

After Leaving The CEO, She Stunned The World –

Chapter 351: Blinded

“Grandma, I have something I need your help with,” Mo Rao said as she massaged Old Madam Fu after dinner.

Old Madam Fu smiled and asked, “Is it related to the Qu family?”

Mo Rao was stunned for a moment before she smiled. “Grandma, you’re really shrewd.”

“You usually keep everything to yourself and don’t ask me for help. Of course it’s easy to guess that it has something to do with the Qu family.” Old Madam Fu’s tone was a little reproachful yet doting.

Mo Rao was about to reply when Fu Ying interrupted her. “No, we can’t let her stay in the Qu family’s home alone.”

“Why?” Mo Rao frowned.

“Those people from the Qu family are not easy to deal with. Moreover, Qu Ru is also there. I’m worried that she will harm you.” Fu Ying’s expression was gloomy.

At the mention of Qu Ru, he recalled the vicious things she had done to Mo Rao and wished he could strangle her to death.

He also hated himself for being deceived by such a woman back then.

Hearing Fu Ying’s words, Old Madam Fu felt that it made sense. She said, “Fu Ying is right. Rao Rao, are you sure you want to stay in the Qu family’s home?”

Mo Rao nodded firmly. “Yes, only there can I discover clues and have a chance to find evidence, then reveal the truth in front of my grandmother!”

“Rao Rao…”

“Fu Ying, don’t stop me. I’m very grateful for what you did for me, but this is my own business and the main purpose of me returning to the country. I must avenge my mother.” Mo Rao looked at Fu Ying with determination.

“Besides, if Grandma personally invites me there, the Qu family probably won’t dare to do anything to me.”

After all, Mo Rao was there to treat Old Madam Qu. If the Qu family attacked Mo Rao in the Qu family’s home, wouldn’t it harm Old Madam Qu?

She felt that the Qu family wouldn’t dare to do this. Moreover, she wasn’t afraid.

Seeing that Mo Rao was determined, Old Madam Fu and Fu Ying didn’t say anything else.

“Let me know immediately if anything happens,” Fu Ying instructed worriedly.

For some reason, Mo Rao felt touched.

But soon, that warmth was replaced by coldness.

It was too late.

If Fu Ying had been so gentle and considerate to her back then, perhaps everything would have been different.

Seeing the sorrow flash across Mo Rao’s face, Fu Ying lowered his eyes, as if he had read her mind.

At this moment, Mo Rao’s phone rang.

“Rao Rao, where did you go?!” Mo Yuan’s anxious voice came from the phone.

Ever since he reunited with Mo Rao, Mo Yuan had been worried that something bad would happen to her.

He was very afraid that Mo Rao would be deceived by Fu Ying again.

“I’m at the Fu family’s old residence.”

Just as Mo Rao finished speaking, Mo Yuan said, “Why did you go to the Fu family’s old residence again?! Could it be that bastard Fu Ying lured you there?!”

Immediately after, before Mo Rao could speak, Mo Yuan muttered to himself, “Forget it, forget it. I promised you not to be too harsh to him last time. Wait there. I’ll pick you up.”

“Okay,” Mo Rao agreed gently.

“It’s your brother again, right?” Old Madam Fu asked after Mo Rao hung up.

Mo Rao nodded.

“Your brother cares about you, and this is good. He can protect you from being bullied.” Old Madam Fu nodded in satisfaction.

Why did Fu Ying feel that she was throwing shade at him?

Mo Rao naturally heard the hidden meaning in Old Madam Fu’s words and couldn’t help but hold back her laughter.

Seeing Mo Rao’s amused look, Fu Ying pursed his lips. He understood long ago that in this family, his status was the lowest!

However, Mo Rao was quite cute like this. She was so cute that Fu Ying wanted to tease her.

Mo Yuan quickly rushed to the Fu family’s home and picked Mo Rao up.

On the way back, Mo Rao’s phone rang. She picked it up and saw that it was Old Madam Qu.

It had to be said that Old Madam Fu was very efficient.

“Hello, Old Madam Qu.” She was clearly her grandmother, but before they reunited, Mo Rao could only greet her this way.

“Miss Mo, I’m sorry to disturb you so late at night.” Old Madam Qu’s voice was a little weak, but it was very gentle, making Mo Rao’s heart warm. “The treatment you gave me last time was very effective. I wonder if you’re free recently. I want to ask you to stay in the Qu family’s home for a while and help treat me.”

Chapter 352: Staying in the Qu Family’s Home

“Okay.” Mo Rao agreed readily. “Then I’ll go over tomorrow. Coincidentally, I don’t have much work lined up for the next month or so. I’m very happy to be able to help you.”

Just like that, the two of them came to an agreement. Mo Rao was already looking forward to the undercover operation in the Qu family’s home. However, this matter wasn’t that easy for her.

Qu Xue, Qu Qin, and Qu Ru were not easy to deal with.

Mo Yuan listened to Mo Rao's call the entire time. As soon as she hung up, he couldn't help but ask, "Where are you going tomorrow?"

"Qu family's home." Mo Rao told Mo Yuan her plan in detail, including her cooperation with Jia Li.

When Mo Yuan heard this, he braked and looked at Mo Rao in surprise. "You'll be staying in the Qu family's home for this period of time?!"

