

Life Changing 211

Chapter 211 Still Have To Go

More than an hour had passed after he'd killed Zhao Suan, making him die along with Zhuang Mo.

At this moment, he was in the patient room of a Xing Zhou city hospital. His mother was lying on the bed in front of him, sleeping soundly. As for his father, he was in the room next to this one.

Bai Chen had brought his father and mother to Xing Chou city hospital for treatment.

He had been able to bring both of them here safely thanks to Qian Bei's help.

To be accurate, Bai Chen was the one who'd called and asked for his help in the first place.

Moreover, he'd also called Xu Xue Ning to postpone their trip to Beijing to tonight.

It was obvious that, even though this kind of thing had happened to Bai Chang and Bai Yu, he still had to go to Beijing with Xu Xue Ning!

The reason remained the same. He would be pretending to be Xu Xue Ning's boyfriend and finding a chance to explore the home of the Wang family, one of the five big families of Beijing. If he were to coincidentally meet Wang Chengye, he would also find a chance to assassinate him.

Also, there were additional reasons. Bai Chen had to investigate more about his new enemies, the Xi family and the Jing Cha Secret Organisation.

Due to all these reasons, it was impossible for him not to go to Beijing with Xu Xue Ning.

Of course, Bai Chen had already included the Jing Cha Secret Organisation on the list of those he would take revenge against, along with the Xi family.

However, he was thinking about leaving the Jing Cha Secret Organisation to be the last one that he would deal with.

However, that was already in the past. Thus, it was only normal that he would now consider Jing Cha Secret Organisation as his new enemy. He had to take them down!

"It's a shame that the Life Changing System can't be used now."

Bai Chen spoke softly to himself while looking at his mother with concern.

If the Life Changing System was not in the process of upgrading, he would have rushed to do missions and get more randomisation chances.

He would be able to receive new skills and items, and they would help him a lot with his revenge plans.

They were important factors that led to greater success in executing the revenge!

Bai Chen shook his head to stop these thoughts. He just had to wait for a month and the Life Changing System would be up and running again, even though only several days had just passed.

At that moment, Bai Yu's eyelids trembled. She finally opened her eyes.

“Mother...” Seeing that Bai Yu was awake, Bai Chen quickly got off his chair and rushed towards her.

“How do you feel?” he asked worriedly.

Bai Yu blinked several times as if to organise her thoughts and get rid of her confusion.

“Little Chen, are you all right?”

After gathering all her senses, Bai Yu agitatedly turned to her son.

She still remembered that there were two men asking for Bai Chen before she had been knocked unconscious.

When she and her husband had decided not to tell them where he was, both of them had been knocked out cold. This was all Bai Yu could remember.

Not only her, but Bai Chang, Bai Chen’s father, also remembered similarly. They had fallen unconscious at around the same time after being hurt by Zhao Suan.

The reason why Zhao Suan had hurt them was just that they had not told him where Bai Chen was.

Zhao Suan had already reaped what he had sown. It was the cause of his death!

Hearing the first words his mother said right after she was awake, Bai Chen went quiet. She was the one who was hurt until she had fallen unconscious, but she still asked about him first out of concern.

Bai Chen’s heart was filled with warmth. His eyes grew teary. He almost cried.

“I’m fine, mother...” Bai Chen held Bai Yu’s hand and answered softly.

“It’s good that you are all right.”

Knowing that Bai Chen was doing well, Bai Yu sighed with relief. She did not feel agitated anymore.

“Father’s also doing well. He’s in the room next door.”

Bai Chen told his mother this without waiting for her to ask. He did not want her to worry about his father.

Hearing what Bai Chen had just said, Bai Yu’s facial expression turned brighter. It was not like she was not worried about Bai Chang—she was just concerned about her son first.

“If that’s so, good.” Bai Yu smiled at Bai Chen.

Bai Chen looked at his mother’s face “You’re not going to ask who those men were? Why they were after me and even hurt you for it?”

“I don’t have to know. You’re safe and that’s enough for me.” Bai Yu shook her head. Then, her facial expression suddenly turned serious “And what about those men? Where are they now?”

p Bai Yu was afraid they would come back to hurt her son.

“Don’t worry. The police caught them.” Bai Chen chose to lie. He could not say that he was the one who had killed both Zhao Suan and Zhuang Mo.

Otherwise, it would turn into chaos. He did not want to know how his mother would feel realising that her son was a murderer.

“I see.” Bai Yu sighed with relief again. She felt better now that they had been arrested.

“You should rest here for one or two days. As for the medical fees, the police will take care of them. The culprits were on the run, and so it’s the police’s responsibility to take care of you,” Bai Chen said. He made the whole story up so that his mother could rest more here.

Otherwise, knowing her, she would not want to spend money on hospital bills.

This was because they did not make enough money to be able to stay in the hospital for several days.

Bai Yu nodded. “Understood. You should go see your father, too. As for Beijing, you should go. Don’t worry about us. This opportunity doesn’t come around much. You should thank your friend for it, too.”

It was obvious that when Bai Chen had gone back home for his things, he had already told his parents that his friend had invited him to Beijing and would also be paying for everything for him.

His parents did not have enough money to take him to Beijing, so they really wanted Bai Chen to go.

That was why it was only normal that Bai Yu would want her son to go, even though she still had to be treated at the hospital

“Yes, mother.” Bai Chen was actually thinking about how he should tell his mother that he had to go to Beijing today. He did not expect his mother to say what she had.

However, it was good for him. However, he also felt guilty that he would not be here to take care of Bai Chang and Bai Yu while they were recovering in the hospital like this.

Chapter 212 Before Traveling To Beijing

At around 4 p.m., Bai Chen walked past a lot of people in the Xing Zhou airport. His face was very still, like he was emotionless.

He was walking towards the airport’s VIP room. The VIP room was one that only the wealthy could rent.

Of course, the one who’d rented it was not Bai Chen. It was Xu Xue Ning, because Bai Chen had to postpone the appointment time, so she’d also changed the appointed location.

The change was from in front of Xing Yuan department store to the VIP room in Xing Zhou airport.

After telling the VIP zone's security guard his name, Bai Chen was led to a room. It was the room reserved under Xu Xue Ning's name.

Right after he entered the room, Bai Chen saw Xu Xue Ning sitting on the beautiful red fur sofa. She was still in the same dress she had worn in the morning. Her face was still covered.

This was unlike Bai Chen, who had already gone back home to take a shower and change after talking to his parents at the hospital.

“Elder Chen Bai, you're here.”

Xu Xue Ning sprang up from her seat and put her hands together like cultivators did when they greeted each other.

Bai Chen waved his hand slightly. “No need to be so formal.”

He was not very surprised by how she greeted him, even though he had already told her to act and talk normally. She must think that she only had to do that when there were people around.

