

Leveling 511

Chapter 511

‘DING!’

‘Successfully earned Ice Phoenix’s recognition!’

‘Reward: 5.000.000 Exp, 10.000 Pet Taming proficiency.’

Even though Yi Tianyun didn’t use the Pet Taming skill, he still got the proficiency for it! This revelation really ogles Yi Tianyun’s mind as he doesn’t know why he still got it!

But for now, he still had something else to do, and so he hopped onto the Ice Phoenix’s back. The Ice Phoenix then shrieked and flew high into the sky!

Yi Tianyun guided the Ice Phoenix’s flight path and landed beside Lord Bai.

“I knew you are going to succeed!” Yan’er said as he immediately jumped to Yi Tianyun’s embrace as Yi Tianyun hopped off from the Ice Phoenix. The Ice Phoenix chirped in annoyance as it seemed to dislike everyone who was waiting for Yi Tianyun there.

Even though it was also a phoenix, it didn’t necessarily have to get along with another phoenix!

Yi Tianyun knew that the Ice Phoenix had an attitude right now, so Yi Tianyun gave him a reprimanding look, and the Ice Phoenix immediately lay down on the ground, a sign that it was completely under Yi Tianyun’s domination.

“What is going on here? how can you control two completely different types of fire at the same time?” Elder Lei said as he rushed towards Yi Tianyun. The other Elders had a surprised look as they also wanted to know about that!

“Long story short, when I was at the Mortal World, I absorbed the Netherworld’s Fire and found out immediately that I can also control it! as the Immortal Fire, it was by innate fire!” Yi Tianyun said

casually. He was not completely lying here. He simply left out several details about the story behind each fire!

“This is amazing! You have the Immortal Fire, which represents the Yang and the Netherworld’s Fire, which represents the Yin!” Lord Bai said excitedly.

The face of the entire Phoenix Clan people who were present to observe Yi Tianyun were filled with awe as they saw Yi Tianyun in completely new lights! But the truth was, Yi Tianyun didn’t have any limitation regarding how many fires he could control.

The system would allow him to cultivate as many as he wanted!

“It seems that making you a Divine Envoy was the best decision that the Phoenix Clan made in a long time!” Lord Bai said excitedly.

Several Elder then approached and congratulated Yi Tianyun on his success upon officially becoming the Divine Envoy, while Lord Bai gave a token that had Divine Envoy written on it! That was the proof that Yi Tianyun has become Phoenix Clan’s Divine Envoy!

“So, with that Token in your hand, you are officially representing our Phoenix Clan out there, whatever you do out there, we, the Phoenix Clan, will always have your back!” Lord Bai said solemnly.

“Isn’t it too much power for a Divine Envoy rank?” Yi Tianyun asked confusedly.

“Not necessarily, we have your back sure, but you must know that we aren’t the most powerful faction out there, so you have to act based on the situation!

For example, you must not incur the wrath of the Divine Nation as it will only bring downfall to our Phoenix Clan while we are underprepared like this!” Lord Bai solemnly.

“Sure! But I can assure you that I will not cause trouble either as long as they leave me alone! I am not one to make the first move!” Yi Tianyun said with a serious expression.

But this is Yi Tianyun's personality; all this time, he just retaliated on someone else's aggressive move, he never chose to attack first!

"I also heard that you had a beef with the Heavenly Netherworld Divine Nation, and so with both of us having the same goal, let me tell you my plan!" Lord Bai said solemnly.

Yi Tianyun has already heard of this plan as he also participated in the meeting that Lord Bai held earlier, but it seemed that Lord Bai told him this time only as a formality as Yi Tianyun has officially become the Divine Envoy for the Phoenix Clan!

As for Yi Tianyun's specific task, Lord Bai didn't necessarily prepare anything in advance. The only thing that he could think of for Yi Tianyun to do was just regularly check the seal inside the Phoenix Cave when he had the time!

"Understood! All in all, I just need to lay low and refrain from drawing any unnecessary attention for the Phoenix Clan! I will also check on the seal once a while, but I am sure that for now, it was perfect! There is no way the Evil Spirit can make a move to escape!" Yi Tianyun said confidently.

"Great, I am sorry for the trouble!" Lord Bai said sincerely.

But at the same time, a guard came and interrupted Yi Tianyun and Lord Bai's little conversation.

"My Lord! Ming Chen of Heavenly Netherworld Divine Nation has come!" the guard said nervously.

"Well, I guess it is time to meet with the snake once again! Don't worry. I will meet him immediately!" Lord Bai said as he dismissed the guards.

"Lord Bai, I will come along with you!" Yi Tianyun said confidently.

"Didn't you already fight him once? Wouldn't he recognize you?" Lord Bai said confusedly.

“Don’t worry, Lord Bai! I have this item with me!” Yi Tianyun said as he pulled out the hundred transformation mask and put it on. His face immediately changed into someone else’s, completely unrecognizable by the Phoenix Clan!

Chapter 512

Lord Bai was surprised as she looked at Yi Tianyun from top to bottom once again. Everyone else felt the same thing as they were shocked to see that Yi Tianyun has transformed into someone else!

“What is that mask? It’s so amazing! I have never seen anything like this before! Did you have another one? I am willing to bid a high price for it!” Lord Bai said excitedly.