"That's right. If you don't enter the tiger's den, how can you get tiger cubs?"

Although that was true, Mo Yuan was very worried.

He had seen how Qu Ru had dealt with Mo Rao previously.

Moreover, they now knew that Qu Xue and Qu Qin were the culprits who had caused their mother's disappearance. These two people had been in the business world for many years and were not easy to deal with.

If he let Mo Rao go to the Qu family's home, wouldn't he be letting her to face wolves and tigers?

"This is too dangerous!" Mo Yuan disagreed. "Why don't you just visit Grandma from time to time to treat her illness instead of staying there?"

In the dead of night, who knew what would happen?

However, Mo Rao had clearly made up her mind. It was useless no matter who tried to dissuade her. "Brother, they will only let down their guard at night."

At this moment, Mo Yuan hated that he didn't know medical techniques and couldn't go to the Qu family's home on Mo Rao's behalf.

"Brother, don't worry. I'll protect myself." Mo Rao knew that Mo Yuan was worried about her, so she comforted him.

"Alright... You must be careful." Mo Yuan had an ominous feeling, but he also knew that his sister was very smart.

The next morning, Mo Yuan drove Mo Rao to the Qu family's home.

Before Mo Rao entered the Qu family's home, she saw Qu Ru limping over.

Seeing Mo Rao, Qu Ru looked like she had seen a ghost and shouted at her, "What are you doing in the Qu family's home?!"

Mo Rao glanced at her coldly and said, "Old Madam Qu invited me to treat her."

Qu Ru gritted her teeth and glared at Mo Rao, her eyes burning with anger.

Old Madam Qu had actually invited her?!

Why? Why did everyone like Mo Rao?!

Even her biological grandmother seemed to like her more!

"Mo Rao, don't tell me you have designs on the Qu family? Let me tell you, I definitely won't let you succeed!"

Qu Ru's provocation didn't faze Mo Rao. She only felt that Qu Ru was delusional.

Her purpose in coming to the Qu family's home had nothing to do with Qu Ru.

"Miss Mo, you're here." At this moment, Old Madam Qu, who was being supported to the garden, saw Mo Rao and quickly came over to greet her. She instructed the servants to open the door.

The person supporting Old Madam Qu was none other than Qu Rou, who had just returned to the country.

The moment she saw that it was Mo Rao, Qu Rou's smile immediately faded.

"Why is it you?" Qu Rou sized Mo Rao up with disdain.

Mo Rao could tell that Qu Rou was hostile to her, but she didn't intend to go against her. She only smiled and held Old Madam Qu's other hand as she asked gently, "Old Madam Qu, how have you been these few days?"

Old Madam Qu sighed and shook her head. "After you came, I've been fine for two days, but recently, I've started to feel drowsy again. I feel sleepy every day."

Mo Rao looked at Old Madam Qu's complexion, which wasn't good, even worse than the last time she came.

That shouldn't be the case.

Logically speaking, after Mo Rao performed acupuncture on Old Madam Qu once, Old Madam Qu should have recovered a little, but why was she getting worse?

"Mo Rao, do you know medicine?! Don't harm my grandmother!" Qu Rou rolled her eyes at Mo Rao and fanned the flames.

Facing Qu Rou's provocation, Mo Rao only smiled. "If I didn't know medicine, Old Madam Qu probably wouldn't have called me over, right?"

These words embarrassed Qu Rou.

If she didn't trust Mo Rao, didn't it mean she didn't trust Old Madam Qu?

"Miss Mo is a guest I invited. I naturally trust her. You should respect her." Old Madam Qu frowned slightly and reprimanded her.

Her granddaughter had always been obedient. Why did she seem like a different person whenever she saw Mo Rao?

Seeing that Old Madam Qu was speaking up for Mo Rao, Qu Rou became even more unhappy. However, she could only bury her negative emotions in her heart and wheedle, "Grandma, I know. Let's go in quickly. Don't catch a cold."

Old Madam Qu nodded and called Mo Rao into the house.

Qu Ru, who had been neglected the entire time, stared at their backs with hatred. She wished she could pounce on Mo Rao and Qu Rou and tear them apart.

Recently, because Qu Rou had returned to the Qu family's home, Qu Xue had paid less attention to her.

Every day, Qu Ru was like an invisible person in the Qu family.

If Mo Rao had not interfered back then, Qu Ru definitely would have been able to marry Fu Ying successfully. This way, the Qu family wouldn't look down on her!

All of this was Mo Rao's fault!

Qu Ru gritted her teeth, but now that Mo Rao had Fu Ying's protection, she didn't dare to do anything.

After entering the house, Mo Rao began to nurse Old Madam Qu back to health.

Old Madam Qu was still groggy. She fell asleep after lying on the bed for a while.

Looking at Old Madam Qu's pale face, Mo Rao frowned. She took out a silver needle and inserted it into Old Madam Qu's right hand.

After waiting for a while, Mo Rao gently pulled out the silver needle and her eyes widened.

The tip of the silver needle was black.

Old Madam Qu had been poisoned.

Mo Rao didn't expect someone from the Qu family to be so ruthless to Old Madam Qu.

Her mother had already been harmed by Qu Xue and Qu Qin. Old Madam Qu treated her so kindly, so Mo Rao didn't want her to be hurt again.

