

Life Changing 551

Chapter 551 Pressure?

Hearing Bai Chen's challenging words, Lua Jin Ming tightened his grip on his flaming sword before shouting out loud. His feet started to move. He lunged towards Bai Chen. "Die!"

The flaming swords in each of his hands were swung a great many times. Sharp flaming blades leapt towards Bai Chen, hoping to cut him to pieces.

Bai Chen was not scared of those blades. He raised his hand up and crushed them one by one. Then, he moved his body and leapt towards Lua Jin Ming.

"Let's see who's going to die!" He spoke coldly while slamming his hand forward and creating a gigantic silver shadow of a palm.

The shadow was utterly terrifying since it was packed with Bai Chen's full power. The air around it grew distorted and trembled.

Lua Jin Ming's facial expression immediately changed when he had to encounter the giant silver hand. He looked at it leaping towards him.

His heart was squeezed. He could feel the grave danger from Bai Chen's attack this time. However, he did not plan to run. The flaming swords in his hands were enlarged, becoming enormous.

Without hesitation, Lua Jin Ming swung his swords out. Immediately, flames leapt out of them.

Within less than 5 seconds, what they used to attack violently collided with each other. The vibrations spread throughout the whole sky. The sky was distorted. The ground trembled violently.

Both of their weapons pushed against each other in the air. The silver and the red light shone in a blinding manner.

Lua Jin Ming took this chance to vanish completely.

Bai Chen did not care much about that. He believed that he would appear again for sure to strike him a sneak attack.

He was right. Lua Jin Ming suddenly appeared again among all those blinding lights. He was behind Bai Chen with his flaming swords.

As soon as he appeared, he smirked maliciously. He did not waste his time speaking. He slashed his swords, aiming at Bai Chen!

Slash!

Bai Chen's body was cut into 3 parts. His flesh and blood splattered everywhere. All the parts were immediately burnt by the red flames. In the blink of an eye, he became ashes that scattered in the wind!

The huge shadow of the palm that was pushing against the flaming blades started to break and finally exploded.

“Very weak!” Lua Jin Ming was satisfied with the result. Even though it was a hard fight, it was still easy for him. He flicked his hand once to let go of the huge flaming blades.

“With this, there are only 4 Life Changing System owners left that I have to get rid of!” Lua Jin Ming muttered. He thought that the rest of them would not be hard for him either, just like Bai Chen.

“I lost a lot of my spirit qi in this fight. I better find a good place to recover, and I’ll start again from there.” Lua Jin Ming decided to find a place to rest after the fight with Bai Chen.

He was ready to leave that place when a voice of a man rang in his ears.

“Where are you going?!?” It was none other than Bai Chen!

It was obvious that he was not dead. What Lua Jin Ming had just killed was not him, but a lifelike illusion that he’d created!

It was so real that Lua Jin Ming could not see through the trick!

“Impossible!” Lua Jin Ming shouted in alarm.

While he was at it, a hand slammed at him. It was intended to take his life!

Lua Jin Ming could sense the grave danger that could easily take his life. He dodged without hesitation. His dodging speed was supreme, but his right arm was still cut off. Fresh blood dripped onto the ground. The arm dropped in front of Bai Chen.

“Aghh!” A pain-filled cry sounded from Lua Jin Ming.

He used his left hand to cover the wound on his right shoulder. Crimson blood gushed out all over the place.

Bai Chen did not stand still. He immediately leapt towards Lua Jin Ming to kill him!

Lua Jin Ming did not expect Bai Chen to do that right after taking his arm. His anger clouded his heart.

However, he knew that he was not an opponent to Bai Chen anymore. The other party was clearly stronger than him—even though not that much, it still counted.

“Damn!” Lua Jin Ming exclaimed loudly while trying to flee with his full speed. He tried to run away from Bai Chen.

“Where are you going?” Bai Chen, of course, would not let him go. He followed Lua Jin Ming at an equal speed.

The closer Bai Chen was to him, the more tense Lua Jin Ming’s heart was. He could sense the disaster that befell him. He could only run.

“I’ll survive, no matter what. I’ll be the winner of this war!” Lua Jin Ming growled loudly. He used the last of his speed without thinking about himself. The red will on his feet made him faster.

“Bai Chen, don’t pressure me too much!” Lua Jin Ming shouted with rage while running.

Honestly, he did not want to believe this, but he had to.

“Pressure?” Bai Chen could not help but laugh. He had not intended to do that. He’d only fought fair and square, and the result was that he was stronger than Lua Jin Ming.

If the result had been the opposite, Lua Jin Ming would have done the same thing as him since there would be only 1 winner for the war of the system owners. The rest of them had to die. It was inevitable!

“You forced me yourself!” Suddenly, Lua Jin Ming stopped. He turned to Bai Chen and raised his hand. His blood splattered out.

“The great Flaming Blood spear, I summon you!” Lua Jin Ming’s voice was so loud, it shook the whole sky!

Chapter 552 Flaming Blood Spear

“The great Flaming Blood spear, I summon you!”

As soon as his cry was released, it echoed everywhere in every direction. His blood that had been splattered out just now was sucked into the air.

Suddenly, a spirit qi so powerful that it shook the whole sky could be felt. The emptiness was distorted. A red light leapt out of Lua Jin Ming’s dimension ring on his finger. The scorching flames appeared right after the red light vanished.

The flame was terrifying. It smelled like blood!

Lua Jin Ming’s face showed the utmost level of pain. His skin started to grow pale. He eventually turned into a sheet of paper like a corpse.

What made him like this were the red flames in front of him. It sucked out all of his blood and spirit qi.

Lua Jin Ming’s body slowly dropped to the ground. His consciousness faded away. He had lost too much blood and spirit qi that he could not keep himself conscious.

