Chapter 611

Yi Tianyun stared at Young Master Shi faintly. Yi Tianyun knew that the person he looked at right now didn't have any qualifications to stand near him!

"Young Master Shi, he is posing as Heavenly Clouds Great Emperor! Haven't you already seen Heavenly Clouds Great Emperor in person? He couldn't lie to you now!" Yuan Long said as he laughed excitedly.

"Yes, he is definitely posing as the Great Emperor!" Wei Yun said as she sighed.

She no longer feared Yi Tianyun as she thought his lie had been unveiled! She thought that Young Master Shi would have known if Yi Tianyun really was the Heavenly Clouds Great Emperor!

Seeing that the situation became somewhat stale, Yu Shiqian immediately apologized as she thought that Yi Tianyun was actually lying and has impersonated Heavenly Clouds Great Emperor!

"Young Master Shi, it wasn't Young Master Yi's fault if he pretends to be Heavenly Clouds Great Emperor. It was my fault!" Yu Shiqian said nervously.

Wei Yun grinned as she heard Yu Shiqian apologized to Young Master Shi. At the same time, Elder Bai Yun also grinned as Yi Tianyun would be in a pickle against Heavenly Demon Mansion, but at the moment, she still couldn't move as Yi Tianyun's aura still affected her!

"Let me go, brat! I'm an Elder here; mind your manners!" Bai Yun said coldly.

But everyone was shocked and confused as Young Master Shi suddenly slapped Yuan Long and Wei Yun hard, "You fools, what qualification did I have to go against Heavenly Clouds Great Emperor! He is the real one, not a fake like you all thought!" Young Master Shi said with a trembling body.

"I am terribly sorry, Heavenly Clouds Great Emperor!" Young Master Shi said as he prostrated himself on the ground, showing that he was dominated by Yi Tianyun.

He knew that he had bragged that he has drunk with Yi Tianyun, but it was far from the truth!

Everyone was still dumbfounded as they finally believed that Yi Tianyun was the Heavenly Clouds Great Emperor!

They fell silent as they didn't know what to say. They have been disrespecting Yi Tianyun this whole time!

Wei Yun stared at Yi Tianyun with disbelief while racking her brain to get out of her predicament as she was rude to Yi Tianyun earlier.

"I heard that we are already familiar with each other!" Yi Tianyun said indifferently.

"No, it's just a stupid lie. We haven't met each other until now!" Young Master Shi said nervously. He immediately pulled out his long sword and pointed it at Yuan Long.

"How dare you use Heavenly Clouds Great Emperor's name for your own benefit!" Young Master Shi said as he immediately stabbed Yuan Long with it.

Yuan Long couldn't believe what just happened. He never expected that he would be dying at the hands of Young Master Shi that he has followed for so many years!

He felt a great resentment to Young Master Shi as all that happened here was because of him!

But Yuan Long knew that Young Master Shi had to kill him as his way to make amends to Heavenly Demon Mansion. Otherwise, Heavenly Clouds Great Emperor would destroy their Mansion!

"I am very sorry, Heavenly Clouds Great Emperor! It was because of my lack of discipline that my men act this way!" Young Master Shi said nervously.

Yi Tianyun's eyes were cold; he exerted tremendous pressure on Young Master Shi, making him kneel to the ground so hard that Young Master Shi's knees started to bleed from the pressure.

“Your words may work to others, but not to me! You used my name to make your own seems more powerful than reality. That is a sin that I can’t tolerate!” Yi Tianyun said coldly.

“I was wrong! I beg the Great Emperor to please have mercy on this sinner!” Young Master Shi said as he was trembling with fear!

Everyone who saw the scene felt an immense pressure like no other. They were trembling as they saw what happened to Young Master Shi.

Zhou Yu was no exception. She was the most vocal person to deny Yi Tianyun’s claim as Heavenly Clouds Great Emperor. She was afraid that after Yi Tianyun punished Young Master Shi, it would come her turn!

She felt like crying as she was so scared of what was going to happen to her after this!

Yi Tianyun looked around and noticed that everyone was pale as they didn’t know what Yi Tianyun would do to them!

Yu Shiqian also turned pale as she didn’t know that the revered Great Emperor was now standing in front of her like this!

“Get up!” Yi Tianyun said to Yu Shiqian and Zhou Yu while keeping the rest kneeling down.

“Great Emperor, I am here to blame for my stupidity!” Zhou Yu said shyly.

She felt embarrassed by her own words to Yi Tianyun earlier.

“There is no one to blame here! I don’t know what you are guilty of!” Yi Tianyun said casually. Yi Tianyun then turned his attention to Bai Yun.

“Although, I know that some people were to blame here! While I have nothing to do with White Lotus Mansion’s affair, collusion with another faction is a no-no!” Yi Tianyun said coldly.

Elder Bai Yun's complexion changed. She knew that Yi Tianyun has already figured it out, and thus, her shameful act will get punished!

Chapter 612

No one dared to move as they felt immense pressure from Yi Tianyun. In particular, Young Master Shi couldn't move as Yi Tianyun applied the strongest pressure to him among everyone in the room.

At this time, all people on White Lotus Mansion has heard the commotion and come over, but they stood still on the side as they didn't know what to do, including the Mansion Lord herself!

White Lotus Mansion Lord was a mature woman at her 40, and right now, she was looking at Yi Tianyun coldly.

Her cultivation was considerably strong at the Core Transformation stage, but it was extremely weak in front of Yi Tianyun.

Elder Bai Yun looked to the side and noticed that her Mansion Lord was watching, but the Mansion Lord didn't move or try to help her. Her word became a reality, and now her own faction was abandoning her!

The only thing left for her to do is to beg for Yi Tianyun's mercy!

"Do you think that I can easily forgive you!" Yi Tianyun said as he stared coldly towards Bai Yun.

He knew that she would ask for mercy, so he made sure to trample her hope by saying these words.

"No, I never meant to use the Great Emperor's name like that!" Young Master Shi said nervously.

"Is that so? Now, I will let people ask around about the truth! I will send several people to the Heavenly Demon Mansion to verify the information about what you have done to my name!" Yi Tianyun said coldly. He then turned his attention towards Zhou Yu, Wei Yun, and Bai Yun.

