to fall into his trap again.

Mo Rao bit her lip as she pondered over it. Suddenly, a car ran a red light in front of her. Fu Ying braked and her hand flew up due to inertia. The phone in her hand hit Fu Ying's leg and landed under the driver's seat.

"I'm sorry. Are you okay?" Mo Rao apologized quickly. Being hit by her phone must have hurt.

Fu Ying smiled bitterly as he said, "I'm fine. Fortunately, it didn't hit any important body parts."

Mo Rao blushed and couldn't help but look between Fu Ying's legs. Then, she quickly shook off this thought and subconsciously reached out to pick up her phone.

Fu Ying was speechless. Was she doing it on purpose or was she really that careless?

"Wait!" Fu Ying quickly drove the car to the side of the road and stopped it. Then, he held Mo Rao's fumbling hand. "I already said that we're going to be siblings. Don't tempt me."

Only then did Mo Rao realize that her actions were very inappropriate!

She was really an idiot!

Mo Rao quickly retracted her hand. She was already too ashamed to face Fu Ying.

Fu Ying wanted to laugh when he saw her shy and guilty look, but he held it in. He picked up the phone at his feet and returned it to Mo Rao. "Hold it tightly."

"Thank you," Mo Rao replied softly.

"As your brother, I have to remind you that you have to be careful of any man in the future. That action of yours just now was asking for trouble!" Fu Ying reminded in a hoarse voice.

He could be her brother for the time being, but he was afraid that this innocent little woman would be snatched away by another man during this period.

Even if he chased Shen Feng away, who knew if there wouldn't be other men?

He couldn't guard Mo Rao at all times, nor could he intimidate others with the identity of Young Madam Fu.

He could only brainwash Mo Rao like this and let her take the initiative to stay away from those jerks, other than himself.

"Yes, I understand." Mo Rao nodded and replied seriously. She felt that Fu Ying was right about this. It was indeed for her own good.

How obedient. She seemed like the docile and cute Mo Rao who only had him in her heart back then.

Fu Ying sighed with emotion. He was so foolish and reckless for neglecting her back then. He didn't know how long it would take to win her back again. He would work harder!

### *Chapter 273: Dining*

After sending Mo Rao home, Fu Ying bid farewell in a gentlemanly manner and left without any intention of pestering her.

Mo Rao heaved a sigh of relief. At the same time, she felt that Fu Ying really wanted to change his ways.

Perhaps she had made the right decision to agree to him.

After she opened the door, she saw that Mo Yuan was scrolling through his phone in the living room. When he saw Mo Rao return, he revealed a sly smile. "Shen Feng sent you back, right? I'm sorry, Sister. I suddenly started having a stomachache. I was too embarrassed to suffer diarrhea at someone else's house!"

What a lame excuse. How could he endure a stomachache all the way home?

As Mo Rao changed her shoes, she replied calmly, "No, Fu Ying sent me back."

"What?!" Mo Yuan almost rolled off the sofa. Why did Fu Ying end up taking advantage of the situation every time he created an opportunity for Shen Feng?

"Brother Shen Feng had an urgent matter at the company and needed to go. Fu Ying was at the Shen family's home and sent me back," Mo Rao explained.

"Is there that much of a coincidence?! I think Fu Ying did it on purpose!" Mo Yuan suspected Fu Ying as usual.

Mo Rao hesitated for a moment before speaking up for Fu Ying. "Brother, I feel that Fu Ying really wants to change himself. When he sent me back just now, he didn't do anything out of line and left immediately after sending me home."

Mo Yuan thought to himself with exasperation, he did all of this on purpose!

**If you want to read more chapters, please visit [to experience faster update speed](#)**

He pitied his silly sister. She believed him just like that?

In order to get a woman, men were extremely patient and cunning. How could a little rabbit like Mo Rao know what the big bad wolf was thinking?

Mo Yuan was extremely vexed. He should have stayed and come back with Mo Rao. Why did he pretend to have a stomachache?!

“Alright, alright. Brother, since you’ve already agreed to give him a chance, don’t be so biased against him. I’m going to take a shower and rest!” Mo Rao stretched. At the thought that she still had to film tomorrow, she quickly went upstairs.

Mo Yuan shook his head helplessly. He really couldn’t win against Fu Ying!

...

The moment Mo Rao’s brand endorsement advertisement and photoshoot came out, they received unanimous praise.

Her face, figure, and perfect skin were simply amazing.

As a result, the number of fans on Weibo increased greatly.

“Sister Rao Rao, I saw your advertisement. You looked beautiful!” He Di came to Mo Rao’s side and praised her generously.

This praise came from the bottom of his heart. Although he liked Jiang Yue, he couldn’t deny that Mo Rao was beautiful.

It was just that under her beautiful appearance, she had an evil heart. Otherwise, why would she attack Jiang Yue?

