

Leveling 371

Chapter 371

Yi Tianyun flew slowly so that the enemy could follow him easily. He already knew that a group of men who were following him from below as his perceptual ability was higher than any cultivator near his stage.

“They immediately followed me as soon as I left the city! But it seems they are just a bunch of small fries!” Yi Tianyun said to himself and decided to speed up a little bit.

“Did they discover us? Why would they speed up like that? Quickly, chase them!” The leader said frantically.

The group of men panicked and immediately rushed to chase Yi Tianyun and the clone so that they wouldn’t be too far behind!

But as they finally saw Yi Tianyun again, they were confused as they couldn’t see Ren Zhirou anywhere.

“Did they really notice our presence? Where is the princess? Did she hide herself after they noticed us?” The leader said wonderingly.

“We have to divide our group into two units! One will keep chasing the brat and surround him while another unit will search for the princess!” the leader said commandingly.

The group immediately obeyed and separated themselves into two small groups.

They didn’t know that the clone simply expired and disappeared into thin air!

The first group immediately caught up with Yi Tianyun and stopped him.

“Brat, tell us where the princess is! If you cooperate with us, we will make sure to leave you alive!” the leader said menacingly.

"I could tell you her whereabouts, but I am afraid you will have to die right after!" Yi Tianyun said playfully.

"If that's the case, then don't blame us for what about to happen to you right now!" The leader said menacingly.

"Men! Capture him!" The leader shouted, and his other two companions immediately surrounded Yi Tianyun and pulled out a bundle of semi-transparent rope, ready to capture him.

'Bundle of Gods: A highly durable capturing tools, not even a Void Spirit Stage Expert could get out once trapped inside!'

Yi Tianyun sighed as he saw the details of the tools that the enemies were using.

Once the trio started throwing the ropes to tie him up, Yi Tianyun immediately teleported behind one of the enemies and punched the poor man so hard from the back!

The man immediately was thrown away a little bit far and slammed the ground hard, instantly killing him.

'DING!'

'Successfully killed Feng Yun!'

'Reward: 390.000 Exp, 4.500 CPs, 300 SPs, Bundle Lock Martial Arts, Dragon Sealing Secret Art, Bundle of Gods, Poison Dragon's Toxin.'

After killing the first man, Yi Tianyun quickly pulled out the Cold Ice Divine Bow and immediately used the Fury of Ice Cold toward the enemy's leader!

The enemy's leader was shocked to see a powerful attack coming towards him at very high speed!

He wanted to escape the area of effect of Yi Tianyun's attack, but sadly, he wasn't fast enough and was immediately killed after turning into an ice sculpture in the air and shattered into thousand pieces once he fell on the ground!

Unfortunately, Yi Tianyun's high speed arrow also caught the last enemy who happened to stand closely with his leader, freezing him into an ice sculpture too!

The remaining enemy sensed the powerful aura coming from the way that the leader should be and immediately rushed over to check the situation, but once they arrived on the scene, they were shocked to see their companion and leader were already dead!

"This is a trap! We have to leave, quickly!" One of them shouted and turned around to escape.

But they were surprised as they heard Yi Tianyun's voice was close by.

Once they started to run, they immediately realized that Yi Tianyun was already waiting for them!

"Don't you want to surround me earlier? Don't you want to capture the princess? Why would you choose to run away now? Come, I too am tired of waiting!" Yi Tianyun said while walking towards the men menacingly.

Chapter 372

Yi Tianyun released his aura, making the enemy shuddered from the intensity of his aura.

But they didn't try to escape this time as they know that they won't get far!

Instead, they immediately used the Dragon Sealing Secret Art that they had!

The three of them immediately activated the Dragon Sealing Secret Art, connecting their spirit power to each other, possibly to increase the effectiveness of the skill as Yi Tianyun knew that if a group of people successfully linked their Spiritual Power to each other, they will get an immense boost of power after!

But it was nonetheless a difficult feat to achieve!

“Now, I am impressed! You guys clearly had trained so hard to achieve this kind of cooperation, but unfortunately, your power is still not enough! If the six of you cooperate like this, you may have a chance, but they already died before you have a chance to try!” Yi Tianyun said sarcastically.

Yi Tianyun immediately aimed his Ice-Cold Divine Bow towards the remaining enemies, but the enemy quickly pulled out a Peak Grade Soul Tool of their own, and once again, their spiritual power rose significantly.

Yi Tianyun, who didn’t want to face any kind of trouble later, immediately shot three arrows straight towards each man.

While they successfully increased their Spiritual Power significantly, Yi Tianyun’s arrow was still too much for them!

The three men couldn’t hold their ground and were immediately thrown off from the arrow’s impact!

The spiritual net that was starting to materialize around Yi Tianyun immediately disappeared as soon as the three men were knocked down.

Suddenly, kill confirmation notices popped up in front of Yi Tianyun, informing him that he successfully killed two out of three of them!

The last person alive was immediately tied into the three as Yi Tianyun wanted to ask him the question regarding the Great Emperor Ren!

“You, you killed all my brothers!” The last enemy said furiously.

“So? You’ve killed so many people before! Aren’t we the same?” Yi Tianyun said indifferently.