“You three would be in charge for any inquiries regarding my name on Heavenly Demon Mansion!” Yi Tianyun said coldly.

Bai Yun, who felt the pressure from Yi Tianyun disappearing, immediately got up and nodded her head.

Wei Yun and Zhou Yu also nodded their head and made their way towards Heavenly Demon Mansion. They didn’t complain at all as they knew that they had made a grave mistake!

But at the same time, Young Master Shi was still groaning. Yi Tianyun’s pressure has made his face lost its charming complexion. He never expected to meet with Heavenly Clouds Great Emperor like this!

“Heavenly Clouds Great Emperor, the White Lotus Mansion would help you investigate this matter! This is the best we can do for our earlier rudeness!” White Lotus Mansion Lord said respectfully.

“Okay, I will honour your trouble!” Yi Tianyun said casually.

“It’s no trouble at all!” Bai Yulian said hurriedly with a smile on her face.

Bai Yulian was praised for her insight as a Mansion Lord, so she knew that she had to respect and make sure that White Lotus Mansion got on Heavenly Clouds Empire’s good side!

She immediately sent out a number of disciples to search for information about Young Master Shi.

Young Master Shi could only hope that the information that the White Lotus Mansion’s cultivators got was less than needed.

Otherwise, he would die! But he immediately remembered about what he had done this whole time, and his complexion darkened.

“Heavenly Clouds Great Emperor, I heard that you are looking for me!” Bai Yulian said respectfully while bowing a little to Yi Tianyun.

She didn't know why Yi Tianyun was looking for her. All she knew was she had nothing to do with Heavenly Clouds Empire!

But she immediately turned her attention to Yu Shiqian at the side. She knew that Yu Shiqian's beauty had captivated so many people, so she thought that Yi Tianyun was there to take Yu Shiqian!

If this were true, then Yu Shiqian would be able to make the strongest Empire on Mortal World their patron!

Bai Yulian was ecstatic, her disciple might become the empress, and if she did, White Lotus Mansion would soar to the sky!

"I've already met with Miss Yu before, and she was kind enough to help me once before!" Yi Tianyun said with a smile on his face.

"Great Emperor, have I helped you before?" Yu Shiqian asked confusedly.

She thought that she has never met with Yi Tianyun before!

Yi Tianyun smiled and turned his body completely towards Yu Shiqian, making it so Yu Shiqian was the only one who could see his face.

"Now what about this face?" Yi Tianyun said as he showed the face that he used back when he hid in Yu Shiqian's room in the Netherworld Empire.

Yu Shiqian was shocked to see the face that Yi Tianyun showed and immediately covered her mouth as she couldn't believe her eyes.

"It's you!" Yu Shiqian shouted surprisedly.

It was the same face that Yi Tianyun had used while encountering her on Devil Cloud Island a long time ago!

“Now that you know me, if you ever thought that White Lotus Mansion is not to your liking, I will welcome you to Heavenly Clouds Empire. I will make sure that you will have a good cultivation environment.

“I will t-thank you, Great Emperor!” Yu Shiqian stuttered since it was too good to be true!

Yi Tianyun was not a fool. He knew that Yu Shiqian’s beauty was one of a kind, and she also had a good cultivation technique!

She was also a kind-hearted young woman. There was no way Yi Tianyun would let Yu Shiqian slide away from him!

Yi Tianyun then nodded his head and smiled then walked towards the White Lotus Mansion with Bai Yulian following behind him. Bai Yulian signed at Yu Shiqian to follow.

Although she was a little bit disappointed that Yi Tianyun didn’t demand Yu Shiqian become his Dao Companion, Yi Tianyun seemed so kind toward her, meaning there was still a chance for Yu Shiqian to become Yi Tianyun’s Dao Companion!

“Oh, right! I almost forgot, but you have to wait here until the people searching for your information to return! If you leave, I will chase after you!” Yi Tianyun said calmly to Young Master Shi.

“Yes, I will do as you say!” Young Master Shi said as he bowed to Yi Tianyun. Even if Yi Tianyun didn’t say it, he wouldn’t dare to leave!

Chapter 613

“May I ask what honour do we owe that Great Emperor would come personally here? Is there something that you need?” Bai Yulian asked respectfully.

She was still cautious about what Yi Tianyun would do as she didn't want any trouble from the Heavenly Clouds Empire!

"Calm down. I am here to search for a treasure!" Yi Tianyun said honestly to Bai Yulian.

Treasure? What treasure? I don't think we have any treasure in this town that would worth your time!" Bai Yulian asked confusedly.

Bai Yulian's words were true. The city didn't have any treasure that would take Yi Tianyun's interest. After all, the greatest treasure that they had was a Lower Grade Sacred Tool!

Bai Yulian knew that the White Lotus Mansion didn't have any Divine Tool grade treasure.

"No, it is not a treasure that you currently possess! Did you know your own White Lotus Mansion? Did you know the ancestral history of this place?" Yi Tianyun asked curiously.

"Ancestral history?" Bai Yulian said surprisedly. She felt reluctant to say a word as she didn't know Yi Tianyun's intention.

"If you don't want to tell the story, I will take it as permission to search for it myself! If I do so, I can't guarantee that White Lotus Mansion would stand. Yi Tianyun wasn't making an empty threat as it was easy for him to mobilize his Empire's forces in order to search for a clue about the treasure! After all, he couldn't let the Divine King's treasure fell into the Divine Nation's hand!

Bai Yulian's face paled as she was faced with a dilemma.

"I didn't mean to keep the story to myself, but I heard it from a Divine Nation on Ghost World. Some of them came here while telling us that they wanted to find a Divine Treasure through Netherworld Empire!

"I already eradicated the Netherworld Empire, but the Ghost World Faction still wouldn't give up?" Yi Tianyun said annoyedly.

Yi Tianyun wasn't an unreasonable person, he would negotiate with White Lotus Mansion, but he wouldn't force it!

His only goal was to halt the Divine Nation's progress!

He planned to share the Treasure with White Lotus Mansion anyway. After all, White Lotus Mansion has been sitting on top of the treasure for so long!

"Ghost World Faction?! I understand; I will tell you everything!" Bai Yulian said solemnly.