Before his body hit the ground, the flames sent out their aura to support him so that he landed safely on the ground.

Bai Chen had been still for a while now since Lua Jin Ming had screamed. His eyebrows furrowed tightly. He felt a grave danger in front of him.

“This aura...it’s a supreme weapon!” He muttered. His face tensed.

“I didn’t think you’d be able to pressure him this much that he had to call me out.” The voice shook the sky. The red flames broke apart and then appeared the blood-red spear.

It was surrounded by its red spirit qi, which looked like flames and blood. It was obvious that this was a supreme weapon!

‘The Flaming Blood spear!’

The Flaming Blood spear was not an ordinary supreme weapon. To use it, the owner needed to sacrifice his blood and spirit qi for it, otherwise it would not be activated.

This was actually a cruel condition since it needed a huge amount of blood and spirit qi. Sometimes it was enough to kill the user himself!

This was the reason why Lua Jin Ming did not want to use it and had chosen to run away.

“You’re the Flaming Blood spear, the supreme weapon?” Bai Chen’s face turned calm. He showed no fear towards the spear.

He found some information about the Flaming Blood spear in his future memories, and the information actually helped him a great deal. It was true that the spear was terrifying and strong, but it was weak against a certain supreme weapon.

The said supreme weapon was in Bai Chen’s possession. It was obvious that it was the oceanquake spear!

It had not been awakened yet, but it was still possible to destroy the Flaming Blood spear with it. The chance was six out of ten.

“Kid, you’re tough. You don’t show fear even in front of me, the Flaming Blood spear. This proves that you’re stronger than Lua Jin Ming.” The Flaming Blood spear spoke again with its calm voice as if it did not care at all about anything in this world.

It looked at Bai Chen. The tip of its blade shone in the sunlight.

“However, I’ll have to kill you no matter what because you’re Lua Jin Ming’s enemy. Don’t blame me!” The voice got colder. A part of its spirit qi gushed out and crushed the air to dust. It was truly terrifying.

“You’re going to kill me? Let’s see if you have what it takes!” Bai Chen said coldly. His voice was even colder than the spear’s.

“Arrogant!” The Flaming Blood spear spoke through its teeth. It did not expect Bai Chen to dare to talk like that to it. It started to show its killing aura.

It did not even care and Bai Chen was out of its league at first. It only thought it would kill him to finish this for good. However, with Bai Chen’s words just now, it changed its mind. He did not want

Bai Chen to die very easily anymore. It wanted Bai Chen to be severely tortured before it killed him!

“The arrogant one is you” Bai Chen growled loudly. He flicked his right hand and the oceanquake spear appeared in it. The spear shone blue and emitted its aura that shook the whole sky.

As soon as the spear appeared into Bai Chen’s hand, the Flaming Blood spear trembled violently. Its heart started to feel panic.

“O...oceanquake spear!” His voice was uncontrollably shaky.

Honestly, it feared the oceanquake spear. It did not expect to be facing the only supreme weapon that it was weak against today.

“Damn! How is the oceanquake spear in this man’s hand?!?” The Flaming Blood spear shouted, hoping to hear the answer from the oceanquake spear. However, the oceanquake spear had not been awakened just yet, so there was only silence.

“Huh? This isn’t right. It seems like the spear hasn’t been awakened!” The Flaming Blood spear was suddenly overjoyed. That meant it did not have to worry anymore.

It would also destroy the oceanquake spear along with Bai Chen.

Suddenly, the Flaming Blood spear laughed out loud and landed a blow without any sort of warning. Its red spirit qi shook the whole sky. The air was distorted and fluctuated. The spear was engulfed in raging flames.

Immediately, the spear leapt towards Bai Chen. It went all-out, hoping to kill both Bai Chen and the oceanquake spear in a single blow.

Bai Chen did not seem to fret. He filled all of his power into the oceanquake spear. When his silver will combined with the spear’s spirit qi, the sky shook. The air around them broke apart.

“Go!” Bai Chen growled and quickly threw the spear out.

Seeing that, the Flaming Blood spear was not afraid. It still laughed with satisfaction. Even though it knew that the oceanquake spear was leaping at it with full power, it did not feel anything.

This was because it was quite confident that it would win!

Chapter 553 Vanish And Die!

Boom!

The sound of an explosion was very loud. The air broke apart terrifyingly. The wind was madly in rage that it destroyed everything in range.

It was as if the sky was crumbling. The dimension was ripped apart and became a scary black rift.

It was all because of the collision between the oceanquake and the Flaming Blood spear. Their powers were at their peak.

Bai Chen, who was now far away from the explosion source, stared at the scene in front of him intensely. His heart pounded very fast. He wanted to know the result.

If the Flaming Blood spear won, he would have to use the eternal truth of time to stop time and flee. He knew that he was not strong enough to fight a supreme weapon.

The smoke faded, revealing debris and what was left after that.

“Aghhhh!”

Suddenly, a pain-filled cry sounded. It was from the broken Flaming Blood spear!

What was in front of it was the oceanquake spear with only some scratches on it.

It was obvious that the oceanquake spear won!

“I...Impossible!” After the pain-filled cry, the Flaming Blood screamed with disbelief.

How could it accept this when it had been so sure that it was going to win, yet the outcome had turned out to be the opposite?

“How did I lose?!?”

The Flaming Blood spear had gone mad. Then, it started to crumble.

“Aghhh!”

The pain-filled cry sounded again. The Flaming Blood spear slowly shattered and vanished.

Bai Chen sighed when he saw that. Without the spear, Lua Jin Ming was not hard to kill anymore. He spread his psychic power out.

