

After Leaving The CEO, She Stunned The World

#Chapter 288 - His Call -

After Leaving The CEO, She Stunned The World

Chapter 288 - His Call

Chapter 288: His Call

After He Di sent the clarification, Mo Rao said to Fu Ying, "Can you find a doctor to treat him?"

"Yes." Fu Ying was a little unwilling. He wanted to beat this bastard to death, but since Mo Rao had asked, he didn't want to reject her.

Mo Rao then said to He Di, "After you recover, I want to see you announce to the public that you're leaving the industry. Otherwise, bear the consequences."

Her gaze was stern and cold, making He Di feel a sense of oppression. The current Mo Rao seemed completely different from the Mo Rao he usually saw.

"Yes, I will." He Di knew very well that he couldn't win against Mo Rao, and that he had been in the wrong from the beginning.

After Mo Rao entrusted He Di to Fu Ying, she left with Shen Feng.

"Rao Rao!" Fu Ying couldn't help but call out. Why wasn't Shen Feng the one staying here while he accompanied Mo Rao?

However, Mo Rao was in a hurry and didn't hear him at all.

Gu Hai glanced at Fu Ying and felt a little sympathetic.

...

"Damn it, how useless!" Qu Ru also saw He Di's clarification and was so angry that she threw her phone away.

She didn't expect He Di to clarify things so quickly. How long had it been?

Moreover, some people had already guessed that it was her. Even Qu You mocked her.

But it didn't matter. This was only the beginning.

A vicious smile appeared on Qu Ru's face. She picked up her phone and clicked a video. It was a medical recording. Back then, when Mo Rao underwent the bone marrow transplant, she had recorded the entire process. After the surgery, this recording was immediately passed to Qu Ru, so even though that group of doctors and nurses were gotten rid of later, it didn't affect the fact that this video was in her hands.

In the video, Mo Rao struggled with all her might, but as soon as the anesthetic was applied, she gradually lost consciousness. Because the bone marrow was extracted from the iliac bone, her lower body was only covered by a cloth, making her look very seductive.

If Fu Ying saw this, he would definitely be furious.

The more Qu Ru thought about it, the more excited she became. She wished she could see Fu Ying go crazy with anger immediately.

"What are you smiling about again?" Qu You walked in at this moment. She saw Qu Ru's sinister smile and wondered what she was scheming about.

In any case, Qu Ru was rotten to the core.

"What does it have to do with you?" Qu Ru put away her phone and replied coldly.

"How cocky. I can't even ask? Could it be that you're doing something shameful?" Qu You sat down opposite Qu Ru with a disdainful expression. "Did you really post that photo of Mo Rao?"

A trace of panic flashed across Qu Ru's face, but she immediately calmed down. "Do you have evidence? If you don't, don't slander me."

"Why are you so flustered?" Qu You played with the nails she had just gotten done and said slowly, "Do you have a guilty conscience?"

Qu Ru was now protected by Qu Xue, so she didn't take Qu You seriously at all. She felt that since she was also a daughter of the Qu family, she was on equal footing with Qu You.

"Ever since I returned to the Qu family, you've been targeting me." Qu Ru glared at Qu You. "Are you jealous of me? Are you afraid that I'll come back and steal your limelight?"

What sort of idea was that? Qu You was really impressed by Qu Ru's narcissism.

"Qu Ru, aren't you saying this to the wrong person? Do I need to be jealous of you? Who do you think you are?" Qu You was straightforward and sharp-tongued to begin

with. "My aunt likes you so much and treats you like her own daughter. The person who should be jealous of you is Qu Rou."

Qu Rou was Qu Xue's biological daughter and the youngest daughter of the Qu family. She was usually very doted on. Now, she had entered an entertainment company in Country H for training and was preparing to debut.

During this period of time, it was also because Qu Rou was not at home that Qu Xue treated Qu Ru so well.

At the mention of Qu Rou, Qu Ru's expression changed, but she pretended to be calm. "This is just your opinion. Do you think that I can't get along peacefully with Rou Rou? Do you think that we can't be good sisters? Do you think everyone is like you?"

"Then try it." Qu You couldn't be bothered to talk to her anymore. She stood up and left.

Qu Rou would be back soon and would focus on developing her career in the country. At that time, Qu Ru would suffer.

With a vicious look on her face, Qu Ru watched Qu You leave. Her high and mighty appearance really disgusted her. One day, she would trample on this woman.

Just as Qu Ru was overcome with jealousy and hatred, her phone rang. It was Fu Ying.