“Thank you!” Mo Rao replied with a smile.

“I’ll treat you to dinner tonight. You must come!” He Di smiled at Mo Rao.

He was like a cute and gentle puppy.

Mo Rao liked this type of guy, but not the romantic kind.

She nodded. “Okay.”

After filming for a day, Mo Rao returned to the villa to take a shower and change into casual clothes. Then, she put on a mask and hat before heading out.

After arriving at a restaurant at the agreed time, Mo Rao entered a private room.

He Di was already waiting for her there.

Mo Rao took off her mask and hat. She should be safe in the private room.

“Sister Rao Rao, you’re here!” He Di was very happy and handed the menu to her.  
“Order what you like to eat.”

After Mo Rao took the menu, she realized that the dishes were a little expensive.

She knew He Di’s background. He was actually a nobody in the industry and definitely didn’t earn much. This meal was too expensive for him.

Mo Rao only ordered some cheap dishes.

After He Di saw this, he felt a little baffled. Was Mo Rao saving money for him? Could she be so kind?

“Is that all?” He Di asked.

“Yes, I actually don’t have a big appetite.” Mo Rao smiled gently. She looked adorable.

He Di’s heart skipped a beat. Damn it, why did he actually think that her smile was beautiful?

He quickly took the menu and handed it to the waiter before returning to the private room to chat with Mo Rao.

In order to prevent an awkward silence, He Di specifically brought the script over to ask Mo Rao for advice on filming. Seeing how hard he worked, Mo Rao was very touched and taught him in detail.

Because they had to read the script, the two of them sat close to each other. Their shoulders were leaning against each other. Mo Rao didn’t think too much about it because He Di didn’t do anything out of line.

“Sister Rao Rao, now that you’ve mentioned it, I feel so enlightened!” He Di couldn’t help but admire Mo Rao’s talent. When she explained some techniques, he was stunned by her brilliance.

*Chapter 274: Unhappy Love Affair*

Mo Rao shook her head humbly. “Don’t say that. Actually, you’re the one who’s smart. I’m learning as I film. It’s just that I’m learning faster than you in some aspects.”

“No, talent is something that can only be chanced upon by luck.” He Di shook his head.

The meal was quite pleasant and Mo Rao felt that she had made another friend. He Di seemed gentle and hardworking.

After dinner, He Di left first. After a while, Mo Rao put on her mask and hat and left as well.

Mo Rao thought that they wouldn't be discovered, but the next day, Mo Rao and He Di were on the trending searches again. She felt that she had been topping the trending searches quite often recently.

This time, the photo was very clear. Mo Rao and He Di were sitting together. From the back, they looked like they were leaning against each other.

When Mo Rao saw these photos, she was completely speechless. Should she not have any friends of the opposite sex after entering the entertainment industry? Otherwise, the media would make it seem like they were being flirty.

"What nonsense!" Mo Yuan was also very angry when he saw this. He had been busy registering domestic entertainment management companies these days, so he sometimes didn't have time to accompany Mo Rao. Some people were always taking advantage of her popularity.

Moreover, Mo Rao was Shen Feng's girlfriend now. Didn't this give off the impression that she was two-timing?

"Brother, did someone set up He Di and me?" Mo Rao asked with a frown.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

"I'll investigate. If I find out who it is, I'll teach him a lesson!" Mo Yuan didn't suspect Fu Ying this time. It was impossible for Fu Ying to create rumors of Mo Rao being with another man.

Mo Rao felt that something was wrong and suspected He Di, but when she thought of He Di's cute smile, she felt that it was impossible.

Mo Yuan was still browsing the entertainment news.

"Why do I feel that Mo Rao and He Di seem quite compatible?"

"In terms of looks, they're indeed compatible!"

"Actually, He Di is quite handsome. Hahaha... He's just not as popular as Mo Rao."

"President Shen is here with a knife!"

"President Fu is on his way with a cannon!"

The situation gradually became strange. Someone started to say that Mo Rao and He Di were quite compatible and even held a vote. The ratio of those who thought they were compatible had reached 68%.

Mo Rao felt a headache coming on. If she had known earlier, she wouldn't have gone to eat with him. It was all her fault for being too soft-hearted. She had clearly just been photographed with He Di on the production team. How could she eat with him alone?

Mo Yuan entered He Di's homepage. This person's followers were increasing rapidly.

He guessed something. He Di probably had something to do with the news leaking.

Mo Yuan quickly issued a clarification statement.

The moment Mo Rao's clarification statement was released, it attracted many people's condemnation. Some people thought that she was a playgirl who was exposed for two-timing but didn't dare to admit it. Some people even tagged Shen Feng and Fu Ying to let the two of them see how shameless Mo Rao was.

Soon, Shen Feng replied.

"This is definitely a misunderstanding. Please don't spread rumors."

