

## Leveling 291

### Chapter 291

Ye Qingxuan takes Yi Tianyun and Ye Wan'er to the top of the Spirit Pagoda, where Elder Yan was fixing the Divine Rune by himself.

Yi Tianyun was a little bit confused seeing the scene in front of him, so he asked, "Why was there only one person fixing the Divine Rune? Spirit Race should have many Divine Rune Masters."

"You are right, Spirit Race indeed had many Divine Rune Masters. But many of them already captured by the Netherworld Empire. Some of them were among the traitor of the Spirit Race." Ye Qingxuan said while sighing sadly. She doesn't hide this problem from Yi Tianyun as she trusted Yi Tianyun enough.

The outside world had known that Spirit Race was a race that had an innate ability on Divine Rune and that the Spirit Race tried to show that they still had many Divine Rune Masters, which was false information to throw off the Netherworld Empire as to not attack them head-on!

Yi Tianyun became angered upon hearing that information, his disgust on the Netherworld Empire was intensified!

Now, he had to help the Spirit Race as not to let the Power-Hungry Netherworld Empire got what they wanted!

Yi Tianyun noticed that the Jade Spirit Stone was placed in many places, and some of them almost faded out, meaning that the Stone was close to being exhausted!

Ye Qingxuan quickly asked Elder Yan, who was Divine Rune Master, "How is the condition of the Great Array?"

"It is not good, Saintess! There are too many damaged Divine Runes due to the Netherworld Empire's constant attack. Right now, the Divine Runes we set on the forest were on the verge of collapsing! I am afraid Lei Yun will reach the inner sanctuary anytime soon!" Elder Yan said nervously.

“Lei Yun!”

When Ye Qingxuan was hearing the name of the man who imprisoned her after gaining her trust released all pent-up anger in her heart, her killing intent was emanated from her body like poison; she really wanted to kill Lei Yun!

Ye Wan'er also added, “I felt sick when knowing that my sister was once Lei Yun’s fiancée. Fortunately, my sister doesn’t marry him!”

Ye Qingxuan quickly snapped back from her hatred and said, “We should fix the Divine Rune quickly. Don’t let the enemy enter the palace!”

Elder Yan looked at the side and noticed Yi Tianyun for the first time and asked, “Is he the man who helps the Spirit Race refining the necessary Medicinal Pills?”

Yi Tianyun immediately bowed his head as respect and said, “I am indeed the alchemy who helps to refine some of the Medicinal Pills.”

Ye Qingxuan immediately gave permission for Yi Tianyun to look around the place while they needed to fix the Divine Rune rights away.

Yi Tianyun stopped them and said, “I want to help repair the Divine Rune too!”

Everyone was a little bit startled hearing Yi Tianyun wanted to help to repair the Divine Runes too; they were confused as they knew that Yi Tianyun was Alchemist, not Divine Rune Master!

Yi Tianyun also said, “I am at least a 5th Grade Divine Rune Master, but I still don’t know for sure how high my grade is.”

Ye Qingxuan said, “You may help out if you are really 5th Grade Divine Rune Master, we need all the help that we can get now!”

Ye Wan'er was a little bit surprised to hear that new information regarding Yi Tianyun. She already bragged herself as a 5th Grade Divine Rune Master to Yi Tianyun, and now he said that he himself was also the 5th Grade Divine Rune Master!

Ye Qingxuan immediately directed Yi Tianyun to a 5th Grade Divine Rune that needed to be fixed right away.

Yi Tianyun quickly took out his Imperial Spirit Stroke that once again surprised everyone, and started to repair the Divine Rune Immediately.

He didn't use the Heavenly Eyes as he didn't want his cover to be blown just yet.

The Heavenly eyes were the innate ability special to Ye Qingxuan; he knew that Ye Qingxuan and himself would be in trouble if the Spirit Race knew that he had the Heavenly Eyes!

Yi Tianyun repaired the Divine Rune Perfectly even without the Heavenly Eyes; everyone was surprised beyond belief!

They all thought, how could Yi Tianyun cultivate all that?

They have never seen any cultivator with a double profession, not to mention with such a high proficiency on both like Yi Tianyun, not to mention he was so young!

## Chapter 292

They were shocked to see that Yi Tianyun was really a high-grade double profession cultivator who was very rare!

It was almost impossible to see one at such a young age too!

They all wondered if Yi Tianyun has already cultivated since he was inside his mother's womb!

They didn't know that Yi Tianyun was basically cheating!

The Crazy Levelling System that he got unlocked unlimited potential for him!

‘DING’

‘Successfully fixed a 5th Grade Divine Rune!’

‘Reward: 500.000 Exp, 500 Divine Rune Proficiency.’

Yi Tianyun sighed in relief that he fixed one difficult Divine Rune in such a short time. He noticed that it was faster to fix Divine Rune than making a new one.

Ye sisters looked at Yi Tianyun’s work immediately and noticed that the Divine Rune was repaired to perfection.

