Chapter 601

After the war ended, the news about the Heavenly Clouds Empire's victory sent a shiver down to all Emperors' spine!

They were aware of their rude behaviour towards Heavenly Clouds Emperor on his own coronation day, and now they were afraid Heavenly Clouds Great Emperor would threaten them because of it!

Five Spirit King Experts, two Dragon Protectors, and one Old Ancestor of Saint King Expert were killed by Yi Tianyun!

This meant that Yi Tianyun was a Saint King too, at the very least!

Furthermore, the World Dragon Empire has collapsed, making Heavenly Clouds Empire the unofficial ruler of the Mortal World!

"We have to hurry! We must go to the Heavenly Clouds Empire and establish an alliance! Bring our best treasure as a gift!" an Emperor said to his ministry as he hurriedly prepared for the departure to Heavenly Clouds Empire.

That was all the Emperors of the Mortal World could think of as they were afraid of Heavenly Clouds Empire's backlash!

Previously, they didn't have any reason to support the Heavenly Clouds Empire as they knew that the World Dragon Empire was against Heavenly Clouds Empire's establishment.

But now, the World Dragon Empire was destroyed!

Nobody knew the Old Ancestor of World Dragon Empire would use evil cultivation. Furthermore, there were so many bones buried in the World Dragon Imperial City that the city itself looked like it was built on top of human remains!

After the exposure of Evil Cultivation, World Dragon Empire was completely abandoned. No one ever talked about the World Dragon Empire after that anymore.

The cultivators of the World Dragon Empire also left without looking back as they felt deceived!

Yi Tianyun took over all World Dragon Empire's territory, but no one dared to say anything as they didn't dare to make an enemy out of Yi Tianyun!

They knew that Heavenly Clouds Empire's comprehensive strength was weaker than most Empire in Mortal World, but Yi Tianyun alone could destroy an Empire!

Yi Tianyun earned himself a nickname in Mortal World, and that was 'Paragon Yi!', a nickname that reflected Yi Tianyun's power!

The only way for them to fight against Yi Tianyun was to gather all cultivators in Mortal World and attack him all at once, which was ridiculous as there was no way it was viable.

"Great Emperor! We have many Great Emperors that come to visit!" a guard said as he came to the throne room to report.

Yi Tianyun could see that the guard was excited to see that the Empire was visited by so many influential people.

"I am busy. Let them wait outside!" Yi Tianyun said to the guard.

Yi Tianyun still remembered that the Emperors' attitude towards Heavenly Clouds Empire on the coronation day, and thus he wasn't excited to see them.

"Yes, Great Emperor!" The Guards nodded confusedly and ran outside hurriedly.

The guard immediately returned to the Imperial City gate, where the Great Emperors were waiting to see Yi Tianyun, "Great Emperor Yi is currently busy; you will have to wait here indefinitely." The guard said indifferently.

The guard himself contained his excitement as he never thought that he could talk like that to a Great Emperor!

The Great Emperors felt disappointed but didn't voice their complaint!

They couldn't afford to give Yi Tianyun a reason to attack their Empire later!

After all, the Heavenly Clouds Empire is the strongest Empire in Mortal World!

The Heavenly Primordial Great Emperor shook his head disappointedly, but he didn't regret his decision on the past!

He would choose the World Dragon Empire any day, as they didn't know that the Heavenly Clouds Empire was this powerful!

"That Heavenly Clouds Great Emperor... even though he's a Great Emperor, this is too much! He kept this many Great Emperors waiting outside of the Imperial City wall! Did it not occur to him that we might form an alliance and attack Heavenly Clouds Empire in the future?" one Emperor said as he grumbled annoyedly.

"Hey, don't drag me with you! I don't care how he treated us. After all, we brought this on ourselves for not supporting him!" another emperor said worriedly.

One by one, the Emperor expressed their agreement to the Emperor, who wanted to be recognized by Yi Tianyun.

They didn't care if they must wait as they knew that Yi Tianyun would eventually see them.

“No, that’s not what I mean!” The first Emperor said because he felt afraid after all other Great Emperors didn’t want to associate themselves with him!

They knew that they didn’t have the right to complain, and waiting was appropriate for those without any significant value.

Of course, it was completely different from the Great Emperors, who showed their support for the Heavenly Clouds Empire from the beginning.

The Great Emperors who supported the Heavenly Clouds Empire were sitting in the Main Hall of Heavenly Clouds Palace, sipping the finest wine while talking casually to each other.

Their position with the Great Emperor who waited outside was like heaven and earth!

Chapter 602

Heavenly Clouds Empire has successfully become the number one Empire in Mortal World!

It was obvious that other Empires would want to show their respect to make sure that their Empire would have a great relationship with Heavenly Clouds Empire!

On Yi Tianyun’s coronation day, the Great Emperors’ attitude towards him was questionable because of the message from World Dragon Empire. Thus, now that they were told to wait outside, they couldn’t complain.

The Heavenly Netherworld Divine Nation was another reason. The Empires on the Mortal World already knew that World Dragon Empire had some sort of relationship with Heavenly Netherworld Divine Nation.

Netherworld Empire was one of the Empires that was directly affiliated with Heavenly Netherworld Divine Nation.

All the Empire on Mortal World also knew that the faction under Heavenly Netherworld Divine Nation’s influence was destroyed by Yi Tianyun one by one!

The Mortal World had a rank for the factions. The purpose of this ranking was to give people a rough idea of which faction they could join since the higher the faction's rank was, the pricier it was to join them!

While the Great Emperors were waiting outside, Yi Tianyun was studying the Sin Shop inside!

He was surprised earlier when the Sin Shop reclaimed the Evil Dragon Suit when he purchased the Evil God Suit!

When he opened the Sin Shop again, he could see that Evil Dragon Suit was still available in the Sin Shop, but why would he buy it again?

After all, Evil God Suit was much better, and buying the Evil Dragon Suit would be a waste of Sin Points!