Fu Ying's response was simpler. "I believe Mo Rao."

The responses of these two men highlighted Mo Rao's popularity. The public didn't expect Fu Ying and Shen Feng to believe Mo Rao even though Mo Rao had been photographed on a date with another man.

Mo Rao contacted He Di, hoping that He Di would cooperate and clarify things.

"Sister Rao Rao, I'm really too ashamed to see you. I just wanted to treat you to a meal to repay your kindness to me. In the end, things turned out like this..." He Di was actually crying and sounded quite guilty.

Mo Rao originally wanted to question him, but it was inappropriate for her to ask now. She might have been overthinking things. He Di wouldn't do such a thing on purpose to gain popularity, right?

"Don't cry. This isn't your fault. Just send a clarification statement." Mo Rao had to comfort He Di.

"Alright, I'll send it immediately. Sister Rao Rao, just don't ignore me in the future." He Di's voice carried a hint of guilt and nervousness, like a child who had made a mistake.

Mo Rao sighed. "When the matter dies down, we'll still be friends."

“Alright, Sister Rao Rao, you’re my only friend.” After He Di hung up, he quickly issued a statement, saying that he and Mo Rao were only friends and were discussing the script that day.

However, He Di’s clarification was useless. The netizens felt that they were just hiding their affair.

The more they explained, the worse it became. Mo Rao couldn’t sleep well that night. When she went to the production team the next day, she had dark circles under her eyes and looked very tired.

“Sister Rao Rao, are you alright?” He Di came to look for Mo Rao.

Mo Rao quickly took three steps back and waved her hand. “I’m fine, but when there’s no need for us to interact in public, it’s better not to, lest we get photographed by someone again.”

She only wanted to film and earn money. Why did she always have people going after her?

#### *Chapter 275: Mo Wan’s Birthday*

He Di looked hurt as he looked at Mo Rao innocently. “Alright, I understand.”

With that, he turned around and left silently.

Looking at that lonely back figure, Mo Rao wondered if she was overreacting. After all, this wasn’t He Di’s fault. He had come over just now to show concern for her.

No, she couldn’t be so soft-hearted. Hadn’t she suffered enough? Mo Rao quickly reminded herself.

Mo Rao and He Di didn’t have many scenes together. They had finished filming a few days ago, so the two of them didn’t interact much after that.

In order to reassure Mo Rao, He Di even took the initiative to stay away from her, but he kept looking at her with a hurt and sad expression, making her feel bad.

“Rao Rao.”

After filming for a day, Mo Rao was waiting for Mo Yuan to pick her up. In the end, Fu Ying came.

“Why are you here?” Mo Rao asked in surprise.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

Fu Ying smiled. "I'm here to pick you up. Have you forgotten that today is my mother's birthday?"

Mo Rao slapped her head. She had forgotten about such an important matter. It was mainly because the various things that had happened in the past few days preoccupied her mind. She said anxiously, "What should I do? I didn't even prepare a gift. Hurry up and send me to the mall. There should be some stores that are still open!"

"You just have to be there. My mother doesn't care about gifts. She'll be very happy if you celebrate her birthday with her." When Fu Ying saw Mo Rao's anxious expression, he couldn't help but laugh.

Mo Rao immediately shook her head. "No, no, there must be a gift. Send me there quickly!"

Fu Ying couldn't dissuade her and could only bring her to the mall. Fortunately, it was still early. The jewelry shop in the mall wasn't closed yet. Mo Rao chose a jade necklace for Mo Wan. Mo Wan was a mature and aloof woman. This necklace suited her temperament.

"Phew." After buying the gift, Mo Rao heaved a sigh of relief. Otherwise, how could she have the cheek to go to the Fu family's old residence?

"Can we set off now?" Fu Ying's eyes were filled with affection. This woman was still the same as before. She cared about her family and showed it through her actions. She wasn't just all talk.

"Alright!" Mo Rao replied with a smile. "I don't have to buy the cake. I believe Uncle must have made a very delicious cake!"

Fu Lin doted on his wife. Today was Mo Wan's birthday. He would definitely show off his skills.

However, Mo Wan didn't like to be too extravagant. Her birthday celebration was simple every year. She would either spend it at home or with her law firm colleagues.

Fu Ying wanted to pat Mo Rao's head, but he was afraid that this action would be too ambiguous and make her resist him, so he could only retract his hand.

The car drove all the way to the Fu family's old residence. Everyone was waiting for Mo Rao.

Mo Yun and Shen Ting were also present today, but Shen Feng wasn't. He had been too busy these two days.

Seeing Mo Yun and Shen Ting, Mo Rao was extremely embarrassed. She had just gone to the Shen family's home for dinner two days ago, and today, she was celebrating Mo Wan's birthday at the Fu family's home.

