

Little Girl 111

Chapter 111: You 're Too Much

“We didn’t say anything, did we?” A boy whispered.”

The girl choked and pointed at Jiang Lingzhi.” But you guys have hurt her in an invisible way. And her too. So what if she’s rich? Don’t you feel ashamed?” The boys all spoke up.” The girl at the same table didn’t say anything overboard, did she? Wasn’t Qi Xia the one who started the competition?” Student Jiang was quite considerate of her and did not lower himself to her level. Why did she run up first?”

“That’s right. I’m baffled.”

Even now, the boy did not have the slightest intention of comforting her.

The girl didn’t have a way out, nor did she have the face to stay. She braced herself and shouted,“You guys, you guys are too much!”

With a loud thud, the wine glass made a dull sound on the table.

The girl’s voice stopped abruptly.

“Are you done arguing?”

Li Shunan leaned lazily against the back of the chair with his chin slightly raised. His white shirt outlined his handsome figure. His light brown eyes were calm and his lips curled into a faint smile.

“Is my place a place where you can behave atrociously?”

His voice had an unknown dangerous slowness to it, and he did not hide his conceited and arrogant emotions.

The moment he opened his mouth, the others did not dare to speak.

Only then did the girl realize whose territory she was in.

His face instantly turned pale.

Sun Yan had told them to behave themselves before they came.

If he really made his boss angry, he would do anything. He would not give anyone face.

How could he have forgotten about it just now?

“Did I give you face?” Li Shunan tilted his head and chuckled, his peach blossom eyes half-closed. “Who gave you the confidence?”

His voice was more magnetic than the teenager’s. The tone was pleasant, but at this moment, it was mixed with a hint of coldness.

The girl trembled as she spat out a few words, “S-Sorry, I...”

He hadn’t said a word just now, which gave them the illusion that the boy seemed very gentle.

So that gentleness was only given to a specific person.

In just an instant, the boy’s aura had completely changed. He was evil and dangerous, arrogant and unbridled.

I also want to pass a message to your classmate." Li Shunan looked up casually."In the future, don't appear in front of me and affect my mood, understand?"

His voice was low and slow, and his words were mixed with a serious warning that made people panic.

"I, I know. I'll definitely tell her when I get back!"The girl nodded, clearly frightened.

Li Shunan leaned back and returned to his sloppy young master appearance. He said lazily,""Get lost. You don't need me to treat you, right?"

The girl's body trembled as she fled the scene in a sorry state.

The boy was really too scary. He clearly did not do anything, but he felt an inexplicable sense of fear in his heart.

Even if she had ten guts, she would not dare to appear again.

The world was finally quiet.

Qi Liangji bit on a cigarette, still in a daze from this farce, muttering, ""Who the hell found this person? What a weirdo."

"If you can't afford it, why did you call me over?"

After saying that, Qi Liangji glanced at Sun Yan expressionlessly.

What an idiot.

Look at what he had done.

She even dared to introduce a partner to Brother Chennan.

He still wanted to snatch Brother Chennan's wife.

When Sister-in-law gets angry, she'll directly press you to be cremated.

Chapter 112: Looking For A Beat?

Although Sun Yan didn't know what the look in his eyes meant, he was obviously a little guilty."How did I know they would be like this? At most, I won't call for help again, okay?"

The other boys nodded in agreement."That's right. My deskmate sister has a very good personality. She wasn't angry when Qi Xia went overboard just now."

Anyone with eyes could tell that it was Qi Xia and the others who started the mocking.

In the end, he was slapped in the face and ran away because he couldn't keep his face?

In comparison.

Jiang Lingzhi really had a good family background, a good personality, beautiful looks, and was perfect in every way.

Actually, Qi Liangji also admired this girl. He felt that she had a good personality and a good family background. She was a good match for their Brother Nan.

After glancing at Brother Chennan, he warmly invited him,"Sister-in-law. Cough cough, his deskmate sister could come over more often to play." Jiang Lingzhi was still a little stunned.

After saying this, Zhao Zifu, who was sitting at the side, could not help but mock.

He glanced at Jiang Lingzhi and was still a little unhappy. "You still have to ask if he's willing to play with you."

