

## Leveling 201

### Chapter 201 Thorough Eliminate

After he finished off all of the elders, Yi Tianyun walked over toward Wang Family Head and looked at him with an ice-cold glare.

“Who are you? Why are you doing this to us? What have we ever done to you!” Wang Family Head said desperately. He lost the family that he built from scratch himself! There was nothing that he could do anymore, with almost all his men being wiped out and all the buildings filled with all his wealth and treasures collapsed, there was no coming back from this.

“If you really need a reason, then I can give some reason for you. ‘Lin Li’ is that good enough reason?” Yi Tianyun said sarcastically.

“Lin Li provoked you? He is not part of our family! He is from the Divine Rune Mansion! You misdirect your anger here!” Wang Family Chief said desperately.

“Are you really that stupid? Of course, Lin Li isn’t alone in his stupid action. There is a pair of brothers helping him under your order, Wang Qing and Wang Shui, do those names ring a bell? or are you gonna say that you’re amnesia?” Yi Tianyun said sarcastically.

“Wang Qing Elder? Wait! Are you that brat’s associate?” Wang Family Head said, shocked from the truth in front of him.

“No, of course not!” Yi Tianyun said while taking off the Hundred Transformation Mask covering his face.

“It’s you!” Wang Family Head said with a bulging eye.

“Who else do you think would attack you? Or do you have that many enemies?” Yi Tianyun said mockingly.

“Let this be a lesson not to provoke anyone you don’t have any clue about later in your next life!” Yi Tianyun said while signaling his dragon to come over.

“Wait! You can’t do this! I am one of the Family Head of Star Pavilion! If you kill me, Star Pavilion won’t let you live!” Wang Family Chief said desperately.

“Do you think anyone would recognize me?” Yi Tianyun said while putting back his Hundred Transformation Mask, changing his face once again.

“YOU FUCKER!” the last word Wang Family Head shouted before his death as the black dragon burned him alive,

‘DING!’

‘Successfully killed Wang Family Chief!’

‘Reward: 270.000 Exp, 3.600 Crazy Points, 1.000 Divine Rune Proficiency Mastery Points, 100 Sin Points, Cloud Waves Palm Martial Art, Heavenly Wind Fist, 1x High-Grade Divine Rune Paper, 100.000 Exp Pill’

Destroy Wang Family wasn’t even that hard for Yi Tianyun, and it didn’t take too long. There was nothing that hinders Yi Tianyun action for now, yet he couldn’t help but think that this would get messy if Wang Family successfully requested for the support!

Sure, Yi Tianyun wouldn’t be afraid of the incoming support, but it would complicate things in the future!

Yi Tianyun shook his head and proceeded to collect every storage ring he could find and any good treasure in the buildings.

He knew that Heavenly Jade Sect was still missing a lot of resources to become a 3rd Grade Faction, so he needed to find a lot of resources!

After he was done searching the place, he unsummoned the black dragon and flew off the vicinity using his phoenix wings.

Once Yi Tianyun flew off far away from the place, support from Star Pavilion finally arrived at Wang Family's residence. They were all stunned, seeing the place was in shamble! There was nothing usable left from the building, and there were so many burnt corpses on the ground and burnt marks all over the place.

"What the hell is this? This is not an ordinary flame! It's an Alchemy Master flame or Blacksmith Master's flame! Why would Wang Family provoke such a person?" One of the Star Pavilion elders said as he investigated the place.

"That is still unclear! But there is no more Wang Family for sure! I need to get back and report this as soon as possible! We can't find any info about the attacker. Still, as the fact goes, there is no one in our level dare to provoke Star Pavilion, as so this must be done by stronger faction!" Another one of the Star Pavilion elders said seriously.

"Is it the empire?" another elder said worriedly.

"It can't be, why would Wang Family provoke the empire? I don't think they are that stupid." The first elder said hastily.

They all simultaneously shook their heads and leave the vicinity to get back and report on what they have seen.

Soon enough, the news about Wang Family being wiped out was spread all around, causing some mockery toward Star Pavilion. This news angered Star Pavilion to a tee! This is like a blow to the face as Wang Family was one of their main subdivisions.

Star Pavilion soon enough, sent a search order to find any sort of information about the one behind Wang Family's destruction! They imprisoned anyone resembling the description provided by some eyewitness. At the end of the day, they issued a wanted poster providing all the information about the attacker as they couldn't find him anywhere!

'Wanted: 27-Year old cultivator with unknown cultivation base. Has a Black Dragon Divine Beast as his mount. If you can provide any information regarding this person, you will receive rewards from Star

Pavilion! Anyone who could personally capture the said person, you will receive a High-Grade soul tool, 5th Grade Medicinal Pill, 1.000.000 Gold! Dead Or Alive!

Yi Tianyun read over the news with a smile, as he knew that this news was completely unusable!

## Chapter 202 Empire Goddess

After Yi Tianyun crushed the Wang Family, he quickly returned back to the Inn where two sisters and Ren Zhirou were waiting.

“Elder Yi, are you alright?” Yi Yuwei asked worriedly, Yi Yuxuan was also looking at Yi Tianyun worriedly!

“Of course! Why wouldn’t I be?” Yi Tianyun said casually. After he looked around, he noticed that Ren Zhirou wasn’t in the room like the two sisters.

“Where did Miss Ren go?” Yi Tianyun asked the two sisters.

“She is standing outside, I don’t know why she did that. I am struggling to ask her to just stay in the room as she seems a bit cold.” Yi Yuwei said with an embarrassed face.

Yi Tianyun headed out to the balcony where Yi Yuwei said she would be.

