

## Little Girl 151

Chapter 151: After All, She's Our Baby

"Huh?" Li Shunan raised his eyebrows.

Jiang Lingzhi hesitated for a moment before she said slowly, "I feel that your words today are a little strange."

Although she didn't smell alcohol on him, she couldn't find any other reason.

She said something that she didn't quite understand and didn't understand.

Li Shunan stared into her eyes and said slowly and meaningfully, "Probably because he doesn't want to tolerate it anymore."

Jiang Lingzhi frowned, and she could not understand what he was saying. She looked up at him and said, "Endure what?"

The girl's eyes were very clean. Her round almond-shaped eyes were slightly upturned, carrying an unconscious seduction.

She was seductive and her heart itched.

Li Shunan licked the corner of his lips and lowered his eyes. His gaze swept across her lower abdomen. Is it uncomfortable to be in the game?

He changed the topic too quickly, and Jiang Lingzhi didn't follow his train of thought. "Hmm?"

“Stomach.”

Jiang Lingzhi lowered her head to take a look before she realized what he was referring to.

This was an awkward topic.

Jiang Lingzhi cleared her throat before she suddenly said, “By the way, your thermos is still with me.”

That day, when her relative came, he filled her with a cup of Longan and Red

Jujube Tea in a thermos.

“However, how did you know that I was coming?” Jiang Lingzhi looked up at him. Although she was embarrassed, she really could not figure out this question.

“I heard you.” “I heard you and you...” Li Shunan said slowly. My friend is on the phone.”

Oh.” Jiang Zhi nodded.

That day, she had only called one person.

Did that mean he heard her call with Su Xici that day?

Jiang Ling knew that she had been depressed for the past two days, and she finally felt a little better.” “So, after you left the examination hall, where did you

“I sent you a message, but you didn’t reply.” She did not know what was going on, but her tone was inexplicably a little depressed.

Li Shunan suddenly raised his hand and propped it against the wall. He looked down at her and said helplessly, ““Thanks to you, my phone accidentally fell into the water and broke.”

Jiang Lingzhi looked up.

His phone fell into the water. Why was it all thanks to her?

How could he push the blame onto her?!

“He fell into the water when I was bathing your son,” Li Shunan said slowly.”

Jiang Lingzhi was speechless.

A son?

Jiang Lingzhi’s brain froze on the spot.

She really wanted to ask him, she was only 16 years old, how could she have a son?

After reacting for two seconds, Jiang Lingzhi tilted her head.”“Is the little pumpkin a male?”

Li Shunan smiled.” Yes. ““

Jiang Lingzhi found it unbelievable.

That day, he left the examination hall and then went home.

He even gave Little Pumpkin a bath?

After that, she soaked her phone in the water and broke it.

“..”Jiang Lingzhi was very curious.” How do you know that he’s a boy?””

Li Shunan put his hand on the wall and said,“”I took it to the pet hospital yesterday for a vaccine. The pet doctor said so.”

Jiang Lingzhi felt that her deskmate had once again overturned her understanding.

She had only entrusted him to stay at her house for a while. She did not expect him to really take care of her seriously.

He even helped it get a vaccine?

Jiang Lingzhi felt even more guilty.”

‘ No need.” Li Shunan raised his eyebrows and said meaningfully,“”After all, she’s our baby.”

Jiang Lingzhi was speechless.

When she said it, she clearly didn’t have any other thoughts.. Why did it sound so strange when it came out of his mouth?

Chapter 152: Come here.

Oh.” Jiang Lingzhi coughed lightly and lowered her head. “Thank you.”

Li Shunan bowed his head slightly.”

Jiang Lingzhi raised her eyes and looked at the handsome face that was so close to her. The outline of his face was very clear as she said softly, “Thank you for helping me get the medicine that day.”

Although he had been sleeping during the previous exams, the nature of that day was obviously different.

Jiang Lingzhi’s heart was filled with some kind of self-blame.

After all, he had to leave the examination hall halfway.

Perhaps, after he went to school, the class teacher would come to talk to him.

Li Shunan curled his lips and lowered his body. “Then how do you plan to thank

Jiang Lingzhi hesitated for a moment before she said with great difficulty, “Then what do you want?”

If he made some difficult requests, she would be at a disadvantage.

Jiang Lingzhi stared at him nervously.