Actually, throughout the day, Jiang Lingzhi's performance had always been beyond his expectations.

Zhao Zifu clearly did not expect that his usual obedient appearance would actually not lose when it came to scolding people.

However, he just didn't like her for some reason.

In fact, Brother Chennan had even gotten into a fight for her this morning.

What was so good about this girl?

All of them seemed to be possessed.

Zhao Zifu casually threw a peanut into his mouth and slowly said, "Her grades are so good, and her friends are all top students. Why would she hang out with

Usually, people like them and good students didn't like each other.

He was dull and could not be played with.

Therefore, they barely interacted with each other.

His words were very targeted.

The atmosphere instantly turned cold, and the boys beside them felt a little awkward.

She could clearly feel that Zhao Zifu seemed to have some opinions about this girl.

Qi Liangji was speechless.

Alright, some brothers really couldn't be stopped when they were looking for death.

His eyes were about to twitch. Could he not see it?!

Li Shunan leaned lazily against the back of the chair, tilted his head, and stared straight at Zhao Zifu. He lowered his voice and said coldly, ""Looking for a beating?"

He usually had a good temper and rarely got angry.

However, once his face darkened and the corners of his eyes narrowed, his peach blossom eyes lost their passion and carried a bit of coldness, giving people a strong sense of oppression.

"If you don't want to eat properly, you can get lost now."

Meeting Li Shunan's gaze, Zhao Zifu's heart skipped a beat, and he instantly didn't dare to be presumptuous anymore.

However, he had a vague feeling that this girl was even more different than he had imagined.

Being scolded in front of his brothers, Zhao Zifu's expression was also a little ugly. Because of his face, he did not say anything.

Qi Liangji understood. He looked left and right and quickly came out to smooth things over."What's going on? Weren't we chatting nicely? Zhao Zifu, what the hell is wrong with you today?"

“Isn’t it good to be deskmates? Why do you always speak coldly to others?”

Qi Liangji gave him another look.

Brother, please don’t go down the path of courting death forever.

I’m really f*cking in a bad mood. I can’t stop you even if I want to.

Boss’s protective stance is already so clear.. Are you selectively blind to not see

Chapter 113: I Apologize to You

Zhao Zifu lowered his head, clearly in a bad mood.

Actually, Jiang Lingzhi did not really listen to them.

She really didn’t pay attention to whether Student Zhao’s words were cold or not.

She was still immersed in her deskmate’s arrogant attitude.

At that moment, she finally saw the shadow of a school bully in him!

Even she was a little shocked!

Good! Ao! Zhang!

Jiang Lingzhi came back to her senses and blinked. She put down the chopsticks in her hand, and her expression was still calm. "Are you being sarcastic? I thought that this was the usual way of talking to Zhao Yu. Aren't all cool guys like this?"

As soon as he said that, there was silence again.

In such an awkward atmosphere, the girl's words were like a stone thrown into a calm lake, causing ripples.

Zhao Zifu raised his head and looked at her in shock. He did not expect her to speak at this time.

Moreover, he was not adding insult to injury.

After all, he felt that what he did today was quite overboard.

The moment he said this, the cigarette in Qi Liangji's mouth fell out. He was completely conquered by his deskmate.

If it was him, if someone dared to talk to him in such a strange way, he would have fought them to the death.

It seemed that this little deskmate was not only very cheerful, but also very generous!

Qi Liangji felt that this girl was not bad from the bottom of his heart. He laughed heartily, "Cool bro, he's not cool bro, am I not cooler than him?"

He lifted his chin and stared at Jiang Lingzhi as if he was asking for praise.

"Aren't you Brother Chicken?" Jiang Lingzhi had a deep impression of his name.

She gave him a thumbs up and praised him sincerely, "'1 think Brother Chicken's name is really domineering!"

Qi Liangji was almost tickled to death by this girl.

Isn't this too f * cking cute?

Putting everything else aside.

His personality was really good!

Qi Liangji patted Zhao Zifu's shoulder, "'Old Fu, take a look. You're not even as imposing as a little girl."

How could Zhao Zifu listen to such words?

His mood was also very complicated.

Previously, he had a conflict with Su Xici and her gang over the basketball court, and they almost got into a fight.

