

## After Leaving The CEO, She Stunned The World

### - Chapter 321 - 325

#### Chapter 321

The two of them simply sat here and chatted.

The more they chatted, the more they felt that they hit it off. Mo Rao's mood gradually improved. When she heard Qu You talk about some freaky things that had happened in the circle of rich heirs, she couldn't help but cover her mouth and laugh.

Fu Ying, who had just entered, saw this scene. He immediately felt that even the vibrant flowers in the back garden couldn't compare to Mo Rao's smile.

"Look, Fu Ying is here!" Qu You quickly reminded Mo Rao when she realized that Fu Ying was walking over.

The smile on Mo Rao's face instantly disappeared. Just as she was about to pull a long face, she recalled what Qu You had said just now. If she wanted to change, she should start now.

She put on a smile again and no longer made herself look like a resentful woman.

Fu Ying caught the change in Mo Rao's expression. Although he didn't know why, he was quite happy to see that she didn't sulk at him.

"Qu You, Rao Rao." Fu Ying was wearing a black suit with a white shirt inside. It was a classic black-and-white combination. He exuded a noble and aloof aura. Coupled with his handsome face, many women present couldn't help but secretly steal glances at him.

Mo Rao had to admit that this man was really dazzling, but such a dazzling person was destined to be pursued by countless women. Whoever became his wife would also suffer more pressure.

Qu You was about to answer when she saw Qu Ru appear with her walking stick. When Qu Ru saw them, her expression immediately changed.

Because she also saw Mo Rao.

"Fu Ying!" Jealousy flashed across Qu Ru's eyes, but at the same time, there was a hint of viciousness.

Since Mo Rao was here today, her plan had begun.

Fu Ying turned around and looked at Qu Ru, his gaze turning cold.

Qu Ru saw the change in his gaze and felt a sense of resentment.

She walked over and held Fu Ying's arm, as if she was Fu Ying's significant other.

Fu Ying shook off her hand.

"Fu Ying, you!"

Qu Ru didn't expect Fu Ying to reject her so directly. Wasn't he afraid that the video would be revealed?

"It seems like you're not with President Fu, since he's not even willing to hold hands with you. Qu Ru, are you acting?" Qu You took every opportunity she could to mock Qu Ru.

"What does it have to do with you?" Qu Ru was so angry that her face turned ashen. She lowered her voice and said to Fu Ying, "Fu Ying, I have something to tell you. Come with me."

Fu Ying knew what she was going to say. Coincidentally, he had something to clarify. He said to Mo Rao, "Rao Rao, wait for me here. I'll be right back."

Mo Rao frowned. What did whether he came back or not have to do with her?

Seeing Fu Ying and Qu Ru leave, Qu You nudged Mo Rao and said ambiguously, "Does Fu Ying still like you? The way he looks at you is so affectionate."

Mo Rao quickly denied, "Don't talk nonsense. I have nothing to do with him anymore."

"I don't believe you. Don't tell me you think he's with Qu Ru?" Qu You widened her eyes. "Let me tell you, it's impossible between him and Qu Ru. With my many years of experience in dating, I saw through it at a glance."

Miss Qu, who often got dumped, started to brag about her love experience again, but Mo Rao wasn't in the mood to listen. She couldn't help but feel curious. What did Fu Ying and Qu Ru need to talk about?

...

Qu Ru and Fu Ying came to a room on the second floor. The moment they entered, Qu Ru couldn't help but have an outburst. "Fu Ying, you did it on purpose, right? It hasn't

even been two months yet, but you want to go back on your word? I'll release the video and let everyone see how good Mo Rao's figure is."

"I dare you to!" Fu Ying had endured it for so many days already, so his anger surged. He grabbed Qu Ru's neck, and there was no warmth in his eyes, only viciousness. "Qu Ru, if you hand over the video, I can spare your life."

"Why? Are you going to kill me?" Qu Ru asked with difficulty, but her eyes were filled with madness. "Try killing me. Someone will discover it later. At that time, you, Fu Ying, will become a murderer!"

Fu Ying sneered. "Of course I won't kill you. Someone else wants to kill you."

Hearing this, Qu Ru was shocked. What did he mean?

Fu Ying said coldly, "Do you want to make a deal?"

"Tell me clearly, who wants to kill me?" Qu Ru couldn't believe it. Other than Mo Rao, she didn't have any deep enmity with anyone else, so who would want to take her life?

