

## Little Girl 171

Chapter 171: It's so exciting

Hao Weiwu: " Guo Cong, what are you laughing at? There's chili stuck in your teeth. Stand behind me!"

Guo Cong was speechless.

The classroom burst into laughter again.

A few boys were laughing so hard that they could not stop.

Hao Weiwu walked down with his hands behind his back and said,""Don't think that I'll let you off just because you were in my class before. Now that we're in a new class, we treat you equally."

"Look at Student Jiang Lingzhi..."

As he said this, he happened to walk to Jiang Lingzhi's side.

Coincidentally, the classroom fell silent. There was no sound at all, and the sound of crackling could be heard.

It wasn't particularly loud, but it was enough for Brother Weiwu to hear it clearly.

Hao Weiwu heard it clearly.

Jiang Lingzhi was speechless.

Hao Weiwu was speechless.

Jiang Lingzhi really did not expect that the legendary popping candy would have such an effect.

It was too exciting!

She had just poured the entire packet into her mouth, and her voice was loud and clear.

Although Li Shunan didn't eat the popping candy, he bit the lollipop inside and leaned against the wall. The small white stick was exposed outside his thin lips. He looked very arrogant.

Hence, he decided to do it.

So Jiang Lingzhi and Li Shunan were invited to stand outside the classroom.

It was class time now.

The corridor outside the classroom was very quiet.

The two of them leaned against the corner of the wall.

The current temperature was just right. The weather in early autumn was neither cold nor hot.

Jiang Lingzhi stood up straight. She crossed the fence and stared at the field in the distance. There were people having physical education class there.

No matter how she thought about it, she felt that it was very magical. She sighed and said, "This is the first time I've been punished to stand." On the other hand, the boys were more casual.

Li Shunan had his hands in his pockets. His tall and slender figure leaned against the wall, slouching.

“How do you feel?”

Jiang Lingzhi was silent for a while and sighed. “I feel a little embarrassed. Why is the popping candy so loud? If I had known earlier, I would have eaten it after class.”

It was really awkward in front of so many people.

Li Shunan turned around and chuckled.

Jiang Lingzhi sighed. She took out the torn candy packaging from the pocket of her school pants and took out the lollipop inside to bite it.

“But now, I can eat lollipops openly.”

Li Shunan glanced at her bag. “Why do you still have more?”

“I just ate the popping candy inside. I didn’t even eat the lollipop. “Jiang Lingzhi put the empty bag back into her pocket. “What about you?”

“I lost it.”

After saying that, he stared at her lips for a while. “I want to eat too.”

Jiang Lingzhi’s cheeks puffed up, and her eyes were curved into crescents. She was very proud of herself. “I’m smart. Can you learn from the smart Doctor Xiao Jiang?”

When she smiled, the corners of her eyes drooped down like crescent moons.

Jiang Lingzhi was smug for less than five seconds.

In the next second, the lollipop in her mouth was taken away by someone.

Li Shunan lowered his eyes and held the stick with his well-defined fingers. He bit her strawberry-flavored lollipop and smiled. "Learn from Doctor Xiao Jiang." Jiang Lingzhi was speechless.

Jiang Lingzhi was stunned for a while before she reacted. She was simply stunned. She lowered her voice and asked, "What are you doing?"

"Didn't you say you should learn from Doctor Jiang?" Li Shunan raised his eyebrows and said matter-of-factly, "Why don't I just borrow yours?"

"I borrowed a little of Doctor Xiao Jiang's cleverness.."

Chapter 172: Give me a chance to be responsible?

"I borrowed a little of Doctor Xiao Jiang's cleverness."

Jiang Lingzhi was speechless.

'Why are you like this?!' Jiang Lingzhi jumped up and reached out to snatch her lollipop back.

The boy was too tall, so she jumped a few times.

Li Shunan straightened his body. When the girl leaned over, he reached out and wrapped his arms around her waist. The corners of his lips couldn't help but curl up.

They stood in a blind spot outside the classroom, but they did not dare to move too much, afraid that the people inside would hear them.

Li Shunan grabbed her wrist and pulled her to him. He raised his eyebrows. "I've already eaten. Do you still want more?"

"Then I've already eaten!" Jiang Lingzhi glared at him angrily. She was simply very angry!

He was so angry!

Li Shunan chuckled and stared at her condescendingly. "I really want to eat you," she said, unable to hold back.

What else could Jiang Lingzhi do? Was she going to beat him up because of a lollipop?

