

After Leaving The CEO, She Stunned The World

#Chapter 285 - I Saw It All - Read After Leaving The CEO, She Stunned The World Chapter 285 - I Saw It All Online - All Page - Full-Novel

Chapter 285: I Saw It All

He Di didn't expect Fu Ying to be so smart. Fu Ying didn't fall for it at all.

Fu Ying didn't admit what he said at all and even played dumb.

"Stop acting!" He Di became agitated. "It's either you or Mo Rao. Jiang Yue just had a little conflict with her, so you avenged her, right? Just like how you caught me now!"

Unexpectedly, He Di had guessed correctly.

Fu Ying stared at him, his gaze gradually turning vicious.

...

Shen Feng accompanied Mo Rao in the Fu family and didn't leave her side at all.

Mo Rao found it very strange. In the past, Shen Feng was very obedient to her. No matter what she did, he wouldn't interfere.

But today, as long as she touched her phone, Shen Feng would stop her.

Could there be a problem? Mo Rao glanced at her phone and an uneasy feeling arose in her heart.

"I'm going to the washroom." Mo Rao picked up her phone and said to Shen Feng before preparing to go to the washroom.

As expected, Shen Feng said, "Rao Rao, lend me your phone to make a call. My phone is out of battery."

Mo Rao became even more suspicious. Shen Feng must be trying to prevent her from seeing some news on her phone!

She nodded. After handing the phone to Shen Feng, she went to the washroom.

When she was out of Shen Feng's sight, Mo Rao found a servant of the Fu family and borrowed her phone. Then, she immediately searched for entertainment news online and saw another trending topic about her. This time, it was very serious. A private photo of her was exposed.

Mo Rao didn't even remember when she had this photo taken.

The netizens' comments were very nasty. After Mo Rao read the comments for a while, she felt her heart beat violently, as if she was suffocating.

Director Wang, Zhu Ye, and the others came out to clarify things for Mo Rao.

Director Wang: I heard that the two actors in the movie I directed are in a relationship. Why didn't I know about it at all? I've never seen or heard of it.

Zhu Ye: "It's a lie! Mo Rao and He Di didn't even have much interaction on set."

Tian Chen: "Please stop. Don't slander her. Mo Rao is a self-respecting girl. There's definitely something fishy about that photo."

It was obvious that Mo Rao had a good image in the hearts of her fellow crew members.

Some people believed Mo Rao.

"Did Mo Rao get slandered because she returned to the country and snatched someone's role?"

"I heard that she refused to sign with the company. Could it be that she's being targeted by investors?"

"I don't think she's that kind of person. If I had a boyfriend like Shen Feng, why would I still be with He Di?"

"Let's wait for the truth to come out!"

Mo Rao turned off her phone in a panic and returned it to the servant. She couldn't accept that such a private photo of her would appear in front of the public.

She returned to the living room in a daze. Old Madam Fu had already gone to take an afternoon nap, and Mo Wan, Fu Lin, and the others were not at home, so only Shen Feng was waiting for her in the living room.

Shen Feng immediately realized that something was wrong with Mo Rao. He panicked as he asked, "Rao Rao, what's wrong?"

“Shen Feng, I saw everything.” Mo Rao’s lips were a little pale, and her eyes were teary, as if she was about to cry.

“Rao Rao!” Shen Feng immediately stood up and came to Mo Rao’s side. Then, he pulled her into his arms. “Don’t worry. Fu Ying and your brother are handling this matter now. I’ve also sent someone to deal with the PR. The matter will die down soon.”

“How could this be? I don’t even remember when that photo was taken. Where did He Di get it from?” Mo Rao asked with tears streaming down her face. She had thought that He Di was a cute and kind guy, but he turned out to be so vicious.

Shen Feng didn’t know either. Now, he was here, while Fu Ying was the one handling the matter, so he didn’t know what the exact situation was.

It wasn’t appropriate to for her stay in the Fu family’s home any longer. If Old Madam Fu came down and saw this scene, she would definitely be anxious and angry.

Shen Feng took Mo Rao away from the Fu family’s home.

Along the way, Mo Rao’s tears kept flowing. She didn’t expect her life to be so full of ordeals. She had been set up repeatedly, and even someone she sincerely treated as a friend tried to hurt her.

When Shen Feng saw Mo Rao cry, his heart ached.

At this moment, Mo Rao suddenly asked, “Where’s Fu Ying? He went to the company just now, right? Did he go to deal with this matter?”