"A long time ago, the ancestor said that there is an Evil Soul trapped at the bottom of the White Jade Peak, and it must not be dug up under any circumstances. Otherwise, there would be a disaster!" Bai Yulian said solemnly.

"In order to suppress the evil soul, a large number of Yin Spiritual Energy have to be used, so that is why White Lotus Mansion only accepted woman cultivator for the longest time!" Bai Yulian added solemnly.

"Hmm, so that is why!" Yi Tianyun said while wondering what Evil Soul it would be!

"Because of this story, it definitely can't be dug up!" Bai Yulian said solemnly.

"The ancestor has handed down that saying to the Mansion Lord in generations, and only the Mansion Lord knew about it!" Bai Yulian said confidently.

Yi Tianyun nodded his head in understanding since he knew that the fewer people knew about it, the better!

"Is there a spot or a cave to look at it?" Yi Tianyun asked curiously.

"No, there is no such thing! I didn't dare to disturb it, and neither does the ancestor before me!" Bai Yulian said honestly.

“if that’s the case, then I will be the one to dig it up! You don’t have to stop me. I have to see it for myself. If it’s a demon that was sealed there, I will leave it alone! After all, if it really were to seal a demon, the seal itself would weaken overtime!” Yi Tianyun said confidently.

“I already warned you, if you lose control of the seal, I can’t imagine what would happen!” Bai Yulian said worriedly.

Yi Tianyun nodded his head but remained confident. He didn’t have to hesitate as all he saw with his Appraisal Eye was the treasure.

Yi Tianyun thought that the story passed down from Mansion Lord in generations here in White Lotus Mansion was just a deterrent to keep people away from the treasure!

“Then, I welcome Heavenly Clouds Great Emperor to our humble mansion!” Bai Yulian said worriedly.

She didn’t want Yi Tianyun to disturb the land, but there was nothing she could do!

Yi Tianyun’s cultivation and status were nothing like anyone else she ever saw!

“I will make sure that it won’t pose any threat to you! Furthermore, if it really was a demon, I will try my best to take it on myself!” Yi Tianyun said confidently.

“Really? I’m thankful for your benevolence!” Bai Yulian said excitedly.

If Yi Tianyun could really take on the demon, then White Lotus Mansion could finally accept a male cultivator in their ranks.

“I will go down and check it for myself! Please lead the way, White Lotus Mansion Lord, it may be better if fewer people know about it!” Yi Tianyun said confidently.

“I understand; I will go back to my room.” Yu Shiqian said while bowing respectfully as she understood that she shouldn’t follow them anymore!

“No, you will come with us. Your innate ability is great!” Yi Tianyun said confidently.

“Thank you very much, Great Emperor!” Yu Shiqian said excitedly.

Although she was worried about what would happen next, she knew that as long as Yi Tianyun was there, they would be safe!

Chapter 614

When Bai Yulian noticed that Yi Tianyun paid more attention to Yu Shiqian, she became a little more hopeful. If Yi Tianyun took Yu Shiqian as his Dao Companion, White Lotus Mansion would receive significant backing!

But actually, Yi Tianyun was only giving her a chance to improve herself!

He knew that knowledge was the greatest thing that humans could have!

For Yi Tianyun, his Crazy Levelling system was enough to make the best out of his cultivation base. He could become a Divine King by merely killing demon beasts if he really wanted to!

The realm that seemed to be out of reach from other people’s perspectives would be reachable for Yi Tianyun!

“Great Emperor, it is here!” Bai Yulian said as she stopped at White Jade Peak.

It had the greatest landscape that people could see in the entire White Lotus Mansion!

This White Jade Peak was also the place where White Lotus Mansion’s higher-ups lived.

The disciples were forbidden to come here unless they were called!

“Yin Spiritual Energy is the heaviest here! The surrounding area gathered the Yin Spiritual Energy that makes masculine cultivation more efficient here! This place is really great! At least Divine Rune Grandmasters would be benefitted here! White Lotus Mansion seems pretty good!” Yi Tianyun said honestly.

“Yes, that is true, but it inevitably declines overtime!” Bai Yulian said embarrassedly.

A long time ago, White Lotus Mansion was a renowned Mansion that, unlike now! It was unfortunate that so many Experts in the past couldn’t overcome their age, and thus White Lotus Mansion gradually declined. Well, I will start digging here. You have to make sure nobody comes around!” Yi Tianyun said indifferently.

“I already told the Mansion not to interfere with your search. Rest assured, nobody would come here!” Bai Yulian said confidently.

She already told the executives of the Mansion that White Jade Peak was off-limit earlier.

“Great!” Yi Tianyun said appreciatively and took out his Heavenly Netherworld Divine Sword.

A terrifying pressure was immediately released from the sword giving a cold vibe that was hard to ignore.

“This is a divine tool!” Bai Yulian and Yu Shiqian said as they felt a chilling cold.

They were surprised to see a Divine Tool, but they weren’t surprised that Yi Tianyun would have one. But they were shocked to see the scene that enveloped afterward!

Yi Tianyun started to use the Divine Tool to dig the ground with the Divine Tool!

“He used a Divine Tool to dig up the ground?” Bai Yulian said dumbfoundedly.

She was afraid to offend Yi Tianyun, but this scene was too absurd! No matter how strong he was, a Divine Tool was supposed to be treated with respect, but Yi Tianyun just used it like any other equipment!

Yi Tianyun knew that people would frown upon his action, but he didn't care!

All he thought of was getting the treasure as fast as possible!

With his amazing speed and power, he quickly made quite progress. Bai Yulian couldn't even keep up with Yi Tianyun's speed!

The excavated soil was collected inside Yi Tianyun's storage ring, so there was no need to worry about it later!

After digging for quite a while, Yi Tianyun's speed was slowed down due to exhaustion, but Bai Yulian thought differently. She thought that Yi Tianyun almost reached the seal!

Yi Tianyun kept digging as he knew the treasure's exact position, so as he got close to it, he started to dig around it!

He then cleared up the treasure trove's front, and he knocked it to check if there was something.

A hole was formed, and a cave was seen! Yi Tianyun led the way and went in. As Bai Yulian followed behind, he saw that Hard Profound Iron Stone was covering the cave wall!

"Yang Spiritual Energy was so heavy in here!" Yi Tianyun said casually.

