

Little Girl 121

Chapter 121: Continue Sleeping

' No," Jiang Lingzhi said with a heavy heart,""Since that change...I've already dealt with the situation. I'll leave first. You can continue to sleep."

Su Xi Ci was speechless.

I was f * cking woken up by you, why should I sleep?

Su Xici looked at her and sighed. She stood up, intending to send her out."For you."

Jiang Lingzhi put her hands in her pockets and muttered softly,""No need. It's just two steps. I don't need you to send me off."

After rejecting Auntie Suls intention to have her stay for lunch, Jiang Lingzhi left their house with a heavy heart.

She had always been very determined to choose the humanities course. After all, she was going to walk the path of art in the future, so there was no need for her to study science.

But what did his mother mean?

Of course, she knew that her parents loved her very much.

However, it could not be denied that Lu Yuping had always been a relatively strong person. She was relatively strict in her discipline.

Ever since she was young, Jiang Lingzhi had followed the path that she had paved for her, and she walked over step by step.

He didn't really like the piano.

However, Lu Yuping said that the girl had a temperament when she played the piano, so she let her learn.

From the initial resistance to the boring days, he gradually fell in love with her.

After all, it was something that had accompanied her for so many years. How could she not have feelings for it?

This included folk dancing. It was also because her mother felt that a girl's figure was more important, so she let her learn it for a few years.

She also felt that her mother was right. It was understandable for a girl to work hard to become outstanding.

However, she felt that she had no sense of self.

It was as if he had never even had his true hobby.

Until now, she didn't even know what she liked.

Jiang Lingzhi lowered her head, kicked the stones on the road, and returned to her house.

This time, it was better to discuss it with her mother. Perhaps she would listen to her opinion.

Jiang Lingzhi raised her hand to press the door handle and gently pushed the door open.

Before she could enter, she heard voices coming from inside.

"I heard that they're going to be divided into arts and sciences classes. Have you thought about what to choose?"

Lu Yuping's voice rang out in the living room. Jiang Lingzhi's fingers that were pressing on the door handle paused, and she froze on the spot.

In the living room.

Jiang Puqing sat on the sofa, his voice as gentle as ever. "Zhizhi will be taking the exams for a music school abroad in the future. Of course, he will choose liberal arts."

"Arts?" Lu Yuping disagreed.

Jiang Puqing took a sip of tea. "Zhizhi has her own thoughts. Don't say such things in front of her."

Lu Yuping felt a little uncomfortable no matter how she thought about it. "Ah Ci chose science, right?"

"Ah Ci is a boy. Isn't it natural for him to study science?"

Lu Yuping sighed. "I heard people say that only people who don't have good grades choose liberal arts. Our Zhizhi is so outstanding. Why would he choose liberal arts?"

Jiang Puqing was a little helpless. "Sigh, your way of thinking is too narrow.

The direction of employment is different. What's there to compare?"

Lu Yuping still insisted on her opinion and said firmly, “Anyway, I think science is good. Zhizhi must study science.”

They were so engrossed in their discussion that they did not even notice when the door had opened and closed.

Jiang Lingzhi’s eyelashes trembled slightly. She closed the door gently, and her fingertips moved away, hanging by her side..

Chapter 122: Meow

For the first time, she had the urge not to go home.

Jiang Lingzhi suspected that she was about to enter the rebellious phase of her youth.

He felt extremely annoyed.

Or perhaps, the seeds of rebellion had already been quietly planted. At this moment, they suddenly began to sprout.

Jiang Lingzhi sighed. She lowered her head and walked along the road outside the villa area without saying a word.

Actually, she didn’t know where she was going either.

He just didn’t want to go home for the time being. He didn’t want to go home to face those arguments. He just wanted to be alone for a while.

And... I want to eat cotton candy.

Jiang Lingzhi lowered her head and walked forward silently.

By the time she realized what was going on, she had already arrived at the Laocheng District.

She was a little familiar with this place. After another turn, she would arrive at a convenience store.

Jiang Lingzhi's footsteps stopped, and she did not plan to continue walking forward.

After pausing on the spot for a moment.

She sighed, turned around, and prepared to return the way she came.

Just then, a soft sound came from the side.