“I was surprised that you are really a Divine Rune Master!” Ye Wan’er said excitedly.

“I never lied, at least not to you.” Yi Tianyun said while smiling toward Ye Wan’er.

Ye Qingxuan quickly directed Yi Tianyun to several other Divine Runes that had to be fixed as not to waste any time.

As time passed, Yi Tianyun and the others have managed to repair many Divine Runes on the Spirit Pagoda relentlessly.

Although Yi Tianyun didn’t seem to be fatigued even with all the amount of Divine Runes he has fixed, the other didn’t share the same stamina as him.

The other’s face was visibly paler and was on the verge of fainting from the loss of Spiritual Power. Suddenly, the Divine Rune in the middle of the Spirit Pagoda was screeching, and its light was also dimmed out.

Ye Qingxuan and Elder Yan quickly rushed there to repair it immediately, that particular Divine Runes shouldn't be destroyed. If it was destroyed, the Spirit Pagoda would be doomed!

"The Divine Rune received damage from the East Forest direction! With this much damage, the East Forest would fall soon!" Elder Yan said to Ye Qingxuan while slightly panicked.

Elder Yan continuously repaired the said Divine Rune, and as time went by, his face became paler, and cold sweat was seen dripping from his face.

Not long after that, Elder Yan was visibly shaken, he wobbled until he almost fell,

"Elder Yan, you should rest." Ye Wan'er who was standing close by him, immediately caught his body and laid him on the bench to let him rest.

"It's fine. I still can do it." Elder Yan quickly tried to get up to continue his job, but Ye Qingxuan quickly stopped him as she will finish fixing the Divine Runes herself.

"This..." Elder Yan struggled for a bit as he didn't want to let the saintess do all his jobs, but he finally gave up as he felt that his body was really heavy and hard to move.

Ye Qingxuan quickly activated her Heavenly Eyes and started to fix the Divine Rune diligently.

Although her Divine Rune Proficiency was not as good as Elder Yan, with her Heavenly Eyes, she could still repair that Divine Rune without fail, but it certainly took more time.

Over time, Ye Qingxuan also fell victim to fatigue as she has become wobbly with her face began to ashen. She stumbled backward as she couldn't hold onto her consciousness, and Yi Tianyun quickly held her before the floor hit her head.

"Are you okay?" Yi Tianyun quickly laid her down on the floor and said, "Let me fix it."

She wanted to reject Yi Tianyun's offer as she wanted to finish it herself, but as she was about to say something, Yi Tianyun took off his mask, revealed his true face and said, "You already promised to marry me, and because of that, I can't let you die there!"

Yi Tianyun's voice was familiar to Ye Qingxuan. He also made sure that Ye Wan'er and Elder Yan couldn't see what he was doing.

"You, you, this, this..." Ye Qingxuan was shocked as she immediately recognized Yi Tianyun's face and voice. She also blushed from Yi Tianyun's teasing, but as soon as he took off the mask, he wore it again as not to raise suspicion to the others.

Yi Tianyun said, "Fixing the Divine Rune won't be a problem for me, and you should trust me to finish repairing all the remaining Divine Runes."

Ye Qingxuan's eyes twinkled in admiration; she knew that Yi Tianyun was a man of his word, "Haha, okay."

Yi Tianyun then lifted her from the ground and laid her on the nearby bench, beside Elder Yan.

## Chapter 293

Yi Tianyun repaired the Master Level Divine Rune, out of everyone's surprise!

Ye Wan'er felt awkward as she already bragged to Yi Tianyun while, as of the moment, Yi Tianyun was definitely more capable than she was.

Elder Yan, on the side, was looking at Yi Tianyun in awe; that was the first time that he saw a young man capable of becoming a Divine Rune Master and a 4th Grade alchemy at the same time!

Yi Tianyun didn't pay attention to the stare that both of them gave him; instead, he was focused on repairing the Divine Rune.

It was the hardest Divine Rune that he got a chance to fix, but it could still be done, although it may take some time to finish.

Ye Qingxuan looked at him with a clear familiarity now; she couldn't help but asked about Yi Tianyun's cheat cultivation too, as she became curious because Yi Tianyun seemed to be capable of everything.

Yi Tianyun also noticed that her Favourability already increased to 200 points!

Yi Tianyun answered her question while joking around, the atmosphere around them was as if Yi Tianyun and Ye Qingxuan was a long-time friend!

"Now, would you be a gentleman and finish fixing the Divine Rune faster, please?" Ye Qingxuan said with a light smile on her face and a joking tone on her voice.

"I can do that if I use the Heavenly Eyes. Now, wouldn't it be a problem for you if I use it?" Yi Tianyun said teasingly.

"Well, it may be a problem. But if you really have to use it, then use it! I will deal with the backlash later!" Ye Qingxuan said casually.