After holding it in for a long time, he finally said, "Aren't you afraid that I have an infectious disease?"

She blurted out in a moment of desperation.

It was like a child's mentality.

You stole my things, so I won't make you happy!

He was disgusted to death!

Who knew?

Li Shunan raised his eyebrows and answered slowly, "You've already kissed me.

Why are you afraid of this?"

Jiang Lingzhi was speechless.

As soon as he finished speaking, the air instantly fell silent.

Jiang Lingzhi had always been too embarrassed to mention what happened that day. She just felt embarrassed, and now he suddenly brought it up.

It was still the same casual tone.

Moreover, she realized that after the commotion just now, she was almost leaning against the boy.

They could even feel each other's warmth through the thin summer school uniform.

Only then did Jiang Lingzhi feel that something was wrong. The heat started to spread from her neck to her cheeks.

She looked up at him and stared blankly at him for two seconds. Her eyelashes trembled slightly, and she took a step back. Then, she retreated to the side and leaned against the wall.

Li Shu turned his face to the south and could see the child's red ears.

The girl was too thin-skinned.

After all, she had never even held hands with anyone before.

Previously, when she accidentally touched his hand, she was extremely nervous.

She was like a blank piece of paper in love.

He could not figure it out.

He just didn't know why she liked that childhood sweetheart.

Li Shunan raised his eyebrows and looked away."Are you angry?"

Jiang Lingzhi's eyelashes trembled, and she did not want to pay attention to him.

Li Shunan leaned against the wall lazily and curled his lips silently."Chu...Kiss?"

He recalled the feeling of kissing her that day.

It was soft and smooth.

Tsk, it was quite easy to kiss.

She suddenly felt a little lucky. Luckily, that childhood sweetheart was blind.

Li Shunan licked his lips and said lazily,""Give me a chance to take responsibility?"

Jiang Lingzhi was speechless.

Give me a chance, take responsibility... What?

Did this mean what she understood?

Jiang Lingzhi's heart skipped a beat, and she mumbled,""Ah?"

Li Shunan turned his face and stared at her with his light brown eyes.

Jiang Lingzhi swallowed her saliva.” How? How?””

After these few days, Jiang Lingzhi was actually a little certain that he probably liked her a little.

However, she was nervous and a little conflicted.

All sorts of complicated emotions were mixed with a hint of anticipation.

But, but, you can't date in high school!

That was early. Was she in love?

Good morning. Love will affect learning!

Chapter 173: Is That Done?

If he confessed now, she didn't know how to respond.

Jiang Lingzhi's hands subconsciously tightened around the hem of her clothes.

The girl's eyes were clear and wet. One could tell at a glance that she was nervous.

Li Shunan stared at her thoughtfully for a while.

Tsk, tsk.

The little girl was only 16 years old.

He didn't expect that the first time he chased someone, he would be defeated by the age gap.

He was too much of a beast.

He couldn't be too hasty when dealing with a little girl.

First, she would kick out the place of that childhood sweetheart in her heart bit by bit.

Li Shunan put his hands in his pockets and leaned against the wall. He paused and said slowly, "Give you a chance to drink milk tea?"

So it was...

Milk tea.

Hearing this answer.

Jiang Lingzhi heaved a sigh of relief, but at the same time, she felt a little disappointed.

"Oh, milk tea? Sure." She nodded slightly.

Li Shunan licked the corner of his lips and stared at her for a while. He felt that her expression was a little cute, so he glanced at her belly. "Um, is it done?"

Is it done?

What's done?

Jiang Lingzhi turned her face sideways and realized that he was staring at something. Her cheeks started to heat up again.

“What does it have to do with you?”

“It’s been six days. You should be fine now, right?” Li Shunan asked again.”

Jiang Lingzhi was speechless.

Jiang Lingzhi almost jumped up.”

Although she felt uncomfortable every time her relatives came, four days was usually enough.

Why would a man like him ask such an awkward question to a girl?!

Li Shunan curled his lips and shut up as she wished.

Biting on the lollipop, she looked away and took out her phone from her pocket.

Jiang Lingzhi turned her head to look at him. She did not know what he was doing.

She leaned against the wall and stood quietly, staring at the field in the distance.

After typing for a while, the boy put his phone back into his pocket and leaned against the wall lazily.

A female teacher walked past them with a textbook in her arms, and her gaze could not help but fall on them.

The girl in the school uniform and the boy in the shirt were too good-looking. The scene was a little beautiful.