“Miss Ren, why are you standing outside here, all alone?” Yi Tianyun asked kindly, with a smile on his face.

“I remember something when I saw you fighting earlier. I remembered where my family is! I think I’m starting to recall the memories of my brother.” Ren Zhirou said while looking at the distance.

“Now, you know that I am not your brother right.” Yi Tianyun said with a kind smile.

“Yeah, I know that now. But you are very similar to him in a way. You are kind and honest, and something about you just reminded me of my brother. Usually, he would wait for me to wake up, but I don’t know why he didn’t wait for me this time.” Ren Zhirou said with a sad face.

“Hmm, it’s obvious that something big must’ve happened. That place has been secret and untouched for a long time, I think.” Yi Tianyun speculated as he found it quite unusual too.

“Well, I must find out what happened. I can’t speculate about what happened without seeing it myself! I shouldn’t waste any more time, I must leave immediately!” Ren Zhirou said with a resolved look on her face.

“You want to leave now?” Yi Tianyun asked quite surprisedly.

“Do you want my help?” Yi Tianyun asked as he felt somehow responsible.

“No, there is something that I have to resolve myself. Brother Yi, I hope that our path would cross again someday, until then, goodbye!” Ren Zhirou said while leaping into the air. A bright wing sprouted from her back, and she flew into the sky quickly.

This is one of Core Transformation cultivator’s power. They could condense their power into wings to fly!

‘DING!’

‘Successfully activated hidden chain quest [Help the Empire’s Goddess!]

‘Reward: 50.000.000 Exp, 1.000.000 Crazy Points, 200 Ren Zhirou Favourability points, [Empire God Protector] Title.’

(Quest note: your choice may affect the pattern of the quest. Completing the quest may affect the future!)

Yi Tianyun was surprised after he saw the quest. Ren Zhirou was the Empire's Goddess? Also, the quest completion may affect the future? This was his second quest, which will have an enormous impact!

This quest was even more ominous, as the empire's rules were very strict, and not everybody had the chance to go in and out easily! He must think carefully whether to do this quest or straight up ignored it, as his surrounding situation would be affected as well.

His last quest didn't affect his immediate surroundings that much, as he only released Ye Qingxuan from her prison. It's her choice that would affect the world not him!

"No wonder she is so powerful! She is the Empire's Goddess!" Yi Tianyun said while shaking his head.

Yi Yuwei approached Yi Tianyun from inside and asked, "What happen to Miss Ren? Where is she?" she asked wonderingly.

"She returned home. And we should too, let's return to Heavenly Jade Sect so that you two could rest." Yi Tianyun said with a smile.

She nodded as she knew that Yi Tianyun had another thing to do here in the Heavenly Border Continent, and looking after her and her sister won't do him any good.

When they were on their way to Heavenly Jade Sect, everyone in the city was in a ruckus discussing the recent news of the fallen Wang Family and the unknown assailant riding a black dragon!

Hearing the black dragon part, Yi Yuxuan realized that the one attacking the Wang Family was none other than Yi Tianyun. She quickly realized how powerful Yi Tianyun really was!

"Let's go, there is nothing to do here anymore." Yi Tianyun said as he continued to walk toward the Heavenly New City's gate.

As they walked quite far enough from the city, Yi Tianyun hugged the two sisters, causing their faces to turn red.

“Ready to fly back to Heavenly Jade Sect?” Yi Tianyun asked as he activated his Phoenix Wing.

The two sisters both had a shocked expression as they saw Yi Tianyun’s wings.

“Elder Yi! Did you already breakthrough into Core Transformation?” Yuwei asked excitedly.

“As much as I want to say that was the case, but sadly no, I am not a Core Transformation cultivator just yet. Hold that thought for later, now you have to bear the wind a little bit, we will arrive at Heavenly Jade Sect in no time!” Yi Tianyun said with a smile.

He didn’t want to use the black dragon to fly just yet, as Star Pavilion was on the lookout of any figure riding on a black dragon. He didn’t want to lead the suspicion back to Heavenly Jade Sect!

The two sisters looked at each other excitedly as they would be flying in Yi Tianyun’s embraces.

As Yi Tianyun saw the two sisters smiling at each other, he couldn’t help but felt that there was something funny about him now.

## Chapter 203 Tender Feeling

With the Phoenix Wing, Yi Tianyun arrived at Heavenly Jade Sect not that much slower than using the black dragon. The thing is, these wings weren’t at their best just yet. If Yi Tianyun reached Core Transformation Stage, his flying speed would be enhanced 3 times by his wings effect! Which was so much faster than any winged creature!

As he landed, Yi Tianyun put down the two sisters and went inside the Heavenly Jade Sect. As he came in, he realized that the amount of disciple strolling around has increased!

“Elder Yi! Elder Zhu!” The disciples shouted as they walked in.

“You all have to call me Elder Yu in the future, as it might be confusing later if you use my surname.” Yuwei said while chuckling.

“Okay, Elder Yu!” They all shouted excitedly. They didn’t think of it that much as they don’t know that Yuwei changed her surname to Yi just yet.

Yi Tianyun only shook his head in defeat, the two sisters already made up their mind about the name, so he could only support their decision as best as he could, by allowing it!

“You are back!” Shouted Shi Xueyun as she walked to the front hall.

“I am back!” Yi Tianyun said with a smile.

“Oh yeah, this is Yi Yuxuan! Yi Yuwei’s sister.” Yi Tianyun said introducing Yi Yuxuan to Shi Xueyun.