The two of them did not like each other.

Therefore, even the people around him felt that they were as arrogant as that guy.

She looked down on bad students like them because of her good grades.

However, this girl didn't seem to have this kind of consciousness at all.

There seemed to be no boundary between good students and bad students.

They were all a group of straightforward people. This girl was indeed different from what he had imagined.

Actually, he also realized that he had gone too far by making such a partial assumption.

However, due to his pride, he couldn't bring himself to apologize.

Zhao Zifu gritted his teeth and opened a can of beer. He poured himself a glass and stood up with a serious expression. "Little deskmate, it was my fault just now. I've always had some opinions about you. Forgive me. In the future, if you have anything to ask me, I'll help you with anything, okay?"

Without waiting for her to say whether she would forgive him or not, Zhao Zifu directly raised his head and drank it in one breath.

He showed her the empty wine glass. "I apologize to you. I'm sincere. I'll do whatever you want."

Jiang Lingzhi sat in her seat and stared at him. She didn't know what to do.

She couldn't possibly be indifferent to a toast..

Chapter 114: Calling Everyone Older Brother

Jiang Lingzhi had no choice but to stand up as well. Her fair fingers pinched the glass and clinked it with his empty glass. "Um, brother, I'm still underage, so I won't drink with you. Can I have a glass of orange juice as a token of appreciation?"

After she finished speaking, Jiang Lingzhi sighed. She raised her head and drank all the orange juice. She showed the empty glass to him.

Qi Liangji's eyes widened. "What's going on? Why are the brothers and sisters the only ones fighting? What right do you have to be my brother?"

He raised his glass of wine. "That won't do. Sister, I want to be a brother too..."

Sun Yan was not to be outdone either. "There's still me, there's still me!"

At this moment, Sun San Huo was crying in his heart.

The goddess was abducted just like that.

If she couldn't be his wife, she could be his sister.

Jiang Lingzhi was speechless.

Li Shunan stood up and took the glass cup from her hand with his slender fingers. He turned it upside down on the table. "Alright, don't push your luck.

I'll take her away."

After saying that, he casually looked away, picked up his bag, grabbed the girl's slender wrist, and dragged her out.

The two of them disappeared from the courtyard door.

Qi Liangji was speechless.

Zhao Zifu was speechless.

Sun Yan was speechless.

Biased!

Love over friends!

This difference in treatment was too obvious!

He came out of the courtyard.

Jiang Lingzhi was still a little baffled. Why did he suddenly leave? She had not even finished eating.

When she came back to her senses, her wrist was still in his palm. Just like that, she was led far away by him.

This was the first time she had been led by a boy.

Although it wasn't holding hands, it still felt a little strange.

Jiang Lingzhi stared at his well-defined fingers for a while before she gently shook her wrist.

Li Shunan seemed to come back to his senses. He stopped in his tracks and turned to look at her. Then he relaxed his hand and put his hand back into his pocket.

"Are you full?" Li Shunan paused and asked her in a low voice.

Jiang Lingzhi tried her best to ignore the strange touch on her wrist. "It's alright. I was dragged out by you before I finished eating."

After she finished speaking, Jiang Lingzhi tilted her head and stared into his eyes for a while. "Aren't you happy?"

Why did he look so serious?

Li Shunan's eyebrows were slightly furrowed. His light brown eyes were filled with complicated emotions.

"Have you always been like this?" After a long while, he suddenly said this.

"Always like this?" Jiang Lingzhi didn't really understand what he meant. "Like what?"

Li Shunan lowered his head and stared at her. He gritted his teeth and his eyes

darkened. "You call everyone your brother?"

Calling everyone big brother?

What kind of bullshit conclusion was this?

Jiang Lingzhi purely wanted to refute his words, but she did not think much about it. She blurted out, "Nonsense! I clearly didn't call you brother."

After hearing her explanation, Li Shunan felt even more upset. His eyes darkened and he asked in a low voice, "Then why didn't you call him?"

Jiang Lingzhi stared at him for two seconds. "You're so strange. Why would I call you that?"

Li Shunan licked his lips and lowered his voice. "Then why did you call him?"

I have never called anyone else brother She was unwilling to call him brother.

