Chapter 241 Netherworld Great Emperor Phantom Shadow

Yi Tianyun quickly activated all power-enhancing move he had.

He activated the X8 damage on his crazy mode, and his power exploded to 3.9 million!

He quickly took out the Frost Fist and then immediately froze Cheng Feng in place.

He knew that the Frost Fist's effect wouldn't last long, so he quickly took out the Blood Dragon's Skeleton Blade to finish Cheng Feng in one swing!

As Yi Tianyun's blade reached Cheng Feng's chest, the freezing effect broke!

Cheng Feng immediately covered his body with a golden aura, this aura was the defensive aura which was harder than metal.

It showed resistance against Yi Tianyun's blade!

But with Yi Tianyun's heightened offensive power, he was able to inflict an injury on Cheng Feng's chest!

But it was not enough to kill him.

Yi Tianyun quickly tried to attack Cheng Feng one more time, and this time, with Cheng Feng's aura already covered him completely, Yi Tianyun's blade was like slammed into a metal wall!

The sound of metal clashed was immediately heard as Yi Tianyun's blade hit Cheng Feng's body.

Yi Tianyun didn't stop!

He kept stabbing Cheng Feng's body to end his life.

After some time, Yi Tianyun activated the effect of the Blood Dragon's Skeleton Blade and then a blood dragon immediately rushed forward from the blade and pierced Cheng Feng's body.

Seeing that his opponent has the capability of piercing his defense, Cheng Feng immediately burned his own Blood Essence!

His power and speed increased considerably but he decided not to attack!

Yi Tianyun investigated Cheng Feng's sudden burst of power and saw that his combat power already rose to 3.450.000!

Seeing this power difference, Yi Tianyun immediately changed his strategy.

Yi Tianyun immediately smashed Cheng Feng up, so that he couldn't dodge his attack in the air.

Yi Tianyun quickly used the power of Blood Dragon's Skeleton Blade one more time and then, cut Cheng Feng's arm!

Cheng Feng immediately escaped Yi Tianyun's flurry of attack and then hid behind the wall.

If his defensive ability wasn't strong enough, Cheng Feng would've died by now!

Cheng Feng quickly stopped the bleeding on his arm and then consumed out a medicinal pill to recover.

But, he didn't have much time as Yi Tianyun immediately followed him and attacked him relentlessly!

"Impudent bastard!" Cheng Feng said frustratingly.

He immediately pulls out a jade pendant and immediately crushed it.

In the next moment, the emperor's shadow appeared!

When Yi Tianyun assessed its power with his Appraisal Eye, the Shadow was at Core Transformation Peak Stage and had 6.5 million Combat Power!

This is only the base power!

The shadows definitely could exert much more power when attacking!

But with this amount of power, Yi Tianyun knew that shadow wouldn't last long!

"Netherworld Empire's Great Emperor!" Yi Tianyun said as he was unsure that he could withstand an attack from this shadow.

As he prepared himself from the attack of the shadow, the shadow immediately attacked!

The shadow immediately attacked Yi Tianyun with a powerful shockwave from his palm covering the entire hall!

With Yi Tianyun had nowhere to hide from this attack, he had no choice but to block it!

This attack was like a giant wall, separating him from killing Cheng Feng!

Chapter 242 Resist

The Netherworld Divine Palm was one of the techniques which were used by the Emperor of the Netherworld Empire!

It had a terrifying destructive power of more than 7 Million combat power!

That was only the effect of a shadow.

The real Core Condensation peak stage would have more terrifying power than this for sure!

“You have to die here, kid! I won’t let you live!” Cheng Feng said confidently.

Yi Tianyun quickly disappeared from Cheng Feng’s sight, completely erasing his presence.

At the same time, the Netherworld Divine Palm struck at Yi Tianyun’s previous location!

Destroying the wall to Cheng Feng’s office and also alerting the guard about the fight!

“Son of a bitch! I will believe that you are dead once I saw your dead body! Now, come out, come out wherever you are!” Cheng Feng said tauntingly.

The Netherworld Emperor’s shadow soon faded and disappeared, while Cheng Feng was still looking at the place where the Netherworld Divine Palm strikes.

When the dust from the attack dissipated, a scarlet-colored blade suddenly pierced through his chest!