"Rao Rao!" Mo Wan was very happy to see Mo Rao. She quickly went over to hold her hand before sitting on the sofa.

"Auntie, happy birthday!" Mo Rao said sweetly and took out the gift she had bought.

Mo Wan liked the exquisite and elegant jade necklace very much. Every time Mo Rao bought something, it was very to her liking.

Mo Wan immediately put on the necklace, which matched her temperament.

"Yes, Rao Rao still has such good taste," Old Madam Fu praised.

"It really suits you!" Mo Yun praised generously.

Mo Rao scratched her head in embarrassment. She had bought this in a hurry at the last minute. It was fine as long as Mo Wan didn't mind.

At this moment, Fu Lin came out with the cake. He placed the cake on the table. There were beautiful roses and hearts on the cake and the words "Happy Birthday, Wifey" were written on it.

"Now that Rao Rao is here, we can eat the cake," Old Madam Fu said happily.

Mo Wan nodded. Fu Lin lit candles for her, while Mo Rao took the lead to sing the birthday song. The atmosphere was cozy and harmonious. As Fu Ying stood beside Mo Rao, he couldn't help but look at her. Her beautiful side profile was mesmerizing, and her singing voice was crisp yet pleasant.

Mo Wan pressed her palms together as she made a wish.

Her wish was very simple. She hoped that her disappointing son could win Mo Rao back.

After making her wish, Mo Wan blew out the candle.

The others applauded. Fu Lin hugged Mo Wan as he said emotionally, "Honey, happy birthday. I hope you'll be happy every day."

"Thank you!" Mo Wan smiled and nodded. Then, she took the knife and fork Fu Lin handed her and began to cut the cake.

Mo Rao liked Fu Lin's cake very much. Mo Wan cut the largest piece for her. The family sat together and ate the cake while chatting. At this moment, Mo Yuan called because when he went to pick her up, he realized that the production team had already gotten off work.

*Chapter 276: The Old Woman's Temper*

"Brother." Mo Rao quickly went to the side to answer the call.

"Rao Rao, where are you?" Mo Yuan heaved a sigh of relief. At least she had answered the call. Otherwise, he would have thought that something had happened.

Mo Rao glanced at Fu Ying and the others and replied, "I'm at the Fu family's home."

Mo Yuan was exasperated. Why was Mo Rao always bumping into that bastard Fu Ying? They saw each other almost every other day. They couldn't continue like this.

"Brother, it's Aunt Mo's birthday today, so I came. Don't worry, everyone is here." Mo Rao felt that her brother was in a bad mood and immediately explained.

"Aunt Mo's birthday?" Hearing this, Mo Yuan calmed down. Mo Wan and the others were so good to Mo Rao, so Mo Rao should send some gifts for her birthday.

However, when he thought about how Fu Ying was also there, he was a little unhappy.

"Alright, I'll pick you up later," Mo Yuan replied gloomily.

"Alright, come over in an hour." Mo Rao looked at the time.

After hanging up, Mo Rao returned to everyone. Mo Wan knew from her expression that Mo Yuan must have called. Her brother didn't like Fu Ying very much. Everyone could tell.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

However, Fu Ying asked for it. He deserved it.

"Rao Rao, is it your brother?" Mo Wan asked. "Why didn't he come over as well?"

She thought that Shen Feng would come today, but he couldn't because he had something to do.

If Shen Feng couldn't, it would be good for Mo Yuan to come here to anger Fu Ying as well!

Mo Rao shook her head. "He's still busy. He'll pick me up later."

"I thought you were going to spend the night at home. Do you still want to go back?" Mo Wan was a little disappointed.

On the other hand, Mo Yun was very happy. If she spent the night here, her son would be furious. However, she was too embarrassed to show it and could only secretly rejoice.

However, Mo Wan felt her sister's happiness and deliberately glared at her angrily.

Mo Yun smiled brightly. She didn't mind being glared at by her sister.

"It's okay. We're leaving later too. We'll send you back on the way," Shen Ting said. Mo Yun was glad to hear her husband say that.

As expected of her husband. With this, Fu Ying's path to sending Mo Rao back was cut off.

Fu Ying frowned. They were competing for this task with him?

Mo Rao immediately agreed. "Alright! Then I'll tell my brother not to come. I'll have to trouble Uncle Shen later."

"It's no trouble. It's along the way." Shen Ting smiled.

How was it along the way? It was a big detour. Fu Lin was extremely depressed. This time, Shen Ting had beat him to it.

Mo Rao sent a message to Mo Yuan. When he heard that Mo Yun and Shen Ting were sending her home, he immediately agreed.

They were Mo Rao's future in-laws. Letting them send her back could improve their relationship.

When she heard that Mo Rao was going back tonight, Old Madam Fu couldn't bear to part with her. She was still happy moments before, but now, she looked sad and unhappy.