He felt a burning feeling around him, constantly invading his body like fire. But there was no fire in the cave. Instead, there was a huge rock at the end of the cave covered with a dense Divine Rune Seal.

Yi Tianyun also saw a chain with countless tiny Divine Runes engraved on it.

“This is the Devil’s seal?” Bai Yulian said curiously.

They looked at the towering rock cautiously. Although there was no light or any kind of light source, the place wasn’t dark at all. At the same time, the women felt uncomfortable as Yang Spiritual Energy filled the room.

As they saw to the top of the rock, Bai Yulian saw a constant stream of Yin Spiritual Energy falling, cooling down the rock, which greatly weakened the rock.

“I was right. The seal is starting to loosen!” Yi Tianyun said as he looked at everything that constituted the rock and the seal!

Chapter 615

Yi Tianyun looked at the rock in front of him and saw nothing else holding it to the ground except for the chains. Yi Tianyun realized that the rock was merely sealed with a high ranked Divine Rune!

This way, the spiritual connection was weaker, and it would be impossible to detect it from the outside!

But over time, if any Spirit King Stage expert carefully explored the area above, they would definitely detect the secret hidden in this place!

In addition, Yi Tianyun realised that the rock didn’t just emit Yang Spiritual Energy, but also some unknown energy that Yi Tianyun never sensed before!

Yi Tianyun also noticed that Yu Shiqian and Bai Yulian were trembling because of this Spiritual Energy, but they didn’t seem to notice the energy itself!

“This is definitely the Demon Seal. The ancestor didn’t lie to us!” Bai Yulian said with a trembling voice.

Bai Yulian doubted her ancestor at first as she never saw the seal herself, but now that she was right in front of it, her faith in her ancestor became stronger!

“This is indeed a seal that successfully prisoned a demon, but unfortunately, it also contained a treasure of Divine Tool rank! As long as we get that treasure, the demon inside is also worth fighting against!” Yi Tianyun said confidently.

Yi Tianyun was confident that a Middle-Grade Divine Tool was inside the rock!

A Middle-Grade Divine Tool was a rare treasure that even a Saint King saw. It lived up to its name as a Divine King’s treasure!

Heavenly Rock Suppressing Ancient Tablet: Middle-Grade Divine Tool. Can grow or reduce in size according to the will of the user.

Weights up to 10 tons and can transform into a Giant Tablet of the Giant, which could instantly suppress the enemy!

Can seal a soul inside!

The rock itself was the Divine Tool, and it wasn’t a Middle-Grade Divine Tool Weapon!

A Middle-Grade Divine Tool Treasure was more precious than a weapon!

This thought filled Yi Tianyun’s mind as he saw the treasure’s description with his Appraisal Eye.

If Heavenly Netherworld Divine Nation ever found out about this treasure, they surely would covet it as it was absolutely a top tier treasure!

No cultivator would be able to escape the rock’s suppression unless they were an exceptional expert, but Yi Tianyun still didn’t know the limit of the rock’s power!

Yi Tianyun knew that this Heavenly Rock Suppressing Ancient Tablet would turn any city into ruins as soon as someone used its power to suppress the entire city!

Yi Tianyun noticed that the real treasure was hidden behind a layer of stone that was extremely hard. It was the scorpion stone!

Yi Tianyun knew that Scorpion Stone was a mineral that was only processable with a Blacksmith Divine Tool. Even the chains were not made of something trivial either. It contained the essence of Scrophularia Ginseng that was also the material for a Divine Tool!

It can be said that none of them was wasted, including the Divine Rune on the rock and the chains. It was all a Divine Rune Creator Rank!

“Great Emperor, can you move it out?” Bai Yulian asked hopefully.

She knew that the Treasure of a Divine King was extremely valuable, but it was useless if they couldn’t use it themselves, so the best thing to do right now would be to get rid of it completely, so their Mansion could grow!

“I don’t think I can right now. The chain is fixed on the ground, and it’s firmly nailed. I guess if the chain wasn’t continuously provided with Yin Spiritual Energy, it would break, and whatever sealed inside would be set free without a proper control!” Yi Tianyun said solemnly.

Yi Tianyun kept staring at the rock as his Appraisal Eye continuously provided him new information about the rock and the seal.

But he still couldn’t grasp the deeper part of the rock as his Appraisal Eye couldn’t get to it just yet!

Bai Yulian’s hopeful expression changed to a frown as she realised that the seal wasn’t something that Yi Tianyun could handle right now!

She desperately hoped for White Lotus Mansion’s further growth as soon as she could welcome male cultivators into their rank.

“What should we do now?” Bai Yulian asked desperately.

“The only thing that I can do now is to reinforce the seal, it was obviously damaged, and it wouldn’t be easy to fix! If I can fix it, the Yang Spiritual Energy on this place would be greatly reduced and thus will lighten your load too!” Yi Tianyun said confidently.

“I will make sure to reinforce it until I got the power to get rid of it! If anyone tries to do anything funny to it, I will immediately know!” Yi Tianyun said assuringly.

The seal itself was a lot stronger compared to the Evil Spirit Race Seal on Phoenix Nest!

But it was still within a range that Yi Tianyun could understand, thanks to the strong Yin Spiritual Energy in White Lotus Mansion, he would have an easier time reinforcing the seal!

“We are grateful for your help!” Bai Yulian bowed respectfully.

Her respect for Yi Tianyun deepened as she saw that Yi Tianyun wasn’t tempted to destroy the seal right away!

Chapter 616

Before such an amazing treasure, Yi Tianyun wasn’t tempted to get his hands on it as far as he could. Even so, it might serve as an excellent weapon for his fight against the Heavenly Netherworld Divine Nation. He didn’t covet the Divine King’s treasure at all!

Besides, a demon was sealed inside, and he knew that if he broke the seal, the White Lotus Mansion would be in jeopardy!

Not only the White Lotus Mansion, but the demon might threaten the entire Mortal World!

“Stay outside for a while; test your cultivation. I believe that the White Lotus Mansion would be able to cultivate more efficiently than before!” Yi Tianyun said confidently after reinforcing the seal on the Divine King Treasure.

“Is that so?” Bai Yulian said while feeling doubt, but she immediately did what Yi Tianyun has told her to do.