“I will kill you! I swear on my brother’s grave!” The guy said furiously while trying to break free from his bond.

“So, you are clearly not an amateur in this profession, so answer my question, and you might be freed! Who ordered you to assassinate the princess and me now?” Yi Tianyun asked casually.

“Nonsense! If you know that we aren’t amateurs, you should know that I would never give you that information!” The guy named Feng Tu said.

“Well, you just make the situation much more interesting!” Yi Tianyun said as he pulled out a pill from his pocket and immediately fed it to Feng Tu forcefully.

“What did you give me? What poison is this?” Feng Tu asked as he gradually became paler.

“Well, this is a fairly new poison! I gave it to you for experimentation! I do have the antidote, however!” Yi Tianyun said casually.

Feng Tu then screamed as the poison spread to his system, and he suddenly felt excruciating pain!

As time went by, Feng Tu became weaker due to the poison and pain that he suffered.

However, Yi Tianyun didn’t show any sign of mercy to Feng Tu at all.

“How does it feel? Now, you may experience more pain as I will use soul search on you!” Yi Tianyun said as he activated the Soul-Searching Ability.

Yi Tianyun already had this ability for long, but he didn’t feel the need to use this skill before because he didn’t need to interrogate someone like he was about to do now!

As soon as Yi Tianyun used the ability on Feng Tu, Feng Tu began to rant incoherently.

"I killed the entire Fang Family! I also killed the Liu Family while I disgrace their daughter in front of her own father!" Feng Tu said uncontrollably, but none of this was the information that Yi Tianyun needed!

All Yi Tianyun wanted to be the name of the person who hired them to capture Ren Zhirou and the information about Great Emperor Ren!

But as Yi Tianyun waited for the information he needed, Feng Tu has already gone crazy and useless!

So, without wasting more of his time on a crazy person, Yi Tianyun left toward the Coiling Dragon Cave!

Chapter 373

After quite some time, Yi Tianyun didn't come across any other people who tried to get in his way, so he assumed that the group of assassins earlier was the best that the enemy could hire for this job!

Yi Tianyun was a little bit disappointed that he wouldn't be fighting any Void Spirit Expert for the moment!

The Heavenly Dragon Dangerous Area wasn't that far away from the Imperial City as it only took Yi Tianyun a day to get there.

As he approached the Heavenly Dragon Dangerous Area, Yi Tianyun realized that the place was buzzing, there were so many cultivators coming in and out of place, and there were also many merchants on the entrance, ready to sell many weapon and armor to the cultivator.

"This place is quite lively! Is this place really a Dangerous Area?" Yi Tianyun said to himself in complete disbelief.

Yi Tianyun decided to continue to fly inside as there was nothing else that he needed to do outside of the place.

As he pressed onwards, the deeper he goes, the heavier the pressure was!

It seems this place was pushing him to the ground somehow!

Yi Tianyun quickly decided to walk as it was like ton bricks were placed on his back as he flew.

As soon as Yi Tianyun walked on the ground, the pressure was completely weakened!

But he could still feel the immense pressure of that place.

Yi Tianyun knew at that moment that none of the low stage cultivators would be able to come inside, as they will be crushed under the immense pressure of that place!

Yi Tianyun quickly used his Appraisal Eye to investigate the place.

‘Heavenly Dragon Dangerous Zone: A place where the powerful Heavenly Dragon’s power resides. It is not recommended for any cultivator below 8th Level Spirit Refinement Stage.

Yi Tianyun could also see the amount of pressure in the air, and he saw that the pressure even reached 100.000.000 points near the clouds!

Who could afford to come up there!

Yi Tianyun also noticed that he currently could afford 10.000.000 points of pressure right now as he couldn’t afford to fly any higher than that!

Fortunately, this place didn’t require flying that much!

Focusing his attention on his surrounding, Yi Tianyun realized that the place was quite beautiful and didn't seem dangerous at all.

Apart from the immense pressure, that place was quite normal!

But this place was still the outer part of the area, so there was no telling what else lay ahead!

Yi Tianyun also realized that many Spirit Refinement Stage cultivators were walking around the place, and some of them even sat down and cultivated around the outer area, with the immense pressure that place had, they might be able to cultivate a lot faster there!

At first, Yi Tianyun wanted to warn them as their cultivation wasn't high enough to enter that place, but he knew that the cultivator rarely abode a stranger's advice, so he decided to let them be as he realized that those cultivators came at their own risk!

Sure enough, as he walked deeper inside, no cultivator bothered talking to him.

Yi Tianyun also knew that they had no obligation to be friendly either, so Yi Tianyun also ignored them completely.

But as soon as he walks further inside, he realized that the amount of cultivator drastically changed, the cultivator was much scarcer in here, he only occasionally found a Core Transformation Stage Expert cultivating on their own, while earlier he could find a group of cultivators at the same time.

"Hey, I am Xu Fei. Would you like to go inside the Coiling Dragon Cave together?" Suddenly, someone approached and talked to Yi Tianyun.

Yi Tianyun immediately looked at the young man with his appraisal eye and saw that the young man was at 9th Level Core Condensation Stage, and he looked friendly.