Shortly after that, he found Lua Jin Ming. It was alarming for him because Lua Jin Ming was not alive anymore. His body was full of cuts. Blood was all around him.

His eyes were opened wide and were devoid of any spark of life. Lua Jin Ming died because of the impact of the collision between the spears!

“What a pitiful death,” Bai Chen muttered. He pointed at the body and suddenly, the body exploded into ashes.

Bai Chen decided to destroy Lua Jin Ming’s corpse because he wanted to do him a favour. He did not want beasts to feast on him later.

“Now that Lua Jin Ming is dead, the strongest one now is Ye Woo Dong.” Bai Chen looked to the north. It was where Xuan Zhou territory was.

It was obvious that Ye Woo Dong was not in Ping Zhou, but Xuan Zhou territory.

There was a sunyata realm cultivator in Xuan Zhou territory. Maybe there was even a half-master one there!

Bai Chen looked there for a while before turning his sight to the south. It was where Sien Xiao, the owner of Fabian, the fourth Life Changing System, was. Comparing to Lua Jin Ming and Ye Woo Dong, Sien Xiao was an easy target.

“Next is Sien Xiao. Once I can get rid of him, I’ll go to Xuan Zhou!” Bai Chen’s voice was strongly determined. “However, before that, I have to recover my spirit qi.”

Bai Chen flicked his hand and called the oceanquake spear back into his dimension ring. Then, he left the place to find a proper location to recover this spirit qi.

To be honest, there was only a little spirit qi left in him since he put all of it into the oceanquake spear. With that, he was able to destroy the Flaming Blood spear and won the fight.

A short while after Bai Chen left, a man arrived. He was a middle-aged man with a pale face dressed in a God’s Gate denomination’s uniform. Judging from his aura, he was a primary divine cultivator!

“It was definitely the fight between supreme weapons that caused this much destruction!” The man spoke with a scared voice. His name was Men Chi, and he was the sixth elder of the God’s Gate denomination.

The sixth elder was, of course, not ordinary. He had come to Hua San forest for a reason. He wanted to meet the man who killed his men.

It was obvious that Men Chi knew that Bai Chen had killed Men Un Duan and his men. Actually, Men Chi had not had to come here by himself. He’d only needed to send some other elders here instead of him.

He was here only because he was bored.

Men Chi looked at the debris and breathed in deeply. Then, he left that place. He did not care much about what he’d just sensed. He only wanted to kill Bai Chen.

He had been following Bai Chen.

Men Chi was a master of prophecy. That was why he knew that Bai Chen was the target and that he’d killed Men Un Duan and his men.

“I see it’s that way.” Men Chi followed Bai Chen’s direction. It was obvious how accurate his prophecy was.

“Let’s see how he’d survive this.” Men Chi laughed coldly. Then, he put his divine qi into his feet and sped up to catch up to Bai Chen.

Once he caught up, of course, he would not kill him that easily. He would torture Bai Chen first and kill later!

Bai Chen was already at a cave. He immediately started his meditation. He began to absorb celestial qi and recover.

Bai Chen could not help but smile when he felt the power in him. However, he did not realise that he was being followed by Men Chi!

Chapter 554 The Visit Of A Divine Realm Cultivator

It was already night when Bai Chen's power was fully restored. He was complete again.

While he was in the cave, Bai Chen called the Life Changing System window up to see the details of the next sub-mission. The most recent sub-mission was when he'd had to kill the lightning horse. It had already been a year.

However, because he was in his practice lockdown, it was only normal that he did not have to time to do any more.

Seeing that, Bai Chen's eyes flickered and widened. He did not expect the sub-mission to require him to kill a primary divine cultivator!

“Kill a primary divine cultivator?” Bai Chen muttered with confusion. He shook his head. “This one’s tough!”

It was only normal for him to think so since it was difficult for him. Fighting a divine realm cultivator was too much.

“Wait a minute, if I use the oceanquake spear and the eternal truth of time...it wouldn’t be so hard!” Bai Chen started to relax.

He would not be able to fight a divine realm cultivator. However, if he used a supreme weapon with the eternal truth of time, he should be able to even kill one!

With that, he was immediately relieved. He did not see the point in thinking too much anymore.

He closed the system window and stood up. He walked out of the cave.

The night breeze was freezing. However, it was nothing to a secondary legendary cultivator like Bai Chen. He walked out of the cave and breathed in the fresh air.

Along with the breeze, the cries of the beasts could also be heard from time to time.

It was as expected of the Hua San forest.

“I should find a beast for food tonight,” Bai Chen muttered to himself.

He wanted to hunt a beast for food tonight. He had been back here for a year now, but never had a chance to taste any beast. It was only normal that he wanted it now.

However, Bai Chen had to drop that idea when he sensed a strong aura coming towards him.

“A divine realm cultivator!”

With his strong sense, he could tell the man’s level from faraway. He did not expect the man to be a divine realm cultivator, even though he was only a primary one.

“A man from the God’s Gate denomination?”

Once that man came into his sight, Bai Chen could see him clearly. The man was wearing a distinguished uniform. Bai Chen’s face tensed up.

“He’s a primary divine cultivator. That means he’s probably one of the elders,” Bai Chen said to himself.

His future memories told him that the elders of the denomination were all divine ones.

‘He’s coming here. This is not going to be good,’ Bai Chen thought. It was at the same time that Men Chi arrived.

Men Chi landed on the ground, only about 10 steps away from Bai Chen.

“You little bastard, you wasted my time searching for you.” Men Chi looked at Bai Chen and spoke with dissatisfaction. He had been spending hours searching for him.

Actually, he was quite close to Bai Chen. However, when Bai Chen locked himself up in the cave, Men Chi was unable to track him.