Thank you for reading on

## Chapter 322: Don't Touch Me

Fu Ying let go of Qu Ru, then watched her fall to the ground and pant violently. His heart didn't soften at all. He only replied expressionlessly, "Give me the video and I'll tell you everything I found out about you. It can save your life."

"I don't believe you. How can you prove that what you said is true?" Qu Ru held her throat as she stared at Fu Ying with red eyes.

"If not for Rao Rao's video, being in your hands, I would really want you dead. You can take a gamble. Even if the video gets out, I will still be with her, but your life will be gone." Fu Ying looked at Qu Ru with disdain, as if he was looking at a maggot in a smelly ditch.

Qu Ru's mind was in a mess. She didn't know if she should believe Fu Ying's words. If she didn't, what if her life was really in danger?

She just couldn't understand. Who else would want her dead? She was a member of the Qu family now.

“The birthday banquet is about to begin. I’ll give you three minutes to consider it.” Fu Ying had the upper hand now.

“Who is it? Tell me first!” Qu Ru had a feeling that Fu Ying wasn’t lying. Otherwise, he wouldn’t have endured it for so long.

During this period of time, he had endured it because he was looking for a chance to counterattack.

Now, he had found the opportunity to counterattack.

Time passed. When three minutes were up, Fu Ying turned around and left.

“Wait!” Qu Ru finally stopped him. “Alright, I can make a deal with you. After the birthday banquet, I’ll destroy all the other video copies in front of you.”

Fu Ying smiled. It seemed like she valued her own life very much.

“Okay,” he replied.

After a while, Mo Rao saw Fu Ying return with Qu Ru behind him. However, their expressions had completely changed.

Fu Ying had a relaxed expression, but Qu Ru’s initial smugness and anger was gone. Qu Ru looked gloomy, as if she had encountered a difficult problem.

“I’m bored from sitting around. I’m going out for a walk.” Qu You felt that Fu Ying and Mo Rao were a perfect match, but their relationship had been ruined by Qu Ru, the mistress. She stood up and stretched before leaving.

Mo Rao was the only one left on the sofa. Without thinking, Fu Ying walked over and sat down, but he still kept a distance from her to prevent her from feeling uncomfortable.

Mo Rao didn’t want to sit with Fu Ying. She stood up to leave, but Fu Ying grabbed her wrist. “Rao Rao.”

“Fu Ying, there are so many people here. Can you be more mindful of your behavior?” Mo Rao was shocked and quickly shook off Fu Ying’s hand.

“I have something to tell you.” Fu Ying didn’t care about the public impact. He wasn’t Shen Feng. Everyone in the Fu family supported him in pursuing Mo Rao, so even if there were rumors about him and Mo Rao, Mo Wan and Fu Lin would be very happy to see it.

As long as he didn’t use any disgusting methods and didn’t hurt Mo Rao, it would be fine.

Mo Rao lowered her voice. "You just finished talking to Qu Ru, and now you're here to talk to me? President Fu, you're quite busy."

"I'm not busy. As long as you're willing to give me time, I'm willing to be with you 24/7." Fu Ying didn't hide his feelings for her.

Mo Rao was very embarrassed to hear such mushy words. If other people heard Fu Ying, they would think that the two of them were back together again.

Fortunately, Mo Yuan returned at this moment.

He had seen Old Madam Qu from afar just now and wanted to greet her, but there were too many people around her and he wasn't familiar with Old Madam Qu, so he could only come back first and find an opportunity later.

Unexpectedly, the moment he returned, he saw Fu Ying pestering Mo Rao. He was furious and rushed over to shield Mo Rao behind him. He warned Fu Ying, "Fu Ying, show some respect and don't touch my sister!"

"You've misunderstood." Fu Ying wanted to explain.

"What did I misunderstand? I saw it with my own eyes. You grabbed her hand. This is the Qu family's home. There are so many people here, yet you're touching her. Why are you so shameless?" Whenever Mo Yuan scolded Fu Ying, he was merciless.

Even though there were people around, he still scolded Fu Ying.

Some people couldn't help but look over when they heard the commotion. However, when they met Fu Ying's cold and gloomy gaze, they were so frightened that they quickly retracted their gaze and pretended not to see anything.

"Brother, let's not argue with him. It's not suitable for today's occasion. Let's go," Mo Rao pulled Mo Yuan and said softly.

