

## Leveling 851

### Chapter 851

"A high-grade Divine Tool?" Yi Tianyun said as he focused his attention on the high-grade Divine Tool on Yue Long's head. Yi Tianyun didn't see that coming, but then again, it was normal for someone with high cultivation like Yue Long to have one. No wonder Yue Long didn't seem panicked in front of Yi Tianyun.

Yi Tianyun immediately understood why Heaven Creating Divine King and the other two Divine Kings couldn't kill Yue Long in the past because no matter what they did, their attack was absorbed by this Divine Tool!

"What now, idiot? Try killing me again, idiot! Overconfident fool!" Yue Long shouted tauntingly at Yi Tianyun. He began to ridicule Yi Tianyun as he thought that Yi Tianyun wouldn't be able to kill him. Then again, he has forgotten that he couldn't attack Yi Tianyun either! He couldn't even move his body as the nail tightly secured his body to the Cage Wall!

"He has a treasure that would absorb any attack! Even the Three Great Divine Kings' attacks didn't do anything! If you attack him again, you will only replenish the Spiritual Energy that he had absorbed earlier! This is why the master resorted to sealing him in the past as they couldn't find any other way to nullify this treasure's ability!" Heavenly Rock Suppressing Ancient Tablet appeared beside Yi Tianyun and explained everything he knew.

Yi Tianyun nodded his head as he understood the logic behind Yue Long's power now. Yue Long wasn't necessarily strong, but this High-Grade Divine Tool made him a tricky opponent! Without this, Yue Long wouldn't last long! Yi Tianyun realised that the Evil Spirit Race relied on their Divine Tools to survive, and it was a very annoying perk!

"We will see how much this Divine Tool could withstand!" Yi Tianyun said coldly.

"Are you sure about this?" Heavenly Rock Suppressing Ancient Tablet asked worriedly, but he immediately fell silent as he saw the determined look on Yi Tianyun's face. Yi Tianyun walked closer to Yue Long and stared at his head curiously.

"What are you planning to do? If you don't have any other way, I suggest you should leave!" Yue Long said coldly.

“Who said I couldn’t cut it?” Yi Tianyun said as he began to charge the Evil Spirit Divine Sword with his full power, the Ancient Desolate set began to shine as it amplified Yi Tianyun’s combat power. The Evil Dragon Suit that he wore right now also began to shine as it also amplified Yi Tianyun’s combat power.

Yi Tianyun immediately aimed the Evil Spirit Divine Sword at Yue Long’s head, mustering as much power as he could before striking it down with his combat power reaching 200 billion points!

Yi Tianyun’s attack hit Yue Long’s head, and the Heavenly Soul Divine Tool began to shine as it began to absorb Yi Tianyun’s attack, but Yi Tianyun wasn’t done just yet! He then struck Yue Long’s head over and over again! Yi Tianyun slammed Yue Long’s head to the wall, but the Heavenly Soul Divine Tool kept absorbing his Sword Energy without exception!

After a while, Yi Tianyun stopped his attack, but Yue Long was still left unscathed. The energy barrier on his head didn’t even shatter from Yi Tianyun’s attack! Even so, Yue Long was still shocked by Yi Tianyun’s attack as he knew that Yi Tianyun almost break the barrier in front of him!

“You think an attack of that level can pierce my defence? You are too na?ve, kid!” Yue Long taunted, even though he was worried deep down. He knew that if Yi Tianyun kept attacking him earlier, his barrier would break, and he would surely receive a fatal blow from Yi Tianyun!

At the same time, Yue Long was relieved as he knew that his Spiritual Energy was being replenished from Yi Tianyun’s attack. Now, Yue Long could heal his body again as much as possible as his Spiritual Energy had been replenished.

Yi Tianyun was annoyed as he failed to kill Yue Long instantly. Furthermore, he knew that his attack replenished Yue Long’s Spiritual Energy, allowing Yue Long to heal himself again. Yi Tianyun knew that in order to win against Yue Long, he had to cut Yue Long’s head in half! Yi Tianyun knew that he had to destroy Yue Long’s soul!

“Your defence isn’t half-bad!” Yi Tianyun said with a smile on his face. He wasn’t even using his Crazy Damage Mode as he thought that he didn’t need it, but now he realised the error of his thought! Yi Tianyun thought his raw combat power that was comparable to a 7th Layer Divine King’s combat power should do the trick, but clearly, he was wrong!

“But it wouldn’t last long against me!” Yi Tianyun coldly said as he held the Evil Spirit Divine Sword with both of his hands. He immediately activated the [Mortal World King] and [Punisher] title to boost his combat power again!

His basic power at 2nd Layer Divine King Stage was at 50 billion points, but with the help of his Set and Suit and also his title, he could amplify that power by 16 times!

His total Combat Power reached 800 billion points! This was the peak of Yi Tianyun’s power without using the Crazy Damage Mode, all thanks to the effect of his combined items! The Evil Spirit Divine Sword on his hands began to squeak as it received all Yi Tianyun’s power!

“What is this power!” Yue Long said as his face immediately paled. He could feel that he would die in an instant if he took Yi Tianyun’s attack head-on!

## Chapter 852

With a total of 800 billion Combat Power, Yi Tianyun’s power has reached a new height! But in actuality, Yi Tianyun still could give a boost to his Combat Power if he wanted to by using the Crazy Damage Mode! But nevertheless, Yi Tianyun chose not to as he wanted to see how much Yue Long’s Divine Tool could absorb!

The entire Heavenly Rock Suppressing Ancient Tablet began to shake as the Tool Spirit was scared of Yi Tianyun’s power. He had never felt anything like this before. Even when the Three Great Divine Kings combined their power, it didn’t come close to the Power that Yi Tianyun showed right now.

Demon God Yue Long himself twisted and turned his body while shouting loudly to escape Yi Tianyun’s attack, but the nails wouldn’t budge! It kept Yue Long in place! No matter how hard he struggled to escape right now, it wouldn’t work!

“Now, try to stop my attack again!” Yi Tianyun said with a charming smirk on his face.

“Kill me, and you will see the destruction of the Three Realms very soon!” Yue Long shouted desperately.

"If I don't kill you, The Three Realms would be in constant danger, but don't you worry, If your people come to the Three Realms again, I will kill them all for you! Or... I could go to your Homeland and kill all of the Evil Spirit Race myself!" Yi Tianyun said indifferently.

"You're gonna come to our Homeland to kill us all? What a joke! Your cultivation is trash! Our Army General wouldn't even look you in the eye! But please do come in! you will just die in the entrance anyway!" Yue Long laughed out loud from Yi Tianyun's word.

"Well, I will let you see something good before you die!" Yi Tianyun said with a smirk on his face before he summoned the Evil Spirit that he got earlier. It had the same appearance as Yue Long except for the face. No matter how one looked at it, there was no doubt that it was the Evil Spirit Race!

"How could this be!" Yue Long said as he was startled by the appearance of Yi Tianyun's Evil Spirit. But, he would never hear Yi Tianyun's answer to his question as Yi Tianyun already swung the Evil Spirit Divine Sword with the power of 800 billion Combat Power!

The sword hit an energy barrier right before hitting Yue Long, but it didn't last long as the Energy Barrier gradually broke before hitting Yue Long's head! Without the protection of the Heavenly Souls Divine Tool, Yue Long's head was split in half so easily like tofu!