At the moment, there was no one except them inside the room. That was why Bai Chen was not surprised. He knew that Xu Xue Ning thought that he was a strong cultivator.

It would be difficult for her to speak normally to him all the time.

“Please take a seat, elder.” Xu Xue Ning gestured at the opposite sofa, inviting Bai Chen to sit there.

Bai Chen nodded. He sat down on the sofa and took off his backpack. He set the bag at his side.

“When are we leaving?”

Bai Chen looked at Xu Xue Ning. She started to take off her big sunglasses and face mask, revealing her beautiful and flawless face. Her beauty was incomparable.

Normally, Bai Chen would admire her. His heart would flutter.

However, he did not feel anything of that nature this time. What he was planning to do in Beijing was more important.

It was a chance to get revenge and investigate the Xi family, one of the five big families of Beijing, and also the Jing Cha Secret Organisation.

“We can go whenever we like because we'll be traveling on my personal aircraft.”

Xu Xue Ning was not surprised that Bai Chen had asked about the departure time. She knew that Bai Chen's time was valuable.

A legendary realm cultivator like him needed a lot of time to practice and better himself.

The fact that he was here to pretend to be her boyfriend was actually a debt she would not be able to pay back.

“I see.” Bai Chen nodded. He had totally forgotten that Xu Xue Ning owned a plane. Last time she had also traveled with this very aircraft to pick him up at Dong Hai island to go save her Lunar Land sect from Tai Yang the Strange.

“Elder Chen Bai may choose the departure time. What time should we depart?” Xu Xue Ning told him.

She let Bai Chen decide, even though today was the deadline that she had agreed on with her mother for bringing her boyfriend back home.

Hearing what she said, Bai Chen did not hesitate. He told her almost immediately, “How about now?”

Xu Xue Ning was delighted that Bai Chen suggested this. She quickly nodded in agreement “It is no problem. We can depart now.”

Bai Chen got up from the sofa and put his backpack back onto his back.

However, he suddenly recalled that he would have to pretend to be Xu Xue Ning’s boyfriend.

He would have to talk with her about this first. If he was in the guise of his eighteen-year-old self, her family would neither believe him nor accept him.

Even worse, they might not let him onto the premises.

Seeing Bai Chen get up, Xu Xue Ning quickly put her sunglasses and face mask back on and sprang up from her seat.

“What is it?”

She asked this because Bai Chen had stopped moving.

Bai Chen looked at Xu Xue Ning and spoke. “How would you like me to change my appearance in order to be your pretend boyfriend?”

Hearing what he said, Xu Xue Ning halted for a second. She lowered her head and thought. She had totally forgotten about this. If Bai Chen went in this form, she was afraid that her mother and the Xu family would not believe that he was really her boyfriend because he looked too young.

She was already twenty-five. How could she have a boyfriend who was seven years younger? If she were a man from a big family, it would be fine.

However, she was a woman. It would be considered inappropriate.

Xu Xue Ning was deep in thought for a while. Eventually, she came up with an idea. She looked at Bai Chen.

“I think you should change your appearance to that of someone who is about two to three years older than me. That way we won’t be that far apart in age.”

Bai Chen blinked. He could still shapeshift eight more times with his thousand-face skill.

It would not be a problem at all to use one of these times to pretend to be Xu Xue Ning’s boyfriend.

“Who would you like me to change into? You can show me an example.”

Bai Chen said this while looking at Xu Xue Ning. He was curious what kind of man she would want him to change into and pretend to be her boyfriend.

To be honest, he wanted to know because Xu Xue Ning was the most beautiful woman he had ever met in his life. He wanted to know what type of men she liked and wanted to have as her boyfriend.

“I’ll tell you that later.”

Strangely, she did not answer immediately. She said that she would tell him later.

Chapter 213 Beijing

It was exactly 7 p.m., inside one of China’s leading branded clothing shops in a luxurious mall in Beijing,

A man was wearing a brand-new grey suit that cost around 100,000 yuan.

Of course, the suit he had on was from the branded shop.

He was not very good-looking, but he was not ugly either. He had some traces of handsomeness, though not as much as an angel.

He was around twenty-six to twenty-seven years old. He looked mature and coolly reserved. He was standing in front of the fitting room inside the branded clothing shop.

Beside him was a shop employee. She looked at him with sparkling eyes. It was as if she was fascinated by him.

It was obvious that even though he was not that handsome, he was still a magnet for ladies.

However, even though she was looking at him with her sparkling eyes, she did not think anything untoward toward him. To be more accurate, she could not.

This was because this man was wealthy and he was the boyfriend of the young mistress. She was the eldest daughter of the owner of this branded clothing shop with a large number of branches all over China.

It was admirable that he could seize the heart of the most beautiful woman in Beijing!

Also, the woman was the direct bloodline of the Xu family, one of the five big families. It was none other than Xu Xue Ning.

Yes... it was certainly Xu Xue Ning. And the man the employee was looking at was actually Bai Chen.

Correct, it was definitely Bai Chen. At the moment, he was around twenty-six to twenty-seven years old because he’d used the thousand-face skill.

He had changed into himself at around twenty-six to twenty-seven years old. He now had just uses of the seven thousand-face skill left.

Of course, the reason why he had changed into himself at around twenty-six to twenty-seven years old was that Xu Xue Ning had asked him to.

When Bai Chen asked her about how she would like him to change his face, she did not answer immediately.

She decided to tell him after they arrived in Beijing. She asked him to change into his twenty-seven-year-old self.

Bai Chen was surprised. He did not expect Xu Xue Ning to ask him to change into his twenty-seven-year-old self, instead of some other person who was a type that she liked.

However, he did not ask her anything. He just did what she wanted.

After he changed into his twenty-seven-year-old self, Xu Xue Ning had brought him to this department store and bought him a suit.

Even though Bai Chen had told her that he already had one, she still insisted on buying it for him. She had a very sound reason, though.

Her family was very wealthy. If he wore a cheap suit, no one would believe that he was her boyfriend.

Due to that, Bai Chen could not refuse and had come here with her for the suit.

This was without knowing that this clothing shop was a leading Chinese brand that Xu Xue Ning's mother owned.

Maybe he would not be so surprised if he knew.

“Let's go.”

Xu Xue Ning walked towards him from the side of the shop. She'd excused herself to the ladies' room while Bai Chen had still been changing.

Xu Xue Ning was in the same dress and her face was still covered. There was no need for her to change because she was going back to her home anyway.

She did not have to change to go back home.

Bai Chen stood in front of the fitting room. He turned to Xu Xue Ning and nodded. “Okay.”

Then, he followed Xu Xue Ning out of the shop.

The female employee who had been standing beside Bai Chen a moment ago looked at them and sighed.