"Meow –

It was a very soft sound, like a weak call from a kitten.

Jiang Lingzhi turned her face sideways and looked in the direction of the sound.

Next to it was a woodworking shop. The door was wide open, and the sound of wood cutting could be heard from inside.

There was a pile of cardboard at the corner of the wall. Behind the cardboard, a furry little head poked out.

It was a little orange kitten that seemed to have just been born. It looked about the size of her palm.

Jiang Lingzhi's eyes lit up, and her entire body melted from the cuteness. She could not move at all.

She squatted down and stared at the corner.

Perhaps the little guy was afraid of strangers, but he didn't even dare to stick his head out.

Jiang Lingzhi waited for a while before she could not help but say, "Meow

Perhaps it was because the kitten was too small to tell, but it thought it heard its companion's voice.

The little guy finally poked his head out to take a look. "Meow Jiang Lingzhi's eyes curved up as she hugged her knees. "Meow

"Brother Nan, the new billiard shop opened by Giddy's family is just up the road."

Two people walked out of a convenience store.

"I heard that they spent a lot of money on renovations. Business has been good these days. "

Sun Yan turned off his phone and put it back into his pocket. "That's just a call from the boy. It's full today. We've all arrived and reserved a table. We're the only ones left. After playing a few rounds, we'll go out for a meal to celebrate."

Coming out of the convenience store, Li Shunan took out a cigarette from the box and lit it are the people in the city?]

"It's just the few of them. Old Fu, the gay, and his underlings. Don't worry, there's no girl." Sun Yan emphasized the last sentence, as if he didn't understand him.

The two of them walked to the front of the road and prepared to cross the traffic light.

Li Shunan had a cigarette between his well-defined fingers. He wore a black jacket over his white T-shirt, and his eyes were as tired and lazy as ever.

A large truck honked at the intersection.

Li Shunan turned his head inadvertently and glanced in the direction of the horn. He happened to see a familiar figure on the street.

He stopped in his tracks and frowned.

The light at the intersection turned green.

Sun Yan was still paying attention to the road." The light is green. Let's go.

After this intersection, we'll reach it in another 50 meters. ""

Just as she was about to take a step forward, she realized that Brother Nan was not following her.

Sun Yan also stopped abruptly." Brother Nan, what's wrong? Let's go..""

Chapter 123: Can I Take You Away?

Li Shunan's good-looking eyebrows furrowed slightly. A hint of mockery flashed across his eyebrows, as if he felt that it was impossible.

He retracted his gaze thoughtfully, looked up, and followed her slowly. The two crossed the road together.

Sun Yan did not stop talking along the way, showing off how good his skills were. "Back then, I was invincible in the Laocheng District..."

When they were about to reach the place, Li Nan held the cigarette between his fingers. His eyes flashed with an unknown meaning, and he suddenly stopped.

Sun Yan was still talking to himself when he realized that he wasn't following them. He suddenly stopped. "What now?"

Li Shunan lowered his eyes and bit the cigarette butt in his mouth. He took out a red packet from his pocket and threw it over. "I won't go. Give this to the boy."

"What? No way!" Sun Yan caught the thick red packet and immediately cried, "Wasn't everything fine just now? If you don't go, the gays will beat me up later."

Li Shunan bit his cigarette butt and smiled. "Then you can sit next to it."

He removed the cigarette butt from between his thin lips, blew out a smoke ring, extinguished the cigarette butt, and threw it into the trash can. "Go ahead."

With that said, he stuffed a hand into his pocket and turned around to leave without stopping for a moment.

Sun Yan couldn't figure out what Brother Nan was thinking.

Wasn't everything fine just now? Why did she not go just like that?

The red packet in his hand was not small, and he could not force his Brother Nan to go over.

Sun Yan sighed and walked toward the billiard hall alone.

Li Shunan put his hands in his pockets and walked back the way he came. When he returned to the intersection just now, his eyes immediately fell on the door of the woodworking shop.

She had not left yet.

When he saw that figure just now, he thought that he had seen wrongly.

When he got closer, he realized that it was really her.

The girl was wearing a gray sports suit and her long hair was tied into a bun. She squatted in the corner and looked small.

He did not know why, but he could sense a hint of pity from her body.