She left the cave and immediately meditated. She noticed that her cultivation speed was way faster than before. She also noticed that her energy was more balanced than ever!

“Wow, this is really something else!” Bai Yulian said surprisedly.

They never thought that the reason why their cultivation speed was not as fast as it was supposed to be was due to the loosening seal, which leaked out Yang Energy from inside the seal.

Now that Yi Tianyun has reinforced the seal, she felt Yin Energy accumulated much faster than before!

But in fact, Yi Tianyun wasn't done fixing the Divine Rune that constituted the seal just yet. He just told everyone to get out as he finished the seal!

“The Divine Rune here is really complicated! As expected of the Creator Rank Divine Rune, I am afraid it's still too much for me now!” Yi Tianyun said as he continued to observe the Divine Rune on the chain.

But he still found some Grandmaster Rank Divine Rune and immediately fixed that first!

Yi Tianyun immediately activated his Heavenly Eyes, and the Divine Rune's lines were instantly seen!

Even the Divine Rune on Creator Rank was recognizable. That was the power of Heavenly Eyes!

It allowed the user to recognize all Divine Rune's line!

Yi Tianyun repaired the Divine Rune while observing the Creator Rank Divine Rune in order to scan it. Eventually, he managed to fix the Creator Rank Divine Rune to some extent, but not completely. It was all thanks to the Dragon Divine Pen and the Sacred Tool that Shopkeeper Ye gave with him after leaving the Phoenix Nest!

Fixing the Creator Rank Divine Rune wasn't good for him too. It consumed a lot of Spiritual Energy, and it took him a while to fix even one Divine Rune!

Not to mention the Heavenly Eyes remained active all the time, accelerating his Crazy Points' consumption rate even further!

'DING!'

'Successfully repaired Creator Rank Divine Rune!'

'Reward: 1.000.000 Cps, 5.000 Divine Rune Mastery Points.'

Nevertheless, the reward was satisfying!

Yi Tianyun was satisfied even though he had to stay there for quite some time to fix all of this!

He didn't want to use Crazy Mode to enhance his speed in fixing the Divine Rune as he didn't want to consume too much Crazy Mode here.

Yi Tianyun didn't have anything to worry about, so he could stay there indefinitely for now.

After quite some time, Bai Yulian got up and left Yu Shiqian to meditate on her own. The cultivation speed was good, but she still had other things to do!

That included the surroundings' security management as no one may enter that place for the time being.

As time passed, Yi Tianyun felt that his Spiritual Energy was depleted, so he decided to sit and rest for the moment.

After resting for a short while, Yi Tianyun then continued to fix the Divine Rune, and he would repeat this cycle over and over again until all the Divine Runes there was fixed!

“Are you fixing the owner’s seal?” a voice was suddenly heard.

Yi Tianyun looked toward where the voice was coming from and saw an old man suddenly appeared from the stone tablet in the middle.

“Heavenly Rock Suppressing Ancient Tablet Spirit?” Yi Tianyun asked confusedly.

A spirit dwelling in a Divine Tool was common, but even so, it was usually a little spirit, but this was an old man, making it very different than the rest!

“Yes, I am the Tool Spirit of Heavenly Rock Suppressing Ancient Tablet! Hadn’t you fix the Divine Rune, I wouldn’t plan to show myself either. But, you don’t seem to be the owner’s descendant. How can I help you repair the Divine Rune Seal?” The Spirit asked politely.

“I don’t know. I am trying to fix it with my own power so far! But can you tell me what’s inside the seal? I felt something dangerous wafting out from it, so I reinforced the seal again!” Yi Tianyun said politely.

“Haha, I didn’t expect someone was able to see my murderous aura. If you intended to destroy the seal, I would’ve broken free and killed you right after!” the Spirit said as he laughed wholeheartedly.

Yi Tianyun quickly observed the Tool Spirit with his Appraisal Eye and saw that the Tool Spirit was at the 2nd layer, Saint King Stage!

He then realised that the Heavenly Rock Suppressing Ancient Tablet must have killed many people before. Otherwise, the murderous aura wouldn’t be that strong!

Chapter 617

The Tool Spirit’s cultivation was so strong that the Heavenly Rock Suppressing Ancient Tablet didn’t need a master to control its power!

The reason why the original owner of the Heavenly Rock Suppressing Ancient Tablet built a great array at this place was probably to enable the Spirit to attack anyone that tried to destroy the seal!

This is usually not possible as a Divine Tool didn't have any spiritual power, to begin with. However, the Great Array that the Divine King created also absorbed the Spiritual Power to power the Heavenly Rock Suppressing Ancient Tablet, allowing the Tool Spirit to continuously exert its power to defend the Heavenly Rock Suppressing Ancient Tablet!

"So, is there anything else besides the treasure sealed inside?" Yi Tianyun asked carefully.

"You're pretty strong as far as I can tell, not to mention you can fix these Divine Runes! But you are correct to be wary of the seal, as a Demon was also sealed inside this Heavenly Rock Suppressing Ancient Tablet! The demon came from another world and started rampaging on Mortal World. Eventually, the owner managed to seal it and made me suppress the demon's power forever!" The Spirit said excitedly.

"Another world? Did you mean the Ghost World and the Heaven World?" Yi Tianyun asked curiously.

"No, it doesn't seem to be either of those! The demon broke the space itself and killed anyone he saw! No one really knew what happened and why the demon appeared in the first place, but he swallowed all the spiritual energy like crazy! If it were not for the owner, the Mortal World would've been destroyed!" The Spirit said solemnly.

From the sound of it, the Spirit was confident that the Divine King wasn't mistaken and the demon came from somewhere else!

"If it's really a race from another dimension, this is truly peculiar! The owner was supposed to be a Divine King rank, right? Couldn't he kill this creature?" Yi Tianyun asked curiously.

"Yes, my Master and the owner of this Heavenly Rock Suppressing Ancient Tablet was indeed a Divine King! He was called Heaven Creating Divine King! Master was so strong, but the demon was stronger! But thanks to this Heavenly Rock Suppressing Ancient Tablet, the owner successfully suppressed the demon and sealed it away! But it was not possible for the Master to kill it!" The Spirit said solemnly.