Yue Long didn't even have the chance to scream as he was instantly killed by Yi Tianyun's attack! It was clear that Yi Tianyun's attack power was beyond what Yue Long could handle! In particular, Yue Long didn't have any chance to evade or react to Yi Tianyun's attack as he was being shackled in place by the Three Divine King's seal.

'DING!'

'Successfully Killed Demon God Yue Long!'

'Reward: 306 billion Exp, 6.5 Million CPs, 1 million SPs, Heavenly Soul Divine Tool, Evil Spirit Divine Sword, Evil Spirit Necklace, Evil Spirit Soul, Evil Spirit Blood, Evil Spirit Bone!'

'DING!'

‘Successfully completed Ultra Main Quest [Become the Saviour and Kill the Heaven’s Demon!]

‘Reward: 100 billion Exp, 100 million CPs, 50 million SPs, 5.000 Prestige Points, [Saviour] title.’

‘[Saviour] Title: Increase Command Point by 100.000 points inside the Three Realms!’

The title he just got had an insane value as it would increase his Command Point by 100.000! His command point just now was equal to an absolute order. If it increased by 100.000 points, Yi Tianyun didn’t know just how influential his word would be!

But still, it confused Yi Tianyun knowing that an Ultra Quest was completed, but his normal quest wasn’t touched. Even so, he still got a lot of rewards with astounding numbers.

“Now, it all comes to an end!” Yi Tianyun said with a relaxed state as the only thing he had to think about was purging the Evil Spirit Race from the Three Realms!

Meanwhile, Heavenly Rock Suppressing Ancient Tablet was shocked as it just witnessed Yi Tianyun kill Yue Long without much effort! Heavenly Rock Suppressing Ancient Tablet has been worried that Yue Long would break free from the seal any time soon. It has been praying for Heaven Creating Divine King to return, but now, Yue Long has been killed!

He never expected the Heaven Creating Divine King’s descendant to solve the problem that has been around since the Three Divine King’s age so easily! But as a matter of fact, Yi Tianyun easily won because he had already drained Yue Long’s Spiritual Energy dry! The lack of Spiritual Energy weakened the Heavenly Soul Divine Tool, and as a result, Yue Long finally died with Yi Tianyun’s strongest attack yet!

“I finally killed him!” Yi Tianyun said with a big smile on his face. Now that Yue Long was gone, Yi Tianyun could relax a little, at least until the Evil Spirit Race raided the Three Realms again! Yi Tianyun knew that Yue Long’s desperate ordeal earlier had some truth to it. If the Evil Spirit Race in their Homeland somehow sensed Yue Long had been killed, they could expedite their attack to the Three Realms!

However, it didn’t matter for Yi Tianyun right now. The only thing that he could do right now was lead the Three Realms to a better future by making sure that everyone would be able to cultivate as fast as they could to help Yi Tianyun later if a war with the Evil Spirit Race broke loose!

At the same time, in an area far from the Three Realms, a group of powerful Evil Spirit Race was wearing a full equipment set. One of the cultivators in the group was even wearing a whole Divine-Tool rank equipment!

“Demon God Yue Long has died! Furthermore, Demon God Suo Te and Suo Ge also died with him! This kind of thing has never happened before! They should have conquered the Three Realms right about now. This can’t be happening!” The cultivator with a full Divine Tool Rank equipment said with a frown on his face.

“We are sorry, Army General Long Te! It seems they have encountered unexpected difficulties over there!” one of the soldiers said respectfully.

“The King has already thought things through. There is no way anyone would be able to kill Demon God Yue Long over there. Is it possible that other factions have made their move as well? But it doesn’t matter. We still have to conquer that area as soon as possible!” Army General Long Te said coldly. In fact, the entire hall felt the chilling atmosphere as they heard Army General Long Te’s word.

Immediately, a huge Spirit Ship was deployed to the void hastily!

## Chapter 853

After Yue Long died, The Heavenly Rock Suppressing Ancient Tablet didn’t have to remain in this place anymore, so it followed Yi Tianyun and became his Divine Tool. After all is said and done, Heavenly Rock Suppressing Divine Ancient Tablet was a good Divine Tool. It was a Middle-Grade Divine Tool and had its own Tool Spirit, which was undoubtedly more useful than any Divine Tool that didn’t possess any tool spirit.

Yi Tianyun then returned to Heavenly Clouds Imperial City, handling the situation at hand according to the current situation. No one knew that the most powerful Evil Spirit Race cultivator on the Three Realms had been killed recently by Yi Tianyun!

Yi Tianyun himself didn’t even bother telling anyone about his accomplishment as it didn’t make any sense to him to do so. Most people didn’t even know about the existence of Yue Long, and they would be at a loss if he suddenly bragged about it now.

“This time, the Evil Spirit Race is finally gone for good from the Mortal World!” Yi Tianyun said as he sat down relaxedly. Thankfully, killing Yue Long wasn’t part of his quest. Otherwise, it would only be completed after he killed Yue Long, which was not good!

Now, the Ghost World has begun exterminating the Evil Spirit Race, and Yi Tianyun only had to wait for more progress. Furthermore, the Ancient Netherworld Divine Nation and the Phoenix Race have begun forming alliances in the Ghost World too. The Alliance in Ghost World was formed smoothly compared to the Mortal World as the power balance in the Ghost World was clearer than the Mortal World. If everything worked out as Yi Tianyun planned, he would be levelling up in the near future!

“Now, all that’s left is the Heaven World!” Yi Tianyun murmured to himself. Mortal World and Ghost World should be fine on their own for now as the cultivator on these worlds will drive the Evil Spirit Race away themselves, but now Yi Tianyun didn’t have a firm ground to stand on the Heaven World. He has indeed destroyed so many Divine Nations by helping Sealing Heaven Divine Nation in the past, but it was a groundless term to create an alliance!

“Teleport!” Yi Tianyun said as he disappeared from the spot and reappeared in Sealing Heaven Imperial City. The Teleportation God Stone was so convenient, and it was the best transportation method for moving across the realms. Yi Tianyun immediately noticed that the Imperial City was very busy. His grandfather and parents were also busy with the faction’s business as the Sealing Heaven Divine Nation seemed to have just received a lot of new cultivators.

This was a normal response as Sealing Heaven Divine Nation has decimated numbers of other Divine Nations! So, Yi Tianyun quickly flashed towards the Study Hall in the Main Tower and knocked on the door gently. Yi Yuanlong, who was working inside, looked up and saw Yi Tianyun coming inside. “Tianyun, you are back!” Yi Yuanlong said excitedly as he finally saw his grandson again.

“Grandfather, I am back!” Yi Tianyun said with a smile on his face. “But this time, I have something to discuss with you.” Yi Tianyun said respectfully.

“Is it about the alliance?” Yi Yuanlong knowingly said as he had already received the news about Yi Tianyun’s endeavour in the Ghost World and Mortal World, albeit not too detailed.

“It seems Grandfather has already inquired the news about the Three Realms.” Yi Tianyun said as he wasn’t surprised that his grandfather already knew about the Alliance.

“Well, our messenger comes to a lot of places.” Yi Yuanlong said with a smile on his face. The Sealing Heaven Divine Nation obviously had many people around the three realms, be it their own messenger or the people that could be trusted. Furthermore, as Yi Yuanlong already knew about his own grandson, he wanted to know what his grandson had done in the Three Realms. His information about Yi Tianyun that has unified the Mortal World itself came as a little bit of surprise to Yi Yuanlong as he didn’t expect his grandson to be such a prominent figure.