“Even though he's not that good-looking, he has a good carriage and a good figure, as expected of a man whom the young mistress has chosen to be her boyfriend.”

It was obvious that Bai Chen had already arrived in Beijing. He had gotten here an hour ago, at 6 p.m.

Right after they'd arrived, Xu Xue Ning had brought him here to buy a suit.

After this, the destination was obviously the home of the Xu family, one of the big families of Beijing!

.....

Half an hour later, a luxurious white limousine was driven past gates that had been opened. The area behind them was inestimably large.

In the middle of the land stood a four-story mansion. It was luxurious and huge.

From the looks of it, it was obvious that a lot of money had been spent to build it!

Surrounding the mansion was an extravagant garden. There was a large fountain in front of the mansion. Luxury was everywhere one looked.

The limousine was driven to a big parking lot. As many as ten luxury cars were parked there.

“We’ve arrived, young mistress.”

The driver was a fifty-year-old man. He got out of the car and opened the door for the woman inside.

Of course, that woman was Xu Xue Ning. It was obvious where this was. This enormous mansion was none other than the home of the Xu family, one of the five big families in Beijing!

“Let’s get out of the car.”

Xu Xue Ning nodded at the middle-aged driver. She did not get out right away. She turned to Bai Chen and spoke to him in a soft tone.

The middle-aged driver looked at Bai Chen respectfully.

The reason why he looked at Bai Chen respectfully was that Bai Chen had been able to seize the heart of Xu Xue Ning, the young mistress of the Xu family, who was well-known to be the woman who had never been interested in love.

The family had arranged so many matchmaking dates with men for her before. She’d rejected every single one of them. And now Bai Chen had appeared!

How could the middle-aged man not respect Bai Chen?

Bai Chen nodded without saying anything. To be accurate, he was actually speechless.

He was speechless at seeing that the home of Xu Xue Ning...no, the Xu family...was so big and luxurious. His eyes could not determine how big this place was.

Bai Chen shook his head a little to suppress his feelings before getting out of the limousine.

Chapter 214 True Feelings

After getting out of the limousine, Xu Xue Ning led Bai Chen to the luxurious, gigantic four-story mansion that belonged to the Xu family.

The moment they arrived at the entrance, a lot of women in maids’ outfits were already waiting to welcome them.

There were ten of them, both middle-aged and young women.

All ten of them formed two rows, five people each. They smiled and looked at Bai Chen.

The second Bai Chen was clearly seen by them, they could not help but frown. Bai Chen was not as good-looking as an angel.

He could not even be compared to those men Xu Xue Ning had rejected.

However, they did think that Bai Chen was not bad-looking. The cool reserve on the face of the twenty-seven-year-old gave off an enchanting mature vibe.

However, all ten of the Xu family's maids thought that Bai Chen was still not good enough for Xu Xue Ning because Xu Xue Ning's beauty was number one in Beijing.

Her beauty was incomparable to any other woman!

How could Bai Chen, who was not that good-looking, be a match for Xu Xue Ning, the young mistress of the Xu family?

However, it was certain that their opinion would not affect the decision of the Xu family's high-ranking members. The high-ranking members would be the ones who decided if Bai Chen was good enough for Xu Xue Ning or not.

Xu Xue Ning looked at all ten maids and nodded without saying anything.

“Young mistress, the mistress and master are waiting for you in the third living room.”

One of the maids said this. She seemed to be the oldest among the ten of them.

Xu Xue Ning nodded. She turned to look at Bai Chen to see him nodding without saying anything. Xu Xue Ning led Bai Chen inside the mansion.

After less than five minutes had passed, Bai Chen was taken to the third living room.

Along the way from the entrance, it could be seen that the mansion was not only luxurious, but it was also beautifully furnished. Bai Chen was amazed by everything.

If he did not know that it was the Xu family's mansion, he would have assumed that it was the castle of a king.

“Xue Ning, you're finally home.”

The moment they entered the beautiful, fancy living room, a gentle voice sounded.

The source of the voice was sitting on the high-quality, expensive-looking fur sofa. She was a middle-aged woman whose face was as gentle as her voice.

Moreover, even though she was in her middle age, she was very beautiful.

Xu Xue Ning's face resembled hers in many ways.

Bai Chen looked at the middle-aged woman who was sitting on that quality fur sofa. He guessed that she must be Xu Xue Ning's mother.

And he was correct. This gorgeous lady was Xu Xue Ning's mother, Xu Jing Xie.

However, Xu Jing Xie was not alone in the room. The person who was sitting beside her was a middle-aged man who possessed a strikingly handsome face. He was wearing an expensive suit.

His face was cool and composed. If Bai Chen were to guess again, this man must certainly be Xu Xue Ning's father.

Xu Xue Ning also resembled him, though not as much as she did Xu Jing Xie.

"I'm back," Xu Xue Ning said gently.

She looked at them. She suddenly realised that she missed them because she had not seen them for some time.

The middle-aged man, Xu Xue Ning's father, nodded at his beautiful eldest daughter.

"It's good that you're back," he said. His name was Xu Sin Xiao.

He looked at Bai Chen and could not help but frown. "Is this your boyfriend?"

Hearing what Xu Sin Xiao said, Xu Jing Xie turned to look at Bai Chen too. Her beautiful pair of eyes narrowed a little.

"Is he really your boyfriend? Really?" She spoke excitedly. This was the very first time that Xu Xue Ning had returned home with a boyfriend.

Xu Jing Xie also thought that Bai Chen was her first boyfriend. Thus, it was totally normal for a mother to be excited.

"Good evening, aunt and uncle. My name is Bai Chen."

Xu Xue Ning did not have to tell him anything. Bai Chen started to greet them and introduce himself politely.

Xu Xue Ning's heart pounded hard. She suddenly felt a great deal of guilt in her heart.

She thought that Bai Chen was a legendary cultivator who had been living for who knew how long. Introducing himself to her parents who were younger was surely inappropriate for a glorious being like him.

But he did it for her without hesitation!

At that very moment, it was as if a strong lock that had been on the door to her heart was unlocked. Her beautiful pair of eyes widened.

The complicated and indescribable feeling that she had been holding back suddenly flooded into her heart!

Finally, she now understood that she had been refusing to accept it. She liked Bai Chen. No, she had actually fallen in love with him!

The reason why she had been denying it and holding back the feelings was that Bai Chen had said that he was pursuing Long Xu In.

But now, Xu Xue Ning could not deny her true feelings anymore.

‘My first love!’ Xu Xue Ning shot an intense look at Bai Chen who was standing beside her.

This feeling was real. She had to accept it!

“Bai Chen?” Xu Sin Xiao raised his eyebrows up high. He had never heard of a Bai family among the big families in Beijing.