"Grandma, eat less cake. It's too sweet." Mo Rao didn't forget to express concern about Old Madam Fu's health.

"I have to eat more sweet things to make up for the anguish in my heart." Old Madam Fu sighed.

Mo Rao was stunned. What was Grandma talking about? That old lady was so funny.

She sat beside Old Madam Fu and held the old lady's hand. "Why aren't you feeling happy? Tell me."

Old Madam Fu snorted. "Some people no longer have me in their hearts. It's not easy for them to come, but they leave so soon after coming. They don't even think about accompanying an old woman like me."

Everyone smiled. Old Madam Fu was deliberately saying this for Mo Rao to hear.

Mo Rao knew that her grandmother missed her very much. She leaned her head on Old Madam Fu's shoulder as she said, "Grandma, I have to film tomorrow. I have to go home and rest. I'll come and see you next time."

"You can rest here. If anyone dares to disturb you, I'll break their legs!" Old Madam Fu glanced at everyone domineeringly.

In the end, her gaze landed on Fu Ying.

This kid was the most likely to harass Mo Rao.

Fu Ying was speechless. He had already told his family that he and Mo Rao had reconciled for the time being and would interact like siblings in the future. Why didn't they believe him?

"Grandma, I'm not saying that I can't rest well here. I have to go back and talk to my brother about work matters. You know, he's my manager now." Mo Rao's voice was sweet and crisp. Whenever she wheedled, she was irresistible. Old Madam Fu couldn't bear to reject her.

Old Madam Fu could only nod. "Alright. Come back and see me in two days."

*Chapter 277: Extremely Envious*

"Alright, alright, alright. Grandma, don't worry. I'll definitely come back often to visit you," Mo Rao replied obediently.

Only then did Old Madam Fu smile.

After everyone chatted for a while, Mo Rao looked at the time. It was time to go back. Otherwise, Mo Yuan would be worried.

Coincidentally, Mo Yun and Shen Ting were also planning to leave, so the three of them bade farewell to Mo Wan and the others.

“Be careful on the way back.” Mo Wan and Fu Lin sent the three of them to the car and instructed with concern.

“Alright, you guys should rest early too,” Mo Yun replied with a smile.

Mo Rao waved her hand. “Goodbye, Uncle and Auntie.”

Mo Wan couldn't bear to part with this girl, but she still had to respect her decision.

“Alright, come back often to visit!”

Mo Rao nodded and her gaze landed on Fu Ying, who was behind Mo Wan. He didn't look very happy and his expression was a little unpleasant. However, when he met her gaze, he still revealed a faint smile.

The car drove away and Mo Rao heaved a sigh of relief.

**If you want to read more chapters, please visit [to experience faster update speed](#)**

Although she had already decided to be siblings with Fu Ying, she still wasn't used to it. She would more or less feel uncomfortable whenever she was with him.

“Are you full? Rao Rao,” Mo Yun asked Mo Rao with concern. Mo Rao had mainly been eating cake and hadn't eaten anything else.

Mo Rao was about to shake her head when her stomach growled.

She had eaten a lot of cake, but she also wanted to eat some real food.

Shen Ting had already made a U-turn and drove towards the Shen Corporation. Shen Feng had been in the company for the past two days. It was already so late, so he should be off work by now. They could go eat something together.

“Rao Rao, Shen Feng hasn't gotten off work yet. I'll pick him up on the way home, okay?” Shen Ting still asked Mo Rao.

Mo Rao had no objections.

The car stopped under the Shen Corporation's building. Mo Rao took a look. There were a few floors in the building that were lit up. Someone was probably working overtime. She knew that Shen Feng was usually very busy.

Shen Feng came down after receiving Mo Yun's call. He had just finished his work and was pleasantly surprised that Mo Rao was also in the car.

“Brother Shen Feng,” Mo Rao greeted.

Shen Feng sat down in the front passenger seat and replied gently, "Yes, Rao Rao, you're here too. Did you just come from the Fu family?"

Today was Mo Wan's birthday. Mo Rao would definitely go.

"Yes." Mo Rao nodded.

"I haven't eaten yet. Let's go eat together." Shen Feng suggested. He had indeed been so busy that he hadn't had time to eat dinner.

That was what Mo Yun wanted. She had to matchmake her son and Mo Rao. Seeing how much the Fu family treasured Mo Rao, she knew how good she was.

Mo Rao wanted to refuse, but her stomach growled again. She might as well eat something along the way. Otherwise, she wouldn't be able to sleep if she was hungry.

"Okay." Mo Rao sent Mo Yuan a message and told him that she was going to eat with Shen Feng and the others and would go back later.

When Mo Yuan received this message, he was overjoyed. He couldn't wait for Mo Rao and Shen Feng to get closer, so how could he refuse?