“I am sorry, but I only have one.” Yi Tianyun said apologetically. After all, the item that he had could only be worn by himself. He didn’t know what would happen if someone else used it, but his first possibility that came to his mind was the item would be useless for someone else!

“That’s unfortunate! If I have this mask, I can mingle with other factions easily!” Lord Bai said with a slightly disappointed look on his face.

“Lord Bai, hasn’t the Phoenix Clan information network already done a great job of obtaining all sorts of vital information? Why did you feel the need to spy the other so bad?” Yi Tianyun asked curiously.

“Well, it is true that our intelligence division was doing a great job, but if I have that mask, I can infiltrate the enemy faction deeper, and that way, I can find any plan that could endanger the Phoenix Clan!” Lord Bai said determinedly.

Yan’er, who was near Lord Bai, was a little bit startled as she could feel the powerful emotion that Lord Bai has exerted.

“Are you scared, Yan’er?” Yi Tianyun said as he noticed Yan’er backing away from Lord Bai, and thus he held Yan’er on his arm. Lord Bai smiled apologetically to Yan’er and quickened his pace.

“Let’s go now, let’s see what the snake brought here this time!” Lord Bai said coldly.

Yi Tianyun nodded and handed Yan'er to Pu Ren so that she could play with other kids her age or do something else entirely while Yi Tianyun met with Ming Chen! Sure enough, as Yi Tianyun and Lord Bai arrived at the first hall, Ming Chen was already waiting with one other person.

"My pleasure to finally see you, Phoenix Lord!" Ming Chen said as he slyly greeted Lord Bai. Yi Tianyun noticed that Ming Chen's companion was a 2nd Layer Spirit King Expert!

"Greetings to you too, but what have brought you here this time?" Lord Bai asked indifferently.

"Well, I heard that you've already solved the problem inside the Phoenix Cave, and I was glad to hear that, and I wonder, did you kill the Evil Spirit or just seal it away?" Ming Chen asked curiously, but with a smile on his face.

The way Ming Chen presented himself made Yi Tianyun sick to his stomach. There was no use to fake himself anymore as the Phoenix Clan has already known that his ulterior motives to help the Phoenix Clan was to free the Evil Spirit!

"Does it matter whether it was killed or sealed? I heard your overrated price on helping us from the Elder, and we are sorry that we couldn't accept it! so, I will ask you again, what brings you here?" Lord Bai said indifferently.

"Lord Bai, we are sorry that our price seemed unreasonable to you, but our reason to put a price that high was not completely unreasonable! If the request was only to quench the Immortal Fire and the Heavenly Yin Fire inside the cave, it would come cheap, but killing the Evil Spirit was, on the whole, another league!" Ming Chen said, still with his sickening smile. "But I have come this time only to ask you whether or not you were able to kill the Evil Spirit within the cave. If you have, then we would like to celebrate the day that you are finally free of the Evil Spirit's shackle!" Ming Chen said with a smile.

Lord Bai and Yi Tianyun were very uncomfortable meeting with Ming Chen as they've already known what Ming Chen was planning, but they couldn't just recklessly let it out of the bag either!

"Is this the person who helped you with the incident?" Ming Chen asked as he finally saw Yi Tianyun beside Lord Bai.

Yi Tianyun knew that Ming Chen's words were bullshit, Ming Chen had already tried to look past Yi Tianyun's power, but thanks to the Hundred Transformation Mask, Ming Chen wasn't able to do that!

But one thing that Ming Chen knew was that Yi Tianyun wasn't a phoenix! Even if the Hundred Transformation Mask could change his appearance, it couldn't change the specific unique energy that each race gave off!

"Yes, I am the who that helped Phoenix Clan solve the problem inside the Phoenix Cave before, is there anything wrong with it?" Yi Tianyun said calmly. Although Yi Tianyun hated Ming Chen so badly, he couldn't just throw Lord Bai's plan under the bus!

Yi Tianyun also knew that he was in a bad spot now, he could kill Ming Chen at any point now, but he wouldn't be able to defend against the power of the Divine Nation behind him!

"If you only want to know what happened on the Phoenix Cave, I happily announce that the Evil Spirit was finally dead!" Lord Bai said in fake excitement.

"Seriously?" Ming Chen said as he was shocked to hear the fake news. From their expression, both Yi Tianyun and Lord Bai knew that the Evil Spirit held some meaning to the Heavenly Netherworld Divine Nation!

Chapter 513

"Is the Evil Spirit's death really that shocking?" Lord Bai asked as she looked into Ming Chen's eyes. Lord Bai didn't show any fear to Ming Chen, her cultivation as way stronger than Ming Chen, but the Heavenly Netherworld Divine Nation still could become a problem if she weren't fully prepared, so she still had to be careful.

"Yeah, it just comes as a surprise as the Phoenix Clan hasn't been able to deal with this problem for so long, yet it was solved all of a sudden, just like that!" Ming Chen said with a smile. "I am sorry that I came here unnoticed." Ming Chen said sincerely.

"We are grateful that you are showing sincerity in helping us with our problem. You can stay here for a few days. We will show you some Phoenix Clan hospitality as you stay!" Lord Bai said to Ming Chen.

“No, thank you for inviting us, but we will take our leave now. now that the problem was solved, we don’t have to bother you any further!” Ming Chen said as he smiled at Lord Bai.