Mo Yuan wanted to beat Fu Ying up, but Mo Rao was right. This occasion wasn't suitable and would delay their plans.

Thank you for reading on

## Chapter 323: Expose Him

"Alright, I won't argue with you today. Please stay away from Mo Rao in the future," Mo Yuan warned Fu Ying.

With that, he pulled Mo Rao away. Fu Ying stood on the spot and stared at their backs with a sinister expression.

As Qu Ru watched this scene from afar, jealousy surged in her heart. Why was the man she coveted so much unwilling to even look at her, but acting so inferior in front of Mo Rao? This world was really unfair.

But for the sake of her life, she had to endure it.

She could hand the video to Fu Ying, but it didn't mean that she would give up on taking revenge on Mo Rao.

Today was a good opportunity. She wouldn't let Mo Rao off.

...

At noon, Qu Xue appeared with Old Madam Qu. She was dressed luxuriously and greeted everyone gracefully.

Mo Rao stared at Qu Xue and Qu Qing. Were these two the ones who set up her mother?

Qu Xue was the center of attention. After she gave a speech on stage, she called for everyone to enjoy their time.

Suddenly, her gaze landed on Mo Rao and her expression changed.

Old Madam Qu also noticed Mo Rao. She had seen Mo Rao last time, but they didn't talk much. This time, when she felt Mo Rao staring at her, she felt an inexplicable feeling in her heart, as if she was very familiar with her.

"Mom, let me help you get to rest." Old Madam Qu was old and didn't like such festive occasions. She would only come out to show her face before returning to her room to rest.

Old Madam Qu nodded and walked to her room with Qu Xue's help.

The guests present were drinking expensive champagne and red wine while chatting happily. This wasn't only a birthday banquet, but also a good opportunity for business exchanges.

Mo Rao and Mo Yuan exchanged looks. The two of them wanted to follow them, but they would be easily discovered.

"I'll go. Rao Rao, stay here." Mo Yuan felt that he wouldn't arouse that much suspicion if he went alone.

"I'll keep an eye on Qu Xue and the others. I'll send you a message if there's any movement," When Mo Rao saw Qu Xue return, she whispered to Mo Yuan.

"Okay," Mo Yuan replied and left.

Mo Rao looked around in the crowd. Actually, she didn't know many people, so she was focused enough to keep an eye on Qu Xue and Qu Qin.

After Shen Feng chatted with a few friends, he came to look for Mo Rao. He asked, "Where's Mo Yuan?"

"He went to look for Old Madam Qu," Mo Rao replied. "It'll be too eye-catching if the two of us go together. I'll stay here and keep an eye on Qu Xue and Qu Qin."

Shen Feng nodded. According to the information he had obtained from the investigation, Old Madam Qu had the intention to hand the Qu family over to Qu Jian and Qu Xue to manage together. As for her second son, Qu Qin, he could only get a portion of the money, which was enough to live on.

Old Madam Qu valued her daughter, Qu Xue, very much, so it was very likely that she would cover up for her. Even if she knew that her youngest daughter had been set up by her third daughter, she would choose to settle the matter peacefully. After all, Qu Xue had grown up under Old Madam Qu's watch and Old Madam Qu had poured a lot of effort into nurturing her. Her missing youngest daughter was already dead.

"Drink less. It's not good for your stomach." Shen Feng reminded Mo Rao softly when he saw that she was about to drink.

"Alright, I'll drink some water." Mo Rao obediently put down her wine glass and poured a glass of water to drink.

Shen Feng liked Mo Rao's docile appearance the most. If not for the occasion, he really wanted to touch Mo Rao's face.

At this moment, Fu Ying appeared on the other side of Mo Rao. He looked at Shen Feng provocatively as he asked, "Why are you here? Aren't you going to chat with your blind date?"

The heiress that Old Madam Shen was most satisfied with was also here, but Shen Feng ignored her.

Shen Feng didn't want Mo Rao to know that his grandmother objected to her, so Fu Ying said this to embarrass him.

"Shut up," Shen Feng said angrily.

“Didn’t you tell Mo Rao that your grandmother objected to your relationship? She even introduced you to many rich girls.” Fu Ying laughed evilly.

Even if he was scolded and beaten up by Shen Feng, it was fine. He wanted to make Mo Rao come to her senses. Old Madam Shen was a mean person. If Shen Feng continued to persevere, Mo Rao would be the one who would be hurt. Who knew what Old Madam Shen would do?

