

## After Leaving The CEO, She Stunned The World - Chapter 316 - 320

### Chapter 316: Serious Objection

Recently, Old Madam Shen had made it clear to Shen Feng that she did not agree to Mo Rao becoming the Shen family's granddaughter-in-law.

No matter how Shen Feng explained and objected, Old Madam Shen refused to relent. She even introduced women of equal social status to him and asked him to find a suitable woman as soon as possible.

Shen Feng only had Mo Rao in his heart. He would never marry another woman.

1

The current Shen family was shrouded in a depressing atmosphere. Even Mo Yun and the others looked gloomy every day because of Old Madam Shen.

It was because he had been distracted during this period of time that Fu Ying had the chance to swoop in.

Just as Shen Feng was feeling frustrated, Old Madam Shen called again. He rejected the call.

But half an hour later, Old Madam Shen appeared in his office.

"Shen Feng, why didn't you answer my call?" Old Madam Shen was dressed in black and sitting on the sofa in the office. Her silver-white hair was combed neatly, and her old face had a mean expression. Even when facing her biological grandson, she was extremely stern. "You were raised to be rude and unfilial by your mother. You even dared to reject your grandma's call!"

No matter what, Old Madam Shen blamed Mo Yun. Shen Feng frowned. He had had enough.

"Grandma, what's the matter?" Shen Feng suppressed his anger and asked calmly.

“How old are you?” Old Madam Shen took out a few photos from her bag and placed them on the table. “These are a few suitable girls I found for you today. Look, all of them are good girls. They have never had a boyfriend before. They don’t have any dirty past.”

Old Madam Shen was mocking Mo Rao and saying that she was dirty.

Shen Feng stood up with an angry expression. “Grandma, my respect for you stems from your status as an elder, but if you continue to spout nonsense, forgive me for being unfilial!”

Old Madam Shen’s expression became even uglier and she glared at Shen Feng resentfully. “Look at you. Even when I scolded your mother in front of you, you’ve never been this angry with me. Now, I’ve only said a few words about Mo Rao, but you’re slamming the table! That vixen has bewitched you!”

“Grandma, Mo Rao is not a vixen. She is my beloved woman and a very good girl!” Shen Feng said coldly.

“A good girl? She came from an ordinary background, but she was able to enter the Fu family and marry Fu Ying. Do you think she doesn’t have any dirty tricks up her sleeve? It’s just that you can’t see it!” Old Madam Shen was filled with resentment towards Mo Rao. “You and Fu Ying can have any woman you want. Why are you two infatuated with that kind of person?”

Hearing that Old Madam Shen was still badmouthing Mo Rao, Shen Feng lost his patience. “You don’t have to look for me in the future. I definitely won’t listen to you. I’ll either marry Mo Rao or be single for the rest of my life. Let the Shen family’s lineage end at my generation!”

“How dare you!” Hearing this, Old Madam Shen was so angry that she pointed at Shen Feng’s nose. “If you dare to let the Shen family’s lineage end at your generation, you will be a sinner of the Shen family!”

“If I want to have children, I will only have children with Mo Rao,” Shen Feng said calmly.

“Shen Feng, you don’t take me seriously anymore, do you? You’ll regret it. I definitely won’t let you be with Mo Rao!” Old Madam Shen was enraged and turned to leave the office.

As Shen Feng watched the door close, he heaved a sigh of relief before sitting down. He did not know what method Old Madam Shen would use to stop him and Mo Rao from being together, but he would definitely persevere.

...

The sun was very bright. Beside a wild pond, Fu Ying was sitting on the ground and fishing with a bamboo pole.

Mo Rao sat under the shade of a tree not far away and slept. She did not care if Fu Ying was hot or tired. She wanted Fu Ying to regret appearing on this show.

“Fu Ying, I’m thirsty.” Suddenly, Mo Rao sat up and ordered Fu Ying, “My feet hurt. Help me get water.”

Fu Ying glanced at Mo Rao under the shade. She was clearly bossing him around on purpose. Was she still angry?

“Alright, I’ll go now.” Fu Ying wasn’t angry at all and was happy to be ordered around by Mo Rao. He fixed the bamboo pole and immediately went to his backpack to get water for Mo Rao.

Mo Rao looked at the water that was handed to her and rolled her eyes. “Forget it. I’m not thirsty anymore, but I’m not comfortable sleeping here. Can you make your clothes into a cushion for me?”