He was like a homeless little animal.

He couldn't help but lick the corner of his lips. Just as he was about to get closer, he heard the girl let out a very soft voice. "Meow"

Li Shunan suddenly stopped in his tracks.

Then, he heard an even weaker voice. "Meow"

From behind the pile of cardboard at the door, a kitten carefully walked out.

Seeing it come out, the girl's eyes curved into a smile. She reached out and gently stroked its head.

"Can't you find your home?"

The girl's voice was soft and gentle. It sounded like she was talking to a kitten, but it also sounded like she was mumbling to herself.

“What a coincidence. I'm also...Since we can't find home, let's keep each other company.”

Her voice was a little soft, and there was a hint of unnoticeable hurt.

Like a little cub licking its wounds alone.

Li Shunan's tall figure stood lazily two meters away from the girl. When he heard those words, his heart ached inexplicably.

Did the child run away from home?

“Can I take you away?” Jiang Lingzhi's fingertips gently touched its small head. She stared at the little orange cat and asked a question.

He knew that it would never answer him.

But this kitten was really too healing.

It was a furry ball, the kind that could melt a person's heart.

She really wanted to take him away.

Jiang Lingzhi sighed.” But if I take you away, your mother will not be able to find you.. Will she be worried?””

Chapter 124: It Is Beautiful

When a person was in a bad mood, they would always be able to get a little healing when faced with beautiful things.

Jiang Lingzhi was very eager to discover more beauty now.

“But I can’t take you away. You already have a master, don’t you?”

This kitten did not wear a cat tag, but it was still quite clean. It should not be a stray cat.

Jiang Lingzhi sighed.

As soon as he finished speaking, a deep and magnetic male voice suddenly sounded beside him.

“Won’t you know if you’re worried or not?”

It was a very familiar voice. The tone was cold and magnetic.

Jiang Lingzhi was stunned for a moment. She turned her face sideways, and her gaze happened to meet a pair of clean white sneakers.

Jiang Lingzhi stared at it for a while before her gaze slowly moved up. When she saw that familiar face, she was stunned.

Li Shunan stood tall and straight, his eyes deep and loving. He wore a black coat, and his face looked even more clean and fair.

Jiang Lingzhi raised her head and stared at him. She obviously did not expect to meet him here.

He put a hand in his pocket and walked over from under the sign. He asked the carpenter, ""Uncle Wang, are you busy?"

The carpenter uncle was working. When he heard this, he looked up at him and smiled. "Isn't this Ah Shu? Are you going out to play?"

Li Shunan smiled but didn't say anything. He said in a lazy tone, ""Is this cat yours?"

Jiang Lingzhi blinked her eyes and felt very surprised.

It was already surprising enough to meet him here.

He didn't expect that he would recognize people everywhere he went. He even recognized the carpenter uncle.

Look at their familiarity, it seemed like their friendship wasn't shallow.

The carpenter stopped what he was doing and started chatting with him. "Yes, some time ago, the cats in the countryside gave birth to a litter of kittens, so my daughter brought two over. She took one over to raise it and left the other one with me."

"Usually, I don't like to run around. I just like to drill around in this pile of paper."

"Why? Do you like it? If you like it, take it back and raise it." The woodworker said enthusiastically.

Li Shunan accepted it without hesitation. ""Thank you, Uncle."

The carpenter uncle was easy to talk to. It just so happens that I don't have time to take care of it. I can rest assured that you can take care of it."

Li Shunan smiled and half-opened his eyes. He walked over, bent down, picked up the little orange cat, and handed it to the girl with one hand. He looked down at her and said in a low voice, "Now, it's yours."

Jiang Lingzhi's expression was still blank. She quickly stood up and subconsciously reached out to take it. "Ah, are you really giving it to me?" Only then did the carpenter notice that there was a girl at the door.

She had been squatting there the whole time and he didn't even notice that the door was blocking her way.

"In the blink of an eye, Ah Shu already has a girlfriend. Time flies. "The carpenter uncle couldn't help but sigh. Jiang Lingzhi was speechless.

It was too hasty.

She didn't know how the uncle came to this conclusion.

However, the boy next to him did not seem to have any intention of defending himself.