“Hello. I’m Xue Ning’s mother, Xu Jing Xie. You can call me Aunt Xu.”

Unlike her husband, Xu Jing Xie got up from her seat and gave Bai Chen a friendly smile.

Seeing his wife like that, Xu Sin Xiao shook his head a little. He did not want to follow suit.

However, this was the first boyfriend of his eldest daughter—at least he should treat him with respect. He stood up.

“My name is Xu Sin Xiao. Uncle Xu is fine. I’m Xue Ning’s father.”

Bai Chen looked at Xu Xue Ning’s parents and nodded as if he was satisfied with their attitude. Even though they were from a wealthy family, they seemed to be nice and did not act as if they were superior.

Chapter 215 The Mind-Reflecting Bracelet

p “Don’t just stand there. Let’s sit down and talk.” Xu Jing Xie smiled.

Xu Xue Ning quickly agreed as if she had been awakened from a daydream. She led Bai Chen to the high-quality fur sofa beside the one her parents were sitting on.

“Bai Chen, please don’t think I’m being too forward, but what are you doing, where do you live, and who are your parents?”

Xu Jing Xie immediately threw out all these questions right after seeing Bai Chen and Xu Xue Ning sit down together on the sofa.

All of them were general questions that mothers usually asked their daughter’s boyfriends. She just wanted to be sure that he would be able to take good care of her daughter.

“My parents have already passed away. I was raised in London and have been working there since I graduated. And now I have gotten a chance to come back to China again.”

Bai Chen answered very naturally. Of course, everything was a lie.

It was the story that Xu Xue Ning had prepared for him just in case her parents asked, and he had actually gotten to tell it.

“I see.” Xu Jing Xie nodded. She deliberately scrutinised Bai Chen. She found that Bai Chen was not that good-looking, but he had good comportment; his face, in particular, gave off cool and composure.

He did not seem to feel pressured when talking to her and her husband, people from one of the five big families, and that was admirable enough.

“And how did you meet Xue Ning? When did you start dating?”

Now it was Xu Sin Xiao, Xu Xue Ning’s father, who was asking. He could see through people. Seeing Bai Chen’s unchanged facial expression and determined eyes, he knew right away that Bai Chen was telling the truth.

“One month ago.” Bai Chen spoke naturally. “I met her a month ago. We got to know each other and eventually decided to date after half a month.”

Of course, this was also a lie that Xu Xue Ning had made up.

“Hmm?”

Right after what he said, Bai Chen felt something shaking inside his dimension ring. It was the special item that he had gotten from his last random chance.

It was on the night before he’d travelled to He Ling beach on the field trip arranged by Xing Xian school, the very same night he’d murdered Chin Fei and his people.

This item was jade bracelet that appeared quite aged. It was described thusly.

[Low-grade mind-reflecting bracelet]

Description: The mind-reflecting bracelet is very well-known in the world of cultivators. By only keeping it at your side, it can reflect other’s psychic power, be it used to explore or to attack the mind of the wearer. Even legendary cultivators cannot escape from its mind-reflecting power. However, it is a shame that this mind-reflecting bracelet is incomplete. Therefore, it can only reflect a mind 3 times.

Grades of Special Items: Low, Medium, High, Supreme

When he’d first received it, he was not very happy because he did not think he would have a chance to use it. It was an item for cultivators anyway.

If cultivators did not use their psychic power against him, this jade mind-reflecting bracelet would be nothing but a normal bracelet.

‘Why is the jade mind-reflecting bracelet shaking?’ Bai Chen could not help but wonder. He frowned without knowing it.

Boom!

Suddenly, the bracelet inside the dimension ring glowed light green.

It was a dazzling pale green light. It formed a line and went straight in a certain direction.

Bai Chen’s eyes could not help but follow it.

“What is it?” Xu Sin Xiao and Xu Jing Xie asked when they saw Bai Chen frowning and looking at something after answering their questions.

“It’s nothing.” Bai Chen turned away from the green light that only he could see.

Even though he said that it was ‘nothing’, he knew that it was a cultivator’s doing!

Otherwise, the jade mind-reflecting bracelet would not react!

Xu Sin Xiao and Xu Jing Xie looked at each other a little. They were thinking the same thing, seeing Bai Chen get lost in his thoughts for a while.

As for Xu Xue Ning, since she’d realised her true feelings, she just sat still. Her face reddened and her breath was a little unstable.

“So, you’ve been dating our daughter since half a month ago, correct?” Xu Jing Xie asked, no longer giving attention Bai Chen going off in a reverie a moment ago.

“Yes.” Bai Chen nodded, still thinking about the cultivator who was targeting him.

At the same time, he sneaked a peek at Xu Xue Ning. He thought that if she was a cultivator, then it was only normal if there would be another one here, too.

However, it was not a good first impression for this cultivator in her family because the other party tried to attack him with their psychic power.

Bai Chen thought that the other party was trying to attack him with psychic power, rather than trying to investigate him.

His thoughts led him to this conclusion.

To be frank, why would the other party try to investigate him with psychic power when they did not even know each other?

It was a very rude thing to do, judging by the martial arts movies he had watched.

Those who did this sort of this all thought that they were better and stronger. That was why they were not afraid that they would offend anyone by using their psychic power to investigate or attack.

Bai Chen started to think that he was lucky to have the mind-reflecting bracelet. Otherwise, it would be hard to say what would happen to him.

.....

On the other side, while Bai Chen was answering questions from Xu Xue Ning’s parents, an old man with a white beard and white hair was standing graciously in the room on the top floor of this luxurious mansion. He suddenly collapsed onto the floor.

His wrinkled face was pale white, lacking the color of blood. Blood gushed out of his mouth. His heart pounded. He was full of fear.

Finally, he stopped gushing out blood. He used the long sleeve of the old-fashioned Chinese outfit he was wearing to wipe the blood off his quivering mouth.

“L...legendary!”

His lips moved, letting his hoarse voice out. He had goosebumps all over.

“A l...legendary realm cultivator!”

This old man kept repeating this to himself like a madman for several minutes.

It was obvious that he was the one who had used his psychic power to investigate Bai Chen.

However, the mind-reflecting bracelet reflected the psychic power back to the point where he was hurt severely!

Not severely physically, but mentally!

Chapter 216 The Change

“How did I dare investigate a legendary cultivator?!?”

p The lips of the old man with white hair quivered. He did not even have the strength to get up. He did not dare to look at Bai Chen anymore.

Only a single look back from Bai Chen was enough to hurt him psychically—severely as well!

The reason why he did not fall unconscious or die was that he was not a normal cultivator. He was at the sky soaring realm!

Correct... He was one of the very few sky soaring realm cultivators in China!