Above the Evil God Suit, Yi Tianyun saw a more powerful suit than Evil God Suit! It was Evil Demon God Suit!

'Evil Demon God Suit: Required Level 80.

Effect: Can turn into Evil Demon God at any time. Combat Power increased 200 times, Défense Power increased 200 times, Speed increased 50 times. After becoming an Evil Demon God, all attacks become ranged attacks with the range of 1.000 Km and additional burning effect, and Crit Chances increased by 50%.

Consumption: 100.000 Crazy Points per minute.

Price: 50.000.000 Sin Points.

The effect was the same as the Evil God Suit, but it was super enhanced! Although the change was not significant, the Combat Power multiplier was valuable!

The price was too much for Yi Tianyun now. Yi Tianyun only had a thousand sin points now; there was no way he could get 50 million now!

The consumption rate was also too high, 100.000 Crazy Points per minute was too much for Yi Tianyun now. Yi Tianyun shook his head upon seeing the enormous consumption rate. It wasn't something he could afford right now. Fortunately, the Evil God Suit only cost 10.000 Crazy Points per minute, which he could afford right now!

"It will take a while before I can buy that suit. Fortunately, I only use the Evil God Suit for its power spike, not for the transformation! Although the transformation is convenient in certain situations." Yi Tianyun said while smiling!

Yi Tianyun smiled as he knew that if he used the Evil Demon God Suit in the future, Divine King would be right around the corner!

After all, with his current cultivation, he could crush a Saint King Expert with his Evil God Suit!

"Cultivators with higher cultivation levels wouldn't be a problem at all!" Yi Tianyun said as he felt satisfied by the Sin Shop item.

Then he shifted his attention to the Super Enhanced Roulette that he got after defeating the Old Ancestor earlier. Yi Tianyun activated his Lucky Aura and immediately spun the lottery roulette!

Soon, the pointer stopped at Consumables!

Yi Tianyun was stunned. He never thought that he would get the worst part of the roulette like this!

He thought that he could say goodbye to his bad luck since he had accumulated a lot of prestige points and activated the lucky aura!

The box contained Consumables immediately dropped from the roulette, and Yi Tianyun immediately opened the box!

‘Teleportation God Stone (Rare)’

‘Teleportation God Stone: Set a coordinate at will and teleport to the said coordinate anytime. Can only set 5 coordinates.’

“This is good stuff!” Yi Tianyun said as he slammed the table in front of him with excitement.

That item was more valuable than weapons!

He needed this type of item to move freely later. He could return to Heavenly Clouds Mansion at will anytime he wanted!

“It seems that I’m not that unlucky either. This item is equal to Divine Tools!” Yi Tianyun said as he felt happy and excited by the item he got!

Chapter 603

God Stone was definitely an amazing item. Now Yi Tianyun could set up to 5 teleportation coordinates for him to teleport to, be it the Ghost World, Mortal World, or even the Heaven World, the God Stone would still work its magic!

Yi Tianyun quickly checked God Stone’s price in the System Shop, and he was shocked when he saw that the God Stone price was at 15 million CPs!

But Yi Tianyun knew that God Stone was an absolute necessity for him now. After all, it was difficult for him to go back and forth to Ghost World or the Heaven World conservatively!

Yi Tianyun shook his head and tried to spin the roulette once more. He now knew that the Super Enhanced Lottery Roulette would definitely give him good items!

Nevertheless, Yi Tianyun still activated his Lucky Aura as he still wanted to get the rare reward from the roulette.

The roulette soon stopped at the Accessory category. Yi Tianyun didn't know what he would get from the Accessory Category and could only hope that it was something that he could use!

A box fell from the roulette, and Yi Tianyun immediately opened it!

Desolate Ancient Necklace: Part of the Desolate Ancient Suit, Ancient Rank Treasure!

Effect: increase Combat Power by 15 times, Speed by 10 times, Defence Power by 10 times, can cast [Desolate Ancient Void] which can turn everything within 500 m into dust at the cost of 8.000 CPs.

"This is great!" Yi Tianyun said as he checked the necklace's information.

The Ancient Level treasure was basically the same rank as the Divine Tool, but it had some characteristics that a Divine Tool didn't have. In this case, the Desolate Ancient Necklace was part of a suit!

The same could be said to the Ancient Stone Tablet that Yi Tianyun got from Spirit Race Sanctuary before. It also belonged to Ancient Rank Treasure.

As Yi Tianyun read the necklace's detailed information, Yi Tianyun was shocked once more as he noticed that the necklace was part of a 5-piece suit, not a three-piece suit that usually existed!

Yi Tianyun immediately knew that the effect of this Desolate Ancient Necklace would be amazing once he obtained all parts of the suit!

But Yi Tianyun frowned as it became harder for him to collect all the pieces!

The Super Enhanced Lottery Roulette Ticket was hard to get! Of course, he could buy it using Crazy Points, but the price of ten million Crazy Points per ticket was too much!

Yi Tianyun sighed and equipped the necklace as he still found the effect to be great despite its outdated and primitive look!

Nevertheless, Yi Tianyun thought that no one would care about it!

Yi Tianyun stood up from the throne and ordered the guard to let the Great Emperor in!

The guard nodded and immediately scurried out to let the Great Emperor in.

Not long after that, the Great Emperor introduced themselves one by one.

“I am the Great Emperor of Thunder Star Empire, glad to meet the Heavenly Clouds Great Emperor! This time we came to visit in order to build a positive relationship with Heavenly Clouds Empire, and we hope the Heavenly Clouds Great Emperor could forgive our rude behaviour earlier! If you would accept our gift, this is Thousand-Year Blood. We hope it may be of great use for the Great Emperor in the future!” Thunder Star Great Emperor said respectfully.

The people beside the Thunder Star Great Emperor opened a jade box, and from inside, Yi Tianyun could see a clear bottle full of blood that released a concentrated blood essence into the air!