“I have come to Heaven World this time to discuss that alliance and about our Sealing Heaven Divine Nation serving as the Leader of the Alliance!” Yi Tianyun said as he took out a Storage Ring and put it on the table. “This Storage Ring is full of Evil Spirit Necklace, which will make it easier to detect the existence of the Evil Spirit Race! Although we have the Ten Stars staring down the Heaven World, it couldn’t oversee the entire Heaven World at the same time. It was necessary for people living here on the Heaven World to exterminate the Evil Spirit Race with us!” Yi Tianyun said solemnly.

Yi Tianyun didn’t show any mercy towards the Evil Spirit Race, it might seem cruel and tyrannical, but it was necessary to eliminate an evil existence like that completely!

“I already knew about this necklace, and it does seem to do the trick. But, even though our Sealing Heaven Divine Nation has received prestige over the year, it is still difficult to convince people to join the Alliance while we act as the leader of the Alliance!” Yi Yuanlong said solemnly.

“There is no reason to be meek now, grandfather. Sealing Heaven Divine Nation has me! I already killed one of the Ancestors of that Evil Spirit Race. There is no need for us to prove ourselves anymore!” Yi Tianyun said with a smile on his face.

“What? How did you do that?” Yi Yuanlong asked as he was startled by Yi Tianyun’s claim.

“You need not bother yourself about such a trivial matter. In short, we don’t have to convince any faction to join our Alliance. Once we started killing the Evil Spirit Race, they would flock to us on their own accord! As for those who aren’t willing to cooperate, it’s safe to say that their faction has been managed by the Evil Spirit Race all along!” Yi Tianyun said with a smile on his face.

“That is a good idea! I will work it out immediately!” Yi Yuanlong said as he took the storage ring on the table. But still, he was shocked that Yi Tianyun managed to kill the Ancestor of the Evil Spirit Race that had the Demon God as their name! It was clear that Yi Tianyun had already reached the Divine King stage and who dared to refuse the offer of a Divine King!

Yi Yuanlong immediately dispatched the Diplomatic Envoy to the factions throughout Heaven World to promote the Alliance. As expected, there were many factions that felt ridiculed by the notion that Sealing Heaven Divine Nation would become the leader of the Alliance!

“What is this! Are you saying we should join an alliance with Sealing Heaven Divine Nation as the leader of that said Alliance, and we should take instruction from them too?” one of the Holy King of a faction asked as he felt ridiculed.

“Yes, the Sealing Heaven Holy King inquires us about it!” the Diplomatic Envoy said with respect, but they couldn’t help but sweat a little.

“This is impossible! It would be a different story if we’re talking about the past Sealing Heaven Divine Nation, but their power is so much weaker now!” The Holy King said annoyedly, but before he could say anything else, a blast was heard far away from their place! The Holy King immediately ran outside and saw Ten Stars looming down from the sky above a hill near their place, shooting divine thunder down and blasting the hill.

The sky’s colour immediately changed as the ground shook. It was clear that the Ten Stars was so powerful that it wasn’t an option to resist!

## Chapter 854

The Ten Stars kept revving up its power, throwing lightning and thunder in every direction. The day that was supposed to be sunny immediately darkened as everything was covered with thunder clouds. People couldn’t do a thing as they were afraid to be struck by lightning at any moment. They have never felt such intense pressure like this, even though many of them were at Saint King Stage cultivation base!

“I am Sealing Heaven Divine Nation’s Second Elder! I believe that the Heaven World has already become the breeding ground for the Evil Spirit Race, which is worse than any demonic monster! I am sure that your Divine Nation has records of them. They are the reason why the Three Realms were at odds with each other and why the Three Divine Kings left our realms in search of new power!” Yi Tianyun confidently said as he flew in the sky with his image magnified by the power of the Ten Stars.

“They are a despicable monster that cultivates by eating us, taking our bloodline power for themselves! It is time for us to form an alliance led by Sealing Heaven Divine Nation to take down these Evil Spirit Race from the Heaven World!” Yi Tianyun continued his speech.

“We promise everyone that we wouldn’t manipulate the alliance for our own gains. We want Heaven World to support each other! As for the reason why the Sealing Heaven Divine Nation has to become the leader is simple, that is because I am here with them!” Yi Tianyun confidently said as he showed off the power of Ten Stars behind him. A dazzling light came from the Ten Stars and illuminated Yi Tianyun majestically.

Everyone was startled by Yi Tianyun’s sudden majestic entrance that they couldn’t even respond to any of Yi Tianyun’s words. Most people, especially the Leaders of each Faction. They knew how dangerous the power of the Ten Stars really was! It could destroy any imperial city on the Heaven World with ease!

This meant that Sealing Heaven Divine Nation could destroy them for refusing to cooperate with them! It was clear that Sealing Heaven Divine Nation would use the Ten Stars’ power as a negotiating piece for their goals! Soon, the black clouds dispersed, and the sky became bright and sunny once more as if nothing happened.

Many Leaders of Faction in Heaven World shook their heads and wiped the cold sweat on their faces. They knew that they could no longer ignore the Divine Envoy from Sealing Heaven Divine Nation that knocked on their door! “Are you ready to sign the agreement?” The Divine Envoy broke the silence.

“This is a very common Alliance Agreement. You won’t lose anything, but everyone’s presence is mandatory when requested!” The Divine Envoy said confidently. The Divine Envoy finally understood why the Holy King asked them to relay such an important message to other Divine Nations. It seems the other Divine Nation wouldn’t be able to reject this offer anyway!

Surely, the Divine Nation that chose not to join the alliance earlier now changed their mind and immediately let the Divine Envoy know that they would surely join the alliance. Yi Tianyun looked upon the situation with a smile on his face. Surely, strength was far more important than anything else!

‘DING!’

‘Successfully created an alliance with Myriad Beast Divine Nation!’

‘Reward: 18 billion Exp, 500.000 Cps, 500.000 Mastery Points.’

‘DING!’

‘Successfully ...’

Yi Tianyun’s notification immediately flared as many Divine Nations joined his alliance. Empires and any faction below that grade immediately joined the alliance without questioning as they knew that they weren’t strong enough to demand anything. Surely, Yi Tianyun was very satisfied by this development.

“It doesn’t matter what the others have. As long as we have absolute power, it would be very hard to decline any offer!” Yi Tianyun said to himself. Surely, he already knew all of this, and now, the Evil Spirit Race has been driven to the corner on the Heaven World too!

His reason to show off the power of the Ten Stars was also for the cause of Sealing Heaven Divine Nation! Yi Tianyun didn’t want the problem with his Heavenly Clouds Empire to repeat again in Sealing Heaven Divine Nation! It was best to take some precautions before other Divine Nations could complain and demand unnecessary things.

The fact was, not only the other Nation that was shocked by the power that Yi Tianyun displayed, even the Sealing Heaven Divine Nation itself was also shocked by the terrifying power that Yi Tianyun showed. It was stronger than the power that Yi Tianyun once showed when he destroyed the alliance of Divine Nations that swarmed Sealing Heaven Divine Nation in the past!

After Yi Tianyun was done showing off the power of the Ten Stars, he returned to Sealing Heaven Palace, and Yi Yuanlong greeted him excitedly! “The Divine Nations will join us soon, and it’s all thanks to you!” Yi Yuanlong said excitedly.

“Grandfather, I already promised you that it will go smoothly, didn’t I?” Yi Tianyun said with a smile on his face.