It was just like the pure and innocent little beauty of her student days.

She couldn't help but smile.

These two students were too good-looking!

The female teacher stared at the two of them for a while and sighed. Soon, she passed by them and entered the classroom in front.

Less than five minutes had passed.

A person walked over from the direction of the stairs.

It was a boy. When he saw them, he jogged over.

"Brother Nan."

He did not dare to speak too loudly, afraid that the teachers in the classroom would hear him.

After coming to the front, she handed two Haagen-Dazs ice cream to Li

Shunan."Ice cream."

Li Shunan took it and responded casually.

"Brother Chennan, I'll go to the physical education class first. "The boy was still wearing his jersey. After delivering the items, he turned around and jogged downstairs.

Jiang Lingzhi was stunned at the side. She stared at the ice cream in his hand for a while and blinked.

What kind of operation was this?

Li Shunan lowered his face and handed her a cup of ice cream. "The school doesn't have milk tea. Do you want to eat this?"

Jiang Lingzhi stared at the ice cream in his hand for a while. She instantly stopped fussing about the lollipop and raised her hand to take it. "Thank you." A lollipop for an ice cream was still worth it.

Jiang Lingzhi took the ice cream and carefully tore open the packaging. She looked around and was still thinking about where to throw the trash when she saw the boy stretch out his hand.

"Let's get this out,"

Chapter 174: Child

Jiang Lingzhi stared at his fair and slender fingers for a while.

Such a beautiful hand, it would be a pity to use it as a trash can.

However, there was no trash can here.

In the end, she decisively placed the bag in his palm.

The deskmate trash can was quite useful.

Li Shunan withdrew his hand and glanced at her. He reminded her, "It's a little cold. Eat less."

Jiang Lingzhi nodded her head and was a little satisfied. "Oh, I know."

The ice cream melted in his mouth.

It was cold, sweet, but not greasy.

Jiang Lingzhi took a small spoon and took two bites. The boy's hand reached out again.

The boy opened his palm and placed it in front of her.

"Hmm?" Jiang Lingzhi looked at him for a while in confusion.

Li Shunan stared into her eyes and said lazily, "Just satisfy your craving. It's uncomfortable to eat too much."

Jiang Lingzhi wrinkled her nose and looked at the remaining half of the ice cream in her hand. "But it would be a waste not to eat it."

Li Shunan's eyes were calm as he casually took the ice cream from her hand. "I'll eat it. It's not a waste."

Jiang Lingzhi stared at the two ice creams in his hands. She puffed up her cheeks and was a little reluctant to part with them.

He had only taken two bites.

If she had known earlier, she would have eaten it in big mouthfuls.

Jiang Lingzhi placed the small spoon in her hand into her mouth and took two bites.

What a pity.

Li Shunan seemed to see the desire in her eyes. He was a little helpless and handed the ice cream to her. "Last bite."

Jiang Lingzhi looked up at him. She curved her eyes, raised the small spoon in her hand, and dug another big lump before she left.

"Just one bite."

She stuffed a big mouthful into her mouth and stared at him with bright eyes.

She was a little proud, like a sly little fox.

When she was eating ice cream, the corner of her lips was accidentally stained with some cream.

Li Shunan chuckled, raised his hand, and gently rubbed the corner of her lips with his fingertips. His voice was gentle and low. "Child."

His fingertips were icy cold, and a light touch brushed past the corner of her lips, making it a little itchy.

Jiang Lingzhi's eyelashes trembled a little.

She took a few steps back and moved further away from him. She leaned against the wall and turned her face to the other side of the machine.

The sound of his heartbeat was amplified in the quiet corridor.

Jiang Lingzhi closed her eyes in frustration and calmed her heartbeat.

His deskmate was really..

This was too much!

She lowered her head, but the corners of her lips could not help but curl up.

Li Shunan leaned against the wall lazily and stared at her.

The girl lowered her head and stood at an angle where she thought he couldn't see her. The corners of her lips curled up slightly.

Tsk, tsk.

The child was laughing secretly.

Noticing the curve on her lips, Li Shunan smiled and stared at the field in the distance. He couldn't help but smile.

The bell rang.

Their class had not ended yet, but people from the other classes had already started running out of the classroom.

People came and went in the corridor.

People passing by couldn't help but look at them.

Jiang Lingzhi had never been punished to stand, and she had even been surrounded like this before.

This feeling was truly unprecedented.

