

After Leaving The CEO, She Stunned The World

- Chapter 331 - 333

Chapter 331: Enjoy It

On the way back, Qu Xue talked to her biological daughter and paid little attention to Qu Ru.

Qu Ru felt very upset, but she also knew that her status was inferior to Qu Rou's.

Just as she was in a bad mood, Fu Ying called.

Qu Ru was shocked, but in front of Qu Xue and Qu Rou, she couldn't answer Fu Ying's call and could only reply with a message.

Soon, Fu Ying replied. There was only a simple message containing the address and time of their meeting.

"Alright, I understand," Qu Ru replied.

The time was set at eight o'clock tonight. Qu Ru thought to herself that when she found out who wanted to kill her, she would definitely think of a way to kill that person first.

...

At eight in the evening, Qu Ru arrived on time.

When she reached the hotel room, Fu Ying was already waiting for her.

"Where's the video? Did you bring all the backups?" Fu Ying asked coldly when he saw her.

"I've brought them all. Can you tell me who that person is now?" Qu Ru asked anxiously.

Video backups could be copied at any time. Qu Ru said that she had brought them all, but she might not have brought them all. Fu Ying had no way of knowing if she was lying or not.

Fu Ying knew Qu Ru very well, but he wasn't anxious.

“Do you know why you were able to return to the Qu family?” Fu Ying asked.

“Because I’m from the Qu family to begin with. Isn’t it normal for me to go back?” Qu Ru replied irritably. She hated it when others mentioned her identity as an illegitimate daughter.

Fu Ying smiled and felt that Qu Ru was very stupid. “You were able to return to the Qu family only because you still have the last bit of value. Your aunt, Qu Xue, has severe kidney failure. Don’t you know?”

“What? How did you know?!” Qu Ru was shocked.

“I found out from my investigation. You’re a mobile kidney source for her. She wants you to recuperate so that she can successfully obtain a kidney from your body in the future. But with your condition, if you donate a kidney, what’s the difference between that and death?” Fu Ying said calmly.

Qu Ru didn’t expect that the person Fu Ying was talking about was actually Qu Xue. She was the only person in the Qu family who treated her well.

Although Qu Ru didn’t have any affection for her aunt and was purely using her, she felt afraid when she thought of Qu Xue coveting her kidney.

Would she be thrown away after taking the kidney because she had lost her last bit of value?

“Are you here to sow discord?” Qu Ru didn’t believe it. She felt that there was nothing wrong with Qu Xue’s health.

“I’m here to ask for the video. I said that if you give me the video, I’ll save your life.” Fu Ying looked at her coldly. “You’re the only person who is a successful match with her. Now, do you understand how much Mo Rao suffered back then?”

It was Mo Rao again! Qu Ru felt jealous and resentful.

“How do you want to save me?” Qu Ru asked.

“I naturally have other kidney sources. Hand me the video and I’ll give you the donor’s information. As for how to convince that person to donate to your aunt, that’s up to you,” Fu Ying replied.

“Alright, I’ll give you the video now!” Qu Ru placed a USB flash drive on the table without even thinking.

She continued, “I’ve already destroyed the other videos. This is the original.”

After Fu Ying picked it up and put it in his pocket, a dark look flashed across his eyes. As he looked at Qu Ru, he suddenly smiled. "You haven't eaten dinner, right? Coincidentally, I've already ordered food. Let's eat together."

Qu Ru was very surprised. Why was Fu Ying suddenly so concerned about her?

However, she was indeed very tempted to have a meal with him alone. Sitting together and talking about the past might be able to salvage some of Fu Ying's feelings for her.

After Qu Ru sat down, Fu Ying raised the wine glass in his hand. "Cheers. I wish us a happy cooperation."

"Happy cooperation." Qu Ru didn't think too much about it and finished the wine in her glass in one gulp.

Just as she was about to play the emotional card with Fu Ying, she suddenly felt that something was wrong with her body, especially her abdomen.

And she felt a burning sense of desire.

"Fu Ying, you drugged the wine!" Qu Ru stood up in fear.

"When you drugged Mo Rao previously, didn't you taste it yourself? You only realized it now?" Fu Ying smiled wickedly.

Just as Qu Ru was about to leave, the door of the private room opened again. A few burly men walked in and looked at Qu Ru covetously.