It seemed that this time, not only did she have to think of a way to gather evidence, but she also had to investigate Old Madam Qu's poisoning.

This poison was probably a slow-acting poison. After accumulating over the years, the poison would seep into Old Madam Qu's organs. Fortunately, Mo Rao discovered it in time. Otherwise, the consequences would be unimaginable.

Mo Rao carefully detoxified Old Madam Qu's body one needle at a time. A layer of sweat appeared on Mo Rao's forehead.

Soon, Old Madam Qu's complexion improved and her breathing became steady.

Only then did Mo Rao feel relieved. She packed up the silver needles and left Old Madam Qu's room.

"Mo Rao, you're really impressive."

However, just as Mo Rao walked out of Old Madam Qu's room, she heard a very unfriendly voice.

Qu Rou walked in front of Mo Rao arrogantly and sized her up disdainfully. "As an orphan, you first hooked up with the Fu family, and now, you want to hook up with the Qu family?"

"People without parents are so shameless! Let me tell you, I won't let Grandma be deceived by you!"

Hearing Qu Rou mention her mother, Mo Rao clenched her fists.

If not for Qu Rou's mother, Qu Xue, her mother wouldn't have been separated from her parents.

She didn't understand. They were clearly family, but why did her relatives all seem so unhinged?

If not for Old Madam Qu's kindness, Mo Rao wouldn't have wanted to reunite with the Qu family.

"You're so rude and obnoxious. Even if you have parents, it's equivalent to having no parents." Mo Rao didn't even look up as she spoke. She walked around Qu Rou and planned to leave.

Qu Rou was furious with Mo Rao. She grabbed Mo Rao's hand and shouted, "You actually scolded me?!"

"I'll get Grandma to chase you out!"

"Old Madam Qu is resting. Can you lower your voice?" Mo Rao shook off Qu Rou's hand. "You say that you love your grandmother, but you actually only think about yourself."

"You!"

"Qu Rou, why are you making a scene again?" At this moment, Qu You walked over in amusement.

Qu Rou snorted. "It's none of your business."

"We all saw Mo Rao's medical skills last time. Grandma invited her again because of her brilliant medical skills. Now that Grandma can finally sleep in peace, stop arguing." Qu You stood beside Mo Rao and spoke up for her. "Otherwise, Grandma will think that your mother didn't teach you well."

Hearing this, Qu Rou immediately shut up.

Seeing the two of them fighting, Mo Rao gained an understanding of the Qu family's internal strife.

Presumably, due to the struggle to obtain assets, Qu Xue and Qu Qin didn't get along with Qu Jian. This caused their children to be at odds as well.

Could it be that Old Madam Qu's poison was also Qu Xue and Qu Qin's doing?

Cold sweat broke out on Mo Rao's back. These two people had done that to their biological sister when they were still young. Now, they were doing this to their own mother?

Words were useless. Mo Rao had to find evidence.

At night, the Qu family's home was silent, but Mo Rao tossed and turned, unable to fall asleep.

Just as she was tossing and turning, her phone rang.

It was Fu Ying.

Seeing the two words on the screen, Mo Rao felt extremely conflicted.

She didn't want to interact too much with Fu Ying, although Fu Ying had helped her a lot recently.

But...

According to Fu Ying's personality, if she didn't answer the phone, he would definitely keep calling.

Mo Rao took a deep breath and chose to answer the call.

"Rao Rao, are you doing well in the Qu family?" The silence of the night, coupled with Fu Ying's low voice, made the night seem more cozy and serene.

Mo Rao lay quietly on the bed as she replied, "It's quite good. It's just that..."

"What is it?" Fu Ying immediately sounded nervous.

"When I performed acupuncture on Old Madam Qu today, I realized that there was a slow-acting poison in her body. Someone from the Qu family poisoned her." Mo Rao finally decided to tell Fu Ying about this.

Fu Ying was stunned. He clearly didn't expect anyone from the Qu family to dare to do such a thing.

"Do you know who it is?" Fu Ying asked.

"I guess it's either Qu Xue or Qu Qin. As for determining who it is, I have to find more evidence."

At the thought of Mo Rao facing so many evil people alone, Fu Ying was extremely worried. "Can you handle it alone? Do you need my help?"

"No need." Mo Rao rejected. She didn't want to owe Fu Ying a favor anymore.

Although she said that, Fu Ying still sent a few bodyguards to guard the Qu family's residence after talking to Mo Rao, just in case.

For a few days, Mo Rao didn't discover anything.

Her daily life was to accompany Old Madam Qu, give her acupuncture treatment, and bicker with the people in the Qu family who couldn't stand her.

That night, as usual, Mo Rao pretended to go to the washroom in order to eavesdrop.

Just as she thought that nothing would happen, the light in the kitchen caught her attention.

Mo Rao hid in the dark and looked over. She saw Qu Xue standing in the kitchen, pouring something into the medicine on the stove.

After stirring for a while, Qu Xue took out a bowl of medicine and walked towards Old Madam Qu's room.

Under the light, Qu Xue's face was like that of a vicious witch from a fairy tale.

Mo Rao was shocked and hurriedly returned to her room. She jumped nimbly from the window into the garden and ran towards Old Madam Qu's room.