How embarrassing.

She threw it at her grandmother's house.

The homeroom teacher was still talking in the classroom.

After waiting for nearly three minutes, she heard someone say, "Class dismissed."

Jiang Lingzhi immediately stood up straight and stopped leaning against the wall.

Hao Weiwu quickly walked out with the lesson plan. He stopped in front of them, cleared his throat, and whispered to Jiang Lingzhi, "What's going on? Didn't you eat in class before?"

Jiang Lingzhi lowered her head and looked as if she was deeply aware of her mistake..

Chapter 175: I Won 't Dare to Do It Next Time

Hao Weiwu couldn't continue his criticism and pointed at Li Shunan. "And you, it's fine if you sleep every day, but now you're eating lollipops with your deskmate?"

Jiang Lingzhi was speechless.

Jiang Lingzhi really wanted to say that he did not bring her.

She was simply curious about what popping candy was.

Curiosity killed people.

‘Didn’t you answer the question well last time?’ Hao Weiwu said directly. ‘Learn more from your deskmate.’ I remember that Jiang Lingzhi has a physics summary material, right? It has been used by my classmates many times for reference. Make a copy and hand it to me tomorrow!’

Jiang Lingzhi felt that it was over.

Would the big boss be the kind of person who was willing to copy information?!

Impossible!

Big boss is addicted to sleeping every day. It’s impossible for him to copy information!

Absolutely not!

Li Shunan looked up and leaned against the wall. He replied lazily, ‘‘Got it, Teacher.’’

Jiang Lingzhi was speechless.

Hao Weiwu was quite satisfied with his attitude. He turned his head and instructed Jiang Lingzhi, ‘‘You’re not allowed to eat during class next time!’’

Jiang Lingzhi came back to her senses and admitted her mistake sincerely. ‘‘I understand, Teacher. I won’t dare to do it again.’’

She was so obedient that Hao Weiwu could not bear to criticize her.

‘‘Then you’ll be in charge of supervising your deskmate. I won’t see the information tomorrow. Both of them have to write a self-reflection letter!’’ Jiang Lingzhi was speechless.

‘Alright,’ Hao Weiwu said. ‘This won’t happen again. Let’s go back to the classroom.’

With that, she shook her head and left.

Jiang Lingzhi looked at Brother Weiwu's back view in the distance and heaved a sigh of relief. She muttered softly, "Why don't you let me write a self-reflection letter?"

She turned her head and met the boy's playful gaze.

She thought of what he had just said.

A child.

Jiang Lingzhi's ears started to heat up again.

How could this person be so good at seducing people?!

He looked like he had experienced many battles.

When she thought of this, Jiang Lingzhi pursed her lips and snorted softly at him. "What are you looking at? I copied your information."

After saying that, she walked in front of him and entered the classroom from the back door. Her footsteps were a little flustered.

Li Shunan raised his eyebrows and chuckled.

Jiang Lingzhi walked into the classroom from the back door. She sat down in her seat and heaved a sigh of relief.

The next period was math class. She took out her books and placed them on the table.

Across the aisle, a girl was talking. "Hey, are you going to the toilet?" Another girl put down her pen and immediately echoed, "Alright, alright."

"Do you have tissues?"

"I have a pack."

"Lend me one."

Then, the two of them walked out happily hand in hand.

Guo Cong and Wang Kang, who were sitting in the last row, obviously heard it too.

The two of them were originally writing a self-reflection letter. In the end, they couldn't help but start discussing this question.

"Did you notice?" Guo Cong found it strange."

"I noticed."

"So why is that?"

Wang Kang thought for a while and slammed the table. "I know. It must be because you watched a horror movie and are afraid that there are ghosts in the toilet."

"Girls are all timid!"

Guo Cong nodded."

Jiang Lingzhi was speechless.

Guo Cong asked again, "Why do girls always bring paper when they go to the toilet?"

Jiang Lingzhi was more familiar with them after what happened just now.

After all, they were classmates who had eaten snacks together in class.

She couldn't help but turn around and ask, "You guys don't use toilet paper?"

Chapter 176: Falling From The Altar

Wang Kang didn't feel that it was strange at all. He answered matter-of-factly, "Of course. We guys don't use toilet paper." Shaking it?

Jiang Lingzhi's thirst for knowledge was very strong.

Li Shunan had his hands in his pockets. When he walked into the classroom from the back door, he happened to hear this conversation.

His forehead twitched.

Guo Cong was speechless.