Why was he calling? Had he realized that the slutty Mo Rao was in an adulterous relationship with another man, so he wanted to change his mind and reconcile with her?

Qu Ru was delighted and quickly picked up the call. She deliberately used a gentle tone of voice as she said, "Fu Ying, why did you call me?"

Chapter 289: Meeting

When Fu Ying heard Qu Ru's voice, he no longer felt anything. He said coldly, "Let's meet."

"Okay!" Qu Ru agreed without thinking, but after two seconds, she immediately asked, "But why do you want to see me? Do you regret rejecting me back then?"

After all, she was Fu Ying's savior. They had some connections.

"Let's talk when we meet." Fu Ying realized that Qu Ru might really be crazy. Why would she think that he regretted it?

Previously, he imprisoned her and broke her leg. Wasn't that ruthless enough?

It was precisely this kind of lunatic that would do outlandish things that were difficult to understand.

Bu then, Qu Ru immediately regained her senses and asked warily, "Is it because of that photo?"

"Yes." Fu Ying didn't deny it.

"Fu Ying, how can you treat me like this? That was all made up by those people on the Internet. Do you actually believe it? Don't forget that I saved you in the past and almost lost my life in the process!" Qu Ru said agitatedly.

In the past, whenever she said this, Fu Ying would feel a little guilty and feel that he should indeed repay Qu Ru. But now, he felt nothing.

He had already sent Gu Hai to investigate. That unknown number was registered with a man's ID, but Qu Ru's number was in the call history and it appeared very frequently.

He was almost certain that the photo was sent by Qu Ru.

Now, what he wanted to figure out was where Qu Ru had obtained this photo and destroy it.

"If you don't want to meet me, I'll go straight to the Qu family's home." Fu Ying wasn't in the mood to talk nonsense with Qu Ru, so he threatened her directly.

If Fu Ying really came to the Qu family's home, Old Madam Qu might find out about this. How could Qu Ru dare to?

She could only agree reluctantly. "Alright, let's meet. Where do you think we should meet?"

The call ended and an address and time were sent at the same time.

Qu Ru took a deep breath. So be it. As long as she refused to admit it, what could Fu Ying do to her?

...

Qu Ru arrived at the agreed place according to the time. Fu Ying was already there.

When Qu Ru limped over and saw that handsome face again, her jealousy of Mo Rao intensified. Why didn't such an outstanding man belong to her? Why was he snatched away by that b*tch Mo Rao?

“Fu Ying, I’m here. What do you want to say?” Qu Ru sat down with a calm expression. “I’ve already told someone I trust before I came to see you that if anything happens to me, you’re the culprit.”

She was careful this time. Being imprisoned by Fu Ying traumatized her.

Fu Ying sneered. “If I really want to do anything to you, it’s useless no matter who you tell.”

That was true. Qu Ru knew this man’s methods. She took a deep breath as she looked at Fu Ying with a disfigured face. She started to act pitifully. “Fu Ying, I was indeed the one who hurt Mo Rao previously, but you’ve already taken revenge on me. My face is ruined and my legs are crippled. Isn’t that enough? Why are you still targeting me now?”

“Am I targeting you, or are you asking for it?” Fu Ying asked.

Qu Ru’s face turned pale. “I don’t know what you’re talking about. I’ve been recuperating in the Qu family’s home recently and haven’t done anything.”

“Where did that photo come from? Tell me.” Fu Ying didn’t want to hear Qu Ru’s lies. He only wanted an answer.

“What photo?!” Qu Ru was still acting stubbornly.

Fu Ying narrowed his eyes. “Do you really want to continue playing dumb with me? You’ll regret it.”

“This has nothing to do with me. No matter what you say, I won’t admit it!” Qu Ru was determined not to admit it. She wanted to see what Fu Ying could do about it.

In any case, she was already a cripple now. At most, she would post the video in the future and fight to the death with Mo Rao. She would let Mo Rao become a laughingstock.

Fu Ying stood up and walked to Qu Ru’s side. Then, he grabbed her neck and said in a menacing tone of voice, “Qu Ru, are you really tired of living? Do you believe that I can send you to hell now?”

Qu Ru felt suffocated and her face flushed. She said with difficulty, “Then kill me. After you kill me, there will be more exciting things awaiting you and Mo Rao...”

Hearing this, Fu Ying let go. Qu Ru panted hard and held her neck as she glared at Fu Ying with hatred. “What’s the matter? Are you afraid?”