Ming Chen and his people immediately left after that, leaving Yi Tianyun and the Phoenix Clan alone for now.

Yi Tianyun knew at that moment that he had to get stronger quickly, there were too many Spirit King cultivators here in the Ghost World, and he was too far behind!

He knew that he could easily overpower some Spirit King cultivators, but honestly, he didn’t know where the limit would be!

“Is there something wrong, brother?” Lord Bai said as she saw Yi Tianyun dozed off.

“No, but the situation earlier may be our best opportunity to kill Ming Chen!” Yi Tianyun said wonderingly.

“Yeah, I know, but we would instantly lose as the enemy would then know of our plan!” Lord Bai said solemnly.

“Yeah, that was also the case. It may be better to deal with him some other time!” Yi Tianyun said wonderingly. “But I assure you, I will be the one to kill that bastard!” Yi Tianyun said confidently.

Lord Bai was a little bit surprised as she didn’t think that Yi Tianyun had reached the Spirit King stage just yet, but nodded nonetheless to encourage him.

She didn’t know that Yi Tianyun had the cheat ability to increase his power to the point that he was literally better than some Spirit King cultivators.

‘DING!’

‘Heavenly Clouds Mansion had successfully overthrown an evil Faction!’

‘Reward: 100.000.000 Exp, 1.000.000 Exp, 500.000 Sps, 10x Exp card.’

A notification message popped up suddenly, startling Yi Tianyun. He noticed that this notification was coming from Xu Fei. He was still on the pursuit of several Netherworld Empire soldiers running and hiding all over Heavenly Clouds continent.

Yi Tianyun was proud as he knew that the people he trusted were working hard on their own.

‘DING!’

‘Heavenly Clouds Mansion had successfully overthrown an evil faction!’

‘Reward: 80.000.000 Exp, 800.000 Cps, 30.000 SPs.’

It didn’t take too long from the first notification as the other one already popped up again. It seemed Xu Fei’s soldiers were split in two, and as Xu Fei’s team successfully wiped out a group of cultivators, another team has finished too!

“Why are you smiling to yourself like that?” Lord Bai asked as she was concerned.

“No, nothing much, I just remembered something funny, that’s all!” Yi Tianyun said as he smiled at Lord Bai.

“Well, we have to start to act now, are you joining me?” Lord Bai asked curiously.

“What plan do you have in mind?” Yi Tianyun asked back. He didn’t want to follow people blindly, so he needed to know the plan first!

“The simplest way I could say this is to rob Heavenly Netherworld Divine Nation of their resources! There is this place called a treasure trove that supplied resources for Heavenly Netherworld Divine

Nation, but the thing is, the place is hard to break! We have to sneak in undetected in order to steal their resources!” Lord Bai said confidently.

“Where is this place?” Yi Tianyun asked once again.

“Inside the Heavenly Netherworld’s territory, but the information is accurate!” Lord Bai said confidently.

Yi Tianyun smiled grow as he liked the sound of this plan! Furthermore, the Ghost World Treasure Map in his hands was pointing at this Treasure Trove too! There was no way he would pass by this opportunity!

“Well, I will go! I have heard of that place before. I, too, have something to do there!” Yi Tianyun said as he smiled at Lord Bai.

“Did you really? Well, I will leave this matter to you then!” Lord Bai said as he smirked to Yi Tianyun.

‘DING!’

‘Successfully accept [Attack the Heavenly Netherworld, capture the Treasure Trove!] quest!’

‘Reward in completion: 300.000.000 Exp, 1.000.000 Cps, 50.000 Sps, 100 Phoenix Clan Favourability.’

Chapter 514

Ming Chen’s face was gloomy soon after he left Phoenix nest.

“Ming Chen, what will he have to report when we get back?” A man beside him asked worriedly. This man was Nangong Ming, who has served the Heavenly Netherworld Divine Nation for such a long time.

“I don’t know! I doubt that the Phoenix Clan can actually kill the Evil Spirit Ancestor, but there is a possibility that they found a Saint King that was capable of doing that!” Ming Chen said as his face clearly showed discontent.

Now he didn't know what to report back to Heavenly Netherworld Divine Nation as he knew that it was a setback to their plan now that the Evil Spirit Ancestor was dead!

"I think the Phoenix Lord lied earlier. There is no way the Evil Spirit Ancestor could be killed that easily!" Nangong Ming said solemnly.

"I want to say the same thing, but what if he really was dead?" Ming Chen asked worriedly.

Nangong Ming couldn't say anything else as he knew that he couldn't confirm it himself! None of them wanted to incur the Holy King's wrath, although it wasn't their fault, the King would punish them nonetheless!

"How could a human kill our Ancestor?" Nangong Ming asked in disbelief as he never met a human that strong!

"It doesn't matter right now! the problem is, how will we report the situation back to Heavenly Netherworld?" Ming Chen asked worriedly.

"This is all because of you! if you at least ask less compensation in that negotiation, we would've already saved Evil Spirit Ancestor by now!" Nangong Ming said accusatively.

"You are there too, aren't you? Did you say anything to change my mind? This is as much as your fault as mine!" Ming Chen said angrily.

Nangong Ming was silent once more as he also knew that it was true. This was all because they were too greedy before even though they had to get into Phoenix Cave no matter what!