“Nice to meet you, Palace Lord.” Yi Yuxuan said respectfully.

“It’s okay, you don’t need to be so formal to me here, you are free to do what you want around here.” Shi Xueyun said with a smile to Yuxuan.

“Now, how come I never receive any news about you?” Shi Xueyun said while puffing her cheeks to Yi Tianyun.

Yi Tianyun immediately explained everything to Shi Xueyun as he didn’t want to get lectured by her later.

Yi Yuwei helped by adding some information, as Yi Tianyun explained to Shi Xueyun.

“Now, aunt, I intend to make her an elder, the same as her sister, but I am afraid that it would cause some dissatisfaction among the disciples due to special treatment! So, I would like her to start from Deacon and she will climb to an elder position with her own skill. I believe that she would be qualified to do so!” Yi Tianyun said to Shi Xueyun regarding Yi Yuxuan status.

“Elder Yi, there is no need for that! I would gladly help Yuwei here in Heavenly Jade Sect, there is no need for any status! I am already glad that Heavenly Jade Sect wants to take me in.” Yi Yuxuan said as she didn’t want to cause a misunderstanding later about her status here in Heavenly Jade Sect!

“Nah, that is too stupid for us to neglect you like that! If Elder Yi said that you have the qualification to be an elder, then you are already an elder! But as to honor others, I agree with Elder Yi, you should start from a Deacon and work yourself to an Elder title.” Shi Xueyun said casually.

“Thank you so much, Palace Lord!” Yi Yuxuan said while bowing her head, showing great respect toward Shi Xueyun’s decision. She would certainly make an all-out effort for Shi Xueyun, to prove her that her decision wasn’t wrong!

After Yi Yuxuan’s problem was resolved, Shi Xueyun took a glance at Yi Tianyun.

“You are really skillful! Every time you come back, you successfully bring back another pretty lady!” Shi Xueyun said while pouting.

“Aunt, don’t put it like that! You make it like I was some kind of womanizer!” Yi Tianyun said helplessly.

“Haha, it’s just a joke, obviously! It doesn’t matter who you bring back as long as you come back safely!” Shi Xueyun said warmly.

Yi Tianyun only nodded and asked whether she has broken through her cultivation stage or not.

“Sure, I did! If I don’t breakthrough quickly, I should be ashamed as a Palace Lord!” She said while showing a little bit of her Spirit Core aura to Yi Tianyun.

“Don’t work too hard, aunt! You still have me don’t you!” Yi Tianyun said worriedly.

“Even though I have you, I still want to be stronger! I can’t let yourself carry all of the weight of this sect! how could I lead Heavenly Jade Sect to become much more powerful, if I am not strong!” She said boldly.

Yi Tianyun nodded, and he immediately remembered something. He quickly reached inside his inventory and gave Shi Xueyun the storage ring that Lin Li gave as a reward earlier, and Yi Tianyun used it as a place to store the loot from Wang Family. Although he was sure that there was something worth it to convert to Crazy Points, he still gave it all to Shi Xueyun.

Shi Xueyun took the ring, and without seeing the content of the ring, she put it in her pocket!

“Why don’t you see it first, aunt? Don’t you wanna know what is inside?” Yi Tianyun ask her, surprised she didn’t even bother to check!

“Silly! You obviously work too hard!” Shi Xueyun said while knocking Yi Tianyun’s head lightly and hugged him afterward.

“If it’s for you and Heavenly Jade Sect’s sake, there’s no such thing as too hard!” Yi Tianyun said while smiling lightly. Shi Xueyun was moved by Yi Tianyun’s word, she feels loved. This word almost made her shed tears.

“It seems that you are no longer the little boy that I need to protect anymore!” Shi Xueyun said while sighed to hold her tear.

“Is it not natural that when a kid grows up, he will protect the people he loves?” Yi Tianyun said playfully.

The two exchanged some warm words a little bit more, and they immediately went to do their own job afterward. There was still so much to do for both of them that quality time together was no longer easy to do.

Yi Tianyun walked toward the front door to start repairing the 5th Grade Great Array of Defence.

“Master, are you finally going to fix the great array?” Old Xuan asked when he suddenly appeared beside Yi Tianyun.

“Yeah, is there a problem?” Yi Tianyun said with a smile.

“No, but, if you fail, there is so much thing that may go wrong, you know.” Old Xuan said, unsure how to say it directly to Yi Tianyun.

But as Old Xuan speaks, Yi Tianyun already started repairing the great array.

When Old Xuan was finally able to convey his word, Yi Tianyun already finished repairing the great array.

“Is that so? What happens if I fail?” Yi Tianyun said while smirking toward Old Xuan.

Old Xuan, who finally saw that the great array was already fixed, only stared at Yi Tianyun speechless!

#### Chapter 204 Heaven’s Top Mansion

After Yi Tianyun repaired the 5th Grade Great Array, the Spiritual Power in Heavens Immersing Ancient Ruins has dramatically improved!

“Impressive, as expected of young master! with this Defence Great Array fixed, our Heavens Immersing Ancient Ruins would be able to endure a Core Transformation cultivator’s attack!” Old Xuan said while smiling joyfully.

This fact given by Old Xuan shocked Yi Tianyun a little bit. Now, he wouldn’t worry too much if Jade Sect was under attack, and he was not around!

Yi Tianyun only wondered, how did Heavens Immersing Ancient Ruins when looking in its prime time, it must be something really amazing!

“Young Master, you really can fix all of this Great Array?” Old Xuan said while still looking at Yi Tianyun in awe. No master before Yi Tianyun was able to fix any of this Great Array, so, just by having Yi Tianyun himself fix the Great Array, this place wouldn’t be called Heaven Immersing Ancient Ruins anymore, but this place would be Heaven Immersing Palace!