“What? How did you get behind me?” Cheng Feng said in disbelief.

“Dead people don’t need to know a secret of the living!” Yi Tianyun said coldly as he continued to drive the sword to the side to make the injuries fatal!

“I will die in my own accord!” Cheng Feng said while smiling at Yi Tianyun and shattering another Jade Pendant!

The Netherworld Emperor's Shadow once was again materialized out of thin air and immediately attacked Yi Tianyun with the Netherworld Divine Palm.

Yi Tianyun's face quickly changed, earlier he could dodge the attack by simple teleporting behind Cheng Feng.

Now, the Teleport ability has entered cooldown for 10 minutes, he couldn't use it to escape the attack.

"Damn it!" Yi Tianyun said loud enough for Cheng Feng to hear.

Cheng Feng grinned seeing his opponent was clearly frustrated that he had two of the Netherworld Jade Pendant!

He would surely win this time!

The Netherworld Divine Palm hit Yi Tianyun directly, causing an explosion as it went through.

However, after the explosion dissipated, Cheng Feng was shocked to see Yi Tianyun was unscathed in front of him.

Cheng Feng saw that Yi Tianyun had a glimmering black cloak on his hands.

That was the Shadow Cloak which could completely block out any damage for five seconds!

The grade of the cloak wasn't that high but its effect was godly!

Meanwhile, Cheng Feng still stared at Yi Tianyun with surprised eyes, he didn't expect Yi Tianyun to be able to hold off the Netherworld Divine Palm that easily!

But Yi Tianyun had another predicament coming, the Cloak effect only lasted for 5 seconds, while the Netherworld Emperor's Shadow could last to 10 seconds!

Cheng Feng who has become desperate kept attacking Yi Tianyun with Netherworld Divine Palm endlessly!

At the 5 seconds count, a notification saying that the immunity effect of the Shadow Cloak has ended was heard, but the barrage of palm strike hasn't stopped.

Yi Tianyun quickly gritted his teeth and activated the Dragon God Bloodline and Xuan Tian Divine Art!

He chose to receive the attack head-on!

He didn't have any cheat escaping ability left which he could use to stop the attack!

Chapter 243 Sneaking Off

Yi Tianyun activated his strongest defensive ability to hold back the Netherworld Divine Palm!

As the Palm connected, he was thrown and slammed to the wall!

He groaned as he felt the damage from this one.

But, in reality, he forgot how the damage felt, he always remained unscathed in every fight!

Sure, he did receive some damage when he took a direct hit from the Netherworld Divine Palm, sure but, he didn't receive that much damage honestly.

After the last Netherworld Divine Palm, the Netherworld Emperor's Shadow finally faded and disappeared.

Yi Tianyun quickly stood back up and checked his injuries, once he was satisfied that he didn't suffer any life-threatening injuries, he started to walk towards Cheng Feng.

“This is Xuan Tian Divine Art! You are that man from Heaven’s Top Mansion!” Cheng Feng said nervously.

He immediately recognized the Divine Art as soon as Yi Tianyun used it, it was one of the most beautiful Divine Art he has ever seen!

If it was not for this Divine Art, Netherworld Empire would’ve already destroyed Heaven’s Top Mansion a long time ago!

“You are right! I am from Heaven’s Top Mansion.” Yi Tianyun said while taking off the Hundred Transformation Mask.

“You want to imprison our man? What do you think now?” Yi Tianyun said tauntingly.

“It’s you!” Cheng Feng said surprisingly.

He never expected a young man like Yi Tianyun would outdo him like this, he instantly realized that Yi Tianyun was the one behind all the weird things that happened lately, but it was all too late!

Yi Tianyun drove the Blood Dragon’s Skeleton Blade into Cheng Feng’s Heart!

Killing him immediately!

‘DING’

‘Successfully kills Cheng Feng of Netherworld Empire!’

‘Reward: 640.000 Exp, 4.500 Crazy Points, 200 Sin Points, Golden Body Secret Art, Netherworld Jade Talisman, X20 Exp Card, Spirit Race Prison Key.’

'DING'

'Congratulation to Host, successfully killing an Elite Mob.'

'Reward: 1x Free Spin on Enhanced Lottery Roulette, 1 Free Level Up.'

'DING'

'Congratulation to Host, successfully breakthrough to Spirit Core Peak Stage.'