"Enjoy it." Fu Ying left after saying this.

Thank you for reading on

Chapter 332

Seeing the door of the private room close, Qu Ru screamed, "Help, help!"

A few burly men had lewd smiles on their faces as they approached her step by step.

Qu Ru still wanted to maintain her rationality, but the medicine quickly began to take effect. Her eyes began to blur. She didn't resist for long before she took the initiative to lean against a man.

She kissed the man's lips and tore at his clothes.

Seeing her act like this, the men also began to get impulsive. They took off Qu Ru's clothes completely. Although Qu Ru was disfigured and crippled, her breasts were still quite big.

A group of men ravaged Qu Ru unceremoniously. Under the frenzied torture, Qu Ru only felt waves of orgasm and didn't feel any discomfort.

This torture lasted for two hours and was even recorded and sent to Fu Ying.

In the end, Qu Ru was thrown outside the Qu family's door.

She struggled to get up and entered the door. Under the night sky, she avoided the gazes of the servants of the Qu family. Seeing that there was no one in the living room, she quickly ran up to her room on the second floor.

Qu Ru couldn't believe that Fu Ying would treat her like this. He let so many men gang-rape her?

All of this was for Mo Rao's sake!

Also, Qu Xue was only being good to her because she wanted her kidney!

A seed of hatred took root in Qu Ru's heart. She blamed all her misfortune on others.

...

Mo Rao had already been cooped up at home for three days.

She didn't want to go out or contact anyone. She stayed in the studio alone and kept drawing.

During this period, Shen Feng also came, but Mo Rao didn't see him.

Just now, Mo Rao had already posted the breakup statement on Weibo.

Weibo must have exploded now, but she didn't want to care.

At this moment, her phone rang. It was Fu Ying. She still didn't want to answer the call, so Fu Ying could only send a message.

"I've already settled Qu Ru's matter. Aren't you going to come down and check the results?"

Seeing this message, Mo Rao felt a little emotional. Was Fu Ying downstairs now? She stood up and went to the first floor. Then, she opened the door to check outside. At the entrance not far away, she welcomed Fu Ying.

Mo Rao walked over. "Where're the results?"

She was very curious about Fu Ying's attitude when faced with such an incident again after two years.

"It's here. You can look at it yourself." Fu Ying handed the phone to Mo Rao.

A video was playing on the phone. It was a tragic sight. A woman was naked and being gang raped by several men in turns, but there was no anguish on her face. Instead, she looked very comfortable. Her face was flushed, so she must have been drugged.

That woman was Qu Ru.

As Mo Rao watched the erotic scenes, she felt a little awkward. She returned the phone to Fu Ying. "Is this what you mean by giving her a taste of her own medicine?"

"Yes, I returned her treatment of you tenfold," Fu Ying replied calmly.

If he had done the same two years ago, he might not have lost Mo Rao and his two children.

Fu Ying only regretted not doing so earlier.

"Don't you have any pity for her?" Mo Rao asked.

"No, you're the only one I care about now." Fu Ying stared at Mo Rao passionately.

"Fu Ying, your actions are a little cruel, but I think you did the right thing. A vicious woman like Qu Ru should have been taught a lesson. I'm very grateful to you for avenging me, but nothing will happen between us." Mo Rao smiled bitterly. "You should know that the problem between us isn't just Qu Ru."

"Impossible, it's impossible for me to forget about you!" Fu Ying grabbed Mo Rao's shoulder, his gaze firm and domineering. "Rao Rao, I will do everything I can to win your heart back. I will pay any price to make up for the mistakes I made to you in the past!"

At this moment, Mo Rao believed him, but what was the point? A broken mirror couldn't be fixed. Even if it was glued together, there would be cracks.

"I saw the breakup statement you sent. You're separated from Shen Feng now and are single. I can pursue you. Rao Rao, can you give me one last chance?" Fu Ying was practically begging Mo Rao.

"I'm sorry, I can't do it. Every time I try to let go of everything in the past, I would dream of my two children. In my dream, they kept telling me to stay away from you because you would bring me misfortune," Mo Rao replied calmly.

When he heard her words, Fu Ying's expression darkened. How could he not miss his two children?