If he dared to make a request that she could not fulfill, she would act shamelessly on the spot and pretend that nothing had happened.

“I owe you.” Li Shunan lowered his eyes and stared at her red lips for a while. He said slowly in a magnetic voice, “When the time comes, I’ll take it back once.”

Jiang Lingzhi’s heartbeat started to become unstable again. She stared at him for a while and felt very conflicted. “Then, then let’s make a deal. You can’t deliberately make things difficult for me. I have to do what I can.”

Li Shunan's lips curled into a smile. He brushed his fingers against her lips and whispered, "Don't worry, only you can do it."

When he came out of the exit.

The two people who were blocking the way were no longer there.

"Do you still want to play?" the boy suddenly said.

Jiang Lingzhi came back to her senses. "I'm not going. I wanted to go home too. I just need to tell Wen Yujing."

Okay," Li Shunan replied lazily. "Go ahead, I'll wait for you."

Jiang Lingzhi stopped in her tracks and turned her head sideways to look at him. "Aren't you going in to play for a while?"

She thought that he was here to meet up with his classmates.

Li Shunan leaned against the wall lazily and stared at her meaningfully. "I'm not that idle."

..Jiang Lingzhi frowned.

Then why did he come here?

Jiang Lingzhi retracted her gaze.

Back in the private room.

After informing Wen Yujing, Jiang Lingzhi left the class gathering early and walked out of the KTV with Li Shunan.

It was almost evening, and the sky was getting dark. The weather after autumn was a little cold.

When Jiang Lingzhi walked to the door, she suddenly shivered.

When she went out in the afternoon, the weather was still pretty good. She did not expect the temperature to drop at night.

She didn't even bring a jacket and was only wearing a short-sleeved T-shirt and shorts.

He was a little regretful.

Jiang Lingzhi turned her face sideways, and her gaze was at the same level as the boy's shoulder.

The boy had wide shoulders and a narrow waist. His figure was well-proportioned, and he looked very stylish even in an ordinary black coat.

She stared at her deskmate for a while and blinked. "Your coat looks pretty good."

In fact, she was just praising him.

However, this sentence seemed to be hinting at something.

It was as if she was shamelessly asking him for a coat to wear.

Jiang Lingzhi regretted it the moment she said it.

He was about to say something to change the topic.

Li Shunan turned around and chuckled. He took off his jacket.

The boy was wearing a white shirt and stood there like a crane. He held his coat in his hand and stared at her. He raised his hand and hooked his finger at her. "Come here.."

Chapter 153: I'll give it to you

"Ah?" Although she felt that his posture was a little like summoning a puppy, Jiang Lingzhi was still a little happy." "Do you want to lend me your clothes?" Since he had already made such a request.

Jiang Lingzhi accepted it calmly. She went up to him and raised both hands, intending to take his coat. "Thank you, deskmate."

Li Shunan smiled. He didn't put the coat in her hand. He raised his arm, took a step forward, and circled around her.

Jiang Lingzhi only felt a weight on her shoulder, and her body was wrapped in a warm feeling.

The boy leaned forward slightly and was very close to her. The fabric of his shirt brushed past the tip of her nose.

This position seemed to be embracing her.

Jiang Lingzhi's body stiffened, and she smelled the unique mint tobacco fragrance on his body. It was a very clear fragrance.

"I can give it to you." The boy's low magnetic voice filled her ears.

Jiang Lingzhi subconsciously lowered her head to take a look. The black coat that the boy was wearing was now draped over her shoulders.

Her nose was filled with his scent.

Jiang Lingzhi blinked and looked up at him.

Li Shunan was also staring at her. His black hair fell in front of his forehead, and his light brown eyes were lazy and casual. "Yes, whose clothes are these?"

He pressed his palm lightly on her shoulder.

Jiang Lingzhi's heartbeat was a little uncontrollable again.

She suspected that she was going to have a heart attack.

Recently, her heartbeat had been out of her control.

Jiang Lingzhi lowered her head and calmed her heartbeat. She slipped her gloves into the sleeves of her coat, and the black coat wrapped her entire body inside.

It was as if he was wearing an oversized jacket.

"Cough, it suits me quite well." Jiang Ling knew that she was quite satisfied. She rolled up her sleeves a few times and exposed her wrist.