"I really hope that it was really you when I hear your surname after hearing that someone had saved my sister from the Netherworld Empire, but after I see you the first time this day, I admit that I was a little bit disappointed! But it turned out that thing was never easy around you!" Ye Qingxuan said while snickering teasingly.

"Well, I am afraid that my identity is quite special nowadays! I have so many enemies and people who are willing to kill me for a bunch of money. Plus, housing me in my real identity could endanger your position!" Yi Tianyun said while smirking to Ye Qingxuan.

Ye Qingxuan didn't really believe everything that Yi Tianyun had said, but she didn't want to question Yi Tianyun, he has been right so far!

“Well, your race doesn’t even let me enter this place to come and see you myself, don’t they know that you would be marrying me in the future?” Yi Tianyun said teasingly.

Ye Qingxuan blushed again from Yi Tianyun’s teasing.

“I couldn’t! I couldn’t just marry someone out of love like that! I need to think about my people and marry the next Spirit Race King.” Ye Qingxuan said while blushing slightly.

“Well, if that is really the case, I guess I should hurry up and finish repairing all of this now!” Yi Tianyun said with a smile on his face.

With the help of Yi Tianyun, the Master Level Divine Rune was repaired much faster than anyone could hope for!

The Divine Rune released a dazzling light, proving the Divine Rune was up and running!

Yi Tianyun sighed in relief after knowing that he has done the best he could on that Divine Rune!

‘DING’

Please join

## Chapter 294

Yi Tianyun was very satisfied to see that that quest gave him a good amount of exp to level up.

Ye Qingxuan showed relief on her face as she saw that all the Divine Rune had been repaired. She told Yi Tianyun, “You should get a rest after repairing these many Divine Runes in the Spirit Pagoda.”

Yi Tianyun quickly refused and said, “This is the perfect time to strike the invader who trying to enter the Spirit Race’s Sanctuary.”

Yi Tianyun said that to finish his quest as quickly as he possibly could. He didn’t want to waste any time doing nothing.

Everyone was a little bit startled that Yi Tianyun knew the situation they were currently in. So, without hiding anything, Ye Qingxuan said, "We have been fighting against the outside force for quite some time, and the Medicinal Pills that you refined earlier were immediately used to treat their injuries. The enemy is bringing along several experts for that attack, making it harder to repel them."

"How many and how powerful was the enemy this time around?" Yi Tianyun asked curiously. He knows that he would have a hard time dealing with any Void Spirit Expert. But if there wasn't any, he could stomp them with no problem!

"The enemy was lead by Lei Yun and several elders who already betrayed the Spirit Race; they were all in the Core Transformation stage. Some Netherworld Empire's forces were mixed in too; there were at least several Core Transformation stage cultivators among them." Ye Qingxuan said nervously.

Yi Tianyun was a little surprised to hear that no Void Spirit cultivator was participating in the attack at that time.

Yi Tianyun quickly showed a confident smile and said, "I will kick them out alone!"

Ye Wan'er was startled to hear Yi Tianyun said that he would fight their enemy alone, she couldn't help but ask, "What is your plan?"

"Well, I will kick them and maybe punch them out while I am at it!" Yi Tianyun said while smiling to Ye Wan'er.

"I will come with you!" Ye Qingxuan said, making everyone even more surprised.

"Against that many enemies, no one knows what will happen on the battlefield! Big Brother maybe can't cover you at all times!" Ye Wan'er quickly became mad because Ye Qingxuan said something so impulsive.

Elder Yan also said, "Maybe you will only drag him down on the battlefield. You can't go out into the battlefield, especially in your current condition. If you get caught, the Spirit Race will be doomed!"

Ye Qingxuan said, "It will be fine. With the Divine Runes fixed, the forest will be confusing, and I will be hiding until I can unleash my surprise attack. I can hide again if the enemy finds me, and my surprise attack doesn't kill the enemy."

While Elder Yan and Ye Wan'er weren't convinced that Ye Qingxuan would remain safe out there, Ye Qingxuan kept making plans on her attack with Yi Tianyun in the east forest!

Yi Tianyun said, "You should hide when I kill annoying enemies who are separated from their groups. Also, strike the one you hate the most. I will give you time to do it, and you don't need to cover me, I am fine."

Ye Qingxuan nodded her head as she agreed on Yi Tianyun's plan, she quickly said, "The perfect time to attack the enemy is when they trapped in the forest."

Elder Yan and Ye Wan'er said that they wanted to come and help out too, but Ye Qingxuan quickly rejected them as both of them needed to guard the Spirit Pagoda if, by any chance, the enemy successfully entered the Sanctuary.

Elder Yan and Ye Wan'er quickly nodded their head in understanding. Although they really wanted to go to the battlefield too, they couldn't ignore the Saintess' order!

After the briefing, Ye Qingxuan quickly left the Spirit Pagoda with Yi Tianyun.

In the way toward the East Forest, Yi Tianyun teased Ye Qingxuan once again by saying that she was too protective of her sister.