And this old man with white hair was none other than Xu Sien Yi, whom master Yian and Lu Yi had talked about, the Xu Sien Yi who was like a big tree that acted like sheltering shade to the Xu family.

If anyone were to see his state right now, it would cause chaos. He, who was a sky soaring realm cultivator, had collapsed on the floor and was surrounded by a great deal of blood that was gushing out of his mouth.

The reason why the old man Xu Sien Yi thought that Bai Chen was a legendary realm cultivator was that how Bai Chen had been able to hurt him so severely with only a single glance back.

The old man Xu Sien Yi did not know that there was a mind-reflecting bracelet inside Bai Chen's dimension ring and that that was the cause of his mental pain.

It was clear this old man had had a grave misunderstanding. If one wanted to know why he had used his power on Bai Chen...

The reason was simple. Bai Chen was the boyfriend of his beloved great-granddaughter. He wanted to know if what he said was true or not.

That was why he'd decided to use his power on Bai Chen. The result that followed was as could be seen.

They were many floors apart, but it was easy for a sky soaring realm cultivator to hear everything; this distance could not stop them.

“N...No, this won't do. I need to rush there and apologise or the Xu family will certainly vanish!” the old man Xu Sien Yi screamed in fear.

He knew how scary legendary realm cultivators could be when they were angry!

He had seen it—that year when legendary realm cultivators, in rage, had fought each other.

Those legendary realm cultivators had been Lu Zhun Gu the Legendary and Ming Kong the Legendary!

How could the old man Xu Sien Yi not be scared? He had been rude to Bai Chen, a legendary realm cultivator.

The old man Xu Sien Yi suppressed his fear, even though his heart was still pounding.

He gathered all his strength to get back onto his feet. He had to use several minutes.

He could not stand up properly. He walked towards the sofa as if one of his legs was broken.

Once he got to the sofa, the old man Xu Sien Yi dropped himself onto it exhaustedly. He reached his hand out to grab the phone next to the sofa.

He forced himself to make a call with the very last of his strength.

Not long after that, someone picked up the phone.

“Father? Is something the matter for you to be calling me?” The voice was of an old man.

His voice was not as old as Xu Sien Yi's, but he was obviously in his old age.

“San Zhien... quick...go to the man named Bai Chen. No, go to elder Bai Chen and welcome him with everything we have. Tell him that this old man will go down and apologise to him in person...”

After the other end of the line picked up the phone call, the old man Xu Sien Yi started to talk a blue streak. It was his son whom he'd called.

He stopped to breathe before continuing, “Tell him to forgive the Xu family! Remember not to be rude to him!”

“This..!!” Xu San Zhien, Xu Sien Yi's son, the current head of the Xu family and Xu Xue Ning's grandfather, was speechless after hearing what his father said.

His body could not help but tremble violently. His feelings changed drastically. He had never seen his father like this before.

It must be a very big issue!

“Father...Please calm down and slowly tell me what happened.”

Xu San Zhien inhaled deeply. He was at his office on the third floor of the mansion.

“There’s no time to explain...I can tell you one thing...A legendary realm cultivator!”

The old man Xu Sien Yi said this and his voice got cut off. He could not stay awake anymore. Being psychically damaged was not something to take lightly.

Even a sky soaring realm cultivator could not stand it. He could not help but fall unconscious.

“Father! Father!” Xu San Zhien shouted after the other end of the line went quiet. He was an old man with grey hair, sitting at his desk on the third floor of the mansion.

Xu San Zhien’s facial expression changed drastically after hearing the words ‘legendary realm cultivator’.

Even though he was not a cultivator because he lacked gifts, he had always heard about it from his father, Xu Sien Yi.

Xu San Zhien’s heart squeezed when he thought about what his father had just said.

“Bai Chen... Bai Chen the legendary? I thought you told me that there are only three legendary ones in China. Where does this legendary Bai Chen come from?” Xu San Zhien said.

It was more like he was talking to himself because Xu Sien Yi did not say anything back.

Not only Xu San Zhien, but it was also unexpected for Xu Sien Yi to know that there were more legendary realm cultivators in China.

Even worse, he was a hidden legend, unknown to the cultivator world!

Actually, this was even scarier. If you picked a fight with him without knowing that he was a legendary realm cultivator...

...would you and your family not be eliminated?

Xu San Zhein did not dare to waste any more time. He quickly hung up the phone and went down to see Bai Chen. He would tell him what his father had instructed him to.

His face was full of sweat. He was also worried about his father.

However, from what Xu Sien Yi had said, he knew that his father was still all right. It was not fatal. What he had to do now was to apologise to Bai Chen and give him a grand welcome.

This was a big emotional change for both Xu San Zhien and the old man Xu Sien Yi.

However, the change came from a big misunderstanding.

They misunderstood that Bai Chen was a legendary realm cultivator. They and Xu Xue Ning were exactly the same, drawing their own conclusions.

Chapter 217 The Head Of The Family Kneels

Xu San Zhien quickly walked to the third living room on the first floor within just three minutes.

His face was pale, though one could still see some colour.

Even though he tried to suppress his emotions all the way here, they were still there.

At the moment, Xu San Zhien stood in front of the third living room where Bai Chen and the others were.

The sound of a deeply inhaled breath was heard. His trembling hand reached out to open the door in front of him.

The door was opened. All eyes in the room quickly turned towards it.

“Father?”

Xu Sin Xiao was amazed that it was Xu San Zhien who had come in. He had not expected his father to come here.

Xu Jing Xie and Xu Xue Ning also felt the same.

Bai Chen was the only one who did not feel a thing because he did not know who Xu San Zhien was. He did not know that he was the current head of the Xu family, Xu Xue Ning’s grandfather, and Xu Sin Xiao’s father.

Xu San Zhien’s face was pale and covered in sweat. He did not pay attention to his son. Instead, he swept his eyes around the room until they stopped at one person. Of course, it was Bai Chen.

The moment Bai Chen was seen clearly by him, he halted. His breathing seemed to cease.

Even though Bai Chen was not that good-looking, he was so coolly composed, it was scary.

His cool calm would not have been able to affect him if he had not known from his father that Bai Chen was a legendary realm cultivator.

“What are you doing here, father?” Xu Sin Xiao got up from his seat and asked politely.

“Father... Are you perhaps here because of Xue Ning’s boyfriend?”

Xu Jing Xie also asked this politely and got up from her seat. She looked at Bai Chen.

That was the only reason that she could think of.

Actually, Xu San Zhien was the one who had ordered her to call Xu Xue Ning back home for another matchmaking date. He was also the one who had chosen the man for her.

The one he had chosen was truly special. He was the Wang family’s future head... Wang Cheng Yong!

Wang Cheng Yong was the eldest son of the current head of the Wang family. He was Wang Chengye’s older brother.