Yi Tianyun was shocked to see all the rewards that he got for killing Cheng Feng, but he also wanted to punch the system for giving him a free level up while he only needed a couple of millions to level up anyway.

"Why does it always end up like this!" But, Cheng Feng sure gave a nice reward, even though he never tried to attack Yi Tianyun himself and don't even have a weapon, but he surely gave many rare rewards!

Yi Tianyun quickly took off the Storage Ring in Cheng Feng's finger and fled off the scene.

He didn't want to fight with the guard too at the moment.

"My Lord! What happens here?" The Guards said as they saw the destruction in Cheng Feng's private room.

They quickly searched around for Cheng Feng and finally found Cheng Feng was already lifeless not far from the destroyed room.

They looked at Cheng Feng's body in horror.

They needed to capture the man responsible for doing something like this!

They quickly issued a search order for the entire building, and that also included the guest room!

Yi Tianyun knew that if he didn't get back to his room in time, Heaven's Top Mansion would also get in trouble.

He quickly leaped through the roof and stopped on one of the rooms to catch his breath.

As soon as he entered the room, a tender voice quickly asked who is coming to that room in the middle of the night.

Yi Tianyun looked at the source of the voice and saw that a young woman was pointing a sword to him, it was none other than Yu Shiqian!

It seemed that the room Yi Tianyun stumbled upon was Yu Shiqian's room!

Chapter 244 Avoidance

"Miss Yu, I am very sorry to intrude at this time of night. but, can you let me stay here for a little while?" Yi Tianyun said while smiling lightly to Yu Shiqian.

Yi Tianyun didn't have any other method to escape the guard for a while as he was a little bit exhausted from the earlier fight, and some of his skills were still in cooldown.

"I will let you wait here, but who are you?" Yu Shiqian said wonderingly.

She had this familiar vibe from Yi Tianyun, but she didn't know who he was.

As Yi Tianyun wanted to reveal himself to Yu Shiqian a knock was sounded from the door.

Yi Tianyun swiftly gagged her mouth from screaming or revealing his whereabouts.

“Miss Yu, please don’t let them know that I am in your room. I only want to stay for a little while, I will leave as soon as I can.” Yi Tianyun said honestly to Yu Shiqian.

Yu Shiqian nodded her head, and Yi Tianyun immediately let her go.

“Who are you? And what did you do outside?” Yu Shiqian asked as she became curious as to what Yi Tianyun was doing.

“You don’t need to know at this moment, you will know about it soon enough.” Yi Tianyun said casually.

At the same time, a knock on the door sounded once again.

Yi Tianyun quickly hid behind the chair near the windows, while Yu Shiqian quickly answered the door.

Once she opened the door, Yu Shiqian was immediately greeted by the guards.

She immediately asked why the guards came to her room at this time of night.

“We are very sorry for the inconvenience Miss Yu, but we are required to search your room.” The guards said steadily.

“In the middle of the night? what is this all about?” Yu Shiqian said with a frown on her face.

“This is a necessary action, Miss Yu. Don’t blame us if we have to use force to search your room.” The Guard said as he became anxious since Yu Shiqian kept rejecting to let them search her room.

“No, you must let me know what your purpose first!” Yu Shiqian said stubbornly.

The guards had enough of Yu Shiqian's resistance and knocked the door open as to let themselves in.

"You guys are really doing things the wrong way! I will let my Mansion Lord know of your behavior!" Yu Shiqian said in rage.

But she was a little bit relieved to see that the man from earlier was already gone.

At the same time, the Great Elder and Mu Xian'er were a having quite a hard time.

"What will we do, Grandpa! We can't let them know that Mansion Lord Yi isn't here!" Mu Xian'er said worriedly.

"All we can do is delay them until the Mansion Lord returns. We must believe that Mansion Lord will come back as soon as possible." The Great Elder said as he too was nervous about this.

Without warning, the Guards broke the door and immediately barged in.

"Why didn't you let us in, or even open the door? Where is your Mansion Lord?" the Guards asked hurriedly.

"Our Mansion Lord is..." The Great Elder said as he didn't know what to say.

"Is there anything you need? I just wanna sleep! Why would you keep making noises!" Yi Tianyun said with a slightly annoyed face.