"Damn it! There is no other way! We can only report back to Heavenly Netherworld now. Our fate was in Holy King's hands now!" Nangong Ming said as he shook his head and tried to calm himself down. This was partly his fault; he had to be a man and own it!

.....

“We are going to sneak into the Heavenly Netherworld. We will steal the resources inside the Treasure Trove as it was where Heavenly Netherworld Divine Nation’s main resource was stored! So, our priority is to get inside safely and unnoticed!” Lord Bai said to the Elders who have gathered once more. “But before we continue, Divine Envoy has said that he knows of a way to get inside this place, so I’ll leave it to him to lead this time!” Lord Bai said confidently.

“Are you sure? That place is dangerous! You might die there, you know? It is better to leave it to us and draw us a map instead!” Shopkeeper Ye said as he was worried about Yi Tianyun’s safety.

“Don’t worry, Elder Ye. I won’t drag you down! In fact, you may find my presence more useful, if anything. That place was littered by Divine Runes, and to get inside smoothly, you need a Divine Rune Master!” Yi Tianyun said confidently.

“Divine Envoy’s word was right; if the place could be infiltrated so easily, the Heavenly Netherworld Divine Nation’s resources should’ve been depleted already! So, I would like you three to be Divine Envoy’s guards in some sort. We definitely need him to go there!” Lord Bai said commandingly to Elder Ye, Elder Lei, and Elder Luo.

“Fair enough, but we have to see Divine Envoy’s ability to hide his own aura first! That way, we can assess the probability of getting detected!” Elder Luo said solemnly.

Yi Tianyun then nodded, and suddenly he disappeared from everyone’s sight. Not even a trace of his aura could be detected from where he once stood.

This was thanks to Stealth Divine Ability, Yi Tianyun could hide his presence completely to anyone who wasn’t alert enough to find him.

“So, what do you think?” Yi Tianyun said as he emerged back into his spot earlier.

“Divine Envoy’s ability is far too good!” The Elders said as they seriously couldn’t detect Yi Tianyun’s presence at all!

“So, if there is no other problem, I would like to discuss my own plan now!” Yi Tianyun said suddenly.

“Go on. We’re all ears!” Lord Bai said as she was curious about Yi Tianyun’s plan.

“We won’t just steal the Netherworld Divine Nation’s resources once we get in! No, that’s too boring! We might as well destroy the remaining resources that we don’t need so they couldn’t use it either!” Yi Tianyun said as he smirked.

“I still don’t want to trouble the Phoenix Clan for this plan of mine, so right before I destroy the rest of the resources they have, I want the Elders to get away first!” Yi Tianyun said confidently.

Chapter 515

Yi Tianyun’s plan silenced everyone as they never expected that Yi Tianyun planned to destroy the Treasure Trove altogether!

“When you show your power, the Heavenly Netherworld Divine Nation would immediately notice that it was Phoenix Clan that attacked them, but if it’s me, they would never know! After all, they have so many human enemies out there!” Yi Tianyun said confidently.

Yi Tianyun knew that he lacked power now, but he knew that he would get something to use once he got to the Treasure Trove as the Ghost World Treasure Maps showed that something extraordinary was hidden there!

“Are you trying to say that we should escape while you stay behind to destroy the place?” Elder Luo asked curiously.

“Yes, is there any problem?” Yi Tianyun asked curiously.

“We’re well aware that you are pretty strong, but you are still only at Void Spirit Stage, aren’t you? if you encounter someone at Spirit King Stage, you will be in big trouble!” Elder Luo said worriedly.

Elder Luo knew that Yi Tianyun’s plan was good as it would cripple Heavenly Netherworld Divine Nation’s progress, but as a Phoenix Clan, he knows that he couldn’t support Yi Tianyun’s plan as it would bring war sooner to the Phoenix Nest’s door!

“No, proceed with his plan! He must have something that he can use to escape the clutches of the Heavenly Netherworld afterward. He wasn’t the Divine Envoy for nothing!” Lord Bai said confidently.

The three Elders were unsure of this decision, but they know that they couldn’t back out of their lord’s decision.

“I hope that you do know what you are doing! If you get caught, I hope you already know the consequence!” Lord Bai said solemnly to Yi Tianyun.

“Of course, Lord Bai! This is my own plan, and I understand what’s at stake here!” Yi Tianyun said confidently.

The three Elders sighed as they knew that there was nothing that could change Yi Tianyun’s mind now! But as Yi Tianyun looked at them, they knew that this was the right time to go. The three Elders quickly disguised themselves and suppressed their aura so that people wouldn’t notice that they were from the Phoenix Clan.

Yi Tianyun, on the other hand, just changed his face again using the Thousand Faces mask, and that was it! They immediately flew toward the Heavenly Netherworld.

At first, the three elders were trying to fly slower as they thought that Yi Tianyun wouldn’t be able to keep up with them if they flew at full throttle, but they were surprised as they saw that Yi Tianyun could follow them with ease!

“You are fast! Are you sure you are still at Void Spirit Stage?” Elder Lei asked, annoyedly. He could sense that Yi Tianyun was at Void Spirit Stage, although he couldn’t say at what layer he was for sure, the aura that Yi Tianyun gave off was indeed a Void Spirit Stage aura!

“Yes! I am sure that I am still at Void Spirit Stage!” Yi Tianyun said as he smiled at Elder Lei. His flight speed increased thanks to the Phoenix Wings that granted him Flight Speed Bonus!