Why was he willing to call him Zhao Zifu?

Jiang Lingzhi felt a little wronged. She was only giving face to his friend because of him.. Why did he have to be so serious?

Chapter 115: You Were So Fierce Just Now

“She apologized to me and even called me sister. I have to call her something. Otherwise, it would be so awkward.”

Li Shunan was speechless.

Jiang Lingzhi felt that he was being ridiculous, and she was a little unhappy. “You’re really hard to please. If I had known earlier, I would have let your brother break off ties with you. Why should I be stuck in the middle?” With that, she took her bag from him and turned to leave.

Li Shunan raised his hand subconsciously and grabbed her wrist. He said slowly, “Not difficult. ”

Jiang Lingzhi was still angry as she looked up at him.

Li Shunan lowered his eyes and stared into her eyes. “It’s not difficult to serve.”

Jiang Lingzhi blinked her eyes and felt that something was wrong with her words. She said almost immediately, “.. Who wants to serve you!”

Li Shunan really didn’t have any temper at all. He stuck the tip of his tongue against his molars and sighed. “Forget it. I’ll send you home first.”

He reached out to take her bag.

Jiang Lingzhi took a step back. She felt that his attitude was very insincere, and she decided to reason with him. “Student Li, I noticed that you keep sighing.”

“Did I bully you?” Jiang Lingzhi was really curious. “I treat my classmates so warmly and amicably. If you do this, it will be very difficult for me to be friends with you anymore!”

Jiang Lingzhi glared at him and felt that she was really too kind.

He was so patient with an unreasonable classmate!

Li Shunan raised his eyebrows and stood straight in front of her. He put his injured hand in front of her eyes. “Did you see that?”

Jiang Lingzhi stared at his hand for a while, and her voice became weaker. “I saw it. What?”

So what if his hands were pretty? He even deliberately placed them in front of her for her to see.

Li Shunan bent down slightly and looked her in the eye. He said in a deep voice, “Since we can’t be friends, then let’s be indebted. Remember to copy this week’s homework and hand it to me.”

Jiang Lingzhi was stunned for a moment. She did not catch the thought process of his deskmate at all, and she looked at him with a silly expression.

Li Shunan lowered his head and smiled silently. He raised his hand and rubbed the child’s head. “I’m just joking. I’ll treat you to milk tea. Don’t be angry.” Jiang Lingzhi did not expect her deskmate to be someone who could tell cold jokes.

Just now, she almost lost control of her 40 -meter-long saber.

“Wait a moment.” After saying this, Li Shunan stuffed a hand into his pocket and turned to go to the milk tea shop by the roadside.

Jiang Lingzhi stood by the traffic lights, and she could still see the boy’s tall and slender back.

Sure enough, good-looking people also had good backs. They wore white shirts and were handsome and tall, attracting the attention of the young girls passing by.

He really knew how to provoke a little girl.

Jiang Lingzhi puffed up her cheeks and snorted softly before she retracted her gaze.

The bus passed by, and the wind lifted her skirt slightly. Jiang Lingzhi subconsciously raised her hand to press down.

Soon, Li Shunan came over with a cup of milk tea. He lowered his eyes, poked it open with a straw, and handed it to her.

His gaze swept past her fair and slender legs. "It's time to change into the school uniform."

Jiang Ling knew that she did not understand and looked

Li Shunan handed her the milk tea and didn't continue the topic. He said casually, "Let's go. I'll send you back."

Jiang Lingzhi felt more and more that the school bully's name might have been a rumor.

Except just now.

Jiang Lingzhi took the milk tea and looked up at him. "You were so fierce just now.."

"Hmm?" Li Shunan was stunned for a moment before he realized that she was talking about what happened in the courtyard just now. His fingers paused. "Did I scare you?"

Jiang Lingzhi suddenly felt that the thought of him being scary was quite strange.

He was still so gentle.

However, an inexplicable thought appeared in his heart.

Was he that good to everyone?

“No, but your brothers seem to be frightened.” Jiang Lingzhi held the milk tea and slowly walked forward.

Li Shunan was no longer emotional when he heard that. He said slowly, ““Oh, it’s okay, they’re used to it.”