Old Madam Qu's room happened to be on the first floor. Mo Rao, who was hiding in the bushes, could see Qu Xue's every move.

Qu Xue had already walked to Old Madam Qu's bed and called out to her.

"Huh?" Old Madam Qu let out a moan, but she was still semi-conscious.

"Mom, I'll feed you medicine." Qu Xue gently helped Old Madam Qu up and poured the bowl of poison into her mouth.

When Qu Xue drugged the bowl, Mo Rao had taken photos as evidence. Now, she secretly recorded the entire process with her phone from outside the window.

"Mom, don't blame me for being so cruel to you. You've always been biased towards my oldest brother. I have to take back what belongs to me," Qu Xue said fiercely as she fed Old Madam Qu medicine.

"Who is it?!" Suddenly, Qu Xue was startled and turned to look out of the window.

Fortunately, Mo Rao reacted in time. Before Qu Xue could discover her, she had already hidden in the bushes, quickly returned to the house, and ran towards her room.

Qu Xue's heart skipped a beat. She walked to the window to investigate. Fortunately, there was no one there.

Mo Rao's heart was pounding as she lay back on the bed. Everything she had guessed was true.

With this video, it would be easy to take down Qu Xue. However, she had to find evidence of her mother being set up by Qu Xue.

Chapter 355: Find Another Way

Footsteps sounded. Mo Rao quickly turned around and wrapped herself tightly in the blanket.

Then, her door was gently pushed open.

It was obvious that the person who came to investigate was most likely Qu Xue.

Fortunately, Mo Rao was faster and wasn't discovered by Qu Xue.

Soon, the door to the room was closed.

Mo Rao opened her eyes and looked at the moonlight outside the window while thinking about her next step.

After knowing that Old Madam Qu had been poisoned, Mo Rao added some antidotes to the prescription to help detoxify Old Madam Qu.

On the other side, Mo Rao drove to the consultation center where Qu Xue went to see a psychiatrist with Mo Yuan according to the clues provided by Fu Ying.

Knock, knock, knock. Mo Rao knocked on the door of the doctor's office.

"Please come in." A woman's voice came from inside.

After Mo Yuan and Mo Rao walked in together, the doctor sitting at the table looked up at them and widened her eyes in surprise. "Mo... Mo Rao?!"

Mo Rao was stunned. She was clearly fully disguised today, so how could she be recognized?

"I'm your fan!" Doctor Lin stood up excitedly to welcome her. "I became a fan of yours after you won the Best Actress Award overseas!"

Seeing that Doctor Lin was her fan, Mo Rao heaved a sigh of relief.

It was good that Doctor Lin was a fan, since she might be willing to help her.

"Hello." Mo Rao shook Doctor Lin's hand with a smile.

After Doctor Lin asked Mo Rao and Mo Yuan to sit down, she began to ask, "Why are you guys here? Have you been under a lot of pressure recently?"

Mo Rao shook her head and went straight to the point. "Doctor Lin, you're Qu Xue's attending physician, right?"

Hearing this, Doctor Lin was stunned. After hesitating for a moment, she said, "Yes... Yes."

"That's great. I have something to ask you," Mo Rao said. "Why did she come to see a psychiatrist? Is there something wrong with her?"

Doctor Lin sized up Mo Rao nervously and asked, "Why are you suddenly asking about Madam Qu?"

Mo Rao understood Doctor Lin's concerns and explained, "It's like this. I've been close to Old Madam Qu recently. She mentioned to me that Qu Xue seems to be seeing a psychiatrist. She was worried and wanted me to help ask."

Doctor Lin was skeptical. After a long silence, she refused to tell Mo Rao the truth. "Mo Rao... I'm sorry. As a doctor, I can't reveal the patient's private information to you."

"Madam Qu has repeatedly emphasized to me that I must not tell anyone about her. I..."

Seeing Doctor Lin's troubled expression, Mo Rao couldn't ask further.

It was indeed a doctor's duty not to expose the patient's privacy. In addition, Qu Xue was powerful and might find trouble with Doctor Lin if she did.

"Doctor Lin, this matter is very important to us." Mo Yuan was a little anxious.

Mo Rao pressed Mo Yuan's hand and gave him a look. Then, she said to Doctor Lin gently, "It's okay. It's okay if you don't want to say it. I'll tell Old Madam Qu the truth."

Seeing that Mo Rao didn't intend to ask further, Doctor Lin relaxed. "Yes, yes, sorry."

This time, the plan didn't work, so Mo Rao could only stand up and leave with Mo Yuan.

“What should we do now?” After leaving the counseling center, Mo Yuan sighed.

He thought that they could get some information from this psychiatrist, but it turned out that they had come in vain.

Mo Rao was also a little vexed. She was originally filled with hope, but now, she only felt disappointment.

“We can only think of another way.” Mo Rao pursed her lips and got into the car. “Qu Xue is really heartless. In the past few days in the Qu family’s home, I even found that she kept poisoning Grandma...”

“Poison?!”

Mo Yuan and Mo Rao shouted almost at the same time.

“Brother, I’ve thought of a way!” Mo Rao said excitedly, “I can also poison Qu Xue and make her hallucinate! Since she came to see a psychiatrist, it means that she’s afraid! She feels guilty! If she sees what she’s most afraid of, she might have a reaction.”