Chapter 333: Tyrannical Love

"Rao Rao, I'm sorry. I know the mistakes I made in the past are unforgivable. I will prove myself again." Fu Ying left after saying this.

Seeing Fu Ying's car leave, Mo Rao felt mixed emotions.

She used to love Fu Ying so much, but what did Fu Ying give her in return? He only gave her endless pain.

Just as Mo Rao was about to turn around and go back, Mo Yuan returned with someone from the moving company.

"Rao Rao, let's move today. The new house is almost ready," Mo Yuan said to Mo Rao when he saw her at the door.

"Alright, I can do anything." Mo Rao nodded.

The moving company was very fast, and Mo Rao and Mo Yuan didn't have many things in the villa anyway. After all, this wasn't their house.

On the way to the new house, Mo Rao kept thinking about what Fu Ying had said.

She had to admit that she was actually wondering how Fu Ying could prove himself.

...

Shen family.

Mo Yun and Shen Ting also saw Mo Rao's breakup statement.

The two of them had solemn expressions because Shen Feng had already locked himself up at home for two days.

Ever since the breakup announcement, he hadn't eaten or drunk or talked to anyone.

Mo Yun knew that his son must have suffered a huge blow. How could she not tell that Shen Feng was infatuated with Mo Rao?

If not for Old Madam Shen's objection, Shen Feng could pursue Mo Rao without hesitation. Perhaps he really could have won her over.

Just as the couple was sitting on the sofa and worrying, Old Madam Shen came again.

This time, Old Madam Shen seemed to be in a good mood because she saw the news of Mo Rao and Shen Feng breaking up.

It seemed that her objection was very effective.

"Mom, why are you here?" Mo Yun forced a smile when she saw Old Madam Shen.

"Hmph, why? Do you not want me to come here?" Old Madam Shen asked coldly when she heard the unwelcoming tone in Mo Yun's voice.

"Mom, Mo Yun didn't mean that. Can you stop always misunderstanding her?!" Shen Ting said unhappily.

"Did I misunderstand her, or is that what she actually thinks? Mo Yun, don't you know that the best?" Old Madam Shen glanced at Mo Yun and asked, "Where is Shen Feng?"

"Mom, Shen Feng has been in a bad mood for the past two days. He hasn't come downstairs and refuses to eat," Mo Yun said helplessly.

She didn't expect Shen Feng to have such deep feelings for Mo Rao. Old Madam Shen was a little disappointed. Wasn't she just a woman? Moreover, it was a woman who had been married once. How could he fall head over heels for her?

Which of the rich girls she found for him couldn't compare to that divorced woman?

Old Madam Shen walked upstairs directly. Mo Yun quickly went forward to stop her. "Mom, let him be alone for now. He'll be fine in two days."

"I'm his grandmother. If I want to talk to him and see him, do you have a right to stop me?" Old Madam Shen pushed Mo Yun away.

Fortunately, Shen Ting quickly supported Mo Yun. Otherwise, she would have fallen to the ground.

"Mom, can you be reasonable?!" Shen Ting was furious. "You were the one who opposed Shen Feng and Mo Rao being together, and that gave him so much psychological pressure. That's why he's like this now. Can't you give him some time to himself?"

"Shen Ting, is this how you talk to your mother now? Am I harming Shen Feng? Mo Rao is very scheming. Do you think there's anything good that can come out of her marrying

into the Shen family? Now, you hate me, but you'll thank me in the future." Old Madam Shen insisted.

Mo Yun and Shen Ting felt angry and helpless. After all, Old Madam Shen was their mother.

After Old Madam Shen went upstairs and came to Shen Feng's door, she knocked hard on the door. "Shen Feng, come out!"

Shen Feng lay on the bed dejectedly as he stared at the ceiling with a listless gaze. His mind was filled with thoughts of Mo Rao. Although Mo Rao had informed him in advance, his heart still ached when he saw the breakup statement.

Despite hearing Old Madam Shen's voice, he didn't react. He didn't want to see her at all.

"If you're a man, don't brood over a woman. Trust me. If you leave her, you'll find a better woman." Old Madam Shen was still nagging outside.

Shen Feng grabbed the blanket and covered his ears. In his heart, Mo Rao was the best woman in the world. He couldn't find anyone better than him.