“But, are you sure that the Evil Spirit Race would attack us soon enough?” Yi Yuanlong asked curiously.

“Yes, they would make their move soon enough!” Yi Tianyun said solemnly. This was his responsibility to shoulder as no one really knew about the cruelty of the Evil Spirit Race anymore. Furthermore, he was the only one that had the power to eradicate the Evil Spirit Race from the Three Realms. Surely, it would help him a lot if the other Divine Nations and cultivators could grow in power quickly!

“I am ashamed to see you are working even harder than your elder!” Yi Yuanlong said with a sad expression on his face.

“This is nothing, Grandfather! I am just doing what I can!” Yi Tianyun smiled to assure Yi Yuanlong. He already committed to minimising the death caused by the Evil Spirit Race on the Three Realms! The alliance itself was his way to make sure that no one died helplessly! Now, he could give the necklace to detect the Evil Spirit Race without anyone ignoring it!

‘DING!’

‘Completed Main Quest [Unifying the Ghost World! Eradicate all Evil Spirit Race from the Ghost World!]

‘Reward: 60 billion Exp, 6 million Cps, 800.000 Sps, [Ghost World King] title!’

[Ghost World King] Title: Amplify Damage 10 times in Ghost World.

‘DING!’

‘Successfully taken Main Quest [Unifying Heaven World, Eradicate all Evil Spirit Race from the heaven World!]

‘Reward on completion: 60 billion Exp, 6 million Cps, 800.000 Sps, [Heaven World King] Title.’

He got the same quest, albeit different realms! But now Yi Tianyun knew that the unification of the Ghost World was complete, and there was no trace of Evil Spirit Race over there! It was a lot faster than the unification of the Mortal World too, but for now, Yi Tianyun had to focus all his attention on the Heaven World as it was still unknown how strong the Evil Spirit Race over there was!

## Chapter 855

“Ghost World finally gets rid of the Evil Spirit Race!” Yi Tianyun sighed as he wished the Heaven World was as efficient as the Ghost World regarding this matter so that he could finally move on to a new Quest! But from the looks of it, the Heaven World wouldn’t be able to get rid of the Evil Spirit Race as fast as the Ghost World as he already witnessed how power-hungry the cultivators in the Heaven World were.

But since the Heaven World wasn’t dominated by the Evil Spirit Race, or at least it wasn’t noticeable, the Heaven World was in a stable state! This wasn’t exactly a good thing for Yi Tianyun as it would be difficult to unite the Heaven World if there were no sense of crisis!

The Ghost World had the Ancient Netherworld Divine Tower that demonstrated how bad the Evil Spirit Race really was, but what was the trigger for Heaven World? If there were nothing out there that let the people of Heaven World know about the danger of the Evil Spirit Race, they would be hesitant to make a move! But he wouldn’t be the one that would think about the method of the unification now as he left it in the hands of Sealing Heaven Divine Nation!

Now, Yi Tianyun just had to wait for the Main Quest to finish on its own.

After some time passed, the alliance was reaching stagnation as some Divine Nation refused to join the alliance. This was within expectation as a peaceful time would cause most factions to think that this world revolved around them. Even so, Yi Tianyun didn’t force them to join as it was better if they joined on their own accord than being forced. Yi Tianyun already had a plan for this kind of faction, and that was to lure them in using gifts!

The Sealing Heaven Divine Nation immediately carried out Yi Tianyun’s plan and utilised several great Martial Arts as a gift that Yi Tianyun had already prepared beforehand. Many Divine Nations finally caved in and joined the alliance in order to get their hands on these Martial Arts, but some still stubbornly declined the offer. Yi Tianyun could only sigh as he wouldn’t bother saving these Divine Nations later if the Evil Spirit Race started gnawing them from the shadow!

A month passed, and the alliance progress had almost reached completion.

"We are almost finished, but we still have to convince one more faction to call it complete! The thing is, they are still stubborn as hell!" Yi Yuanlong said as he laid out the map of the Heaven World that was already marked with the territory of the Alliance Member.

"Which Faction are you talking about right now?" Yi Tianyun said as he stood up. Yi Tianyun has immersed himself in refining tools and alchemy to make sure he remained productive while waiting during the past month. He used his free time to practice his skills to increase their proficiency, even if just a little. He wanted to upgrade his alchemy to creator level as well! Although he had enough Mastery Point to upgrade his alchemy, he chose to wait and see in case he needed the point for something more urgent later.

"It was the Dragon Clan! They are a strong force on Heaven World that occupies a large area, but no cultivators are allowed to enter without permission, and they have been turning away our Divine Envoy from the beginning!" Yi Yuanlong said with a sigh. "They are basically a loner that wants to be left alone, but we need their strength to fight the Evil Spirit Race in the future!" Yi Yuanlong said annoyedly.

This was understandable. Just like the Phoenix Clan in the Ghost World that completely shut themselves off from any cultivator in the Ghost World in the past, the Dragon Clan also shut themselves off from the Heaven World as they were a proud clan! They were proud of their own blood over other clans. Furthermore, their blood was used as a cultivation enhancer by the other races, which really bothered them.

"Dragon Clan, they sure are annoying to deal with. How about the history of the Demonic Race War in the past? Did they contribute and help the Three Divine Kings in the past?" Yi Tianyun asked curiously.

"According to the record, the Dragon Clan has a very good relationship with Sealing Heaven Divine Nation and contribute a lot during the war, but after the war, they gradually lost touch with us." Yi Yuanlong said with a sigh.

"I understand their train of thought, though. They are a powerful race that doesn't need anyone to protect them." Yi Tianyun said as he nodded his head knowingly while pouring some tea for himself with a calm expression.

"It seems we have to give up on asking them to join the alliance soon. I don't know of any other way to ask them to join our alliance right now." Yi Yuanlong sighed once again while pouring tea for himself too.

“No, that is not completely true. I will go to the Dragon Clan myself!” Yi Tianyun said as he sipped his tea leisurely.

“What? There is no need for that! You don’t have to destroy them just because they reject our offer! They have already done much in the past. It would be such a shame to antagonize them like that!” Yi Yuanlong said worriedly.

“Grandfather, did you think I am that cruel of a person that would destroy anything that denied me?” Yi Tianyun said with a smile on his face.

“Well...” Yi Yuanlong couldn’t find the right word to answer. He had known Yi Tianyun to be a wilful kid that forced the enemy to submit with brute force. He actually thought that Yi Tianyun would suppress the Dragon Clan and scared them to join the alliance.

“It’s alright. I will go to the Dragon Clan to see their current situation. I want to know why they didn’t want to join our alliance personally.” Yi Tianyun casually said as if it was no big deal.

“If it were that simple, we would’ve already done that much! The Dragon Clan has always been a closed-off and powerful clan. Even if they aren’t included on the Divine Nation rank on Heaven World, they are one of the most powerful factions on Heaven World!” Yi Yuanlong said worriedly.

“That is where the problem lies. We are supposed to have a good relationship with them. So, it was a simple question of why they didn’t want to help us now. I guessed that they have their own big problem right now. Probably, they weren’t as powerful as they were back then right now. They might seem strong, but they might have hidden the fact that they are weak right now! They might reject our offer because they couldn’t afford to send help themselves!” Yi Tianyun said with a smile on his face.

“This is normal for a faction as proud as the Dragon Clan! Although they know that they have a good relationship with Sealing Heaven Divine Nation, they couldn’t just expose their own problem as they couldn’t risk any threat from the outside.” Yi Tianyun said confidently. Yi Yuanlong was speechless as he realised that Yi Tianyun’s words were credible. He would also do the same thing if Sealing Heaven Divine Nation faced the same problem!