He immediately replied, "No problem!"

With Shen Feng around, he didn't have to worry.

After arriving at the hotel, Shen Feng ordered some dishes that were all Mo Rao's favorites. He was a very meticulous person and prioritize Mo Rao in everything. It would be a lie to say that Mo Rao wasn't touched by this.

While the family was eating, halfway through, Mo Rao went to the washroom alone.

When she came out of the washroom, Mo Rao was washing her hands when a limping figure appeared behind her. She saw those resentful eyes in the mirror.

Mo Rao trembled and turned to look at Qu Ru. Her hatred for Qu Ru was no less than Qu Ru's hatred for her.

"Mo Rao, long time no see." Qu Ru was wearing a mask and holding a walking stick, revealing only her eyes. She was very emaciated.

"There's no need for us to see each other," Mo Rao replied coldly.

"Of course you don't think there's a need to see me, but I think it's very necessary for us to see each other. If we don't see each other, how can I take revenge?" Qu Ru clenched

her fists. Mo Rao was even more beautiful than before, with a hint of confidence and elegance. She was extremely charming.

As for herself? She was disfigured, crippled, and emaciated. She was also despised in the Qu family. Only Qu Xue treated her well and gave her a lot of money to spend.

Mo Rao didn't expect Qu Ru wanted to take revenge on her. Wasn't Qu Ru the one who caused all this?

This person was indeed a mad dog. She had no morals!

Mo Rao's gaze turned cold. "Can the current you still take revenge on me?"

*Chapter 278: Threatening Her*

This question made Qu Ru feel very humiliated.

Was Mo Rao mocking her for becoming like this and not even having the ability to take revenge?

She really wanted to tear Mo Rao's beautiful face apart immediately and let Fu Ying and Shen Feng see that she was even uglier after being disfigured and not worth liking.

However, if they really fought, Qu Ru was indeed not Mo Rao's match. She couldn't even stand steadily without her walking stick.

"Mo Rao, don't be too smug. As long as I, Qu Ru, am not dead, I will definitely make you pay the price." Qu Ru gritted her teeth and said ruthlessly.

"Then try it. At that time, the price you pay won't just be disability and disfigurement, but life." Mo Rao wasn't afraid at all. She was no longer the Mo Rao of the past.

Back then, Mo Rao was a puppet who relied on Fu Ying to survive. Without her own strength, she could only rely on Fu Ying to help her.

Now that she had her own career and her brother, she definitely wouldn't let Qu Ru hurt her.

Mo Rao ignored Qu Ru and left alone. Although she had the upper hand, meeting such a disgusting person affected her appetite. After returning to the dining table, she had no appetite to eat.

Shen Feng acutely noticed her change and asked considerately, "Are you full? Are you tired and want to go back and rest?"

"Yes, Brother Shen Feng, you guys can continue eating. I'll take a taxi back." Mo Rao was in a bad mood. When she saw Qu Ru, she thought of the two children she had lost. The pain of losing her children made her heart ache.

At this moment, Qu Ru appeared not far away. She even glanced at Mo Rao. When Shen Feng saw this, he stared at her coldly.

Qu Ru couldn't understand why Shen Feng was so obsessed with Mo Rao, like Fu Ying. What was so good about her?

Seeing Qu Ru limp away, Shen Feng asked Mo Rao in a low voice, "Shall I send you back? It's very late. It's not safe for you to take a taxi home alone."

"Okay." Mo Rao wasn't in the mood to mind the awkwardness between her and Shen Feng now. She only wanted to go back quickly.

Shen Ting also heard their conversation and said, "Shen Feng, drive Mo Rao back in my car. I'll get the driver to drive another car to pick me up later."

"Alright, I'll send Mo Rao back first." Shen Feng was very grateful for his father's support.

Shen Feng left with Mo Rao. As Mo Yun stared at their backs, she lamented, "Sigh, I hope our son works harder to win Mo Rao's heart."

"This is all up to fate. If Mo Rao doesn't like him, it's useless no matter how hard he tries. As long as he doesn't regret it, it's fine. We should respect his wishes," Shen Ting replied in a deep voice.

Mo Yun glanced at her husband with a smile. "You seem like a strict father, but you're actually very lenient towards your child."

"The child has grown up already. I don't have to make the decision. Eat quickly. I'll get the driver to come over now." Shen Ting smiled gently at his wife.

Like father, like son. Shen Feng was the loyal kind. Shen Ting also treated Mo Yun very well in private, but he wasn't good at expressing his affection in front of outsiders.

He and Fu Lin had completely different personalities. Even their sons had inherited different personalities.

...

When they reached the car, Shen Feng saw that Mo Rao seemed absent-minded and wasn't wearing her seatbelt. He took the initiative to fasten it for her. Only then did Mo Rao snap back to reality.