The Great Emperor standing beside the Thunder Star Great Emperor was surprised that Thunder Star Great Emperor would make the extremely rare Thousand-Year Blood a token of friendship like this!

“I accept your gift!” Yi Tianyun said indifferently and ordered one of his men to take the Thousand Year Blood and placed it on the table.

Thunder Star Great Emperor bowed a little and sat on a seat not too far from there, while the rest of the Great Emperors introduced themselves and handed their respective gifts for Yi Tianyun!

Finally, it was Heaven’s Primordial Great Emperor’s turn. He didn’t use a respectful gesture like other Great Emperor, but his word was still nice, and the smile on his face seemed genuine.

“Congratulation to Heavenly Clouds Great Emperor for successfully ascending the throne, I brought a Heavens Star Grass for a gift to Heavenly Clouds Great Emperor as it represents Heavenly Clouds

Empire! I hope that Heavenly Clouds Empire will prosper in Mortal World in the future!” Heavenly Primordial Great Emperor said casually, still with a smile on his face.

Yi Tianyun didn’t mind Heavenly Primordial Great Emperor’s attitude. Although Heavenly Primordial Great Emperor acted like his Empire was at the same standing as Heavenly Clouds Empire, Yi Tianyun wouldn’t make a big deal out of it as long as Heavenly Primordial Great Emperor didn’t provoke Heavenly Clouds Empire!

“Thank you very much, Heaven Primordial Great Emperor!” Yi Tianyun said casually.

Heaven Primordial Great Emperor then took a seat, which marked the end of all Great Emperor’s introduction.

Although all Empire’s Great Emperors in Mortal World has assembled here, it was a shame that 3rd Grade influences couldn’t come here!

Chapter 604

The people on Heavenly Clouds Empire never thought of something this amazing would happen before their eyes; all the Mortal World Empire’s Great Emperors have come here to greet their Emperor!

They were filled with anticipation that Yi Tianyun would bring them to the top! They know that without Yi Tianyun, they wouldn’t be able to achieve something like this!

“You don’t have to be nervous! Although I did destroy the World Dragon Empire, it is simply because they have committed a crime that I couldn’t tolerate! If the Empire in the Mortal World can maintain peace and leave our Empire alone, there should be nothing to worry about!” Yi Tianyun said indifferently.

The Great Emperors were relieved as they realised that Yi Tianyun didn’t hold what happened last time against them, but Yi Tianyun’s next word make them held their breath in nervousness, “That being said, I will not forget what the people inside this room had done to me on my Coronation Day!” Yi Tianyun said solemnly.

Everyone felt the anxiety of waiting for what Yi Tianyun had in mind for them, “Surely things are not that simple; I know that as a new Great Emperor, you have to exert your authority as best as you can!” Heaven Primordial Great Emperor said casually.

“That is right; we have gone through the same thing. We knew how bad it was when we chose the wrong side!” the old man beside Heaven Primordial Great Emperor said solemnly.

It was commonly known that ascending to the throne or succeeding the throne was followed by internal conflict, and choosing the losing candidate came with regret for sure!

“I hear you loud and clear. Thank you very much for your gift, and I can assure you that I would not bother your Empire as long as you don’t bother me either!” Yi Tianyun said solemnly as he released his aura to intimidate the Great Emperors.

“Spirit King Stage Cultivation??” Heaven Primordial Great Emperor said with confusion on his face.

He was confused about how a Spirit King Stage Cultivator was able to destroy the World Dragon Empire!

But he knew for sure that his spy had said that Yi Tianyun had the power of the gods!

Although he didn’t see the scene for himself, he would trust the spy’s word that Yi Tianyun had killed the Old Ancestor of World Dragon Empire with overwhelming strength!

“I don’t know what kind of treasure that he has, but it seems to be the thing that overpowered the World Dragon Empire!” Heaven Primordial Great Emperor said solemnly.

He didn’t dare to ask Yi Tianyun about his feat on destroying the World Dragon Empire in detail, for he didn’t know whether Yi Tianyun would consider it rude or not.

“Of course, we will always be an honest Empire. We won’t make Heavenly Clouds Empire our enemy!” one Great Emperor said, followed by a nod of all Great Emperors in the palace, expressing their loyalty.

They were grateful that Yi Tianyun wouldn't attack their Empire, but they were in a dilemma!

Although Yi Tianyun was indeed a force to be reckoned with, the same couldn't be said to Heavenly Clouds Empire, leaving them at a loss!

"This new Great Emperor is quite interesting! He alone can suppress the Mortal World influences!" Heaven Primordial Great Emperor nodded with a smile on his face.

"Well, I don't have anything else to say, so let the banquet starts!" Yi Tianyun said excitedly.

He then clapped his hands, a sign for the dancers and the waiters to make their way in and entertain the Great Emperors while serving their table one by one with the best food!

They were very grateful that Yi Tianyun was a person with a broad mind. Otherwise, they all would've been dead by now!

The banquet was soon over, and the Great Emperors bid Yi Tianyun farewell as they wanted to return to their own Empire.

They were worried that Yi Tianyun would change his mind at the end of the day, but it seemed that Yi Tianyun was a genuine person!

"Heavenly Clouds Emperor, I congratulate you once again for becoming the number one Empire in Mortal World! And I am sorry once again for our rude behaviour on your coronation day. We hope that we can build a positive relationship in the future!" One of the Great Emperors said as he recognized Yi Tianyun as the strongest Emperor, making sure that they got into Yi Tianyun's good side!

Yi Tianyun just nodded and smiled as the Great Emperors excuse themselves one by one.

'DING!'

'Successfully completed Main Quest [Become the Number One Influences!]'

‘Reward: 2.000.000.000 Exp, 20.000.000 Cps, 2.000.000 Mastery Point, 2.000.000 Sps, Title [I am a Great Emperor!]

Chapter 605

The Main Quest was finally completed, and all the rewards popped up at once!

‘DING!’