Jiang Lingzhi was speechless.

The two of them walked along the road towards the villa area.

Jiang Lingzhi was addicted to drinking milk tea.

Li Shunan was right beside her, with one hand in his pocket. He was moving his long legs unhurriedly, and no one knew what he was thinking.

The two of them walked quietly.

When they were about to reach the villa area, Li Shunan said lightly, ““We’re going to divide the classes immediately. Are you studying literature or science?”

The pearls in the milk tea could not be sucked out no matter how hard she tried.

Jiang Lingzhi poked the straw and tried her best to fight it off. She replied matter-of-factly, "Wen."

She answered decisively without any hesitation.

Li Shunan's eyes moved slightly. He pondered for a while before continuing to ask, "I just heard them say that you started playing the piano when you were five?"

Jiang Lingzhi was drinking milk tea with her head covered. She did not know why he asked this question again. She nodded and said, "Yes,"

The boy clicked his tongue lightly. "You can even dance?"

Jiang Lingzhi took another big gulp of milk tea. She was almost at the bottom of the milk tea, and only the pearls at the bottom were left. "Oh, I've learned folk dance."

The boy's legs were very long, but he did not walk very fast. His magnetic and deep voice sounded in her ear. "Is it hard to learn so many things?"

His voice was as emotionless as ever, magnetic and low.

Jiang Lingzhi's eyelashes trembled slightly, and her fingers that were holding the milk tea cup froze. Her heart skipped a beat.

This was a very strange emotion.

In her sixteen years of life.

He was the first person to ask her if it was hard.

Every time her parents brought her out to show off in front of their relatives and friends, people would only praise her for being so outstanding and a genius.

No one had ever asked her.

Is it very hard for you to learn these?

Jiang Lingzhi glanced at the side of the boy's face. The softest part of her heart seemed to have been gently touched.

From the bottom of her heart, she felt that her deskmate was really a very gentle person.

A person like this showed well-educated manners in his every move.

Jiang Lingzhi was suddenly a little curious about his background.

Why was he always with his friends, but never his family?

Sunday.

Usually, when she didn't have to go to school, Jiang Lingzhi would usually sleep until 9 am before waking up.

However, she had something to do today, so she woke up at eight.

After Jiang Lingzhi got up and washed up, she wore a gray sports jacket and shorts, and she tied her hair into a bun as she came downstairs.

Lu Yuping was watching TV in the living room.

He was a little surprised when he heard her coming downstairs. He glanced at her from the corner of his eye and said, "Why are you so early today?"

Jiang Lingzhi ran to the dining table and took two pieces of toast. She wiped some jam on it and bit it in her mouth.. She asked in a muffled voice,""Mom, didn't you tell me yesterday that Uncle Su would be at home today?"

Chapter 116: Is It Hard?

Jiang Lingzhi ran to the dining table and took two pieces of toast. She wiped some jam on it and bit it in her mouth.. She asked in a muffled voice, "Mom, didn't you tell me yesterday that Uncle Su would be at home today?"

Chapter 117: Ah Ci Is Still Sleeping

A melodramatic romance drama was playing on the television.

Lu Yuping sat on the sofa. There was a cup of coffee on the coffee table in front of her. She was very engrossed in it and did not look away. "Your Uncle Su was at home this morning. I already asked your Auntie Su yesterday. Why?"

"I have something to do." Jiang Lingzhi's eyes lit up.

Lu Yuping expressed that she was very relieved. Without turning her head, she reminded her, "Okay, go ahead. Your Auntie Su has been talking about you for a long time. You can come back after lunch. I don't have to cook anymore."

Jiang Lingzhi was speechless.

Speaking of this, Lu Yuping began to nag again. "Look at how worried you are. I usually have to specially cook a meal for you."

Jiang Lingzhi expressed that she would not take the blame." Mom, you cooked for yourself too. It's not like I'm the only one eating."

The plot came to an end, and the television began to play advertisements.

Lu Yuping was finally willing to turn around and look at her. "If it weren't for you, I would have been able to go shopping with my little sisters. Why would I

have to eat at home?"

Jiang Lingzhi was speechless.

What he said made so much sense that she was speechless.