Wang Kang was speechless.

Jiang Lingzhi saw that they were all silent, and she was about to ask something else.

Li Shunan walked over unhurriedly and pressed his hand on the back of her head, pushing her face back.””Have you finished your homework? Stop chatting.”

Jiang Lingzhi was speechless.

It was only one class, where was the homework?

Li Shunan looked up and his light brown eyes swept across the two people behind him.

The warning was very strong.

Guo Cong and Wang Kang immediately fell silent.

It's over, it's over. What did they just say to the goddess?!

Just now, he had not checked and had chatted with her like she was a boy!

The gaze of a big shot.

He was scared!

It was better for him to write a self-reflection letter obediently.

Jiang Lingzhi looked at him with some dissatisfaction. Why didn't he let her finish her sentence? She stood up and gave up her seat to her deskrnate.

Li Shunan walked into his seat and sat down.

Jiang Lingzhi had already gotten up. There was still time, so she decided to go to the bathroom.

She pulled out the physics summary from a pile of books and placed it on his desk.

“Take the information and copy it.”

With that, he prepared to leave through the back door.

Li Shunan picked up the document and glanced at it. He turned his head and looked up at her. “Where to?”

Jiang Lingzhi stopped in her tracks and curled her lips. “Do I need to report to you when I go to the toilet?”

She snorted softly, retracted her gaze, and left the classroom.

Actually, Jiang Lingzhi did not have the habit of going to the toilet with others.

Every time, it was Wen Yujing who asked her to accompany her.

However, now that Wen Yujing had chosen liberal arts, the two of them were no longer in the same building.

Jiang Lingzhi came out of the classroom and went to the bathroom at the end of the third floor.

Therefore...

Why didn't boys use toilet paper? Seriously, he didn't even make himself clear.

“I really didn't expect him to be in our class.”

“Yeah, I didn’t expect him to look even more handsome up close!”

The sounds of girls discussing could be heard coming from the washroom.

Jiang Ling knew that the toilet had been flushed. She was about to open the door of the cubicle when she heard someone talking outside.

Girl A: “ I’ve long heard that he’s more handsome than the school hunk. It’s actually true! ””

“Does Li Shunan have a girlfriend?””

Girl C: Not having a girlfriend was a waste of his looks. He was really handsome!!”

When she heard that the person they were discussing outside was actually her deskmate, Jiang Lingzhi’s fingers that were about to open the door subconsciously paused.

As the girls chatted, the topic changed very quickly.

Girl A: “ Also, isn’t that Jiang Lingzhi in our class too? She’s even deskmate with

Li Shunan.””

When she heard that the person they were discussing had suddenly changed from her deskmate to herself, Jiang Lingzhi’s fingers simply stopped.

Should he go out? That was a problem.

Girl B: “ That’s right. I was just talking about how amazing Jiang Lingzhi was. In the end, she didn’t get into the special class. It’s funny.”” Girl C: “ I’m a god, I’m a god, I’m a god, I’m a god, I’m a god.”” the girl said with a smile.

“She was punished by the teacher to stand in class today. I really don’t know if those people who praised her to the heavens were blind.”

Chapter 177: He Can See Through Eyes

Perhaps the washroom was really a good place to chat, as the girls’ laughter became even more unrestrained.

Girl A: “ She’s just good-looking. Aren’t those guys just superficial? She couldn’t move when she saw good -looking people.”

Girl B: “ She only got 70 marks in Maths. I really don’t know how she did it. I’m so funny.””

Girl A: “ 70 points. I could get it with my eyes closed. Is that all you got? Hahaha...’

Jiang Lingzhi leaned against the side of the cubicle and listened to the mocking voices outside. She did not have much emotion.

She rarely angered herself because of other people’s sarcasm.

That would be too impulsive.

Class was about to start.

Jiang Lingzhi was silent for a while before she opened the door of the cubicle and walked out.

The three girls didn’t expect that there would be someone in the toilet. They were all stunned.

When he saw the person who came out, he realized that it was the person he had been discussing just now.

The girls glanced at each other. Their faces were more interesting than a color palettes.

Jiang Lingzhi swept her gaze across their faces.

It seemed to be someone from the new class. She was not very sure. She did not recognize all the people in the class for the time being.

No one spoke in the bathroom. It was quiet all of a sudden.

Jiang Lingzhi calmly walked to the sink, turned on the tap, washed her hands, and slowly turned around."I didn't know that you guys had such a high opinion of me."