‘Congratulation to Player [Yi Tianyun] for successfully breakthrough to 2nd Layer Spirit King Stage!’

‘DING!’

‘Successfully accepted a new Main Quest [Retrieve Shi Xueyun!]

‘Reward on completion: 300.000.000 Exp, 100.000 CPs, 5x Super Lottery Roulette Ticket.’

Yi Tianyun was startled as he saw the content of his new Main Quest. He never thought that his quest would direct him to save Shi Xueyun this fast!

He has already intended to save Shi Xueyun no matter what the Main Quest would be. After all, he had the God Stone now!

He could come back anytime in case Heavenly Netherworld Divine Nation attacked once more, but he would arrange everything meticulously before he left!

Yi Tianyun has thought that his next Main Quest would be eradicating the Heavenly Netherworld Divine Nation, but that didn’t seem to be the case.

Yi Tianyun’s eyes glittered as he felt satisfied that even the system encouraged him to find his aunt and get her back!

For now, he must oversee the management of manpower in all aspects. Although he wouldn't actually do anything himself as the management was handled by Ye Qingxuan.

In order to make sure that no faction on Mortal World dared to mess with Heavenly Clouds Empire, he had to stay for a short while!

But instead of being idle in the palace, Yi Tianyun decided to look for the treasure left behind by the previous Divine King!

Judging from Heavenly Netherworld Divine Nation's behaviour, Yi Tianyun predicted that the treasure was somewhere on Heavenly Border Continent, Heavenly Clouds Continent, and Earthly Border Continent, but he still had no clue as to where it exactly was just yet!

"It seems I have to level up the Appraisal Eye for now!" Yi Tianyun said as he immediately opened his status and levelled up Appraisal Eye as soon as he saw that he had enough Crazy Points to level it up.

'DING!'

'Successfully level up Appraisal Eye, deducting 10.000.000 Cps.'

'DING!'

'Successfully levelled up Appraisal Eye to Level 4! Next rank requires 50.000.000 Cps!'

'DING!'

'Appraisal Eye has been upgraded to level 4; greatly enhances the Investigation effect and range!

The range has extended to 500 miles from the user and collect any useful information in an instant!

Capable of obtaining information inside a Divine Rune Shield of Creator Rank Great Array and other people's information in detail!

The information about the newly upgraded Appraisal Eye immediately popped up quickly!

Yi Tianyun was startled after reading that the Investigation Range has expanded to 500 miles away, which meant he could gather information much faster!

"Too bad I can't level up Crazy Mode. Otherwise, I would be able to defeat anyone that stands against me easily!" Yi Tianyun said while frowning at his own luck.

He currently had 50 million CPs, which was enough to level up Crazy Mode, but in order to level it up, he had to reach the 5th Layer Spirit King Stage first!

That was why he must prepare himself as he knew that he would need a lot of resources at that level!

"Ye Qingxuan! Here are some preparations to make the disciple stronger!" Yi Tianyun said as he handed down a storage ring full of Martial Arts, equipment, and weapons to Ye Qingxuan.

"This item is of Heaven Level Martial Arts and Sacred Tools!" Ye Qingxuan said as she couldn't believe her own eyes!

She didn't expect Yi Tianyun would give so many treasures like this!

Even the World Dragon Empire didn't have that many treasures!

"Right, I give it to you as I know that you would distribute it to meritorious disciple fairly!" Yi Tianyun said while smiling at Ye Qingxuan.

"You don't need all of these?" Ye Qingxuan asked confusedly.

“No, why would you think I leave something that I need?” Yi Tianyun said while smiling at Ye Qingxuan.

“I have all that I need, and these items would be better off for our eager disciples than for me!” Yi Tianyun said casually.

Ye Qingxuan still felt reluctant to receive that many items from Yi Tianyun as she never received that many high-grade treasures before!

She knew that if some strong faction tried to attack Heavenly Clouds Empire while Yi Tianyun wasn't there, that many items could become the downfall of the Empire!

“I will try my best! Are you going to find Palace Lord Shi, Great Emperor?” Ye Qingxuan asked curiously.

“Yes, I will find her next, but in the meantime, I will stay here until everything has stabilized!” Yi Tianyun said solemnly.

Ye Qingxuan nodded and went out to do her duty, and Yi Tianyun immediately flew out to begin his search!

Yi Tianyun immediately found out about a cave filled with so many ores, Jade Spirit Stone, and many treasures!

But he still couldn't find the hidden treasure just yet!

Nonetheless, Yi Tianyun knew where to find resources for Heavenly Clouds Empire's development later!

“I hope I can find it before the Heavenly Netherworld Divine Nation does! Otherwise, I would be in trouble!” Yi Tianyun said as he knew that Divine King's treasure is a must-have for his own sake!

Chapter 606

Yi Tianyun quickly explored the region at a speed of light!

He covered almost all Heavenly Clouds Continent in a few hours, but he couldn't find the Divine King treasure anywhere!

But Yi Tianyun found a lot of Spirit Veins which could contribute to Heavenly Clouds Empire later. Yi Tianyun wrote down the coordinates and gave them to Ye Qingxuan before he resumed his search in another continent!

Yi Tianyun believed that Heavenly Clouds Empire would develop steadily in the future after securing that many resource spots!

After Ye Qingxuan made sure that all the spots Yi Tianyun had marked were safe to use, various cultivation spots would be available for Heavenly Clouds Empire's disciples!

Furthermore, there were so many Jade Spirit Stone mines that would serve as their resources to secure trading with another faction!

With this in mind, Yi Tianyun believed that Heavenly Clouds Empire should be fine without Yi Tianyun for a while, which made him feel somewhat relieved!

"Now, it is time to go to Heavenly Border Continent!" Yi Tianyun said as he flew towards Heavenly Border Continent.

Yi Tianyun constantly used his Appraisal Eye, so he did not miss anything between Heavenly Clouds Continent and Heavenly Border Continent!