But after a while, a few other people also approached Xu Fei, introducing themselves as Xu Fei's companion.

Yi Tianyun looked up their data and noticed that the highest cultivator among them was at 2nd Level Spirit Core Stage!

There was also a female cultivator in their midst, and the girl didn't even bother to acknowledge Yi Tianyun's presence.

"You are all going to the cave?" Yi Tianyun asked curiously.

"Yes, Coiling Dragon Cave is the best place to cultivate! You can even get your hands on a Dragon Bones inside! You probably can even sell it at a high price to cover for your resource later!" Xu Fei said excitedly.

Yi Tianyun frowned a little as he found the group in front of him was basically a nuisance, Yi Tianyun could act the quickest when he acted alone!

"You seem new! Don't worry, you could count on us to get by as we already knew the way around here. Sometimes, there was a newcomer who was too naive to ask for help and fell into a trap or got lost inside! But I need 1.000 Spirit Stone to act as your guide, would you like to accept my offer?" Xu Fei said while smiling warmly toward Yi Tianyun.

Yi Tianyun immediately smiled as he finally realized that Xu Fei was only a guide in here.

"Okay, as long as you successfully guide me to Coiling Dragon Cave, I will give you the thousand Spirit Stones!" Yi Tianyun promised.

Chapter 374

"Welcome to our party, now let us go to Dragon Coiling Cave right away!" Xu Fei said excitedly.

Yi Tianyun nodded his head and decided to follow them from the back of the group as he realized that none of them really wanted to talk to him.

“Big Brother Liang, will we be able to find any trace of the Great Emperor this time?” A woman said, which piqued Yi Tianyun’s interest.

“I hope so. If we do, the Princess will give us so much reward later! I hope we could get our hands on some Dragon Bones too!” the man, Liang Yuantian said excitedly.

“Yeah, I really want that Holy Tool that she promised!” The woman said dreamily.

“But still, we have to try our best! There were so many people coming to this place. There is no telling whether we will be the first to find the Great Emperor!” Liang Yuantian said reprimanding the girl.

“You have to be careful too. I won’t always be able to protect you, Huang Ting!” Liang Yuntian said solemnly.

“Of course, I will always listen to your order, Big Brother Liang!” The girl named Huang Ting said obediently.

After that conversation, Yi Tianyun was no longer interested to hear their conversation, as it didn’t concern him anymore.

But Yi Tianyun now knew that Ren Zhirou really did her best to find any information regarding her brother, even promising a Holy Tool to the one who could find any trace of her brother!

As soon as they got near the premise of the Coiling Dragon Cave, Xu Fei stopped them and scouted the front to see if there were any group of cultivators around.

“Hurry up, we already took too much time!” Liang Yuantian said impatiently.

“If you insist, we could go in right now, but once we’re inside, I will not take any responsibility for anything that could happen, understand?” Xu Fei said annoyedly.

“Okay, I get it! let’s go in now!” Huang Ting said impatiently

“Besides, what else can happen when Big Brother Liang is here?” She said proudly.

Liang Yuantian’s face was full with cockiness, Yi Tianyun sighed as he already saw this scene countless times, the guy who was too stupid to see his own carelessness.

Yi Tianyun knew that the guy would soon regret for being careless like this!

“I hope you obey my instruction, friend! This place is dangerous!” Xu Fei said helplessly to Yi Tianyun.

“Of course, that is natural to follow my guide instruction.” Yi Tianyun said casually with a smile on his face.

Xu Fei’s face showed some form of relief, and he immediately told them to follow him right away!

Xu Fei also reminded them that if any of them couldn’t progress anymore, whether it was due to fatigue or the pressure and they were unable go on, they should tell him, and he would assess if the group could continue or not!

They all nodded in unison and Xu Fei continued to advance forward.

Along the way, Yi Tianyun looked around the cave. He didn’t show any extraordinary difference between the inside of the cave with the outside, beside the darkness that gradually filled the place as the sunlight couldn’t penetrate the thick cave wall.

“Are you sure this is the right way? I haven’t seen anyone for quite a while!” Huang Ting commented behind Xu Fei.

“This path is a lot safer, as the path was small, the Demon Beast tend to avoid this place!” Xu Fei said annoyedly.

Yi Tianyun was also annoyed on Huang Ting's behavior, it was clear that she couldn't do much here, but she still acted like a spoiled child!

Xu Fei continued to guide them further inside, but after a while, a spirit grass garden was seen from afar.

Huang Ting's eyes lit up and immediately approached the Spirit Grass, but when she was about to pluck one of them.

"Stop what you are about to do now! It was clear that the Spirit Grass in this place wasn't mean to be picked. If you want to die, wait for us to get ahead!" Yi Tianyun said coldly toward Huang Ting.

"Brat, watch your mouth!" Liang Yuantian said as he drew his sword toward Yi Tianyun.

"Hey, what are you doing! This place is dangerous, stop playing around! Don't pick up random stuff, this place is full of traps!" Xu Fei said annoyed.

"Hmm, you are lucky that we didn't have any free time right now, Brat!" Liang Yuantian said coldly to Yi Tianyun and immediately walked away with Huang Ting in tow.