"You know, I would do anything to make sure that she was safe and sound. I don't want my sister to join the fight as I know that it would be too dangerous for her." Ye Qingxuan said confidently. She really means everything she said!

"Well, if that is really what you want, then I would gladly make it happen for you!" Yi Tianyun said.

Ye Qingxuan nodded her head. She felt that Yi Tianyun's words were really soothing and that she could rely on Yi Tianyun more.

## Chapter 295

Ye Qingxuan quickly led Yi Tianyun to the guard camp near the East Forest, and she quickly assembled a team of Spirit Core guards to join them repelling the intruder. Yi Tianyun let her do all of that although that he thought it was futile! He will definitely beat them all by himself!

"Is this all the people that the Spirit Race could afford right now?" Yi Tianyun asked Ye Qingxuan.

"I'm embarrassed to say that this is all our force can give right now. The Netherworld Empire had caught almost all of our warriors." Ye Qingxuan said embarrassedly. Although Spirit Race was referred to as a Race or a Family, they were definitely a top faction in par with top 3rd Grade Faction. Because of that, Yi Tianyun was a little disappointed that the power Spirit Race currently had was so insignificant.

Ye Qingxuan also said that she has already sent many men to break in into Netherworld Prison, but none of them ever returned. Let alone rescuing any Spirit Race Prisoner there, they couldn't even come back safely! She also said that they needed a key to release all of the Spirit Race Prisoner and that the key was nowhere to be found inside the Prison!

After Ye Qingxuan's explanation, Yi Tianyun remembered the Prison Key that he got after killing Cheng Feng back then, the key was described as Spirit Race Prison Key, and maybe that was just what he needed to break in and release all of the Spirit Race inside the Prison!

Ye Qingxuan also said that she needed to break out the Old Ancestors of Spirit Race who were captured and detained inside the Prison, she was afraid that the Old Ancestor would be tortured to reveal their secrets and that was not good considering their age and their weakened cultivation.

Ye Qingxuan was visibly angered after saying all that; it was clear that she had so much respect for her elder.

Yi Tianyun tried to comfort Ye Qingxuan by saying that when they successfully killed all of the intruders who threatened the Spirit Race Sanctuary, he himself will personally go to Spirit Race Prison and released all of the Spirit Race Prisoner being held there!

Ye Qingxuan was visibly relieved, although just a little, and immediately led the group into the East Forest to deal with the intruder. The group of Spirit Race cultivator led by Ye Qingxuan quickly hid in the forest for a chance to ambush any intruder who came their way, while Yi Tianyun walked forward casually like a tourist.

Yi Tianyun and Ye Qingxuan have already agreed that Yi Tianyun could kill all of the intruders by himself if he were really capable of doing so, except for Lei Yun, she wanted to deal with Lei Yun herself! Ye Qingxuan didn't seem to lose the slightest sympathy toward any of the traitor who also came with Lei Yun; she told Yi Tianyun to kill them all without hesitation!

While searching for the intruder, although Yi Tianyun and Ye Qingxuan split, they weren't that far apart, but although Ye Qingxuan had activated her own Spiritual Search, she kept losing track of Yi Tianyun, it was like Yi Tianyun didn't have any aura at all, which she thought was very weird at first until Yi Tianyun kept showing up in front of her!

"Where are you just now? I don't seem to notice you anywhere!" Ye Qingxuan immediately asked Yi Tianyun about that phenomenon when she was finally close enough.

"I am just hiding my aura, that is all! I am always near you the entire time!" Yi Tianyun said while tried to act confusedly.

As they finished conversing with each other, Yi Tianyun sensed someone was coming and quickly gave a signal for Ye Qingxuan to hide. Yi Tianyun walked closer to the intruder so that he could hear them talked among themselves to receive information.

Yi Tianyun heard that the man in command was someone called Wu Peng and that he was currently leading several Spirit Race Traitors to breach the Divine Rune and that he was having trouble as the Divine Rune has already been fixed while he was already in the middle of the forest maze!

The Spirit Race Traitor kept saying that they couldn't do anything as the Divine Rune was already fixed and that they didn't have the power to breach that area. Wu Peng was angered by the Spirit Race

Traitor's inability to resolve that matter while he himself was in dire need to prove himself! Ye Qianxuan tried to talk to Yi Tianyun with a sound transmission, but as soon as she talked, she could no longer sense nor see Yi Tianyun.

At the same time, Yi Tianyun was already behind Wu Peng's group while asking for help, saying that he was lost in that jungle!

## Chapter 296

Wu Peng looked behind after hearing a man's voice and jumped immediately after seeing that a man that he has never seen before was right there without ever sensing him. At first, he thought that Yi Tianyun was a Spirit Race, but as he saw Yi Tianyun closely, he knew that Yi Tianyun wasn't one, so he ordered his man to kill Yi Tianyun for surprising him like that.

The Spirit Race Traitors immediately carried out the order, and as they charged toward Yi Tianyun, he casually kicked their chest one by one! He was immediately killing them as they were flung upwards!