Yi Yuanlong started to think and wonder about Dragon Clan’s reason for rejecting the alliance, and Yi Tianyun’s words made the most sense out of it all!

## Chapter 856

Yi Tianyun immediately made a preparation before going to the Dragon Clan's territory as he wanted to see what happened to the Dragon Clan right now. Closing their territory off from anyone usually was a bad sign as it was a precursor to some big problem! With the Sealing Heaven Divine King's memory that he got in the past, he concurred that the Dragon Clan was a strong ally that he must have in the future war against the Evil Spirit Race!

This proved how Sealing Heaven Divine King had taken good care of the Dragon Clan before he disappeared. Dragon Clan was a proud clan. There is no way they would forget and betray Sealing Heaven Divine King's expectation like this. This was Yi Tianyun's personal reason to go to Dragon Clan's territory as soon as possible.

So, without further ado, Yi Tianyun headed towards Dragon Continent, the territory of the Dragon Clan. Dragon Continent was one of the best cultivation sites in the entire Heaven World. There was a lot of precious material that could only be found here on the Dragon Continent. This was also why many desperate people came sneaking inside the Dragon Continent to search for Spiritual Medicine material and treasures that could change their lives.

But once they got caught by the Dragon Clan, it was basically the end for them!

The Dragon Clan might be closed off, but they still made trades with other factions and merchants as long as they were willing to do it in front of the gate, not inside the Dragon Continent itself!

"This Continent looks good." Yi Tianyun said as he finally arrived at the vicinity of the Dragon Continent. The continent itself looked pretty strange as it was a circle of land surrounded by the sea. It looked artificial, not naturally formed at all. But it wasn't a huge continent at all. It was rather small compared to other continents. Then again, the only faction here was just the Dragon Clan. They wouldn't need a huge continent for themselves anyway.

Furthermore, the Dragon Clan itself was like the Phoenix Clan. They didn't copulate often, and as a result, a newborn was rare! Their population would only consist of a few hundred to several thousand people at most.

Yi Tianyun took a look at the panoramic view that the Dragon Continent offered. It was certainly beautiful, and then he saw the Main Gate of Dragon Continent that was being guarded by several Dragon Clan Experts. They all were at Void Spirit Stage cultivation base. It might look scary if the guards of the outermost part of the continent had such a high cultivation base, but the problem right now was that the inner part might not be that powerful either!

So, Yi Tianyun knew that he had to see it for himself. So, he immediately flew down, approaching the Main Gate without any hesitation. The guards immediately stopped him and looked at him with alert in their eyes. "What did you want with the Dragon Clan, newcomer?" The guard asked cautiously. They all pointed their spears towards Yi Tianyun as a warning that they would attack if Yi Tianyun made a wrong move.

"I want an audience with the Dragon King. I have something to convey!" Yi Tianyun said confidently.

"You might want to do that, but we don't want that, so you can just leave before we are forced to be rude!" The guard said coldly. Yi Tianyun looked at them without saying anything and then turned around and started to fly away from the main gate.

But Yi Tianyun didn't exactly give up on entering the Dragon Continent, no! He just turned around far enough so that the guards could lower their guard down and then stealthily entered the continent after concealing his aura.

He wouldn't be found so easily unless there was any powerful Divine King in the continent that remained on guard at all times. True enough, Yi Tianyun could easily pass the Main Gate, and into the Dragon Continent, he went.

He quickly looked around and used his Spiritual Sense to gain an overview of the Dragon Continent. He found out that there were a lot of Dragon Clan guards patrolling around to prevent any invaders from entering their land. However, the forest here was engraved by a lot of Divine Rune, and Yi Tianyun immediately knew that it was the creation of Heaven Creating Divine King!

Now, it was clear that Heaven Creating Divine King had a good relationship with the Dragon Clan. Otherwise, Heaven Creating Divine King wouldn't help them with Divine Rune Great Array this complicated! As he continued to delve deeper into the continent, he finally saw many small villages and Dragon Clansmen inside.

The villages themselves were scattered around the continent so that the Dragon Clan could manage the entire continent. The Dragon City, which was the capital of the Dragon Clan territory, was located in the centre of the continent! In the Dragon City, a giant Dragon Statue was erected to mark the era of the True Dragon. It was the same dragon statue as the ones on the Coiling Dragon Cave in the Mortal World, but the Dragon Statue on the Dragon City was far bigger than the one in the Coiling Dragon Cave!

Yi Tianyun also saw that the Dragon Statue served as a prayer statue or some sort as many Dragon Clansmen stopped to bow and walked respectfully in front of it.

“This place is still thriving!” Yi Tianyun said as he began to explore deeper into the Dragon City. The Dragon Clan’s situation wasn’t as bad as he expected as the Dragon Clan was thriving, but it wasn’t as good as any Top Divine Nation! The main reason for that was the Dragon Clan didn’t have a good Spiritual Energy on them. It looks like the power was drained from their land!

“This is weird. The Spiritual Power in this area seems to be depleting!” Yi Tianyun curiously said as he glanced around aimlessly. He immediately used his Appraisal Eye, and sure enough, he detected that the Spiritual Power of this place had been exhausted. But Yi Tianyun noticed some stranger things that happened in this city, which was the fact that the Dragon Clan willingly discharged their Spiritual Power and left themselves on the edge of Spiritual Exhaustion!

Yi Tianyun teleported deeper into the Dragon City and reappeared in front of Giant Dragon Hall. He immediately went inside and noticed that the Spiritual Power released by the Dragon Clan outside started to gather inside this place. Sure enough, he felt a mass of energy raging inside the Giant Dragon Hall, threatening to break out at any moment.

Yi Tianyun used his Spiritual Sense to gain as much information as he needed inside the Giant Dragon Hall and was immediately startled as he finally realised what was going on inside.

“It turned out they are also here, plaguing the land!” Yi Tianyun said as the necklace on his neck started to glow red, indicating that there was Evil Spirit Race nearby! Now, Yi Tianyun knew for sure that the Giant Dragon Hall was a nest for Evil Spirit Race!

## Chapter 857

After passing the isle, Yi Tianyun saw a group of Dragon Clan Experts, all of which demonstrated their Dragonic Strength towards the Great Array. With their Dragon Power, the Great Array shone dazzlingly

while a teenager in the middle of the Great Array kept absorbing all the Dragon Spiritual Energy that the Great Array received.

There was a middle-aged man on the side, constantly controlling the Dragon Strength that flowed into the teenager to ease the process, but sometimes black energy leaked from the Great Array.

“Your struggle is futile! This kid’s body would be mine! The more you try to save this kid by sending your dragonic energy, the more power I gain!” The black mist from the black energy suddenly talked while laughing out loud. “Dragon King, either kill your son or give his body to me!” The black mist shouted triumphantly.

“This Demon! I didn’t expect you to lurk so deep inside our territory! If I didn’t find you back then, you would’ve infiltrated successfully for sure!” Dragon King said coldly.

“You are already too late! I have taken your son for my Body Possession technique!” the black mist shouted as it emerged from the teenager’s body while laughing. Evil Spirit Race had the power to possess someone else’s body for themselves as long as the body had the right aptitude to receive their Spiritual Energy. In addition, the body had to be a lot weaker than the Evil Spirit Race itself as they couldn’t handle the retaliation from inside the body!