Jiang Lingzhi quickly ate the last mouthful of toast."Mom, I'm going out."

Lu Yuping changed the channel and continued to watch. She was calm and elegant. "Okay, go ahead. Ask Ah Ci if you don't understand anything in your studies. You dropped out of the rankings last time, so do your best for this monthly exam."

Jiang Lingzhi changed her shoes at the entrance as she let out a muffled " Oh." Su Xici's villa was in the same villa area as hers, only three villas away.

Jiang Lingzhi came to his door and pressed the doorbell. Very quickly, the door opened from the inside.

A gentle and alluring figure appeared behind the door.

The woman was in her forties and looked like she was in her early thirties.

Jiang Lingzhi immediately smiled and greeted him. She looked very obedient. "Good morning, Auntie Su."

Auntie Su smiled gently and brought her a pair of slippers. "Zhizhi, I haven't seen you in a long time. Why didn't you come to see Auntie?"

Jiang Lingzhi puffed up her cheeks, walked in, and closed the door behind her. "There's too much homework, I don't have time to go out. Where's Ah Ci?"

"He's still sensible. Ah Ci is already in his third year of high school, but he doesn't seem to be thinking about his homework." Auntie Su smiled forgiving and said in a gentle voice, "Ah Ci is still sleeping. Go to his room and look for him."

Jiang Lingzhi had grown up in their family since she was young. She was as familiar with this place as if she was back at home.

"Sure." She nodded, pulled on her slippers, and walked upstairs.

Jiang Lingzhi went up to the second floor and came to the door of Su Xici's room. She raised her hand and gently knocked on the door twice, but no one answered.

After waiting for a while, she simply pressed the door handle, pushed open the door, and poked her little head in to take a look.

The room was very quiet. The curtains were drawn, and the light was a little dim.

"Ah Ci..." Zhu...

"Su Xiaoci..."

Jiang Lingzhi shouted a few times. The person on the bed seemed to have fainted, and she did not move at all.

Jiang Lingzhi puffed up her cheeks and pushed the door open. She walked straight to the window in the room and pulled open the curtains.

The room was suddenly lit up.

The person on the bed frowned under the piercing sunlight. She casually picked up the blanket and covered her head. Her voice was hoarse from just waking up and very tired. "Mom, I'm still sleeping.. Why are you pulling my curtains

Chapter 118: He Didn't Even Have Abs

Jiang Lingzhi walked over and sat down on the chair beside his bed. She had a smile on her face. "Why are you being so polite? I just helped you open the curtains. Your seniority has risen so much in an instant."

Susi Ci Meng stayed under the blanket for two seconds before she reacted.

There was something wrong with this voice.

Su Sici pulled the blanket off her head and glanced at the side with her hazy eyes. She was still not fully awake. "Why is it you?"

Jiang Lingzhi was all smiles."

Su Xici reached under her pillow and took out her phone. She looked at the time and was instantly in despair. "Grandma, it's only a little late. Can't you come over later?"

Usually, he would sleep until after ten o'clock.

It was only eight in the morning.

Jiang Lingzhi had a serious expression on her face. "I can't. I have something very important to talk to you about. ""

Su Sici grabbed the blanket and covered her head, feeling drowsy. "Let's talk about it later."

Jiang Lingzhi frowned and stood up. She pulled the blanket that was covering his head down. "I'm in a hurry. Uncle Su won't be home in a while."

Su Xici felt like she was better off dead.

He lay on the bed and took a deep breath. What was the important thing?"

Jiang Lingzhi cleared her throat. "That's right. I mentioned it to you yesterday. That Zhao Man from Class Eight is a pervert." There was such a person in the school. Uncle Su was the principal. How could he not care?"

Su Xici was still half-asleep and looked very tired. Her eyes were about to close again. "Then what do you want, granny?"

"Dropping out of school, you must make him drop out of school!" Jiang Ling knows how to speak righteously.

"Drop out?" Su Sici grabbed a handful of her messy black hair and sobered up a little. She leaned up and half-lay on the headboard. "Do you think you can retreat just because you say so? No, you didn't make it clear yesterday. What did he do to you?"

He had heard a little about that person.

Anyway, the reviews didn't seem too good.

Wasn't he just a little scum?