Fu Ying wasn’t afraid of Qu Ru attacking him, but he couldn’t hurt let Mo Rao get hurt again.

Chapter 290: Use Her As A Threat

“You sent the photo, right?” Fu Ying knew that he had not guessed wrong.

After Qu Ru caught her breath, she smiled. “So what? Are you going to imprison me again? Let me tell you, I have something even more scandalous. I can let the whole world see Mo Rao naked!”

Hearing these words, Fu Ying was instantly filled with anger. He really wanted to kill this disgusting woman immediately.

However, he couldn't do this. No one knew what Qu Ru would do if she went crazy.

“What is it?” Fu Ying suppressed his anger and asked.

“Of course it's good stuff. How about letting all the men in the world see the body that President Fu has seen?” Qu Ru deliberately provoked Fu Ying.

In fact, Mo Rao's upper body wasn't exposed in the video. Her lower body was also covered with a drape. It only revealed her lower abdomen and iliac bone, which were close to her private parts.

However, Qu Ru deliberately misled Fu Ying in order to see his anxious, angry, and helpless expression.

The more he loved Mo Rao, the more afraid he would be.

“What do you want?” Fu Ying asked Qu Ru calmly.

“Let me think about it. How about this? I'll tell you what I want to do during this period of time. As long as you can satisfy me, I'll hand that thing to you to destroy. How about that?” Qu Ru thought of a good idea.

Fu Ying could guess what Qu Ru would do, but for Mo Rao's sake, he had to endure it.

“Let me see what you're talking about first.” Fu Ying was afraid of being deceived by Qu Ru.

Qu Ru had already made a copy. She clicked on the copied video cover for Fu Ying to see. Mo Rao was lying down, and her clothes had already been lifted slightly. She seemed to be unconscious, and the surroundings looked like an operating theater.

Fu Ying immediately remembered when this happened and almost lost control of his rage again.

“You took this video when you forced her to donate her bone marrow to you?” Fu Ying clenched his fists.

That was the day Mo Rao was in her most fragile state and suffered the most pain, but Qu Ru actually filmed it and used it as a tool to hurt her.

Qu Ru put away her phone and smiled viciously. “Yes, you got rid of those doctors and nurses, but why didn’t you think of getting rid of me?”

At that time, he was very protective of her.

When Qu Ru saw Fu Ying’s pained and self-reproachful expression, she felt very pleased.

She wanted to take revenge on these two people and make them never be together!

“I’ve made a few copies and placed them in separate places. If you dare to do anything to me, I’ll send them all out. What I showed you just now was only the cover. She was pretty much naked after that. I have to say that other than being a little scrawny, her figure is quite good,” Qu Ru continued, provoking Fu Ying even more.

She had waited for this day for a long time. Since she couldn’t get Fu Ying, she would take revenge on him.

Fu Ying had always had a bad temper. Logically speaking, he should have attacked already, but he endured it for Mo Rao’s sake. He had to stabilize Qu Ru first, then think of a way to get the video from her and destroy it before teaching this woman a lesson.

“Alright, I promise you. Set a time limit,” Fu Ying said.

“How about two months?” Qu Ru said proudly. “If you want a shorter time frame, I’ll send it out immediately.”

She didn’t give Fu Ying a chance to refuse.

Fu Ying didn’t refuse. “Alright, two months it is. I’ll try my best to satisfy all your requests, except touching you.”

When she heard this, Qu Ru’s expression instantly became distorted. Did Fu Ying despise her so much now? Fair enough. She was disfigured now. Who would be attracted to her?

At the thought of this, she hated Mo Rao even more. It was all her fault!

“Hehe, send me back to the Qu family’s home now.” Qu Ru didn’t say anything else and only gave Fu Ying an order.

Fu Ying stood up and left, while she limped behind him. After so long, she finally sat in Fu Ying’s car again and in the front passenger seat, as if she was his woman.

Fu Ying’s aloof countenance was expressionless as he drove. Qu Ru picked up her phone and took a selfie, deliberately including Fu Ying’s side profile in the photo.

“You want to post it?” Fu Ying asked.

“Didn’t you say that other than touching me, anything else is fine?” Qu Ru said deliberately as she typed on Weibo.

She wanted to shock everyone and let Mo Rao know that she and Fu Ying still had a relationship.

Fu Ying pursed his lips and gripped the steering wheel tightly. Qu Ru was really too disgusting, but he couldn’t stop her. Thinking of that video, he became extremely worried about Mo Rao.