Li Shunan tilted his head and stared at her for a while. The smile on his lips was a little playful. He put his hands in his pockets and asked lazily, "Is there a curfew at home?"

Jiang Lingzhi recalled what her mother told her when she left the house. "Before 8 o'clock."

Li Shunan raised his hand and looked at the time. "6:50. There's still an hour left. Do you want to go see the little pumpkin?"

After a pause, he continued, "I'll send you home before eight."

Jiang Lingzhi put her hand into his coat pocket. "Y-you can."

A taxi stopped by the road.

Su Xici came down from inside and took out a hundred from her wallet. After throwing it in, she said, "Keep the change."

He walked straight towards the KTV.

The boy was wearing a black hoodie and ripped jeans. His black hair was a little messy, and he looked very young.

Other than the fact that the untamed hostility in his eyes was a little heavy.

When Jiang Lingzhi raised her head, she saw him from afar. The smile on her lips froze instantly, and her heart suddenly skipped a beat.

Why was he here?

She suddenly thought of something and subconsciously turned around to look at the second floor.

It was over.

It's over, it's over, it's over, it's over...

Su Xici's legs were very long, and she walked to the door in a few steps.

Jiang Lingzhi was in a brainstorm, and she was a little flustered.

If he had seen the scene just now, he would have died.

What should he do?

When she saw Jiang Lingzhi at the door, the anger in Su Xici's eyes dissipated a little. She lowered her voice and asked, "Why are you here?"

Jiang Lingzhi choked for a moment. She really wanted to pretend that it did not matter. and she shrank back. "Ah. me. I'm here for a party."

"What about her?" Su Xici frowned..

Chapter 154: Let Go

Jiang Lingzhi was a little nervous. She hesitated for a moment and decided not to interfere in his matters. "I don't know!" she replied in a panic."

The girl answered too quickly.

It was obvious that he was not familiar with the cover business.

Look at his guilty expression.

Su Xici could tell at a glance that she was uneasy, and her eyes instantly darkened. "You know, don't you?"

"Good job." Su Xici nodded, looking a little annoyed. He grabbed her wrist and pulled her inside. "Follow me."

"Me, me, me..." Jiang Lingzhi tugged at him twice, but he did not budge. "Ah Ci..."

I really don't know!"

His entire body was filled with hostility.

His eyes were on fire, as if he was about to catch someone and make a move, like a deep-sea torpedoes that were about to ignite and explode.

Jiang Lingzhi was in a deadlock with him when her wrist was suddenly grabbed by another hand.

The boy's magnetic voice came from above. "Let go."

Not expecting someone to intervene, Su Xici was stunned for a moment. She turned to look at the person and laughed angrily. "What does it have to do with you? Let go of me."

"Let go?" Li Shunan pursed his lips and tilted his head. He snorted, his eyes indifferent and arrogant. "Impossible."

KTV was full of people.

People passing by would inevitably cast their gazes on them.

The main reason was that the three of them had too high a value.

If they stood together, wouldn't it be an idol drama?

Moreover, it was the most melodramatic case of two men fighting over a woman.

This scene was too delicious!

As a result, the people passing by slowed down.

Su Sici frowned as she suddenly remembered.

He had some impression of this person.

That day at the school gate, he had noticed this person's hostile gaze.

Wasn't she Jiang Lingzhi's deskmate?

Su Xici lowered her head and looked at Jiang Lingzhi coldly.

Receiving his gaze, Jiang Lingzhi felt inexplicably guilty.

Su Xici snorted and looked at him. "No, who are you? Do you know what my relationship with her is? Who are you to interfere?"

Li Shunan looked up. His narrow eyes were slightly closed, and his expression was as arrogant and indifferent as ever. "She is my deskmate, and you say that she has something to do with me?"

The two boys were tall and stood facing each other. They were tall and slender, and their auras collided.

Su Xici was already in a bad mood, and the eldest young master could no longer suppress his temper. He was a little agitated at the moment, and he used a little more strength."Say it again, let go."

Jiang Ling frowned in pain." Ah Ci, can you calm down?"

Su Xici was still fuming, and her voice unconsciously became heavier."Shut up. I'll settle the score with you later."

Seeing her frown, Li Shunan's gaze swept over the girl's fair wrist and he subconsciously relaxed his grip.