The carpenter uncle smiled kindly and said matter-of-factly, "Ah Shu is really capable. His girlfriend is so beautiful."

Li Shunan lowered his eyes. The girl was right in front of him.

He glanced at her drooping eyelashes, and the corners of his lips curled up slightly. He said lazily and casually, "It is beautiful."

Jiang Lingzhi's fingers that were holding the cat trembled slightly. She wanted to clarify things, but she forgot to say it for a moment.

How, how was she supposed to answer it?

You're also very handsome, Student Li.. Wouldn't that make her seem a little indecent?

Chapter 125: Living Alone

Jiang Lingzhi was still in a daze.

Then, she heard the boy's light voice from the side." Let's go."

Only then did Jiang Lingzhi come back to her senses. She raised her head to take a look and subconsciously followed him forward. "Oh."

It was only when she followed him far away that Jiang Lingzhi suddenly remembered that she originally wanted to go home.

In the end, she followed him back to his house.

This was the third time she had come to his house.

However, she had only stayed in his courtyard the previous two times and had not entered his house.

After entering the courtyard, Li Shunan's tall and straight figure walked in front. He pushed open the door and said casually, ""Come in and sit."

Jiang Lingzhi was carrying the little orange cat in her arms. She looked at him and hesitated for a moment. How about this? Li Shunan was stunned. He lowered his eyes. "Hmm?"

His expression was a little puzzled.

Jiang Lingzhi deliberated for a moment, and her dark eyes looked up at him before she said, ““Is there anyone at home?” Will I disturb you if I go in?”

Li Shunan chuckled and glanced at her casually. ““I live alone.”

Jiang Lingzhi was stunned for a moment, then she nodded her head and said, “ Oh.”

Living alone.

These words gave people a lot of room for imagination.

He was only eighteen years old, right?

Why did she live alone?

Where was his family?

However, they weren't that close after all. She didn't dare to ask any deeper questions.

Jiang Lingzhi entered the house slowly.

It was hard to tell from the outside, but it was quite big inside. The furniture and everything else were very new. Other than a pile of books scattered on the coffee table, the rest of the place looked very clean.

Li Shunan walked into the living room, bent down, and picked up the documents on the coffee table.

Jiang Lingzhi took two steps inside and turned back to look at him. She asked for his opinion, ““Can I put it on the ground?”

Li Shunan glanced at the little orange cat in her arms and said, "Sure."

The boy had already taken off his jacket and placed it on the sofa. He was wearing a white t-shirt.

Because of this action of bending over, a small part of his waistline was exposed.

Jiang Lingzhi stared at it for a while before she let out a soft "tsk" before she silently averted her gaze.

She placed the orange cat on the ground. Perhaps it was because she was in a strange place, but the little guy stayed by her feet and did not dare to go anywhere.

It was a small ball that wobbled as it rubbed against her ankle.

Jiang Lingzhi squatted down and gently touched its head. "What's wrong? Are you still not familiar with him? It's okay. Brother is very gentle. Don't be afraid."

She coaxed him gently and patiently.

Li Shunan's fingers paused for a moment and he looked up at the man and cat at the door.

The sun was shining brightly today. A small amount of light shone in diagonally. The girl was enveloped in a golden halo. Everything was just right. Even the wind was gentle.

Jiang Lingzhi squatted at the door and gently caressed the little guy's head.

He had been impulsive and wanted to bring the little orange cat home, but now he remembered a key problem.

"What should I do? If I bring you home, I'm afraid Grandma will be angry. You might have to live on my balcony, and secretly." Jiang Lingzhi's brows furrowed together. She mumbled to herself softly.

Li Shunan was speechless.

Li Shunan straightened his body and stuffed the book into the cabinet. There was no expression on his handsome face. "You told it to call me brother, but

you're its mother?"

Chapter 126: Ah Shu

Jiang Lingzhi blinked her eyes, and she seemed to realize that the ethical relationship between them was a little off.

She had accidentally taken advantage of her deskmate.

"Ah, then call you uncle?"

Li Shunan sighed and suddenly didn't want to talk.

Jiang Lingzhi felt that her deskmate seemed to be unhappy again.

Wasn't everything fine just now?

What an unfathomable deskmate.