"No, there is nothing that you need to know about. We only need to see if you are in your room or not!" The Guard said disrespectfully.

After confirming everyone on Heaven's Top Mansion was in the room, the guards quickly left.

Yi Tianyun was relieved that he came in time, he was lucky enough that teleport was off its cooldown at the same time that the guards broke into Yu Shiqian's room.

Chapter 245 Good Thing!

When the guards already left the room, the Great Elder couldn't hide his curiosity.

He immediately asked Yi Tianyun as to when and how did he come back to his room in such an instant way.

Yi Tianyun immediately answered casually, he didn't reveal his teleporting ability but he explained it so convincingly that the Great Elder didn't question his answer.

"What did you just do? The guards are all on edge." The Great Elder asked wonderingly.

"I would say you will notice what happened as soon as tomorrow morning. It is better for you to know at the same time as others." Yi Tianyun said casually.

"Now, I will rest a little bit. if there is any problem, just wake me up immediately." Yi Tianyun said as he walked towards his bed.

When Yi Tianyun sat near his bed, he immediately meditated. He now had the Spirit Core Stage Level Up card on his hands and he surely wanted to use it now.

'DING'

'Successfully used a level up card!'

'DING'

'Congratulation to the Host successfully breakthrough to 1st Level Core Transformation Stage!'

Yi Tianyun felt a rush of power in an instant, he immediately knew instinctively that now he could fly with his own power!

The Phoenix Wing would tremendously improve at this point!

He immediately checked his status and checked his current combat power. He was surprised to see that his combat power rose into 800.000!

With the Crazy Mode x8 it would be 6.400.000!

The Crazy Mode would be a game-changer for sure!

That was without equipping his weapon and activating the buff from his other ability, if push came to shove, his combat power would be roughly at 8 to 9 million!

After such a surprising revelation, he decided to open the level 40 gift pack. The gift pack has given him many good things every time.

'DING'

'Successfully opened Level 40 Gift Pack!'

'Get x30 Exp Card, x5 Mastery Card, x5 Crazy Points Card, x2 Sin Points Card, Level 50 Gift Pack.'

'Successfully learn Pet Capture Basic Level Proficiency!'

Yi Tianyun was happy to see that he had a lot of enhancing card now and also, he now had the ability to tame pet! He could try to tame any beast that he wanted now without finding any special circumstance.

“It never disappoints me, really! This gift pack always gives me what I currently need the most!” Yi Tianyun said excitedly.

After opening the Gift Pack, he felt that he was a bit lucky so he immediately opened the enhanced lottery roulette and activated his Luck Aura.

He immediately spun the wheel and soon enough the pointer stopped on the Weapon section.

This was the first time that he got a weapon from Enhanced Lottery Roulette, he wondered what he will get.

As he wondered, a Jade Box fell from the roulette, he immediately opened the box and a weapon quickly appeared in front of him.

‘High Grade Soul Tool: Cold Ice Divine Bow(Upgradeable)’

‘Effect: Releases a frozen arrow that could freeze enemy on impact’

‘Special Effect: Consumes 5.000 Crazy Points to enhance the next arrow with 2x Power, 2x Speed, 2x Range’

Yi Tianyun was really excited to see the effect of the bow, with that weapon on his hands, it would cover one of his weaknesses which was having no long-range combat capabilities!

Mu Xian’er and Great Elder were all confused to see Yi Tianyun all excited and even talked to himself. They began to wonder what happened to Yi Tianyun when he went outside.

Chapter 246 New Minister

Yi Tianyun kept laughing alone, making the Great Elder and Mu Xian’er uncomfortable.

“Grandpa, are you sure there is nothing wrong with the Mansion Lord?” Mu Xian’er asked worriedly.

But Great Elder only shrugged his shoulder, because he really didn't know anything.

At the same time, Yi Tianyun knew that he was being watched but he didn't care. He had the Cold Ice Divine Bow now!

With that weapon, his next battle surely would be easier than before!

Yi Tianyun immediately checked his status to see how much he has progressed.

Yi Tianyun was shocked to see the required exp to level up, he had to collect 100 million Exp!

There was no way he could level up as fast as he could like before!

He will need to kill 100 cultivators at the same level as Cheng Feng for just 1 level!

He felt helpless about this development, but there was nothing he could do about it. He immediately decided to rest since the next day would be hectic.