There were already people who could not hold it in anymore."Ahhhh, little brother is so handsome. Are they snatching the same girl?"

"Sob, sob, sob, both of them are so handsome. This girl is a little too blissful..."

"Are they going to fight?"

The onlookers didn't dare to get too close and hid far away, but it didn't stop them from watching.

"Is she your deskmate?" Su Sici chuckled, her tone a little bitchy."Then ask her.

Ask her who she wants to go with."

After he finished speaking, he glanced at Jiang Lingzhi. He gritted his teeth and used a volume that only the two of them could hear. "Don't let me find her.."

Chapter 155: 10 minutes

Susie didn't say anything else, but her threat was strong.

After she finished speaking, she stared at Li Shunan with confidence, and her provocative tone came out again.

Li Shunan's beautiful eyebrows knitted slightly. His throat moved, and his light brown eyes stared at her.

Jiang Lingzhi was a little hesitant.

She really didn't want to get involved.

How could this idiot be more important than his deskmate? Why did he have to involve himself in their matters?

Actually, she didn't even realize it.

Since when did his deskmate's status surpass his childhood friend's?

Jiang Lingzhi's wrist moved, and she subconsciously wanted to break free from Su Xici's shackles.

Su Xici's eyes darkened, and her face darkened. She tightened her grip on her wrist. "How dare you!"

"Think carefully." "It seems that I need to talk to your mother about the last time you went to the bar secretly.""

Jiang Lingzhi was speechless.

All these years, he had gotten hold of a lot of things that could be used against him.

Jiang Lingzhi hesitated for a moment and did not dare to move. She could only raise her head and stare at Li Shunan. "Can you wait for me for ten minutes?"

Ten minutes is enough!”

Her eyes were very clear, and there was a hint of pleading in them.

Li Shunan stared at her for a while, his eyes dark and his handsome face indifferent.

He thought for a while with a heavy gaze and gradually loosened his grip on the girl’s wrist.

Jiang Lingzhi stared at his fair fingers as they gradually left her wrist. She was flustered for a moment. “I’ll explain to you later. Wait for me.”

Li Shunan stuffed his hands into his pockets, looked into her eyes, and said slowly, “Ten minutes.”

Su Xici snorted lightly. She did not have the time to care about their agreement. She grabbed Jiang Lingzhi’s wrist and brought her to the second floor. “Where did you hide her?”

Jiang Lingzhi glanced at the tall and slender figure and retracted her gaze. Her voice was a little muffled as she said, “I really don’t know!”

Su Xici didn’t even turn her head. “Keep pretending. The two of them are colluding, right? Lying to me?”

The two of them went straight to the second floor.

Li Shunan stood there like a crane. He took out a cigarette box, took a cigarette out of it, and bit it. He turned around and took out a lighter to light it. The expression on the boy’s handsome face instantly became unclear.

He dared to take her away forcefully just now.

However, he couldn't tell how much that childhood sweetheart meant to her.

He had always felt that things had to be done step by step. He had the patience to wait for her to grow up in two years.

Therefore, he was willing to respect her choice.

Li Shunan leaned against the roof and raised his hand to look at the time on his

WdLC11.

Then, ten minutes.

The people around them couldn't hear what they were saying, but they could clearly see the girl leave with the boy in the hoodie.

The crowd was stunned.

"So, so this young lady chose this boy in the sweater?"

"Sob, sob, sob. I clearly think that this little brother in a shirt is more handsome."

"Besides, he's clearly gentler. This guy in the hoodie was fierce to her just now.

So, is a gentle boy destined to be unpopular?"

"All girls like bossy ones. Isn't he nice when he's gentle and considerate?!"

"I also..."

Su Xici dragged Jiang Lingzhi up to the second floor.

The boy's lips were very straight and his eyes were a little dark. He pushed open the private rooms one by one and searched the entire KTV.

"Damn it, where did he hide?!"

Chapter 156: be cuckolded

Taking advantage of his anger, she rushed forward.

Jiang Lingzhi quickly took out her phone with her other hand and sent a text message.

"You, did you hear someone say something?"

"Do I need to f \* cking hear about it?" Su Xi was furious. Look at the post she posted on her WeChat Moments."

Jiang Lingzhi was dragged forward by him. She endured it again and again, but she still could not help but complain,""Didn't you find your classmate to anger her? Besides, you guys have already broken up. Why do you still care about

Su Sici choked and her fingers paused."She broke up just because she said so? I don't agree!"