“With a little bit of training, sure! I will be able to fix all of this.” Yi Tianyun said with a smile.

Old Xuan was speechless! Yi Tianyun has been an incredible Master for this place, and Old Xuan was excited to see how much will Yi Tianyun improve for the sake of this place in the future.

Yi Tianyun spent a couple days in the Jade Sect to see the improvement within the Jade Sect. He found out that the Sect was well managed and the disciple’s cultivation has vastly improved. There was a huge amount of Spirit Refinement disciples and gradually, disciples and elders managed to break through to Core Condensation. The problem to promote the Jade Sect into a Jade Mansion was the amount of Spirit Core Stage Expert was nowhere near the standard amount.

It was only Yi Tianyun and Shi Xueyun at this moment who already broke through into Spirit Core Stage!

“There seem to be no issues here, the management was really on point!” Yi Tianyun said, feeling satisfied.

When he walked around the place, he noticed Jiu Lingyun sitting and teaching many disciples about the Divine Rune Mastery. She taught new disciples passionately. She has already reached the 2nd Grade Divine Rune Master!

This management was all thanks to Yi Yuwei, she made a system where the disciples would be directed based on their respective talent, in this case, Jiu Lingyun was the Divine Rune.

Yi Tianyun nodded his head and walked around again, he felt that there was nothing he could do in the Jade Sect for now, so Yi Tianyun thought that this may be the right time to travel to Heaven’s Top Mansion now. There is the invitation to VIP dinner by the Star Pavilion Lord. He had to go soon.

After saying his goodbyes with Shi Xueyun, he used the phoenix wings to fly to the Heaven’s Top Mansion.

Heaven’s Top Mansion wasn’t that far from Star City so he knew the general direction. After flying for two days, he finally saw the nameplate of Heaven’s Top Mansion.

“I finally arrived!” Yi Tianyun said with a sigh of relief. He looked into the building and found it very captivating. Their downfall was because of the lack of resources, and so many disciples were hitting the slump and couldn’t breakthrough.

As he walked through the gate, a disciple stopped him and asked him what he was doing in the place.

“I came to see He Qianhan.” Yi Tianyun said politely.

“Do you have an invitation token?” The disciple asked.

“Sure!” Yi Tianyun said while pulling out the token He Qianhan gave to him and handed it to the disciple.

The disciple nodded and invited Yi Tianyun inside to meet He Qianhan.

As they walked inside, the disciples outside sighed. They thought that He Qianhan invited another trash into Heaven’s Top Mansion.

Yi Tianyun heard all of it, but he didn’t react to it as he was avoiding to make a bad impression.

After passing through the long walkway, he arrived at Heavenly Runes Palace. Yi Tianyun saw that more disciples passed through this room compared to the other rooms along his path. After entering, he noticed that this room also served as a Quest Hall.

“No wonder this room was so lively.” Yi Tianyun said to himself.

Any big faction’s disciple was required to complete a certain amount of quest, if they don’t finish the required amount, they will receive some type of punishment!

As he scanned the room, he saw a check-in counter with a familiar figure standing to hand in their Quest Token. It was none other than Yang Zhaouxue that he encountered on the sea back then.

As Yang Zhaoxue finished, Yi Tianyun stepped forward and gave his invitation token to Yang Xixue.

“I am here to meet with He Qianhan, would you let me meet her?” Yi Tianyun said politely.

Yang Xixue looked at Yi Tianyun with a surprised look on her face. “Deacon He recommended such a young fellow?” Yang Xixue said with a surprised look.

“Is there a problem?” Yi Tianyun asked.

“No, there is no problem. Come with me, I will test your skill.” Yang Xixue said while standing up and directing Yi Tianyun to Deacon He place.

“What?” Yi Tianyun said, surprised. What kind of test was she planning to do? Did she want to make him a disciple of Heaven’s Top Mansion?

## Chapter 205 Maze Assessment

“You don’t know about the test? Didn’t Deacon He tell you about it when she recruited you?” Yang Xixue said with a doubtful look on her beautiful face.

“I really don’t know about it, but Deacon He is here, right?” Yi Tianyun asked.

“Deacon He hasn’t come back yet, it’s been a while since she left. Maybe you could meet her in a couple of days, but you need to pass the test first!” Yang Xixue said with a frown on her face.

“If you pass the test, then you can call me your senior sister!” Yang Xixue said cheerfully.

Yi Tianyun frowned a little bit, how could she suggest a stranger become a disciple just like that? How did Deacon He trust people so easily? Many questions litter Yi Tianyun’s mind as Yang Xixue kept talking cheerfully.

Yi Tianyun wanted to reject the offer at first but seeing Yang Xixue being so cheerful, he kind of let himself being dragged by the flow.

Yang Xixue took him to the Divine Rune Pavilion and walked around it to the mountainside with a dense forest in front of it.

“Xixue, what are you doing here?” A young man came from behind and asked Yang Xixue suddenly.

“Please stop calling me so intimately, you will cause misunderstanding in the future!” Xixue said coldly.

“What are you talking about? You are my fiancée! I could call you whatever I like.” Feng Yulong said casually.

“I never said yes to any of it! Our fathers decided it for themselves, I will not marry anyone weaker than me! It’s pointless to do so!” Yang Xixue said coldly.

Yi Tianyun immediately understood that Yang Xixue was a woman who set her goal high! She had her own qualification on things and she has a temper too.