‘DING!’

‘Heavenly Clouds Mansion successfully eradicated an evil group!’

‘Reward: 80.000.000 Exp, 60.000 Cps, 30.000 SPs, ...’

‘DING!’

‘Congratulation to the player [Yi Tianyun] for successfully breakthrough to 7th Layer Void Spirit Stage!’

He leveled up without doing anything thanks to Xu Fei, who was working hard to eradicate Evil on Heavenly Clouds Continent! There was no doubt that the Heavenly Clouds Empire would be established soon, thanks to the hard work of the people there!

.....

Thanks to their extremely high speed, they arrived at the Heavenly Netherworld in a matter of days! They immediately stopped not too far from the border as they knew that they had to be careful and hid well starting from this place!

The place looked like a big city, while a huge temple could be seen from outside towering to the sky!

“This is the Heavenly Netherworld? This is too big!” Yi Tianyun said as he looked at the city in awe.

“Yes, but in fact, it was still a huge temple! We don’t know when, but this place was occupied by the Heavenly Netherworld Divine Nation, not made by them!” Elder Luo said as he stated the fact about the place.

“This place is true, remarkable! But it was a shame that Heavenly Netherworld Divine Nation got to it!” Elder Ye said as he shook his head in disdain.

“I am afraid that I still lack the power to destroy this place!” Yi Tianyun said as he tried to look at the Heavenly Netherworld closely. He knew that with such a grandiose place, a creator rank Divine Rune would surely be there to protect the place!

Chapter 516

“So, this place was occupied, huh?” Yi Tianyun said as he found the information useful.

“Yes, Heavenly Netherworld Divine Nation can control the Divine Rune of this place from the altar in the middle, so they took this place as their own! Only a Divine King is capable of such a feat!” Elder Luo said honestly.

Yi Tianyun was interested in Elder Luo’s story as Divine King was above the Saint King level! The Divine King was supposed to be the strongest existence in the entire world! But sadly, they no longer showed themselves anymore for unknown reasons!

The saint king was still around now, but there were only a few of them!

“Yes, the Divine King, a legendary man! Old Ancestor of the Phoenix Clan has been aiming to reach this rank but, they never could! The Heavenly Netherworld Divine Nation has Divine King as their old Ancestor, but I think he was long gone by now! they were desperate to gather the resource to help their Holy King reach the Divine King rank, but fortunately, they haven’t made that much progress!” Elder Luo said as he told the information that he knew to Yi Tianyun.

“Is this Divine King level that difficult to achieve?” Yi Tianyun asked curiously as it was clear that not even a Divine Nation could attain them. But as for Yi Tianyun, he was sure he could achieve it if he got the amount of Exp he needed!

“Yes, it’s difficult to attain! In any Divine Nation, I am afraid you will never find one, but there would be several Saint King who was close but never attain them in the end!” Elder Luo said honestly.

Yi Tianyun nodded in understanding, with a Divine King that occupied this place the first time, Yi Tianyun finally understood why the Ghost World Treasure Map was much bigger than the Coiling Dragon Treasure Map!

“Are you ready? We will sneak in and steal any valuable resources, and then we will leave everything in your hands!” Elder Luo said to Yi Tianyun solemnly.

At this moment, Yi Tianyun knew that if he encountered one Divine Rune at Creator Rank, his plan would fail immediately! There was no way he could deal with that Divine Rune at this level, but he still had to try his best now!

“Yeah, I am ready! Let’s go!” Yi Tianyun said as he walked with the three Elders, he could see that the three elders showed concern on Yi Tianyun’s safety, but they knew that they couldn’t stray from the plan now!

Yi Tianyun looked over to the Heavenly Netherworld Temple in the middle and noticed that it was heavily guarded by so many Void Spirit Experts. He knew that he had to head there after they successfully stole the Heavenly Netherworld Resources!

“Now listen up! The Heavenly Netherworld has six entrances. They were heavily guarded, but 3 of them were guarded by a spirit King expert! One of these experts was the infamous General Ba Long of Heavenly Netherworld Divine Nation, he’s from a Pure Dragon Clan Bloodline and currently at 5th Layer Spirit King Rank!” Elder Luo said as he informed the thing he knew about this place.

“So, we need to avoid this General Ba Long at all cost, right?” Elder Lei said as he asked for confirmation. Elder Luo nodded solemnly and continued with the plan.

“Now, this is the map that The Lord gave, Divine Envoy, please confirm where we should strike first!” Elder Luo said as he gave Yi Tianyun the map that he got from Lord Bai beforehand.

“Hmmm, this map is okay! it’s a lot simpler than the one I remember, but it shows the point that we needed to know.” Yi Tianyun said as he observed the map from Lord Bai. The map had several differences from his Ghost World Treasure Map, but the map covered the outer layer of the place, showing where they needed to go.

“Well, for now, we need to find an entrance with no Spirit King expert guarding it! We could deal with the Void Spirit Expert easily, but the Spirit King Expert could possess a problem! So, which do you think we should choose, Divine Envoy?” Elder Ye asked Yi Tianyun, but as he looked over to Yi Tianyun, he saw that Yi Tianyun had closed his eyes and seemed to be meditating.

Elder Ye didn't know that now Yi Tianyun was using his spiritual sense to map out the path that they should take, so the plan worked smoothly. After a while, he was done mapping out the path and opened his eyes.