Yi Tianyun didn't bother to take Liang Yuantian's word seriously as he knew that the guy would be in trouble soon!

Chapter 375 Snake

As the group continued to advance deeper into the cave, the Spirit Grass grew taller as the level grew higher. This was normal in a place called a Dangerous Area, as Demon Beast often used it as a trap to lure cultivator over.

"Brother Liang, look! There is a Life Prolonging Fruit over there!" Huang Ting said suddenly.

"You are right! We will be able to raise it inside the mansion if we give it to the Old Ancestor!" Liang Yuantian said excitedly.

“Hey, leave it alone! Anything in this place could cause trouble later!” Xu Fei said knowingly.

“What are you talking about! What are you afraid of? Look at this place, it was completely silent! Forget it, I will take it myself!” Liang Yuantian said annoyedly.

“Yeah, you are a scaredy-cat, aren’t you? There is no demon beast around! Oh well, at least Brother Liang was brave enough to get it himself!” Huang Ting said with a smirk on her face.

“I advise you to obey our guide! Your greed will be your undoing!” Yi Tianyun said casually.

“Shut up! If you can take it, then it is not greed!” Liang Yuantian said scornfully while proceeding to the fruit’s location.

“Please stop! This is a Dangerous Area! You couldn’t take things lightly!” Xu Fei persuaded some more, but unfortunately, they paid no heed to his words!

As soon as Liang Yuantian approached the tree that bore the Life Prolonging Fruit, a huge snake immediately appeared out of nowhere and immediately coiled Liang Yuantian’s body while swallowing his head!

Liang Yuantian struggles for a while but soon fell into the Demon beast’s strong power and stopped moving after a while.

Yi Tianyun immediately knew that the man was dead at that point, the demon beast has already crushed the poor guy’s skeleton for sure!

Huang Ting on the side screamed as she was shocked to see Liang Yuantian was completely helpless, but Xu Fei immediately reached out to her and covered her mouth while saying that she couldn’t make any noise, or more demon beast will surround them!

But he was already too late, another snake rushed towards Huang Ting and Xu Fei, completely caught Xu Fei off guard!

Fortunately, Yi Tianyun wasn't completely heartless, he immediately trampled the snake to help the two out!

'DING'

'Successfully killed Phyton!'

'Reward: 40.000 Exp, 3.800 CPs, 50 SPs.'

Xu Fei was surprised to see Yi Tianyun's power as the Demon Beast was at 5th Level Spirit Core Stage and wasn't supposed to be easy to deal with!

However, Huang Ting didn't feel the same way about Yi Tianyun.

"You are clearly powerful, why didn't you try to save Brother Liang earlier?" Huang Ting said with teary eyes.

"I don't have any obligation to save him, that includes you! However, I do need my guide! Brother Xu already told you not to get near the fruit earlier, didn't he? So, which idiot doesn't feel the need to obey their guide's advice?" Yi Tianyun said indifferently.

"How could you say that!" Huang Ting said as she cried and covered her face.

"This is the Heavenly Dragon Dangerous Area! If you want to mourn the death of your lover, you'd better leave!" Yi Tianyun said with a frown on his face as he didn't want any more unnecessary trouble.

"I am sorry!" Huang Ting said as she tried to stop crying, she was scared that she would be left behind alone.

Yi Tianyun looked at her coldly and immediately walked toward the fruit and took it for himself.

"You idiot, a rare fruit in the middle of nowhere? There is no way it wouldn't be guarded! These idiots don't even understand basic knowledge! Useless piece of shit!" Yi Tianyun said as he crushed the fruit in his hands. He didn't see any value of the fruit as its effect wasn't really that good.

"Thank you, Brother Yi! You have saved my life! I will not charge you for today's expedition!" Xu Fei said thankfully.

"No, I should be thanking you! You are very professional and knowledgeable of this place, and I know that you wouldn't disappoint me here!" Yi Tianyun said with a smile on his face.

"It was their own fault, you already warned them of the danger, but they didn't listen!" Yi Tianyun added sourly.

"Well, that kind of people always exists!" Xu Fei said bitterly.

"Now, you either return the same way we got here or follow us silently. Make your choice, bitch!" Yi Tianyun said toward Huang Ting.

Huang Ting hesitated for a while, but purposely came close to Yi Tianyun and threw herself towards Yi Tianyun to flirt with him a little, but Yi Tianyun already knew of this move, and it didn't affect him even a little!

Yi Tianyun even moved away as she threw herself towards Yi Tianyun's arm, resulting in her falling into the mud!

"Don't you dare touch me, bitch! Or I will personally feed you to the demon beast out there!" Yi Tianyun said coldly to Huang Ting.

"You make me sick! Disgusting whore!" Yi Tianyun said with disgust on his face.

Huang Ting's face turned white as she didn't expect Yi Tianyun to be disgusted by her action, she hurriedly stood up and obediently walked back while looking at Xu Fei in the eyes.

“Don’t expect much from me either! If you want to survive, either you walk back out from the way we go in earlier, or quietly follow us inside!” Xu Fei said coldly to Huang Ting.