In an instant he woke up it was already dawn, the only thing that changed was they were not allowed to leave the room they were currently in.

Netherworld Empire Official still didn't release any statement regarding this matter.

Many Mansion Lords and disciples began to wonder what really was happening, but they never got an honest answer from the guards.

On the third day, they were all summoned to the courtyard but they were all surprised to see that another minister was attending instead of Cheng Feng.

The new minister didn't conceal his aura and everyone knew instantly that he was more powerful than Cheng Feng.

"I know that everyone has been distressed for a few days because of our behavior. The truth is we have some serious matter at hand, Minister Cheng Feng was killed 2 days ago. We still don't have any clue as to who the perpetrator was. Therefore, the inconvenience for the earlier 2 days was inevitable." Minister Lin Hao said solemnly.

Everyone immediately felt a sudden chill coming from Minister Lin Hao, everyone immediately knew that Minister Cheng Feng's death was a blow to Minister Lin Hao.

The Great Elder, Mu Xian'er and Yu Shiqian, however, felt the chill for a completely different reason.

They all had a guess as to who was the killer of Minister Cheng Feng, with the exception that Yu Shiqian didn't know the true identity of the killer.

Great Elder and Yu Shiqian were all shocked that Yi Tianyun could kill someone at Cheng Feng's caliber, the two of them began to wonder just how powerful Yi Tianyun really was.

But they soon realized that they needed to cover this up, this matter shouldn't be known to others!

Heaven's Top Mansion safety was riding on this information.

Nan Fengyun's face was full of displeasure, he went out of his way to build a good relationship with Minister Cheng Feng, and now it didn't matter any longer.

The promise made by Cheng Feng earlier didn't have any value now.

"I don't know if this incident was related to one of you, but I know that most of you are already at a quite high level of cultivation. Therefore one of you may be able to sneak past the guards and commit the killing!" Minister Lin Hao said seriously.

Everyone suddenly froze!

They couldn't help but be afraid that they could be in the Netherworld Empire's torture chamber to get the truth forcefully!

"Rest assured, I will not do anything to you. I don't see any good reason for you to kill Cheng Feng as he has a little to none interaction with you until the day he invites you here." Minister Lin Hao said.

Chapter 247 Rejection!

No one felt safe from the Netherworld Empire.

They knew that sooner or later the Netherworld Empire would investigate them regarding that matter.

"I am a bit different from Minister Cheng Feng, I prefer to discuss this matter straight to the point. So, without further ado, I announce the Netherworld Empire's intention to invite all of you to join us!" Minister Lin Hao said pridefully.

"As long as you join us, you will get the benefit of abundant resources, Spiritual Energy zone for your cultivation, and various Martial Arts for you to learn! We treat everyone on Netherworld Empire equally, there is no need to be afraid of minorities or such thing!" Minister Lin Hao said dismissively.

This was a bold move by Netherworld Empire!

That way, they could control the Heavenly Border Continent easily.

They want to wage war with the Heavenly Dragon Empire which at this moment has already controlled the Earthly Border Continent.

“If you choose to join us, we will provide all the benefits you would like to have but in exchange, we would like you to pledge your allegiance to us. You will have to show us some extent of loyalty! We will give you some mission in manageable time, and we hope for you to finish it in a certain period, but don’t you worry. We will not give you a mission beyond your capabilities.” Minister Lin Hao said solemnly.

“We will not force you to join us if you decide to do so.” Minister Lin Hao said, adding new info.

Minister Lin Hao then watched the Mansion Lord of various factions started to discuss the possibilities with their confidant.

He knew that the offer would surely benefit them greatly!

“We will join the Netherworld Empire!” Nan Fengyun said, making the Divine Rune Mansion be the first to join Netherworld Empire in Heavenly Border Continent.

Minister Lin Hao immediately nodded his head in confirmation.

Divine Rune Mansion’s willingness to accept the offer created a chain of acceptance from other Mansion Lords.

They were afraid if they chose not to join the Netherworld Empire, they could get some negative feedback from the Netherworld Empire.

“Thank you very much for providing us with this offer, My lord! But we from the White Lotus Mansion would like to decline the offer as we would like to become independent.” White Lotus Mansion Lord said solemnly.