But why was she so excited?

Speaking of this, Jiang Lingzhi's expression was a little unnatural. She said drlv, ""He, he was the one who wanted to secretly take pictures of me."

Su Xici frowned and stared at her. "You were photographed by him?"

Jiang Lingzhi instantly straightened her back and immediately clarified, ""Of course not, but he had already taken photos of someone else. He, he even touched other girls! Such a disgusting person, I want him to be fired by the school as soon as possible!"

Su Xici was not interested in things that had nothing to do with her. She nodded and yawned. "Got it."

Jiang Lingzhi stood by the bed. When she saw that he did not have any intention of getting up, she wanted to remove his blanket. "Go and tell Uncle Su now! "

Her fingertips had just touched the quilt.

Su Xici looked up. Her hair was still a mess. She leaned against the headboard and stared at her lazily. "Brother, I'm not wearing any clothes. Take it easy."

Jiang Lingzhi pursed her lips. "So what if I'm not wearing any clothes? It's not like I haven't seen you before. I've seen you in open-crotch pants."

Although he said that, his hands stopped moving.

She didn't want to see a naked man when she lifted the blanket. That would cause her to get a needle mark.

Su Xi Ci was speechless.

Jiang Lingzhi continued to attack.” Besides, what’s so good about your figure? It’s so ordinary. You don’t even have abdominal muscles. I don’t want to look at it. ““

“You speak as if you’ve seen someone else before.” Su Xici scoffed..”

Chapter 119: I’m Afraid You’ll Ugly Me

Jiang Lingzhi stared at him. It was rare that she did not rebuke him, and she looked as if she had been choked.

Seeing her expression, Su Xici’s gaze became meaningful.””What? Have you really seen other people’s abs?”

Jiang Lingzhi was speechless.

She had seen her deskmate’s abs during the PE class.

It was quite... There was something.

Jiang Lingzhi coughed. She did not want to talk to him about this, so she changed the topic stiffly and urged him,””Can you hurry up? When Uncle Su goes out later, I don’t know how long he’ll have to wait!”

Su Xici was afraid of her and looked away suspiciously. Her black hair was messy as she sat up on the bed.”Alright, I’ll get up now.”

His arms and shoulders were exposed, and he did look naked.

Jiang Lingzhi threw down the blanket in her hand and quickly turned around.

Shameless, actually sleeping naked.

Su Xici snorted and sat up. She picked up the white t-shirt beside her and put it on. "Were you quite brave just now? Why did you admit defeat?"

Jiang Lingzhi's back was facing him, and she snorted twice. "'I'm afraid you'll make me ugly. I'm going to wash my eyes."

Su Sici lifted the blanket and got down from the bed. She raised her hand and rubbed her head. "Little girl, you have such a sharp tongue. Be careful that no one wants you."

"Nonsense, my market is good." Jiang Lingzhi protested unhappily. She turned her head to look at him and realized that he was already dressed.

Liar.

She was clearly sleeping with her pants on.

Jiang Lingzhi raised her hand to push the other party out of the door. "'Hurry up, hurry up. Go and talk to Uncle Su."

Su Xici's messy black hair was forcefully pushed out of her room. She sighed. "I'm really afraid of you."

Jiang Lingzhi hid in his room and stuck her small head out to stare at him at the door.

After seeing his back enter Uncle Su's study, she retracted her head back in relief.

Su Xici's room was a standard boy's room.

There were all kinds of motorcycle models and figurines inside.

When Jiang Lingzhi was young, she accidentally broke one of his precious models, and he almost killed her.

As a result, every time she came, she did not dare to touch his things.

Jiang Lingzhi sat obediently in front of his desk, waiting for his good news.

After nearly ten minutes, Su Xici finally returned.

When he heard the sound of the door opening, Jiang Lingzhi quickly stood up and stared at him with anticipation. "How is it? How is it?"

Su Xici was holding a bottle of mineral water in her hand. Her hair was a little messy, and she looked lazy. "He dropped out of school."

"Wow!" Jiang Lingzhi was so happy that she almost jumped up.

She jumped over and patted his shoulder. "Not bad. Since when did Uncle Su listen to you?"