Huang Ting hurriedly ran back toward the entrance as she realized that there was nothing left for her in here. She didn’t have any more protection, if she chose to follow Yi Tianyun and Xu Fei without them caring about her, only death would await her inside!

Chapter 376

Huang Ting wanted to rely on her beauty to get more resource, but she didn’t expect that Yi Tianyun wouldn’t be swayed by her beauty, not even Xu Fei sympathized with her dilemma!

After Huang Ting left, Yi Tianyun and Xu Fei continued tracking deeper like they originally wanted, but this time it was so much quieter!

While his payment was reduced as he said it himself that he wouldn’t take Yi Tianyun’s payment, his professionalism was still spot on!

Xu Fei, guided Yi Tianyun throughout the place while choosing the safest route to go deeper, so far, Yi Tianyun didn’t even encounter any Demon Beast!

“It seems that you have entered this place for quite some time. Otherwise, you wouldn’t be this familiar with this place!” Yi Tianyun said appreciatively.

“I do get in here for many times, at first I was only here to collect Spirit Medicine, but gradually I also noticed many rare materials and treasures scattered around the place, unless it was guarded by a weak demon beast, I wouldn’t dare coming close to it!” Xu Fei said solemnly.

“Well, that was expected, safety is far more important than wealth! But you adept at exploring this place, you are sensitive to your surroundings! I guess you have some sort of Perception Type Innate Ability, don’t you?” Yi Tianyun inquired.

“Wow, you are observant! Yes, I am born with a strong innate perception of danger. I can sense danger in advance, and thus I immediately deviated to avoid it! But it doesn’t really matter on cultivation world, this innate ability won’t do me any good in a fight!” Xu Fei said with a little bit of disappointment on his tone.

“What are you talking about? With this Innate Ability, you could become an Army General with a short amount of time! Just think about it, if you could avoid a dangerous situation, you could provide your troops with ample information to lead them to glory! You are certainly a commander material!” Yi Tianyun said excitedly.

“Little Brother Yi, you’re exaggerating! Not even my family ever said anything like this!” Xu Fei said with a look of longing in his face, but he immediately snapped out of it and returned to his duty of guiding Yi Tianyun deeper into the cave.

Soon enough, they arrived at a stone formation that replicated a coiling dragon, with its mouth serving as another gate or cave entrance.

Yi Tianyun was a little bit surprised, as the stone formation was huge!

There was no doubt on his mind that in the past, this place was really a home to the Dragon Clan!

“This place looks quite spectacular!” Yi Tianyun said with awe.

“Yeah, this is the real Coiling Dragon Cave! There were rumors stating that the place had so many treasures in it, but I didn’t dare to go in! I always felt uneasy about this place, and that is also why this is as far as I can take you! If you choose to go in, I am afraid that you have to go alone!” Xu Fei said with an apologetic look on his face.

Yi Tianyun contemplated his choice, he knew that his cultivation was strong enough to explore the place, but the place indeed looked menacing, which meant challenge!

“Here is a thousand Spirit Stone for your effort! I promise to give you this much, and thus I gave it to you no matter what!” Yi Tianyun said while handing a thousand Spirit Stones towards Xu Fei.

“No! Little brother Yi has saved my life! I already made up my mind that I wouldn’t take your money, and I am a man of my words! If you insist on giving me that money, I will leave it here!” Xu Fei said confidently.

Yi Tianyun didn’t feel any ulterior motives from Xu Fei’s tone, which meant that man was determined to walk away without bringing any money!

So, he tried to pay Xu Fei in another way!

“Okay, I won’t force you to take these spirit stones anymore, but in exchange, I will give you another proposition! I will enter this Coiling Dragon Cave, and I would like you to join me! I will guarantee your safety as long as you follow my every instruction in case of danger!” Yi Tianyun proposed confidently.

Xu Fei suddenly stopped and pondered on Yi Tianyun’s word, he knew that Yi Tianyun was powerful. Therefore this could be the only chance that he got to enter the real Coiling Dragon Cave!

“I will go with you, Little Brother Yi! No, you should be Big Brother Yi instead! I will trust my life to you, Big Brother!” Xu Fei said excitedly.

Chapter 377

Yi Tianyun really thought that Xu Fei was a good person, dedicated and responsible!

Yi Tianyun didn’t even feel any greed coming from the guy during the whole time he followed him.

Yi Tianyun even thought about recruiting Xu Fei into Heaven’s Top Mansion, but he refrained from mentioning anything about it for now!

“I’ve always dreamed of going inside, but without any reliable reinforcement, I couldn’t force my way in there!” Xu Fei said excitedly.

“You have to be at 5th Level Core Transformation Stage, aren’t you?” Xu Fei asked.

“No, but you are close!” Yi Tianyun said with a smile on his face. His real combat power has already rivaled a 3rd Level Void Spirit Stage, but he didn’t like to brag!

“Wow, I am really lucky! If I didn’t meet you, I guess I will never have a chance to enter this place!” Xu Fei said excitedly.

The two of them immediately climbed the rock formation, with Xu Fei near him, Yi Tianyun could safely access the area with a low number of Demon Beast around!

Now, the real problem was just climbing the steep rock formation!

Although his cultivation was high, Xu Fei felt the domineering atmosphere from that place!

