mom. Yes, Xiaoye did it!

Fang Yue looked at Liu Cang with piercing eyes, two beams of brilliant light splashed, and suddenly Liu Cang's heart missed a beat...

"The black tiger digs his heart!"

"The monkey steals the peach!"

"Guanyin sitting on lotus!"

Fang Yue used all kinds of street gang fights, no matter whether he was useful or not, anyway, a cover against him can't hurt me!

Liu Cang was taken aback. What kind of damaging methods are all this, and he chooses the next three ways. Although the moves are clumsy, if it hits, then his happiness for the rest of his life will be worrying...

"Hahahaha...Is this the trick of your family? It seems that it is really powerful!"

Liu Wanguan laughed wildly, the suffocation in his heart was like a volcanic eruption.

Fang Yue didn't know how to attack, so it's no wonder that the tortoise was always hidden under the cover. Turning around, he saw the dawn of victory again.

"moron!"

"Shame!"

Fang Muqiu and Fang Lingxiao covered their faces with their hands one after another, unwilling to watch Fang Yue's fight. Fang Jia is famous and upright, when do you need to use such a trick to confront the enemy!

At this moment, the scene in the martial arts field suddenly changed!

Another sword light fell, and the golden bell above Fang Yue's head was finally overwhelmed and burst into pieces!

Liu Cang was overjoyed, lifted his sword and cut down.

The clouds cleared, and finally dawned.

A teardrop fell from the corner of Liu Cang's eyes, and the sun shone, reflecting the colorful rays of happiness!

The sword fell with a bang, and another heavier golden bell was condensed on top of Fang Yue's head, brilliant golden light, like a big sun.

"One won't work, come one more!"

Fang Yue's mouth muttered.

Liu Cang's heart stopped beating. Eyes opened wide, breath held: "How is this possible!"

With a bang, Fang Yue made a fist with his left hand, and the black tiger cut his heart!

A punch fell, hitting Liu Cang's chest.

Liu Cang flew ten meters horizontally like a kite with a broken line. He landed suddenly, bleeding from the corners of his mouth, turning his eyes white, and knowing his life or death.

"Stay, there will be output!"

"King Pesticide, I am a luxurious platinum!"

"Man! Man, what are you doing! Your future life is still very long, don't give up lightly!"

Liu Cang was defeated, foaming at the mouth, kicking his legs, his appearance was almost epileptic.

Upon seeing this, Fang Yue hurried to Liu Cang's side, yelling with sincerity, like the hero of Qiong Yao's drama.

Liu Wanguan turned black for a while!

Is this because they think that the people lost by their Liu family are not big enough?

Originally, Fang Yue and Liu Cang were gambling, and not many people cared about it, but as soon as Fang Yue's broken gong voice came out, it attracted the inexplicable concern of countless people eating melons.

on purpose!

This product is definitely intentional!

Liu Wanguan's face was dark, and he said coldly to the old man beside him: "Uncle Jiang, bring me Liu Cang, don't shame the Liu family under the public!"

Liu Wanguan's voice was extremely cold, and he didn't even look at Liu Cang who was fighting for the Liu family.

He completely forgot that Liu Cang went to the battle and just obeyed his orders!

"Here!"

Uncle Jiang's face was gloomy, and he strode forward to Fang Yue's side. He picked up Liu Cang's collar and was about to drag him away.

Drag it, don't move!

Drag twice, it's heavy!

Huh, what's the situation? Uncle Jiang lowered his head and looked at Liu Cang. The corner of his gaze swept away and he saw Fang Yue pulling Liu Cang's boots down! There was a red thread wrapped around Fang Yue's wrist, and a jade pendant hung on the red thread, crystal clear and blue as ice!

This is Liu Cang's personal accessory. The colored glaze jade pendant can calm your mind and reduce the number of heart demon attacks during practice.

There is also the boots under Liu Cang's feet, which are cool wind boots. They are also a rare treasure, which can increase the strength of the feet and will not have the slightest fatigue when traveling for thousands of miles.

"Get out!" Uncle Jiang roared, and pushed Fang Yue away as soon as he raised his hand!

Fang Yue took off his boots and rolled on the ground twice.

Then he lay on the ground and rolled, oops, yelling!

"You are shameless, and you did it to me after losing the game!"

Fang Yue moaned exaggeratedly while clutching his forehead.

At first glance, Fang Yue's current appearance is definitely extremely miserable, a standard victim.

"Liu Wanguan, what are you going to do? The juniors compete. If your Liu family loses, do you have to act on our Fang family disciples?"

Fang Muqiu stood up at this time with a cold tone. He looked at Liu Wanguan, furious.