"Thank you!" she said, a little embarrassed.

"I'm fine. Are you okay?" Shen Feng smiled and asked as he drove.

"I'm fine. You don't have to worry." Mo Rao nodded. She was just traumatized by memories of the past.

She would never forget the pain of losing her children.

Shen Feng glanced at Mo Rao from the corner of his eye. "You met Qu Ru just now, right?"

"Yes," Mo Rao replied calmly. "She even said she wanted to take revenge on me."

"I will protect you. No matter what happens, you have to tell me, okay?" Shen Feng's tone was pleading.

He was afraid that Mo Rao wouldn't tell him.

Mo Rao smiled with a hint of sorrow. Even if she told Shen Feng, it would be useless. For example, how could she revive her two dead children?

"Shen Feng, thank you for being so kind to me." Mo Rao still thanked him gently. She couldn't reject Shen Feng's kindness.

"I'm doing so willingly. If Qu Ru dares to do anything to you, I won't let her off." Shen Feng gripped the steering wheel tightly.

*Chapter 279: Fortunately, She Has an Older Brother*

Mo Rao nodded but didn't say anything else. Facing Shen Feng's kindness, she didn't know what to say.

Previously, Fu Ying had reminded her that she could find an opportunity to slowly distance herself from Shen Feng and then make it clear that the two of them should stop acting. But now, she didn't know how to bring it up.

"There's a car following us." Shen Feng noticed something amiss.

Mo Rao also glanced at the rear mirror. There was indeed a black car following behind.

Due to the lighting, she couldn't see the person in the car clearly.

Her intuition told her that the person in that car was Qu Ru. How could the crippled Qu Ru drive?

Shen Feng's expression darkened. He started to focus on driving and successfully shook off the car behind at a traffic light.

"Damn it!" Qu Ru was furious when she saw that she had lost the car.

The driver beside her was assigned to her by Qu Xue. With Qu Xue backing her up, she was better off in the Qu family.

The current Qu Ru didn't consider anything else but revenge. She only wanted Mo Rao to pay the price by having her reputation ruined or die.

The driver asked, "Miss Qu, what should we do now?"

"Go back!" Qu Ru instructed impatiently.

"Yes."

The black car made a U-turn and rushed towards the Qu family's home.

On the way back, Qu Ru searched for news about Mo Rao online. When she saw the scandal between Mo Rao and He Di, she suddenly had an idea.

It seemed like she had to contact He Di.

On the other side, Mo Rao had already reached home. Shen Feng watched her enter before leaving.

"Shen Feng sent you back this time, right? I saw it!" Mo Yuan was very happy.

"Yes." Mo Rao was dispirited and looked like she was in a bad mood.

Mo Yuan frowned. "No way. Rao Rao, are you that against being with Shen Feng? He sent you back, but you look so displeased. I never saw you so unhappy even when Fu Ying sent you back."

Mo Rao froze for a moment before shaking her head. "No, I'm not in a bad mood because of Brother Shen Feng."

“What is it? Tell me.” Mo Yuan immediately pulled Mo Rao to sit down. Not just anything would make his sister unhappy.

Mo Rao recalled Qu Ru’s vicious gaze and said, “Brother, I met Qu Ru just now.”

“Who?!” Mo Yuan’s tone of voice changed. “The bitch who killed my nephew and niece?!”

Mo Rao nodded and clenched her fists.

Mo Yuan knew of Qu Ru’s existence, but had only seen photos of her online. If he could see that woman in person, he would probably slap her.

Slapping was just light punishment. Fu Ying had already done what he wanted to do. He didn’t have any better ways to take revenge.

“What did she do to you? Did she say something unpleasant?” Mo Yuan hugged Mo Rao’s shoulder. “Don’t be afraid. With me around, if she dares to find trouble with you, I’ll won’t let her off!”

“It’s nothing. She can’t do anything to me now. It’s just that seeing her reminds me of some painful memories.” Mo Rao smiled bitterly and shook her head.

“Rao Rao, it’s all in the past. I’ll accompany you every day in the future and make you happy. Don’t listen to the barking of that crazy dog, lest it taints your ears.” Mo Yuan’s heart ached. He didn’t want his sister to show such a fragile look.

Mo Rao leaned into her brother’s arms, tears flowing from the corners of her eyes. Why did her heart ache so much?

She had lost her children during the bone marrow transplant for Qu Ru. She would always remember the scene of her being strapped to the operating table and crying for help.

It was ridiculous and ironic to think that she had saved her enemy while losing her children.

When he heard Mo Rao sob, Mo Yuan’s heart ached. He hugged Mo Rao tightly and let her vent.

After crying for a while, Mo Rao went to rest with swollen eyes. In order to film tomorrow, Mo Yuan had specifically boiled eggs to apply to her eyes to reduce the swelling.