Minister Lin Hao looked at her with disdain but then quickly changed the look on his face with a light smile.

“We respect your decision, Mansion Lord. We will not force you.” Minister Lin Hao said warmly.

Soon after, several other Factions also declared that they would be declining the offer, including Star Pavilion.

Star Pavilion didn't want to be burdened with being another faction's subsidiary.

They already had a strong backer for their Pavilion, there was no need to join another faction to get resources or anything alike.

At the same time, the Great Elder also asked Yi Tianyun as to whether to join or not, as they still didn't give the proper answer for Netherworld Empire.

The Great Elder felt unwilling to join the Netherworld Empire, but it all came down to Yi Tianyun as his Mansion Lord.

If Yi Tianyun chose to join, then he would accept it heartfully.

Yi Tianyun didn't answer the Great Elder's question, but instead immediately gave the word to Minister Lin Hao.

“Thank you very much, Minister Lin Hao. But we will also decline the offer.” Yi Tianyun said confidently.

Yi Tianyun's refusal left everyone surprised, they were ogling at Yi Tianyun like he was some kind of mad man!

Heaven's Top Mansion could have the resource that they want from the Netherworld Empire, but instead, they still declined.

Besides, with the Heaven's Top Mansion's reputation was now in ruins, they should have accepted the offer!

Chapter 248 Stay Behind Forcefully

Yi Tianyun knew that Netherworld Empire would only enslave them if they chose to join and would be forced to give up the Xuan Tian Divine Art for the sake of the empire!

"Are you speaking on behalf of Heaven's Top Mansion?" Minister Lin Hao said coldly.

"Yes, I am the Mansion Lord of Heaven's Top Mansion!" Yi Tianyun said casually.

"You already a Mansion Lord at such a young age? Well, this would be your loss, not ours!" Minister Lin Hao said indifferently.

Yi Tianyun nodded to Minister Lin Hao as he didn't care what the Minister was thinking at the moment.

"As that is the final faction, if you choose to decline the offer, you are free to go! For those who accepted the offer, you would have to stay for a few more days for briefing." Minister Lin Hao said coldly.

White Lotus Mansion and other factions which declined the offer prepared to return to their respective factions, Yi Tianyun followed suit behind them all.

As he turned around, Minister Lin Hao suddenly stopped Heaven's Top Mansion.

White Lotus Mansion's Mansion Lord and Star Pavilion's Pavilion Lord Li were looking at Yi Tianyun pitifully.

They hated to see a big faction like Netherworld Empire abused their power like this, but sadly, they couldn't save Yi Tianyun.

"This is really sad! A bright young man like him would be eaten alive inside the Netherworld Empire." Pavilion Lord Li said while shaking his head.

"Yes, it is painful to watch!" Elder Yun said while also shaking his head.

When Yu Shiqian left with the White Lotus Mansion, she couldn't help but look at Yi Tianyun with a sad expression.

She didn't know who Yi Tianyun was, but she couldn't help but had this familiar feeling every time she looked at Yi Tianyun.

She couldn't help but think that she had a hallucination about Yi Tianyun somewhere.

"Grandpa, what would happen to us?" Mu Xian'er said as she was afraid of what the Netherworld Empire would do.

"I don't know, Xian'er. We should trust that Mansion Lord will protect us from harm!" The Great Elder said comfortingly.

He knew that things wouldn't be easy for them soon enough, but he still tried to comfort his lovely grandchild!

The Great Elder knew that if Yi Tianyun wasn't there for Heaven's Top Mansion, they would've become the Netherworld Empire's dog from a long time ago!

So, he decided to put his faith to Yi Tianyun!

"It is okay! You will be saved as long as I am here." Yi Tianyun said confidently.

Mu Xian'er looks at Yi Tianyun with a grateful look, she looked at Yi Tianyun with so much respect now.

He was no longer the new disciple that would be her target of pranks, now he was the Great Mansion Lord of Heaven's Top Mansion.

"Heaven's Top Mansion, do you know why I have to make you stay here?" Minister Lin Hao said coldly.

"Well, it probably has something to do with the Xuan Tian Divine Art." Yi Tianyun said casually.

Everyone who stayed was shocked to hear Yi Tianyun's word.

They knew that Xuan Tian Divine Art was a powerful martial art that already reached Heaven Level!