Yi Tianyun immediately stopped above a remote forest area as he saw old acquaintances. It was Yu Shiqian and Zhou Yu whom he encountered on Devil Clouds Island a long time ago!

They met again later when Yi Tianyun was facing Netherworld Empire, but Yi Tianyun has never seen them again after that, but Yi Tianyun still could vaguely remember that both belong to White Lotus mansion!

White Lotus Mansion was a good 3rd Grade Faction, but because it wasn't a top-notch faction, Yi Tianyun couldn't invite them to the coronation ceremony!

But now it seemed like fate, Yi Tianyun realised that Yu Shiqian and Zhou Yu were surrounded by six 9th Layer Spirit Core cultivators!

They were nowhere near Yi Tianyun's cultivation level, but higher than Yu Shiqian and Zhou Yu's cultivation level!

"Young Lady Yu! You should obediently go back with us, or we would be forced to use a rougher method!" The 9th Layer Spirit Core cultivator said threateningly.

His appearance was threatening, and his cultivation was certainly intimidating from a 3rd Grade Faction's standpoint!

"Are you here because of Young Master Shi's request? We didn't do anything wrong. We never provoke him!" Yu Shiqian said as she held a long sword in her hand.

"Yes! we haven't seen Young Master Shi for a while, so why are you blocking our path?" Zhou Yu said agitatedly.

"There is nothing to be concerned about here, it was just a simple invitation for the two of you to become Young Master Shi's guest, and we are here to escort you there!" The man said with a grin on his face.

"We can't do that for this moment! We have to return as the Mansion Lord was waiting for us! We will visit him ourselves once we have the time!" Yu Shiqian rejected their offer as politely as she could.

She knew that there was no way she would escape this situation unscathed!

"Young lady Yu! I don't want to say it for the second time. If you don't comply, we would be forced to do something you wouldn't want to experience!" The man said coldly.

“Are you ready to make our White Lotus Mansion your enemy? Heavenly Demon Mansion wouldn’t like that!” Yu Shiqian said as he kept trying to make her way out of the situation.

Enemy? Do you think White Lotus Mansion is still the best here? We are close to Heavenly Clouds’ Great Emperor! If Young Master Shi wishes for it, your White Lotus Mansion would be destroyed!” the man said confidently.

“Heavenly Clouds Empire?” Yu Shiqian’s face became pale as she knew that it was the strongest Faction in the Mortal World right now!

There was no cultivator on the Mortal World who didn’t know about Heavenly Clouds Empire’s achievement!

Yu Shiqian didn’t know whether the man’s word was true, but she knows that White Lotus Mansion couldn’t afford to go against the Heavenly Clouds Empire!

“As long as you obey Young Master Shi, we will help White Lotus Mansion to get to Heavenly Clouds Empire’s good side too! This is a rare opportunity; you two would certainly regret it if you reject the offer!” The man said coldly.

“You are shameless! We already said that we wouldn’t go with you!” Yu Shiqian said coldly.

“You choose the hard way! Don’t blame us if White Lotus Mansion is destroyed later! Are you that certain White Lotus Mansion can rival Heavenly Clouds Mansion?” the man asked harshly.

Yu Shiqian was shaking inside, she knew that if the man’s words were true, she wouldn’t be able to bear the guilt, but she must stay strong for now! But suddenly, an unexpected encounter happened.

“Heavenly Demon Mansion? Did you say you have a good relationship with Heavenly Clouds Mansion?” Yi Tianyun said as he flew down towards Yu Shiqian, Yi Tianyun was very upset after hearing that Heavenly Demon Mansion used Heavenly Clouds Mansion’s name to oppress another faction!

Heavenly Demon Mansion was one of the best 3rd Grade faction in Heavenly Border Continent. It was capable of becoming a 4th Grade faction if they maintained stability.

However, it would still take several years for them to achieve that!

They still needed a powerful Divine Rune Master to make them eligible to become an Empire!

That was why usually an Empire had an Imperial Preceptor that acted as the Divine Rune Master of the Emperor!

Having a Great Array as protection was a must for an Empire. Otherwise, they would be easily attacked, and the wellbeing of their Empire would be constantly threatened!

No matter how strong a faction was, without any proper defence, they would be destroyed!

From Yi Tianyun's perspective, Heavenly Demon Mansion was sinful for abusing Heavenly Clouds Empire's name!

Furthermore, Yi Tianyun didn't even know about this Young Master Shi that they were constantly talking about. In fact, this was the first time Yi Tianyun heard about Heavenly Demon Mansion!

"Who are you?!" The man hurriedly asked as he saw Yi Tianyun.

"You!" Zhou Yu said as she recognized Yi Tianyun almost immediately.

Even Yu Shiqian also recognized Yi Tianyun immediately!

They knew that Yi Tianyun was the one responsible for the Netherworld Empire's collapse!

All she knew was Yi Tianyun was the Mansion Lord of Heaven's Top Mansion, who was supposed to die with the rest of the Mansion Lords that supported the Netherworld Empire, but here he was still alive and kicking!

"Am I not the Great Emperor that you speak of? Your young master Shi was supposed to have a good relationship with me, wasn't he?" Yi Tianyun said challengingly.

"You are the Great Emperor? What a shameless claim! Do you dare call yourself the Great Emperor of Heavenly Clouds Empire? I have seen Young Master Shi with the Great Emperor himself, how dare you pretend to be one before me, Yuan Long of Heavenly Demon Mansion!" The man said angrily.

He was brimming with pride even though he was angry. The man believed that the Young Master that he served was close with the Heavenly Clouds Great Emperor!

But Yu Shiqian and Zhou Yu were still in shock!

"I thought you die back then. You are Heaven's Top Mansion's Mansion Lord, aren't you?" Yu Shiqian asked curiously.

"Yes, I am, but I am not easy to kill!" Yi Tianyun said with a smirk on his face.

"Now, just go. I will deal with these men!" Yi Tianyun said confidently.