Dragon King looked at the teenager with mixed feelings as he couldn’t give up on his son! The mother of the child was on the side, looking at her son with tears in her eyes. “You damned demon, get out of my child’s body!” The mother shouted angrily.

“Don’t you think this is the best possible situation for me? If I take your son’s body, I will become the next Dragon King, won’t I? but it was unfortunate that you discovered me too soon!” the Evil Spirit Race said while laughing. Despite laughing contently, he knew that he couldn’t escape this place even if he wanted to as there were so many experts lying in wait all over the place!

“Father, mother, just kill me! I don’t want this demon to possess my body!” The teenager shouted as he tried his best to resist the demonic influence.

“No, I will drive out the garbage out from you!” Dragon King said as he kept controlling the energy that was being channeled into the Great Array, trying to pull the Evil Spirit Race from his son’s body. The Dragon Clan all over the city kept channeling their energy into the Great Array, trying to aid their King

however they could! This was the reason why so many Dragon Clan cultivators were on the verge of exhaustion outside of the palace.

This was also the reason why the guards were being strict lately, as there was no way their King could have an audience with anyone right now. Yi Tianyun's prediction was correct. There was a big problem inside the Dragon Clan, even though he never expected that problem to be the Evil Spirit Race themselves! But if the most secure area in Dragon Clan's territory in Heaven World has been infiltrated by the Evil Spirit Race, there was no telling whether the rest of the Dragon Clan that was scattered all around Heaven World was safe or not.

As the Dragon King kept pulling the Evil Spirit Race's soul out of his son's body, the son's face contorted in pain as it was his own soul that was being pulled out of his body.

"Do it a little stronger! So when our soul split and torn, your son will become a fool!" The black mist laughed once more. He wasn't afraid of dying as he had to be bold to attack the Three Realms. Dragon King himself became desperate as he really wanted to save his son in one piece. The Dragon King's cultivation itself wasn't low at all, reaching the 2nd Layer Divine King stage, which was the first Divine King cultivator that Yi Tianyun ever saw aside from the Evil Spirit Race cultivator!

Yi Tianyun thought that the Three Realms no longer had any Divine King left, but it turned out the Dragon King was a Divine King cultivator. The Dragon King could become the ruler of the Three Realms if he wanted it, but the Dragon Clan didn't have such an ambition. But now, they faced danger because of the Evil Spirit Race!

"Don't worry about the Evil Spirit Race. I will help out your son!" Yi Tianyun said as he suddenly revealed himself to everyone.

"Who are you!" people started to ask questions in vigilance as their attention suddenly shifted to Yi Tianyun. The guards immediately came around and pointed their weapons towards Yi Tianyun. They never expected that a human could sneak into their territory like this. They had the duty to kill any invader, and now, they would prove themselves useful in front of their King.

"Stop!" Dragon King shouted. The guards immediately abode and held their ground. However, the human never showed any fear or any emotion at all. It was as if the human wasn't even concerned about the guards' presence.

"You said that you can help my son, right? What makes you think I will trust your word?" Dragon King asked Yi Tianyun coldly.

"Just trust me on this one!" Yi Tianyun said as he released some of Heaven Creating Divine King's power. The Dragon King narrowed his eyes but sighed afterward.

"Put down your weapons. He is not an enemy!" Dragon King ordered the guards motioned for them to return to their position. The Dragon King knew about Heaven Creating Divine King and thus dispersed his hostility towards Yi Tianyun. The guards still had their doubts, but they couldn't disobey their King's word.

The guards were familiar with Heaven Creating Divine Rune's power as all the Divine Runes throughout the Dragon Continent were created by Heaven Creating Divine Rune, but then again, the human looked very suspicious!

"I am sorry to intrude like this, Dragon King! The guards didn't let me in, so I have no choice but to get in with my own way." Yi Tianyun said as he apologized to the Dragon King.

"It's alright, but what makes you come here today, Descendant of Heaven Creating Divine King?" Dragon King wondered.

"I believe this is not the time for us to discuss that matter. Let me solve your problem for you first, and then we can talk!" Yi Tianyun said as he turned his attention towards Young Master Long, the son of the Dragon King.

"I am sorry for the trouble." Dragon King said as his eyes flashed with hope.

## Chapter 858

Once they learned that Yi Tianyun was the descendant of Heaven Creating Divine King, their attitude immediately changed! They wanted to prove that they were still loyal towards Heaven Creating Divine King and wouldn't turn their back to his demand! Yi Tianyun smiled and walked up to the Great Array casually.

“Stop, the Great Array won’t let you come inside that easily!” Dragon King shouted as he realised what Yi Tianyun was about to do. He didn’t want the descendant of Heaven Creating Divine King to be injured by their Great Array.

But Yi Tianyun didn’t stop and went inside the Great Array casually. The Dragon King closed his eyes as he was too afraid to see the damage the Great Array would cause, but as he noticed there was a fluctuation of energy in the air, he opened his eyes and saw that the Great Array’s energy didn’t affect Yi Tianyun at all! In fact, everyone else in the room was surprised that the Great Array didn’t attack the human that walked into the Great Array.

They began to feel hope once again!

“Oh, so you would help the arrogant Dragon Clan? You want to drag me out of this body? Well, knock yourself out!” The Black Mist that is the Evil Spirit Race said while laughing out loud.

“You are quite strong for an Evil Spirit Race cultivator. I see that you are at least at Saint King Stage cultivation, but how did you get to possess this child’s body?” Yi Tianyun asked as he was in no rush.

“And why would I tell you about this?” Evil Spirit Race said sarcastically.

“I speculated that it began to possess Long’er when he went out to practice on Heaven Abyss Forest. We found him fainted on the forest ground while all the guards that came with him were dead! We didn’t expect something this disgusting would lurk inside my son’s body!” the Dragon King said with a frown on his face. The Dragon King obviously knew his son’s schedule and deduced that was the only possible time where his son might come across the Evil Spirit Race, and that only time was the time that his son was attacked and fainted at the forest floor on Heaven Abyss Forest.

“So, your base in Heaven World is on the Heaven Abyss Forest? Well, this is great! There would be no place for your Evil Spirit Race to hide anymore!” Yi Tianyun said with a smirk on his face.

“Idiot! Did you think we’re hiding in Heaven Abyss Forest? Just go there and take a look for yourself!” The Evil Spirit Race shouted while laughing hard.

“Don’t worry, even if your base isn’t there, I will find it! I will turn the entire Heaven World upside down to get rid of garbage like you!” Yi Tianyun said with a huge smile on his face. “I already killed Demon God Long Yue, Suo Ge, and Suo Te in Ghost World! You can guess my cultivation level yourself, but none of you would pose a threat for me!” Yi Tianyun said menacingly.

“No, that is impossible!” the Evil Spirit Race shouted in horror after hearing the name Yi Tianyun spouted. It was clear that the Evil Spirit Race would know the name of their experts, despite being sent to a different realm.

“There is nothing impossible for me, you trash! You will soon reunite with them in hell!” Yi Tianyun said as he reached forward and grabbed the Evil Spirit Race’s soul and began pulling it out of Long’er’s body. But as Yi Tianyun began pulling the Evil Spirit Race’s soul out, Young Master Long began to scream in pain as his soul was connected with the Evil Spirit Race’s soul.

“Long’er!” The mother saw her child screaming in pain and began to hesitate as she knew that it was dangerous for her son to forcefully rip out the soul of the Evil Spirit Race out of her son’s body. The Dragon King immediately stopped the mother as he knew that it wasn’t something that they could decide anymore.