'DING'

'Successfully killed a Spirit Race Traitor!'

'Reward: 150.000 Exp, 3.600 CPs, 200 SPs, 800 Divine Rune Proficiency, Heaven Spirit Step Martial Art, Heaven Spirit Fist, Heavenly Spirit Stroke, Tyrant Rune Paper.'

"What do you have to say for yourself now?" Yi Tianyun said coldly as he killed the remaining Spirit Race Traitors one by one.

Wu Peng, who was angered after seeing the Spirit Race that he brought with him that day, was being killed, immediately took out a blood-red knife, and immediately charged toward Yi Tianyun himself.

Yi Tianyun sighed after seeing his enemies were still stupid enough to charge towards him after seeing everyone on their group was killed like a cockroach! Yi Tianyun quickly parried Wu Peng's attack and

smashed his knife into iron scrap with only his fist and immediately punched Wu Peng's chest, flinging him backward toward the tree!

Wu Peng's body was slammed into the trees hard, while it surely made a dent on the tree, but Yi Tianyun saw that the tree was unusually hard as it was supposed to be toppled since Wu Peng's body slammed it!

Wu Peng groaned and rolled over on the ground, he tried to stand up but he couldn't as he found out that his internal organs were bleeding with only one punch from the unknown man and he was coughing blood from the impact itself!

"No wonder you didn't die instantly with that heavy armor on your body, but well, it was useless nonetheless!" Yi Tianyun said indifferently.

Wu Peng was dead not long after that, and the rest of the Spirit Race Traitors who were still alive quickly checked on Wu Peng and shouted to Yi Tianyun if he knew who he has just killed or not.

"Do you think I am blind? Don't you know I saw what armor you wear? Did you think that because you are from Netherworld Empire, you would be safe?" Yi Tianyun said coldly.

Yi Tianyun quickly signed for Ye Qingxuan to come forward, and once the traitor saw their former Saintess, their complexion changed! Ye Qingxuan quickly froze the feet of all the traitors as soon as she saw they were about to run away. She quickly killed every traitor on the spot, except for one.

The traitor started to ask for mercy to the Saintess and said that he was forced to join the Netherworld Empire, or they will kill him!

"I couldn't trust any of your word! Even if what you were saying were all true, you could escape or do something noteworthy to prevent Netherworld Empire advancement! But instead, you gladly sell your own race to the enemy in exchange of your own life!" Ye Qingxuan said coldly.

The traitor kept asking for mercy as he said that Elder Lei Yun was the one who instigated them to betray the Spirit Race while promising that their life will be better in the Netherworld Empire, but the

truth was their lives was like a dog once they pledge their allegiance to Netherworld Empire, they were ordered to work like a slave and eat like a dog!

Ye Qingxuan was a little bit startled by the traitor's word, but she eventually said that he had a brain to think for himself and therefore needed to be punished! She quickly whipped the traitor's head, immediately beheaded the traitor head!

After killing all traitors that Yi Tianyun didn't have time to kill, Ye Qingxuan sighed, she thought that she would find relief after killing many traitors, but instead, all she felt was a pain! She didn't want to kill anyone that she once thought was a family!

Yi Tianyun, who has been watching Ye Qingxuan for quite a while, understood that the Saintess must have felt pain after killing her own race! He felt that he needed to leave her alone to mourn the death of her people.

## Chapter 297

The Netherworld Empire had done that practice for quite a long time!

They will force some of them to join and then made the rest of the faction joined them too!

That way, they could receive many new cultivators and destroyed one faction that could threaten them in the future!

In many cases, something like that would be good on the smaller factions to be able to merge with a bigger one, but that is not a case on the Netherworld Empire!

They would reap all kinds of benefits they could get from the small factions and later on disposed them like garbage!

Heaven's Top Mansion was one example of the atrocity that the Netherworld Empire was trying to do. They would invite the top brass of a faction to join them, and then made them attack the faction from the inside to betray their own faction and then corrupted the faction slowly.

If it was not because of Yi Tianyun, The Heaven's Top Mansion would've fallen to Netherworld Empire's hands!

The Spirit Race was currently facing the same issue, their top brass has already joined the Netherworld Empire as a traitor to the Spirit Race, and now they tried to pin the traitor with the Spirit Race themselves!

Ye Qingxuan felt the pain in her heart from all that sad circumstance. She was sad to see her own people fight amongst themselves like that. Her hatred towards the Netherworld Empire keep growing everyday. All she wanted was to destroy the Netherworld Empire and released the captured Spirit Race, who were being imprisoned inside the Netherworld Empire's Prison!

"Relax, I am here to help you! I will not leave until the Spirit Race is safe!" Yi Tianyun said to reassure Ye Qingxuan.

"This is all because of the Netherworld Empire! I will make sure they paid for all their mistake!" Ye Qingxuan said confidently with a little bit of anger in her voice.