He felt that the place was slowly pulling him down!

“Do you need some help?” Yi Tianyun said as he realized Xu Fei was gritting his teeth.

“No, at least I have to climb up on my own! If I fail, then I really wasn’t strong enough to go to this place!” Xu Fei said determinedly.

Yi Tianyun nodded as he admired Xu Fei’s determination.

“Okay, but I will follow your pace!” Yi Tianyun said casually. But a voice suddenly interrupted their pace.

“Hey, isn’t that Xu Family’s young master who escaped marriage? Why is he here? Well, if we notify Xu Family, they will surely reward us for finding their problematic child!” A Spirit Core Stage cultivator said condescendingly.

“Xu Jian! What are you doing here!” Xu Fei said annoyedly.

“Well, I am here to enter the cave, what else would I be here for! I didn’t expect you to be here, that’s for sure! I’m pretty sure your cultivation is not high enough to enter this place, am I wrong? You better don’t force yourself, boy!” Xu Jian said condescendingly.

“Or maybe, you need approval from Miss Qin Shuang to marry her instead?” Xu Jian said sarcastically.

“You don’t have anything to do with me! You better shut up!” Xu Fei said angrily.

“Of course, it has something to do with me! You were running away to the Queen of Qin Family instead of my family!” Xu Jian said sneering at Xu Fei.

Xu Jian immediately lifted his foot in order to kick Xu Fei down, but Yi Tianyun immediately stopped him from doing so by slapping Xu Jian, hard enough to make him faint.

“How dare you hit me! Do you know who I am?” Xu Jian said in anger.

“I don’t know who you are, and I don’t care! If you touch him, you are dead!” Yi Tianyun said threateningly.

Yi Tianyun threatened them while deliberately exuded some of his aura and killing intent, but it seemed Xu Jian and his men didn’t realize the cold and terrible aura coming from Yi Tianyun!

“Damn you, capture them both!” Xu Jian said to his men.

But Yi Tianyun was so much stronger!

While two of Xu Jian’s men rushed towards him, Yi Tianyun immediately cut their tendon with a small knife, making them fall to their death!

Yi Tianyun then immediately ordered Xu Jian to leave as Yi Tianyun didn’t want to see his face again!

Xu Jian seemed shaken from the death of his men, their cultivation wasn't extraordinary, but they were considered strong enough!

But it didn't matter to the guy in front of him, he still killed the both of them quite easily!

"I will remember you, bastard!" Xu Jian said as he finally climbed down toward the exit.

"Thank you very much, Big Brother Yi! I am very sorry that you had to help me with my personal problem!" Xu Fei said sincerely.

"It's fine, I don't mind! Let's continue our journey!" Yi Tianyun said casually.

Yi Tianyun held back, that was why he didn't kill Xu Jian straight away!

Chapter 378

After the ordeal with Xu Jian, Xu Fei quickly climbed the rock formation again, he wasn't exactly fast, but he didn't fall behind either, he paced himself calmly so that he wouldn't exhaust himself later.

Below him, Yi Tianyun followed silently while assessing the situation around them, he noticed that some other cultivators also tried to climb the rock formation away from them, but Yi Tianyun didn't feel any danger for the moment.

"I have climbed this rock formation before, but this is the closest I have come to the cave entrance!" Xu Fei said while catching his breath.

After arriving at another flat area, Xu Fei took a rest and immediately started cultivating on the spot.

Yi Tianyun knew that Xu Fei was on the verge of breaking through his cultivation stage, so he let Xu Fei take his time.

"I broke through! Brother, I have successfully broken through my cultivation stage!" Xu Fei said excitedly.

"This is all thanks to you, Big Brother Yi! Without you, I would never achieve this!" Xu Fei said gratefully.

"No, it's all your hard work! Even if I am not here, you will be able to break through nonetheless!" Yi Tianyun said with a smile on his face.

"Now now Big Brother, you are too kind! Now let's go to the top, I am confident that I could reach the top now!" Xu Fei said excitedly.

Sure enough, Xu Fei climbed the rock formation quicker than before, allowing them to be more efficient on time!

At the peak, Yi Tianyun noticed that the pressure wasn't as high as when he tried to fly earlier.

"I am here! I can finally climb the Coiling Dragon Cave entrance!" Xu Fei shouted excitedly.

"Congratulation on your personal achievement! But are you ready to advance inside?" Yi Tianyun asked with a light smile on his face.

The climb toward the entrance is just the beginning, the real danger was inside the Coiling Dragon Cave itself!

"I am ready!" Xu Fei said confidently.

"Well, then let's go!" Yi Tianyun said excitedly while taking the lead and went inside.

As he stepped inside, Yi Tianyun noticed that the pressure was slightly lower than the outside, although it didn't really matter for him, he knew that it would be a relief for Xu Fei.

The first few chambers inside the cave had nothing special in it, as Yi Tianyun saw many cultivators used the chamber as a resting place.

The cave itself was confusing as there were many holes leading to a different path.

“This Coiling Dragon Cave is truly mesmerizing! The rumor doesn’t serve it justice! This place is a lot more dangerous than the rumor said!” Xu Fei said with awe.