Thank you for reading on

## Chapter 317: Defend Him

In the wilderness, the sun was scorching and there were mosquitoes. It was simply torture for Fu Ying to take off his clothes.

Mo Rao deliberately looked at Fu Ying expectantly with her big eyes. Then, she pouted. “If you’re unwilling, forget it. What if President Fu gets a sunburn?”

As soon as he finished speaking, Fu Ying had already taken off his short-sleeved shirt, revealing his perfect muscles, like those of a human sculpture carved by God.

His abs were ripped. Mo Rao felt her face heat up. This was a little awkward.

“Alright, I’ve padded it for you. Rest quickly.” Fu Ying carefully spread out the clothes and smiled at Mo Rao dotingly.

Mo Rao was too embarrassed to look at Fu Ying, so she laid down and slept on the clothes.

Her revenge was a feast for the eyes of millions of netizens.

“My tears couldn’t help but flow out from between my legs...”

“What the hell is wrong with you? Are you a pervert?”

“He’s so handsome and masculine!”

“These muscles are amazing!”

The comment section was filled with lovey-dovey emojis and wonderstruck comments from women.

The director was very satisfied with this effect. Fu Ying’s arrival increased the popularity of the show.

Fu Ying sat down by the pond with his upper body bare. His shoulders were extremely broad. Mo Rao couldn’t help but take a look before quickly closing her eyes to stop her imagination from running wild.

The sun shone on Fu Ying’s skin, and sparkling sweat dripped from his pores, making him look even sexier.

Zhao Meng had been looking for an opportunity to approach Fu Ying. After fishing for a while, she started looking for Fu Ying. Finally, she saw Fu Ying by the pond. When she saw Fu Ying’s bare upper body, her eyes widened.

Fu Ying had a perfect figure. If she could sleep with Fu Ying, it would be worth it even if she had to sacrifice a few years of her life!

“President Fu!” Zhao Meng waved at him from across the pond and called out in a sweet voice.

Fu Ying pretended not to see her and continued fishing.

A bold thought flashed across Zhao Meng’s mind. She glanced at the pond. She didn’t believe that Fu Ying would leave her in the lurch if she fell into the pond.

Zhao Meng pretended to stagger and fell into the pond while splashing around in the water.

“Help!” she shouted. In fact, she wasn’t flustered at all because she could swim. She just pretended not to know, so that Fu Ying would save her.

She didn’t believe that Fu Ying wouldn’t be tempted at all.

Fu Ying looked at the woman struggling in the water indifferently and then at the security guard on the shore. He frowned slightly while thinking that Zhao Meng probably

scared the fish away. It had to be known that their lunch was the fish that they had caught. If they didn't catch anything, they would have to go hungry.

Fu Ying could go hungry, but he didn't want Mo Rao to go hungry too.

"Huhuhu..." Zhao Meng didn't expect to be saved by the security guard. She pretended to be afraid and patted her chest hard, but she stared at Fu Ying. "President Fu, why didn't you save me?"

Fu Ying glanced at Zhao Meng. "The water is only waist-deep. Are you an idiot?"

Only waist-deep? Zhao Meng was stunned. She had not noticed this.

The security guard also realized Zhao Meng's true intention. Wasn't this causing trouble for them?

"Miss Zhao, the water is indeed very shallow. Be careful next time and don't fall in again." After the security guard said these words helplessly, he quickly left.

Zhao Meng's entire body was wet. She wanted to wet herself to seduce him, but now, she was covered in mud and looked quite woeful.

As Mo Rao watched her performance, she couldn't help but laugh.

This woman's interest in Fu Ying was really obvious.

"Even if it's waist-deep, for someone like me who can't swim, there's a risk of drowning. Shouldn't you be more compassionate?" Zhao Meng felt indignant as she wiped the mud off her face.

"Zhao Meng, if I remember correctly, you even filmed a television drama about swimming in the past and specifically learned how to swim, right?" Mo Rao said as she patted Fu Ying's clothes with an indifferent expression.

Zhao Meng was speechless. If she continued to quibble, she would become a joke. She glared at Mo Rao, stood up, and walked away.

Fu Ying turned around and looked at Mo Rao. "You paid special attention to her?"