While Yi Tianyun listened to Ye Qingxuan's rant, Wu Peng, who they thought was already dead, groaned in pain.

Yi Tianyun and Qingxuan immediately walked over and looked at Wu Peng curiously.

Wu Peng immediately said, "If you kill me, the Netherworld Empire will uproot the Spirit Race in anytime soon!"

Wu Peng tried to throw something towards Ye Qingxuan, but Yi Tianyun was so much faster than him, Yi Tianyun quickly kicked him, and he was slammed to the trees harder than before!

"You still want to fight me with those injuries? Are you that stupid? But don't worry, it is not Spirit Race who will be destroyed in the end. It will be the Netherworld Empire!" Yi Tianyun said casually.

Yi Tianyun quickly touched Wu Peng's body and activated his Absorbing Stars Great Technique, absorbing the Spiritual Energy from Wu Peng's body!

In a matter of seconds, Wu Peng's body was visibly getting weaker and exhausted because his Spiritual Energy was extorted from his body.

"What would you like to do to this guy?" Yi Tianyun asked Ye Qingxuan.

"I would like him dead!" Ye Qingxuan said boldly.

Yi Tianyun nodded his head and then kicked Wu Peng as hard as he could, flinging Wu Peng one last time toward the tree; he was finally dead after that kick!

'DING'

'Successfully killed Wu Peng!'

'Reward: 830.000 Exp, 4.300 CPs, 300 SPs, Bloodthirsty Chop Martial Art, Demon Blood Soaring Technique, Bloody Monster Knife, Nirvana Armor, 500.000 Exp Pills!

Yi Tianyun also skilfully took Wu Peng's Storage Ring, which was witnessed by Ye Qingxuan. She teased Yi Tianyun for being a sleazy bandit who took a dead man's possession.

"Well, it's better than letting it go to waste on a dead person." Yi Tianyun said confidently.

"How could you become this strong, this fast? What is your secret?" Ye Qingxuan asked curiously.

"I don't really know my self! I keep on fighting every day, and this is what I become." Yi Tianyun said vaguely. He couldn't tell anyone about his system, not without making anybody confused.

Ye Qingxuan was confused by Yi Tianyun's answer and decided not to ask about it any further for the time being. She quickly gave a sign to Yi Tianyun that they should press onward to find another intruder group and kill them all one by one!

At the same time, Liao Cheng was looking around the forest desperately for anything suspicious. He was already stuck in that maze for a day, and he would really like to get out of there!

"Go find a way to break through this array!"

The Spirit Race Traitor, who was beside him, also looked disgruntled, he knew that it would be almost impossible to break through that forest maze since the Great Array has been fixed!

"We can't breakthrough for a while, we need time."

"What a bunch of useless! You Spirit Race is very incompetent. You will be punished when we back!"

The Spirit Race Traitor kept apologizing and said, "Trace Confusion Great Array can't be solved without knowing its pattern, and the pattern changed randomly, even the Elder will have a hard time to break through the forest!"

"If we are too slow, Wu Peng will take all credits!"

Liao Cheng also felt irritated! He began to shout for the Spirit Race Traitor to step up their work so he won't be left too far from Wu Peng!

Yi Tianyun suddenly appeared among them and said, "Don't worry, Wu Peng won't take your credit because he was already dead!"

Ye Qingxuan was hide in the dark, ready for a sneak attack.

Liao Cheng immediately took out his weapon and stared at Yi Tianyun coldly.

“Who are you? how could you come here undetected?” Liao Cheng asked Yi Tianyun.

“I am the one that would end your life soon!” Yi Tianyun said while smirking evilly.

Yi Tianyun quickly rushed toward Liao Cheng and kicked him while using his Dragon God Bloodline!

Ye Qingxuan also came to help Yi Tianyun dealt with the traitor. She froze the feet of the traitors as to make sure that none of them escaped!

Yi Tianyun and Ye Qingxuan easily killed all of them in a short amount of time.

“Why are you getting stronger every time I saw you fight?” Ye Qingxuan asked curiously.

“The enemy is just too weak! I am not a strong one!” Yi Tianyun answered indifferently.

“You know, if it isn’t because of you, we will get in so many difficulties right now.” Ye Qingxuan said while smiling at Yi Tianyun.

“You know you could rely on me with everything!” Tianyun said while smiling toward Ye Qingxuan too.

Ye Qingxuan flashed a beautiful smile towards Yi Tianyun and said, “We should go to the next place.”

With Ye Qingxuan’s leadership, they quickly annihilated the next intruders that they encountered after Liao Cheng, sadly that group of intruders didn’t even have any Core Transformation Expert with them.

When they went to another area, they noticed that there was a Core Transformation Expert who was attacking some of the Spirit Race’s people that Ye Qingxuan brought earlier.

Yi Tianyun quickly stopped him by kicking the expert's chest while saying that he will take him on instead.

Once again, that group of intruders was annihilated by Yi Tianyun and Ye Qingxuan, the group of intruders was separated into several groups to destroy the Trace Confusion Great Array in batches.