“My danger sense was jumbled, I don’t really know if the danger comes from this hole or the other hole beside it! We need the luck to traverse this place!” Xu Fei added disappointment.

Yi Tianyun agreed with Xu Fei, but he was also quite confident that with his strength, he believed that he would be able to get through any danger lurking in that place.

“Hey, look! If it isn’t Xu Fei! I didn’t expect him to escape here of all places!” A voice was heard from the distance.

“Yes! I heard that he runs away from his family to marry the queen of Qin Family, but unfortunately, the Qin Family didn’t approve of him as his cultivation was too low! I guess he came here to cultivate to achieve his goal!” Another voice was heard in the distance.

It seemed Xu Fei was well known among many cultivators in Heavenly Dragon Continent, maybe it was because Xu Fei’s Family had quite a strong influence around the parts.

“Just ignore them, they don’t have anything to do with you and your decision!” Yi Tianyun said as he saw that Xu Fei began to get unnerved.

“Yes, Big Brother Yi! Thanks!” Xu Fei said as he clenched his fist to hold back his emotion.

“Hey, it seems that Xu Fei got himself a backer! I don’t know why he chooses a brat for a backer though, but he called him by Big Brother Yi? Or the cocky Xu Fei finally gave up chasing girls and instead found a little boy for a toy?” another voice said not too far from them.

“Don’t you dare badmouth Big Brother Yi!” Xu Fei said as he pulled out his sword in anger.

“Why? Are you afraid your relationship with your Big Brother Yi will be heard by the Queen of Qin Family?” Another voice teased Xu Fei.

“He wanted to start a fight! Let’s see if he at least has more backbone on him since last time!” The first voice said tauntingly.

“Let’s go then! Who will be my first opponent?” Xu Fei said furiously.

Yi Tianyun on the side smirked, he originally wanted to shut these people’s mouth himself, but after he saw Xu Fei’s confidence, he decided to observe the fight for the moment!

Chapter 379

“I Will go first! I will show what a man truly is to these pussies!” Si Cheng said confidently.

Yi Tianyun notices that Si Cheng’s cultivation was only at the 1st Level Spirit Core Stage, but it was still higher than Xu Fei!

“Good, if you lose, you better apologize to Big Brother Yi!” Xu Fei said confidently.

“Well apologize sure is a big thing for a girl! But what if you lose?” Si Cheng said tauntingly.

“If I lose, I will break one of my arms!” Xu Fei said confidently.

“Now, that makes things a lot more interesting!” Si Cheng said as he pulled out his sword and rushed toward Xu Fei, intending to settle this right off the start.

Xu Fei immediately pulled out his long sword and, in an instant, flashed over the charging Si Cheng, Yi Tianyun noticed that Xu Fei’s speed was far too fast for Si Cheng to react to!

Si Cheng was confused as he saw Xu Fei's speed, but he didn't feel like Xu Fei has attacked him!

Si Cheng immediately rushed toward Xu Fei once again, but as he moved, blood splattered from his arm!

He looked over at his arm and found it was already on the ground, cut off from his body!

"Now, apologize!" Xu Fei said coldly.

They were surprised to see Si Cheng has already lost, even though the duel has just begun!

Not many of them could see what Xu Fei just did.

"That is definitely Xu Family's Light Sword Secret Art! If you aren't a high leveled cultivator, there is no way you could see what he just did there!" Someone with higher cultivation said to break the ice.

"Apologize for shit! Guys, help me beat them up!" Si Cheng said as his eyes were filled with grievances.

Several men came up without hesitation toward Si Cheng while pulling their own sword out!

These men have slightly higher cultivation than Si Cheng which made Xu Fei's complexion changed a little, although the sword technique that he just used was indeed strong, he couldn't do it in succession!

Even more so against several strong opponents!

"Well, look at that! Some people really have no shame! After agreeing to one on one, he asked for help once he's cornered!" Yi Tianyun said from the side, he immediately rushed toward the group of men and slapped their faces one time each!

They were sent flying and hit the wall with a mere slap! Furthermore, it broke their teeth, making blood flow out of their mouth!

“Xu Fei, now you can teach anyone you don’t like a lesson! I will stand here and make sure that they wouldn’t do anything stupid!” Yi Tianyun said coldly.

The scene shocked everyone in the room!

A young man had knocked down so many people in such a short amount of time with ease!

The young man didn’t even care for if the people he just hit was from a huge faction or a well-known family!

“How dare you hit me!” A man said, after getting knocked down by Yi Tianyun.

“Xu Fei, it seems that man wants to go first!” Yi Tianyun said coldly.

Xu Fei hesitated for a bit, but immediately obeyed Yi Tianyun’s order and walked to the beaten man and immediately slapped him to the ground.

“Hey trash! You better apologize to Big Brother Yi now! How dare you look down on him like that!” Xu Fei said as he kept slapping the man’s face.

“Hey, that’s enough! They are Army General Si’s men! You will be in so much trouble if you insist on doing this any longer!” A Core Transformation Stage expert came over and tried to stop Xu Fei.

“Just continue what you are doing, Xu Fei! Don’t stop until you’ve vented out all your anger!” Yi Tianyun said confidently.