"Then should I call you uncle or grandfather? To make your status appear more noble?" Jiang Lingzhi suggested carefully.

Li Shunan was so angry that he laughed. He leaned against the cabinet and stared at her condescendingly. "I'm not very interested in being your father."

Jiang Lingzhi was speechless.

Her deskmate started telling cold jokes again.

Li Shunan straightened his body and said lazily, "What do you want to drink?"

Jiang Lingzhi was honest, "Just plain water. ""

The boy stared at her for a while, then turned around and walked back unhurriedly.

Looking at the direction, it should be the kitchen.

Jiang Lingzhi let out a sigh of relief. She felt that the big boss was the big boss.

Her emotions were indeed unpredictable.

However, this matter was still quite nerve-racking.

If her mother didn't agree, wouldn't she have come for nothing?

Jiang Lingzhi racked her brains, thinking of a reason to convince her mother to let her keep a pet.

If he brought it back without asking for permission, he would end up in a very miserable state if he was discovered.

Jiang Lingzhi wrinkled her nose and glanced at the spacious living room.

Suddenly, an idea came to his mind.

Li Shunan walked over from the kitchen with a glass in his hand.

His fingers were fair and slender, and they were exceptionally beautiful. He placed the glass cup on the coffee table and glanced at her. "Water."

After saying that, he added, "It's warm."

Jiang Lingzhi cleared her throat and let out a soft " Ah!" "Thank you."

She stood up and moved to the opposite side of the coffee table in small steps.

Her slender white fingers held the glass and she looked up at him. "Student Li, I have something to discuss with you."

Li Shunan sat on the sofa with his elbows on his knees. He lowered his eyes and looked into the girl's clean eyes. His Adam's apple bobbed slightly.

He was no stranger to this gaze.

The last time she looked at him like that was when he had just transferred schools.

He sat at the table behind her. The girl turned around and placed her fingers on his desk, staring at him with her clear black eyes.

She said that she wanted to sit with him.

Li Shunan's temples throbbed, and his voice sounded a little hoarse. "Hmm?"

“That’s right. My mother doesn’t let me keep a pet. If I bring it home now, I’m afraid it will be thrown out when I go to school...” Jiang Lingzhi carefully probed, “”Can you let it stay at your house for a few days?”

After she finished speaking, she was worried that he would misunderstand that she did not want to raise it. Jiang Lingzhi immediately raised her little finger. “After I ask my mother for permission, I will definitely take it away! I promise! ”

Li Shunan stared at her with his eyes as dark as a black hole. She didn’t know what he was thinking, but he stared at her without saying anything.

Jiang Lingzhi thought that he was unwilling. She stared at him and said softly, “”Student Li. ”

Jiang Lingzhi tilted her head.”

The boy was still unmoved.

Jiang Lingzhi wrinkled her nose. She thought of the carpenter uncle who called his name just now. “Ah Shu

She called out tentatively.

The girl’s voice was soft and gentle to begin with, and at this moment, there was a hint of pleading in it, as if she was acting coquettishly..

Chapter 127: Thank You, Dad

Li Shunan’s fingertips trembled. He felt as if all the blood in his body had frozen at that moment. His eyes darkened and his throat moved.

He stood up abruptly and walked straight to the fridge, taking out a bottle of mineral water.

The boy left decisively and resolutely.

In Jiang Lingzhi's eyes, he was simply a heartless and unrelenting representative.

Jiang Lingzhi grew up with Su Xici. Every time he was unwilling to help her, she would also use this trick.

The effect was quite obvious.

At this moment, he did not realize that there was a problem.

She didn't expect that she would meet her Waterfall at her deskmate's place.

Jiang Lingzhi puffed up her cheeks, and her fingertips tapped on the glass twice. She really wanted to let it go, but she had a favor to ask of others, so she had to lower her stance.

She stood up and followed him persistently. She leaned against the refrigerator, tilted her head, and looked up at him. "Then, why don't...why don't you be its father? In the future, it will be our baby..." Jiang Lingzhi felt that her suggestion was quite smart.

He couldn't be so cruel to his own baby!

Li Shunan stopped drinking and looked down at her."

The little girl was really daring. She dared to say anything.