But once the Great Array was fixed, that was how did they end up in such a situation!

"The intruder was almost annihilated now, Lei Yun's group was the only one left!" Ye Qingxuan told Yi Tianyun.

While saying that information to Yi Tianyun, he could feel that Ye Qingxuan's anger filled the air because of that person called Lei Yun.

Yi Tianyun was so excited to face him, as he would kill a man who caused grief to Ye Qingxuan!

"If I see something off with Lei Yun, I would immediately kill all of them, so there was no casualty in Spirit Race!" Yi Tianyun said confidently toward Ye Qingxuan.

As they got close enough to see Lei Yun, he shouted, "Come out! I can feel Ye Qingxuan's glare from few miles away!"

Ye Qingxuan's complexions changed, if she was recognized like that, then they have lost their advantage!

Yi Tianyun raised his brows as he didn't know why Ye Qingxuan was recognized so soon like that, he immediately tries to look at the group of intruders in front of him. He noticed a strong build man with a dense Divine Rune engraved on his body.

He quickly used his Appraisal Eye to look at Lei Yun's stats.

'Lei Yun: 7th Level Core Transformation Stage.'

‘Combat Power: 3.800.000’

‘Chance on drops: Thunder Dragon Flash, Thunder Dragon Secret Art, Thunder God Befall, Thunder God Suit.’

Yi Tianyun felt excited upon seeing Lei Yun’s stat, as he thought Lei Yun was pretty strong, maybe even stronger than any 7th Level Core Transformation Stage Expert!

But of course, Lei Yun was no match to him!

## Chapter 299

Lei Yun was strong, maybe the strongest out of all the intruders that day.

Yi Tianyun knew immediately that was why Netherworld Empire used Lei Yun as the prized Spirit Race Traitor because he was a genius cultivator!

But as Netherworld Empire prized possession, they haven’t trusted Lei Yun completely.

In instance, Netherworld Empire placed one of their ministers to monitor Lei Yun’s action throughout the attack against the Spirit Race.

Because of that, Yi Tianyun must defeat two Core Transformation Experts in Lei Yun's group, but it wasn't a big deal for Yi Tianyun as it would only mean that he will get another treasure!

"Oh, are you not willing to come out?"

Lei Yun sneered as Ye Qingxuan didn't come out of hiding and then throw a thunder ball in Ye Qingxuan's direction.

Ye Qingxuan was startled by that attack and immediately blocked the attack with her whip, but Yi Tianyun quickly blocked it with his hands before it even reached Ye Qingxuan!

Yi Tianyun immediately noticed that the Trace Confusion Great Array didn't have any effect on Lei Yun. Ye Qingxuan quickly looked at Yi Tianyun's hand and saw that Yi Tianyun's hand wasn't damaged at all!

"Your helper wasn't bad at all!" Lei Yun said as he saw Ye Qingxuan and Yi Tianyun.

"He was already familiar enough with this Great Array, he won't receive the effect full force. We couldn't get close to him as he could see any weird distortion in a 15 meter radius!" Ye Qingxuan said to Yi Tianyun.

"Don't you worry! I wouldn't get any closer than I am now, at least for now!" Yi Tianyun said while smirking to Ye Qingxuan. He immediately took out his Cold Ice Divine Bow from his inventory.

Ye Qingxuan looked at the Divine Bow in awe, since she had a high affinity with ice element, she felt that the bow was the prettiest bow that she has ever seen.

Yi Tianyun quickly used the Cold Ice Fury, Cold Ice Divine Bow's special attack at the cost of 5.000 CPs with Lei Yun as his target.

Lei Yun's complexion quickly changed after he saw the ice arrow flew toward him. He shouted the people near him to get away while he himself tried to get away from the arrow's trajectory.

Unfortunately, the Netherworld Empire's Minister wasn't able to get away from the arrow in time, so instead of hitting Lei Yun, the arrow hit the minister!

'DING'

'Successfully killed Netherworld Empire Minister Mu Yun!'

'Reward: 930.000 Exp, 4.600 CPs, 200 SPs, Netherworld Secret Act, Turning Over Heaven's Palm, Moon Heavenly Sword, Heavenly Feather Boots, 100.000 Exp Pill.'

'DING'

'Successfully killed Spirit Race Traitor!'

'Reward: 240.000 Exp, 3.100 CPs, 100 SPs, 400 Divine Rune Proficiency Points.'

'DING'

'Successfully killed . . .'

Everyone was shocked to see that with only an arrow, the damage done to the intruder was so massive that even a Netherworld Empire's Minister was killed by it!

Ye Qingxuan stared at the arrow path with a wide eye; she couldn't shake the feeling that Yi Tianyun was far more powerful than he said he was.

Yi Tianyun didn't stop there; he shot three consecutive arrows with the Cold Ice Divine Bow to Lei Yun while activating his Crazy Damage Mode!