“This was the decision of our families, you think you can break this agreement just like that? Think about it again before you speak woman! Now, what is the deal with this brat? Why did he follow you here?” Feng Yulong said with a reprimanding way.

“Whatever you said won’t change my decision! And he is the new junior disciple recommended by Deacon He, he is here to do the test!” Yang Xixue said indifferently.

Feng Yulong looked at Yi Tianyun, assessing his feature.

“Isn’t he too young for that? He would never pass the maze!” Feng Yulong said with a frown.

“I suspect that he is here to steal things from us! Deacon He must have made a mistake!” Liao Wen, who came with Feng Yulong finally speak.

Yi Tianyun really didn't like the condescending tone thrown at him by these two, but he chose to remain silent for now.

"It doesn't matter how old I am, I just want to hurry up and finish this test! If you can't do it in your age, that's not necessarily the case for others!" Yi Tianyun said indifferently.

"You are quite arrogant for a brat, aren't you? Well, we will see how do you fare on the maze later. Don't blame us if you couldn't find the exit and die inside the maze!" Feng Yulong said with a sneer.

"I would make it more interesting for you. If you can walk out in 1 hour, I would walk backward for the rest of the day!" Feng Yulong said while smirking to Yi Tianyun.

"Yeah, if you could do that, I would walk with my hand!" Liao Wen said, agreeing with Feng Yulong.

"Very well then! I will see you guys walk backward and with your head down later!" Yi Tianyun said indifferently.

"Now, all I got to do is cross this maze for the test, right?" Yi Tianyun asked Yang Xixue for confirmation.

"Yes, that is true! There is no time limit for this test, but your time would affect the result." Yang Xixue explained the rules to Yi Tianyun.

Yi Tianyun nodded his head to Yang Xixue and started to walk inside the maze.

"Brother Feng, this brat is too arrogant! He thinks this maze would be that easy to pass!" Liao Wen said, looked a little irritated by Yi Tianyun's attitude.

After Yi Tianyun entered the maze for quite some time, the three of them followed him from behind. Yang Xixue being the first of the bunch to walk in, as it was her responsibility to save the newcomer if they somehow weren't able to finish the maze.

Yi Tianyun, however, was already quite far away from the entrance. With his Divine Rune capability, he quickly knew about the ins and out of the maze and found the exit.

“This Maze Forest was truly unique, but this was nothing for me! With me already in 5th Grade Divine Rune Master, this maze is easy!” Yi Tianyun said to himself while sighing and continued to move toward the exit.

## Chapter 206 You Have To Walk Backward

Yi Tianyun found the exit in no time and immediately walked out of the forest maze. The scenery he saw right after was stunning. There were so many flowers with a different color in the garden, and the decoration was exquisite too.

“I’ve never seen you before, please show us your token!” The guard said suddenly as they saw Yi Tianyun.

Yi Tianyun took out the token given by Deacon He and showed it to the guard.

“This is not a disciple token. This is a recommendation token! And it seems that you are recommended by Deacon He. Oh, wait! It seems quite different, this is not a recommendation token, it is a...” The guard didn’t have the time to finish his sentence as Yang Xixue and the other two walked out from the maze.

“You’re already here?” Feng Yulong said shockingly, he was surprised to see Yi Tianyun was already here.

The speed Yi Tianyun showed wasn’t natural, it may take a couple of hours for the first-timer to cross the maze. People like Yang Xixue and Feng Yulong already memorized the route of the maze and could cross it without wasting any time.

“What can I say it is not that difficult after all!” Yi Tianyun said indifferently to Feng Yulong.

“With that out of the way, I am looking forward to your promises!” Yi Tianyun said sarcastically.

“This is impossible! You must have cheated!” Liao Wen said without thinking.

“Then, how would you suggest I cheat with?” Yi Tianyun said challengingly.

“You must have been here before! So, you already knew the path to cross the maze!” Liao Wen said, still not thinking about how illogical his words sounded.

“Did you even hear yourself? Yeah, I have been here with a different body! That way, no one here will recognize me!” Yi Tianyun said sarcastically.

Liao Wen’s face turned red from his stupid assumption, it was embarrassing to talk without thinking first!

“Do you mean that he is faster than you even though he was a first-timer?” The guard said, looking quite surprised.

“Yes, it seems so.” Yang Xixue said while looking quite excited at Yi Tianyun.

They knew that the maze itself wasn’t providing that much difficulties, but for first-timer, it was supposed to be a little bit complicated and took a little bit of time to finish.

“Did I pass your test now?” Yi Tianyun said lightly to Yang Xixue.

“Of course! Welcome to Heavenly Runes Pavilion!” Yang Xixue said excitedly.

“Don’t get ahead of yourself! With merely that level of ability, you should watch yourself, kid! Don’t touch what isn’t yours, or you will found yourself on quite a pickle later!” Feng Yulong said as he started to walk inside the pavilion.

Yi Tianyun knew that Feng Yulong was just jealous of him, but Yang Xixue didn’t strike Yi Tianyun’s interest and now, with Feng Yulong’s threat, it just took too far!

“Wait, don’t you forget something? Remember that you said you would walk backward if I pass under an hour?” Yi Tianyun said while pointing his finger to Feng Yulong.

“And you would walk with your hands, right?” Yi Tianyun points his finger to Liao Wen this time.

“Do you wanna die, kid?” Feng Yulong said as he looked at Yi Tianyun for condescending him.

“Feng Yulong! You can’t even keep your own words! How could you even say yourself a man!” Yan Xixue said sarcastically. She heard Feng Yulong threatening Yi Tianyun, so, she chose to help Yi Tianyun a little bit.