Shen Feng nodded.

“I’ll call him.” Mo Rao wiped her tears and picked up her phone to call Fu Ying. Soon, the call was picked up and He Di’s screams sounded at the same time.

Chapter 286: Reason

Mo Rao’s heart tightened and she immediately asked, “Fu Ying, is He Di with you?”

“You found out about everything?” Fu Ying knew that they couldn’t have hidden it for long. He looked at He Di, who was already on the verge of death, with coldness in his eyes.

Mo Rao immediately told him to stop. “Stop beating him!”

It wasn't that she was soft-hearted, but she didn't want Fu Ying to cause a huge commotion like last time. After all, He Di was a public figure and had some fans.

Jiang Yue's matter had already made many people think that he was the culprit. If anything happened to He Di this time, it would definitely implicate him.

"Rao Rao, this bastard wants to harm you!" Fu Ying tightened his grip. He really wanted to hammer this bastard He Di to death now.

"I know. Where are you? I'll be right there." Mo Rao was also very sad, but she didn't want Fu Ying to use such a violent tactic again.

Jiang Yue's incident was actually worse than He Di's. Jiang Yue had tried to cause a car accident to kill her, but He Di's incident would at most cause her reputation to be ruined. It could be remedied.

Fu Ying hesitated for a moment before answering, "Jade Heaven Villa."

If you want to read more chapters, please visit [to experience faster update speed](#)

Mo Rao had never been there, but Shen Feng knew the address. He immediately brought Mo Rao to the Jade Heaven Villa.

Was this the place where Qu Ru had live-streamed from?

Mo Rao looked at the magnificent villa in front of her, but wasn't in the mood to admire it. She quickly got out of the car to look for Fu Ying.

In a spacious and beautiful hall, Mo Rao saw Fu Ying and the badly beaten He Di. When He Di saw her, his gaze changed.

"Stop fighting!" Mo Rao immediately stopped Fu Ying's subordinates.

The subordinates glanced at Fu Ying, who raised his hand. "All of you, get out."

His subordinates immediately went out, leaving only Mo Rao, Fu Ying, Shen Feng, and He Di in the hall.

Mo Rao walked in front of He Di and wanted to help him up, but she couldn't. Shen Feng frowned and walked over to help He Di sit on the sofa.

Mo Rao checked He Di's condition. One of his ribs was broken, and most of the others were superficial wounds, but his injuries were not light.

"Eat this." Mo Rao took out a small pill and handed it to He Di. This was a pill she usually carried with her. It was very effective at alleviating sprains.

He Di's condition was a little serious, but at least it wouldn't hurt so much anymore.

He Di looked at the small pill and asked in a slurred voice, "You want to poison me?"

"This is to treat your injuries. You need to go to the hospital to treat your ribs," Mo Rao said calmly. "If you want to die from the pain, don't eat it."

Hearing Mo Rao's words, He Di hesitated for a moment before taking the pill and swallowing it.

As Fu Ying watched this scene, he frowned. He didn't want Mo Rao to be so kind to He Di.

However, he didn't know that Mo Rao was also thinking for his sake. She didn't want his hands to be stained with blood again.

"Why did you do it?" Mo Rao asked when she saw that He Di had calmed down. "Who gave you that photo? I never had that photo taken!"

He Di's eyes were swollen from the beating. At this moment, he could only open them slightly. He appeared comical and pitiful. "Because I want to avenge her. You guys harmed Jiang Yue, right? Some of those rumors are true!"

Mo Rao was shocked. "What's your relationship with Jiang Yue?"

"I was her ex-boyfriend," He Di admitted.

"So you approached me to avenge her? Do you think everything on the Internet is true? Do you think I harmed her?" Mo Rao didn't expect this and couldn't help but feel terrified and shocked.

He Di asked, "Isn't that so?"

This question made Fu Ying feel very uncomfortable, but Mo Rao didn't even look at him. This was because if she looked at him now, the meaning would be too obvious. It would only make He Di suspect Fu Ying even more.

Mo Rao told He Di without changing her expression, "Then let me tell you, I didn't do this. I just got into a car accident at that time, so how could I set her up? I couldn't have been that fast!"

He Di immediately looked at Fu Ying. "Yes, you don't have that sort of speed, but others do."

“It wasn’t him!” Mo Rao denied it without thinking. “Fu Ying was with me for the past two days. It was impossible for him to do such a thing. Moreover, the police have already closed the case. You don’t have evidence, so this is a false accusation.”