Jiang Lingzhi was speechless.

Su Xici dragged her and searched the entire KTV, but she couldn't find anyone.

“Damn it, he really knows how to dodge.”

Jiang Lingzhi was dragged by him passively. She took out her phone with her other hand and looked at the time.

It had been nine minutes.

Jiang Lingzhi tugged at her wrist and wanted to break free from his palm. ““Since you haven’t found it, let’s go. I’m in a hurry.”

Su Sici looked at her coldly. ““If I can’t find her, don’t even think about leaving.”

Jiang Lingzhi was speechless.

What the f \* ck?

“Can you be more reasonable? What does this have to do with me?” Susie laughed angrily. “I’ve been cuckolded. Who am I going to reason with?”

Jiang Lingzhi was furious.

What does it have to do with me that you’re cuckolded?!

By the time he searched the entire KTV again, 20 minutes had passed.

Jiang Lingzhi’s heart was like dead ashes.

Coming out of KTV, Su Xici stood under the roof and laughed angrily. She

gritted her teeth and said, ““Fu Baixue, don’t let me catch you. Otherwise, I’ll break her legs!”

Jiang Lingzhi glanced at the empty roof. The boy was no longer there, and she could not hide her disappointment.

He really left.

Jiang Lingzhi glared at Su Xici angrily and could not help but kick his calf. "It's all your fault, you jinx!"

Su Xici hissed after being kicked by her, but she couldn't be bothered to be angry anymore.

He raised his hand to press down on her head and rubbed it messily. "You've got guts. Who was that just now? Good morning. Love? Little wimp, be careful or I'll sue your parents."

"Go ahead, go ahead." Jiang Ling knew that she wasn't very satisfied, so she kicked him again angrily. "I started early when you were 15. Tell Auntie Su about your love. Who's afraid of who? Let's hurt each other!"

Su Xi Ci was speechless.

At night.

Jiang Lingzhi came out of the bathroom after taking a shower. She lay on the bed in her nightgown, and she was still in a daze.

He didn't know why.

When she came out of the KTV and didn't see her deskmate, she was overwhelmed with disappointment.

Even now, he still couldn't recover.

Jiang Lingzhi glanced at the black jacket on the side of the bed, and her heart felt a little gloomy.

She leaned over and pressed her face against the slightly harder fabric of the coat.

It was clean and refreshing, mixed with the smell of mint and tobacco.

Someone knocked on the door, and Lu Yuping's voice sounded at the door. "Zhizhi, White Snow is here. I asked her to come up directly." Jiang Lingzhi didn't want to move at all.

He didn't want to do anything. He just wanted to lie there until he died.

The footsteps outside the door gradually faded away.

After a while, the sound of someone opening the door was heard, followed by the sound of footsteps approaching.

"Little Lingzhi, why didn't you come to welcome me today?" The girl's voice was cold and arrogant, with a hint of teasing.

Jiang Lingzhi hugged her coat and did not even want to turn her head back.

If it weren't for them, her deskmate wouldn't have left without saying goodbye.

Break off all ties and ignore them.

[PS: I never said that Su Xici was the second male lead. Hahaha.]

Fu Baixue was a new character. She was Su Xici's official partner and had never appeared before.

The Little Lotus in front was just a bystander, not important.

## Chapter 157: The Bastard Staring at the Green Bean

Fu Baixue raised her eyebrows and placed her hand on the edge of her bed, patting her butt. "Hey, what's wrong with you today? Why are you throwing a tantrum?"

Fu Baixue was very beautiful. She had curly black hair, bright eyes, white teeth, red lips, and white teeth. She had beautiful facial features.

Seeing her red eyes, Fu Baixue realized that something was wrong. "Why are you crying?"

When she said this, Jiang Lingzhi felt extremely guys are so annoying. You break up every two or three days. If you break up, then so be it. What does it have to do with me? Why do you keep getting me involved?"

Now, her deskmate definitely did not want to talk to her.

Jiang Lingzhi sighed, and she felt terrible.

Fu Baixue couldn't stand seeing Lingzhi cry. "What's going on? Wake up, speak properly."