“Did you just defend this piece of shit?” Feng Yulong said while looking quite stunned. He doesn’t think that Yang Xixue would help Yi Tianyun as she didn’t really know him.

“Don’t you worry, I wouldn’t lay my hands on him. After all, this is Heavenly Runes Pavilion! Not some village in the mountain! But I couldn’t say the same about others!” Feng Yulong said while sneering to Yi Tianyun.

The word said by Feng Yulong left Yi Tianyun frowning. If what he said was true, then there is not much unity in this sect. Which would make this sect has no future!

“You know that you should think before you speak, right?” Yi Tianyun said challengingly toward Feng Yulong.

## Chapter 207 Spreading

“Something wrong with what I said? I can say whatever I want, if you have a problem with that, I’ll be glad to take you on any time!” Feng Yulong said while sneering to Yi Tianyun.

“You should follow through your word if you really think you’re a man!” Yi Tianyun said sarcastically.

“Wipe that smug off your face, You have yourself a duel!” Feng Yulong said as he prepared his stance.

“No problem with me!” Yi Tianyun said indifferently.

“Good!” Feng Yulong said as he threw a punch with all of his might.

Yi Tianyun saw this attack coming and quickly parried Feng Yulong’s fist and slapped Feng Yulong in the face!

Feng Yulong was thrown several feet to the side while spinning in the air. He was stunned by this attack, as he wanted to stand, his vision was blurred and he was so dizzy that everything was spinning in his eyes.

Everyone in the scene was shocked! They never thought that Feng Yulong would lose by one hit! He is in Seventh Level Spirit Refinement, which meant that Yi Tianyun was even higher than that!

“How dare you hit Brother Feng!” Liao Wen said while rushing to help Feng Yulong stand up, “You will regret ever doing this!” he added as he took Feng Yulong to leave the area.

“We will see.” Said Yi Tianyun indifferently.

After they left, Yang Xixue walked toward Yi Tianyun with a shocked expression on her face.

“You really hit him! This is not good! Feng Family will come after you now! But don’t you worry, I will try to solve this matter peacefully!” She said with an anxious tone.

“It’s okay! You don’t have to do anything, I don’t care about those weaklings!” Yi Tianyun said indifferently while shaking his head.

Seeing Feng Yulong’s attitude, there was no wonder that Heaven’s Top Mansion steadily headed for their downfall.

Scaring every newcomer away wasn't very wise. Even if the newcomer wasn't scared, they wouldn't stay there for too long.

Yang Xixue immediately took him inside and arranged his new room, as well as handing him his new identity token. She explained that this token was the identification used around Heaven's Top Mansion. He shouldn't lose it as there would be punishment for those who did.

After she was done settling Yi Tianyun in, she left to finish another affair. She didn't know Yi Tianyun. Therefore there was no other reason for her to stay.

If Yi Tianyun wore the face he used back then when he saved Yang Xixue in the sea, she would be surprised!

Yi Tianyun didn't stay at his room that long as he didn't plan to stay at the Heaven's Top Mansion for too long either. He decided to walk outside and see the place a little bit closer because so far, Yi Tianyun wasn't impressed! If there are more people like Feng Yulong, this sect was really unfortunate!

After walking out of his room, Yi Tianyun was immediately welcomed by an excited young man waiting around the corner.

"Hey, brother! I heard that you break the record for the fastest to cross the maze! On top of that, you even took out Feng Yulong! You are amazing!" The young man said excitedly.

Yi Tianyun wasn't surprised by this. He knew that the guard would brag about him to anyone!

Yi Tianyun also knew that not everyone will believe this story. There would be some who felt skeptical of the story as it was something hard to believe.

"I don't think that what I do is that incredible. Is it really that amazing?" Yi Tianyun humbly replied.

"There is indeed a person that is faster than you, but as young as you, there is no one! Now, tell me how old are you!" the young man said, still quite energetically.

"I am 17, I would be 18 in a few months." Yi Tianyun said politely.

"Wow! Only 17 years old and you've already done incredible things!" The young man shouted excitedly.

"Oh, I am sorry. My name is Yang Yu, and I am ranked 83rd in the Heavenly Runes Pavilion. Everyone already knew your name, Yi Tianyun, right? It is a good name to have!" Yang Yu said while giving his hands to Yi Tianyun to shake.

Yi Tianyun shook his hand out of politeness and asked about the rank Yang Yu mentioned, he didn't know about these ranks as Yang Xixue never explained it to him.

"That is quite usual, come with me! we will go to the central square now and take a look!" Yang Yu said while walking quite quickly to the central area.

When they arrived, Yi Tianyun saw a stone tablet with many wooden signs hanging on it.

As Yi Tianyun came closer, he realized that the signs were a name, he immediately searched for his name and saw it hanging on the 81st rank.

A little higher than Yang Yu. He also noticed that Heavenly Runes Pavilion didn't have that many disciples as Yi Tianyun could only see a total of 130 names hanging on the stone tablet.

Yang Yu explained that ranking was related to one's achievement. Maze test was one of them. That said, if Yi Tianyun wanted to improve his ranks, he needed more achievements, and thus he would get a better position inside the Heaven's Top Mansion.

However, Yi Tianyun wasn't motivated at all. If he showed everyone his real capabilities, he would immediately achieve a high ranked position!

For now, his goal was to see how strong was Heaven's Top Mansion's disciple!

“Eighty-one, pretty low...”

Yi Tianyun frowned a little bit after seeing his own ranks on the list, he thought that the number was too low for such a quick finish on completing the maze.