The arrow hit Lei Yun precisely on his chest; the effect was immediately shown as his body gradually froze.

But it didn't seem that he will die just because of that, he quickly activated his thunder Divine Runes on his body and thawed the ice that slowly froze his body.

"Who are you? What faction are you from? Did the Spirit Race pay you? I will double your pay if you join us, or even triple it if you want!" Lei Yun said desperately.

"Well, I was being paid by given permission to kill the Netherworld Empire's people! If you can kill the Netherworld Empire's Emperor, then I will definitely join you!" Yi Tianyun said with a smile on his face.

## Chapter 300

"You think you smart, talking to me like that! You dare to mock Netherworld Empire, you stupid shit!" Lei Yun said with a red face. He was enraged after hearing Yi Tianyun's bold comment.

Ye Qingxuan was giggling at the side as she couldn't hold back her laughter.

"I don't know what you are talking about, but one thing for sure is that I don't want anything to do with your filthy Netherworld Empire! When I arrived here, they tried to get rid of me, and therefore, now is my time to get rid of them!" Yi Tianyun said coldly.

Lei Yun was startled after hearing Yi Tianyun's remark; it was clear that the Netherworld Empire provoked Yi Tianyun, and he will be the one reaping what they sowed!

"You will pay for betraying the Spirit Race! You hear me!" Ye Qingxuan shouted on the side lane.

"I didn't betray the Spirit Race! The Spirit Race was the one betraying me! How could you be dumb enough not to join us in the Netherworld Empire! The Spirit Race will thrive in there!" Lei Yun quickly answered.

“It is better to make the Netherworld Emperor the new Spirit King too!” He adds.

Ye Qingxuan looked at Lei Yun funnily, “Are you out of your mind? Did you really that stupid?”

The Emperor didn’t have what it took to become the Spirit King, did Lei Yun think that the Spirit King’s title was like a candy which could be passed randomly to another person? No, Lei Yun was obviously selling the Spirit Race to have better resources for himself!

“Now, I am glad that you not yet become our Spirit King. The Spirit Race would be doomed with you as our leader!” Ye Qingxuan said condescendingly.

“You better stop now before I couldn’t control myself!” Lei Yun said warningly.

“You know, soon, I will become the new Minister of Divine Runes in the Netherworld Empire. If the Spirit Race would think for a second, I will give you a chance one more time to join with me!” Lei Yun said confidently.

“I would also give you one last proposition! I will let you walk away safely if you release the Spirit Race and especially the Old Ancestor from the prison!” Ye Qingxuan said confidently.

“Hahaha, did you really thought that the Old Ancestor still useful? He was tortured every day in prison! They even use the Soul Searching Technique toward him! there is no way that he was still sane after all that!” Lei Yun said while laughing profusely.

Ye Qingxuan was surprised to hear the words that came out of Lei Yun’s mouth; she was afraid that the worst had happened!

The Old Ancestor had been used as a target to the Soul Searching Technique to extract the information about their Divine Runes Great Array!

Suddenly, Lei Yun stomped his foot to activate the Divine Runes that he has already prepared beforehand. A terrifying electric current was discharged in the sky, and combined with Lei Yun’s Spiritual Aura, he controlled the electricity and shot it towards Yi Tianyun and Ye Qingxuan!

The attack was at the level of the Core Transformation Peak Stage Attack!

Yi Tianyun was excited to see that attack; he will have some additional exp from absorbing that energy attack! He used his Absorbing Stars Great Technique to block that attack, leaving no one from his side damaged at all!

Lei Yun was shocked to see that his attack didn't even hit anything!

"Is this the best that you can do?" Yi Tianyun taunts Lei Yun for his weak attack.

"Did you have anything else that you wanted to ask? If you do, I will capture him alive for you." Yi Tianyun asked to Ye Qingxuan.

Ye Qingxuan was surprised and said that if that wasn't too much trouble, then Ye Qingxuan wished Yi Tianyun to do so!

Yi Tianyun nodded and immediately shot a couple of arrows from the Ice Cold Divine Bow, Which Lei Yun quickly dodged. With his Divine Rune revolving around Lightning Attribute, he had an amazing speed!

Lei Yun immediately tried to escape from Yi Tianyun as he knew that he needed to be prepared before fighting someone like Yi Tianyun, but unfortunately for him, Yi Tianyun had the same speed if not faster than him!

Yi Tianyun quickly chased after Lei Yun and caught up in no time!

"What?"

Lei Yun who felt that his life was in danger quickly shot a lightning bolt towards Yi Tianyun, but once again, that lightning bolt was nothing to Yi Tianyun, he blocked Lei Yun's attack with ease, and because Lei Yun stopped for a second to shoot the Lightning bolt, Yi Tianyun quickly caught up and punched Lei Yun in the chest as hard as he could, flinging and smashing him against the hard tree!

“You know, your lightning based attack was hardly even tickling me!” Yi Tianyun said while sighing in boredom.