When Mo Rao felt Mo Yuan’s concern and consideration for her, she was touched. Fortunately, her brother was by her side when she was down in the dumps.

Unknowingly, Mo Rao fell asleep. However, she had nightmares that night. When she woke up the next day, she was covered in sweat.

After she went to take a shower and change her clothes, Mo Yuan was already waiting for her at the door.

“Rao Rao, there’s not enough time today. Let’s buy some breakfast later. Get in the car,” Mo Yuan urged.

*Chapter 280: Stay Away From Him*

Mo Rao quickly got into the car and the siblings rushed to the production team.

This movie was already coming to an end. It should wrap up in a few days. After dropping Mo Rao off at the production team, Mo Yuan left. He still had to attend to the company’s affairs.

He was wondering if he should assign another manager assistant to Mo Rao.

“Mo Rao, let’s film the ending scenes today. Take a look at the script and review it.” Director Wang informed Mo Rao.

“Okay!” Mo Rao nodded.

Zhu Ye walked over. The ending scene was mainly between the two of them, so it was normal to go through the scenes together before filming started.

When Zhu Ye saw Mo Rao’s dark circles, he asked with concern, “You don’t seem to have slept well.”

“Yes, there was a family member’s birthday party last night, so I went to bed a little later than usual.” Mo Rao yawned. Her eyes looked a little hazy and she looked very cute.

Zhu Ye actually liked her very much. It wasn’t just because she was beautiful, but because she was very dedicated to her job and talented in acting, which made him admire her very much.

Although Mo Rao had been on the trending searches recently, and some of the news had been very scandalous, he didn’t mind. He still felt that Mo Rao was a very good girl.

Not only Zhu Ye, but Tian Chen also felt the same.

The men in the production team even secretly gave Mo Rao the title of “Goddess”.

“Mo Rao, stay away from He Di in the future.” Out of goodwill, Zhu Ye reminded Mo Rao.

Mo Rao was stunned. Her gaze couldn't help but land on He Di, who wasn't far away. He was sitting alone in the corner quietly and looked very lonely. He was also looking at Mo Rao. When he realized that Mo Rao was looking at him, he immediately looked away in a panic.

In Mo Rao's heart, He Di seemed like a very good guy. He was very hardworking and had a bright future.

“Okay.” Mo Rao didn't ask for the reason.

No matter what He Di was like, she had to stay away from him since there were already two scandals.

Hearing that Mo Rao agreed, Zhu Ye was relieved. “Alright, let's rehearse.”

“Okay.” Mo Rao picked up the script and stopped paying attention to He Di.

He Di sat alone in the corner, his phone chiming from time to time. He no longer had any scenes and only came to the production team to report every day, so he had a lot of time to do other things.

An unfamiliar number sent a message. “Have you considered it yet? This is a one in a lifetime chance. With riches come danger. Do you want to be a D-list celebrity for the rest of your life?”

Of course not! He Di gripped his phone tightly. If he was willing to be a nobody forever, he wouldn't have used Mo Rao for publicity.

He did so to increase his fame and popularity.

Moreover, Mo Rao was especially cold towards him today. That gaze just now seemed very distant. It was also filled with vigilance and fear.

There was also Jiang Yue, who was in a vegetative state. It was very likely that Mo Rao had been involved, so he had to avenge Jiang Yue!

He Di's desire for fame and fortune, as well as his hatred, had blinded him. He replied, “Okay, I promise you.”

Soon, a photo was sent.

He Di was shocked, but she immediately saved the photo. With this photo, it would be impossible for Mo Rao to disassociate herself from him.

When Mo Rao was acting with Zhu Ye, she kept feeling that someone was staring at her with an unfriendly gaze. From time to time, she would search for the source of the gaze, but in the end, her gaze landed on He Di.

He Di glanced at her and stood up to leave.

Mo Rao frowned in confusion.

However, she quickly put her focus on filming again. When the filming for this movie ended, she could rest for a while.

...

“Rao Rao, how about I find you another manager?” On the day they finished filming, Mo Yuan accompanied Mo Rao to the wrap banquet and suggested this idea.

He had accepted another variety show gig and some other advertisements for Mo Rao, while the company had also started to recruit other artists. He might not be able to take care of all of them in the future.

Someone reliable had to follow Mo Rao and help her share the burden.

“Alright, do as you see fit.” Mo Rao lay on the sofa in exhaustion. The filming for this movie was finally finished, and the variety show gig that Mo Yuan had accepted for her would only start in half a month. She could rest during this period of time. At most, she would film a few advertisements.

“Alright.” Mo Yuan nodded. He was already thinking about the best candidates.

Mo Rao suddenly thought of Hu Ya. “Brother, Hu Ya has been discharged from the hospital already. I don’t even have time to visit her. You’ve paid for her medical fees, right? You still have to compensate her.”