"I just happened to see it before, so I remembered." Mo Rao closed her eyes again to rest.

Did she speak up for him just now and expose Zhao Meng's scheme?

Fu Ying smiled. He felt overjoyed to be defended by Mo Rao for once.

Thank you for reading on

## Chapter 318: Got a House

At noon, Fu Ying caught two fish. Although they were not big, they should be enough for lunch.

He took charge of everything. After roasting the fish, he blew on it to cool it and handed it to Mo Rao.

The netizens could no longer tell if this was an outdoor variety show or Fu Ying and his wife's exclusive show.

However, he also attracted many fans this time. Most of them were women. To be liked by such an affectionate, rich, and handsome man, Mo Rao must have saved the entire universe in her previous life.

There were also people who felt indignant for Qu Ru and Shen Feng.

"Fu Ying went to the hot spring with Qu Ru some time ago and even had a candlelight dinner with her. Is he two-timing?"

"I feel like Shen Feng is being cuckolded... What a pitiful man."

"I think Fu Ying and Mo Rao are very compatible, so give Shen Feng to me to comfort!"

"He even picked out all the fish bones. This man is very attentive and meticulous. I like him."

The first season of "Wilderness Beginner Camp" ended amidst Fu Ying's dedicated care of Mo Rao. Mo Rao spent the last two to three days very comfortably. She had forgotten that she was here to participate in the show and even had the feeling that she was simply here for a vacation.

However, she wasn't grateful to Fu Ying, because Fu Ying did all of this of his own accord. She didn't ask for it.

After the show ended, Mo Rao immediately instructed Chen Zheng, "Brother Zheng, let's go!"

"Alright." Chen Zheng nodded and got into the car with the assistant, Li Li, before driving Mo Rao away.

She couldn't wait to get as far away from Fu Ying as possible.

In the car, Mo Rao replayed the show. When she saw the jeering comments, she was speechless. This was the effect Fu Ying wanted, right? What a sinister and cunning fox!

After returning home, Mo Rao took a shower and changed her clothes. She felt refreshed.

Although she could bathe in the stream on the show, she still felt unclean and uncomfortable, but she endured it.

At this moment, Mo Yuan returned. He was initially very busy, but when he thought about how Mo Rao was at home after the show, he took the time to come back and take a look.

"Brother!" When Mo Rao saw that Mo Yuan was back, she ran down the stairs happily. She was wearing a white short-sleeved shirt and blue denim shorts. She looked beautiful and energetic.

"Be careful!" Mo Yuan shouted nervously. "Aren't your feet injured? Why are you still running?!"

Mo Rao came in front of Mo Yuan and held his hand. "My toes were just a little injured. It's been two to three days already, so I've recovered. Don't worry!"

Mo Yuan saw that Mo Rao was a little tanned, but even if she was a little tanned, she was still much fairer than others. This was Mo Rao's natural advantage.

He sighed. "Rao Rao, why is Fu Ying so obsessed with you?"

At the mention of this topic, Mo Rao became frustrated. "I don't know either. What happened on the show made other people misunderstand us again."

"I saw it. He's clearly trying to woo you. This bastard is flirting with Qu Ru while trying to win you back. How shameless!" Mo Yuan was still very unhappy at the mention of Fu Ying.

"Brother..." Mo Rao hesitated for a moment before telling Mo Yuan what Fu Ying had said. "Fu Ying told me that there's nothing between him and Qu Ru. The rumors arose because of circumstances he had no control over..."

"Do you believe it?" Mo Yuan interrupted Mo Rao.

Mo Rao was silent for a moment before shaking her head. "No."

How could someone like Fu Ying have no choice?

Mo Yuan heaved a sigh of relief. "It's good that you don't believe him. He's too hypocritical. No matter what he says, don't believe him. Otherwise, you'll be the one who gets hurt."

Of course Mo Rao knew. She nodded obediently.

At this moment, Mo Yuan took out a property certificate. "Let's move in the next two days. I bought a property. The two of us will live together."

"You bought a house?!" After Mo Rao took the property deed and took a look, she jumped up happily. "We finally have our own house. That's great!"

Before her parents passed away, she had a home of her own. After that, she had always been living under someone else's roof.

Now, she and her brother had their own house.