Mo Yuan couldn’t help but admire his sister’s intelligence. He gave her a thumbs up. “As expected of my Rao Rao. You’re so smart!”

Mo Rao blinked at Mo Yuan. She prepared to do it tonight.

That night, Mo Rao brought the silver needles and secretly walked to Qu Xue’s room.

At this time, Qu Xue should be asleep.

After Mo Rao pricked up her ears to listen to the commotion inside, she tiptoed and pushed open the door.

Qu Xue was sleeping soundly, but her brows were tightly furrowed, as if she had a nightmare.

Mo Rao walked to the bed and took out silver needles.

Under the moonlight, the silver needles emitted light as Mo Rao mercilessly inserted them into Qu Xue’s acupuncture points.

Mo Rao had comprehensive knowledge of medicine. She applied some hallucinogens on the silver needles and stabbed them into Qu Xue's body. It wouldn't be long before Qu Xue's true colors were revealed.

Mo Rao was skilled at acupuncture and didn't wake Mo Xue up.

After Mo Rao took the silver needle away, Qu Xue suddenly opened her eyes, her forehead covered in sweat.

"It wasn't me... It wasn't me..."

Mo Rao stood not far from the bed with a cold expression and watched as Qu Xue muttered something.

The moment Qu Xue opened her eyes, she saw a little girl smiling at her. She looked exactly like the young Qu Jiao!

"Sister, why did you abandon me..."

"Sister, you're so ruthless..."

"It wasn't me! I didn't do anything wrong!" Qu Xue covered her head and screamed, but from the corner of her eye, she saw a woman standing not far away.

Her appearance was almost the same as Qu Jiao's. Qu Xue rushed towards her crazily before waving her hands and shouting, "Get lost! Get lost! Don't come looking for me! I didn't cause you to get lost! I didn't cause it!"

As Qu Xue cried out, she fell to the ground and muttered to herself, "Jiaojiao, I really didn't abandon you on purpose... If you stay in the Qu family, Second Brother and I wouldn't have a chance to stand out!"

"You know that Mom likes you so much... I have to get rid of you to have a bright future..."

"Jiaojiao, can you not blame me and Second Brother? I know that you're lucky and will definitely be adopted by a kind person..."

...

Qu Xue's selfishness made Mo Rao want to slap her.

She was the one who caused her mother to get separated from her parents when she was young. Now, she actually had the cheek to ask for forgiveness? She actually wanted her mother to forgive her?

What kind of weirdo was she?!

When Mo Rao saw Qu Xue's unrepentant appearance, she hated her even more.

She recorded Qu Xue's confession. With this evidence, Old Madam Qu would definitely understand what had happened when Qu Jiao disappeared.

Soon, Mo Rao would be able to expose Qu Xue and Qu Qin's true colors and avenge her mother.

After Mo Rao recorded the evidence, she didn't stay in Qu Xue's room anymore. She left her alone in the room.

The next morning, Mo Rao was eating breakfast with Old Madam Qu in the dining room. When she looked up, she saw Qu Xue walking over with a pale face.

"What's wrong? You didn't sleep well last night?" Old Madam Qu asked when she saw that Qu Xue's expression was extremely unpleasant.

Qu Xue shook her head and forced a smile. "I'm fine. I just had a nightmare."

Qu You glanced at Qu Xue and took a bite of bread before smiling. "Aunt, what nightmare did you have to be so afraid? Don't tell me you did something wicked that you feel guilty about?"

"Qu You! Do you have any manners?! My mother is your elder. How can you speak to an elder like this?!" Qu Rou glared at Qu You unhappily and reprimanded.

Seeing that a dispute was about to break out, Mo Rao said slowly before they continued to argue, "Maybe your mother really did something wrong."

No one expected Mo Rao to speak out. She instantly became the center of attention while receiving shocked or disgusted expressions from all directions.

"Mo Rao, what do you mean? Don't think you can spout nonsense just because you're a guest invited by my mother!" Qu Xue retorted, but when she saw Mo Rao's face, panic flashed across her eyes.

They were too similar. Mo Rao and Qu Jiao were too similar.

"Miss Mo, what do you mean?" When Old Madam Qu, who didn't know the truth, heard Mo Rao's words, the kind smile on her face disappeared and she asked.

Mo Rao calmly took out her phone and found the video of Qu Xue confessing. She played it in public.

“I heard that Old Madam Qu’s youngest daughter, Qu Jiao, went missing when she was young. Actually, she didn’t go missing, but was deliberately abandoned by Qu Xue and Qu Qin.”

Chapter 357: Revealing the Truth

In the video, Qu Xue was hugging her head and muttering to herself. Her words were extremely clear.

Qu Xue didn’t expect all of this to be recorded by Mo Rao. Her expression changed drastically.

Old Madam Qu never expected that Qu Jiao’s disappearance was actually Qu Xue and Qu Qin’s scheme.

Faced with such a turn of events, Old Madam Qu trembled and tears welled up in her eyes.

“Jiaojiao... my Jiaojiao...”

“It was actually you and Qu Qin who caused her disappearance!”

Old Madam Qu pointed at Qu Xue and Qu Qin as she scolded, “How did I give birth to the two of you bastards... You even hurt your own sister...”