"I'll be its father?" Li Shunan held the bottle of mineral water in his hand and leaned against the refrigerator, staring at her calmly.

Jiang Lingzhi blinked her eyes.

“Then what’s our relationship?” Li Shunan lowered his head and stared at her with his light brown eyes.

“The two of us...” Jiang Lingzhi thought hard for a while and asked tentatively, “Probably...Relatives?”

As expected, he couldn’t have any expectations for her. He would be angered to death.

Li Shunan put the mineral water bottle in his hand on the cabinet and sighed helplessly. “Just leave it here. You can take it away when it’s convenient for you. If you miss it, you can come over and take a look at it anytime.”

Jiang Lingzhi suspected that she had heard wrongly.

Did his deskmate agree?

Jiang Lingzhi felt that happiness came too suddenly!

She picked up the little orange cat and happily muttered to herself, “Little guy, look at how good your father is. He agreed!”

“Here, thank you, Dad.”

Li Shunan was speechless.

Li Shunan straightened his body and rubbed his throbbing temples with his fingertips. He walked past her expressionlessly.

Jiang Lingzhi held the little fellow in her arms, and she simply could not bear to let go of him.

It was a fluffy ball. It was too cute.

Not long after, the boy returned with a cardboard box in his hand and handed it to her.

“Hmm?” Jiang Ling didn’t understand why he gave him a cardboard box.” “This?”

Li Shunan looked down at her and said use this for now to prevent it from running around. Later, I’ll go out and buy it a nest and some cat food.”

Jiang Lingzhi finally understood her deskmate’s intentions.

That makes sense. Little kittens don’t even have their own nests!

Jiang Lingzhi could not wait.” Then let’s go now! ”

She put the orange kitten into the paper box and placed it in the corner. She stood up and urged him to go out.

Although the alley was a little old, the shops were still quite complete.

There was a pet shop across the alley.

He bought special cat food and a cat bed at the pet shop.

After she returned, Jiang Lingzhi immediately set up a new nest for the little kitten.

The little kitten was too cute. Jiang Lingzhi felt as if she had been cured as she watched it eat.

“Little guy, you don’t have a name yet, right? What should I name you?” Jiang Lingzhi was lying on the side and watching seriously..

Chapter 128: Watching a Movie

The little kitten was too cute. Jiang Lingzhi felt as if she had been cured as she watched it eat.

“Little guy, you don’t have a name yet, right? What should I name you?” Jiang Lingzhi was lying on the side and watching seriously.

The little orange cat responded with a meow.

Footsteps approached, and a shadow covered the side.

It’s all thanks to your father that you can live so well and eat so well,” the girl muttered softly. “Why don’t you take your father’s name? How about Little Pumpkin

Li Shunan was stunned for a moment. He couldn’t help but tilt his head and smile. He stared at the girl’s back for a while and was so angry that he didn’t have any temper at all.

He leaned lazily against the cabinet and listened to the girl’s soft voice.

Thinking back to when he saw her at the corner of the street just now, her lonely back seemed a little pitiful.

He almost thought that he would see the girl’s crying face when he walked over.

In just a short while, she had regained her original vitality.

Li Shunan’s Adam’s apple rolled gently. He stared at her and sighed.

Forget it.

She could do whatever she wanted.

Jiang Lingzhi was focused on looking at the kitten at this moment. She really did not have the mood to think about those unhappy things.

Li Shunan stood behind her and stared at her back for a while before he said unhurriedly, "Do you want to watch a movie?"

A low male voice suddenly came from behind.

Jiang Lingzhi turned around to look at him. Her expression was still a little blank. "Hmm? Watching a movie? Now?"

She glanced at the clock on the wall. It was already two o'clock in the afternoon.

"Are we going to the cinema?"

After he said that he wanted to watch a movie, Jiang Lingzhi was still wondering where there was a movie theater nearby.

Jiang Lingzhi did not expect that the movie he was talking about was at his house.

When she came in earlier, she had thought it was strange. Why wasn't there a television in such a big living room?

So he used a projector.

The decoration of his house was very warm. The big screen was projected on the wall, and it was very enjoyable to watch a movie.

Jiang Lingzhi felt that this was too blissful. "Your house is really nice."