Wang Chengye...the one Bai Chen wanted to kill in order to get his revenge!

“Erm...” Xu San Zhien did not pay one bit of attention to Xu Sin Xiao or Xu Jing Xie. He opened his mouth. He did not know what to say to Bai Chen.

“Grandfather.” Xu Xue Ning also got up from her seat. It was a common courtesy to get up to greet older people, especially for older members of the family.

Seeing everyone get up from their seats, Bai Chen thought that it would not look good if he did not do it, too.

Hearing all of them, he now knew who this old man with grey hair was.

He was about to stand up when he heard an agitated voice.

“No...No, please don't do that!” It was Xu San Zhien.

His eyes almost popped out of their sockets seeing that Bai Chen was about to get up.

Bai Chen frowned a little at hearing that. He did not understand why Xu Xue Ning's grandfather would say that.

He knew that that agitated voice of the other party was talking to him because the eyes of the other person were staring at him.

“.....”

“.....”

“.....”

Xu Sin Xiao, Xu Jing Xie, and Xu Xue Ning were speechless. They could also sense agitation in Xu San Zhien's voice, which was directed at Bai Chen.

“Elder Bai Chen, I'm here to beg for your mercy towards the Xu family. What my father did earlier was rude and he's now repenting. He'll come down and apologise to you in person later. Please have mercy!”

Xu San Zhien did not care what the rest in the room would think. He dropped to his knees. His face was full of regret.

It was obvious that for him, legendary realm cultivators were like gods!

Otherwise, it was impossible for the head of one of the five big families of Beijing to kneel in an apologetic manner before someone like this!

“Father!” Seeing what his father did, Xu Sin Xiao's eyes almost popped out of their sockets. He opened his mouth wide.

Xu Jing Xie and Xu Xue Ning did the same.

However, Xu Xue Ning suddenly thought of something that she thought could best explain this situation.

She thought that her grandfather had already figured out that Bai Chen was a legendary realm cultivator!

If not, it was impossible that her grandfather would act like this.

Thinking about what her grandfather had said just now, Xu Xue Ning trembled violently.

It was obvious that her great-grandfather, a sky soaring realm cultivator, had offended Bai Chen!

Of course, Xu Xue Ning knew that her great-grandfather was a sky soaring realm cultivator.

She had only found out about it recently after Bai Chen had helped handle the incident with Tai Yang the Strange. Her grandfather had told her her great-grandfather was a sky soaring realm cultivator.

If she had known before that, she would have asked her great-grandfather to help the Lunar Land sect instead of Bai Chen.

“W...What’s happening, father?!?”

Xu Jing Xie could not help but speak with a trembling voice after the shock.

Hearing what his wife said, Xu Sin Xiao was awakened from the shock. He looked back and forth between his kneeling father and Bai Chen.

It was possible that maybe his father had misremembered. Bai Chen was Xu Xue Ning’s boyfriend, and it was impossible that an old man like Xu Sien Yi would have caused any trouble for him.

Xu Sin Xiao did not hesitate to speak.

“Please get up, father. You must have mistaken him for someone else. His name is Bai Chen, yes, but he’s not an elder or anything. He’s Xue Ning’s boyfriend!”

Xu Sin Xiao stopped for a moment before continuing, “I told you before, remember, that Xue Ning would bring her boyfriend home today.”

Chapter 218 The Xu Family’s Luck

“I told you before, remember, that Xue Ning would bring her boyfriend home today.”

Hearing what Xu Sin Xiao said, Xu San Zhien suddenly looked up. His eyes widened. His lips trembled. He looked at Xu Sin Xiao like he had gone crazy.

“W...What did you say?!?”

Xu Sin Xiao thought that maybe his father had hit his head hard against something. He had mistaken Bai Chen for someone else and even knelt before him like this.

He must admit that this situation created a great deal of surprise and incredulity in him. He had never seen his father kneel before anyone like this since he was born.

“I told you that maybe you have mistaken Bai Chen, Xu Xue Ning’s boyfriend, for someone else. Please get up.” Xu Sin Xiao shook his head and sighed. He rushed to help his father up.

Hearing what his son said, Xu San Zhien trembled violently and he felt slightly dizzy.

His pale, fear-filled face was now flushed red with excitement. It was unbelievable.

“I...Is it true?” His lips trembled harder than before.

“Yes!” Xu Sin Xiao nodded to confirm it. He thought that his father really had mistaken Bai Chen for someone else.

Xu Jing Xie sighed without knowing it after seeing what her father-in-law had done.

She thought the same as Xu Sin Xiao did.

‘Maybe he overworked himself to the point his brain is experiencing problems. He should rest more,’ she thought and shook her head.

‘But it is still unbelievable that he would mistake Xue Ning’s boyfriend for someone and kneel before him like this.’

“Heavens!” the sixty-five-year-old Xu San Zhien suddenly yelled out. His face was extremely delighted.

If what Xu Sin Xiao said was true, then the Xu family was in luck to have a legendary realm cultivator as a son-in-law!

Xu Xue Ning’s face went pale. No, her flawless face had been pale since she saw her grandfather kneel and apologise.

Her pretty hands curled up into fists. She moved closer to Bai Chen and whispered to him.

“E...Elder Chen Bai, please forgive my great-grandfather. I know he didn’t mean to offend you.”

Bai Chen’s facial expression had changed since he had seen Xu San Zhien kneel and apologise.

Even though he did not understand much, he could guess a thing or two.

If his guess was correct, there was a high probability that the one who had been trying to attack him psychically was Xu San Zhien’s father, Xu Xue Ning’s great-grandfather.

Maybe the ability of the mind-reflecting bracelet had made the other party think that he was a stronger cultivator and send Xu San Zhien here to ask him to spare the Xu family.

And Bai Chen was correct.

“If I don’t forgive you, what will you do, Xue Ning?”

Bai Chen’s facial expression was back to normal. He looked up at Xu Xue Ning.

However, his words were like lightning striking Xu Xue Ning’s perfect body. Her face went even paler, becoming almost bloodless.

Without any hesitation, she inhaled deeply and before starting to kneel down.

However, before she did it, Bai Chen stopped her with his hands.

“To be honest, I don’t like what your great-grandfather did one bit, but because it’s you, I’ll forgive him this time,” Bai Chen said. He spoke so softly that only he and Xu Xue Ning could hear.

“I hope there won’t be another time.”

“T...Thank you very much!” Her beautiful eyes were wet with tears. She quickly thanked Bai Chen. “Please don’t worry. There won’t be a second time!”

She did not think that she had to tell her great-grandfather about this. He would not dare to do it again anyway.