The girls were speechless.

Jiang Lingzhi stood in front of the sink and continued to say calmly,"Actually,

I'm just an ordinary person. I can't fall from the altar. I didn't expect you to treat me as a god."

The girls were speechless again.

"There's also that student who can score 70 points with his eyes closed." Jiang Lingzhi smiled with her eyes curved."Could it be that your eyes have seen light before and can see through it?"

"You're really amazing." Jiang Lingzhi praised.

The girl choked.

The girls looked at each other and were too embarrassed to say anything.

Jiang Lingzhi tugged the corners of her lips and retracted her gaze. She turned around and left through the door.

His back view was very elegant.

She was willing to be an obedient child at home, but it did not mean that she would be bullied by others outside.

Since he liked to speak ill of others behind their backs.

Then, he should bear the consequences of being caught by the person in question.

Anyway, she wasn't the one feeling awkward.

Jiang Lingzhi did not take this small matter to heart at all.

After returning to the classroom, she sat down in her seat, took out her revision materials, and began to do her homework.

"What took you so long?" the boy suddenly said.

The pen in Jiang Lingzhi's hand stopped for a moment. "Hmm?" Li Shunan leaned against the wall, looking a little lazy and tired.

"I'm going to get you."

Jiang Lingzhi was stunned for a moment. "You can sleep. How could I fall inside?"

Li Shunan leaned back against the wall and rested his arm on the table. He said lazily, "How can I sleep if you don't come back?" Jiang Lingzhi was speechless.

Did this mean that she had a sleeping aid function?

The last period was self-study.

His deskmate was the same as before. Every night, it was as if she had not slept at all. She lay on the desk and slept soundly.

Jiang Lingzhi finished writing a test paper and stopped to rest for a while.

Taking advantage of this gap.

Jiang Lingzhi leaned against the back of the chair and twirled the pen in her hand.

When she turned her head inadvertently, she happened to catch a glimpse of her deskmate's side profile.

The boy closed his eyes and faced her.

Jiang Lingzhi's gaze landed on the boy's eyelashes, and she froze once again..

Chapter 178: Close Your Eyes

Tsk, her deskmate's eyelashes were a little too long.

As a boy, this was a little against the rules!

Jiang Lingzhi rested her elbow on the table. She turned her body sideways and cupped her small face as she stared at her deskmate seriously.

She didn't know if it was because her gaze was too eager.

The boy's good-looking eyebrows furrowed slightly. In the next second, he opened his eyes unexpectedly.

Jiang Lingzhi's fingertips trembled, and she did not have the time to look away.

Their eyes met.

He was caught again.

Ever since she was caught trying to touch his eyelashes.

This was the second time.

Why did she always fall in the same place?

Jiang Lingzhi was still thinking in her mind.

What kind of a less awkward way to speak?

Jiang Lingzhi blinked her eyes and simply moved closer to meet his gaze. Her expression was very sincere. "Student Li, I've always wanted to ask, your eyelashes are quite long, what brand of eyelash growth liquid do you use?" Li Shunan was speechless.

Li Shunan was obviously stunned for a moment, and his eyes were still filled with fatigue. He sat up straight and leaned back, a trace of absurdity in his eyes.

“Hmm?” He snorted and looked at her with a faint smile. “Probably, she’s a natural beauty.”

Jiang Lingzhi was speechless.

She didn’t expect her deskmate to be so narcissistic.

Jiang Lingzhi rolled her eyes in her heart. She cleared her throat and asked again, “Then, what do you think of my eyelashes compared to yours?”

Li Shunan lowered his head and stared at her for a while before he slowly said, “It looks good.”

Jiang Lingzhi said, “Let me ask you. Are my eyelashes long? What do I look good for?!?”

Li Shunan raised his eyebrows and reacted. “Long.”

Jiang Lingzhi did not have the time to be happy.

Li Shunan’s lips curled up, and he said in a slightly rude tone, “It’s a little worse than mine.”

Jiang Lingzhi was speechless.

Look at what a human would say!

“Student Li, do you know why you don’t have a girlfriend?” Jiang Lingzhi pursed her lips and accused him word by word.

Li Shunan raised his eyebrows and stared at her with his hands on the table. He said lazily, “Tsk, you even know that I don’t have a girlfriend.” His gaze was a little deep, with a hint of unexplainable meaning.

Jiang Lingzhi's heart skipped a beat.

Why did the topic suddenly lead to a strange place?