The door of the main house was closed, and the light in the house was a little dim. The girl nestled on the carpet between the coffee table and the sofa, her fair little face hidden in the flickering light.

"You like it?"

Li Shunan leaned lazily on the sofa and licked the corner of his lips. He casually took a bag of chips, opened it, and placed it on the coffee table in front of her.

His voice was deep and magnetic. "I'll be here whenever you want to come over."

When she said this, Jiang Lingzhi was stunned for a moment. She picked up the chips on the table with a conflicted expression and whispered, "Are you so good to everyone?"

She didn't expect her deskmate to be so helpful despite looking cold.

When others were in trouble, he would also take them in and help them?

Li Shunan stared at her side profile and raised his eyebrows slightly. His voice was a little unclear. "Not necessarily."

"Split the people."

Jiang Lingzhi sat on the blanket on the floor. She turned her face sideways and looked up at him. She was a little curious. "How?"

Li Shunan leaned forward, and his eyes looked even more profound under the dim light.

He curled his lips and lowered his voice slightly. "Only my deskmate has the privilege. "

The room was very quiet.

The atmosphere suddenly became a little strange.

The music for the opening of the movie started.

Jiang Lingzhi's attention was instantly pulled back, and her heartbeat was inexplicably a little unstable.

She felt that she was thinking too much.

She understood the friendship between deskmates!

However, why was he staring at her like that? It was so seductive..

Chapter 129: Could She Have Been Poisoned?

Jiang Lingzhi calmed herself down and tried her best to focus on the movie.

"What movie is this?" A boy's lazy voice sounded in her ears.

The movie had already started, and Jiang Ling knew that she had chosen it herself.

She had been hearing about a film that Wen Yujing had recommended to her some time ago.

Jiang Lingzhi thought for a moment."

She was holding the remote control and was about to search for a movie when she happened to see this name, so she clicked on it.

It was said that the male commander and the female lead were beautiful. It was a particularly romantic and beautiful domestic romance film.

Moreover, it was a foreign film, so he could learn English.

In the end, after watching it for a while, Jiang Lingzhi felt that the male lead was alright. He was probably not her type.

She felt that he was far from being her deskmate.

Her deskmate's good looks instantly killed all the domestic and foreign young hunks.

Jiang Lingzhi was hugging a pillow in her arms. She rested her chin on it and stared at the big screen without blinking.

The phone on the coffee table suddenly rang. The ringtone was very abrupt in the room.

Jiang Lingzhi glanced at it and subconsciously reached out to take it.

Unexpectedly, the owner of the phone also bent down and reached out to take the phone.

Her hand bumped into the boy's outstretched finger.

Jiang Lingzhi was stunned, and her gaze fell on the boy's well-defined fingers.

Under the dim light of the projection screen, the boy's hands looked even more cold and white, with slender fingers.

Tsk, it would be a pity if he didn't play the piano with his hands.

Jiang Lingzhi was still a little out of sorts.

Until the boy's fingers brushed lightly against the back of her hand, causing an itch.

Jiang Lingzhi suddenly reacted as if she had just woken up from a dream.

That was not her phone.

She didn't even bring her phone with her.

Jiang Lingzhi turned her head, and her gaze met the boy's eyes. She paused for two seconds before she quickly retracted her hand and hid it behind her back. "Well, I wanted to help you get it."

Li Shunan's light brown pupils were emotionless. His fingers paused for a moment. After he took the phone, he slowly retracted his hand.

Her phone was still ringing.

He hadn't picked it up yet.

Li Shunan lowered his eyes and glanced at the phone screen. He stood up and said in a hoarse voice, "I'm going out to take a call."

Jiang Lingzhi turned her head to look at him and nodded. "Oh. ""

The back of her hand seemed to still have that trace of itchiness, making her feel a little uncomfortable.

She did not realize why he had to inform her when he went out to answer the call.

Li Shunan lowered his eyes and glanced at her white legs in shorts. He said lazily, "Sit on the sofa."

Jiang Lingzhi raised her head to look at him, and she let out an " Ah " after realizing what was going on. She stood up from the carpet and sat on the sofa. She grabbed a pillow and hugged it in her arms, and she sank into it.