Jiang Lingzhi sat up on the bed. Her waist-length hair was casually let down, and her beautiful eyes stared at her. The corners of her eyes were a little red. Fu Baixue smiled and pinched her nose. "Why do you look so cute when you

Jiang Lingzhi snorted coldly. "I shouldn't have helped you. I should have let him break your legs. It's not like he broke my legs."

Fu Baixue was speechless.

Jiang Lingzhi thought of the scene when they were at the KTV earlier. The boy had pinned her against the wall in the corner.

And that mushy conversation.

– Baby, I’ll just kiss you once.

[Kiss me? Where do you want to kiss me?]

Jiang Lingzhi shivered and added, “Scum!”

Fu Baixue was speechless.

Fu Baixue was lying on her bed and found it funny. “Why are you so heartless? Jiang Lingzhi, little friend.”

“How many times have you said that?” Jiang Lingzhi lifted her fingers and counted her crimes in detail. “You broke up at least 10 times, right?”

They broke up every few days.

He did not know what his hobby was.

“Who asked him to find a girl to anger me a few days ago?” Fu Baixue raised her eyebrows and took out a pack of women’s cigarettes from her pocket. She took out one and put it between her red lips. “Why can’t I find a guy to annoy him?”

Jiang Lingzhi rolled her eyes.

Childish.

Fu Baixue was indeed Snow White in the past.

But that was before her family went bankrupt.

The three of them grew up together and lived in the same villa area. Fu Baixue and Su Xici were the same age, and Jiang Lingzhi was two years younger than them.

Fu Baixue was a proud princess.

To be honest, the two of them were more in line with the love story of childhood sweethearts in romance novels.

Later on, the two of them met each other's eyes.

They started dating and had been together for about three years.

After a period of time, they would have to break up.

Jiang Lingzhi was already used to it.

She did not want to get involved in their matters.

Fu Baixue was in her third year at Seventh High School, and she had already moved away from the villa area for a few years, so they rarely saw each other. That was why Jiang Lingzhi saw her flirting with that man just now. When she was in love, she was still surprised. Jiang Lingzhi raised her eyes and stared at her."

She had never seen Ah Ci so irritable.

He was probably really angry.

Jiang Lingzhi stretched out her wrist that was pinched red by Su Xici to show her.””Did you see that?”

Her skin was extremely fair. At this moment, a red bruise was particularly obvious on her fair wrist.

Fu Baixue took it and looked at it carefully.”

Jiang Lingzhi pursed her lips. She was so angry that she could not laugh.”From the way he acted just now, I think he even wanted to kill someone..”

Chapter 158: I seem to like someone

“I’ve already broken up with him. I can’t help you bully him back.”Fu Baixue laughed self-deprecatingly. She bit on a lady’s cigarette and was about to light it.

After some thought, he decided not to smoke on her bed.

Jiang Lingzhi’s skin was fair, and she would usually turn red when she bumped into someone.

Su Xici was in a fit of anger just now, and she couldn’t stop herself for a moment. Actually, it didn’t hurt much, but it looked scary.

Jiang Lingzhi was not angry because of this.

Fu Baixue got out of bed and sat on her bay window. Her fair and tender feet swayed as she lit a cigarette.”Fortunately, you sent me a message. Otherwise, I would have died.’

Fu Baixue blew out a smoke ring.” So, the back view of the person who passed by in the corridor just now was really you. I was wondering why you looked like him.”“

The girl smoked very skillfully. Her red nail polish made her fingers look even fairer. She was a little sexy and charming.

“So?” Jiang Lingzhi did not have much of an expression. “So it’s really over between you two?” You’re already fooling around with other men?”

“I didn’t really kiss him. I just hung around and chatted with him.” Fu Baixue’s eyelids twitched, and she realized something was wrong. “What happened? Who did you learn all this nonsense from?”

Jiang Lingzhi pursed her lips.”

Fu Baixue narrowed her eyes and chuckled. “Since it’s so awesome, do you want a bite?”

Jiang Lingzhi pursed her lips.” I don’t smoke.”“

She hung her head low and looked listless.

Fu Baixue stared at her for a while before putting out the cigarette in her hand. She walked over and patted her head. “Lingzhi, are you sad about our relationship?”

Jiang Lingzhi rolled her eyes and tugged at the corner of her lips.”I don’t have the time. It’s none of my business whether you get married or divorced.” Fu Baixue was speechless.