"Follow me. I know where to go!" Yi Tianyun said confidently.

"Where are we going?" Elder Ye asked curiously.

"Now, just hold on to my shoulder!" Yi Tianyun commanded with a sense of urgency. The three Elders immediately did so, and suddenly the four of them flashed and vanished from the spot!

Chapter 517

In the remote corner of the Heavenly Netherworld, four figures suddenly appeared out of thin air!

"Let's go!" Yi Tianyun said as he looked around carefully. By his early scan, Yi Tianyun knew that this place was supposed to be empty, but it never hurt to be careful.

The other three, however, were shocked as they never knew something like this was possible! "Are you teleporting us in just now?" Elder Ye said with a surprised look on his face.

"You can say that!" Yi Tianyun said as he smiled at Elder Ye. After he leveled up the Teleportation Divine Ability, his teleport range has increased now.

"Good gracious, no wonder you said that you could do this on your own! You have a rare Space Manipulation Cultivation!" Elder Luo said with a shock on his face.

"Now is not the time to discuss this. We still have to move fast!" Yi Tianyun said urgently. Elder Luo nodded, and Yi Tianyun immediately used his stealth ability to blend in with the surroundings, and the three Elders immediately followed suit.

The Elders then followed Yi Tianyun as he was the one who had the map.

Yi Tianyun himself decided to follow the map that Lord Bai gave for now, as he knew that the map should have the correct information for their mission.

He could go to the place that Ghost World Treasure Map marked later as that wasn't the mission right now.

But Yi Tianyun was also a little bit worried as he now knew that the Heavenly Netherworld was created with a hard stone that was on a Spirit King Rank!

The stone was impossible to break if the one who attacked it was someone of a lower rank! The Divine Rune that secured this place was also of a high rank one; even the lowest one was at a Master Level Divine Rune!

Yi Tianyun was really impressed by the Divine King that created this place! But he knew that he didn't need to worry about that as the cultivators who guarded this place right now weren't of a high-rank.

For a start, the first guard that he encountered was in the Core Transformation rank!

Although the Heavenly Netherworld Divine Nation was one of the strongest factions, not every single one of them was a high-level cultivator!

Yi Tianyun immediately flashed behind the guard and knocked him out, and drag the body to the shadow. The Elders were surprised once more as they saw Yi Tianyun moved so fast to knock out the guards.

"Divine Envoy! You are too fast! You are on equal ground with Elder Ye's assassination ability or even more!" Elder Luo said as he was surprised once again.

"Elder Luo, you are exaggerating, I am just doing what I can!" Yi Tianyun said politely. He then moved again toward the mark on Lord Bai's map, and as he knew that he had to get there fast. The elders immediately follow behind without asking anything as they knew that they could trust Yi Tianyun.

But after a while, they reached a dead end!

“Wait, what happened?” Elder Lei asked confusedly.

However, Yi Tianyun didn’t say anything as he tapped the wall in front of him, and suddenly a hole opened there!

Elder Lei was surprised as they never thought something like this would happen. The stone wall immediately rose back up as soon as they entered, startling some guards nearby.

“Did you hear that sound just now?” One of the guards said to his companion.

“I heard it! It sounded like a stone grinding with each other!” his companion said curiously. They walked towards where the sound was coming from, but they were puzzled as they saw that there was nothing there.

“Is there a leak or something?” the guard said as they looked around the wall, but they still didn’t see anything, so they left to continue their patrol duty once again.

On the other hand, Yi Tianyun led the way inside the secret tunnel. The place was dark, and the others were relaxed for a moment as they know that they are safe for now.

“I would never know something like this is here!” Elder Lei said with a surprised tone.

“Well, you are indeed ignorant, so that wasn’t surprising at all!” Elder Luo said sarcastically.

“Hey, no need to be rude!” Elder Lei retorted annoyedly.

“Okay, now we are close! I need everyone to be prepared!” Yi Tianyun said as he stopped the bickering between the two elders.

He knew this secret tunnel thanks to the Ghost World Treasure Map, so it should be easy for Yi Tianyun to spot every secret place!

He had to finish this quest as soon as possible!

Chapter 518

Under Yi Tianyun's leadership, their path was left unimpeded and easy! The guard patrol couldn't detect them at all!

The one who could detect them was probably the Army General of Heavenly Netherworld Divine Nation, but Yi Tianyun has made sure that he stayed clear from the area that they guarded!

"If people knew about this path, the Heavenly Netherworld Divine Nation would be toasted a long time ago!" Elder Ye said as he laughed quietly.

Even though he was laughing, Yi Tianyun could see that he still put his guard up with the dagger in his hand.

"Wait!" Yi Tianyun said suddenly as he sensed something from behind the wall. The Elder stopped immediately and sensed what happened behind the wall too.

They were furious in an instant as they know what happened outside.

There was a Spirit King Cultivator standing with a heap of corpses around him! the corpses were of the Phoenix Clan, and the man was hanging them by the pond, draining their blood!

"What is the Phoenix Clan doing? they didn't even notice that their women were missing one by one!" The man said while smirking to himself.

He still had another woman who was still alive in his hand while he hung the corpses. The man's eyes look like that of a tiger, making him so much more intimidating.

'Men Hu: 3rd Layer Spirit King Stage with Heavenly Tiger Bloodline.