She gulped and averted her gaze. She pretended to be calm and changed the topic. "Let's not talk nonsense. Let's compete."

Li Shunan leaned against the wall and looked at her lazily. "How?"

Jiang Lingzhi took out the ruler beside her and thought for a moment. "Why don't we each pluck an eyelash and measure it with a ruler?"

Li Shunan was speechless.

Jiang Lingzhi thought about it and felt that it might hurt a little. "But my eyelashes are very precious."

She thought of another suggestion. "Why don't I measure yours and you measure mine? Don't go back on your word."

"Alright." Li Shunan raised his eyebrows.

Jiang Lingzhi held the ruler and could not help but jump for joy.

She had been thinking about her eyelashes for a long time, and she could finally measure them openly.

Jiang Lingzhi blinked and hooked her finger at him. "Come closer."

The boy was so tall that he was taller than her even when he was sitting.

Li Shunan bent down slightly and moved closer to her.

“Come down a little more.”

Li Shunan lowered his head.

Jiang Lingzhi was very satisfied with this height. She reminded him, “Close your eyes.”

Li Shunan stared at her for a while with his unfathomable eyes, then closed his eyes as she wished.

The boy’s facial features were too good.

Even at such a close distance, he could not find a single flaw.

From his brow bone to his straight nose bridge, his distinct facial contours, and then to his thin scarlet lips.

This beauty was a critical hit.

After admiring her beauty.

Jiang Lingzhi took the ruler and measured it in front of his eyes. When she saw the number on the scale, she could not help but click her tongue.

“Alright.”

Then, he took a pen and wrote it down in his notebook. “1.2.”

The length of her eyelashes, which had not been processed, was very good.

Jiang Lingzhi passed the ruler in her hand to him, then closed her eyes very tactfully and leaned in front of him.””Your turn..”

Chapter 179: Go See the Pumpkin

The girl closed her eyes and raised her head slightly.

Her eyelashes fluttered slightly, and her skin was as fair as porcelain without a single flaw. Her nose was sharp, and her red lips were full.

Li Shunan held a ruler in his hand and stared at her with his eyes darkened.

The child’s posture.

It’s like I’m asking for it. Kiss.

Li Shunan licked the corner of his lips and laughed silently. He picked up the ruler and measured her eyelashes. He glanced at the numbers on the scale.”1.4.”

Hearing this answer.

Jiang Lingzhi opened her eyes and her eyes curved up. The dimples on her lips were faintly visible. “Hahaha, I won.”

Guo Cong, who was sitting at the back, was speechless.

He wondered if there was something wrong with his eyes.

He was sitting closest to the big boss.

He had clearly seen what had happened at the table in front of him.

So, so what did he see?!

This competition was really too formal!

Was this something a big shot would do?

Why did it feel like the big boss was coaxing his little girlfriend?

Guo Cong was shocked by the thought that popped up in his mind.

What kind of joke was this?

What a pure deskmate friendship!

He must be thinking too much!

Even though she won with a length of two millimeters, Jiang Lingzhi was still very proud.

Holding a pen, she was in a good mood as she did her homework.

“If you win, what reward do you want?” Li Shunan leaned against the wall and stared at her.

Jiang Lingzhi’s fingers paused for a moment.”

There were rewards for winning this competition?

She, she never thought of asking for a reward.

Li Shunan licked the corner of his lips and approached her. He said unhurriedly, "Reward, go see the little pumpkin today?"

Jiang Lingzhi's heart skipped a beat.

He suddenly remembered that he hadn't gone to see the little pumpkin for a few days.

During the holidays, she had to rely on her deskmate to take care of her.

On the day of the gathering, she had planned to go see the little pumpkin with him.

In the end, Su Xici interrupted them and they didn't manage to go.

Look at how irresponsible she was as a mother!

Jiang Lingzhi decided to atone for her sins, and she nodded seriously. "Okay, I

miss it. Let's go to your house after school."

At this point, the school bell rang.

The students instantly came to life. There was a commotion as they packed their things and walked out.

Jiang Lingzhi took out her phone from her bag pocket. "Wait a minute, I'll send a message."

After typing on the keyboard for a while, she typed a text message and sent it out.

After confirming that the message was sent successfully, Jiang Lingzhi put her phone away and stood up with her bag.””Then let’s go.”

Li Shunan’s lips curled up. He took out his school bag from the hole in the table, put the physics summary material in it, and slung the school bag over his shoulder with one hand.