This is truly a disaster!

Yi Tianyun realized now that if he ever broke the seal, the world would fall apart!

If the demon were that powerful, the Evil Spirit inside the Phoenix Cave would look like a baby!

“Heaven Creating Divine King? How can Mortal World accommodate such a strong cultivator?” Yi Tianyun asked curiously as he felt that the Divine King’s circumstances were very strange!

The Mortal World could only accommodate a cultivator up to Spirit King stage, and the people above that rank wouldn’t receive sufficient Spiritual Energy to breakthrough!

“No, that is not true! The Mortal World used to be able to accommodate experts at any level! But the Divine Kings of the Mortal World agreed to create a Divine Rule that any cultivator that was strong enough to be forced out of Mortal World to Heaven World! All because the Mortal World was very fragile!” the Spirit said confidently.

“Is such a thing even possible?” Yi Tianyun said with a surprised look on his face.

He never expected the Divine King to be so powerful that they could impose a rule for the entire world!

In this case, weren’t they basically a god?

“Yes, the Divine Kings indeed created such a rule for the Mortal World! But I don’t know how they did it! But after they created the rule, the Divine King parted ways to reign in their own world!” The Spirit said confidently.

“How many Divine Kings was there at that time?” Yi Tianyun asked curiously.

“There were three Divine Kings back then! My Master, the Heaven Creating Divine King, was the Divine King for the Mortal World, one at Ghost World, and another at Heaven World!” Tool Spirit said confidently.

“Three Divine Kings? Did you know your Master’s whereabouts right now?” Yi Tianyun asked curiously.

All he knew was that the Divine Kings were gone. At least he was sure that the Heavenly Creating Divine King wasn't on this Mortal World!

"Sadly, I didn't know! I can't sense Master's presence right now!" Tool Spirit said awkwardly.

The Spirit knew that the Master was either so far away or dead!

Yi Tianyun began to ponder as he thought that the Divine Kings could be in the demon's dimension. He came to this conclusion as there was no record of the Divine King found dead!

"Are you sure that the Divine King is not in Heaven World or the Ghost World?" Yi Tianyun asked curiously.

"I don't know for sure, but one thing is certain! The demon suppressed here wouldn't be able to be sealed forever! Even if you completely fixed all the Divine Rune on this place, it would definitely escape later!" The Spirit said worriedly.

"How much time are we talking here?" Yi Tianyun asked curiously.

"If you repair all the Divine Rune completely, it will take 100 years for the demon to escape, but if you don't fix it completely, at the very least, we got 60 years!" the Spirit said confidently.

"The seal could last 100 years if repaired perfectly?" Yi Tianyun said surprisedly.

But Yi Tianyun realised that with that much time, he got two choices to deal with the demon, either he had to become a Divine King himself and kill the demon with his own power, or he must have the Ghost World, Mortal World, And Heaven World banded together to deal with it!

But the thing was, he didn't know the situation of either Heaven World or the Ghost World!

So, he couldn't say for sure that he could deal with the demon even if he banded the three Worlds' power together!

But one thing for sure was that Yi Tianyun had no intention of letting any innocent people suffer because some cultivator was greedy and irresponsibly broke the seal!

Chapter 618

After learning the bare minimum information, Yi Tianyun finally understood the overall situation but sadly, not all the details!

But knowing the overall situation clearly helped him progress!

After all, 100 years was such a long time that he didn't really need to think about it too much!

'DING!'

'Successfully took over Ultra Main Quest [Strikes to Kill the Demons! Become the saviour of the Mortal World!]'

'Reward on completion: 100.000.000.000 Exp, 100.000.000 Cps, 50.000.000 Sps, 5.000 Prestige Points, Saviour Title!'

"Ultra Main Quest?" Yi Tianyun was surprised as he never saw such a quest before.

He checked the quest once again and read the details about the Ultra Main Quest!

'Ultra Main Quest: The Main Quest that wasn't supposed to be stumbled upon just yet, giving abundant rewards while the difficulty remains the same!'

Yi Tianyun immediately realised that he would eventually receive the quest involving the demon, but it shouldn't happen now!

It supposedly appeared as soon as the demon broke the boulder and roamed free for a couple more years. Otherwise, the quest wouldn't give such a tremendous reward like this!

"I forgot to mention it earlier, but I'm your master's inheritor!" Yi Tianyun said as he released his aura.

The Tool spirit immediately sensed the familiar power that his master used to wield, and his face immediately turned solemn!

"It really is master's aura!" Tool Spirit said with a sense of familiarity!

"I attained this qualification in Heaven Ascending Divine Altar on Ghost World. I wonder if you know of this place?" Yi Tianyun asked curiously.

"I am not sure, but the aura was very familiar! I am sure that you are master's inheritor!" Tool Spirit said confidently.

Yi Tianyun now realized that the Heaven Ascending Divine Altar must be made after the demon's seal; otherwise, the Tool Spirit would've known about the altar itself!

"If that's the case, then I will fix all the Divine Runes; it won't take long! I will tell the Divine King's descendants about this later!" Yi Tianyun said respectfully.

"That would be a great idea! The Divine King's descendants need to know about this. After all, the three Divine Kings only managed to seal the demon!" The Tool Spirit said excitedly.

"You said three Divine Kings couldn't handle the demon?" Yi Tianyun said with a surprised look on his face.

He never thought that it was the three Divine Kings who suppressed the demon!

Now, Yi Tianyun began to wonder just how powerful this demon really was!

“Don’t be stupid! Even if Heaven Creating Divine King is here, he wouldn’t be able to deal with me!” A voice suddenly spoke from inside the rock.

“You demon! How impudent!” Tool Spirit shouted, and the whole rock was covered with a dazzling light, suppressing the demon’s power and releasing the power inside the Divine Rune!

“You sorry excuse of a Tool Spirit, I will make sure to trample you when I get out of here! Keep on cultivating your power, brat! I could sense that you will serve as a fine meal when I am released from this place!” the demon said to Yi Tianyun as its voice was getting less and less audible!

“Does that Demon kill and devour everything on its path?” Yi Tianyun asked while frowning after hearing the demon’s voice!

It sounded like the cultivators on Mortal World was equal to Medicinal Pills for this demon!