If Fu Ying wanted to protect Mo Rao, he had to let her stay away from Shen Feng.

Mo Rao was very surprised. She didn’t expect so many things to happen while she was participating in a show. However, she wasn’t unhappy or jealous at all. She even hoped that Shen Feng could accept the blind date and find a suitable wife.

“Shen Feng, is that true?” Mo Rao widened her eyes and asked Shen Feng.

Thank you for reading on

Shen Feng immediately denied it. “No, he’s spouting nonsense!”

Mo Rao glanced at Fu Ying, her eyes filled with suspicion. After all, this man was even more unreliable.

“Whether I’m spouting nonsense or not, Rao Rao, just ask around,” Fu Ying replied coldly.

Shen Feng really wanted to punch Fu Ying immediately, but he couldn’t do it on this occasion. He could only hold back his anger. He had worked hard to maintain his relationship with Mo Rao, but Fu Ying had shattered it so easily.

However, Shen Feng had forgotten a problem. Mo Rao didn’t like him. Even if Fu Ying hadn’t tried to ruin their relationship, nothing would happen between them.

Mo Rao had been trying to find a chance to clarify things with Shen Feng. She felt that this was a good opportunity, so she said to Shen Feng happily, “Shen Feng, don’t be angry. Actually, if that’s really the case, I will give you my blessings. I also hope that you can find someone who is really suitable for you and live a happy life with her.”

“Rao Rao...” Shen Feng was stunned. He had a very bad feeling.

“Shen Feng, I don’t want to waste your time. Let’s be friends in the future.” Mo Rao mustered her courage and said what was on her mind. She felt very guilty, but she couldn’t force herself to be with Shen Feng because of guilt.

She had never loved Shen Feng, who was a good man, but she just didn't have romantic feelings for him. This was her loss.

Shen Feng's face turned pale. He didn't expect Mo Rao to friendzone him here. He was still trying his best to persuade his grandmother to agree to him being with Mo Rao. He thought that if his grandmother agreed, he could pursue Mo Rao with all his might and no longer have anything to worry about.

Hearing Mo Rao's words, Fu Ying was in a good mood. She had finally cut ties with Shen Feng.

But in the next second, his good mood disappeared.

Mo Rao said to Fu Ying, "Fu Ying, I won't turn back. I hope you won't pester me anymore. It doesn't matter if you want to be with Qu Ru or anyone else. I don't care, as long as you don't disturb my life."

Shen Feng's mood improved a little. At least Mo Rao didn't reject him for Fu Ying's sake. As long as Mo Rao was single, there was still a chance.

After Mo Rao said this, she felt relieved, especially since she clarified her relationship with Shen Feng.

"Shen Feng, I'll announce a breakup statement in the next two days. Don't worry, it definitely won't damage your reputation," Mo Rao added.

"Okay." No matter how reluctant Shen Feng was, he could only agree first. He didn't want Mo Rao to be angry.

Fu Ying sneered. Shen Feng definitely wouldn't be able to win against him. Mo Rao didn't like his meek personality.

If it were him, he would never allow Mo Rao to make that kind of statement. They would be tied together even if they died.

Mo Rao was extremely happy and was in the mood to walk around to meet some new friends, so she bade farewell to Shen Feng. "Then I'll go take a stroll now. Brother Shen Feng, you can attend to your own affairs."

Shen Feng nodded.

Mo Rao ignored Fu Ying. Fu Ying felt that she did it on purpose.

"President Fu, President Shen!" At this moment, someone came to toast Fu Ying and Shen Feng. The two of them could only temporarily retract their emotions and deal with the person in front of them.

...

Mo Rao shuffled through the crowd alone. Occasionally, she would encounter people greeting her, so she replied politely.

However, for some reason, Mo Yuan wasn't back yet.

Could something have happened?

Just as she was a little worried, the wretched man called Yan Qiang appeared again.

"You're Miss Mo, right? I was really rude just now. In order to express my apology, I'll toast you!" Yan Qiang handed a glass of wine to Mo Rao with a sincere look. "Miss Mo, you're a magnanimous person. Don't hold it against me. I'm just glib and like to look at beautiful women, but I'm not a bad person."

Mo Rao didn't want to drink. She smiled faintly as she said, "It's okay. I won't fuss about it."

"That won't do. I feel bad. Miss Mo, if you're unwilling to have a drink with me, it means that you still hate me. In that case, I'll explain it to everyone later. I want to apologize to you in front of everyone!" Yan Qiang shouted.