“This is a curse!” Fu Baixue was puzzled. She stared into her eyes for a while. “Then why are you sad?”

Jiang Lingzhi looked at her with red eyes.

After all, they had been good sisters since they were young.

Although the three of them often quarreled, their relationship was really good.

Because she was young, the two of them had always doted on her.

There were still some things in his heart that he wanted to share with her.

Jiang Lingzhi sighed and could not help but reveal her inner thoughts. She said softly, "Xiao Xue, I seem to like someone."

"Really?" Fu Baixue was stunned.

She immediately lifted her quilt and lay down beside her. She stared at Jiang

Lingzhi and was a little gossipy. "Who is it?"

Jiang Lingzhi lowered her head, and she was a little conflicted as she grabbed the blanket and twisted it. "I seem to like my deskmate."

Fu Baixue thought she was just joking, but she didn't expect her to be serious.

"In my lifetime," she clicked her tongue.

"What kind of boy is this? How can you like him?"

Fu Baixue was very curious about the boy that Lingzhi liked. "Why do you like him?"

He is especially good to me." Jiang Lingzhi sniffled. "Especially...I can't describe that feeling either."

"I just want to see him and stay with him. As long as I see him, I'll be very happy."

Fu Baixue asked a crucial question, "Does he like you?"

Jiang Lingzhi paused for a moment, and her expression was a little conflicted. "I don't know."

Fu Baixue poked her cheek. "Look at how beautiful you are. Those who don't like you are probably blind. Go chase after her."

Chapter 159: Afraid that she would get angry

Jiang Lingzhi thought of the empty roof just now, and she wrinkled her nose. "But he might be angry."

"Why?" Fu Baixue was puzzled.

When she said this, Jiang Lingzhi raised her head and stared at her coldly. "It's all because of you two."

Fu Baixue was speechless.

What a strong resentment.

It was terrifying.

Fu Baixue coughed lightly and changed the topic. "Um, I also heard that you did badly in your math exam this time?"

When she heard about the exam, Jiang Lingzhi became even more dispirited. She hugged the pillow listlessly and rubbed it. "Don't mention it. I only wrote the multiple-choice fill-in-the-blank questions."

Fu Baixue did not expect it to be so serious. She propped herself up with her arms and sat up. "Then your score must be very low this time. As for your mother..."

Jiang Lingzhi sighed deeply. "I don't know what to say. I'm afraid she'll be angry."

Therefore, she subconsciously ran away.

She did not dare to mention this matter even after a few days of vacation.

"She'll find out eventually." Fu Baixue tucked her hair behind her ears. "Is there still hope for the special class?"

Tiang Lingzhi sighed and hugged her slender waist. Her voice was a little muffled as she said, "I don't think I can enter the special class. I didn't even dare to say it."

Fu Baixue patted her head. "Don't be so stressed. It's just one exam. It'll be fine."

"You can come back next time."

His phone rang with a notification.

Fu Baixue took out her phone and looked at the time. She lifted the blanket and got out of bed. "It's getting late. I have to go."

Jiang Lingzhi stared at her pitifully. "Aren't you going to stay the night?"

"I just came to see you. I still have to go to the bar to sing." Fu Baixue stood by the bed and rubbed her head. Her big curly hair hung down in front of her chest. She was lazy and charming. "Call me if you need anything. Sister will be there in 10 minutes."

Jiang Lingzhi went to the side of the bed and hugged her waist.””Then come and find me when you have time.”

“Alright, go to sleep.” Fu Baixue smiled.”

The night gradually deepened.

The 147Club Billiard Club was usually crowded at this hour, but there were only a few people today.

The ground was in a mess, and things were smashed everywhere.

Qi Liangji was sitting on the steps of the door. There was a cut on his forehead. He had a cigarette in his mouth and took a puff.

An elongated shadow hit the ground.

“What happened?” The young man’s lazy and indifferent voice sounded particularly quiet in the night.

Under the colorful neon lights.

When Qi Liangji raised his head, he saw his boss ‘tall and slender figure.

The young man was wearing a white shirt, and his well-defined facial features were hidden in the half-light. He was calm and quiet.

Qi Liangji was a man, but his eyes were red. He took a deep puff of his cigarette and said,””The shop is closing.”