If Yi Tianyun really had this Xuan Tian Divine Art, they understood the urgency of Netherworld Empire to force it out from a low-level faction like Heaven's Top Mansion.

"You are pretty smart for a boy. Now that you already knew, surrender the Xuan Tian Divine Art immediately or die!" Minister Lin Hao said solemnly.

"What guarantee can you give that we will survive after giving you the Xuan Tian Divine Art? Furthermore, why would I give you something like that for free?" Yi Tianyun said challengingly.

"Then you should die now! I can search the rest of your people one by one with the Soul Searching Technique later anyway!" Minister Lin Hao said coldly.

As he finished speaking, three shadow guards quickly appeared around Yi Tianyun.

"If this is how you want to play things, then it is fine for me." Yi Tianyun said casually.

Chapter 249 Rampant

The Soul-Searching Technique was a ruthless technique that searched for a certain memory of the target and left them incapacitated, crazy, autistic or even dead!

Great Elder's complexion suddenly changed after hearing the Minister will use this technique!

Yi Tianyun however, didn't care about this technique.

The opponent wouldn't be using this technique for them anyway!

"Let's stop here for a moment, I will give you what you want!" Yi Tianyun said casually.

"Are you stupid? You refuse the offer to become part of the Netherworld Empire before, and now, you want to give in? How bold can you be!" Nan Fengyun said while laughing.

The Mansion Lord who has already joined the Netherworld Empire also joined Nan Fengyun on the laughter as they found Yi Tianyun was easily giving up.

"It's okay! If you hand Xuan Tian Divine Art to me now, I will spare Heaven's Top Mansion." Minister Lin Hao said with a poker face.

"Okay, here it is!" Yi Tianyun said as he threw a book near Lin Hao's feet.

"Pick it up!" Lin Hao said as he ordered the guard next to him to pick up the book.

"Lord Lin, let me help you!" Nan Fengyun said as he picked up the book and gave it to Minister Lin Hao.

As soon as he received the book, Lin Hao immediately ordered the three Shadow Guards around Yi Tianyun to kill him and the Heaven's Top Mansion representative!

The Shadow Guards immediately rushed over, ready to attack Yi Tianyun.

But it was all for naught as Yi Tianyun quickly kicked them in the stomach one by one as they came close enough, killing them almost instantly.

'DING'

'Successfully killed Shadow Guard!'

'Reward: 260.000 Exp, 3.200 Crazy Points, 50 Sin Points, Shadow Step Martial Art, Shadow Blade.'

'DING'

'Successfully killed Shadow Guard!'

'Reward: . . .'

'DING'

'Successfully killed . . .'

The Mansion Lords were all surprised to see Yi Tianyun easily killed so many Shadow Guards like that.

They all realized that Yi Tianyun was definitely in the higher stage of Spirit Core Cultivation!

"I already saw this coming! Read the book first, you fool!" Yi Tianyun said challengingly.

Lin Hao immediately looked at the book Yi Tianyun threw earlier and immediately enraged and destroyed the books into pieces.

“How dare you play me! I want Xuan Tian Divine Art! Not a Basic Boxing!” Lin Hao said furiously.

“Well, it’s doesn’t really matter. You still attacked me regardless, didn’t you?” Yi Tianyun said with a bored expression.

Yi Tianyun’s words enraged Minister Lin Hao even further.

Seeing that the Minister would be exploding in anger soon, Nan Fengyun quickly offered himself to be the one fighting against Yi Tianyun.

Lin Hao nodded his head in agreement and therefore, every Mansion Lords near Nan Fengyun also joined the battle!

Minister Lin Hao smirked as he thought Yi Tianyun wouldn’t survive to fight this many cultivators at once!

The Shadow Guard earlier maybe was too weak for Yi Tianyun but, these Mansion Lords were comparably stronger!

Nan Fengyun and the other Mansion Lords released their aura simultaneously.

Filling the area with intense Core Transformation stage aura.

“This time I will pay you back for killing my disciple!” Nan Fengyun said while smirking evilly.

Yi Tianyun didn’t even wait for Nan Fengyun to attack, he immediately flashed over to Nan Fengyun and gave a strong kick to Nan Fengyun’s chest!

Nan Fengyun was immediately flung towards the wall and hit it hard!