It can transform into a great tiger that comparable to Lower Grade Sacred Tool!

Martial Art: Tiger Burst, Tiger Roar, Tiger Golden Body.'

Weakness: one inch below the neck.

Combat Power: 230.000.000 Points.'

Yi Tianyun only looked at the minor detail as he was furious himself!

"That guy is Men Hu! He is one of the experts who has been tasked to guard this place. He also has the power of Heavenly Tiger Bloodline! We have to deal with him now! there is no way we would let him get away after killing so many of our clan like this!" Elder Lei said furiously.

"Yes, I agree! After all, this place is relatively hidden! We can deal with him, and nobody would know!" Elder Ye said furiously.

"Alright! We three will deal with him while Divine Envoy guards our entrance! If things go south, the Divine Envoy could finish the mission himself!" Elder Luo said confidently. But as they turned their attention to ask for Yi Tianyun's confirmation, they couldn't find him!

"Please spare me!" The woman said with a shaky voice.

"I will. Your blood would spare you from your pathetic life! you will be part of me!" Men Hu said as he killed the woman and sighed with a satisfied look on his face as he sat down on the pool of blood!

But suddenly, he felt incredible killing intent from behind him that made him immediately stood up, but he was too late! Yi Tianyun's attack landed right on Men Hu's weak point, and the attack shattered the bone on Men Hu's chest!

Men Hu screamed loudly, but thanks to the Divine Rune that covered this pond of blood, Men Hu's voice didn't reach the guard outside!

Yi Tianyun immediately absorbed Men Hu's spiritual energy using his Heaven's swallowing Divine Art!

"Who are you?" Men Hu asked as he felt himself getting weaker by the second.

Men Hu saw that the one that attacked him just now was a young man with a cold look on his face. The attack that shattered his bones earlier successfully crippled him, making him unable to move his body!

"A man that would be very happy to see you dried out!" Yi Tianyun said coldly.

Men Hu immediately fell silent as he knows that he couldn't escape the young man on his own, so he began to shout to call the guards outside.

"You of all people should know that your struggle is useless! This place was covered by Noise suppressing Divine Rune!" Yi Tianyun said indifferently. He didn't absorb Men Hu's spirit power for Exp, but he did it so that he could torture Men Hu more efficiently!

"When did you cover this place a noise suppressing Divine Rune on this place? I never knew of that!" Men Hu said helplessly. He was too lazy to get to find out the details about his own workplace!

"Oh, I will let you know everything you need to know after this!" Yi Tianyun said coldly.

Chapter 519

Men Hu was scared! He now realized that no matter how hard he shouted, no help would come!

He couldn't even move as Yi Tianyun's sword was still stuck at his chest! At the same time, Elder Luo pushed the secret door open and walked in with the other Elders.

"Incredible! You managed to capture Men Hu!" Elder Luo said to Yi Tianyun as he looked at Yi Tianyun with surprise in his eyes.

This was the first time the Elders ever saw a Void Spirit Expert trounced a Spirit King Expert this easily!

Elder Luo then looked at the sword that Yi Tianyun used to stab Meng Hu, and he was impressed as he saw that the sword was a High-Grade Sacred Tool rank!

They didn't know that Yi Tianyun activated his Crazy Damage Mode when he stabbed Meng Hu, raising his Combat Power to 500 million points!

"Hurry, save those who are still alive!" Yi Tianyun said as he saw the Elders still standing around observing Meng Hu. The Elders immediately nodded and searched for any survivor.

"Save people? Are you delusional? They are all dead! There is no saving here!" Men Hu said as he laughed with blood on his mouth.

Yi Tianyun sighed and pulled out a red knife from his storage ring and slashed Men Hu's stomach several times, resulting in a chilling scream from him as he felt incredible pain.

"Don't worry. You will be buried with the dead soon enough!" Yi Tianyun said coldly.

"Kill me! You clearly couldn't kill me! Otherwise, you would've done it earlier!" Men Hu said as he taunted Yi Tianyun, with the pain that he felt from Yi Tianyun's slash earlier, he knew his possibility to survive was basically zero, so it was better to die quickly!

"Well, this is what you want!" Yi Tianyun said as he pulled out Immortal Fire and burned Men Hu slowly from his leg.

"Divine Envoy! There are three women who are still alive!" Elder Luo said as he brought the three women near Yi Tianyun.

The women looked at Yi Tianyun, who was burning Men Hu alive with glazed eyes as their body was littered with so much wound, and clearly, they've already lost a lot of blood! But as they saw that Men Hu was burning, they smiled happily!

"Thank you very much!" One of the women said as she died from blood loss.

They could have survived if they were determined to live, but it seemed they were content with Men Hu's punishment, and thus they gave up immediately!

The elders then took off their mask and mourned them a bit as they knew that something like this wasn't supposed to happen!

The Elders looked at the women's corpses painfully as they now understood that the Heavenly Netherworld Divine Nation was a faction that must be destroyed no matter what!

Yi Tianyun also looked at the corpses painfully as he knew that he could save those women, but as the women have given up on life, there was nothing he could do! The pain that they suffered after being tortured for too long must have driven them to the limit!

"You are a monster!" Elder Luo said as he punched Men Hu's face.