This was because Bai Chen had used the concealing technique. Anyone below the salvation realm would not be able to see through it.

“What business do you have with me?” Bai Chen frowned. Even though he knew that the man was here for a bad reason, he did not know why the other party had been searching for him. That was why he asked.

“What business could there be? You have the nerve to ask that. You killed my men—that’s the business!” Men Chi said coldly. The area was covered with his divine qi to prevent Bai Chen from escaping.

“I see.” Bai Chen understood. He knew now that the man knew that he was the one who’d killed those men.

“I admire you for not showing any fear in front of me, Men Chi.” Men Chi was slightly amazed. He did not expect that Bai Chen would not be at all scared of him.

“Why do I have to be scared when facing you?” Bai Chen said calmly.

“How dare you to say that to me? What have you eaten to give you this foolhardy confidence?!?”

Then, a divine qi gushed out of Men Chi.

As soon as it did, the air around him was violently distorted. Bai Chen could feel the pressure.

His facial expression changed slightly. He did not feel much because the pressure was not that bad.

Maybe it was because Men Chi thought that Bai Chen was very weak, so he had only drawn out one-tenth of his power. He thought that this would be enough to pin Bai Chen in place and make Bai Chen scared.

Chapter 555 Not Wanting To Waste Time

Bai Chen faced the pressure for a short while before he decided to use the eternal truth of time.

The second that Bai Chen was about to use the eternal truth of time, Men Chi could sense a danger that was enough to threaten his life. His facial expression changed. He immediately blasted all of his divine qi out.

The divine qi was like a raging storm. It leapt to the sky and spread out. It, then, became a strong barrier that embraced Men Chi.

Even so, Men Chi could not stop the eternal truth of time. Time was now stopped.

He looked at the strong barrier around Men Chi. The reason why he used the eternal truth of time was because he did not want to waste time.

He did not want to waste his time with Men Chi. There were a great many things he needed to do. He had to improve himself and win the war of the system owners.

He looked at Men Chi for a short while before he flicked his hand. The oceanquake spear appeared in his hand. Even though the spear had not been fully awakened yet, killing a divine realm cultivator was an easy task.

Also, he was only a primary divine cultivator!

“Rest in peace,” he said with his cold voice. Then, he started killing him.

The oceanquake spear glowed blue. A huge shadow of the spear leapt at Men Chi’s barrier. It was as if the strong barrier had become glass since it was crushed to pieces and was blown into the air.

Then, the shadow of the spear dashed into Men Chi and pounded him. He did not even realise that he was already dead!

Bai Chen released the eternal truth of time right after he killed Men Chi. It was unexpected that the sixth elder of the God’s Gate denomination was to die here.

Once he was done with Men Chi, Bai Chen left the place very quickly. He wanted to hunt a beast and eat happily.

.....

Inside a place surrounded by big mountains, it was as if the scenery was from a fairytale.

Even though it was nighttime, it was still very bright out. It was gorgeous.

It was definitely one of the most beautiful places. There was a jade square with a massive white and golden gate in the middle.

The gate was made from jade and had carved into it a strange, yet beautiful, pattern. It was as if it was not from this world.

An old man was sitting in front of the gate. He was meditating with his eyes closed. Suddenly, his eyes sprang open. They were full of surprise before they became angry.

“You dared to kill an elder from my denomination. How much arrogant can you be!” The old man muttered coldly. He stood up. Looking closely at him, it was apparent that he was wearing the uniform of the God’s Gate denomination!

It was obvious who he was. He was definitely from the denomination. He was actually the head of it!

The old man’s name was Men Teng Yao. He was the head of the God’s Gate denomination. He was a primary salvation cultivator!

Men Teng Yao flicked his hand. The scene before Men Chi was struck by the eternal truth of time appeared. What Men Chi saw was Bai Chen.

Right after he saw it, Men Teng Yao gritted his teeth in a furious way. The killing aura could be seen in his eyes.

“This animal is the killer of my sixth elder!” Men Teng Yao screamed before he called a man in.

He was a middle-aged man with white hair. He was the first elder, Men Ye Guang.

“My lord, you called for me?” Men Ye Guang greeted Men Teng Yao with respect. He bowed and put his hands together.

“Ye Guang, I command you to go fetch this man’s head for me!” Men Teng Yao spoke and pointed at Bai Chen.

Men Ye Guang looked at the image and frowned. “May I know what this little boy did to anger you, my lord?”

It was only normal for him to ask because Bai Chen was still very young.

Men Teng Yao spoke coldly through his teeth. “Don’t be fooled by his appearance. This man is at the very least a secondary divine cultivator since he could kill Men Chi, the primary one!”

“What? He killed Men Chi?!?” Men Ye Guang was alarmed. His facial expression changed immediately. He did not expect that Men Chi would be killed by Bai Chen. Bai Chen was only a kid to him.

“That’s correct. I think he has some kind of technique that helps him maintain his youth.” Men Teng Yao looked at Men Ye Guang. “Ye Guang, I hope you can finish the task. If this matter leaks out, our reputation will be ruined!”

“You need not worry about it. If he dared to kill Men Chi, of course, I wouldn’t hesitate to kill him.” Men Ye Guang calmed himself down. His face was full of anger.

“Excellent! I’m relieved to hear that.” Men Teng Yao patted Men Ye Guang’s shoulder.

Men Ye Guang was happy. He quickly bowed to the old man before vanishing. He went straight to Hua San forest where he would be dealing with Bai Chen as he had been instructed to!

Once Men Ye Guang was gone, Men Teng Yao’s face turned utterly cold. “You picked the wrong enemy!”

The ‘you’ he referred to was none other than Bai Chen!