"They are strong. Furthermore, they are from Heavenly Demon Mansion! I don't think Heaven's Top Mansion can deal with them!" Yu Shiqian said worriedly.

Yi Tianyun realised that they aren't well informed. The news about the Heavenly Clouds Empire surely was big news, but they didn't know that Heaven's Top Mansion was no more as it has already merged with Heavenly Clouds Mansion!

"Relax, even if their Young Master come, they wouldn't pose a threat!" Yi Tianyun said confidently.

“You dare mock our Young Master! Prepare to die!” The man said furiously.

Yi Tianyun shook his head and swung his arm casually towards the man, and suddenly, the man was thrown to the tree!

It was just a casual attack, and he didn’t even put his back into it, yet the man was heavily injured!

Everyone was shocked to see Yi Tianyun’s absurd power. Even Yu Shiqian couldn’t hide her shock as she saw that Yi Tianyun was really powerful!

“You dare to attack me! I will make sure that Young Master Shi put your head on a stake!” Yuan Long said as he clutches his chest.

The blow from Yi Tianyun was far too powerful for him to handle, but luckily, he didn’t die!

“You dare to threaten me? I will let you live now, and I will wait for your Heavenly Demon scum of a Mansion Lord to come and find me at White Lotus Mansion! Bring your Heavenly Clouds Empire as you go! I will deal with all of you at the same time!” Yi Tianyun said angrily.

He felt annoyed that the enemy kept using Heavenly Clouds Mansion’s name as they saw fit!

“You are so dead! You have messed with someone that you shouldn’t mess with!” Yuan Long said as he moved away from Yi Tianyun.

The other cultivators also followed Yuan Long, leaving Yi Tianyun with Yu Shiqian and Zhou Yu!

But it didn’t end like that!

The Spirit Core Cultivator tried to kidnap Yu Shiqian! At the same time, Yi Tianyun had enough!

He punched the cultivator that came close to Yu Shiqian and killed him in one blow!

‘DING!’

‘Successfully killed Spirit Core stage Cultivator ...’

The cultivator was shocked to see that Yi Tianyun’s strength was too powerful for them to handle!

Yu Shiqian couldn’t get her beautiful eyes off Yi Tianyun since she felt awe as she watched Yi Tianyun killed the Spirit Core cultivator with ease!

Chapter 608

Yi Tianyun easily killed six Spirit Core cultivators, leaving only two alive!

The remaining two cultivators from Heavenly Demon Mansion were shaking on the ground from fear of Yi Tianyun’s strength!

They immediately ran away toward where Yuan Long previously headed to!

Yi Tianyun didn’t bother chasing after them as he knew that an arrogant faction like that would bite his bait and come searching for him later!

“You killed our people! I will make sure that you pay that with your life!” Yuan Long still had the time to turn back and threaten Yi Tianyun before running away once again.

“Don’t worry. I will not run away even if all cultivators in your Mansion come to kill me! Or better yet, maybe I should visit your Mansion myself!” Yi Tianyun said coldly.

“You will die! I will definitely report this to Heavenly Clouds Empire. You and White Lotus Mansion are done for!” Yuan Long said as he was still aggravated by Yi Tianyun’s words.

Yuan Long kept running, but he couldn’t run that fast due to his injuries!

But after they left, Yu Shiqiang and Zhou Yu looked more worried than before!

“This time, we are done for! You have picked a fight with Heavenly Demon Mansion! We don’t even know whether they really ally themselves with Heavenly Clouds Empire! Because of you, White Lotus Mansion is done for!” Zhou Yu said nervously.

“Yu’er!” Yu Shiqian shouted embarrassedly.

Zhou Yu immediately closed her mouth as she knew that she went too far, “I am sorry for Yu’er’s behaviour just now! She didn’t mean any of it as she was just nervous! I will deal with Heavenly Demon Mansion myself. There is no need for the young master to worry about them!” Yu Shiqian said apologetically to Yi Tianyun.

“You don’t believe that I am the real Heavenly Clouds Great Emperor?” Yi Tianyun asked curiously.

“I didn’t! If you really are Heavenly Clouds Great Emperor, then I am an Empress! Little Yu, we have to leave right now!” Zhou Yu said annoyedly.

“Yu’er, we have to solve this problem swiftly. We can’t approach it with this kind of attitude!” Yu Shiqian said as she sighed tiredly.

“Now, calm down and follow me!” Yi Tianyun said indifferently.

“What? Where are we going?” Zhou Yu asked confusedly.

“White Lotus Mansion, obviously! Did you think I am kidding back then? I will wait for Heavenly Demon Mansion on White Lotus Mansion and destroy them all!” Yi Tianyun said confidently.

“That’s right! You’d better take responsibility for your action!” Zhou Yu said aggressively.

She was happy that Yi Tianyun would deal with Heavenly Demon Mansion on his own. Therefore, the White Lotus Mansion wouldn't have to take the fall!

"Zhou Yu! We have to deal with this on our own!" Yu Shiqian said as she frowned because of Yi Tianyun's word, but she knew that there was nothing she could do to change Yi Tianyun's decision!

But still, she also doubted that Yi Tianyun was really the Great Emperor of Heavenly Clouds Empire!

Yi Tianyun knew that the girls doubted his claim, but he didn't care as he knew that time would prove everything!

They immediately headed to White Lotus Mansion. Yu Shiqian and Zhou Yu rode their flying wagon while Yi Tianyun followed beside them as he flew on his own.

Yu Shiqian was surprised to know that Yi Tianyun could follow them with his flying speed, which meant that Yi Tianyun's cultivation was supposed to be quite high!

"Young master Yi, are you really related to Heavenly Clouds Empire?" Yu Shiqian asked curiously.

She was curious about Yi Tianyun's background as she couldn't see any reason why Yi Tianyun was that fearless when he picked a fight with Heavenly Demon Mansion earlier!

"What do you mean? Didn't I say that I am Heavenly Clouds Great Emperor?" Yi Tianyun said casually with a smile on his face.