“Poor Jiaojiao... I still don’t know where she is...”

When she saw tears stream down Old Madam Qu’s face, Mo Rao’s heart ached.

Considering Old Madam Qu’s health, she didn’t want to expose this harsh truth to her.

However, this was the only way to let her mother rest in peace.

Qu Xue no longer had the time to care about Mo Rao, who had set her up. Instead, she hurriedly explained, “Mom! Jiaojiao’s disappearance really has nothing to do with Second Brother and me! I, I just missed Jiaojiao too much...”

As she spoke, Qu Xue even wiped her tears.

“You know that Jiaojiao got lost when she went out with Second Brother and me. All these years, although Second Brother and I haven’t said anything, we’ve actually felt very guilty...”

“If, if we had watched over Jiaojiao more that day, she wouldn’t have gone missing. I’ve always felt that it was my fault, so I’ve been plagued by nightmares all these years. I even went to see a psychiatrist...”

“If you don’t believe me, I can bring you to my psychiatrist!”

As soon as Qu Xue finished speaking, Qu Qin said, “Mom, she is right. Do you think you’re the only one who’s missed Jiaojiao all these years? Actually, Xue and I missed her too! We spent a lot of effort looking for her!”

“Previously, Qu Xue often had nightmares. This video must have been taken after she had a nightmare.” Qu Qin turned to Mo Rao. “Mo Rao might have taken it after she set Qu Xue up! Mo Rao, I wonder what your motive for sowing discord in the Qu family is!”

Seeing this, Qu Rou hurriedly followed and criticized Mo Rao. “That’s right! What are your intentions?! Don’t tell me you want to make the entire Qu family restless just to take revenge on Qu Ru?! Mo Rao, you’re so ruthless!”

These people echoed each other, making Old Madam Qu’s expression ease up.

Like the others, she looked at Mo Rao suspiciously and asked, “Miss Mo, what’s going on?”

As Mo Rao watched the Qu family act, she calmly pulled up another video.

“Old Madam Qu, you think too highly of your children.” As Mo Rao pressed the play button, she said to Old Madam Qu, “When I first came to your house, I was wondering why your complexion was getting worse day by day until I realized that you had been poisoned.”

“What?!” Qu You stood up in surprise. “Who poisoned Grandma?!”

“The person who poisoned her is Qu Xue, who claims to be innocent.” Mo Rao looked at the livid Qu Xue. “And this video is evidence.”

“Mom, don’t blame me for being so cruel to you. You’ve always been biased towards my brother. I have to take back what belongs to me.”

Qu Xue’s vicious voice echoed in the video, shocking everyone.

Old Madam Qu clutched her chest and watched the video. She almost fainted as she roared, “You, you bastard!”

Seeing that her scheme had been exposed, Qu Xue panicked.

She didn't expect that Mo Rao actually came to the Qu family's home to take her down?!

At first, she thought that Mo Rao came to the Qu family's home to take revenge on Qu Ru and planned to ignore her.

Now, it seemed that she was wrong!

"Qu Xue, what other explanation do you have?!" Old Madam Qu was so angry that she couldn't speak. Qu Jian watched everything that had just happened in disbelief and slammed the table while glaring at Qu Xue.

Qu Xue didn't explain all of this. Instead, she rushed in front of Mo Rao, grabbed her collar, and questioned, "Mo Rao! What's your motive?! Why do you want to sow discord between me and my mother?!"

Chapter 358: Qu Jiao's Daughter

Mo Rao shook off Qu Xue's hand with a cold look.

"Don't you think I look like a certain person you knew?" Mo Rao stared at Qu Xue and asked.

Qu Xue's face turned pale.

"I'm the daughter of the person you hate the most, Qu Jiao," Mo Rao said amidst everyone's surprised gazes. "My manager, Mo Yuan, is my biological brother."

Everyone fell silent and looked at Mo Rao with widened eyes, trying to find Qu Jiao's shadow on her.

The moment Qu Ru arrived at the dining room, she saw this scene. She was shocked and filled with jealousy.

She had thought that Mo Rao was an orphan without parents. Unexpectedly, not only had she hooked up with the Fu family, but she had also become Old Madam Qu's granddaughter? And she was the daughter of Old Madam Qu's favorite daughter?!

Why was Mo Rao so lucky?!

“You, you’re Jiaojiao’s daughter?” Old Madam Qu recovered from her shock and held Mo Rao’s hand as she sobbed.

Mo Rao quickly grabbed Old Madam Qu’s hand and nodded. “Yes, I’m her daughter. I should call you Grandma.”

“Alright! Alright!” Old Madam Qu’s tears fell on the back of Mo Rao’s hand, and Mo Rao felt a lump in her throat.

As Qu Xue watched the scene of her family members reuniting, she anxiously stopped her. “What evidence do you have to prove that you’re Qu Jiao’s daughter? And as far as I know, you have no parents. Why should we believe you?!”

At this point, Qu Xue was still being stubborn.

Mo Rao looked around and said firmly, “If you don’t believe me, I can do a DNA test with everyone present.”

“Also, my parents have passed away... So, Grandma, I’m sorry, but I can’t bring my mother to see you.”