"We have a house now. We'll have more houses in the future. I promise you, I'll definitely make you happy!" As Mo Yuan looked at Mo Rao's happy expression, he also felt delighted. As her brother, he was very satisfied as long as he could see his sister happy.

All he wanted was for her not to meet another scumbag!

Thank you for reading on

## Chapter 319: Participating in the Birthday Party

Mo Rao hugged Mo Yuan, her eyes burning. "Brother, it's so good to have you. God let me reunite with you. I have family now..."

Hearing Mo Rao's words, Mo Yuan felt emotional as well. This was the first time in his life that he knew what it was like to have family.

In the future, the siblings would rely on each other in this world. They might have their own families in the future, but they would always be family by blood.

"Oh right, there's something else." Mo Yuan recalled another very important thing.

Mo Rao let go of him and asked, "What is it?"

"Qu Xue's birthday banquet will be held in the Qu family's home in two days. Shen Feng said that he would bring the two of us to attend and get closer to Old Madam Qu. He

wants to find out what her attitude is regarding how Mom went missing back then and see if she had any intention of finding her,” Mo Yuan replied.

If Old Madam Qu didn't know, then they would let her know the truth of what happened back then. She had to know that her second son and third daughter were the culprits behind her youngest daughter's disappearance.

If Old Madam Qu knew but deliberately protected her second son and third daughter, Mo Yuan and Mo Rao would treat the entire Qu family as targets for revenge.

Mo Rao wiped her tears, her eyes shining with determination. “Alright, let's go together. We must give Mom an explanation!”

Although her mother didn't know her own background when she was alive and had never thought of returning, as her children, Mo Rao and Mo Yuan had to speak up for their mother now that they knew the partial truth.

Mo Rao remembered that her mother had once told her that she didn't remember what happened before she was six years old. She had to find out what caused her mother to lose her memories of the time before she was six years old.

...

Qu Xue's birthday banquet was very lively. It was a banquet for the upper-class society.

Many high-ranking officials and nobles attended. The Qu family's decoration was very luxurious.

Mo Rao and Mo Yuan had already arrived at the Qu family's door, but they had yet to enter because the Qu family had not sent them an invitation.

After a while, Shen Feng's car appeared. After he got out of the car, he came to Mo Yuan's car and knocked on the window.

Mo Rao and Mo Yuan got out of the car together.

The moment he saw Mo Rao, Shen Feng's expression darkened. He recalled Fu Ying fawning over her on the show and Old Madam Shen's obstruction. It seemed like everyone was stopping them from being together.

“Shen Feng, what's wrong? Your complexion doesn't look too good.” When Mo Rao saw Shen Feng, she immediately asked with concern.

“I'm fine. It's just that the company has been a little busy recently and I didn't rest well.” Shen Feng immediately revealed a gentle smile. No matter how stressed he was, he was willing to bear it alone and not let Mo Rao worry.

Mo Rao frowned. "No matter how busy you are with work, you have to take care of your health. I'll help you get some prescribed medicine. Go back and take it for a week. You will feel much better."

"Okay." Shen Feng nodded, his heart warm.

Then, Shen Feng brought Mo Rao and Mo Yuan into the Qu family's home. With his identity, it wasn't a problem for him to bring two people in.

As Mo Rao looked at the Qu family's home, she felt a strange sensation. Was this her grandmother's family? Were those people from the Qu family her family? She didn't feel close to them at all. She only felt that this place was very unfamiliar and noisy.

"I might go and chat with some business partners for a while. Rao Rao, follow your brother and be careful," Shen Feng instructed Mo Rao.

"I know. Brother Shen Feng, just do your thing." Mo Rao nodded.

After seeing Shen Feng leave, she and Mo Yuan found a place to sit down and wait for the birthday banquet to begin.

Although the Qu family couldn't compare to the Fu family, they were still a family with a high status in the business circle. Mo Rao saw many people from noble families and some of them appeared on entertainment news quite often.

Mo Yuan let her sit here while he walked around to familiarize himself with the Qu family's environment.

Mo Rao was wearing a blue gown. Her skin was so fair that it was glowing. Her smooth black hair was draped over her shoulders and there was a crystal necklace hanging in front of her beautiful collarbone. Just like her, it emitted a transparent and beautiful luster.

She picked up a small pastry and ate it while quietly watching the people coming and going. At this moment, a man came up to strike up a conversation.