“Yes, Big Brother Yi!” Xu Fei said as he continued to slap the man’s face. Xu Fei looked like a mad man!

He constantly slapped the man in front of him that the people were doubting that the man was capable of apologizing to stop Xu Fei himself!

“You are really pulling my hands here!” The core transformation expert said as he rushed toward Xu Fei with strong killing intent.

“Now, who pulled your hands?” Yi Tianyun said as he stopped the core transformation expert’s advance toward Xu Fei.

The expert was stunned as he couldn’t react to Yi Tianyun at all, “You! what are you...!” The expert was stopped once more as Yi Tianyun slapped his face.

“What are you doing!” The expert said, but Yi Tianyun slapped him once again.

“Don’t you...” the expert was trying to say something, but Yi Tianyun slapped him before he could finish his sentence.

“What did you get to say again?” Yi Tianyun said as he slapped the expert once more.

Yi Tianyun noticed that the expert’s face was already swollen badly, and thus he quickly slapped the expert once more and let him go.

‘DING!’

‘Successfully killed Lu Tian!’

‘Reward: 34.000 Exp, 3.400 Cps, 150 Sps, Hawk Claw Martial Art, Iron Hawk Claw, Tielong Cedar, 100.000 Exp pill.’

Yi Tianyun was surprised after getting the kill notification, he didn’t expect a Core Transformation Stage expert was that fragile!

Chapter 380

Everyone was shocked to see a Core Transformation Stage Expert was easily killed just like that, shutting their mouth for they were afraid that the young man would go after them next!

They weren't wrong. Even a low tier cultivator would be able to see that Lu Tian was dead, as his Spiritual Energy was gone!

"Now, is there anybody else who wants to question my decision?" Yi Tianyun said toward the rest of the people inside the room.

No one dared to talk back as they feared Yi Tianyun and unconsciously took a step back, proving Yi Tianyun's dominance over them.

"Big Brother Yi, I am done here!" Xu Fei said as he approached Yi Tianyun while catching his breath.

Yi Tianyun looked over to Si Cheng and noticed that he was beaten to a pulp, Yi Tianyun looked at Si Cheng in disgust, because the injuries on his face weren't pleasant to look at!

Although he heard that Si Cheng was the son of Army General Si, it didn't concern him!

"Now, let's continue our journey!" Yi Tianyun said toward Xu Fei casually.

After Yi Tianyun and Xu Fei left the room, several people immediately gathered around Si Cheng and gave him a few Medicinal Pills to recover!

"Xu Family will be finished after this! I don't know how did Xu Fei suddenly grows some balls and didn't seem to care about Xu Family's future!" A cultivator said in wonder.

"Bullshit! Xu Family also has a great influence on this continent! I doubt that Si Family would resolve this with violence, I think the best that Si Family could have in return is the knowledge that Xu Fei will be abolished by Xu Family!" Another cultivator said.

“But the one who killed Lu Tian is different, isn’t he? That guy has a terrifying aura! I even forgot to breathe for a second!” The first cultivator said while the others nodded their head in agreement.

Yi Tianyun and Xu Fei immediately jumped toward the nearby hole, while Yi Tianyun helped Xu Fei to land safely on the bottom.

But the first thing that Yi Tianyun notice was that the place was empty, Xu Fei also didn’t sense any danger around.

“Big Brother Yi, I am sorry for dragging you into an unnecessary problem!” Xu Fei said apologetically.

“What the hell are you talking about?” Yi Tianyun said confusedly.

“You have killed Lu Family’ Elder up there! Lu Family will never let you off that easily, and it’s all my fault!” Xu Fei said sadly.

“Who is this Lu Family siding with? The princess or the prime minister?” Yi Tianyun asked curiously.

“I suppose it was with the Prime Minister!” Xu Fei said wonderingly.

“Then, I didn’t kill any wrong person!” Yi Tianyun said with a smile on his face and then instructed Xu Fei to follow him closely.

Xu Fei was confused the entire time he followed Yi Tianyun around. He wanted to ask Yi Tianyun about what he meant by not killing any wrong person, but refrained from doing so as a Demon Beast suddenly appeared!

The Demon Beast startled Xu Fei and Yi Tianyun, but Yi Tianyun quickly regained his composure and immediately pulled out the Heaven Holding Giant Sword and killed the beast with it!

‘DING!’

'Successfully killed a Rock Insect!'

'Reward: 30.000 Exp, 3.000 Cps, 50 Sps, Hard Stone Piece, Rock Insect Venom.'

Seeing Xu Fei's complexion changed as he was scared from almost being eaten alive, Yi Tianyun immediately calmed him down and told him to follow him closely this time.

Yi Tianyun made a mental note that this place wasn't as hard as he first thought!

At least if there was a Core Transformation Stage Expert around, everything would be a lot easier!

"Go ahead, you can extract any material you want from that Rock Insect! It has good material on it, you can sell them to make money too!" Yi Tianyun said casually.

"Thank you so much, Big Brother Yi!" Xu Fei said as he put the Rock Insect in his storage ring.

Xu Fei was grateful that he had met Yi Tianyun, as he knew that he wouldn't receive a chance like this if he didn't!