"It has nothing to do with me." "He retired himself," Su Xici said slowly. "Jiang Lingzhi was stunned when she patted his shoulder." "Ah?"

Su Xici walked past her and entered the room. She sat down at the head of the bed. "I heard that he was beaten up and sent to the hospital. His family came to apply for expulsion. We don't know who did it. It's probably someone not to be trifled with. Otherwise, their family would have tucked their tails between their legs and wouldn't have dared to come out and make a scene."

Jiang Lingzhi was speechless.

Was he beaten up and sent to the hospital? Upon hearing this, the first thought that came to her mind was actually-” Could it be that her deskmate called her?

When she saw him that day, she had hurt the back of her hand and thought it was not serious.

Why was Zhao Man hospitalized?

“It can’t be?” Jiang Lingzhi bit her finger and mumbled subconsciously.

“What? Do you know who did it?” Su Xici glanced at her..”

Chapter 120: School Uniform Modification

Jiang Lingzhi’s heart tightened and she quickly shook her head.””No, of course I don’t know.”

If they knew the whole story, she wondered if her deskmate would be punished.

She was the cause of this, so how could she betray him?

Su Xici did not even think about her at all. She twisted open the cap of the mineral water bottle, raised her head, and took a sip. She said unhurriedly, “Also, let me tell you something.”

Jiang Lingzhi’s expression was still blank as she nodded her head.””Yes, what is

Su Sici unscrewed the cap of the mineral water bottle and leaned against the headboard.

“The school uniform is going to be revised.” He suddenly threw out this piece of news.

Jiang Lingzhi was shocked.”

School uniform revision?

Although she had never liked their school uniform, this was too sudden.

“Why did it suddenly change?” Jiang Lingzhi was too curious.

Su Sici placed the bottle of mineral water on the bedside table and crossed her arms. She was also a little puzzled.” It’s quite sudden. I heard that there was a sucker who donated a building to the school and made a request...”

Jiang Lingzhi was very curious. She stared at him with her big beautiful eyes and leaned over.”What request?”

Su Xici looked up at her and clicked her tongue. She raised her hand and knocked her head. “Stupid, didn’t I tell you just now that the school uniform will be changed to the one next door?”

Jiang Lingzhi wrinkled her nose and shrank back.

Su Xici found her expression a little funny and chuckled.”Tell me, what kind of person donated a building just to change into a school uniform? Don’t you think he’s a sucker?”

Jiang Lingzhi clicked her tongue. She picked up the orange juice on the table and took a sip.”That’s quite strange.”

“There should be a notice after you go to school on Monday. You can book it now. There will be a lot of people, and it will take a long time.”

Su Xici frowned and looked at the glass in her hand. "Where did the orange juice come from?"

Jiang Lingzhi blinked her eyes and said matter-of-factly, "Auntie Su sent it to me."

"Then why don't I have one?" Su Sici looked around the room. "See, this person really liked to humiliate himself."

Jiang Lingzhi's eyes curved up. "Because you don't have my love."

Su Xici knew her mother's temperament.

He treated this girl better than he treated himself.

Su Xici had gotten used to it over the years. She tilted her head and chuckled. Then, she remembered something. "Also, I heard that you guys are going to be separated into arts and sciences?"

Jiang Lingzhi bit the straw and nodded her head. "Yes, the teacher has informed us."

"I also heard that you want to study science?"

Jiang Lingzhi was stunned for a moment. She looked up and said, "Who told you that? I'm choosing the literature."

"Is that so?" "I heard it from my mother." Su Xi frowned. She must have heard it from your mother. Does your mother want you to choose science?"

Jiang Lingzhi blinked her eyes and was stunned again.

She really hadn't asked her mother.

She had only mentioned to her father that she wanted to choose liberal arts, and her father was quite supportive.

She thought that her mother would not care about the division of departments.

However, if it was as he said, and her mother did not agree to her choosing liberal arts, then she would have to go to school.

Jiang Lingzhi felt that the orange juice in her hand suddenly lost its fragrance.

She placed the glass on the table and stood up. Go Home

The girl was still fine just now, but she suddenly became depressed. "What's wrong?" "You're not staying for dinner?" Su Sici asked, baffled.."