At the thought of this, Mo Rao felt even sadder.

It hadn’t been easy for her to help Old Madam Qu and her deceased mother fulfill their wishes after so many years, but now, they were separated forever.

When she heard that Qu Jiao had passed away, Old Madam Qu’s heart ached.

However, fortunately, Qu Jiao left two children in this world.

Old Madam Qu wiped her tears and hugged Mo Rao. “I was wondering why I felt a sense of familiarity when I saw you. So you’re Jiaojiao’s daughter. Although Jiaojiao is no longer around, I’m already very happy that she has two children.”

“I’m also very happy that I was able to find my brother and my home.” Mo Rao hugged Old Madam Qu tightly.

Previously, Mo Yuan was her only family member. Now, she had another family.

The two of them were immersed in the touching reunion, but Old Madam Qu didn’t forget the two culprits, Qu Xue and Qu Qin.

Just as Qu Xue and Qu Qin were thinking about how to explain it to Old Madam Qu, Old Madam Qu glared at Qu Xue and Qu Qin angrily as she questioned, “Do the two of you have anything else to explain?”

“Mom... I...”

“Although I know that I’ve always doted on Jiaojiao, my love for you guys is definitely no less than mine for her! She’s the youngest in the family and needs more care. But who knew that I actually raised two jackals!” Old Madam Qu interrupted Qu Qin’s explanation, her tone filled with disappointment.

“Although you say that, when have you ever doted on Second Brother and me?!” Qu Xue lowered her eyes and sneered. “You doted on Jiaojiao in the past, and now, you only dote on my oldest brother! When have you ever thought about how my second brother and I feel?!”

“Qu Xue, stop talking!” Qu Qin quickly stopped her. If this continued, he and Qu Xue could forget about staying in the Qu family’s home.

Old Madam Qu didn’t expect that Qu Xue still hadn’t realized her mistake. She was extremely angry and scolded, “Qu Xue, is this the reason why you harmed your sister and poisoned me?! I’ve raised you for so many years and handed over a portion of the company to you. Are you still not satisfied?”

“The reason I let your brother take on the heavy responsibility is that he’s more capable than you guys! Don’t you understand?! Do you think I don’t know what you’ve done to the company?!”

Qu Xue and Qu Qin didn’t know how to respond.

They had thought that Old Madam Qu didn’t know about anything else, but now, they realized that she knew very well.

All these years, Qu Xue and Qu Qin’s company suffered a lot of losses. They tried their best to remedy it, but there was nothing they could do.

Compared to Qu Jian, their abilities were indeed far inferior.

Old Madam Qu looked at the two of them and sneered. “So you still think I’m biased? The reason I liked Jiaojiao so much previously was that she was obedient and knew how to be filial.”

“But what about you guys? You only thought about yourselves and even harmed Jiaojiao later on!”

“I’ve raised you all for nothing! Don’t stay in the Qu family’s home in the future. The Qu family can’t tolerate you guys!”

When they heard Old Madam Qu’s words, Qu Xue and Qu Qin’s expressions changed drastically. Qu Rou immediately panicked and hurriedly pleaded with Old Madam Qu, “Grandma, my mother just lost her sense of rationality. Don’t chase her away in a moment of anger!”

“No matter what, she’s still your daughter!”

Seeing Qu Rou speak up for Qu Xue, Old Madam Qu felt heartbroken.

How good could a child raised by a vicious woman be?

Old Madam Qu sighed. “Yes, she’s my daughter, but she poisoned me and wanted to kill me. Keeping her in the Qu family’s home is equivalent to keeping a murderer!”

“I’ve already done my part by not going to court to sue you.”

Old Madam Qu had always been gentle and benevolent. This was the first time Qu Rou had seen her throw such a big tantrum. She didn’t know what to do and quickly looked at Qu Xue for help.

“Mom, I-I know I was wrong! I’m guilty. I’ll atone for my sins in the future. Please forgive me this time on account of us being mother and daughter for so many years... I was blinded by greed...”

“Yes, Mom, I—”

“All of you, shut up!” Old Madam Qu berated. “The Qu family has been in chaos because of you and your children recently. I didn’t even hold it against you guys. Now, I have to teach you guys a lesson!”

“Mom...”

“Someone! Pack up their things and throw them out! In addition, find the media. I want to announce Mo Rao and Mo Yuan’s identities to the public. In the future, they will be children of the Qu family!” Old Madam Qu ignored Qu Xue and Qu Qin’s struggles and called the butler over.

Seeing Old Madam Qu’s determination, Qu Xue and Qu Qin knew that they had no chance of making a comeback.

Mo Rao looked down at the two of them and sneered.

From the moment they committed evil, they should have expected this day to come.

It was because of the two of them that her mother was separated from her family and didn't see them again even until her death.

...

At the Fu Corporation.

"President Fu! Have you seen the news?" Fu Ying had just come out of the meeting room when Gu Hai quickly asked with a smile.

Fu Ying raised his eyebrows. "Is there good news?"

Gu Hai quickly pulled up the news and handed the phone to Fu Ying. "There's great news!"

Fu Ying picked up his phone and saw that it was news of Old Madam Qu acknowledging Mo Rao and Mo Yuan.

This news had already reached the top of the trending searches. The netizens were in an uproar when they saw it and started discussing it.