Li Shunan bent down to pick up the cigarette box and lighter on the coffee table and put them in his pocket. When he walked to the door, he couldn't help but look back at the girl.

The little girl was nestled on the sofa. In the dim light, one could still see her slender white legs.

The tip of Li Shunan's throat rolled gently. He took a cigarette from the box and bit it in his mouth. He closed the door gently and pressed the dial back button.

Jiang Ling didn't go to the cinema often, but she would usually watch movies on her computer.

He didn't know what was going on today.

She was always distracted and inexplicably couldn't read.

She didn't seem to be paying attention to the movie.

The image of the boy's hand appeared in her mind.

It was really beautiful.

And when his fingertips brushed against the back of her hand...

It felt numb, as if there was a slight electric current.

When she thought of this, Jiang Lingzhi suddenly came back to her senses. The strange feeling on the back of her hand seemed to have appeared again.

She rubbed herself against the pillow.

Could she have been poisoned?

Chapter 130: Only 16

After hanging up the phone, Li Shunan didn't go in immediately.

His tall and straight figure leaned against the pillar under the eaves. There was a cigarette burning between his well-defined fingers, and the smoke lingered. However, she couldn't help but recall what had happened just now.

He thought of the girl's legs and waist.

And... Her red lips parted slightly as she spoke softly.

Ah Shu

Thinking about how she was still lying on his sofa, his heart felt a little itchy.

I want to kiss, I want to kiss

Crazy.

This was the first time he felt like a bird. Beasts.

Li Shunan lowered his head and took a puff of his cigarette irritably. He reminded himself again.

Tsk, she was only 6 years old.

He held a cigarette between his fingers and leaned there to puff.

Brother Nan!"

A person walked into the courtyard.

Sun Yan carried a bag in his hand and rushed over."Why did you suddenly fall in love with drinking milk tea? Why are you drinking milk tea at home instead of playing basketball? What kind of hobby is this?"

Li Shunan looked up and glanced at him."Lower your voice."

Sun Yan: ???

Isn't this a normal volume?

Sun Yan stopped in his tracks and looked into the courtyard suspiciously. He felt that something was wrong, but at the same time, it didn't seem to be.

He retracted his gaze and sighed." You don't know, you suddenly said you're not going, so you're not going. Just now, the gay boy almost hit me. Is it easy for me?"

Li Shunan frowned and shook the cigarette ash.

Sun Yan walked over and handed the bag to him. He looked at him for a while and said, "Brother Nan, I feel that something is wrong with you recently."

Li Shunan bit the cigarette butt in his mouth, his long and narrow peach blossom eyes half-closed as he took the bag. "What's wrong?"

"I can't say." Sun Yan sighed and put his arm on his shoulder. "However, I haven't heard you mention your deskmate recently. Did you guys have a fight?" Li Shunan snorted and turned his head to look at him with a meaningful gaze.

Sun Yan was a little worried. "Brother Nan, just tell me the truth. Do you really like my goddess? Tell me, do I still have a chance?!"

Although he felt that something was not right between the two of them last time, what if there was still a chance?

What if...

Li Shunan bit his cigarette butt and lifted his chin slightly. He picked up the plastic bag and asked, "Do you know who this is for?"

Before Sun Yan could react, he stared at the cup of milk tea and asked dumbly, "Ah, isn't this what you want to drink?"

Therefore, he found it strange when he received Brother Nan's message asking him to buy milk tea.

Why did he like to drink milk tea recently?

Li Shunan held the cigarette between his fingers, his peach blossom eyes half-closed, and his expression was unfathomable.

Sun Yan's heart skipped a beat as he reacted. "Don't tell me you bought this for my goddess?"

Li Shunan's tall and slender figure was leaning lazily against the wall. The smile on his lips was lazy and casual.

Sun Yan's heart sank.

He suddenly turned his head and stared at the closed door."Brother Nan, you..."

No wonder he felt that something was wrong.

The entire Laocheng District was his territory.

He usually did not close the door when he went out because no one dared to behave atrociously in his territory. Today, the door was tightly shut.

so...

So that was the case!

Hiding a mistress in a golden house?

At this point, Sun Yan suddenly covered his chest."Alright, I understand.. Since you guys have already developed to this stage...I understand!"