The reason why Men Teng Yao could see the scene of the time before Men Chi was killed was because he had put part of his consciousness into Men Chi. It was not only him, but he’d also put it into every elder here in the denomination.

Thus, that he would know how each of them died. If anyone was murdered, of course, he would avenge him!

Due to this, there were only a few people who dared to pick a fight with the authorities in Ping Zhou territory. There were a great many salvation realm cultivators around!

Chapter 556 Temporary Truce

The next day was already here. It was a nice day with a blue sky and white clouds all over.

Inside Hua San forest where the cries of beasts were everywhere, Bai Chen was sitting beside an extinguished bonfire. Around it, there were a lot of beast bones.

Looking at it, it was obvious that only the bones weighed over 10 kilograms.

Bai Chen was sitting on a log with his happy face. Last night, after he'd killed Men Chi, he had hunted beasts for food.

While he was at it, a mission complete window popped up. He received 500 magical bonuses, which made it 4,700 in total. He only needed 300 more for the supreme randomisation chance!

He'd hunted for hours and ended up with a great many that were tasty-looking. He finally settled and lit a bonfire. He ate alone until morning.

This was why there were a great many bones here.

“The meat of a white deer, iron-fanged boar, raging bull, crimson bear, and diamond-eyed fish taste so good. I'm sure they'd taste better with seasonings.” Bai Chen smiled happily. He laid down and looked up at the clear sky.

He thought about going into practice lockdown again. He wanted to reach the tertiary legendary level before dealing with Sien Xiao.

Bai Chen thought that it would take him a year or two to do that. He would also complete his submissions while he was at that. Once he got 5,000 magical bonuses, he would finally be able to do a trade for a supreme item.

“Huh?” While he was thinking, he could sense the aura of a divine realm cultivator. He was leaping towards him very quickly.

“A secondary...no, tertiary cultivator!” With his strong sense, it was easy for Bai Chen to tell the stage of the man.

“He's definitely from the God's Gate denomination.” It was an easy thing for Bai Chen to determine.

Since he had gotten here, he had never picked a fight with anyone other than those from the God's Gate denomination. That was why he knew that this time was also the same.

“He's fast. However, I don't have time to play with you now!”

It was obvious that Bai Chen did not want to deal with anyone from the denomination right now. He wanted to call for a temporary truce.

It was not because he was scared, but because he wanted to do something more important like the practice lockdown and the sub-mission first. The others could come later.

Actually, Bai Chen could just kill this tertiary divine cultivator for the last time.

However, if he did, the denomination would not stand still. It would continue to send out its cultivators after him. That was why he thought that he would call for a truce... temporarily.

After his practice lockdown, if the denomination was still after him, he would definitely kill them all!

Bai Chen did not waste his time. He used his supreme technique to conceal himself and lunged away in another direction.

Shortly after Bai Chen left, Men Ye Guang arrived at that place. He frowned.

“Where is he? I could sense him just now.”

Men Ye Guang swept his sight around and spread his psychic power wide. He wanted to pinpoint Bai Chen.

However, Men Ye Guang could not detect Bai Chen at all. He only detected some beasts.

“Maybe he ran away. He must have used some concealing technique!” Men Ye Guang muttered coldly. His voice was also full of greed.

He wanted the special possessions that he thought Bai Chen had. He believed that it would all worth it.

“Let’s see how long you can hide from me!” Men Ye Guang dashed out. He would search until he found Bai Chen. He was quite sure that Bai Chen would not be able to run away from him.

In a faraway place, close to the deepest part of Hua San forest, Bai Chen was still leaping forward with an incredible speed. The beasts there could not catch up with him.

The reason why Bai Chen had chosen this place was not only because he wanted to avoid the fight with Men Ye Guang, but because he also wanted somewhere quiet and with thick celestial qi for his practice lockdown.

Shortly after that, Bai Chen found a medium-sized cave, which was owned by a tertiary legendary beast.

When he arrived, he did not waste his time. He spent less than half an hour killing the beast and taking its core.

He smiled with satisfaction. Then, he started with his meditation right away.

.....

At the place owned by the Ten Thousand Sabers clan, Bai Zi Sien had arrived.

Once she got there, she asked to see her teacher right away. Her teacher was the fifth elder of the clan, Shai Chao Hui. Her level was not an ordinary one. She was a primary divine cultivator who was almost at the secondary stage.

“Zi Sien, is this really true?” Shai Chao Hui was sitting in a room. She was a thin middle-aged woman with some white hair. Yet, she still looked younger than her age.

Bai Zi Sien had been bowing in front of her teacher. She quickly nodded. “It is all true. I ask the heavens to punish me to death if I’ve lied!”

Her voice was firm and full of honesty.

“I didn’t expect that the God’s Gate denomination would be so malicious!” Shai Chao Hui’s face turned cold. “Zi Sien, don’t you fret. I’ll discuss this with the lord. I won’t let you be bullied for nothing.”

“Thank you very much, teacher,” Bai Zi Sien quickly thanked her.

Shai Chao Hui nodded and asked with her tense face. “Does that man who helped you really know Lord Sui personally?”

Bai Zi Sien nodded. “I’m not as certain about this, but I think it’s true, judging from his strength and abilities.”

“Is that so? You may go rest now. We’ll take about this later.”

“Yes, teacher,” Bai Zi Sien said and left. Then, Shai Chao Hui started to think about something.

Chapter 557 More Strength

It had been 2 years since Bai Chen had gone into practice lockdown.

Bai Chen had gotten a lot stronger. Not only had he been able to reach the tertiary legendary level, but he had also stepped into the divine realm!

Correct. He was a divine realm cultivator now. Even though he was only at the primary stage, it was a huge leap.