“This is our only hope to get our son back!” the Dragon King said assuringly. Although he had only met Yi Tianyun just now, he knew that he could trust Yi Tianyun with all his being! After all, they knew that their method would fail eventually. Now, if Yi Tianyun also failed, then their son was truly beyond saving!

“It’s useless! Your method is no different than theirs! In the end, it was just another stupid attempt to uproot me!” the Evil Spirit Race screamed in pain while also laughing in contempt. He surely didn’t mind bringing the Dragon Clan’s next king down along with him as it would disrupt their plan.

“Don’t worry. I am not as stupid as you!” Yi Tianyun said as he pulled out the Evil Spirit Divine Sword from his storage ring. The Dragon King was startled as he knew that cutting a soul with a weapon was the same as killing the host, but to his surprise, Yi Tianyun didn’t cut the soul that he was pulling!

The Evil Spirit Divine Sword suddenly emitted a black light that was so intense the soul of the Evil Spirit Race began to be pulled out without bringing the Soul of Young Master Long! In an instant, a black ball was floating in the air, completely separated from Young Master Long’s body.

“So, what will you do now?” Yi Tianyun said as he grabbed the Evil Spirit Race soul in the air indifferently.

“No! how can you cut my soul clean out of my host!” the Evil Spirit Race began to shout in disbelief!

“You don’t have to know about such a thing!” Yi Tianyun said coldly before turning his attention to the Dragon King. “Now, this is the soul of the trash that was trying to take over your son’s body! I will let you do whatever you want with it!” Yi Tianyun said as he threw the soul lightly towards the Dragon King.

At the same time, the Great Array immediately dispersed as it no longer had the need to contain the Evil Spirit Race.

Everyone was surprised that Yi Tianyun did what they had been trying to accomplish for a long time so easily! They couldn’t cut the Evil Spirit Race’s soul out of Young Master Long’s body as the soul was connected to each other, but Yi Tianyun’s sword could do it so easily!

Yes, it was all thanks to the Evil Spirit Divine Sword, a Divine Tool that had the ability to freely manipulate the soul around it! Surely, the sword wouldn’t have any problem splitting a soul in two!

It was really fortunate for him that he got such a Divine Tool from the Evil Spirit Race that he killed in the past, but it was really an irony for the Evil Spirit Race that they were being killed by their own treasure!

## Chapter 859

“Thank you very much!” The Dragon King said gratefully. But still, the Dragon King was hoping that he would be able to reward Yi Tianyun fairly later as gratitude alone wasn’t enough! Yi Tianyun has saved his son’s soul, and that was even more important than his own status as the King!

Young Master Long himself fainted on the ground as he had already endured gruelling torture. His mother, however, immediately ran over and picked up her son after seeing her son collapse.

“He is fine. He just needs a rest since he was exhausted from all this ordeal!” Yi Tianyun said next to Young Master Long.

“Thank you very much!” Dragon Mother said as she carried her son to his room to rest. The Dragon King looked over at Yi Tianyun and invited him to stay in the territory indefinitely while still holding onto the Evil Spirit Race soul in his hand. “Would you like to stay here for a while?” Dragon King asked Yi Tianyun respectfully.

“Of course, I am not in a hurry! And I also have something that I need to discuss with you, Dragon King! Furthermore, it seems there is more Evil Spirit Race around here!” Yi Tianyun said casually as the necklace on his neck was still glowing red, signifying that there was Evil Spirit Race hiding inside the Dragon Clan city.

“What? Are you sure about this?” Dragon King asked as he was puzzled by Yi Tianyun’s word.

“Yes, I don’t know where they were, but I think I will be able to solve this matter by myself, of course, if you don’t mind!” Yi Tianyun said casually.

“I am grateful if you do!” Dragon King respectfully said as he couldn’t even do anything to the Evil Spirit Race that tried to possess his son. It was safe to say that Yi Tianyun did Heaven Creating Divine King and Sealing Heaven Divine King’s responsibility in their stead as he needed to exterminate all Evil Spirit Race!

As Yi Tianyun had already received permission from the Dragon King himself, he immediately rushed towards one of the Elders and grabbed one aggressively. “What are you doing!” The Elder shouted nervously.

“You have the soul of the Evil Spirit Race with you! I will help you separate yourself from it!” Yi Tianyun said coldly as a black light burst out from Yi Tianyun’s eyes and entered the Elder’s eye! The Elder immediately screamed agonisingly before a Dark Soul emerged from his mouth!

“How did you find me!?” the Evil Spirit Race soul screamed in horror. His soul was weak, and logically, no one should be able to detect him. Everyone else’s face in the room immediately turned sour as they thought that Young Master Long was the only one being possessed, but it turned out that wasn’t the case!

“You don’t have to know about how I do things!” Yi Tianyun said with a smirk on his face before cleaving the Evil Spirit Race’s soul in two, killing the Evil Spirit Race completely. Yi Tianyun didn’t stop there and

rushed towards another person before doing the exact same thing again, yanking another Evil Spirit Race soul out before killing them with the Evil Spirit Divine Sword.

Yi Tianyun did it over and over again. The Dragon King himself was left in shock as it turned out so many of his men were possessed by this Evil Spirit Race!

"I am almost done! I have to search for them throughout the city after this, but I think they were all gone!" Yi Tianyun said as he looked over to the Dragon King. "Why are there so many people being possessed by the Evil Spirit Race over here? If I am not here, your Dragon Clan would be in a lot of trouble!" Yi Tianyun asked curiously to the Dragon King.

"I don't know about this either. They somehow managed to lay low, and I couldn't detect them! But how could you detect them?" Dragon King asked curiously.

"I am just relying on this necklace. As long as it glows red, it means the Evil Spirit Race is close!" Yi Tianyun said as he pointed to his necklace.

"I have heard about this necklace before, but I didn't expect that's how it works! It's fortunate for us that you come here today! Our clan would be forever grateful to you!" Dragon King said respectfully.

"Don't thank me yet! Let us deal with this problem first!" Yi Tianyun said as he pulled out a Storage Ring and handed it over to Dragon King's hand. "There is a lot of necklaces inside. Feel free to hand them to your men and have them solve their own problems! As long as we can find them in time, there is no need for me to make a move as it would be easily be dealt with!" Yi Tianyun said casually.

"Alright, I gladly accept! now I will deal with this matter first, but still, I don't know how to thank you for all this!" The Dragon King said ashamedly.

"I am Yi Tianyun, the descendant of Sealing Heaven Divine King, and now I am the Second Elder of Sealing Heaven Divine Nation!" Yi Tianyun said as he introduced himself thoroughly.

"Descendant of Sealing Heaven Divine King and the Second Elder of Sealing Heaven Divine Nation? So, you are the one that has been suppressing most of the Divine Nation on the Heaven World all this time?" The Dragon King asked curiously.

“Yes, it is me indeed!” Yi Tianyun said with a smile on his face.

“It was really a coincidence! I didn’t expect you to be a man of Sealing Heaven Divine Nation! Our countries have always had a good relationship with each other. We are sorry that we couldn’t heed your call earlier as we have a problem of our own! But since you already solved our problem for us, there is no more reason for us to be estranged!” The Dragon King said with a smile on his face.

“But really, I heard that the Second Elder of Sealing Heaven Divine Nation was very powerful, but I didn’t expect him to be Little Brother Yi. You are really amazing!” The Dragon King said while laughing enthusiastically.