"Mo Rao is actually Old Madam Qu's biological granddaughter?!"

"Heavens, Mo Rao is really too pitiful... She could have been a pampered young lady, but she was separated from her family for so long!"

"Am I the only one who noticed that Mo Rao and Qu Ru are about to become cousins? This is too ridiculous!"

...

Seeing that Mo Rao had returned to the Qu family as she wished, Fu Ying smiled in relief.

He knew that Rao Rao could achieve everything she wanted.

Previously, he had always thought that Mo Rao was a cute woman, but now, he realized that she had a lot of ambition and courage.

She could shine in the field she liked and was very independent.

In the past, Fu Ying kept her at home and prevented her from showing her talent, so Fu Ying didn't really understand her for the past three years.

Now that he saw Mo Rao's other side, Fu Ying felt that she was even more charming.

This time, he would never let Mo Rao leave him again.

Chapter 360: Severing Father-Daughter Relationship

Old Madam Qu meant what she said. No matter how Qu Xue and Qu Qin struggled, they had already been chased out of the Qu family.

Mo Rao thought that Old Madam Qu wouldn't be that ruthless, but she didn't expect that after so long, Old Madam Qu still valued her mother so much and hated Qu Xue and Qu Qin for their evil deeds.

Mo Yuan and Mo Rao came to the Qu family's home together and reunited with Old Madam Qu. They chatted about many encounters from when they were growing up. As the Qu family was laughing and chatting with joy, Qu Ru became filled with envy.

Previously, she failed to get close to the Fu family. Now, she had finally returned to the Qu family's home and was even asked to stay, but her backer became disgraced.

Qu Ru only felt that Mo Rao was her nemesis. It was because of her that she separated from Fu Ying and was now going to be expelled from the Qu family.

No, she couldn't let this happen!

The Qu family was her backer. Without the Qu family, she would really have nothing.

Although Old Madam Qu was ruthless to Qu Xue and Qu Qin, Qu Rou and Qu Ru were innocent after all. Qu Rou cried, threw a tantrum, and threatened to kill herself. Old Madam Qu had no choice but to let her stay in the Qu family's home. Seeing this, Qu Ru hurriedly jumped out as well.

"Grandma, I never expected Aunt and Dad... No, Qu Xue and Qu Qin are such people!"

Just as Old Madam Qu was holding hands with Mo Rao and Mo Yuan, Qu Ru ran downstairs and knelt in front of Old Madam Qu.

Mo Rao looked at Qu Ru coldly. She had seen too many of Qu Ru's tricks.

"Grandma, I know I'm an illegitimate daughter. You've never liked me, but... but I've already decided to turn over a new leaf!" Qu Ru cried in front of Old Madam Qu as she said, "I've never been doted on and loved since I was young. It was only these days in the Qu family that I finally felt the warmth of a home..."

“I, I don’t want to leave the Qu family’s home or you. I, I can sever my father-daughter relationship with Qu Qin! From now on, you’re my only family!”

In terms of ruthlessness, no one could compare to Qu Ru.

No matter what, Old Madam Qu was still an old woman. Qu Xue and Qu Qin had hurt the child she loved the most and also her. That was why she punished them so ruthlessly. However, Qu Ru had been obedient recently and had vowed to cut ties with Qu Qin. It seemed like she was really determined to stay in the Qu family’s home to be filial to Old Madam Qu.

Everyone was silent, and only Qu Ru’s wails could be heard.

Old Madam Qu looked at Qu Ru awkwardly. She couldn’t make up her mind, so she couldn’t help but glance at Mo Rao.

Mo Rao understood what Old Madam Qu meant. Qu Ru was her enemy. Wouldn’t she be an eyesore if she stayed in the Qu family’s home?

However, Mo Rao didn’t want Old Madam Qu to be in a difficult position because of her, so she smiled and said, “Grandma, no matter what decision you make, I will support you.”

“Grandma... I, I swear that I will be obedient from now on and won’t hurt Mo Rao!” Qu Ru saw through Old Madam Qu’s scruples and raised four fingers.

Old Madam Qu sighed and finally agreed. “In that case, you can stay in the Qu family’s home. You really shouldn’t bear the responsibility for your aunt and father’s mistakes. What you’ve done all these years is indeed because the Qu family didn’t discipline you well...”

Qu Ru nodded and saw a glimmer of hope.

“If you want to stay in the Qu family’s home, I only have one condition. You can’t cause trouble in the future, especially harming Mo Rao. Otherwise, you will bear the consequences.” When Old Madam Qu mentioned this condition, her expression turned cold.

In order to have the Qu family as her backer, Qu Ru was willing to agree to anything. She quickly said, “I will definitely listen to Grandma and won’t do anything bad again.”

Old Madam Qu nodded in satisfaction when she received the affirmative response.

Mo Rao and Mo Yuan watched Qu Ru’s act the entire time. No matter what she promised, Mo Rao would never believe her again.

Back then, Qu Ru had used her innocent appearance to deceive Fu Ying. Moreover, Qu Ru was the culprit behind her children's death. She would never forgive her.

"Mo Rao, you're my cousin from now on. In the future, let's forget about the past and be filial to Grandma together." Qu Ru looked at Mo Rao seriously.