There was no one in Ping Zhou territory who could reach this level within 2 years.

The divine celestial punishment almost caught him off guard, but he finally overcame it.

In the past 2 years, Bai Chen had not only been in practice lockdown, but he’d also completed more sub-missions until he had 5,000 magical bonuses. He had already traded them for the supreme randomisation chance.

He’d received a beautiful silver necklace. It was a supreme defensive item!

Of course, Bai Chen was satisfied, even though he was slightly regretful that the silver necklace, the “Silver Moon necklace”, had not been awakened yet.

If it had been, it would have been able to help him more since it would have been able to move and talk.

Bai Chen was looking at the Life Changing System window under a tree in the Hua San forest.

He looked at the window for a while before closing it down. He smiled a little. It was unexpected that the sub-mission would require him to kill a secondary divine cultivator.

It was definitely not a problem for him. Since he had become a primary divine cultivator several days ago, he had not tested his new power yet, to see how strong he was.

A sub-mission like this was what he wanted. It would also reward him as many as 700 bonuses. This might possibly be the grandest prize that he would ever get from a single mission!

Bai Chen stood up. Even though it had been 2 years, his face had not changed much. He was a more mature man aged 25.

He spread his psychic power out wide until it covered half of Hua San forest.

He mostly detected beasts, be they sky soaring, legendary, or divine ones.

Then, he detected cultivators. There were a great many of them in the forest. Some of them were fighting beasts, while some were in their practice lockdown.

“There you are.” Bai Chen released his psychic power once he found what he wanted. It was a secondary divine cultivator. He was from the God’s Gate denomination.

Bai Chen still remembered that before he had gone into practice lockdown, the denomination had sent a secondary divine cultivator after him. Now that he wanted to complete the sub-mission, there was no reason why he would not choose someone from that denomination!

Bai Chen used his psychic power to specifically detect that cultivator.

“Let’s see how strong I am now,” Bai Chen muttered before leaping to where he’d sensed the man.

His speed was incredible. He went an undoubtedly quick speed.

While he was en route, he thought of Men Ye Guang, the man he’d temporarily avoided. He had no idea if the man had still been looking for him for the past 2 years.

However, if Bai Chen met him again, he would not avoid him this time. He would kill him!

Killing Men Ye Guang was not difficult at all now, even though he was a tertiary divine cultivator, 2 stages above him.

It was all because he had the eternal truth of time and supreme weapons!

Bai Chen spent half an hour travelling to where the secondary divine cultivator was.

“Who’s there?” The old man in the God’s Gate denomination uniform asked. He emitted his secondary divine qi.

It was impossible for him not to realise Bai Chen’s arrival. This old man was Men Bu Chang, the third elder of the God’s Gate denomination.

He was looking for a primary divine beast. However, when he’d sensed someone coming, he ‘d topped the search.

Bai Chen stopped mid-air. He was quite far away from Men Bu Chang.

“I’m the man who’ll take your life!” Bai Chen spoke calmly. He did not want to waste his time. He would go and take care of Sien Xiao right away after finishing this job.

Once he dealt with Sien Xiao, there would only be 3 Life Changing System owners for him to get rid of. If he could do that, he would finally win the war!

“Take my life?” Men Bu Chang did not expect those words from Bai Chen. “You seem much too arrogant!”

His white and golden qi exploded out. His eyes showed the killing aura. He did not expect someone to dare to pick a fight with him. This was no different that seeking out death.

Picking a fight with him meant picking a fight with the whole denomination. Was that not asking for death?

Actually, this matter did not have to be made known to the denomination. He would be able to kill Bai Chen by himself. He knew Bai Chen's level since Bai Chen did not try to hide it.

Once he realised that Bai Chen was a primary divine cultivator, Men Bu Chang was quite confident that he would be able to kill him very easily!

Chapter 558 Die Easily

"If you think you can take my life, try me. I'll make it so you die and there is nothing left to bury!" Men Bu Chang flicked his hand, and his white and golden spirit qi exploded from his fingers and leapt towards Bai Chen.

Bai Chen did not move out of the way. He looked at them and pushed it away quite easily. Suddenly, a raging wind was created and crushed the spirit qi.

Seeing that, Men Bu Chang frowned. His face turned back to normal when he thought that it was not strange at all because he'd only used a small part of his power just now.

Men Bu Chang believed that Bai Chen would die from a single blow if he used all of his power.

"Don't be so conceited after destroying just a fraction of my qi. You still can't beat me!"

Men Bu Chang spoke coldly. His rich white and golden spirit qi was terrifying. The air couldn't withstand it and splintered.

"Die!" Men Bu Chang's growl was loud. After that, he flicked his hand again. His divine qi started to form the shape of a sacred-looking gate that emitted an earthly aura.

"God's Gate!" Men Bu Chang did not hesitate to throw the gate at Bai Chen. The noise of the breaking air sounded while the gate was ripping through the air.

Bai Chen narrowed his eyes. He did not plan to dodge it. He opened his arms, and his silver divine qi appeared. It formed a powerful spear.

"Go!" Bai Chen commanded. The spear lunged forward and hit the God's Gate.

Boom!

There was a huge explosion. The air around them was shattered and distorted. Black rifts and white smoke appeared everywhere.

Both the God's Gate and the spear had vanished.

"You're tougher than I thought!" Men Bu Chang said coldly through his teeth. He emitted more spirit qi out of his body, while leaping towards Bai Chen. He moved with his max speed. He appeared in front of Bai Chen in the blink of an eye.

Of course, Bai Chen could see that Men Bu Chang was leaping through the smoke. He knew that Men Bu Chang covered his right fist with his spirit qi. Then, he threw his fist aggressively and fast.

The atmosphere almost crumbled because of it.