"Hello, beautiful. Why are you sitting here alone?" The man was about 30 years old. He looked average, but there was a wretched look in his eyes as he sized Mo Rao up.

Thank you for reading on

## Chapter 320: Don't Be Affected By Him

In the end, the man's gaze landed on Mo Rao's chest. Her cleavage looked so attractive.

Mo Rao felt very uncomfortable under the man's gaze. She raised her hand to cover her chest and said coldly, "I'm not alone. My brother and the others have something to do now and will be back later."

This should be enough to let this wretched man leave.

Although he was rich, she wasn't interested in such a lewd man.

"I see. Let me tell you, there are many playboys here. If they see a beauty like you alone, they will definitely have designs on you. Before your brother comes back, I'll accompany you and help you ward off some lewd men." The wretched man sat down beside Mo Rao on the sofa. As soon as he sat down close to Mo Rao, he smelled a fragrance.

How charming!

Mo Rao felt disgusted. She moved to the side and rejected the man. "No need. We're not close."

What lewd men? This wretched man was the worst of them all!

Seeing Mo Rao dodge, the wretched man actually moved and pressed against her again, emitting a disgusting smell.

"Yan Qiang, get lost!" At this moment, a woman appeared. She grabbed the wretched man and shook him off.

Mo Rao looked up in surprise. It was Qu You.

Qu You was wearing a red dress that made her look elegant and noble. She glared at the wretched man as she said, "Leave quickly. Don't harass people here, or I'll tell your wife!"

"Alright, alright, alright, I'll leave!" Hearing Qu You's words, the wretched man was so frightened that he immediately left.

So this wretched man had a wife? Mo Rao felt even more disgusted. At the same time, she was very grateful for Qu You's help. "Thank you, Miss Qu."

When Qu You saw Mo Rao again, she stared straight at her.

She had seen Mo Rao on television before, but seeing was believing.

After two years, Mo Rao actually became prettier than before and had more feminine charm to her. No wonder Fu Ying wanted to win her back.

“You’re welcome. I just can’t stand seeing wretched men. Are you here to attend my aunt’s birthday banquet?” Qu You sat down beside Mo Rao.

Her good impression of Mo Rao came from her disgust for Qu Ru.

Mo Rao nodded. “Yes.”

“Oh.” Qu You started to stare at Mo Rao again.

Mo Rao felt her hair stand on end from her gaze and asked in confusion, “What’s wrong? Is my face dirty?”

Qu You shook her head. She only felt that Mo Rao seemed to look a little like her aunt, Qu Xue, and her grandmother when she was young. Of course, she had only seen her grandmother’s young appearance in black-and-white photos.

“Who are you with?” Qu You suddenly asked. If she wasn’t mistaken, Fu Ying was with Qu Ru now.

“I came with Shen Feng and my brother,” Mo Rao replied. She didn’t have a good impression of Qu You, but she didn’t hate her either. Coupled with the fact that she had helped her just now, she felt a trace of gratitude.

Qu You nodded thoughtfully before blurting out, “I thought you came with Fu Ying. He’s in the back garden with Qu Ru now.”

Hearing Fu Ying’s name, Mo Rao paused and her expression darkened.

Only then did Qu You realize that she had said the wrong thing. She quickly apologized, “I’m sorry, I forgot that you guys are divorced!”

As soon as she finished speaking, Mo Rao’s expression turned even uglier.

Qu You was speechless. The more she spoke, the more she offended Mo Rao.

“Isn’t it just a man? Since you guys are already divorced, pretend not to know him. Don’t let him affect your mood!” Qu You suddenly grabbed Mo Rao’s hand and said very seriously, “With Fu Ying’s identity, many people around you will definitely mention him. You can’t feel sad every time he is mentioned.”

Mo Rao was stunned. She actually felt that what Qu You said made sense.

It meant that she hadn't let go yet. Otherwise, why would her mood get affected again and again?

"You're right. I'll try." Mo Rao finally smiled again.

"That's better. Look at how beautiful you look when you smile. Don't pull a long face. Qu Ru will be here later. If she sees you moping, she will be overjoyed." Qu You just didn't want Qu Ru to get what she wanted.

Mo Rao realized that this eldest daughter of the Qu family was very straightforward and true to herself. When she hated someone, she wouldn't pretend to like that person.

It was easier to get along with such a person.

Thank you for reading on