Qi Liangji really treated him as his boss, so he was willing to tell him everything.

“At that time, my parents didn’t approve of opening this shop. I talked to them for a long time before they agreed. They woke up early and set up a breakfast stall. It wasn’t easy for them to save up 200,000 yuan. They said that they would give it to me for my college entrance examination and marriage in the future.”

“All my savings over the years have been spent on this shop. Now that the shop can’t be opened anymore, I’ve lost all my money.” At this point, his voice choked.

Although Qi Liangji was doing well in school and had connections, plus his relationship with Li Shunan, the business of the billiard shop was getting better and better.

However, if they developed well, it would inevitably affect the business of other competitors.

Now, he was being targeted.

He was even warned to smash the shop and ordered to close it down next month.

After all, Qi Liangji was still a student. No matter how good he was in school, how could he compare to the people in society?

After all, an arm couldn’t win against a thigh.

He just felt that he had let his parents down. All the hard-earned money had been lost by him.

Li Shunan had one hand in his hand and didn’t have much emotion. He leaned against the pillar and asked lazily, “Do you know who did it to the Netherworld?”

Chapter 160: Your mother doesn’t want you anymore

Qi Liangji raised his hand and rubbed his buzz cut. The cigarette between his fingers was burning with a scarlet light. He was still worried. “He’s the boss of Starlight. I heard that he owns the entire bar street.

He's a very ruthless person and has a way of doing things. He's the only billiards shop in the Laocheng District district, so how would I dare to go against him?"

That person had been fighting for so many years and was an old fox. That was why he had reached this stage today.

Qi Liangji no longer had any hope. He was desperate and dispirited.

He took a deep puff of his cigarette.

When she looked up again, she saw the young man standing up unhurriedly.

He took out his phone from his pocket and walked to the flower bed. He tilted his head and lit a cigarette, as if he was on the phone.

The young man was wearing a white shirt and the cigarette butt between his fingers was clearly extinguished. His eyes were tired and unfocused. It was as if he was always calm and indifferent no matter what.

A few minutes later, he hung up and walked over.

Li Shunan held a cigarette between his fingers and stood beside him. He kicked him and said lazily, "Alright, let's renovate the shop and run it well. I'm so sleepy. I'll go back first."

Without waiting for his reply, she bit the cigarette butt in her mouth and walked away unhurriedly.

Before Qi Liangji could react, he had already turned around and walked into the night.

However, she could vaguely sense that he was not in a good mood today. He had only said a few words when he came.

In less than ten minutes.

A black car stopped at the entrance.

A man in his thirties got out of the car.

Qi Liangji recognized this person.

It was the boss of Starlight that he had mentioned earlier.

Qi Liangji's heart skipped a beat. He quickly stood up, thinking that he was here to find trouble again.

However, the man walked over with a business smile on his face and politely handed him a cigarette. "Little brother, this is just a misunderstanding. You know Shunan? Why didn't you say so earlier? Look at what happened."

The man took out another card from his pocket and handed it to him. "The people under me are confused. Take this money and renovate it. We're friends." Qi Liang Ji was confused, "What? This money..."

The man pushed the card into his arms and patted his shoulder. "You have to accept this money. This is really a misunderstanding. Boss Li's friend is my friend. We'll be friends in the future and get rich together."

Even after he left, Qi Liangji was still confused. He glanced at the bank card in his hand.

Hiss...

What was going on?

When he returned to the courtyard, it was already nine o'clock at night.

The courtyard was pitch black.

Li Shunan casually put out the cigarette between his fingers and glanced at the mailbox at the door.

He took the envelope out and walked into the courtyard. He pushed open the door of the main house and turned on the lights. The room was instantly lit up.

Pumpkin, who was still lying in the cat bed, meowed softly and walked over to rub against his ankle.

Li Shunan stared at it for a while, then bent down and picked it up with one hand. His voice was a little hoarse. "Your mother doesn't want you anymore."

Little Pumpkin is very light, and the sound of the " meow "

His voice was a little desolate, as if he understood.

Li Shunan lowered his eyes and smiled. He put the little pumpkin back into the cat bed and threw the envelope on the coffee table.

He went to the kitchen behind and used a milk saucer to make some cat milk powder for Little Pumpkin. He placed it in front of the cat's nest.

"Tsk, even you can't keep your mother's heart.."