Bai Chen was calm. He released all of his silver divine qi. He would go all-out this time.

His silver divine qi shook the whole sky. The distortion could be seen. Bai Chen did not hesitate to throw his own punch.

Boom!

Two fists collided. The explosion was violent and spread out very wide. A big black rift was formed!

“Aghhh!”

A pain-filled cry immediately followed. It was Men Bu Chang. His arm exploded into a bloody fog. His body bounced off.

There were no wounds on Bai Chen. He followed Men Bu Chang and threw a punch.

“No!” Men Bu Chang screamed in fear. At this moment, it was too late for him to run or defend himself.

Boom!

Men Bu Chang’s body exploded immediately into a bloody mist as a result of Bai Chen’s punch!

Before the bloody mist reached him, Bai Chen quickly retreated.

Ding!

[Mission Complete!]

Sub-mission: Kill a secondary divine cultivator (Success)

Reward: You have received 700 points and 700 magical bonuses

The mission-accomplishment window immediately popped up. Bai Chen closed it down. He nodded in satisfaction.

It was because Men Bu Chang had underestimated him and had not used all of his power; that was why Bai Chen had been able to kill him very easily with his full force.

Bai Chen felt like he could even fight a tertiary divine cultivator on equal footing now!

“Earth Smashing pavilion.” Bai Chen thought about going there. It was one of the four authorities in Ping Zhou territory.

He wanted to go there to kill Sien Xiao.

Yes...Sien Xiao, the owner of Fabian, the fourth Life Changing System, was there!

Bai Chen did not waste his time. He searched for Men Bu Chang's dimension ring with his psychic power.

Once he got it, he left Hua San forest. It was the same direction to the pavilion.

He saw in his future memories that Sien Xiao had been with the Earth Smashing pavilion since 2 months into the war. Even though Bai Chen had not figured his level out, he was sure that he would be able to kill him!

.....

“Damn this!” Meanwhile, Men Teng Yao, the head of the God's Gate denomination, screamed furiously.

How could he not do that when he'd learned about Men Bu Chang's death—and the killer was none other than Bai Chen?

“You animal. You killed another one of my men!”

Men Teng Yao was so furious, he could devour Bai Chen whole!

“Since you're this brave, I myself must repay you with death!”

After that, his body vanished. It was obvious that he wanted to deal with Bai Chen himself.

He did not believe for a second that Bai Chen would survive his attack. It would be a miracle if he did.

This was because all divine realm cultivators died when they faced salvation ones!

Actually, Men Teng Yao was amazed with Bai Chen's power and that he was able to cross-fight. However, it was still nothing to him. It was thanks to his consciousness being in Men Bu Chang that he knew all of this.

Chapter 559 Sien Xiao

Bai Chen spent many hours getting to the Earth Smashing pavilion area.

It was huge. There were a great many buildings. Most of them were big and luxurious pavilions. The biggest and the most beautiful one was established in the middle.

The pavilion was finely built. It was surely created by a great many professional artists.

Bai Chen stood on top of a big tree and looked at the town full of pavilions.

Of course, the town's name was 'Earth Smashing town'. It was the town ruled by the Earth Smashing pavilion. A lot of people wore the Earth Smashing pavilion uniform.

Some of them wore casual clothes. They were obviously tourists.

Bai Chen turned his gaze to the biggest pavilion in the centre.

“Sien Xiao, are you there?” Bai Chen muttered to himself before spreading his psychic power out to the pavilion.

However, the psychic power had to be halted since there was a strong force field around the pavilion. Bai Chen frowned, but for only a second.

“This force field can’t stop me!” Bai Chen used his supreme technique.

This technique was called a hidden psychic power technique. The user could hide his psychic power from anyone below the sunyata realm. It was nothing against sunyata realm cultivator, though.

Once he used that, the strong force field was suddenly harmless. Bai Chen’s psychic power went through it so easily. He only searched for one man, Sien Xiao, the owner of Fabian, the fourth Life Changing System.

Shortly after that, Bai Chen’s eyes flickered. He finally sensed Sien Xiao.

“There he is!” Bai Chen clenched his fists. He only thought about killing Sien Xiao.

Naturally, of course, not at the moment. He did not plan to invade the pavilion and kill him right now. There was no need to hurry.

Moreover, there were a great many salvation and divine realm cultivators in there.

“I can only wait for him to come out. Then, I’ll follow him,” Bai Chen thought.

Sien Xiao was a tertiary legendary cultivator. It was easy for a primary divine cultivator like Bai Chen to deal with him alone.

Maybe he did not even have to use the eternal truth of time at all if there were not any unexpected events or a salvation realm cultivator in the way.

Sien Xiao was a man aged around 30 to 40 years old. He was standing in front of the Earth Smashing pavilion. His face was quite calm, as if he did not care about anything in this world. He wore the uniform.

Moreover, he was also one of the elders. He was the seventh elder. Yes, he was the seventh elder of the Earth Smashing pavilion.

“Now that I have the pavilion to back me up, I’ll definitely win the war,” Sien Xiao muttered to himself confidently.

Due to this, if any system owner wanted to kill him, he had to destroy the Earth Smashing pavilion first, otherwise there was almost no chance to get to him.

The reason why he was so sure was because the pavilion would not let anyone kill its people. It would be a challenge to the pavilion—and the pavilion would not let it go.

“There are only 5 system owners whom I have to kill, thanks to all the killers,” Sien Xiao muttered. It was obvious that he had never killed anyone, and he did not wish to.

No, it was not like he did not want to. He was scared to do so. Sien Xiao, who possessed Fabian, the fourth Life Changing System, knew full well how scary the Life Changing System owners were when compared to the ordinary cultivators.