"What a jerk! Yeah, keep lying to a girl! Little Yu, don't listen to him. You will be brainwashed to acknowledge him if you keep listening to his lie!" Zhou Yu said annoyedly.

Yu Shiqian was embarrassed by Zhou Yu's rude words to someone who just helped them, but she couldn't defend Yi Tianyun as she also didn't have any proof of Yi Tianyun's word!

Soon they entered White Lotus Mansion's territory.

Yi Tianyun was surprised as he entered White Lotus Mansion's territory. He clearly saw a treasure on the bottom of White Lotus Mansion!

His Appraisal Eye could see that a special treasure was buried deep on the bottom of White Lotus Mansion and sealed with countless Divine Rune!

His Appraisal Eye failed to see the content of the treasure as it was blocked by the Divine Rune!

"Interesting! I never expected the Divine King to leave its treasure under the White Lotus Mansion!" Yi Tianyun said as he smirked excitedly.

He still needed to know the treasure's status. Either White Lotus Mansion was completely oblivious about the treasure, or they couldn't open it!

Chapter 609

"I've been looking for it for so long, to think that it was here out of all places!" Yi Tianyun said as he smirked by himself.

He thought that he would have to keep searching for the treasure indefinitely, but here it was, right under the White Lotus Mansion!

"What are you doing there? come on, let's get inside!" Zhou Yu said annoyedly.

She knew that Yi Tianyun was powerful, but she thought that Yi Tianyun was only a Core Transformation stage cultivator at best, and he wouldn't be able to defend against the Heavenly Demon Mansion by himself!

"Young Master Yi would be thinking the same thing, don't rush things out!" Yu Shiqian said with a smile on her face.

“Well, I don’t like staying in the same place for too long! I guess he was just shocked to see the beauty of our White Lotus Mansion! Although our White Lotus Mansion isn’t the best 3rd Grade faction, our buildings are undoubtedly beautiful!” Zhou Yu said proudly.

This proud exposition was a fact. White Lotus Mansion indeed had a magnificent construction!

It was safe to say that it had the most beautiful buildings on Mortal World!

Yi Tianyun could feel that the Spiritual Power in White Lotus Mansion’s territory was refreshing!

It actually was one of the best cultivation spots here on Heavenly Border Continent!

White Lotus Mansion was also an all-women faction, meaning that the entire Mansion only consisted of women, making it the largest all-women faction in Mortal World!

But they were simply not strong enough compared to a regular faction, no matter how many woman cultivators they had in their rank.

Due to this setback, White Lotus Mansion couldn’t advance to the next faction grade. They lacked power!

Although it was an all-women faction, White Lotus Mansion had various top-notch factions backing them, all thanks to the beauty of the cultivators that couldn’t be ignored, allowing them to have many strong Dao Companion!

The fact that White Lotus Mansion never became an Empire candidate was the reason why Heavenly Demon Mansion dared to provoke them!

Furthermore, Heavenly Demon Mansion said that they had a relationship with Heavenly Clouds mansion, further upsetting White Lotus Mansion!

“This is not bad!” Yi Tianyun said as he looked around the White Lotus Mansion’s landscape, it reminded him of the Phoenix Nest in Ghost World!

Zhou Yu shook her head as she didn’t want to pay attention to Yi Tianyun any longer!

In her opinion, Yi Tianyun was a braggart!

There was no need to mind those with empty words!

“Okay, we will go in with Young Master Yi’s pace!” Yu Shiqian said with a warm smile, “But please note that men are not allowed to waltz in casually. You can’t go around once we’re inside later!” Yu Shiqian said solemnly.

Yi Tianyun nodded casually as he would always be polite and follow the host’s rules and courtesy!

“I only need to see your Mansion Lord!” Yi Tianyun said casually to Yu Shiqian!

“Did you think you can meet the Mansion Lord at the drop of a hat?” Zhou Yu said annoyedly.

Suddenly, a beautiful voice interrupted Zhou Yu. Yi Tianyun immediately looked at the owner of the voice and saw that a beautiful woman came out of the palace!

“What is happening out here? What’s with this ruckus?” the woman said curiously.

“Elder Bai Yu! We are sorry for interrupting your time!” Zhou Yu said as she immediately greeted the beautiful woman.

Yi Tianyun used his Appraisal Eye and immediately discovered that the woman’s cultivation wasn’t that bad at all!

She was at the 2nd layer Core Transformation Stage!

That was remarkable as the strongest 3rd Grade Faction had Void Spirit Expert as their most powerful cultivator!

“Well, who is this?” Bai Yu said as she looked at Yi Tianyun.

“I am Heavenly Clouds Great Emperor. I came after helping White Lotus Mansion’s disciple, but eventually, I took an interest in White Lotus Mansion, and thus I’m here to offer my help! Now, if only I can meet with the Mansion Lord, it would be great!” Yi Tianyun said respectfully.

“You are the Heavenly Clouds Great Emperor? Is it a joke? Why are you guys bringing over a delusional man like this?” Bai Yu said as she looked at Yu Shiqian and Zhou Yu disappointedly.

“I know, I realise my mistake, elder!” Zhou Yu said apologetically.

“I knew it! These two are a big disappointment! They talk like a saint, but they always bring the worst result!” another person came and mocked Yu Shiqian and Zhou Yu for bringing back a delusional man!

Nobody would believe that a young man like Yi Tianyun would be the Heavenly Clouds Great Emperor!

“Wei Yun! What did you mean by that? This man saved us when Heavenly Demons Mansion’s cultivators almost kidnapped us!” Zhou Yu said annoyedly.

“Heavenly Demons Mansion? Tell me more about them!” Elder Bai Yu said curiously.

Zhou Yu immediately told about their encounter with Heavenly Demon Mansion’s people and Yi Tianyun, who helped them get rid of Heavenly Demon Mansion!

But instead of feeling grateful, Elder Bai Yu was horrified!