Fu Ying was a little surprised. Was Mo Rao lying for his sake? Was she afraid that something would happen to him?

He Di laughed coldly. “Hehe, I don’t believe you. Look at how fast he was this time!”

Chapter 287: I’ll Let You Go This Time

Fu Ying’s gaze was as terrifying as a poisonous snake as he stared at He Di. He wouldn’t let go of anyone who hurt Mo Rao.

He was willing to be a bad person for her sake.

Mo Rao finally couldn’t help but glance at Fu Ying. Then, she took a deep breath and said to Fu Ying, “Fu Ying, you said that Jiang Yue deliberately set up my car accident. Do you have evidence?”

“Yes,” Fu Ying replied. Of course, he punished Jiang Yue after the investigation results came out.

He Di looked stunned, as if he was surprised to hear this.

Fu Ying took out the evidence he had found, including Jiang Yue’s chat history with the van driver and the transfer records. The evidence clearly proved that her goal was to kill Mo Rao.

Shouldn’t such a vicious person receive retribution?

If you want to read more chapters, please visit [to experience faster update speed](#)

“Impossible!” He Di didn’t believe it. His impression of Jiang Yue had been shattered by this evidence.

In his heart, Jiang Yue was a kind and innocent girl. How could she do such a vicious thing?

Mo Rao said calmly, “The human heart is unpredictable. I was lucky enough to survive, but Jiang Yue’s car accident was retribution from the heavens. There’s no evidence to prove that Fu Ying did it, so you don’t have to set me up again and again for her sake.”

“How is that possible...” He Di felt dejected. He had spent so much effort to get close to Mo Rao to seek justice for Jiang Yue and expose Mo Rao and Fu Ying’s hypocrisy.

In the end, Jiang Yue turned out to be the most vicious one. He Di felt as if his entire world had been a lie and his mind went blank.

Mo Rao knew that He Di had been manipulated. That photo must have been given to him by someone else.

“He Di, I think you’re a very good person. Before these things happened, I really wanted to treat you as a friend. Now, it’s impossible for us to be friends, but I can give you another chance. As long as you explain to everyone how the photo came about and that there’s nothing between you and me, I can let you go, but you have to leave the entertainment industry in the future.”

Mo Rao spoke calmly.

At this point, that photo must have been seen by many people, but fortunately, it was only a photo of a regional body part.

Now, all she could do was get He Di to clarify things and try to salvage her reputation to the greatest extent.

He Di’s thoughts were in a mess. He no longer knew how to answer this question. His goal was to use Mo Rao for publicity and get close to her to expose her true colors. In the end, the truth turned out to be completely different from what he expected.

Most importantly, he didn’t know who had given him the photo at all. He only had an unfamiliar number.

“I don’t know who she is,” He Di said weakly. “I only have a phone number, but I feel that that person is Qu Ru. Didn’t she accuse Fu Ying of illegal imprisonment some time ago?”

Mo Rao and Fu Ying looked at each other, and their gazes darkened.

If it was really Qu Ru, how did Qu Ru get these photos of her?

Seeing the tacit understanding between Mo Rao and Fu Ying, Shen Feng felt a little upset. However, this wasn’t the time for him to fuss over it.

“Now, log into your account and explain the ins and outs of the matter to clarify our relationship. Then, I’ll let you go and won’t make things difficult for you in the future,” Mo Rao said calmly.

“Even if you don’t make things difficult for me, what about the others?” He Di glanced at Fu Ying and Shen Feng.

Mo Rao immediately gave Fu Ying and Shen Feng a look. The two of them said reluctantly, “Since Rao Rao has spoken, we will let you off.”

If Mo Rao hadn’t agreed, the two of them wouldn’t have let He Di off so easily.

He Di was really surprised. He knew that Fu Ying and Shen Feng had feelings for Mo Rao, but he didn’t expect these two powerful men to be so obedient to her.

He reached out and said, “Give me the phone.”

Fu Ying’s expression darkened as he returned the phone to He Di.

Under their watch, He Di logged into his account and clarified things. At the same time, he took a screenshot of the messages between him and the unknown number, then posted it.

Everyone was paying attention to this matter, so when He Di’s clarification was posted, everyone was stunned. The matter was this complicated?

He Di announced that he used Mo Rao for publicity purposes and that photo was sent to him from an unknown number. Clearly, the owner of that unknown number had a grudge against Mo Rao.