Life Changing System owners collected their bonuses from the missions and traded them for the randomisation chances.

With special techniques or items, they were scary and a lot stronger than ordinary cultivators.

However, that was only when they were at the same level. It was still hard to fight those at higher levels on equal footing.

“I only have to wait until I am the last man standing,” Sien Xiao decided and looked up. He smiled slightly. He waited to be the winner of the war.

“Will one of my wishes be granted?”

When he thought about this, his heart pounded. He had his wish in mind already.

“I’ll ask to be the strongest man on earth!” His wish was obvious.

Sien Xiao was rather scared of death. That was why he wanted to be the strongest person in the world.

If he could be the strongest person in the world, he thought that he would not have to be scared of death anymore. No one would be able to kill him. No one would dare to pick a fight with him.

“I can’t wait for the time I get to be the winner of this war!” Sien Xiao smiled.

Meanwhile, an elder walked towards him.

“Sien Xiao, let’s go,” the elder said. He was an old man with a square face. His eyes were deep. He was the fourth elder of the pavilion and a primary divine cultivator.

“All right.” Sien Xiao nodded. He was about to hunt a tertiary legendary beast to collect its core. He would use that to reach the divine realm.

However, he could not fight it alone because of the difference between power. That was why he’d asked for elder Gu Meng Tai’s help.

Chapter 560 Golden-Furred Monkey

Within about half an hour, Sien Xiao left with Gu Meng Tai. Both of them headed towards a forest full of beasts not so far from the Earth Smashing pavilion.

This forest was not as big as Hua San forest, but there resided a legendary king of beasts—and it was actually Sien Xiao and Gu Meng Tai’s target.

“Thank you, elder, for helping me,” Sien Xiao said while leaping across the sky.

Gu Meng Tai nodded carelessly. “Don’t sweat it. I’m not doing it for free. You’ve paid me for it. There’s no need to thank me.”

Sien Xiao nodded and did not say anything more. He sped up, hoping to reach the forest as fast as he could.

Even though Sien Xiao was so afraid of death, he did not think power would come to him without doing anything. Due to that, he had always been longing for more power and sometimes giving it his all and risking his life for it.

Once he was stronger, his fear of death would decrease. For him, his fear had actually gotten better after 7 years here in the celestial world.

“Be ready. We’re almost there,” Gu Meng Tai said with a calm, yet serious, voice.

However, that was only normal. Even though Gu Meng Tai was a divine realm cultivator, killing a tertiary legendary beast was not easy for him, especially when he did not know how close it was to the divine level.

If it had already put one foot into the divine realm, it would be very tough to kill.

“I’ve been ready for a long time,” Sien Xiao responded while looking ahead. He saw a vast forest.

There were a great many trees of different kinds. Sien Xiao’s face tensed. He spread out his psychic power to search for the legendary beast king.

He had heard from Gu Meng Tai that that it was a golden-furred monkey who possessed an incredible speed. It would not be easy to catch it. Killing it would not be easy, either.

However, Sien Xiao did not worry at all that he would not be able to catch up with the beast. He was quite certain that he would be able to do it!

That was because he possessed a supreme speed technique!

Yes... it was one of the supreme techniques of speed masters. It was not easy to get. He had had to collect as many as 5000 magical bonuses to make a trade for it.

Suddenly, Sien Xiao sensed a strong aura in the centre of the forest.

“That’s definitely the golden-furred monkey. Just wish it doesn’t step into the divine realm already,” Gu Meng Tai said before leading Sien Xiao into the forest. He also spread his psychic power out.

Seeing that, Sien Xiao immediately followed him.

In the blink of an eye, he caught up. Then, his body trembled madly because of the aggressive cry of a beast.

“You humans dare to trespass on my territory. How courageous!”

This growl was from none other than the golden-furred monkey, the legendary beast king!

The golden-furred monkey was as large as a small mountain. Thick, hard golden fur covered its body. Its eyes were blood-red. It emitted a violent aura.

It was standing in mid-air, only about 40 steps away from Sien Xiao and Gu Meng Tai.

As soon as the monkey appeared, beasts and cultivators around there quickly ran away. They were all clearly scared of the legendary beast king.

That was not everyone, however. Sien Xiao and Gu Meng Tai were still there. They stopped at more than 10 steps away from the beast.

“Golden-furred monkey, hand me your core or you’ll be tortured to death!”

Gu Meng Tai shouted this aloud. Even though he was tensed up now that he had to face the legendary beast king, he did not fear. He believed that he and Sien Xiao would be able to kill it.

“Such arrogance!” The golden-furred monkey was furious. “Do you think mere humans like you will be able to hurt me? Ridiculous. Let me tell you this. I’ve been here for many thousands of years, and this is the most hilarious thing that I’ve ever heard!”

The monkey growled loudly. Its voice was terrifying. The air around it was distorted, and the ground shook so madly as if there was a big natural disaster.

“Golden-furred monkey, you have quite a mouth on you. I, a divine realm cultivator, am here in front of you. Aren’t you scared of death?” Gu Meng Tai spoke coldly through his teeth. He did not fret at all.

“Yes, monkey. You should know who you’re dealing with. Elder Gu Meng Tai is a divine realm cultivator. You don’t stand a chance. Quickly surrender and hand me your core!” Sien Xiao also shouted.

The golden-furred monkey was angry, but it did not lunge for the men just yet. It was not because of fear—it just did not want to initiate a fight right now.

It had to anyway, otherwise its reputation as the king of the forest would be ruined.

It just did not want to underestimate these two men. It knew that they were strong cultivators.

Gu Meng Tai was a primary divine cultivator, and Sien Xiao was a tertiary legendary one. How could it not be cautious?
