

Life Changing 59

Chapter 59 Drinking Technique

After Li Lin left, Bai Chai let out a sigh of relief.

He was so glad she had not gotten mad at him. He had to raise his hand to touch his lips once before smiling. Bai Chen thought that even death could not make him forget this feeling.

The feeling of sharing a passionate kiss with Li Lin.

“It’s just seven-thirty. I can still make it to school,” Bai Chen murmured to himself before springing to his feet.

It was clear that he wanted to go to school since it was Monday.

“After school, I need to attend the party with Xu In and pretend to be her boyfriend.”

Bai Chen thought about this before changing and walking down to the first floor to get to school.

When he came down, he opened up the Life Changing System’s window.

Last night, he had completed a mission but had not had time to check on it. He had been too tired, so he had chosen to check on it in the morning instead.

[Life Changing System]

User: Bai Chen

Age: 18

Level: 2 (75/100)

Description: You still need 100 points to level up.

Instruction: If you wish to change your life to what you have always wanted, proceed with the following missions!

[Mission Dashboard]

Mission 13: Do what Long Xu In wants (20 points)

Mission 14: Accept Qian Bei’s invitation (5 points)

Further Instruction: The order of mission completion is irrelevant. After you are done with the tasks assigned to you, you will be given a chance to receive special skills or items at random. The skills or items will give you a better life!

[You have 1 opportunity to receive special skills or items at random.]

Bai Chen gleefully scanned the Life Changing System's window with his eyes.

Now, he had 75 points. He only needed 25 more to go to level 3.

Today's missions would give him the exact amount of missing points. He did not feel anything about having to complete mission 13, as it would be done tonight if he just went to the party and pretended to be Long Xu In's boyfriend.

What piqued his interest was mission 14. Bai Chen's brows furrowed because he was wondering where Qian Bei would invite him to. Why would the mission tell him to accept the invitation?

He pondered this for a while, but he could not answer that question. He had to shake his head to stop thinking about it.

He thought it was likely not a complicated mission because the reward was just 5 points anyway.

"Please give me a special item."

Bai Chen wished it out loud with a hopeful voice. It was obvious that he was ready to use his opportunity.

He used his roulette bonus without any hesitation.

A roulette wheel appeared. Bai Chen pressed the button and the roulette wheel started spinning. It was spinning very fast at first, then it slowed down and came to a halt. The tab it stopped at was...special skills!

Ding!

[Congratulations, you have received a low-grade drinking technique!]

Bai Chen blinked a few times. He was disappointed to have missed out on the special items.

Aside from the dimension ring and magic glasses, he had not received any other special items.

But his disappointment did not last too long. Bai Chen looked at the system's window before clicking on the details of the new technique with a small amount of excitement.

Since he knew that a technique received from the Life Changing System would definitely not be a regular one...

[Low-grade drinking technique]

Description: This low-grade drinking technique allows you to drink alcohol, whiskey, wine, and beer, without becoming intoxicated. To the owner of this technique, drinking alcoholic beverages is equivalent to drinking water. The inventor of this technique was an old drunkard. Because he fell asleep while creating it, it remains only a low-grade technique.

Grades of Special Skills: Low, Medium, High, Supreme

The moment he saw the information on the low-grade drinking technique, Bai Chen had already acquired it.

Bai Chen frowned a little. He had not thought he would receive a skill such as this, since he did not drink.

Still, Bai Chen figured it would be beneficial for him to have this technique, just in case someone challenged him to a drink-off.

Then, he clicked to see the information regarding Mission 14.

[Mission 14: Accept Qian Bei's invitation.]

Description: Today, Qian Bei will invite you to a place. You need to accept his invitation.

Reward for success: Win 5 points

Penalty for failure: None

Once he saw all the information about the mission, Bai Chen closed all the windows down.

It seemed that Mission 14 was really nothing complicated. Accepting Qian Bei's invitation was very easy.

"This mission is not too hard." Bai Chen smiled before saying goodbye to his parents. Then, he left the house, heading for his bike.

But before he was able to leave, a young boy with glasses gave him a thumbs-up.

"Qian Bei?" There was no way he could not recognize this guy. It was the bespectacled nerd Qian Bei.

Qian Bei smiled and walked towards him. "Big bro, you're so awesome. I had no idea you would dare to have Li Lin, our school's one and only lovely flower, spend the night at your home like this!"

"Don't be silly. What are you here this early for?"

Bai Chen changed the subject instantly. His heart was pounding. He did not expect Qian Bei to see Li Lin leaving his house.

"Hahaha, no worries, big bro. I won't tell anybody."

Qian Bei seemed to know what Bai Chen was thinking, so he said this with a smile. His eyes narrowed slightly when he looked at Bai Chen's face.