“Are you not satisfied?” Yang Yu said after seeing Yi Tianyun’s frowning face.

“No, it’s too low for me!” Yi Tianyun said casually, “And what are you trying to do by approaching me while you said it yourself that there is no one dares to come near me.” Yi Tianyun said indifferently.

“Nothing, I’m just trying to be friendly, and know more about you.” Yang yu said while rubbing his hands, looking nervous.

“If you don’t want to say it, that is okay. But, stop following me!” Yi Tianyun said while turning his body, ready to leave Yang Yu behind.

“Wait! I will explain!” Yang Yu said hurriedly.

“Okay, I will listen.” Yi Tianyun said with a light smile.

“I have a grudge Feng Yulong! There I said it! I couldn’t beat him, so when I heard that there is someone who does, I just couldn’t help myself to befriend that person! So here we are, you can count on me for information about Heavenly Runes Pavilion, I even know things that could help you in Heaven’s Top Mansion. So, there is nothing to lose right?” Yang Yu said while looking a little nervous waiting for Yi Tianyun’s response.

“How could you know so much, while you are still a mere disciple?” Yi Tianyun said while looking a little bit unsure.

“That’s a given, I am from the Yang Family after all, so I got a lot of information whether I need it or not.” Yang Yu said confidently.

“Is that so? Is there any relation between you and Yang Xixue? You both have the same last name.” Yi Tianyun said curiously.

“Yeah, she is my sister! That is one of the reasons that I hate Feng Yulong! He is nowhere near enough to be my sister’s husband! Because of him, Feng Family pushes my sister to marry soon!” Yang Yu said passionately.

“I doubt that Feng Yulong would let you be from now on, he would be conspiring with his family to get back at you for sure. The entire Heaven’s Top Mansion could do nothing to help you if that happens.” Yang Yu said solemnly.

“Well, if they want to come to me, sure! I will handle them.” Yi Tianyun said indifferently.

Yang Yu burst on laughter after seeing Yi Tianyun’s smug look, “You are too confident of yourself.” Yang Yu said between laughter.

“Sure, why not!” Yi Tianyun said with a light smile, “So, where do you go to cultivate around here?” Yi Tianyun added as he wanted to try cultivating here.

“Hmmm, you’re supposed to go to Heavenly Soul Tower. You could go in there a couple of times in a month.” Yang Yu said, explaining the place to Yi Tianyun.

“Okay, I guess I would check that place next. Are you coming?” Yi Tianyun said casually to Yang Yu.

“Me? You invite me?” Yang Yu said while looking surprised.

“Sure, why not! You could say no if you have somewhere else to be.” Yi Tianyun said while shrugging his shoulders.

They walked toward the Heavenly Soul Tower and when they arrived at the front door of the place, Yi Tianyun looked at the building and he noticed that it had five floors from the look of it. It seemed that the cultivation area was divided into five.

They entered the front door and saw an elderly man was sitting on the side.

“Deacon Huang, we are here to cultivate!” Yang Yu said loud enough for the old man to hear.

“Alright! But you already used up your quota boy! As for you, I need to see your Identity Token!” Deacon Huang said casually.

Yi Tianyun quickly pulled out his identity token and showed it to Deacon Huang.

“You are the newbie that made a new record, no? you are welcome to cultivate here on the 1st floor.” Deacon Huang said cheerily.

“No, I want to see the 5th floor.” Yi Tianyun said casually.

Deacon Huang and Yang Yu were surprised to hear Yi Tianyun’s request. They never heard a newcomer wanted to enter the highest floor at first try!

## Chapter 209 Fifth Floor

“Are you serious? You didn’t have any experience whatsoever! You will not be able to hold the pressure for more than a day! You will not receive anything except injuries there!” Deacon Huang said with a surprised tone.

“Thank you for your advice, Deacon Huang. But I will be up there for 10 days.” Yi Tianyun said casually.

“Wait, what? 10 days? Are you sure you want to do this? Only the top 15 of our disciples were able to stay that long, you know.” Deacon Huang said quite unsure of Yi Tianyun’s action.

“I am sure of this decision, Deacon Huang. I hope that you are okay with it as I will accept all responsibilities myself.” Yi Tianyun said with a serious expression.

Deacon Huang sighed at Yi Tianyun’s headstrong decision.

“Okay, I will permit you to cultivate on the fifth floor for 10 days. Your quota for this month would be all used up, and if you aren’t able to hold the pressure up there, you may go down, but if you did, your remaining time would be expired. Understood?” Deacon Huang said with a serious face.

There was a reason why Deacon Huang didn’t try to stop Yi Tianyun from advancing to the fifth floor anymore, and that reason was the Spiritual Talisman that would be given on the first floor for the newcomer. This Spiritual Talisman will serve as a device to concentrate the Spiritual Power inside the Heavenly Soul Tower. Without this item, only a selected few could withstand the pressure of Spiritual Energy up there.

“Holy Shit, Brother Yi! Are you sure you would go up there? You can faint the moment you enter that floor, you know!” Yang Yu said with a surprised face.

“Of course, I wouldn’t joke about this.” Yi Tianyun said with a smile on his face.

“I know you’re not joking around, but please consider your decision here, brother. There is a reason that people don’t go over there recklessly, you know.” Yang Yu said as he continued to persuade Yi Tianyun to change his decision.

“It’s okay if I faint up there, it will be a good lesson not to underestimate things.” Yi Tianyun said while the smile still didn’t leave his face.

Yi Tianyun took the talisman on the table beside Deacon Huang and advanced to the fifth floor immediately.