Was there something wrong with this person's brain? Mo Rao was exasperated. She really didn't want to waste her time on these things, so she took the glass of wine. "Alright."

With that, she raised her head and finished it in one gulp. Yan Qiang's gaze became sinister.

## Chapter 325: Drugged

After drinking, Mo Rao returned the glass to Yan Qiang and wiped the corner of her mouth. "Alright, Mr. Yan, I'm going to the washroom. I won't talk to you anymore."

She wanted to find an excuse to shake off this wretched man.

"Alright." Yan Qiang didn't pester her anymore and only watched Mo Rao leave.

After a few minutes, he thought that it was about time, so he followed her.

Mo Rao had already gone to the washroom and was washing her hands beside the sink. However, for some reason, she felt a burning sensation in her body, making her feel uncomfortable, especially in a certain private part. She actually felt itchy and wanted something to stop it.

Something was wrong. Mo Rao looked at her gradually blushing face in the mirror and realized that she had been drugged!

That glass of wine must have been tampered with. No wonder that wretched man insisted that she drink it!

1

Mo Rao quickly washed her face with cold water and felt a little better. However, in a few seconds, she immediately regained that burning desire and even her vision became blurry.

She turned around and saw Yan Qiang walking over.

If she lost her mind later and really did something disgusting with Yan Qiang, things would be over!

Mo Rao forced herself to maintain her last bit of rationality and quickly left. She lowered her head to avoid everyone's gaze so that no one could see her already flushed face. Her footsteps were a little unsteady as she walked to the second floor. There were some guest lounges upstairs, so she wanted to go inside to calm down and wait out the most intense effects of the medicine.

When Yan Qiang saw that Mo Rao was actually walking to the second floor, he was shocked. He didn't expect this woman to be so resilient. She could actually walk?

That was a strong aphrodisiac!

Looking at Mo Rao's graceful figure, Yan Qiang was extremely excited. At the thought that he could have sex with a beauty later, he quickened his pace and followed her to the second floor.

The guests came and went. No one noticed Mo Rao and Yan Qiang's abnormality, except Fu Ying.

He said calmly to the person who came to chat, "I'm sorry, I have something to deal with first. Let's talk next time."

With that, he put down his wine glass and went to the stairs to the second floor.

The second floor was much quieter. After all, the birthday banquet had just started and there were very few guests resting. After Fu Ying glanced at the end of the corridor, he saw Mo Rao go into the room at the end and close the door. A man was pushing that door and shouting, "Miss Mo, open the door. I saw that you don't look well, so I came to show concern for you!"

Mo Rao's entire body was already limp. Because she had been enduring the effects of the medicine, she was covered in sweat.

No matter how wretched Yan Qiang was, he was still a man. Mo Rao couldn't control herself when she thought of the word man. She really wanted to open the door. No matter who the other party was, she was willing to sleep with him.

However, her remaining rationality kept preventing her from making the wrong choice.

She rushed into the washroom in the lounge and turned on the shower in the bathroom. The cold water drenched her from head to toe and calmed her down slightly.

But this wasn't enough. She felt that the burning sensation hadn't disappeared at all. Relieving it through cold water was too slow.

Just as she returned outside and was about to relieve herself, she suddenly heard a knock on the door. However, this time, it wasn't Yan Qiang's voice, but Fu Ying's. "Rao Rao, it's me. Open the door."

Just hearing this voice made Mo Rao feel even worse. If she opened the door, she definitely wouldn't be able to help but throw herself at him. Therefore, she covered her ears and pretended not to hear him.

"If you don't open the door, I'll kick it open." Fu Ying's voice sounded again.

If the door was kicked open, wouldn't other people see her in this state? Mo Rao forced herself to open the door. Her entire body was wet and her clothes were disheveled. Her exposed chest was fair and flushed.

Furthermore, her gaze was very hazy and her face was abnormally flushed as she stammered, "What's the matter?"

"What's wrong?" Fu Ying entered the room and closed the door to prevent anyone from seeing Mo Rao like this.

"I'm fine." Mo Rao shook her head, but her body was clamoring for sex.

She glanced at Fu Ying. Under such circumstances, Fu Ying exuded sexual temptation from head to toe. He looked very sexy. The scenes of Fu Ying having sex with her in bed in the past appeared in her mind.

Thank you for reading on