“Well, sure was nice to be revered, but now that we have a spare time on our hands, let’s talk about the alliance once again.” Yi Tianyun said with a smile on his face.

“Sure, I will fix a room for you to rest here, Little Brother Yi. Once I am done ordering the Elders to distribute the necklace, I will come and find you.” The Dragon King said as he snapped his finger, calling some deacon to fix a room for Yi Tianyun.

Yi Tianyun immediately followed the deacons and took a small break in his room while waiting for the Dragon King to handle his problems. After a few days, Dragon King finally knocked on Yi Tianyun’s door with a big smile on his face.

“Little Brother Yi, this necklace is amazing! It was so easy to find the Evil Spirit Race with it!” Dragon King said enthusiastically. The necklace’s precision is really high, too, as it will only glow red if the Evil Spirit Race is close by, and it would glow more intensely if the user got closer to the Evil Spirit Race!

“Under normal circumstances, this necklace wouldn’t make any mistake!” Yi Tianyun said with a smile on his face.

“I am grateful for Little Brother Yi for saving our Dragon Clan! Now, let us talk about the Alliance that Little Brother Yi spearheaded!” Dragon King said with excitement on his face.

“Yes, I am here to form an alliance with you! I have heard that our factions have always been in good terms, and it’s reasonable to form an alliance based on that fact alone! When I heard that our messenger was rejected, I knew that something must’ve happened here, so I decided to come here on my own. I didn’t expect the Evil Spirit Race has already invaded this land too!” Yi Tianyun said solemnly.

“Yes, I never expected the Evil Spirit Race would invade in such a way too! I found so many of our men had fainted, even though no one attacked them then! When I started investigating this matter, the problem began to occur to my own son! They want to gradually replace our Dragon Clan with their own. This is completely abhorrent!” The Dragon King said aggressively.

Yi Tianyun nodded as he understood why the Evil Spirit Race wanted to do such a thing. The Dragon Clan had very high prestige in Heaven World, and they also had abundant resources, so it made sense that the Evil Spirit Race wanted to control such treasures! Their Body Possession had a clear weakness, which was the target must have a weaker cultivation base than their own! In other words, the Evil Spirit Race could only possess a weak cultivator!

“I agree to form an alliance with only Sealing Heaven Divine Nation! I don’t care about any other factions!” Dragon King said coldly. He had no other interest to form a relationship with any other faction in Heaven World.

“That is not a problem! We could create an alliance pact between ourselves and then send a messenger to inform each other regarding what is happening in the rest of the world. When the Evil Spirit Race invades our world, we can unite and come up with plans to drive them off our world and annihilate them!” Yi Tianyun said solemnly.

“Alright! This is great!” Dragon King nodded as he agreed to the alliance with Sealing Heaven Divine Nation.

Yi Tianyun knew that the pact that he created with the Dragon Clan would contradict his alliance pact with other factions, but he didn’t care about that. If anyone wanted to criticize his decision, they were free to talk about it with him themselves! Yi Tianyun was kind and fair to everyone, but it didn’t mean that he would miss the opportunity to form a pact with one of the most powerful factions in Heaven World.

“Now, the only thing that we have to do is to annihilate the Evil Spirit Race that has plagued this Realm for a long time! We have to remove them from the Heaven World completely.” Yi Tianyun said solemnly.

“That is easy! I myself have a beef with them, and I will also do everything in my power to annihilate them! Now that I have this necklace, they wouldn’t be able to escape my sight anymore!” Dragon King said excitedly.

“Alright, then I leave this area to you! I will head over to Heaven Abyss Forest to see if there is any remnant of any Evil Spirit Race over there. Although the previous Evil Spirit Race cultivator denied that there is any of them over there, I am still not convinced enough!” Yi Tianyun said with a smile on his face.

The Heaven Abyss Forest is one of the areas that the Ten Stars couldn’t cover, so it would be a safe haven for the Evil Spirit Race! “I also have the same idea, but I still have so many things to do here that I can’t come with you!” The Dragon King said in a cold manner. He was still angered that the Evil Spirit Race tried to take control of his son and thus wanted revenge, but he still had to make sure that none of his people were possessed by the Evil Spirit Race!

He couldn’t wait to find the Evil Spirit Race’s base in the Heaven World to annihilate them all to calm his rage!

“Dragon King, I will make sure that Heaven Abyss Forest would be rid of the Evil Spirit Race. There is nothing you have to worry about!” Yi Tianyun said confidently. Even if the Dragon King didn’t have anything to do, Yi Tianyun preferred to go alone anyway as it would be easier that way.

“Little Brother Yi, I have yet to give you any rewards for saving my son!” Dragon King said with a frown on his face.

“That is not necessary. The Three Realms are in a troubled state, and the Dragon Clan is a great force to reckon with! It is reasonable to say that I owe you a favour by accepting the alliance, so there is no need for any rewards! As a Dragon King, I hope that you will continue to guard the Heaven World from any thread in the future!” Yi Tianyun said solemnly.

“Well, I can’t find words to return! But if you ever need any help from this old Dragon King, all you have to do is ask!” Dragon King said as he nodded his head. Yi Tianyun nodded and smiled as his goal to come to Dragon Continent was achieved.

‘DING!’

‘Completed Side Quest [Save the Dragon King’s Son!]

‘Reward: 500 million Exp, 500.000 Cps, 100.000 Mastery Point, 100 Dragon Clan Favourability Point.’

Yi Tianyun smiled as it was such a hefty reward for such an easy Quest! Yi Tianyun immediately left the palace and headed towards the gate, but he soon found a very familiar person among the Dragon Clansmen. Yi Tianyun immediately walked towards the familiar person and patted him on the back.

“I am sorry, but can I ask you a question?” Yi Tianyun said hurriedly.

“Well, if it isn’t it the benefactor of Young Master Long! Is there anything that I can help you with?” The person said with a smile on his face. Yi Tianyun used his Appraisal Eye and saw that the person was at the 3rd Layer Saint King stage, definitely not a weak cultivator at all. But he also found that the man wasn’t a complete Dragon Clan as Human Bloodline was the dominating force in his body.

“Do you have a son and a daughter called Ren Long and Ren Zhirou?” Yi Tianyun asked.

“Ah, are you acquainted with Long’er and Zhirou?” The man said with a surprised look on his face.

“Yeah, are you their father?” Yi Tianyun asked curiously. The familiarity that he saw on this man was obviously the familiar face of Ren Long! They both were like two peas in a pod as their face was identical to each other. Thus, Yi Tianyun guessed that the man was Ren Long’s father.

“Yes, they are my children, but I don’t know what happened to them now. Did they do something rude to you in the past?” Ren Feilong asked curiously.

“No, they are fine, but they have been worrying about you as you never returned.” Yi Tianyun said casually. Yi Tianyun has already suspected that Ren Long’s parents have gone to Heaven World as their cultivation was already too high for Mortal World to contain.

“We also want to go down to see them again, but we can’t do that as the Mortal World rejected us!” Ren Feilong said helplessly.

“It’s alright. I will go back to Mortal World and convey that you are safe in Heaven World to Big Brother Long.” Yi Tianyun said with a smile on his face. “Ren Long is my big brother now, and I didn’t expect to find my second father on the Dragon Clan.” Yi Tianyun said excitedly.

This is an unexpected surprise for Yi Tianyun. Clearly, Ren Long would be excited to hear that his parent is alive and well in Heaven World!