As Yi Tianyun got up, the Spiritual Pressure was getting more intense. As he arrived in front of the fifth floor, he quickly entered and saw that several people were meditating scattered around the room.

He quickly took his position in the corner of the room and quickly transferred a little of his Spiritual Energy to the talisman to activate it. As soon as he activated it, the talisman shone and Yi Tianyun was hit by the sudden impact of Spiritual Energy concentrated around the talisman.

But as he suspected it, the impact wasn't as intense as he thought. It almost felt like a tingle over anything else. He noticed the Exp flow that the system was currently pinging.

'300 Exp, 340 Exp, 370 Exp, 350 Exp, ...'

The amount of exp he got disappointed Yi Tianyun a little bit. But he already knew that he wouldn't receive much here as the place was meant for Spirit Refinement Realm.

"This place isn't bad! If Heavens Immersing Ancient Ruins was moved here, the disciple could cultivate their Divine Rune Mastery here." Yi Tianyun said as he was somewhat satisfied that the disciple could cultivate better in the future.

Yi Tianyun immediately raised his head from the meditating position and immediately looked around to see if there was any excellent disciple that was currently cultivating here.

Sure enough, Yi Tianyun noticed Yang Xixue among other disciples.

Yi Tianyun quickly speculated that she quickly leave the arena so she could cultivate here instead.

Yang Xixue opened her eyes as she felt that someone was staring intensely at her. She quickly noticed and was surprised knowing that the one who was staring at her was none other than Yi Tianyun. In fact, she was not the only one that was aware of Yi Tianyun as everyone else noticed him too.

Not many people looked at Yi Tianyun with surprise on their eyes. Some were looking at him strangely as others looked at him in disdain.

"This newcomer really is cocky! I bet that he would faint or leave in one day!"

“One day? You’re overestimating him! I bet that he would leave in half a day!”

The experts looking at Yi Tianyun with disdain began to murmur among themselves.

They were convinced that Yi Tianyun would give up soon!

This disdain came from the news about Feng Yulong being beaten to a pulp by Yi Tianyun.

They thought that Yi Tianyun was nothing but a bothersome individual for attacking one of the highest status disciples in the Heaven’s Top Mansion!

Chapter 210: Duel

“What are you doing here? This place could constrain you mentally!” Yang Xixue said as she quickly approached Yi Tianyun.

“What pressure? Didn’t you see I am cultivating just fine?” Yi Tianyun said with a light smile.

As she didn’t have anything else to say, she chose to cultivate near Yi Tianyun as she would be able to help him if he fainted.

The news about Yi Tianyun challenging the fifth floor was quickly spread among the disciple of Heaven’s Top Mansion. Many of them came to see for themselves as they didn’t believe the news at first.

Jia Ping, one of Liao Wen companion, sneered as he knew that Yi Tianyun challenged the highest floor. He immediately came over and took one of the talismans as he entered the fifth floor.

Seeing Jia Ping entering the place, Yang Yu immediately warned Yi Tianyun to be careful as he had a bad feeling about this.

Liao Wen glanced at Yang Yu coldly as he found him being so annoying.

“Brat! You shouldn’t be here! Go away!” Jia Ping said toward Yi Tianyun.

Usually, there was a pretty strict rule about not bothering anyone when they were cultivating. But Jia Ping just couldn’t hold it, he felt the urge to avenge his companion somehow.

“Didn’t your master tell you to not bother anyone during their cultivation?” Yi Tianyun said lazily.

“I don’t have any master! But I do know that you aren’t supposed to be here!” Jia Ping said with a sneer.

“Enough! You are clearly disturbing everyone here. If you couldn’t hold it, just go out!” Yang Xixue snarled.

“Why do you help him?” Jia Ping said, bothered by Yang Xixue’s action.

“That is the truth! You are bothering everyone!” Yang Xixue snarled.

“Okay. Now, I am challenging you to a duel! What do you say?” Jia Ping said, still with the smirk on his face.

“Not interested, thanks.” Yi Tianyun said indifferently.

“You coward! Did you guys hear that? He’s too scared to accept my challenge!” Jia Ping said to all spectator watching from behind the door.

The people watching outside were running out of patience from Yi Tianyun’s cocky attitude, they booed him for not accepting the challenge.

Yi Tianyun just sighed as he didn’t like to be put in the spotlight.

“Okay! How do you wanna fight?” Yi Tianyun asked indifferently.

“That’s more like it! Now, I would like to challenge you for how many days you could stand inside this room. If I win, you will be my slave, but if you win, I will be your slave for a year!” Jia Ping said confidently.

“There is no need for that! You aren’t qualified to become my slave.” Yi Tianyun said sarcastically.

“If I win, I would slap you in the face! How about this?” Yi Tianyun said as he suggested another condition.

Yi Tianyun’s cockiness just stunned everyone, he seemed so sure of himself, but Jia Ping actually had a pretty high rank among the disciples, here on Heaven’s Top Mansion.

“Sure! I accept it, you can start now, as I would do too!” Jia Ping said as he took out the talisman that he previously took and activated it to begin his own cultivation.

Soon, Jia Ping was immersed with his cultivation that he didn’t open his eyes as he meditated. This was the opposite of what Yi Tianyun was doing.

Yi Tianyun kept his eyes open and decided to look at the Divine Runes engraved around the room.

Everyone outside was looking quite excitedly. They thought that Yi Tianyun would lose as Jia Ping had a higher rank than him. But, the most important reason was the fact that everyone kind of noticed that Yi Tianyun wasn’t really serious at all!