He left the classroom with her.

He came to the old alley again.

Jiang Lingzhi felt that it was quite intimate.

At this time, the old alley was bustling with activity.

There were many people getting off work and school.

He returned to the courtyard.

Li Shunan pushed open the door of the main house and walked in. He took a pair of new slippers from the shoe cabinet and threw them in front of her.

Pink, female.

Jiang Lingzhi carried her school bag and stared at the pair of slippers for a

while.

There didn’t seem to be any last time.

Li Shunan lowered his eyes and happened to notice her gaze.

He seemed to have sensed what she was thinking.

“You’re the mother of the child, after all. I prepared an extra pair for you when we went to the supermarket.” Jiang Lingzhi was speechless.

He didn’t know why.

When she asked the kitten to call him daddy, she didn’t have any other thoughts. Why did it feel so... That was strange.

Father and Mother.

So, what were they?

Husband and wife?

Chapter 180: Taking a Shower

Jiang Lingzhi was shocked by the thought that suddenly popped into her head. “Oh, thank you.” Jiang Lingzhi pretended to be calm and changed into slippers at the door.

She quickly walked inside and escaped from the boy’s range before secretly letting out a sigh of relief.

Jiang Lingzhi looked around the living room, but she did not see Little

Pumpkin. She took her school bag down and placed it on the chair.

“Where’s the little pumpkin?”

Jiang Lingzhi squatted down and glanced under the sofa.

Li Shunan walked in and glanced at the cat bed.””He probably did something bad and went into hiding.”

There was a cat bed next to the TV cabinet.

There was an overturned milk plate next to the cat’s nest.

There was a puddle of white milk stains on the floor, mixed with a few small footprints.

Jiang Lingzhi glanced at the milk stains on the floor.””Is that cat milk?”

Li Shunan replied with a lazy ”hmm “. Obviously, he was already used to it.”I washed it this morning. It probably stepped on it.”

Jiang Lingzhi found it a little funny.”

After saying this.

She saw Li Shunan staring at her for a while with an ambiguous look in his eyes before throwing out two words.

“Just like Mom.”

Jiang Lingzhi was speechless.

Look at what he’s saying!

How did he take after his mother?

She was very quiet, alright!

In the end, she found the little fellow under the fireplace.

Because it had stepped on the milk dish, it had secretly hidden. Some parts of its fur had been stained with milk and had become tufts.

It was still a little hard after drying.

After seeing her, the little pumpkin meowed and crawled into her palm.

Jiang Lingzhi was amused by Little Pumpkin's appearance. She touched its hard fur and said, "How did the little pumpkin become a little hedgehog?"

Jiang Lingzhi looked at it for a long time and still found it very funny. "What should I do? This cat milk is sticky and dirty."

Li Shunan stood in front of her with his hands in his pockets. He stared at her for a while with some disdain. "I need to take a shower."

Jiang Lingzhi held the kitten in her hands and touched its head. "Alright, then let's go give him a bath."

After she finished speaking, she looked up at him. "How did you wash up last time?"

Jiang Lingzhi remembered that he seemed to have given Little Pumpkin a bath the last time.

It seemed like he had even scrapped a phone.

“Me?” Li Shunan stared at her thoughtfully and said lazily, “Just wash in the bathroom.”

Jiang Lingzhi did not think too much. She stood up with the little pumpkin in her arms and stared at him. “Oh, then let’s go.”

Li Shunan was about to say something.

Seeing that she seemed to be very proactive, his thin lips pursed slightly, but

he could not say what he wanted to say.

She turned around and entered the bathroom in the bedroom.

Although this was an old alley and the house was very old, his house had obviously been renovated. The decoration and furniture were very fashionable. The room wasn’t as messy as a typical boy’s. It was decorated in dark colors and was clean and tidy.

The bathroom was also made of high-quality matte marble.

Jiang Lingzhi finally understood why Li Shunan had dropped his phone into the basin when he was bathing the little pumpkin.

Little Pumpkin was especially resistant to bathing!

The last time they went to the pet shop to buy a cat bed, they bought a special bathtub for it.

Li Shunan took the shower and filled the bathtub with water. The little pumpkin seemed to know what was going to happen next and wanted to run out.

Jiang Lingzhi patted its head and wanted to comfort it.

In the end, it cried out miserably.

Jiang Lingzhi did not know whether to laugh or cry. She looked up at the boy beside her..”The last time you washed it, it was like this too?”