“Now, where is your payback again?” Yi Tianyun said casually.

His face didn't give out any emotion as Nan Fengyun wasn't even at his radar at all.

Chapter 250 Killing Intent From All Directions

‘DING’

‘Successfully kills Nan Fengyun!’

‘Reward: 2.500.000 Exp, 22.000 CPs, 200 SPs, 5.000 Divine Rune MP, Afterimage Step Martial Art, Spirit Breaking Finger Technique, Item Spirit Stroke (High Grade Divine Tool), Tyrant Rune Paper (Rare), Extra Damage Divine Rune (5th Grade Divine Rune).’

Yi Tianyun was happy to see the amount of Exp he got from killing Nan Fengyun.

As he knew that he would need to kill a lot of enemies here, he used the X30 Exp Card and X20 Exp Card in addition to his X8 Exp from his Crazy Mode.

In fact, he also used the X5 Mastery Card and X2 Sin Card.

He would make sure to kill those people to his heart content.

Everyone in the area was shocked to see Yi Tianyun killed Nan Fengyun so easily!

They thought that Yi Tianyun was at Spirit Core Peak Stage Cultivation, but now it seemed that Yi Tianyun was a Core Transformation Cultivator!

Everyone was looking at Yi Tianyun in disbelief, how can a teenage boy achieve this high leveled cultivation?

This was totally unprecedented!

Great Elder and Mu Xian'er were also shocked seeing their Mansion Lord was that strong.

They have prepared to fight as they thought that Yi Tianyun wouldn't be able to save them with those many enemies, but it seemed that they were wrong once again.

Yi Tianyun turned his attention towards the other Mansion Lord in the area and quickly flashed over and killed them with a powerful kick.

'DING'

'Successfully killed Flowing Wind Mansion Lord!'

'Reward: 2.300.000 Exp, 21.000 CPs, 200 SPs, Heavenly Tyrant Palm, Afterimage Sword Technique.'

'DING'

'Successfully killed Imperial Wind Mansion Lord!'

'Reward: 2.400.000 Exp, 22.000 CPs, 200 SPs, . . .'

Good God!

This power was merely above 5th Layer Core Transformation Stage Cultivation!

The rest of them think.

The rest of the Mansion Lord looked at Yi Tianyun with fear, they will not be able to injure Yi Tianyun as they were considerably weaker than Nan Fengyun!

Many of them immediately thought of running away from Yi Tianyun, they didn't care about Lin Hao anymore, as at that moment, Yi Tianyun was scarier than Lin Hao.

Yi Tianyun sighed and immediately killed those who ran away first.

He will not let any of them go, especially after activating that many boosting cards!

As Yi Tianyun walked away from the Great Elder and Mu Xian'er, the rest of the Mansion Lords thought of using them as a hostage, and therefore immediately rushed toward them.

Seeing so many Mansion Lords rushed towards him and Mu Xian'er, the Great Elder immediately prepared himself to battle!

He was ready to burn his Blood Essence to increase his power to protect Mu Xian'er and relieved some burden from his Mansion Lord!

"Don't be a fool! Like I'll let you do that!" Yi Tianyun said as he used the Blast Divine Pills to increase his speed to save the Great Elder and Mu Xian'er.

After using the Blast Divine Pill, Yi Tianyun's speed was instantly doubled!

He immediately crossed the field in a blink of an eye and killed the Mansion Lord who was threatening the Great Elder and Mu Xian'er's life.

Minister Lin Hao looked at Yi Tianyun with great disbelief in his eyes.

There was no way a 17-year-old boy could have that level of power!

The speed Yi Tianyun showed throughout the fight was even more terrifying, with that kind of power Yi Tianyun could even kill Cheng Feng!

“Are you the one who killed Cheng Feng?” Lin Hao asked as he saw Yi Tianyun was capable of doing that.

“Wow, you guess it far too late! Yes! Yes, I was! What are you gonna do about it?” Yi Tianyun said challengingly.

Yi Tianyun immediately summoned the Black Dragon and used its giant body to block the exit!

Yi Tianyun immediately ordered the Black Dragon to burn every enemy who ran away immediately.

“There is no need for you to do anything anymore, Minister Lin Hao. You will die here today! And no one else can save you!” Yi Tianyun said coldly.