But Yi Tianyun knew that humans were no different!

Humans used Dragon Meat and Phoenix Blood for cultivation since ancient times ago!

“In the future, you have to make sure the Divine King’s descendant knows about the importance of sealing or fighting against this demon! I don’t know about the other Divine Kings, but at the very least, the descendant of Heavenly Creating Divine King has to be thoroughly prepared!

Yi Tianyun nodded his head and frowned a little as he remembered that the Flying Divine Nation that the Heavenly Creating Divine King established was already gone, leaving White Lotus Mansion as his only legacy!

“I don’t know about this! I need others to handle the demon. I don’t think I can do it alone!” Yi Tianyun said with a smile on his face.

“That is a given! If you acquire the owner’s inheritance, you will have the power to suppress the demon, but you wouldn’t be able to handle it in your current state! You have to join forces with others to suppress it!” Tool Spirit said solemnly.

“I will think about it later. For now, I need to focus on fixing all of these Divine Runes!” Yi Tianyun said confidently.

After a week, Yi Tianyun finally managed to seal everything inside and ready to leave as he didn’t have anything else to do here!

“The next time you came back, you will have to either destroy the demon or reseal it! Either way, you have to show a good result. Otherwise, the Mortal World would be in peril!” The Tool Spirit said confidently.

“Yes, I will reseal it with all my power!” Yi Tianyun nodded.

“Then, you will have my master’s aid!” Tool Spirit said to Yi Tianyun, and suddenly a ray of light rained down on Yi Tianyun’s head! Yi Tianyun immediately noticed that the ray of light was the Divine King’s memories!

“Thank you very much!” Yi Tianyun said with a smile on his face.

With the memories from the Tool Spirit, Yi Tianyun would be able to advance quicker!

Yi Tianyun then left the sealed chamber quickly, and Yu Shiqian immediately stood up from her meditation.

“Great Emperor! The Heavenly Demon Mansion’s Lord has been waiting outside for a while!” Yu Shiqian said respectfully.

“Well, I forgot I told him to wait!” Yi Tianyun said apologetically as he didn’t remember such a trivial thing.

Chapter 619

Yi Tianyun totally forgot about The Heavenly Demon's Mansion Lord!

Yi Tianyun's mind was full of the quest that he had to finish that such trivial matters left his mind!

But he knew that Young Master Shi has been waiting on for two weeks!

Young Master Shi knew that he couldn't blame Yi Tianyun, but the shame of kneeling on the ground for weeks wouldn't disappear!

"We had collected the information a few days ago, but as you are still inside that place, we couldn't bring ourselves to bother you!" Yu Shiqian said respectfully.

The information was collected quickly as the entire disciple of White Lotus Mansion was mobilized for that purpose!

They didn't bother Yi Tianyun as their status was so far apart. Besides, they didn't want to offend a Great Emperor!

So, even if Yi Tianyun stayed inside that place for a year, they wouldn't disturb him!

As a Great Emperor of Heavenly Clouds Empire, the people in White Lotus Mansion knew that they must be respectful!

"Well, tell me what you found?" Yi Tianyun said casually.

"In general, the report was brief and clear. Young Master Shi indeed used your name and oppressed other small factions with it. We even found out there are other factions that used your name to oppress other factions!" Yu Shiqian said confidently.

She paid attention to Yi Tianyun's expression, but she didn't find any change at all!

"I see." Yi Tianyun said indifferently.

He already expected something like this to happen. After all, if it already happened once, there was no telling that it wouldn't happen for the second time!

An Empire's influences couldn't cover that many small factions, so it was impossible for Yi Tianyun to monitor every little thing small factions did. Yi Tianyun then walked outside and saw that Young Master Shi was still waiting where Yi Tianyun told him to.

Yi Tianyun saw that Young Master Shi's face was full of fear. But Yi Tianyun looked to the side and saw an old man who resembled Young Master Shi and instantly knew that he was the Mansion Lord of Heavenly Demon Mansion!

"Long live the Great Emperor!" Shi Wenkai said respectfully.

Mansion Lord Shi knew about the situation after White Lotus Mansion came and inquired about the information involving Young Master Shi.

He immediately took several people and headed to White Lotus Mansion. He was scared. He never thought that a Great Emperor would set his eyes on Heavenly Demon Mansion because of his foolish son!

"Great Emperor! I am sorry for my son's rudeness! I will certainly punish him, I know it's brazen of me to ask for your forgiveness, but at the very least, I beg of you not to blame our Mansion!" Mansion Lord Shi said while taking out a long sword and immediately cut off Young Master Shi's legs!

Young Master Shi screamed and heartbroken that his own father would go this far!

Yu Shiqian, who saw this scene, was shocked as Mansion Lord Shi's act was too brutal!

Mansion Lord Shi didn't finish just yet. He then broke Young Master Shi's hands, making Young Master Shi an utterly useless person!

But Yi Tianyun's expression was still the same; he didn't feel anything from such a brutal sight.

"It's all because of you, father!" Young Master Shi screamed, but Mansion Lord Shi immediately aimed his sword at Young Master Shi's chest to end his life.

Suddenly, an intense pressure stopped Mansion Lord Shi on his track!

"Did I ever ask you to do all this?" Yi Tianyun said indifferently.

"I only asked a question, and now you act like a cornered man! Did he know something that you are afraid would come to light right now?" Yi Tianyun asked coldly to Mansion Lord Shi.

"No, I just want to punish this stupid child of mine!" Mansion Lord Shi said as he was shaken from fear.

His cultivation level was almost at the peak of the Core Transformation Stage, but it didn't help him resist Yi Tianyun's aura.

"Shut up!" Yi Tianyun said coldly.

Mansion Lord Shi immediately obeyed as he closed his mouth, Yi Tianyun then waved his hands, and Young Master Shi's wound was immediately closed.

"Now, look at me!" Yi Tianyun said as he glared at Young Master Shi's eyes.

This was the precursor of Eye of Charm!

"Now tell me all you know!" Yi Tianyun said coldly.

"I just want to use the Heavenly Clouds Empire's majesty to suppress other factions! In the beginning, I saw my father and his men did it in a bind against Rain Forest Mansion. As soon as my father said that he was in alliances with the Heavenly Clouds Empire, they immediately ran with tails behind their legs! It can't be helped if I'm tempted to do it as well!" Young Master Shi said indifferently.