"You! you are the Phoenix Clan's elder! How did you get into Heavenly Netherworld?" Men Hu said as he was shocked to see Elder Luo was one of the men that infiltrated the Heavenly Netherworld!

"You don't need to know about that! We are here to destroy Heavenly Netherworld! You've already done so much unforgivable stuff! It is better if you're all dead anyway!" Yi Tianyun said coldly as he forced Men Hu to look his way.

"You are all delusional! There is no way the Phoenix Clan can win against us! You are all will be dead soon! I will wait for you down there later!" Men Hu said as he laughed out loud with a look of resentment on his eyes.

Yi Tianyun was annoyed that Men Hu kept talking like he was winning, so Yi Tianyun increased his fire's output and burned Men Hu a little bit faster!

Men Hu felt an incredible pain that he never felt before! As his legs turned to ashes, he could no longer scream!

“Don’t worry. We will give you a lot of company down there later! In fact, how about you create Heavenly Netherworld from scratch down there?” Yi Tianyun said as he smirked evilly.

All this time, Yi Tianyun kept absorbing Men Hu’s spiritual Power, and the man was finally left with nothing!

“I am done, Elders! Don’t you guys want to switch?” Yi Tianyun said as he let Men Hu fall to the ground weakly. The Elders immediately showed their powerful killing intent as they got closer to Men Hu!

Chapter 520

‘DING!’

‘Successfully killed Men Hu!’

‘Reward: 130.000.000 Exp, 13.000 Cps, 5.000 SPs, Heavenly Tiger Armor (High-Grade Sacred Tool), Heavenly Tiger Boots (High-Grade Sacred Tool), Heavenly Tiger Claw (High-Grade Sacred Tool), Heavenly Tiger Bloodline, Cooling Divine Pill.’

Men Hu was dead! Yi Tianyun didn’t have any reason to keep him alive any longer. After all, they had to move fast! At the very least, they have avenged those who were wronged here!

But Yi Tianyun was a little bit disappointed that he didn’t receive an extra reward for killing what he thought was an Elite enemy.

This meant that Men Hu’s was not an opponent Yi Tianyun would have a hard time against even if he was alone!

“Let’s go! Let’s get out of here!” Yi Tianyun said as he put the bodies of the fallen Phoenix Clan into a box that he put inside his Storage Ring. He intended to bury them later once they reached a safe place.

Elder Luo and the other nodded their head, and Elder Luo threw Men Hu’s body inside the blood pond and positioned it in such a way that looked like he was sleeping!

“Divine Envoy, I didn’t expect you’d be this powerful! You can even defeat a Spirit King Expert that easily!” Elder Ye asked in bewilderment.

“Yeah, are you sure you are not a Spirit King Expert yourself?” Elder Lei said curiously. Elder Lei thought that there was no way a Void Spirit Expert could best a Spirit King Expert in a fight even if the Void Spirit expert caught the Spirit King Expert off guard!

“This is the truth; I am still at Void Spirit Stage Cultivation Base! He was just too lazy to check his surroundings!” Yi Tianyun said as he smiled at both Elders.

The elders nodded their heads, but inside, they still had their doubts.

But one thing that the Elders knew was Yi Tianyun had a stealth Divine Ability, even Spirit King Experts like the three Elders couldn’t detect Yi Tianyun’s whereabouts earlier!

But only Yi Tianyun knew that his stealth ability had a fatal weakness that the enemy could exploit if they knew about it!

Yi Tianyun couldn’t fool a Divine Rune, so if a detection type Divine Rune was engraved in many places, Yi Tianyun couldn’t use his stealth efficiently!

“There! The treasure house is right in front of us, but I am afraid there is no safe path to go inside. We have to enter from the front!” Yi Tianyun said to the three elders.

The elders nodded as they knew that a fight was inevitable here.

They moved again, and this time Yi Tianyun opened the passage in a safe corner for them to move towards the Treasure House.

Yi Tianyun quickly looked around as he sensed every guard’s presence in his vicinity. Yi Tianyun quickly realized that there were several guards in Void Spirit rank walking towards them slowly.

Yi Tianyun signed the elders to stop, and he saw that the guards were heading towards the Treasure House themselves! They were bringing something together, and as they reached the Treasure House, Yi Tianyun noticed that the incoming guards handed over their package to the guards in front of the Treasure House and then quickly left.

In short, these guards were transporting some resources that must be stored inside the Treasure House!

Lord Bai didn't tell them this information, but Yi Tianyun knew that there was no way an outsider like Lord Bai could have this kind of information.

But Yi Tianyun was determined, no matter what is inside that package, he would surely have it!

"Hmmm, did you see that? I think that was the newly transported medicinal pills!" Elder Luo said as he speculated what could possibly be inside the package just now.

Yi Tianyun nodded and tried to assess the situation inside the Treasure House with his Spiritual Sense, but he couldn't see anything inside!

The protection of this Treasure House was better than he thought it would!

"Well, we will soon find out what it was all about! I can knock those four guards down, but we will be in trouble if someone walks by again!" Yi Tianyun said solemnly.

"We have to drag the bodies inside!" Elder Lei said solemnly. The rest nodded their head and quickly moved towards the Treasure House, knocked the guards out, and immediately dragged their body towards the door.

They quickly opened the door and entered the Treasure House, but they were shocked to see that inside the Treasure House, a lot of Demon Beasts were waiting for them!