He would be a fool to do it again, because making legendary realm cultivators angry and challenging them could lead to the Xu family, one of the five big families of Beijing, being wiped off the face of the earth as easily as brushing a grain of dust off a shoulder!

“A...hem!”

Xu Sin Xiao, who had been helping his father to stand up, cleared his throat when he saw that Bai Chen was holding his daughter’s hands and that they were whispering something to each other like they didn’t see him or anyone else in the room.

Bai Chen, seemingly realising it, quickly released Xu Xue Ning’s delicate hands.

He had held on to her hands without knowing it when he’d tried to stop her from kneeling down.

Xu Xue Ning’s flawless face reddened. She could feel embarrassment like she had never experienced it before. She lowered her head to hide her rosy cheeks.

‘I...I really like elder Chen Bai. I’ve fallen for him!’

Among all the emotions she felt, Xu Xue Ning finally accepted her true feelings.

Xu Jing Xie was surprised. She had never seen her daughter act like this before.

‘This man had really made our daughter fall in love,’ she thought and smiled.

“What do you think, father? Is he qualified enough to be Xue Ning’s husband? Do we also need approval from the other high-ranking members of the family?” Xu Sin Xiao had the same idea as Xu Jing Xie.

To be honest, he did not like that his daughter was in love with someone. It was only normal for a father to be overprotective of his daughter.

“If you think he’s still not suitable, we’ll probably have to break them up. Xue Ning will have to meet Wang Cheng Yong, the man whom you chose for her later. What do you think?”

“Nonsense!” Xu San Zhien burst out at Xu Sin Xiao angrily. “What do you mean ‘not suitable’?!? Do you think I and others in the family have the right to evaluate elder Bai Chen?!”

“Who cares about Wang Cheng Yong? If Xue Ning and elder Bai Chen are in love, of course, they’ll have our full support!”

“If anyone in the family dares to object, I’ll fight them until I die!”

“.....” Xu Sin Xiao, Xu Jing Xie, Xu Xue Ning, and even Bai Chen were speechless!

The facial expressions of Xu Sin Xiao and Xu Jing Xie could not help but grow wry.

‘Wasn’t it you who said that you’d like Xue Ning’s boyfriend to come here and be evaluated? And you also said that if he wasn’t suitable, Xue Ning would be sent on a matchmaking date with Wang Cheng Yong, whom you had chosen for her instead!’

The couple thought this and shook their heads tiredly.

Chapter 219 Surprise

An hour had passed since Xu San Zhien met Bai Chen, knelt down, and apologised to Bai Chen with what Xu Sien Yi, his father, told him to say.

At the moment, Xu San Zhien was in the first living room. He was sitting on a high-quality fur sofa that was not much different from the third living room.

The sixty-five-year-old man’s face was full of happiness. It was quite different from the pale face full of fear from before.

The reason why he’d changed so much was Bai Chen was the boyfriend of Xu Xue Ning, his eldest granddaughter.

Thinking that Bai Chen was a legendary realm cultivator, how could he not be happy? One of the legends in the cultivator world was his granddaughter’s boyfriend!

How would one feel to have a legendary realm cultivator, who was almighty and glorious, as one’s granddaughter’s boyfriend?

It would be odd to not be happy.

“Father, what is this about?” Xu Sin Xiao asked.

Of course, Xu San Zhien was not in the first living room alone. Xu Sin Xiao was there too.

There were also Xu Jing Xie and Xu Sin Song. Xu Sin Song was Xu Sin Xiao’s younger brother, the second son of Xu San Zhien.

The reason why Xu Sin Song was here was that he was one of the high-ranking members of the Xu family. He would have to be present when something important happened, like this matter about Xu Xue Ning’s boyfriend.

Of course, there were other high-ranking members too, not only Xu Sing Song. However, he was the only one who had been called to come here.

The other ones had not been called. Thus, it was only normal for them to be absent now.

“That’s right, father. What is this about? Please explain.”

Xu Jing Xie looked at her father-in-law and asked this out of curiosity. She wanted to know more about Bai Chen, her eldest daughter’s boyfriend.

For the past hour, she had been dining with him. Her father-in-law had been very polite and respectful to him.

Even though she and Xu Sin Xiao had been asking him about it since they were in the third living room, Xu San Zhien had not said a word about it. He just said that he would tell them later.

She and her husband had also asked Xu Xue Ning about Bai Chen’s identity; the only answer they had gotten was her head shaking. It was obvious that their daughter did not want to talk about it.

That was why Xu Jing Xie and Xu San Xiao had come to Xu San Zhien in the first living room to ask. It was at the same time that Xu San Zhien had called Xu Sin Song there.

“What is the fuss, big brother, sister-in-law, father?” Xu Sin Song asked out of pure curiosity because he did not know anything. He sat beside Xu Sin Xiao and Xu Jing Xie.

Xu San Zhien looked at all three of them. There was a smile at the corners of his mouth. “Sin Xiao and Jing Xie, you must be thinking that I’d gone mad to have done what I did an hour ago, right?”

“Yes.” Xu Sin Xiao nodded. How could he not think that after seeing his father kneel down before the younger man who was Xu Xue Ning’s boyfriend?

“Then I’ll explain it to you. Xu Xue Ning’s boyfriend isn’t a normal person. He’s a cultivator!” Xu San Zhien said. His voice was full of excitement and respect.

“What?!?” Xu Sin Xiao and Xu Jing Xie’s eyes widened with bewilderment.

“A...A cultivator?” Xu Sin Xiao spoke with a trembling voice.

Xu Sin Song was the same. He had already seen Bai Chen, Xu Xue Ning’s boyfriend before this. He was also one of the people who had dined at the same table as Bai Chen in the past hour.

It was obvious that they all knew about cultivators, though not much.

They knew that cultivators were many times stronger than normal people. If they reached a certain level, they could ride on their swords and fly up into the sky. They could even kill a man as easily as killing an ant!

If they were at a higher level, they could walk barefooted in thin air and crush a mountain with their palms!

Knowing this, how could they not be amazed that Bai Chen was also a cultivator?!?

“I told you that Xue Er’s boyfriend is a cultivator!” Xu San Zhien repeated. “And he’s not just normal one. He is one of the legends. He’s even stronger than your grandfather!”

“.....”

Hearing what Xu San Zhien said, Xu Sin Xiao, Xu Jing Xie, and Xu Sin Song were rendered speechless. Their facial expressions changed. They trembled hard as if they had been shaken by a giant's hand.

‘One of the legends’. These words affected them greatly. They were the Xu family's high-ranking members—they all knew full well how strong their grandfather, Xu Sien Yi, who was a sky-soaring realm cultivator, was. He could walk on thin air barefooted.

They also knew that in the cultivator world, there were only three people in China who were stronger than their grandfather was right now.

‘Legendary’ was what people called them!