“You actually killed Heavenly Demon Mansion’s people? What an imposter like you have done to us! You have condemned us to an unnecessarily troublesome situation!” Bai Yu said worriedly.

“Yeah! Men are dogs that can’t think with their brains! You are clearly condemning us to something that could easily be stopped from happening!” Wei Yu said hatefully!

“Shut up!” Yi Tianyun said as he unleashed his killing intent towards Wei Yun!

Yi Tianyun’s killing intent successfully made Wei Yun tremble and fell to the ground, losing her will to fight!

Chapter 610

“You should be careful of what you are talking about in the future! Do you understand that?” Yi Tianyun said nonchalantly.

He didn’t directly connect with White Lotus Mansion, so he didn’t really care about what they did!

Although he could solve this trouble with a slap on the face, he still refrained from doing so out of respect to Yu Shiqian. After all, she has been polite for all this time towards him.

“What a powerful aura!” Elder Bai Yun said as he was surprised that someone as young as Yi Tianyun could show such power!

But it was still too far-fetched to call him Heavenly Clouds Great Emperor! But Wei Yun was shocked!

She couldn’t say a word as she felt an immense fear from Yi Tianyun!

She didn’t dare to look at Yi Tianyun anymore as it was too terrifying for her!

“This young fellow, your cultivation base is definitely not low! This is interesting!” Elder Bai Yun said as she looked perplexed.

"I am not very happy that you keep underestimating me despite my young age! I don't have anything else to say, and now, I want to see your Mansion Lord with or without your permission!" Yi Tianyun said indifferently.

"Don't think yourself too high, boy! We are thankful that you help Yu Shiqian, but you have provoked Heavenly Demon Mansion! They have Heavenly Clouds Empire behind them! You have no qualification to meet our Mansion Lord!" Elder Bai Yun said angrily.

Obviously, Elder Bai Yun and Wei Yun were close with each other. Otherwise, he wouldn't get angry like this!

"What do you mean by that? Did you blame these two because Heavenly Demon Mansion wants them?" Yi Tianyun asked annoyedly.

"Yes! It was a rational choice to go with them instead of coming back with you! Now, they have to make sure that Heavenly Demon Mansion doesn't bring ruin to our White Lotus Mansion!" Elder Bai Yun said angrily.

"How can a faction be managed by someone as cold as you? An Elder who couldn't even act fairly with their own disciples is disappointing!" Yi Tianyun said as he shook his head while sighing.

"What did you know! This is for the benefit of the faction! What good will it be to defend two people if the result is the ruin to the entire faction!" Elder Bai Yun said solemnly.

"I am the Emperor!" Yi Tianyun said as he released his aura a little bit more.

This time Bai Yun couldn't overcome Yi Tianyun's aura and was forced to kneel down. Everyone was startled.

They thought that Yi Tianyun was just a Core Transformation Cultivator, but now, he could easily overpower Bai Yun, who was at the Core Transformation stage!

“You make me kneel down!” Bai Yun shouted, but she couldn’t do anything else as he felt an immense weight on her shoulders!

“Don’t worry, even if I kill you right now, with your reasoning earlier, White Lotus Mansion won’t dare hold me responsible for it! I suspect that you colluded with Heavenly Demon Mansion, it doesn’t have anything to do with me, but now that you have annoyed me, it’s a good idea to make an example!” Yi Tianyun said confidently.

“Young Master Yi!” Yu Shiqian shouted as she felt horrified by just looking at Yi Tianyun.

“Little Yu, have you returned?” another voice came.

Yi Tianyun knew that she was another Elder, just like Bai Yun!

“Elder Su Fan!” Yu Shiqian shouted respectfully.

“Elder Bai Yun, what happened out here?” Elder Su Fan frowned as she looks at Elder Bai Yun kneeling on the ground.

Yi Tianyun’s aura only affected Bai Yun, so the others didn’t felt anything!

“Nothing, in particular, I only let her kneel before me, that’s all!” Yi Tianyun said casually.

“Elder Su Fan! This brat doesn’t know who we are! He identified himself as Heavenly Clouds Great Emperor and provoked Heavenly Demon Mansion and bring them to our door!” Elder Bai Yun said furiously.

“Pretending to be Heavenly Clouds Great Emperor?” Elder Su Fan said confusedly.

Elder Su Fan looked at Yu Shiqian for confirmation, but Yu Shiqian didn’t know what to say!

“Even if he really pretends to be the Heavenly Clouds Great Emperor, he already saved me. If Heavenly Demon Mansion comes to our door, I will sacrifice myself! All of this happened because of me anyway!” Yu Shiqian said honestly.

“Young Master Yi, I am sorry! I know that you are kind enough to help me, but it seems it ends right here!” Yu Shiqian said as she looked at Yi Tianyun.

“Are you really Heavenly Clouds, Great Emperor?” Elder Su Fan asked, ignoring other people’s words.

“Is that a problem?” Yi Tianyun said casually, “Is it because I didn’t exert an Imperial Power like other Great Emperor, or is it because I am too young?” Yi Tianyun asked indifferently.

“White Lotus Mansion! Give that brat and Yu Shiqian to me right now!” a loud roar was heard from outside.

Yi Tianyun and the others looked up and saw several figures flying in the air.

“Young Master Shi!” Wei Yun said as she saw a young man in the sky.

“Yu Shiqian, I invited you to visit Heavenly Demon Mansion, but I didn’t expect you to kill my men. I am okay with it if you are the one who killed them, but I will not let it slide if another man dared to help you with it! Now, where is he!” Young Master Shi shouted furiously.

“Young Master Shi, that brat was the one who killed our men!” Yuan Long said as he pointed his finger to Yi Tianyun.

But Young Master Shi instantly froze as he looked at Yi Tianyun!

“You are...!” Young Master Shi said as his face become pale.

“I heard that you know me and already shared a drink with me! You even call me your brother, right?” Yi Tianyun said playfully.