Mansion Lord Shi was startled as he heard what his son just said. He thought that the Great Emperor would definitely kill his son, but he wasn't worried as he still has another son, but he was still afraid that the Great Emperor would blame his faction for this mistake!

"So, did I heard it wrong? You are the root of this problem!" Yi Tianyun said coldly to Mansion Lord Shi.

Chapter 620

"Great Emperor! Listen to me. That's just a bunch of gibberish. I have never done anything like that!" Mansion Lord Shi said nervously.

He already heard that Heavenly Clouds Great Emperor was an extremely emotional person who would destroy a faction all by himself when he was disrespected!

"Look at me!" Yi Tianyun said coldly while staring at Mansion Lord Shi.

Mansion Lord Shi then looked at the Great Emperor, and suddenly his vision was filled with a bright light, and his body moved on its own!

"Is your son's word true?" Yi Tianyun asked coldly.

"Yes! I did use the Heavenly Clouds Empire's prestige to threaten other factions and use it for our own benefit. I already planned that to use Heavenly Clouds Empire's name on a certain faction next!" Mansion Lord Shi said indifferently.

Everyone present immediately noticed that the Great Emperor was using some sort of charm to force the Mansion Lord and Young Master Shi to spit out the truth!

Everyone became scared of this ruthless power!

They know that they couldn't hide anything from the Great Emperor!

"Is there anything else you want to say?" Yi Tianyun asked Mansion Lord Shi indifferently.

Mansion Lord Shi, who has regained his sense back, immediately prostrated himself in front of Yi Tianyun and asked for mercy, "Great Emperor! Please, I beg your mercy! I will never do any of these in the future. I am just too fascinated by the dignity of the Empire back then!" Mansion Lord Shi said nervously.

"In the end, you have done it several times and use my Empire's name for crime! I will not tolerate a criminal act!" Yi Tianyun said as he slammed his palm to Mansion Lord Shi, and Mansion Lord Shi was squished on the ground from the force of Yi Tianyun's aura!

"In the end, fascination is great when you can control it and use it as motivation! But for crime, it was absolutely intolerable! Because of that, from now on, Heavenly Demon Mansion is dissolved! Whoever dares to rebuild it will become Heavenly Clouds Empire's enemy! I will order my people to peacefully dissolve it later, and anyone who resists will be killed!" Yi Tianyun said indifferently.

Yi Tianyun then hit Young Master Shi with the energy from his palm and killed him instantly. After all, Yi Tianyun wouldn't leave Young Master Shi alive after missing his limbs because of his own father!

The Elders of Heavenly Demon mansion were frightened, but they didn't dare to say anything to Yi Tianyun. After all, their Mansion Lord was killed with one hit, and they would be no different if they tried to resist!

"I can't accept this treatment! It was the Mansion Lord's mistake; it doesn't have anything to do with us!" one of Heavenly Demon Elder said confidently.

He braced himself and tried to argue with Yi Tianyun.

Yi Tianyun looked at the man lazily and used his force palm to kill the Elder. He didn't have anything else to say after his previous explanation!

"Is there anyone else who wants to voice their disagreement?" Yi Tianyun asked indifferently.

"I know that you feel sad, unjust, and disappointed, but this is the price that you have to pay for doing something as disrespectful as dragging another faction's name to the mud! I don't believe that you, as the Elder of Heavenly Demon Mansion, was completely oblivious to what your Mansion Lord did! With that thought in mind, I went out of my way to spare you guys! But, if you are really convinced that you are not wrong, you are welcome to voice your concern!" Yi Tianyun said indifferently.

"After Heavenly Demon Mansion is dissolved, you will take all their sites and resources! I will trust it upon White Lotus Mansion to make the land that Heavenly Demon Mansion left behind to develop better than they do!" Yi Tianyun said to Bai Yulian.

"Thank you very much, Great Emperor!" Bai Yulian said excitedly.

Heavenly Demon Mansion had more resources than White Lotus Mansion, and now that White Lotus Mansion would get all of it, they would be able to develop their cultivation much faster than before!

"By the way, I want your mansion to help me list all the factions on Mortal World that had the nerve to use my Empire's name to justify their wrongdoings. I would wipe them out myself! How dare they sully my Empire's name with their crime act!" Yi Tianyun said annoyedly.

"Yes, I will get to it, Great Emperor!" Bai Yulian said confidently.

"For now, I would make a statement that Heavenly Clouds Empire wouldn't discriminately pressure a faction that has nothing to do with us! If there's any Faction that plans to misuse our name without our concern, I will personally destroy them!" Yi Tianyun shouted for everyone to hear.

Everyone immediately bowed down as they heard the Great Emperor's voice. They felt that Yi Tianyun's dignity as the Great Emperor was too hard to resist!

After the problem was solved, Yi Tianyun returned to the sealed chamber and planned to close it for now.

He has already fixed all the Divine Rune here, so he didn't have anything else to do but to close the chamber so that no one could carelessly enter!

"Inheritor! I hope that your power would develop and you became much stronger when I see you again next time!" Tool Spirit said with a smile on his face before he returned back inside the rock.

Yi Tianyun nodded and resealed the chamber and engraved protection Divine Rune on top of it, so once it was destroyed, Yi Tianyun would be immediately notified!

Yi Tianyun also set that place as one of Teleportation God Stone's coordinates, so he could instantly come whenever he needed it!

During this time, everything else proceeded according to plan!

General Xu Fei of Heavenly Clouds Empire and others have led an army and destroyed the Heavenly Demon Mansion. There was a little bit of resistance, but it was meaningless!

After all, the Heavenly Clouds Empire was the strongest faction on Mortal World!

In addition to that, other factions that used Heavenly Clouds Empire's name were punished!

For a short time, Mortal World was once again in turbulence!

But it immediately came to pass as others realized the reason behind Heavenly Clouds Empire's action. After all, an Empire's name and trait had to be kept according to the Emperor's wishes!

Yi Tianyun's action to discredit all faction that tried to use Heavenly Clouds Empire earned a lot of prestige!

Heavenly Clouds Empire's name received so much positive response from the people!