“F...Father, is this true?!?”

A moment later, Xu Sin Xiao gulped down his saliva. He stared at his father and asked this with a trembling voice. He was not sure if it was because of excitement or shock.

Xu Jing Xie and Xu Sin Song were waiting anxiously for the answer as well. Their hearts beat so strongly, they were practically arrhythmic.

Xu San Zhien was not surprised at their reactions because it was just like how he had felt previously.

“Of course, it's true. I'll tell you what happened to your grandfather...” he said with a serious tone.

Then, he started to tell them what had happened to the old man Xu Sien Yi.

After he was done, they were all shocked with their eyes and mouths wide open. Their hearts pounded. Their bodies shivered unstoppably. Their breathing sped up.

“H...How is grandfather now?”

Xu Jing Xie, who was the first to gather all her senses, asked about the condition of the old man Xu Sien Yi with concern.

Hearing her, Xu Sin Xiao and Xu Sin Song started to calm down and listen attentively.

“He's fine. He is just still unconscious.” Xu San Zhien said.

Half an hour before this, he had gone to see Xu Sien Yi and had already had the family's doctor take care of him

“Remember, treat elder Bai Chen well. Don't you dare anger him. Go inform everyone!” Xu San Zhien said with an utterly serious tone.

“Yes!” all three of them replied.

At the moment, their opinions about Bai Chen had changed. They now respected him a great deal!

Chapter 220 The Authorities Strike

Inside a pitch-black room, with the only source of light being a lamp in the middle of it, five people were sitting in a circle as if they were discussing something.

They were none other than the five people with the highest authority in the Jing Cha Secret Organisation: master Yien, the old man Jiang Fan, Yan Guan, Ding Sheng, and Lu Yi.

Their facial expressions were different from before. They were now intense and serious. Five pairs of eyes stared at each other.

“Does anyone know what happened to Zhao Suan and Zhuang Mo?”

Master Yien broke the silence.

They already knew that Zhao Suan and Zhuang Mo had been murdered in Xing Zhou city.

Due to this, the meeting of the five organisation authorities was being held again.

“I don’t know what happened to those two, but I do know that they’ve been murdered!” Yan Guan said with a cold tone.

To have their people killed was as if they had been slapped in the face.

Yan Guan was furious with the man who’d killed Zhao Suan and Zhuang Mo!

“Maybe the killer was a cultivator!” the old man Jiang Fan said after sitting there thinking.

His words were effective. The rest of them suddenly changed their facial expressions.

“That’s highly possible,” Ding Sheng said in a rather soft tone.

“He must be a cultivator like what elder Jiang Fan said!” Lu Yi was the last to say anything. His face was deadly serious.

“Just think about it. If he wasn’t a cultivator, how could he have killed two formation realm cultivators like Zhao Suan and Zhuang Mo?”

Hearing Lu Yi, the youngest one in the room, say that everyone went quiet.

What he said was like a confirmation that the man who’d killed Zhao Suan and Zhuang Mo was actually a cultivator!

“No doubt about it. The man who killed Zhao Suan and Zhuang Mo was a cultivator for sure. Otherwise, he wouldn’t have been able to kill both of them who were formation realm cultivators!”

Master Yien said this while sweeping his eyes around the room. His wrinkled face was deadly serious.

“It is even possible that he may be an earth solid realm cultivator!”

“An earth solid realm cultivator!” the rest of them shouted after hearing what master Yien said.

If the man who’d killed Zhao Suan and Zhuang Mo was actually an earth solid realm cultivator, would that not mean he was as strong as all four of them here?!?

“Is this...true, master Yien?” The old man Jiang Fan inhaled deeply. He stared at master Yien.

Master Yien turned to look at the old man Jiang Fan.

“I’m not certain about this. However, considering that Zhao Suan and Zhuang Mo did not die because of any weapon, only cultivators at the earth solid realm and higher could have killed formation realm cultivators like them with their bare hands!”

After hearing this, everyone in the room went quiet for several minutes.

“It seems the Xi family got involved with the wrong man. I did not think that there would be an earth solid realm cultivator hiding in Xing Zhou city too.” The middle-aged Ding Sheng finally broke the silence.

“Just let it go. We have to think about our next move.” Yan Guan looked at everyone.

Lu Yi raised his brows high. “Like what Yan Guan said, we should think about what we should do. If we send another unit out, I’m afraid the result will turn out the same...”

Lu Yi stopped for a moment and continued, “Unless one of us is dispatched!”

“One isn’t enough. It has to be at least two of us,” Master Yien said immediately after Lu Yu finished speaking.

He thought that if that man was really an earth solid realm cultivator, two earth solid cultivators should be sent. Or he had to go by himself.

The reason why he thought that they had to send two earth solid cultivators was because they did not know how strong the target was.

If the target was stronger than the one they sent, would that not mean the person who had been dispatched had been sent to die in vain?

That was why they had to put two earth solid realm cultivators on the job.

“Two?” The rest of them tried to follow master Yien.

With their intelligence, they could follow master Yien’s line of thinking within seconds.

“Who among the four of us should go then?” The old man Jiang Fan looked at Ding Sheng, Yan Guan, and Lu Yi.

“I volunteer. I don’t care who’s going to go with me!” Ding Sheng suddenly laughed. His face was serious, but still full of excitement.

“I haven’t been in a battle with anyone for a long time. This is a good opportunity to fight with a strong earth solid realm cultivator. Maybe I’ll find a different way to improve my power.”

Yan Guan flashed a look at Ding Sheng and nodded. “Not a bad idea. If that’s the case, I’ll go with you.”

The old man Jiang Fan and Lu Yi looked at each other for a while and nodded. They did not object.

Master Yien thought the same. “Be careful. Don’t underestimate him at all!”

“Don’t worry, master Yien. We won’t.”

Ding Sheng and Yan Guan made a pledge and put their hands together to show their respect to master Yien.

They knew that master Yien said this because he was worried about their safety.

The target was an earth solid realm cultivator whose strength was unknown.

Even though it was two of them, nothing could guarantee that they would come back safely.

Therefore, it was only normal for master Yien to tell them not to underestimate the target.

“Well then, when do you want to go?” Lu Yi asked. He looked back and forth between Ding Sheng and Yan Guan.

“Today, of course. We won’t let those who dare to challenge the Jing Cha Secret Organisation live for long!” Ding Sheng was determined.

“Like what Ding Sheng said. We’ll go to Xing Zhou city today after this meeting,” Yan Guan said.

Master Yien, the old man Jiang Fan, and Lu Yi nodded in agreement and wished Yan Guan and Ding Sheng a safe trip.

Half an hour later, the meeting ended. Yan Guan and Ding Sheng quickly traveled to Xing Zhou city right away.
